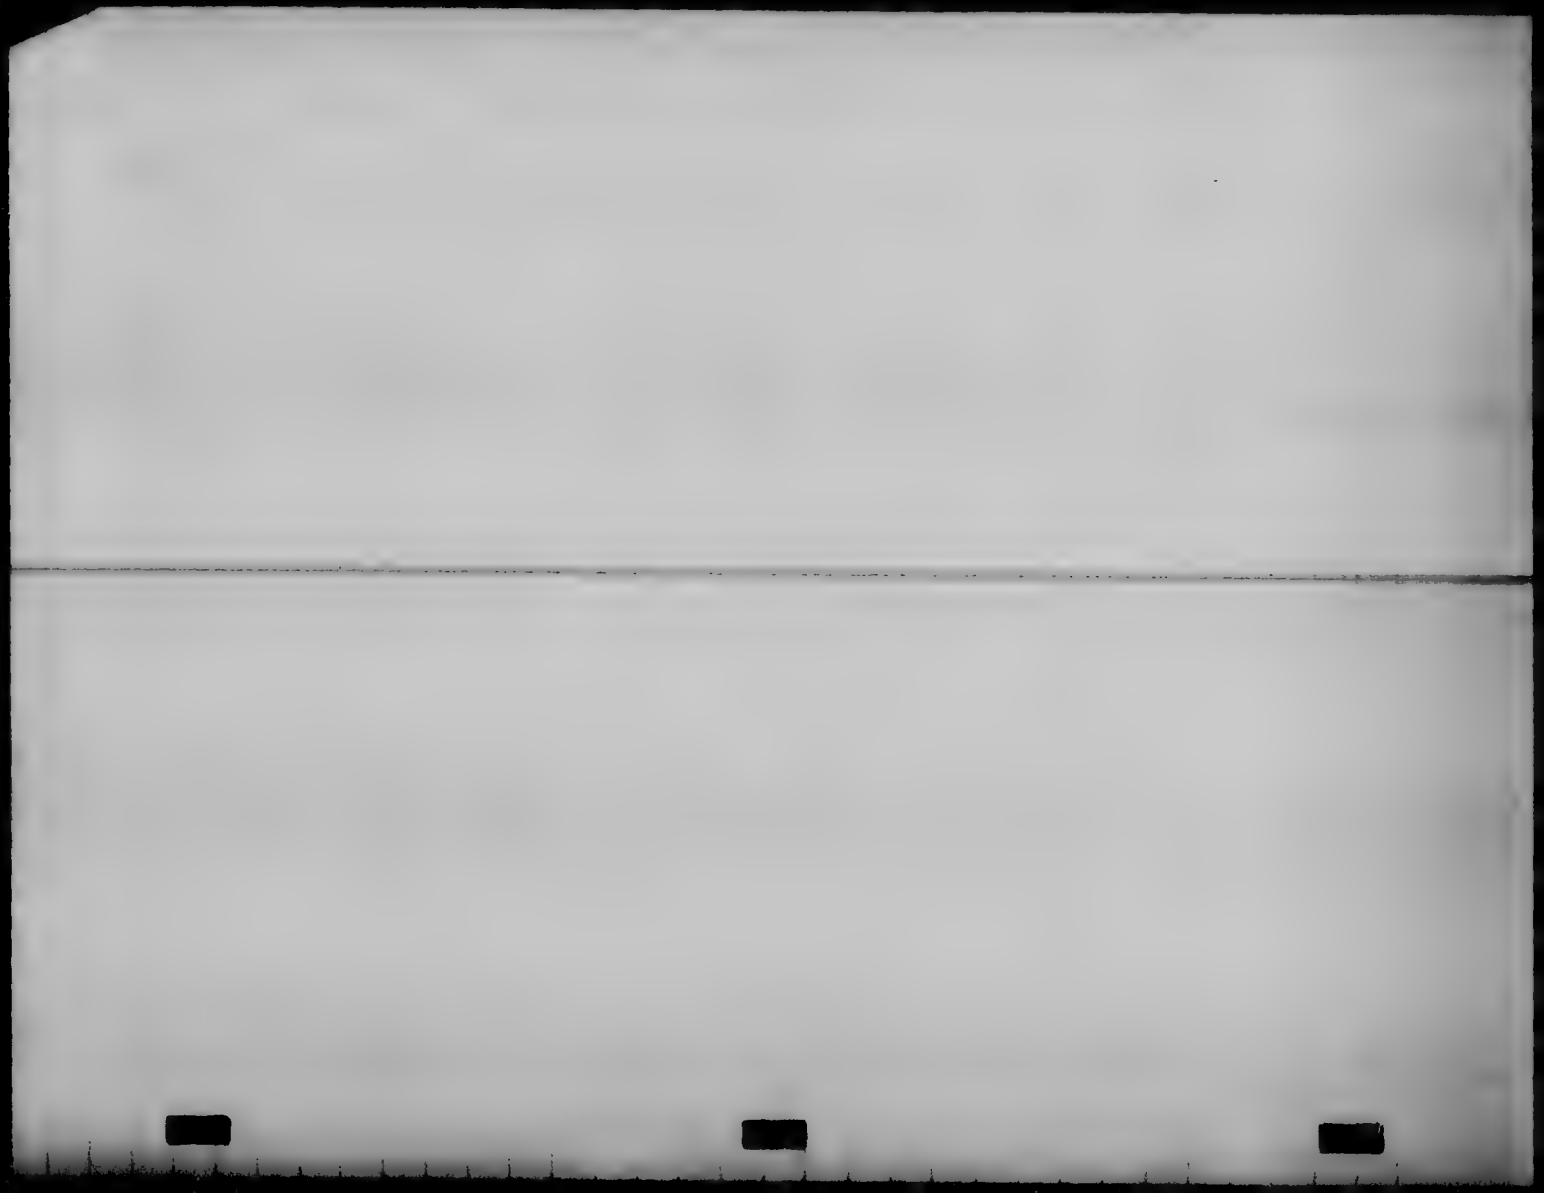
Zoning - Hearing scheduled for the extraterritorial zoning extension of Biltmore Forest. — 200



James Daniels reported that he had appeared at the first public hearing on behalf of the Sign Ordinance Task Force of the Chamber of Commerce and requested additional time to study the ordinance. He then distributed copies and read the task force's recommendation which proposed amendments to:

1. Sec. 50-4-7. Permit Fees (Page 23)
2. Sec. 50-4-11. Registration of Existing Signs (Page 24)
3. Sec. 50-5-4. Computation of Sign Area (Pages 30, 31, 32)
4. Sec. 50-5-5. Required Setback - Free Standing Signs (Page 32)
5. Sec. 50-5-10.5 Other Temporary Signs (pages 40, 41)
6. Sec. 50-6-3 (a). Schedule of Sign Requirements (Pages 43,44,45)
7. Sec. 50-7-4.2. Free Standing Signs (page 47)
8. Sec. 50-6-4.6. Wall Signs (Page 52)
9. Sec. 50-6-4-12. Off-Premise Advertising Signs (Page 56)
10. Sec. 50-8-4. Amortization Provisions (Page 67)
11. Sec. 50-8-5. Notice to Repair or Remove;Creation of Lien (Page 68)

The Chamber Task Force recommended the enactment of the ordinance with these amendments. Complete text of these amendments is on file in the City Clerk's office.

Corporation Counsel William Moore reported that he and Mr. Emrick were working on the amortization schedule, based on the depreciable life of the sign or seven years whichever is greater. He said they are trying to make language more palatable to sign companies.

Mrs. Barbara Keleher, 18 Maywood Road, spoke in support of the sign ordinance. She said she represented 62 people who come from all walks of life who have signed a petition supporting the ordinance.

Mrs. Martha Abshire Gilmartin spoke in support of the ordinance. She reported that in the State of Vermont all billboards are illegal, yet it has not slowed down their tourist business. Their ordinance has a 5-year amortization period and is statewide.

Mr. Joe Bell, 87 Woodland Road, spoke in support of the ordinance. He made three points: 1) revenue from sign tax could be used to enforce ordinance; 2) it was understood at the time of enactment that the sign control in the present zoning ordinance was only temporary; and 3) if you enact amendments suggested by the Chamber of Commerce, you will have no sign ordinance.

Mr. E. R. McCarthy, West Asheville, said he was not for or against the ordinance, but was concerned about civic matters. He thought they were paying an awful lot of attention to this when there were more pressing affairs in the city.

Mr. Mike Summey, Summey Sign Company, said he had previously submitted his recommendation to City Council. He spoke in favor of improving the sign control in the present zoning ordinance. He said that in his opinion controls in other cities are not applicable here. He said the proposed ordinance deals with many areas that are not problems and he felt that it was overdone.

Mr. Loyd Kirk, 866 Hendersonville Road, spoke in favor of improving and using the sign controls in the present zoning ordinance. He cited pages in the proposed ordinance which are the same as those already existing. It appears that the new ordinance has some 70 pages that are not necessary.

Thursday, October 2, 1975, 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., presiding, Vice Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, and Ralph D. Morris, Jr.; City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr., and Corporation Counsel William C. Moore.

Absent: Councilman Eugene C. Ochsenreiter

1. Approval of minutes of September 25, 1975.

Upon motion of Councilman Colton, seconded by Councilman Horton, the minutes of the September 25, 1975 meeting were approved as submitted.

PUBLIC HEARING - GROUP DEVELOPMENT - GARAGE FACILITY FOR BRUCE RAMSEY

2. A public hearing was held relative to the site plan of a proposed garage facility to be constructed by Bruce Ramsey on Emma Road.

Mayor Wood opened the public hearing at 3:02 o'clock p.m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the site plan was reviewed by the Planning and Zoning Commission on September 10, 1975. It meets all requirements as to proper zone, adequate setback and access and is recommended for approval.

Mayor Wood closed the public hearing at 3:08 o'clock p.m.

Vice Mayor Marshall moved to approved the site plan of the proposed garage facility. This motion was seconded by Councilman Hoyle and carried unanimously.

RECOGNITION - CELEBRATION OF THOMAS WOLFE 75TH BIRTHDAY

Mayor Wood noted that this was not an agenda item, but he would like to commend the public's participation in the festivities of the 75th Birthday Celebration of Thomas Wolfe. He also commended the Civic Arts Council and the University of North Carolina at Asheville for sponsoring the programs. He recognized Mrs. Barbara Keleher who introduced Mrs. Grace Rohrer, N. C. Secretary of Cultural Resources.

PUBLIC HEARING - CONTINUATION OF PUBLIC HEARING ON SIGN ORDINANCE ORDINANCE - A SIGN AND PUBLIC ADVERTISING ORDINANCE

3. City Council continued a public hearing on the proposed Sign Ordinance for the City of Asheville. Mayor Wood noted that the first hearing was held on September 18, 1975.

Mayor Wood reconvened the public hearing at 3:12 o'clock p.m.

RESOLUTION 75-120 - A RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN RENEWAL LEASE FOR U. S. FOREST SERVICE FOR ASHEVILLE AIRPORT

4. Consideration was given to a resolution authorizing the Mayor to sign a renewal lease for U. S. Forest Service for Asheville Airport.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-120 was unanimously adopted.

Complete text of Resolution No. 75-120 will be found in Resolution Book 8 at Page 189.

RESOLUTION 72-121 - A RESOLUTION AUTHORIZING THE MAYOR TO OFFER THE APPROVED APPRAISED FAIR MARKET VALUE FOR PROPERTY ADJACENT TO ASTON PARK

5. Consideration was given to a resolution authorizing the Mayor to offer the approved appraised fair market value for property adjacent to Aston Park.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained that on these projects the federal government requires that the property be appraised first and the city cannot pay less than the appraised value. The intent of this resolution and the next one is to approve the fair market value of Aston Park, West Asheville Park, and Riverside Park. The intent of the third resolution is to adopt this policy for future purchases.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-121 was adopted by a vote of 3 to 2.

Complete text of Resolution No. 75-121 will be found in Resolution Book 8 at Page 190. and 191.

RESOLUTION 75-122 - A RESOLUTION APPROVING FAIR MARKET VALUE OF CERTAIN REAL PROPERTY PURCHASED FOR THE DEVELOPMENT OF WEST ASHEVILLE PARK AND RIVERSIDE PARK.

7. Consideration was given to a resolution approving the fair market value of certain real property purchased for the development of West Asheville Park and Riverside Park.

The Corporation Counsel read the resolution.

Upon motion of Councilman Colton, seconded by Vice Mayor Marshall, Resolution No. 72-122 was unanimously adopted.

Complete text of Resolution No. 75-122 will be found in Resolution Book 8 at Page 192.

RESOLUTION 75-123 - A RESOLUTION ADOPTING PROPERTY ACQUISITION POLICIES IN INSTANCES WHERE THE UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT OF 1970, AS AMENDED, APPLIES

8. Consideration was given to a resolution adopting property acquisition policies in instances where the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, applies.

Mayor Wood announced that they would depart from the usual procedure and ask Mr. Emrick to read the second draft of the ordinance page by page and Council would have an opportunity to vote on any amendments. At some later date the amended ordinance would be read with a roll call vote.

Mr. Emrick then reviewed and explained each section through Page 19. The following action was taken:

Page 1. Sec. 50-1-2. Amend Title of Section to read: "Purpose; Repeal of All Parts of Any Preceding Ordinance Which Refers in its Entirety or in Part to Sign Regulations and Control."

Councilman Horton moved approval of this amendment.

Councilman Morris seconded the motion and it carried unanimously.

Page 6. Sec. 50-2-3. Paragraph C. Add the following words at the end of Paragraph C: "or as an integral part of a sign regulated under this Ordinance."

Councilman Morris moved approval of this amendment.

Councilman Colton seconded the motion and it carried unanimously.

Page 6. Sec. 50-2-3. Paragraph H. City Council requested that the Planning staff study the restriction of signs on buses and other vehicles

Page 7. Sec. 50-2-4. Enforcement. City Council requested Planning staff to clear up methods of enforcement and maintenances. Corporation Counsel advised that a fine must be set. Mr. Emrick advised that enforcement and maintenance was dealt with in a later section.

Page 13. Sign. (definition)

Mayor Wood suggested that further consideration be given to color and design.

Page 14. Sec. 50-3-2. (Under Words and Terms) Portable and Mobile Signs. City Council requested Planning staff to look at the clause "leased or rented" and advise next week if they think it should be there.

Page 16. Under Identification Sign add a new item (6) as follows: "(6) a permanent sign identifying a subdivision, group development (other than a commercial entity), or a planned unit development."

Councilman Colton moved approval of this amendment.

Councilman Hoyle seconded the motion and it carried unanimously.

Mayor Wood noted that it was 5:00 o'clock p.m. He said the Council would continue the public hearing until next Thursday after any other public hearing set for that date.

Council recessed for five minutes and reconvened at 5:08 o'clock p.m.

BIDS - CUSTOM BUILT VAN BODY FOR PARKS AND RECREATION DEPARTMENT

9. Consideration was given to bids received September 23, 1975 for one custom built van body to fit Chavalier II truck chassis.

The City Manager read a memorandum from the Purchasing Agent which recommended accepting the only bid submitted by Young's Metal Fabricators in the amount of $11,400.

Ray Kisiah, Parks and Recreation Department, explained that this was a Children's Zoo Traveling Nature Center that would be operated by the Junior League of Women and taken to institutions, day care centers, etc. The City will not be responsible for replacing the vehicle. It will be in the City's ownership now because of the necessary insurance coverage. City will furnish gas, maintenance and insurance.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Young's Metal Fabricators in the amount of $11,400. This motion was seconded by Councilman Horton and carried unanimously.

BID SUMMARY — CITY OF ASHEVILLE — BIDS OPENED: TUESDAY, SEPTEMBER 23, 1975 - 10:30 A.M.

BID REQUEST NO. 302 — ONE (1) CUSTOM BUILT VAN BODY TO FIT CHAVALIER II TRUCK CHASSIS FOR PARK AND RECREATION DEPARTMENT

(Re-advertisement of Bid Request #291)

	YOUNG'S METAL FABRICATORS ASHEVILLE, N.C.	CAROLINA TRUCK & BODY CO. ASHEVILLE, N.C.	WILSON'S MOBILE HOME REPAIR ASHEVILLE, N.C.	POWHATTAN MANUFACTURING CO. CANDLER, N.C.
1 Van Body to Fit Chavalier II Chassis per Specifications	$11,400.00 ✓	NO REPLY	NO REPLY	NO REPLY
DELIVERY:	60 DAYS			
BID DEPOSIT:	5% BID BOND			

BIDS - ONE THREE-GANG GREENSMOWER FOR PARKS & RECREATION DEPARTMENT

10. Consideration was given to bids received September 24, 1975 for one (1) three-gang riding greensmower, Greensmaster 3 or equal, for Municipal Golf Course.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by Porter Brothers, Inc. in the amount of $3,139.50, for a Jacobsen Three Gang Greensmower, Model 62219. Mr. Ward noted that Mr. Phipps had forwarded a letter from Mr. Kisiah recommending the second low bid from J. E. Smith and Sons in the amount of $3,160 for a 1975 Toro, Model 04323.

The City Manager read the resolution.

Mayor Wood asked if there was any reason for restricting the policy to just these purchases - Riverside, Montford, etc. Mr. Michalove replied that it would apply to all purchases and that these were singled out so it would cover previous purchases. The policy would cover only property purchased under the Uniform Relocation Act with federal money. Mayor Wood suggested that the Resolution reflect that the policy would be used in all future instances where the Uniform Relocation Act applies and then specify these that have been purchased.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-123, as amended, was unanimously adopted.

Complete text of Resolution No. 75-123 will be found in Resolution Book 8 at Page 194.

BIDS - ONE PICK-UP TRUCK FOR PARKING LOTS DIVISION

8. Consideration was given to bids received September 24, 1975 for one pick-up truck for the parking lots division.

The City Manager read the memorandum from the Purchasing Agent which recommended the low bid submitted by Apple Tree Chevrolet, Inc. in the amount of $3,383.85. Mr. Ward noted that only $3,200 was budgeted, but the department could recover this small amount and no budget amendment would be necessary. He noted that Mr. Phipps was available to answer questions.

Vice Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the bid to Apple Tree Chevrolet, Inc. in the amount of $3,383.85. This motion was seconded by Councilman Morris and carried unanimously.

BID SUMMARY — CITY OF ASHEVILLE — BIDS OPENED: WEDNESDAY, SEPTEMBER 24, 1975 - 10:30 A.M.

RESOLUTION NO. 75-125

RESOLUTION IN MEMORIAM OF GUY WARREN BASS

WHEREAS, the Asheville City Council wishes to record its deep sorrow over the recent passing of Guy Warren Bass; and

WHEREAS, Guy Bass throughout his life gave of himself to the improvements of others, particularly in the areas of education and human relations; and

WHEREAS, Guy Bass made an outstanding contribution to the community in improving human relations in his position with the Asheville-Buncombe Community Relations Council.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE:

That the City Council does hereby express our appreciation for the fine service given to the community by Guy Bass and we extend to his family our sincere sympathy upon his passing.

BE IT FURTHER RESOLVED, that this resolution be transcribed in the minutes of the Asheville City Council and that a copy of the resolution be forwarded to the family of Guy Warren Bass.

I move the adoption of the foregoing resolution.

Bill B. Hunter
COUNCILMAN

SECONDED BY: Esther M. Marshall
COUNCILMAN

Read, approved and adopted this 2nd day of October, 1975.

Richard A. Wood
MAYOR

Frances L. Roberts
CITY CLERK

APPROVED AS TO FORM:

William C. Morris
CORPORATION COUNSEL

Mr. Kisiah said that after seeing demonstrations of both machines they believed the Toro to be a superior machine and that his golf course personnel preferred it.

Corporation Counsel William Moore advised that unless there was a sound reason they would be setting a poor precedent in accepting the second low bid.

After further discussion, Mayor Wood said they would postpone action and carry this item over to next meeting.

POLICE AND FIREMEN - SALARIES AND GRIEVANCES

The City Manager read the following statement:

> The article in the morning paper implies that we were not going to give our attention to the matter of raises until July, 1976, was incorrect.
>
> We are, in fact, presently compiling information from other cities and reviewing our own policy structure and expect to have a report for the Council's review and action within three (3) weeks.

RESOLUTION 75-124 - A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A SUPPLEMENTAL AGREEMENT WITH SOUTHERN RAILWAY - 12 INCH SANITARY SEWER

Consideration was given to a resolution authorizing the Mayor to execute a supplemental right-of-way agreement with the Southern Railway Company concerning a 12" sanitary sewer line from Meadow Road across the railroad freight yards at Biltmore.

The City Manager read the resolution and explained that this would amend an agreement previously made with Southern Railway and it involved moving the easement line.

Upon motion of Vice Mayor Marshall, seconded by Councilman Hoyle, Resolution No. 75-124 was unanimously adopted.

Complete text of Resolution No. 75-124 will be found in Resolution Book 8 at Page 195.

RESOLUTION 75-125 - A RESOLUTION IN MEMORIAM OF GUY WARREN BASS

The City Manager read a resolution in memoriam of Guy Warren Bass and requested that it be placed in the minutes and a copy sent to his family.

Thursday - October 9, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, Ralph D. Morris, E. Ochsenreiter, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of October 2, 1975 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Marshall, the minutes of the October 2, 1975 meeting were approved as submitted.

PUBLIC HEARING - REZONING - SCATTERED SITES IN EAST RIVERSIDE URBAN RENEWAL AREA

2. A public hearing was held relative to rezoning property in the East Riverside Urban Renewal Area from HI Heavy Industrial District to R-3 Residential District.

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of rezoning these lots in order to allow the Asheville Housing Authority to construct Project NC 7-8 in the East Riverside Urban Renewal Area. He said all the lots were in the East Riverside Urban Renewal Area and were owned by the Asheville Housing Authority.

J. Bertram King, member of the Planning and Zoning Commission and architect for Project NC 7-8, commented that in his opinion this property was never intended to be used for industrial purposes.

Mayor Wood closed the public hearing at 3:10 o'clock p. m. and instructed the City Manager to read the prepared ordinance rezoning the property as requested.

Councilman Ochsenreiter moved for the adoption of the ordinance, as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 856 passed on its first reading.

In order for Council to proceed to the public hearing relative to the site plan of the proposed Housing Project NC 7-8, Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 856. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 856 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 856. This motion was seconded by Councilman Horton and carried unanimously.

Upon motion of Councilman Horton, seconded by Vice Mayor Marshall Resolution No. 75-125 was unanimously adopted.

Complete text of Resolution No. 75-125 will be found in Resolution Book 8 at Page 196.

PROCLAMATION - EMPLOY THE HANDICAPPED WEEK IN ASHEVILLE

Mayor Wood proclaimed the week of October 5-11, 1975 as Employ the Handicapped Week in Asheville.

PROCLAMATION - FIRE PREVENTION WEEK

Mayor Wood proclaimed that that Asheville will join in the observance of National Fire Prevention Week, October 5-11, 1975.

PROCLAMATION - NURSES WEEK IN ASHEVILLE, N. C.

Mayor Wood proclaimed the week of October 6-12, 1975 as Nurses Week in Asheville, North Carolina.

Adjournment.

Richard A. Wood, Jr.
MAYOR

Maxeanne F. Malcolm
CITY CLERK

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the rezoning request for the following reasons:

1) The property is contiguous with the Heavy Industrial District along the French Broad River.

2) The site is better suited for industrial development than for residential development.

3) Access to the property is adequate by way of both Riverview Drive and Haywood Road.

4) The proposed use of the property is compatible with established uses within the industrial district to the north.

Mr. Hall, District Manager of the Carolina Power and Light Company, said the Housing Authority of the City of Asheville has informed Carolina Power and Light Company that their redevelopment plans calls for the acquisition, relocation, demolition and disposition of the Vernell Street property, which now houses the present location of the Carolina Power and Light Company's downtown service facility. He said the Carolina Power and Light Company presently owns the property requested to be rezoned and the proximity to the downtown service area would make it economical and feasible for them to consider it for a prime relocation site.

Mayor Wood closed the public hearing at 3:48 o'clock p. m. and instructed the City Manager to read the prepared ordinance rezoning the property as requested.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 857 passed on its first reading.

PUBLIC HEARING - REZONING PROPERTY ON VANCE GAP ROAD - WAYNE KINSER

ORDINANCE NO. 858 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

5. A public hearing was held relative to rezoning property on Vance Gap Road from R-3 Residential District to Office Institutional District.

Mayor Wood opened the public hearing at 3:52 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the rezoning request for the following reasons:

1) The present R-3 residential zoning restricts the most reasonable use of the property;

2) Residential areas will not be adversely affected by the zoning change;

On a roll call vote of 6-0, Ordinance No. 856 passed on its third and final reading.

Complete text of Ordinance No. 856 will be found in Ordinance Book No. 6 at page 311 .

PUBLIC HEARING - SITE PLAN -HOUSING PROJECT N. C. 7-8 - EAST RIVERSIDE URBAN RENEWAL AREA ASHEVILLE HOUSING AUTHORITY

3. A public hearing was held relative to the site plan of the proposed Housing Project NC 7-8 located in the East Riverside Urban Renewal Area for the Asheville Housing Authority.

Mayor Wood opened the public hearing at 3:12 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the site plan subject to the following:

1) Approval of sedimentation plan for site grading in excess of one acre.

2) Approval of driveway construction.

3) Rezoning of lots on Site #3 from HI Heavy Industrial District to R-3 Residential District.

He said basically all the requirements for the group development had been complied with.

J. Bertram King, architect for the project, reviewed the architectural features of the project. He said the complex would consist mainly of duplexes and quadroplexes, with a few single-family buildings; that the units were designed for the physically handicapped; and that each unit would have ample space for passive type activities.

W. C. King, Executive Director of the Asheville Housing Authority, commented that a park near the complex would be deeded to the City as soon as one business in the area was relocated. It was also pointed out that the Livingston Street School recreation area would be within easy access from the complex.

After discussion, Mayor Wood closed the public hearing at 3:37 o'clock p. m.

Councilman Horton moved for the approval of the site plan subject to the conditions set forth by the Planning and Zoning Commission. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PUBLIC HEARING - REZONING - HAYWOOD ROAD AND RIVERVIEW DRIVE - CAROLINA POWER AND LIGHT CO.

4. A public hearing was held relative to rezoning property at Haywood Road and Riverview Drive from R-3 Residential District to HI Heavy Industrial District for the Carolina Power and Light Company.

Mayor Wood opened the public hearing at 3:38 o'clock p. m.

After discussion, Councilman Morris commented that he was not prepared to make such an important decision at this time and he would like to have at least a week to consider the request. He said he would also like to obtain additional information as to:

1) How much water Win-Tex is using at the present time;
2) How this new line would reinforce the presernt system; and
3) How would the request of 1,000,000 gallons per day be spread out over a 24-hour period.

It was the consensus of Council to defer the request for one week in order to obtain additional information.

Council took a five-minute recess.

PUBLIC HEARING - CONTINUATION OF PUBLIC HEARING ON SIGN ORDINANCE - A SIGN AND PUBLIC ADVERTISING ORDINANCE

7. City Council continued the public hearing on the proposed sign ordinance for the City of Asheville. Mayor Wood reconvened the public hearing at 4:37 o'clock p. m.

Councilman Hoyle was excused from the meeting at 4:37 o'clock p. m.

J. Bertram King, chairman of the Planning and Zoning Commission, speaking on behalf of the Commission said they were reaffirming their position that no changes should be made in the proposed ordinance.

Ms. Ann Bach, with Region B, spoke in favor of the proposed ordinance.

Mr. Max Coffey, Port-A-Sign Company, stated that he admitted that a sign ordinance was necessary but not one as extensive as the proposed ordinance.

Mr. Emrick, Planning Director, noted that at the last meeting Council had instructed that the following amendments be considered at this meeting.

Page 13. Sign (Definition)

Further consideration was given to deleting the words "color and design" from the definition of sign.

Councilman Horton moved to delete from paragraph 3, page 13, the words "color and design" from the definition of a sign. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Page 14. Section 50-3-2 (Under Words and Terms) Portable and Mobile Signs. City Council had requested the Planning Staff to study the clause "leased or rented" and to give their recommendation.

Mr. Emrick suggested deleting the words "leased or rented" and insert in lieu thereof the words "all primary use or advertising signs not permanently affixed to real property."

Councilman Morris moved for the approval of this amendment. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

3) The Office-Institutional District will permit the proposed uses. It is felt that the Commercial Highway District would permit some uses that would not be compatible with the surrounding residential property; and

4) All zoning amendments should be based on community-wide considerations rather than the special interests of a few property owners. As this facility would serve the entire Asheville community, it is the staff's opinion that the zoning change is justified in this request.

He said, the only staff concern relating to the rezoning is that of access to the property. Vance Gap Road is narrow in places with deep curves at certain points which could create traffic problems. However, the owner/developer indicates that the possibility exists of offering shuttle bus service from specific points within the City to the property. The staff encourages the property owner to pursue this idea as it could lessen congestion and provide safer access to and from the site.

Mr. Wayne Kinser, developer, said the rezoning was being requested in order to convert the Carriage House existing on the property to a Dinner-Theater and also to utilize the main house for the location of several specialty shops, such as: an Art Gallery, Pottery Shop, Boutique Shop, Leather Craft Shop, etc. He said the Planning Staff had assured him that the Office Institutional rezoning would be the most restrictive zoning and would allow all the proposed uses in the development.

Bill Edens, Water and Sewer Director, pointed out that there wouldn't be adequate water supply for fire protection to the site after the open cut is made through Beaucatcher Mountain, according to the present plans for the water system. He said the pumping station which now serves the area will be moved to the opposite side of the cut and there will be no storage tank close to the development. He said the area would only be served by a pumping station and would be dependent on the pump being operational at all times.

Mayor Wood closed the public hearing at 4:07 o'clock p. m. and instructed the City Manager to read the prepared ordinance rezoning the property as requested.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 858 passed on its first reading.

REQUEST OF WIN-TEX KNITTING MILLS FOR 1,000,000 GALLON/DAY WATER SERVICE

6. The City Manager read a letter from Win-Tex Knitting Mills outlining a plan for expansion and a request for water services in the amount of 1,000,000 gallons of water per day.

Bill Edens, Water and Sewer Director, advised that he was concerned about the draft on the water supply that this request would have rather than on the sizeable load on the transmission lines. He said his primary concern was that if this request was granted the City would be forced into a new water plant two years sooner than anticipated. He also said, in his opinion, that in view of the many obligations to improve the service to our present customers he felt it would be a disservice to them to grant this request.

BIDS - DIESEL MOTOR GRADER -11,000 lb. CLASS FOR STREET DEPARTMENT

9. Consideration was given to bids received September 8, 1975 for Diesel Motor Grader 11,000 lb. Class for Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by E. F. Craven Company in the amount of $18,462.00.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, E. F. Craven Company in the amount of $18,462.00. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Bid Summary

Bidder	Bid
North Carolina Equipment Company	No Bid
Western Carolina Tractor Company	$18,500.00
E. F. Craven Company	18,462.00

BIDS - TRACTOR DIESEL FOR STREET DEPARTMENT

10. Consideration was given to bids received September 8, 1975 for Tractor Diesel for Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only responsive bid received, submitted by North Carolina Equipment Company in the amount of $11,900.00. It was noted that the noncomplying bids are:

1. Western Carolina Tractor Company — Total Bid: $10,300.00
   Asheville, N. C.

   Bidder took exception to specifications for 201 Cubic Inch Engine and quoted in lieu thereof 179 Cubic Inch Engine.

2. Bruce Construction Machinery and Equipment Company — (Bid not accepted)

   Bidder failed to include bid deposit with bid package. The bid, therefore, was disqualified and returned to bidder unread.

Councilman Colton moved to accept the recommendation of the Purchasing Agent and award the bid to the only responsive bidder, North Carolina Equipment Company in the amount of $11,900.00. This motion was seconded by Councilman Morris and carried unanimously.

BIDS - BRUSH CHIPPER FOR STREET DEPARTMENT

11. Consideration was given to bids received September 24, 1975 for brush chipper for Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated the Bid Request specified 1,100 pounds minimum weight of machine and the machine quoted by low bidder, Porter Brothers, Inc. weighed 1,000 pounds. Therefore, it was recommended that the second low bid submitted by Farm Equipment Company in the amount of $2,690.00 be accepted.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the second low bidder, Farm Equipment Company in the amount of

$

Section 50-2-3. Page 6. Exemptions - Subparagraph I

Mr. Emrick recommended that a new sub-paragraph I be inserted to read as follows:

I. "Signs displayed as a trademark that are affixed to vending machines, dispensing machines and gasoline pumps."

Councilman Morris moved for the approval of this amendment. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mr. Emrick then continued his review of the draft of the ordinance page by page.

He explained each Section through Page 23. The following action was taken:

Councilman Morris was excused from the meeting at 5:20 o'clock p. m.

Section 50-4-1 , Permits and Section 50-4-7, Permit Fees. - City Council requested the Planning Staff to look into inserting language into these Sections that would stipulate that a permit for a portable sign is only required one time. However, an inspection would be required each time it is moved.

Section 50-4-6, (F) - Page 23. Plans, Specifications, and Other Data Required.

Amend Subsection F to read:

"Statement of Valuation and the person, firm or corporation to whom the sign is to be listed for ad valorem tax purposes."

Councilman Colton moved for the adoption of this amendment. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Morris returned to the meeting at 5:45 o'clock p. m.

Council continued the public hearing until October 23, 1975.

BIDS - PORTABLE AIR COMPRESSOR FOR STREET DEPARTMENT

8. Consideration was given to bids received September 8, 1975 for portable air compressor for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by Mitchell Distributing Company in the amount of $4,706.90.

Councilman Ochsenreiter moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Mitchell Distributing Company in the amount of $4,706.90. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Construction Equipment, Inc.	$7,009.00 (Diesel Eng.)
Mitchell Distributing Company	4,706.90 (Gas Eng.)
North Carolina Equipment Company	4,875.00 (Gas Eng.)
	6,125.00 (Diesel Eng.)
Western Carolina Tractor Company	5,105.00 (Gas Eng.)

Harold Bass	4	(949)	953
Marvin D. Chambers	1	(1037)	1038
Lacy T. Haith	2	(966)	968
Carl E. Johnson	3	(694)	697
Russell E. (Farmer Russ) Offhaus	2	(1915)	1917

As a result of the Board over ruling a challenged ballot, the vote count for Matthew Bacoate, Jr. was increased by 1 to 1338.

State of North Carolina, Buncombe County, Primary Election, City of Asheville, September 23, 1975

The County Board of Elections for said county, having opened, canvassed and judicially determined the original returns of the Primary Election, City of Asheville in the several precincts in this city, held as above stated, we do certify that the above is a true abstract hereof, and contains the number of legal votes cast in each precinct, according to the returns made to said Board, for the Primary Election.

This 6 day of October 1975

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my notarial seal, this 6 day of October 1975.

Sonya E. Swedwick

My Commission Expires June 12, 1980

LETTER FROM DON FOX - ASHEVILLE BUILDING AND CONSTRUCTION TRADES COUNCIL

The City Manager presented a letter from Mr. Don Fox of the Asheville Building and Construction Trades Council.

Mayor Wood instructed that the letter be made a part of the minutes.

Asheville

BUILDING AND CONSTRUCTION TRADES COUNCIL

AFL-CIO

11 South French Broad Avenue

ASHEVILLE, NORTH CAROLINA 28801

Area Code 704 :: *Telephones:* 253-4610 - 253-3091

October 9, 1975

The Honorable Richard A. Wood, Jr.
Mayor, City of Asheville
Municipal Building
Asheville, N. C.

Dear Mr. Mayor:

$2,690.00. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary

Bidder	Bid
E. J. Smith & Sons	$ 2,713.50
Porter Brothers, Inc.	2,425.00
Farm Equipment Company	2,690.00

RESOLUTION NO. 75-126 - RESOLUTION AUTHORIZING CONDEMNATION OF CERTAIN PARCELS OF LAND FOR THE DEVELOPMENT OF RIVERSIDE PARK

12. Consideration was given to a resolution authorizing condemnation of certain parcels of land for the development of Riverside Park.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained that Council had previously authorized the acquisition of the real property in the Montford area for the development of Riverside Park. However HUD regulations require authorization of condemnation of each specific parcel to be condemned.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Horton, Resolution No. 75-126 was unanimously adopted.

Complete text of Resolution No. 75-126 will be found in Resolution Book No. 8 at page 197.

AMENDED ABSTRACT OF VOTES CAST AT PRIMARY ELECTION FOR CITY COUNCILMAN- CITY OF ASHEVILLE, SEPTEMBER 23, 1975

The City Manager presented amended abstract of votes cast at the primary election for City Councilmen for the City of Asheville, on September 23, 1975, which was received from the Buncombe County Board of Elections.

Mayor Wood instructed that the abstract be made a part of the minutes:

BUNCOMBE COUNTY BOARD OF ELECTIONS

Phone 255-5495
3rd Floor
Courthouse

P. O. Box 7632
Asheville, N. C.
28807

AMENDED ABSTRACT OF VOTES CAST AT PRIMARY ELECTION FOR CITY COUNCILMEN,

CITY OF ASHEVILLE, SEPTEMBER 23, 1975

As a result of incorrect reporting of election returns from precinct 10, the following votes should be added to the previous totals certified for the candidates indicated:

I do feel, however, that the problems posed to those agencies slated to be tenants in the new facility (Asheville Symphony, Art Museum, Mineral Museum, and Community Concert Series) by dilatory performance on the Civic Center construction are such that they have an obvious vested interest and right to participate in any such forum.

To assure full and positive response to all questions already posed, or which may be raised, it would be useful if Council would assert its authority to require attendance by all parties having responsibility in this area. Those would include:

(1) Contractor (Manger Construction)
(2) Architect (John Cort)
(3) Municipal Counsel (Bill Moore)
(4) Municipal Finance Director (Larry Fisher)
(5) Civic Center Manager (Jim Evans)

Since they are servants of the City Council, there would appear to be no problem in affording access to the latter three.

Presumably, inasmuch as his firm has already collected a fee of several hundred thousand dollars for its performance as the City's agent in drafting plans and specifications and monitoring the Contractor's performance in executing those plans and specifications, the Architect can be required to make himself available and amenable to the purpose at hand.

Against this background, it would also appear in the best interest of the Contractor to participate as well, affording him a forum for explanation and defense of his point of view regarding the problems encountered. Failure to cooperate might be interpreted as further evidence of negative attitude and performance on his part.

With the job almost a year behind schedule, with the substandard quality of the construction attested by an inferior punch list stretching to 96 pages and more than 1,600 items, and with no firm (or even tentative) date yet set for completion of the Civic Center, the suggested "Task Force" or committee - broadly based and representive of legitimate community interests - would appear to offer a legitimate and responsible mode to address the widespread concern over the Civic Center issue.

I commend this proposal for your consideration, and would appreciate an early positive response.

Sincerely,

William D. Fox

William D. Fox, President

News Media

With local political issues within Democratic ranks to be decided in next Tuesday's second primary for City Council, I hope this request will be regarded as totally divorced from any "political" overtones, and treated as what it is: an honest and well-intentioned effort to gain access to information which is the right of every citizen and taxpayer, and in the process adduce some sign of positive progress towards completion (with some assurance of reasonable quality) of Asheville's controversial Civic Center.

I have already communicated to City Council my dissatisfaction with both the tone and the substance of the response tendered to my initial questions, which were formally submitted to Council in public session. The City's Counsel, Bill Moore, indicated that the response submitted over his signature the following week reflected the response submitted by Architect John Cort, and he lacked both direction and authority to require a more responsive reply from Cort.

I do not feel that Cort's response constituted a positive and specific response to the questions raised. For your convenience, I am attaching a clipping from a local newspaper (the Advocate/Native Stone) which printed those questions followed by the responses tendered. In all fairness, would you consider those replies to be adequate and responsive to the questions tendered?

Your Counsel would have me believe that only the Architect and the Contractor can provide more positive answers to my questions.

I frankly do not understand his rationale. Certainly, such questions as the total expended to date on the construction, the fees paid to date to the Architect, and similar matters should be available from the financial records of the City, and as such are clearly matters of "public record" within the meaning of the statute pertaining to "Freedom of Information".

For that reason, I respectfully request that you direct Municipal Staff to again survey the original questions submitted, and prepare more specific and responsive answers where they have access to the information requested.

For those questions where only the Architect and/or the Contractor can provide answers, I respectfully request positive action by the City Council to produce those answers. I believe production of those answers to be clearly in the public interest, and am convinced that this action will reduce public misunderstanding and resentment.

The performance of Council to date in handling my request, and the apparent reluctance of both Architect John Cort and the Contractor to respond affirmatively and substantively to my request, lead me to believe there is strong resistance to a full airing of the issue in such a forum as a formal Council Session.

If that is the case, I have a suggestion which I believe to be reasonable, and which I believe offers an opportunity to resolve the apparent impasse.

I suggest a private, as opposed to a public forum. To avoid any implication of bowing to demands from labor, I would suggest inclusion of representatives from such "neutral" bodies as the Chamber of Commerce and the League of Women Voters in addition to myself as representative of the nineteen Building and Construction crafts.

The group thus assembled should also include at least one member of City Council, and at least one ranking member of the Municipal Administration. Any decision regarding participation of News Media representatives I leave to your judgement, but I feel discussion might be freer and more open if the interrogation of the Architect and Contractor were kept private. News Media could then draft their coverage from the concensus of those participating.

Mayor Wood scheduled the matter of the Concerned Citizens group for the meeting of October 16, 1975.

Mr. James Smith, President of the Concerned Citizens Committee read the following statement:

TO: The Asheville City Council

FROM: Concerned Citizens

DATE: October 9, 1975

We, the concerned citizens of Asheville North Carolina, County of Buncombe, had a meeting on October 5, 1975, in order to come up with some demands to present to the City Council on police brutality.

We believe that the City Council members, as well as the Police Department, choose either to believe that this problem does not exist or, like many of the citizens of this community, choose to ignore the problem by saying, "In time it will work itself out."

We, as concerned citizens know that police brutality in this community is among many of its problems, but our main concern at this time is police brutality and, as concerned citizens we want to see something done about this problem immediately.

We feel that rules and regulations should be set up so at such times when a police officer has been accused of brutality, he should go before a board consisting of two (2) police officers, one (1) physician and three (3) citizens from the low and moderate income community, to determine the officer's innocence or guilt.

When a policeman at such said time has been found guilty of brutality or using unnecessary force to subdue a suspect, he should be released from the Police Department immediately.

In order to achieve better community relations, we want an increase of Blacks in the Police Department according to the population of this community.

Another vital and most important demand is immediate psychological screening of all police officers, including officials of the staff. This would rule them incompetent of handling their positions. Anyone not meeting the standards should be released immediately from the Police Department.

These are just a few of the things that can be done in order to stop police brutality in this community. Maybe this body has some suggestions of its own. At any rate, we request that we be on the agenda for the next City Council meeting.

Thank you.

James Smith, President
Concerned Citizens

GROUP DEVELOPMENT - HAW CREEK ELEMENTARY SCHOOL

The City Manager presented a letter from the Planning and Zoning Commission recommending approval of the proposed site plan of the Haw Creek Elementary School to be located at Trinity Chapel Road, Miller Road, and New Haw Creek Road, prepared by Jackson, Padgett and Freeman, Architects, for the Buncombe County School Board, subject to the following:

1) That the developer comply with Ordinance #813, City of Asheville Erosion Control Ordinance;

2) That the developer submit a satisfactory Environmental Impact Statement before final approval is granted; and

3) That adequate water and sewer lines, as recommended by the Water and Sewer Department, be installed prior to the opening of the school.

Councilman Morris moved to schedule a public hearing on the matter for October 30, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Mayor Wood instructed that Mr. Edens, Water and Sewer Director, be prepared to discuss the extent of water and sewer improvements needed in the area and the financing of same at the public hearing.

REZONING REQUEST - J. LOYD KIRK - HENDERSONVILLE ROAD

The City Manager presented a letter from the Planning and Zoning Commission recommending approval of the rezoning request of Mr. J. Loyd Kirk to rezone Ward 7, Sheet 52, Lot 80, located on Hendersonville Road, from R-2 Residential District to CH Commercial Highway District.

Councilman Colton moved to schedule a public hearing on the matter for October 30, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

CONCERNED CITIZENS GROUP - POLICE BRUTALITY

Rose Hawkins, Secretary of the Concerned Citizens group made the following statement:

"We the Concerned Citizens of Asheville, North Carolina and County of Buncombe would like to know as to what moves have been made toward our complaint of police brutality?"

The City Manager commented that the Police Department is now in the process of working on a review statement, a review board and a manual for the Police Department and changes within its structure.

Mrs. Hawkins continued "The Concerned Citizens committee would like to meet with Mayor Wood, Council, Civil Service Board and Chief Hall to discuss some suggestions in an effort toward the issue of police brutality. The march on Saturday, October 4, 1975 was carried on to make it visible and knowlegeable to all citizens that police brutality is a "must" issue."

Thursday - October 16, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Acting Mayor Henry B. Colton, Presiding; Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr. Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Mayor Richard A. Wood, Jr., Vice-Mayor Calvin W. Marshall

1. Approval of minutes of October 9, 1975 meeting.

Councilman Horton noted that on page 11, in the paragraph relative to J. Bertram King's statement "that the units were designed for the physically handicapped" an amendment should be made to read as follows: "that some units were designed for the physically handicapped." The City Clerk noted that this amendment would be inserted into the minutes.

Councilman Horton moved for the approval of the minutes of the October 9, 1975 meeting, as amended. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 857 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Haywood Road and Riverview Drive)

2. Consideration was given to the second reading of Ordinance No. 857, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED. to rezone property on Haywood Road and Riverview Drive from R-3 Residential District to HI Heavy Industrial District.

Acting Mayor Colton advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 857 passed on its second reading.

ORDINANCE NO. 858 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Vance Gap Road

3. Consideration was given to the second reading of Ordinance No. 858, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED to rezone property on Vance Gap Road from R-3 Residential District to Office Institutional District.

Acting Mayor Colton advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 3-1, Ordinance No. 858 passed on its second reading, with Councilman Hoyle voting "no".

Mr. Smith continued saying "We know that many of these demands are duplicates of the recommendations presented to Council by the Asheville-Buncombe County Community Relations Council which have not been implemented as of this date. Our primary concern is to get our demands before Council and once they are brought before Council for Council to take immediate and deliberate action on getting our demands set up as part of the standard regulations for the Asheville policemen to be governed by. We believe these suggestions will make for better quality policemen and a safer community."

Mayor Wood suggested that Mr. Smith arrange for a meeting with Mr. Michalove, Assistant City Manager and Mr. Mike Smith, Personnel Director, to obtain information relative to the Civil Service Laws in relationship to the specific recommendations proposed. He said he felt this information would be helpful in determining, under State law, what steps and procedures could be taken in implementing such recommendations.

Adjournment.

MAYOR

CITY CLERK

2) The definition of a policeman to me is--- This is simply to more or less reflect a personal attitude of the individual. After being accepted a person should be sent to a police academy and if there is no police academy in North Carolina then we felt that a strict training program could be set up and the program consisting of psychological screening test; also knowing police rules and regulations; knowing the traffic rules of the City; a certain amount of law; knowing his weapon and when to use his weapon; required practice on the practice range until he becomes quite accurate with his weapon; to know a little first aid; and how to subdue a person by using judo or some wrestling maneuvers and enough intelligence to utilize it in any given situation and also use only necessary force in making that arrest. We felt that we needed a promotion for black officers like I forestated in the Planning Division we felt that this could serve as a safety and security of the community and remove the psychological complex of how some people airs the people react towards a policeman arriving at the scene - this psychological complex could be relieved by the policeman letting the community know that "I'm offering myself and I hope to get the same in return by getting to know each other very well". As far as our meeting of the 14th of October we did meet with some of the officials and Mr. Michalove and we discussed applying the Minnesota Multi-Phase Testing Program into the application of being a policeman for approximately a couple of hours or more and at this time we would like to recommend to the Civil Service Board or to the Council, whomever, that the Minnesota Multi-Phase Testing Program be used as a part of the examination of our policemen.

A few of these items were discussed in the meeting of October 14, 1975. However we felt Council should know about what is discussed in the meetings. Another meeting is scheduled for Tuesday, October 21, 1975 at 10:00 a. m.

Acting Mayor Colton suggested that at the meeting to be held on October 21, 1975 that all the items mentioned at this meeting be brought up. He said he appreciated the committee's report and the idea of bringing them out in an open Council meeting allowing Council members to know what is taking place at the small meetings with various individuals.

Councilman Horton agreed with Acting Mayor Colton that in his opinion the open ideas are helpful to Council in making their decisions and it was a good exercise in better communications.

RESOLUTION NO. 75-128 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT FOR ARCHITECT SERVICES WITH MOORE-ROBINSON ASSOCIATES TO PERFORM ARCHITECTURAL SERVICES FOR THE DESIGN OF THE PROPOSED MONTFORD RECREATION AREA

6. Consideration was given to a resolution authorizing the City Manager to enter into a contract for architect services with Moore-Robinson Associates to perform architectural services for the design of the proposed Montford Recreation Center.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, advised that the Asheville Parks and Recreation Advisory Board had voted unanimously to recommend the architectural services of Moore-Robinson Associates for the design of the proposed Montford Recreation Center Complex. He said the Board interviewed approximately 12 interested architects before recommending the firm.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Hoyle, Resolution No. 75-128 was unanimously adopted.

Complete text of Resolution No. 75-128 will be found in Resolution Book No. 8 at page 200.

Councilman Hoyle commented that he felt there should be more publicity on the matter and a deeper study should be made as to the proposed uses.

Councilman Ochsenreiter said he also felt there should be a deeper study made of the proposed uses concerning commercial uses versus semi-commercial uses.

RESOLUTION NO. 75-127 - RESOLUTION APPOINTING MEMBERS TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE BUNCOMBE COUNTY YOUTH COUNCIL

4. Consideration was given to a resolution appointing members to the Adult Advisory Board of the Asheville Buncombe County Youth Council.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Ochsenreiter, Resolution No. 75-127 was unanimously adopted, with an amendment to add "until successors are duly appointed and qualified" to the resolution.

Complete text of Resolution No. 75-127 will be found in Resolution Book No. 8 at page 199.

STATEMENT OF CONCERNED CITIZENS COMMITTEE / POLICE BRUTALITY

Mr. James Harrison, 51 Adams Street, Asheville, North Carolina - "Before I come to the results of the meeting that was held on the 14th day of October, 1975 we have a few other things that we would like to read to the Council today for the record and that is -- we the committee of the Concerned Citizens believe that the City Council members as well as the Police Department choose either to believe that this problem of police brutality does not exist or like many of the citizens of this community choose to ignore the problem by saying -- "in time it will take care of itself". We, at this time, wish to list some demands that we have thought on as a matter of record for the Council to act on. Our demands are: 1) In order to achieve better community relations we would like to see an increase of blacks in the Police Department according to the population ratio of blacks in Asheville. There, also, we felt that there should be a Planning Division Program at the Police Department to more or less better relationships between the police officers and the community. 2) When a policeman at such said time is found guilty of police brutality or using unnecessary force to subdue a suspect, he should be released from the Police Department immediately. 3) The Police Department will have special files for records of officers on assault on an officer and of resisting arrest. These files are to be reviewed or should be reviewed at frequent intervals to more or less give the Chief or whoever a very bright picture of what the policeman really is. 4) The most pertinent demand of all is that of strict or efficient administration of the police officers from their subordinates because no law is any better than the person or persons who are suppose to enforce the law and we feel that every officer will have to respect and obey the laws and hold his subordinates to this creed. We believe that authority of those in power should be used for the benefit of all people and when this power is abused or misused then the power of the people should come into focus because no one is above the law and everyone should be treated equally. We have a few suggested steps as to one becoming a policeman and that is -- we feel that the application should include the two following questions: the first being 1) As to why I want to be an officer?;and

CLAIM - MRS. MILDRED R. TAYLOR - 929 COUNTRY CLUB ROAD - RECOMMENDATION OF CORPORATION COUNSEL

The City Manager presented a letter from Corporation Counsel William C. Moore recommending denial of the claim presented by Mrs. Mildred R. Taylor of 929 Country Club Road.

Councilman Horton moved to accept the recommendation of the Corporation Counsel and deny the claim presented by Mrs. Mildred R. Taylor of 929 Country Club Road. This motion was seconded by Councilman Hoyle and carried unanimously.

Acting Mayor Colton instructed the City Clerk to inform Mrs. Taylor of this action on the claim presented.

CLAIM - JACOB P. DEMETRIS - MAD HATTER SHOPPE - MERRIMON AVENUE

The City Manager presented a claim filed by J. Lawrence Smith for Jacob P. Demetris of the Mad Hatter Shoppe on Merrimon Avenue.

Acting Mayor Colton referred the claim to the Corporation Counsel for investigation and recommendation.

EXTRATERRITORIAL ZONING EXTENSION - BILTMORE FOREST - PUBLIC HEARING SET

The City Manager read a letter from the Planning and Zoning Commission stating that the new agreement authorizing Asheville to exercise extraterritorial zoning within a portion of Biltmore Forest's jurisdiction has been executed and the necessary maps have been prepared. As these preliminary steps have been taken, it is necessary that City Council set a date for the public hearing.

Councilman Morris moved to schedule a public hearing on the matter for November 6, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

PROCLAMATION - INTERNATIONAL ALPHA DELTA KAPPA WEEK

Acting Mayor Colton proclaimed the week of October 12-18, 1975 as International Alpha Delta Kappa Week in the City of Asheville.

ASHEVILLE BUILDING AND CONSTRUCTION TRADES COUNCIL

Upon inquiry of Councilman Hoyle, Corporation Counsel William C. Moore reported that he had had a conversation with Mr. Don Fox relative to the letter presented to members of Council at last weeks meeting concerning the Civic Center. He said he had informed Mr. Fox that if the Mayor directed him to do so he would set up a meeting as requested in Mr. Fox's letter.

DEDICATION OF MINI-PARK - NORTHLAND SHOPPING CENTER -

Councilman Ochsenreiter called attention to the dedication of the Mini-Park at the Northland Shopping Center on October 12, 1975. He said all the work was done by the Etheridge Woman's Club and he commended Mrs. Thomas Naomi, Jr., President, Mrs. Robert Hoffman, Chairman and Mrs. Olive Hulme, Co-Chairman of the project, for the outstanding work done at the Mini-Park. He suggested, in the form of a motion, to send a letter of appreciation to all the individuals and firms who contributed to the project. This motion was seconded by Councilman Hoyle and carried unanimously.

BUNCOMBE COUNTY COUNCIL ON AGING -

7. The City Manager presented a letter from Philip Clark, President of the Buncombe County Council on Aging, requesting that the 50 per cent reduction in bus fares for senior citizens now in effect by the Asheville Transit Authority be made valid for the full day of bus operations Monday through Saturday.

Acting Mayor Colton referred the letter to the Asheville Transit Authority for study and recommendation.

AMENDED ABSTRACT OF VOTES CAST AT PRIMARY FOR CITY COUNCILMEN - CITY OF ASHEVILLE - SEPTEMBER 23, 1975

8. The City Manager presented a letter from the Buncombe County Board of Elections stating that the previous amended abstract of votes cast at the primary for City Councilmen for the City of Asheville on September 23, 1975 and dated October 6, 1975 be disregarded and insert the following amended abstract:

AMENDED ABSTRACT OF VOTES CAST AS PRIMARY ELECTION FOR CITY COUNCILMEN, CITY OF ASHEVILLE, SEPTEMBER 23, 1975

As a result of the Board over ruling a challenged ballot, the vote count for Matthew Bacoate, Jr. was increased by one (1) to 1338.

State of North Carolina, Buncombe County, Primary Election, City of Asheville, September 23, 1975.

The County Board of Elections for said county, having opened, canvassed and judicially determined the orginal returns of the Primary Election, City of Asheville in the several precincts in this city, held as above stated, we do certify that the above is a true amended abstract hereof, and contains the number of legal votes cast in each precinct, according to the returns made to said Board, for the Primary Election.

This 9 day of Oct 1975

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my notarial seal, this 9 day of Oct 1975.

Sonya E Fredrick

My Commission Expires June 12, 1980

Thursday, October 23, 1975 – 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Mrs. Carol Hensley, Acting City Clerk.

Absent: Councilman Henry C. Colton and Assistant City Manager/City Clerk, William F. Wolcott, Jr.

1. Approval of minutes of October 16, 1975 meeting.

Councilman Morris moved for the approval of the minutes of the October 16, 1975 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 857 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Haywood Road and Riverview Drive)

2. Consideration was given to the third reading of Ordinance No. 857, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED", to rezone property on Haywood Road and Riverview Drive from R-3 Residential District to HI Heavy Industrial District.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 857 passed on its third and final reading.

Complete text of Ordinance No. 857 can be found in Ordinance Book No. 6 at page 312.

ORDINANCE NO. 858 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Vance Gap Road

3. Consideration was given to the third reading of Ordinance No. 858, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED, to rezone property on Vance Gap Road from R-3 Residential District to Office Institutional District.

Mayor Wood advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Robert W. Anthony, 34 Crestwood Lane, representing the Grove Park Sunset Citizens Committee read the following letter in opposition to the rezoning:

ASHEVILLE HIGH BAND - CONCERT ON THE GREEN

Councilman Horton called attention to the Concert on the Green held on October 12, 1975 by the Asheville High Band. He said the crowd was most appreciative and the show was very delightful. He said the Asheville Area Chamber of Commerce had indicated that more of this type activity would take place next year.

PARK - SOUTHSIDE, McDOWELL AND ASHLAND AVENUE

Acting Mayor Colton called attention to the outstanding work done to the Park at Southside, McDowell and Ashland Avenue.

SENIOR CITIZENS ANNUAL CONVENTION

Ray Kisiah, Director of Parks and Recreation, noted that the Asheville Parks and Recreation Department was hosting the State Senior Citizens Annual Convention to be held at the Hilton Inn on October 29, 30, and 31. He extended an invitation to all members of Council to attend this event.

PRITCHARD PARK PROGRESS REPORT

Upon inquiry of Councilman Horton, Mr. Kisiah, Parks and Recreation Director, advised that work on the Pritchard Park Program had stopped at the present time to coordinate activities of other departments. He said the Carolina Power and Light Company was now working in the area with the underground wiring and it would be a short time before work could continue on the project.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Frances D. Moseley
CITY CLERK

proposed for the Zealandia property. New roads would cost additional tax dollars which would constitute an unfair burden on the citizens of our community.

We wish the Council to understand that our association strongly supports the concept of a dinner theater and its supporting activities. However, the Zealandia property is not in our opinion the appropriate location for such an activity either on a commercial or environmental basis and the Gove Park Sunset Citizens Association strongly urges rejection of the request to rezone the Zealandia property.

Very truly yours,

GROVE PARK SUNSET CITIZENS ASSOCIATION

Mrs. Dwight Avis, President

J. K. MacKendree Day, Vice President

Councilman Morris pointed out that with the present R-3 zoning a developer could construct 240 units on the property proposed to be rezoned, which would be more undesirable than the proposed uses.

Mrs. John Davis, 33 Sunset Summit, spoke in opposition to the rezoning.

Mrs. Dwight Avis also spoke in opposition to the rezoning.

Verl Emrick, Planning Director, pointed out that property would be adequately isolated from residential areas. He said the Planning and Zoning Commission recommended that the property be rezoned to Office Institutional District rather than Commercial Highway to avoid undesirable uses permitted by the Commercial Highway District.

Mrs. Marylyn Gordon, 34 West Haven Drive, representing the Beaucatcher Mountain Defense Association, Inc., spoke in opposition to the rezoning and requested that members of Council make an on-site inspection of the property before making a final decision.

Councilman Ochsenreiter moved to postpone the third reading of Ordinance No. 858 for two weeks, November 6, 1975, allowing members of Council time to make an on-site inspection of the property. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

October 21, 1975

Asheville City Council
City of Asheville
Asheville, North Carolina

Attention: Mayor Richard A. Wood

Dear Sirs:

The Grove Park Sunset Citizens Association wishes to register its support against the petition for rezoning submitted by the Beaucatcher Mountain Defense Association, Incorporated relative to the property commonly known as Zealandia located on Beaucatcher Mountain. Said petition urges rejection of the request to reclassify the subject property from its existing classification.

After a lengthy and often-detailed examination of the issues, etc., the City Council has most recently enacted a new Master Zoning Plan for the City of Asheville. It was intended that said plan would bring uniformity and stability to the development of the various areas of the city. The classifications were drawn on the basis of the predominant character of the various areas. The property currently the subject of the petition to rezone is located within a single family residential district wherein the surrounding property owners have devoted considerable effort and money to the development of the predominant character of their area. The City Council recognized this fact when it so recently zoned the area R-1. Thus, any reclassification of the subject property for commercial development so soon after enactment of the Master Plan would be both unfair to the surrounding property owners and contrary to the philosophy and reason for the enactment of the new Master Plan.

Further, there are certain aspects of the proposed development plans for Zealandia which on analysis we find to be particularly objectionable and not in the best interest of the community as well as adjoining property owners. First there is the issue of parking facilities for approximately 300 cars. A parking lot of that size will cause drainage problems which will contribute to the already substantial erosion problems plaguing the mountains due to uncontrolled development. Second, there is the issue of access roads to the property. The existing roads serving the property for both sides of the mountain are not adequate to handle the amount of traffic that should or would accompany an entertainment complex such as that

RESOLUTION NO. 75-131

RESOLUTION AUTHORIZING THE ASHEVILLE POLICE DEPARTMENT TO DESTROY CERTAIN RECORDS AND TO ADOPT A SCHEDULE FOR THE RETENTION AND DISPOSAL OF RECORDS.

WHEREAS, the General Assembly of the State of North Carolina has enacted in Chapters 121 and 132 of the General Statutes of North Carolina laws dealing with public records; and

WHEREAS, the North Carolina Department of Cultural Resources, Division of Archives and History, has published, as by law authorized, a list of municipal records - including police department records - and a schedule of retention periods for these records, such list and schedule being contained in The Municipal Records Manual (1971) and a photostatic copy of said list and schedule being attached hereto as Exhibit "A"; and

WHEREAS, the Division of Archives and History has approved the request of the Asheville Police Department to destroy certain records, as specified in Exhibit "B" attached hereto (approval of the Division is attached as Exhibit "C"); and

WHEREAS, the Council of the City of Asheville, pursuant to Section 121-5(b) of the General Statutes of North Carolina, is empowered to permit the Asheville Police Department to proceed in accordance with the approval from the Division of Archives and History.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Asheville:

1. That the Asheville Police Department proceed to destroy, in compliance with law and through the official records custodian, that is, the head of the Records Division of the Asheville Police Department, those records enumerated in the attached Exhibit "B".

2. That the Asheville Police Department be allowed to adopt the schedule of record retention periods as set out in The Municipal Records Manual (1971) and in the attached Exhibit "A".

3. That this resolution and attached exhibits be placed in the minutes of the Council of the City of Asheville, together with a notation of the date on which destruction of the named records is accomplished.

4. That future disposals of records be noted in the minutes of the Council of the City of Asheville, together with a description of the records disposed of, inclusive dates covered, and the date on which disposal was completed.

5. That this resolution shall take effect immediately upon its adoption.

I move the adoption of the foregoing resolution.

Ralph W. Edwards Jr.
Councilman

Seconded by:

Cathie H.W. Marshall
Councilman

Read, approved and adopted, this the 23rd day of October, 1975.

Mayor

Marian D. Holcombe
City Clerk

Approved as to form:

William C. Moore
Corporation Counsel

RESOLUTION NO. 75-129 - RESOLUTION SUPPORTING AMENDMENTS ADVOCATED BY THE NATIONAL ASSOCIATION OF COUNTIES TO THE CRIME CONTROL ACT OF 1976 (Senate Bill 2212)

3. Consideration was given to a resolution supporting amendments advocated by the National Association of Counties to the Crime Control Act of 1976.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said the City of Asheville had benefited from the LEAA funds in the past years and in his opinion the recommendations being made to the Senate Committee would benefit the City of Asheville by permitting a greater latitude of programs that might become available. He said these recommendations needed support from the Council, by way of the proposed resolution.

Upon motion of Councilman Morris, seconded by Councilman Horton, Resolution No. 75-129 was unanimously adopted.

Complete text of Resolution No. 75-129 will be found in Resolution Book No. 8 at page 201.

RESOLUTION NO. 75-130 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH 22 CLUB STREET, 40 CURVE STREET, 29 GRAY STREET, 23 TRADE STREET, 71 WHITE FAWN DRIVE, AND 77 WHITE FAWN DRIVE

4. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 22 Club Street, 40 Curve Street, 29 Gray Street, 23 Trade Street, 71 White Fawn Drive, and 77 White Fawn Drive.

The City Manager read the resolution.

Councilman Morris moved for the adoption of the resolution scheduling the public hearing date for November 13, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Upon inquiry of Mayor Wood, J. E. Johnson, Building Inspector, advised that the owners of 37 White Fawn Drive were planning to repair the dwelling and bring it up to minimum housing code standards.

Complete text of Resolution No. 75-130 will be found in Resolution Book No. 8 at page 202.

RESOLUTION NO. 75-131 - RESOLUTION AUTHORIZING THE ASHEVILLE POLICE DEPARTMENT TO DESTROY CERTAIN RECORDS AND TO ADOPT A SCHEDULE FOR THE RETENTION AND DISPOSAL OF RECORDS

5. Consideration was given to a resolution authorizing the Asheville Police Department to destroy certain records and to adopt a schedule for the retention and disposal of records.

The City Manager read the resolution and included the resolution and exhibits in the minutes, as instructed by the resolution.

The resolution and exhibits are as follows:

Exhibit "B"

RECORDS TO BE DISPOSED OF

Pursuant to Chapter 9, Section B (and its several subsections) of The Municipal Records Manual (1971 edition), the Asheville Police Department seeks to dispose of the following records:

Category	Type	Quantity
Arrest records	(Included with criminal histories and records)	--------
Complaint files	(Included with criminal histories and records)	--------
Criminal history or case records	All criminal history records prior to 1946--some dating to 1920's and earlier	891 cubic ft.
Criminal history or case records	Felonies prior to 1955 (1946 - 1954)	5,365
Criminal history or case records	Misdemeanors prior to 1970 (1946 - 1969)	216,150

Additionally, the volume of accident reports (public--not the ones mentioned in Chapter 9, section B.1.) is currently 3,000 - 4,000 per year. The Department wishes to destroy reports prior to 1970, unless it has actual knowledge of a legal action growing out of an accident.

Finally, the Department hopes to dispose of the parking meter collection records and the traffic citation and parking ticket records referred to in subsections 17.b., 24., 25., and 26., respectively, of the ages listed in those subsections.

Exhibit "A" B. POLICE DEPARTMENT RECORDS

1.	Accident files (personnel and municipally owned property)	Until case settled and 5 years thereafter
2.	Ambulance call records	1 year
3.	Annual, quarterly, and monthly reports to governing body	As long as of administrative value

STATE OF NORTH CAROLINA
Department of Cultural Resources
Raleigh 27611

James E. Holshouser, Jr.
Governor

Grace J. Rohrer
Secretary

June 24, 1975

Division of Archives and History
Robert E. Stipe, Director

Mr. Drew Walker
Local Advisor
P. O. Box 1748
Asheville, North Carolina 28807

Dear Mr. Walker:

As applicable, reference is made to sections 121-5b), 132-3, and 132-8 of the General Statutes of North Carolina, to chapter 9, section b, of The Municipal Records Manual, 1971, and to your letter of June 17, 1975. Reference is specifically made to the list of records which have been certified to have no further use or value for official business which was attached to your letter.

The Department of Cultural Resources hereby certifies that the records listed in the attachment do not appear to have any further research or reference value and may be destroyed insofar as the department is concerned.

Inasmuch as these records no longer appear to be required in any capacity, it is recommended that you request your city council to authorize their destruction.

Prior to the actual destruction of any records, custodians should carefully read items 17 and 18 of the manual.

Sincerely,

Frank D. Gatton

Frank D. Gatton
Head, Local Records Branch

FDG/cr

Certification to Department of Cultural Resources

To: Mr. Frank Gatton, Administrator
Local Records Section
Department of Archives and History

I, Lt. Clarence Welborn, head of the Records Division of the Police Department of the City of Asheville, do hereby certify, pursuant to N. C. G. S. sec. 121-5(b), that the following official records have no further use or value for official business of this Department:

Category	Type	Quantity
Arrest records	(Included with criminal histories and records)	--------
Complaint files	(Included with criminal histories and records)	--------
Criminal history or case records	All criminal history records prior to 1946--some dating to 1920's and earlier	891 cubic ft.
Criminal history or case records	Felonies prior to 1955 (1946 - 1954)	5,365
Criminal history or case records	Misdemeanors prior to 1970 (1946 - 1969)	216,150

Additionally, the volume of accident reports (public--not the ones mentioned in Chapter 9, sec. B.1.) is currently 3,000 - 4,000 per year. The Department wishes to destroy reports prior to 1970, unless it has actual knowledge of a legal action growing out of an accident.

Finally, the Department hopes to dispose of the parking meter collection records and the traffic citation and parking ticket records referred to in subsections 17.b., 24., 25., and 26., respectively, of the ages listed in those subsections.

This 25th day of June, 1975.

Signed: Lt. Clarence Welborn

Lt. Clarence Welborn, Records Division

To the Mayor and Members of the City
Council of the City of Asheville
City Building
Asheville, North Carolina 28801

Re: Thoms Broadcasting Companies, Inc.

Gentlemen:

As you know, this Company made application for authorization to increase the rates which it charges for cable television service to its subscribers who reside in the City of Asheville. In support of its application, this Company submitted evidence showing that the rate of $5.40 which it is presently permitted to charge is second from the lowest in North Carolina and well below the national average for cities comparable in size to Asheville. The merit of this application was further underscored by financial data submitted by the Company showing that the existing rate structure has caused this Company to operate at a loss since inception.

Although other city councils have recognized the financial problems of cable television service and have granted them substantial rate increases, this Company's application was denied by the City Council of the City of Asheville.

The denial of this Company's application for a rate increase followed three public hearings spanning a 12-week period. There was no public opposition voiced at any of these hearings. Since the information and financial data furnished to the City Council made it apparent that the requested rate increase was necessary, the denial of the Company's application for a rate increase was not justified. A research of the proceedings before the Council in these hearings indicates that the Council did not weigh and consider the needs of this Company for the justification for its rate increase, but rather the Council seized upon the three-year provision in Section Eleven of the Franchise to deny the rate increase requested without ever seriously weighing and considering this request upon its merits.

The plain truth is that after six years of operation this Company must stand on its own as an operating entity. It is only fair for the stockholders of this Company to expect the Company to have earnings which provide some return after six years of operation. It is justifiable and necessary that the City Council of the City of Asheville allow the charging of rates to subscribers which will provide a fair return upon the capital invested in the business of this Company.

The rates established by the City Council of the City of Asheville do not provide any return upon its invested capital, will not and do not enable this Company to maintain its financial integrity and render service to its subscribers of the

Mr. Drew Walker, Legal Advisor for the Police Department, said this resolution was necessary to clear storage space in the Police Department and to begin the process for a new record keeping system. He said the North Carolina Department of Cultural Resources have certified that the records listed in the exhibits do not appear to have any further reasearch or reference value.

Councilman Horton said he felt the five (5) year retention period for misdemeanor case records was for too short of a time period.

After discussion, Councilman Morris moved for the adoption of Resolution No. 75-131, amending the retention period of misdemeanor case records from five (5) years to a ten (10) year retention period. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No. 75-130 will be found in Resolution Book No. 8 at page 204.

PURTHER CONSIDERATION OF REQUEST OF WIN-TEX KNITTING MILLS FOR 1,000,000 GALLON/DAY WATER SERVICE

6. Bill Edens, Water and Sewer Director, advised that the present consumption of Win-Tex Knitting Mills was approximately 1,500 gallons per day.

He said in order to grant the request a new 12 inch line on Louisiana Avenue from Patton Avenue to the Square D Plant and a new 10" line on Emma Road from Louisiana Avenue to Bingham Road would be needed.

He also pointed out that the request would reduce the revenue the City could receive from selling the same quantity of water to residential and commercial customers; it would consume approximately 1/3 of the City's present reserves and speed up the time when the City would be forced to go to the French Broad River for water supply by approximately five (5) years.

Councilman Colton joined the meeting at 4:08 o'clock p. m.

Mayor Wood pointed out that if the request was granted it would be at no expense to the City but only a demand on the City's present supply of water.

After considerable discussion, Councilman Hoyle moved for the approval of the request of Win-Tex Knitting Mills. This motion was seconded by Vice-Mayor Marsahll and on a voice vote of 2-4 the motion failed and the request was denied.

REQUEST OF THOMS CABLEVISION FOR RATE ADJUSTMENT

8. Mr. Max Cogburn, Attorney for Thoms Cablevision, read a letter requesting a rate increase.

Mayor Wood instructed that the letter be made a part of the minutes:

Mr. Cogburn cited several court cases he felt were relative to the making of decisions on such matters.

Mr. William W. Orr said he had supervised income tax preparations for Mr. Thoms and Thoms Cablevision for the past thirty (30) years. He said since the beginning of the cablevision franchise, in 1967, the company has taken a loss every year; there had been an IRS audit each year; and the IRS had accepted these losses in each case. He said in his opinion the company could not break even on the current monthly subscribers rate.

Vice-Mayor Marshall was excused from the meeting at 5:00 o'clock p. m.

During the discussion it was the consensus of Council that the franchise could not be altered by waiving the three (3) year limitation on rate increases since the ordinance had been adopted by the voters of the City of Asheville and not Council themselves.

Corporation Counsel William C. Moore stated that in his opinion Council could waive the three (3) year limitation period upon satisfactory proof that the Company was operating at a loss and was not within the national average of such cablevision rates. He said he felt a certified audit was needed for satisfactory proof. He further stated that in his opinion the three (3) year limitation period could not be entirely taken out without altering the franchise. He said if it was Council's desire he would obtain an opinion on the matter from the Attorney General's office.

Councilman Ochsenreiter moved to accept the recommendation of the Corporation Counsel and instruct him to obtain a ruling from the Attorney General's office relating to the waiving of the three (3) year limitation period on reviewing rate adjustments.

RESOLUTION NO. 75-132 - RESOLUTION AUTHORIZING THE CITY MANAGER TO AUTHORIZE THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO ADVERTISE FOR AND CONTRACT FOR DEMOLITION OF UNSOUND STRUCTURES

9. Consideration was given to a resolution authorizing the City Manager to authorize the Housing Authority of the City of Asheville to advertise for and contract for demolition of unsound structures.

The City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-132 was unanimously adopted.

Complete text of Resolution No. 75-132 will be found in Resolution Book No. 8 at page 205.

RESOLUTION NO. 75-133 - RESOLUTION AUTHORIZING AND ENDORSING THE FILING OF AN APPLICATION FOR MASS TRANSIT FUNDS

10. Consideration was given to a resolution authorizing and endorsing the filing of an application for Mass Transit funds.

The City Manager read the resolution.

quality it desires to render, allow no capital for expansion and continued investment, to say nothing of the failure to compensate the investors in the Company for the risks which they have assumed in undertaking to provide service to the residents of the City of Asheville under this Franchise.

It is not constitutionally permissible for the City Council of the City of Asheville to require service and expansion under this Franchise without allowing a rate which will permit this service and expansion and which will pay for it and allow a return upon capital invested in the business. This Company now calls upon the City Council of the City of Asheville to reconsider this Company's application for a rate increase. The denial of this application under the circumstances amounts to a confiscation of the property of this Company without due process of law.

This Company requests that the City Council of the City of Asheville do the following:

(1) Amend Section Eleven of the Ordinance granting the Franchise to this Company to allow for the setting of rates to be charged by this Company which will provide a fair and reasonable return upon the invested capital.

(2) Grant the application of this Company for a rate increase at the present time as previously applied for.

This Company has submitted information and has submitted financial data to the City Council of the City of Asheville. If the City Council desires further information for use in its deliberation upon this request for a rate increase, then this Company requests that it be furnished a list of such desired information at once to the end that this Company may furnish any such information immediately.

Since this letter is a request for reconsideration of this Company's earlier application for a rate increase, we request that this letter be read into the minutes of the next meeting of the City Council of the City of Asheville.

Yours very truly,

MAX O. COGBURN, Attorney for
Thoms Broadcasting Companies, Inc.

STATE OF NORTH CAROLINA—BUNCOMBE COUNTY—PRIMARY ELECTION, CITY OF ASHEVILLE, OCTOBER 14, 1975

The County Board of Elections for said county, having opened, canvassed and judicially determined the original returns of the Primary Election, City of Asheville in the several precincts in this city, held as above stated, we do certify that the above is a true abstract hereof, and contains the number of legal votes cast in each precinct, according to the returns made to said Board, for the Primary Election.

This 16 Day of October 1975

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my notarial seal, this 16 day of Oct 1975.

Tommy E. Diedrich
(Seal)

My commission expires June 12, 1980.

[redacted]

Charles A. Webb

William D. Baird

Mr. Michalove, Assistant City Manager, explained that the resolution would authorize the City to apply for a grant through the North Carolina Department of Transportation and the Urban Mass Transportation Administration. He said the estimated $255,910.00 in grant funds will be used to subsidize operating expenses of the Asheville Transit Authority bus service for Fiscal Year 1975-76.

Council instructed the Asheville Transit Authority to check into reducing the Senior Citizens fare before the public hearing.

Councilman Colton moved for the adoption of the resolution setting the public hearing date for December 11, 1975. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Complete text of Resolution No. 75-133 will be found in Resolution Book No. 8 at page 206.

CONCURRENCE OF COUNTY COMMISSIONERS RESOLUTION ON LIBRARY BIDS

11. Mayor Wood reported that on October 21, 1975 the County Commissioners passed a resolution authorizing the Chairman of the Buncombe County Commissioners to execute contracts with Juno Construction Corporation, Wells and West Mechanical Contractors, R & W Inc., and Electrical Constructors of America, for the construction of the new central library building. The Chairman was also authorized to execute change orders to the contracts as recommended by the Board of Trustees of the Asheville and Buncombe County Library System.

J. Bertram King, architect for the project, said these contractors were all low bidders and construction time was 730 days with liquidated damages at $200 per day thereafter.

Councilman Morris moved to concur with the County Commissioners resolution with a directive that under no circumstances would the City of Asheville expend more than $618,000 to the project. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

J. Bertram King said interested parties to the construction of the new library facility should attend the pre-construction conference to be held the second week of November. He said all duties and responsibilities would be outlined during this meeting.

ABSTRACT OF VOTES CAST AT PRIMARY ELECTION FOR CITY COUNCILMEN CITY OF ASHEVILLE - OCTOBER 14, 1975

The City Manager reported that he had received the abstract of votes cast at the Primary Election for City Councilmen for the City of Asheville on October 14, 1975.

Mayor Wood instructed that the abstract of votes be included in the minutes.

The abstract is as follows:

ASHEVILLE CIVIC CENTER - COMPLAINT BY CHARLES WILSON

Mr. Charles Wilson, Plastex of Asheville, ask Council to do something about the drug abuse in the Asheville Civic Center during the rock concerts.

POLICE BRUTALITY - CONCERNED CITIZENS GROUP

The Concerned Citizens Committee of Asheville asked what steps had been taken against their complaint of police brutality.

Corporation Counsel William C. Moore commented that several meeting had been held with the Concerned Citizens Committee to go over their complaints and recommendations. He said another meeting was scheduled for November 4, 1975 and it was hoped that some concrete recommendations would be made at that time. He said, so far they have agreed that some additional testing procedures would be recommended for the Civic Service Board; that certain procedures would be instituted in regard to the keeping of files as far as police brutality situations or excess use of force situations are concerned. He said it was his understanding from the last meeting that representatives of the Concerned Citizens group would be going with the police officers to ball games and possibly to some of the churches.

When asked by the Concerned Citizens Committee to put the item back on the agenda for next week, Mayor Wood commented that he would discuss with the Corporation Counsel the results of the continued meetings and that if it appears that anything has come to a point where Council would be in a position to take action on anything then the item would be put on the agenda.

The Concerned Citizens Committee said that they felt that the smaller meetings was doing no good, that the people they are meeting with does not have the power to change anything.

Ms. Rose Hawkins, 269 Hillside Street, asked Council what could be done about Clouesse Reed and gave the following report:

" Yesterday, we went with Clouesse Reed to the doctor and the doctor recommended further testing. While we were there we notices that Clouesse Reed was bound by chains on the ankle, bound by chains around the waist, and also handcuffed. This incident took place on Haywood Street. The Sheriff's deputy took him to the doctor's office. We as the Concerned Citizens would like to know why you are holding Clouesse Reed as a prisoner and he is the victim of police brutality. We the Concerned Citizens would also like to know why Clouesse Reed has not had a speedy trial according to his constitutional rights. We the Concerned Citizes would also like to know why Clouesse Reed's bail is excessive. Clouesse Reed has had cruel punishment, he signed a statment to this effect yesterday. I would like to quote here the Constitution that keeps any State from depriving you of your constitutional rights. We would like to know what can be done now about Clouesse Reed. This is not also affecting Clouesse Reed, it is affecting his family, and the community and we as Concerned Citizens need an answer today."

Mayor Wood advised Ms. Hawkins that the Council does not have any jurisdiction of the Buncombe County Sheriff's Department in the way of his custody by the Sheriff's Department, nor the bail set for Mr. Reed by a magistrate, nor the District Court and Mr. Reed's attorney for the timing of his trail. He also advised Ms. Hawkins that he felt all the concerns expressed by her relative to Mr. Reed was addressed to the wrong people and advised her to talk with Sheriff Morrissey, Mr. Reed's attorney, and Mr. Robert Fisher, Soliciter, about the matter.

Adjournment.

Richard A. Wood, Jr. MAYOR _____ CITY CLERK

PROPOSED SECTION 8 SUBSIDIZED HOUSING FOR THE ASHEVILLE AREA

The Mayor reported that he had received a letter from Mr. R. B. Barnwell, Area Director of the Department of Housing and Urban Development requesting that the City of Asheville examine certain proposals that had been submitted to Housing and Urban Development for federal assistance from Section 8 of the Housing and Urban Development Act of 1975. The HUD letter requested that the City determine whether the proposals were consistent with the local Community Development Capital Housing Assistance Plan.

It was the consensus of Council that the thirty (30) day review period was an insufficient amount of time to review these proposals. They also felt that to only examine the proposals in terms of whether they are inconsistent with the local Housing Assistance Plan should only be one of several criteria for evaluation. For example, the additional criteria of meeting local ordinances and codes, the availability of water, sewers, recreation, transportation and other public services, and the impact of this many units on schools, the surrounding neighborhood and public facilities should rank equally as important in this evaluation.

Councilman Morris moved that the memorandum dated October 17, 1975, from Verl Emrick, Planning Director, to Mayor Wood be sent to HUD as the City of Asheville's initial comments on the proposals; and further that the Asheville City Council have the opportunity to provide additional information on the proposals along the lines of school impact, the availability of water and sewer services, the availability of public transportation and other related matters that have not been covered in the memorandum before HUD makes a decision on which proposal should be funded. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

POLICE DEPARTMENT - SPECIAL TRAINING REPORT

The City Manager presented copies of reports relative to special training for Asheville police officers and the basic guides that they use as well as a tabulation of some of the hours that they have been to some of the schools that are available to them.

Chief Hall commented that since there had been quite a bit of talk about the training of the police officers that Council should have some idea of what is taking place relative to training. He pointed out that the Asheville Police Department is one of seven law enforcment agencies that are accredited to give this law enforcement training. All others that are accredited are either Technical Institutes or Community Colleges or some educational institution. We are the only law enfocement agency in Western North Carolina that is accredited to give this training

CITY EMPLOYEES COMPARABILITY SALARY STUDY

The City Manager reported that the comparability study of city employees salaries which is being prepared by the Personnel Department and my recommendations will be presented to Council at the regular meeting of the City Council next week.

SPECIAL MEETING SCHEDULED - SIGN ORDINANCE

Mayor Wood scheduled a special meeting of the Asheville City Council for Tuesday, October 28, 1975 at 3:00 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville.

Section 50-4-11 - Registration of Existing Signs

Councilman Colton moved to amend Section 50-4-11 to read as follows:

"In order to facilitate the administration and enforcement of the provisions of this code, the Building Inspector shall register all signs existing in the City of Asheville which were erected prior to the adoption of the Ordinance, with no registration fee required."

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-4-10 - Sign Contractor's License

Councilman Horton moved to amend Section 50-4-10 to read as follows:

"No person, firm, or corporation shall engage in the business of installing, erecting, moving, or maintaining signs in the City of Asheville unless said person, firm, or corporation has been issued a sign contractor's license, which license is in effect at the time of said work. This license may be obtained from the City Tax Collector pursuant to the provisions of the Revenue Ordinance then in effect, and Section 24-3 of the Code of Ordinances, City of Asheville."

This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Section 50-5-2 (A) - Permits Not Required

Councilman Hoyle moved to delete the last sentence in Section 50-5-10.4 and insert the same sentence as the last in Section 50-5-2 (A). This motion was seconded by Councilman Colton and carried unanimously.

Section 50-5-2 (E) Permits Not Required

Mr. Emrick suggested the following amendments in Section 50-5-2 (E):

E. Non-illuminated window signs, when the total area of such signs does not exceed twenty-five (25%) percent of the total window area in the same vertical plane at the ground floor level on the side of the building or business unit upon which said signs are displayed.

He said this would delete 50-5-2 (E) (2).

Councilman Morris moved for the adoption of this amendment. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-5-9 - Window Signs

Mr. Emrick suggested the following amendments in Section 50-5-9:

Section 50-5-9 Window Signs

"When permanent or temporary non-illuminated signs are displayed in a window so as to be visible beyond the boundaries of the lot upon which such signs are displayed, the area of all such window signs in excess of twenty-five (25%) percent of the total window area in the same vertical plane at ground floor level on the side of the building or business unit upon which such signs are displayed shall be included in the total allowable sign area for the premises.

Tuesday, October 28, 1975 - 3:00 o'clock p.m

Special Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., City Manager Ernest J. Ward, Jr., Acting City Clerk Mrs. Carol Hensley.

Absent: Corporation Counsel William C. Moore and Assistant City Manager/ City Clerk William F. Wolcott, Jr.

The City Manager read the advertised notice to the public giving notice that a special meeting of the City Council of the City of Asheville had been called and scheduled by Mayor Richard A. Wood, Jr., to be held in the Council Chambers on Tuesday, October 28, 1975 at 3:00 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville.

Mr. Verl Emrick, Planning Director, noted that at the last meeting Council had instructed that the Planning Staff look into inserting language into Section 50-4-7, PERMIT FEES that would stipulate that a permit for a portable sign is only required one time and the following amendment was suggested:

Amend First Paragraph of Section 50-4-7. Permit Fees (Page 23) to read as follows:

A permit fee shall be paid to the Division of Inspections and Demolition for each sign permit issued under this code; provided, however, that a fee shall not be charged for: (1) putting a sign in conformance with this Ordinance when such action is undertaken voluntarily prior to the expiration of the applicable amortization period, (2) for a copy change when no change in business name is involved, or (3) for moving a portable or mobile sign to another location provided that the requirements of all other codes, ordinances, and inspection procedures are complied with prior to locating the sign.

Councilman Morris moved to amend Section 50-4-7 as suggested by the Planning Staff. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Mr. Emrick then continued with his review of the draft of the ordinance page by page.

He explained each Section through Section 50-5-3. The following action was taken:

Section 50-4-8 - Identification and Marking

Councilman Morris moved to amend Section 50-4-8 to read as follows:

"Each sign hereafter erected or remodeled shall bear thereon a clearly legible identification plate to be furnished by the Building Inspector stating the name of the person, firm or corporation responsible for its construction and erection, with installation date and permit number thereon. Electrical signs shall also be marked with input amperes at full load input."

This motion was seconded by Councilman Colton and carried unanimously.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Mrs. Carol Hensley, Acting City Clerk

Absent: Assistant City Manager/City Clerk William F. Wolcott, Jr.

1. Approval of minutes of October 23, 1975 meeting.

Vice-Mayor Marshall moved for the approval of the minutes of the October 23, 1975 meeting. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

2. Approval of minutes of special meeting held on October 28, 1975.

Councilman Hoyle moved for the approval of the minutes of the special meeting held on October 28, 1975. This motion was seconded by Councilman Horton and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON HENDERSONVILLE ROAD - J. LOYD KIRK

ORDINANCE NO. 859 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3) A public hearing was held relative to rezoning property on Hendersonville Road from R-2 Residential District to CH Commercial Highway District, property owned by J. Loyd Kirk. (Ward 7, Sheet 52, Lot 80)

Mayor Wood opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the rezoning for the following reasons:

1. The R-2 Residential Zoning limits reasonable use of the property;

2. A portion of the property has been used for a commercial motel over the past several years; therefore this extension of the commercial district boundary should not have an adverse affect on the residential neighborhood;

3. The property is contiguous with the existing CH district on Hendersonville Road;

4. It is the staff's opinion that the rezoning would not alter the intent and purpose of the Comprehensive Development Plan for this area; and

5. The Department of Transportation is contemplating taking a portion of this property and the rezoning would allow the owner to move his business building back and have ample space should it be needed.

No window sign in excess of four (4) square feet in area shall be displayed in any window above the ground floor level, and no window signs shall be displayed in any window above the third floor level.

Temporary posters announcing or advertising events sponsored by noncommercial organizations shall be exempt from limitations on window signs."

Councilman Colton moved for the adoption of this amendment. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-5-3 (B) Prohibited Signs

Councilman Morris moved to amend Section 50-5-3 (B) to read as follows:

"Signs with optical illusion of movement by means of a design which presents a pattern capable of reversible perspective, giving the illusion of motion."

This motion was seconded by Councilman Colton and carried unanimously.

Bebe McClain said she was in the process of opening an audio-visual firm in the City of Asheville and if Council imposes these regulations on the sign people, the billboard people, then she felt Council would restrict her business next. She said, she felt she had the right of free enterprise, to advertise her business.

Charles M. Wilson, owner of Plastex of Asheville, said he felt a sign ordinance was needed to regulate signs, but not one as extensive as the proposed ordinance.

Mayor Wood continued the public hearing until Thursday, October 30, 1975.

Adjournment.

Richard D. Wood, Jr.
MAYOR

Marian D. Nolan
CITY CLERK

52

RESOLUTION AUTHORIZING WITHDRAWAL OF SEVENTY TWO THOUSAND SIX HUNDRED FORTY FIVE ($72,645.00) AND NO/100 DOLLARS FROM THE BUNCOMBE COUNTY SCHOOL CAPITAL RESERVE FUND FOR THE COST OF UPGRADING THE EXISTING SEWER MAIN AND THE COST OF A WATER MAIN FOR FIRE PROTECTION OF THE NEW HAW CREEK ELEMENTARY SCHOOL.

RECEIVED
OCT 8 '75
Supt's Office

WHEREAS, by petition dated September 17, 1975, a copy of which is attached hereto as Exhibit "A", the Buncombe County Board of Education has petitioned this Board for a withdrawal in the sum of Seventy Two Thousand Six Hundred Forty Five ($72,645.00) and No/100 Dollars from Capital Reserve funds to be used in upgrading the existing sewer main and for installing a water main for fire protection for the New Haw Creek Elementary School; and

WHEREAS, by previous resolutions this Board has authorized the sum of One Million Eight Hundred Twenty Three Thousand ($1,823,000.00) and No/100 Dollars from the Buncombe County School Capital Reserve Fund for architects' fees, construction, and equipping the New Haw Creek Elementary School; and

WHEREAS, this Board feels that the withdrawal of the additional sum for the purposes indicated is in the best interests of the citizens of Buncombe County; and

WHEREAS, the Finance Director has determined that sufficient funds are available in the Buncombe County School Capital Reserve Fund to cover this expenditure.

NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners for the County of Buncombe as follows:

1. That a withdrawal in the sum of Seventy Two Thousand Six Hundred Forty Five ($72,645.00) and No/100 Dollars from the Buncombe County School Capital Reserve Fund is hereby authorized;

2. That said funds, when withdrawn, shall be transferred to the Buncombe County Board of Education for use by that Board for the purposes as set forth in the attached Exhibit "A";

3. The transfer of said funds is to be made pursuant to the instru tion of the Director of Finance;

Mr. Emrick then reviewed the site for members of Council.

Mr. J. Loyd Kirk, owner of the Forest Manor Lodge, said the business had been operated in the same location for 23 years and he felt the lot proposed to be rezoned was zoned R-2 Residential District in error.

No one appeared in opposition to the requested rezoning.

Mayor Wood closed the public hearing at 3:13 o'clock p. m. and instructed the City Manager to read the prepared ordinance which would rezone the property as petitioned.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 6-0, Ordinance No. 859 passed on its first reading.

PUBLIC HEARING - GROUP DEVELOPMENT - HAW CREEK ELEMENTARY SCHOOL

4. A public hearing was held relative to the site plan of the proposed new Haw Creek Elementary School to be located at Trinity Chapel Road, Miller Road, and New Haw Creek Road.

Mayor Wood opened the public hearing at 3:16 o'clock p. m.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the proposed site plan subject to the following conditions:

1. That the developer comply with Ordinance No. 813, City of Asheville Erosion Control Ordinance;

2. That the developer submit a satisfactory Environmental Impact Statement before final approval is granted; and

3. That adequate water and sewer lines, as recommended by the Water and Sewer Department, be installed prior to the opening of the school.

Mr. Emrick advised that Mr. Edens, Water and Sewer Director, had advised the Buncombe County School Board that because of the deterioration of the sewer mains and inadequate water lines that there would be insufficient water to serve this school as it now stands without additional lines running to the location. He said the Buncombe County School Board had requested the Buncombe County Commissioners to help defray the cost by providing some $72,645 to bring the lines to the school and on October 7, 1975 the Buncombe County Commissioners authorized the withdrawal of that amount of money to be allocated to the school funds for the express purpose of installing the water mains and upgrading the existing sewer.

Mayor Wood instructed that a copy of the resolution adopted by the Buncombe County Commissioners be made a part of the minutes.

The resolution is as follows:

54

RESOLUTION PETITIONING THE BOARD OF COUNTY COMMISSIONERS FOR THE COMMITMENT OF ADDITIONAL CAPITAL RESERVE FUNDS IN THE AMOUNT OF $72,645.00 FOR THE COST OF UPGRADING THE EXISTING SEWER MAIN AND THE COST OF A MAIN FOR FIRE PROTECTION FOR THE NEW HAW CREEK ELEMENTARY SCHOOL.

RESOLVED BY THE BUNCOMBE COUNTY BOARD OF EDUCATION:

WHEREAS, the Buncombe County Board of Education recognizes the commitment by the Board of County Commissioners of $90,000.00 from the County Capital Reserve Fund and $1,823,000.00 from the Buncombe County Schools Capital Reserve Funds for architect fees, construction and equipping the New Haw Creek Elementary School exclusive of site acquisition which has been expended, and

WHEREAS, the Water and Sewer Department of the City of Asheville has advised the Board of Education that $93,265.00 will be needed to enlarge the existing sewer running along Haw Creek from 8 inches to 20 inches in diameter for approximately 3,740 feet above the point where the Highway Department will end their work. Of this amount the City of Asheville is requesting that the Board of Education provide $54,113.00, and

WHEREAS, the Water and Sewer Department has also advised the Board of Education that $18,532.00 will be needed in order to run an 8-inch main from the main at Beverly Road up Miller Road to the entrance of the school property where the contractor would continue with fire loop designed, and

WHEREAS, funds are not available from any other source.

NOW, THEREFORE BE IT RESOLVED, that the Buncombe County Board of Education petitions the Board of County Commissioners for the commitment of $72,645.00 for the Board's cost of upgrading the existing sewer main and the cost of a main for fire protection for the New Haw Creek Elementary School.

I MOVE THE ADOPTION OF THE FOREGOING RESOLUTION:

D. Lee Arnold
MEMBER

SECONDED BY:

Mrs. C. Y. Roberts
MEMBER

READ, APPROVED, AND ADOPTED THIS 17th DAY OF September, 1975.

James R. Mac Clarke
CHAIRMAN

Fred H. Martin
SECRETARY

4. This resolution shall be effective upon its passage at a second reading.

The foregoing resolution was passed on first reading this 7th day of October, 1975.

The foregoing resolution was passed on second reading this 7th day of October, 1975.

Board of Commissioners for the County of Buncombe

By: R Curtis Bateman
Chairman

Approved as to Form:

Stuart E Bell
County Attorney

cc: Mr. James McClure Clarke
Mr. Fred Martin
Mr. Brainard Morison
Mr. W. F. Taylor

4. The Toro has the operator of the machine sitting forward so that he can observe more closely what is in front. Whereas in the Jacobsen the seat is further back and makes it more difficult to control and manage.

He said his recommendation would still remain to accept the second low bidder.

After discussion, Councilman Ochsenreiter moved to accept the recommendation of the Parks and Recreation Director and award the bid to the second low bidder, E. J. Smith & Sons in the amount of $3,160.00. He instructed that the reasons for Mr. Kisiah's recommendation be included in the minutes. This motion was seconded by Councilman Horton and carried unanimously.

Mr. Kisiah's reasons for recommending the second low bidder are cited above.

Bid Summary

Bidder	Bid
R. P. Johnson & Sons	$3,855.00 - Hahn TT1200 Deluxe
Porter Brothers, Inc.	$3,129.50 - 1976 Jacobsen 62219
E. J. Smith & Sons	$3,160.00 - 1975 Toro 04323

REPORT OF CITY MANAGER - COMPARABILITY STUDY OF CITY EMPLOYEES SALARIES

5. The City Manager presented to Council a comparability study of salaries of City employees, in the form of a memorandum to Council and a memorandum from W. Michael Smith, Personnel Director, outlining the methodology used in preparing this survey.

In presenting the study, the City Manager outlined the contents of the memorandum presented to Council. He said he had discussed city employees salaries at several meetings and in telephone conversations with City Managers throughout the State and find the Personnel Director's recommended adjustments to be consistent with pay plans and personnel policies in North Carolina. He said he had reviewed Mr. Smith's report and approve of the methodology used and the recommendations made for pay adjustments with the exception of several positions. These recommendations are in addition to the budgeted five percent across the board pay increase to be implemented January 1, 1976. Due to the short period of time during which this wage comparability survey was prepared, the Director of Central Services was not able to determine whether, in all instances, the job qualifications and performance of incumbent in a particular position were truly comparable with job classifications existing in other cities. Therefore, to whatever extent the Council wishes to authorize implementation of the wage increase recommendations, I feel that I should retain my customary authority to determine whether and when wage adjustments should be made in those job classifications affecting five or fewer employees. After the Council has made its decision with reference to the proposed authorization for wage increases, I will then review the job qualifications and performance of incumbents in those classifications affecting five or fewer employees and make wage adjustments based upon my personal evaluation in each particular instance.

Mr. Emrick said it was his understanding that the Water Department could install the necessary lines before the opening of the school.

Mr. Emrick also pointed out that the Planning and Zoning Commission recommended that an in-depth engineering study be made of the surrounding streets relative to upgrading and widening. He said these streets included Trinity Chapel Road, Bethesda Road, Miller Road, and Beverly Road. He said it would be the State's responsibility to upgrade New Haw Creek Road for this facility.

Mr. Mike Freeman, architect for the project, answered general questions relative to construction, facilities and bus routes.

Mayor Wood closed the public hearing at 3:35 o'clock p. m.

Councilman Morris moved for the approval of the site plan for the proposed Haw Creek School subject to the Buncombe County School Board providing to the State or the City any right of ways on their property necessary for the widening of the surrounding roads. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

BIDS - ONE (1) THREE GANG RIDING GREENSMOWER

5. Further consideration was given to bids received September 24, 1975 for one (1) three gang riding greensmower.

The City Manager advised that several weeks ago Council had instructed Mr. Ray Kisiah, Parks and Recreation Director, to investigate the difference between the low bidder, Porter Brothers, Inc. in the amount of $3,129.50 and the second low bidder, E. J. Smith and Sons in the amount of $3,160.00 since his recommendation had been to accept the second low bidder.

Mr. Kisiah advised that Porter Brothers, Inc. bid on a 1976 Jacobsen Greensmower and E. J. Smith and Sons bid on a Toro Greensmaster. He said his decision for recommending the second low bidder was based on the following reasons:

1. The Toro Greensmower, at $30.00 more, has fully balanced and free floating grass baskets. The grass baskets are in front of the reels. The Jacobsen mower, the baskets are attached to the reels and they move along which as the weight of the grass in the baskets comes in it creates a heavier cut each time you go across the greens. The Toro is completely independent of the baskets and are free floating so the same amount of pressure is exerted upon the grass regardless of whatever weight is in the baskets.

2. The Jacobsen has two right hand reels and one left hand reel therefore if a reel goes out, you have to have two spare cutting units at a cost of approximately $210.00 per reel. The Toro mower has an interchangeable reel for all three reels, so you only have to have one spare reel should you have difficulties.

3. The difference in turning radius - the Jacobsen mower as you come to the end of a cut coming across a green takes a 20" radius of uncut grass as you make your turn to come back. The Toro mower has a 15" radius which makes for a shorter turning radius.

A. In position classifications where the incumbent (s)' salary is less than the minimum authorized at the present time, cost figure was the differential of the current salary from the minimum of the recommended range times the number of positions affected.

B. In situations where the incumbent(s)' salary was greater than the new recommended range, no cost figures were applied and a notation was made that the increase was "previously approved".

C. No cost figures where shown for position reclassifications where there is, at the present time, no incumbent.

In addition to the above information concerning the technical aspects of the pay survey, I would like to make some additional observations and recommendations relative to this pay survey:

A. Generally speaking, the City of Asheville pay structure was competitive locally for lower skilled clerical, unskilled and semi-skilled labor and mid-level supervisory positions. The major area where adjustments were recommended were at the department head level and for skilled clerical, skilled craft, foreman and public safety positions.

B. Recommended adjustments range from 5 to 30 percent with the weighted average increase recommended being 9.72%.

C. The total annual cost of the recommendations is $389,855. Based on an approximate annual payroll of $7 million, this increase is 5.6% of payroll.

D. The results of this pay survey pointed up the need for the City of Asheville to develop and implement an equitable program of merit and longivity pay increases. Many long time, capable employees of the City are working at the entry level pay rate because the City of Asheville pay system does not provide for these alternatives.

E. Additional pay surveys should be conducted by the Personnel Division and submitted to the City Manager and City Council during budget preparation each year. The information contained in this pay survey should be used in future pay schedule adjustments and pay classification readjustments.

Mr. Smith highlighted the positions which were recommended for pay adjustments.

Councilman Horton noted that with the requested amount of increases, it would take about 6-1/2 cents on the property tax rate as it now stands.

The City Manager noted that the Contingency fund is presently $262,000.

Mayor Wood commented that to his knowledge in the late 60's the City of Asheville was about 1/3 below the statewide average and this study shows only 5% below statewide average and this would indicate that some progress has been made.

He said, it appears that the following alternatives are available for Council's consideration for implementation of the recommended rate adjustments:

1) Implement the recommended pay adjustments in 1976-77 budget effective July 1, 1976 an an annual cost of $389,855 (G. F. $355,647, W. F. $54,208).

2) Implement one-half of the total amount of the recommended pay adjustments effective January 1, 1976 at a cost of $97,464 (G. F. $83,912, W. F. $13,552) for the remainder of the 1975-76 Fiscal Year and recommend to the next Council that the remaining half of the pay adjustment be implemented July 1, 1976. The total annualized cost of this alternate is $389,855 (G.F. $355,647, W.F. $54,208).

3) Implement the total amount of the recommended pay adjustments effective January 1, 1976 at a cost of $194,928 (G. F. $167,824, W.F. $27,104) for the remainder of the 1975-76 Fiscal Year. The total annualized cost of this alternate is $389,855 (G.F. $335,647, W.F. $54,208).

Should the Council choose to use alternates 2 or 3 it is recommended that the amount stated be transferred from the Contingency Funds of the General and Water Funds. This would reduce the amount of surplus carried forward into the 1976-77 Fiscal Year. Using any of these alternatives the Council will probably be faced with a tax increase for the 1976-77 Fiscal Year in order to maintain the same level of services now being rendered or the administration will have to reduce the number of employees on the City's payroll or both.

Mr. W. Michael Smith, Personnel Director, outlined the manner in which the survey was conducted. He said data was collected from 14 North Carolina cities for the bulk of the wage survey. These cities were Charlotte, Raleigh, Gastonia, Winston-Salem, Burlington, High Point, Wilmington, Fayetteville, Durham, Hickory, Greenville, Rocky Mount, and Goldsboro. These cities included a proportionate number with populations larger and smaller than that of Asheville and several with approximately the same population as Asheville. Additional information was gathered with the cooperation of the Asheville office of the Employment Security Commission. Local data was collected only on those positions that the City competes for on a local basis and for which comparable positions exist in private industry. After the raw data was collected, a mean range from the surveyed cities were computed. The mean for each position was then compared with the present pay range in the Asheville Salary Plan and the percent difference form the survey mean range was computed. The recommended pay ranges were arrived at by comparing the survey mean range with the present Asheville range and if an applicable position, the local entry range from the Employment Security Commission pay survey.

Annual cost figures were arrived at by taking the difference between the entry level of present range and the recommended range and multiplying it times the number of positions affected. Three exceptions exist to this method of computing costs:

Mr. Wolfer, with Win-Tex Knitting Mills, said there was a misunderstanding that Win-Tex's immediate needs would be 25,000,000 gallons per month or approximately 1,000,000 gallons per day. He said it was impossible at this time to project the needs after 1980, which would be based on expansions, etc. He said the water at Bee Tree is being tested at this time to see if the water could be used without treatment. He said he needed an answer on the approval of 25,000,000 gallons per month today since the option on the Wamsutta plant expired tommorrow. He said he would venture that the projected amount of water after 1980 would never be over 1,500,000 gallons per day. He said there was a possibility that Win-Tex would be willing to accept 30,000,000 per month and not go over that amount at the present time.

After considerable discussion, Councilman Morris moved, that at the request of Win-Tex Knitting Mills, to commit from the City's surplus water to the Wamsutta location in the Swannanoa Valley a level of water usage not to exceed 30,000,000 gallons per month and that any further request for additional water be negotiated and reviewed at that time. This motion was seconded by Councilman Hoyle and carried unanimously.

CLAIM - ANTONIO ALLEN

The City Manager presented a claim from Bruce A. Elmore, attorney for Antonio Allen relative to an accident at the Recreation Park.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

CONTINUATION OF PUBLIC HEARING - SIGN ORDINANCE

Mr. Emrick continued with his review of the draft of the ordinance page by page.

He explained each Section through Section 50-5-10.3. The following action was taken.

Section 50-5-10.1 Construction Signs

Councilman Morris moved to amend Section 50-5-10.1 by adding the word "temporary" to the beginning of the first sentence. This motion was seconded by Councilman Colton and carried unanimously.

Section 50-5-10.2 Subdivision Directional Signs

It was the consensus of Council to amend Section 50-5-10.2 (a) to read as follows:

"(a) Such signs shall not exceed twenty (20) square feet per sign in total area or ten (10) square feet per sign face; and shall not exceed eight (8) feet in height."

Council instructed the Planning Staff to look into the possibility of inserting "group developments and apartment buildings" into Section 50-5-10.2.

Sgt. Dillingham, President of the Fraternal Order of Police, speaking on behalf of the majority of the Asheville Police Department, thanked the Council and the staff members for their extra work and efforts put into the comparability study. He said it was the hope of the majority of the Police Department that Council would authorize implementation of the full recommended pay adjustments immediately.

Michael Argo, of the Wilderness Shop on Merrimon Avenue, commented that he felt the policemen and the firemen deserved the pay increases and he would be willing to pay the tax increase for that purpose.

After considerable discussion Councilman Morris moved to accept Alternate #2 recommended by the City Manager to implement one-half of the total amount of the recommended pay adjustments effective January 1, 1976 at a cost of $97,464 (G. F. $83,912, W. F. $13,552) for the remainder of the 1975-76 Fiscal Year and recommend to the next Council that the remaining half of the pay adjustment be implemented July 1, 1976, for a total annualized cost of $389,855 (G.F. $355,647, W.F. $54,208). He further moved that the City Manager be given the authority to determine whether and when wage adjustments should be made in those job classifications affecting five or fewer employees. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 75-134 - RESOLUTION AUTHORIZING NOTICE OF INTENT TO LEASE SPACE AT THE ASHEVILLE AIRPORT TO THE UNITED STATES OF AMERICA - NATIONAL WEATHER SERVICE

7. Consideration was given to a resolution authorizing notice of intent to lease space at the Asheville Airport to the United States of America - National Weather Service.

The City Manager read the resolution.

Councilman Morris moved for the adoption of the resolution stating that Council would consider the adoption of a resolution authorizing the execution of said lease at its regular meeting to be held on November 20, 1975. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Complete text of Resolution No. 75-134 will be found in Resolution Book No. 8 at page 207.

REQUEST OF WIN-TEX KNITTING MILLS - WATER ALLOCATION TO WAMSUTTA LOCATION

The City Manager advised that at last weeks meeting Council discussed the possibility of the water allocation for the Win-Tex Plant in the Emma area and that particular request was turned down because of the availability of water pressure problems. Since that time Mr. Wolfer with Win-Tex has had conversations with Mr. Edens and he is negotiating with Wamsutta for their plant in the Swannanoa Valley. He said Wamsutta already has a water allocation for the plant now in existence. The allocations that are now available to Wamsutta would be satisfactory to Win-Tex Dye operation until approximately 1980, at which time their allocation would increase to approximately 25,000,000 gallons per month.

W. E. Edens, Water and Sewer Director, said this would require approximately 2,000 feet extension and a water treatment plant unless Win-Tex could use the water without treatment.

Tuesday - November 4, 1975 - 2:30 o'clock p. m.

Special Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

The City Manager read the advertised notice to the public giving notice that a special meeting of the City Council of the City of Asheville had been called and scheduled by Mayor Richard A. Wood, Jr., to be held in the Council Chambers on Tuesday, November 4, 1975 at 2:30 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville.

Mrs. Samuel Bingham, representing the Asheville Council of Garden Clubs in the area, spoke in favor of the proposed ordinance and not for the proposed draft presented by the Asheville Area Chamber of Commerce. She presented architectural renderings of the effect of the proposed ordinance which would affect signs on Tunnel Road. She presented both the present and future effects.

A member of the League of Women Voters, Land Use Committee, also spoke in favor of the proposed ordinance and recommended its adoption as written and not as amended by the proposed draft presented by the Asheville Area Chamber of Commerce.

Mrs. Barbara Keleher, former City Council member, also spoke in favor of the proposed ordinance.

Verl Emrick, Planning Director, then continued with his review of the draft of the ordinance page by page.

He explained each Section through Section 50-6-3(a). The following action was taken:

Section 50-5-10.4 - Real Estate Signs

Councilman Morris moved to amend Section 50-5-10.4 to read as follows:

"Signs which advertise property as "For Sale", "For Rent", or "For Lease" in residential districts, shall be limited to free-standing, window, or wall signs only and shall not exceed eight (8) square feet in area. In Office-Institutional and all Commercial and Industrial zones, maximum size shall be no greater than thirty-two (32) square feet. However, after a sale, rental or lease contract has been entered into said sign shall be removed within one (1) week."

This motion was seconded by Councilman Horton and carried unanimously.

Section 50-5-10.3 Political Signs

It was the consensus of Council to amend Section 50-5-10.3 to read as follows:

"Signs concerning candidacy for public office or urging action on any ballot issue in a primary, general or special election shall be permitted in all zoning districts as specified in Section 50-6-3 (a), subject to the area and height restrictions set forth in that section."

Mayor Wood then called a special meeting of the Asheville City Council for Tuesday, November 4, 1975 at 2:30 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville.

Adjournment.

Richard D. Wood
MAYOR

Marian D. Nesbitt
CITY CLERK

ZONING DISTRICT	CLASS OF SIGN PERMITTED	TYPE OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUM HEIGHT OF FREE-STANDING SIGNS*
Office-Institutional (OI)	Free-standing Wall Window	Identification Sign	The greater of: 25 sq. ft., or 0.5 sq. ft. of total sign area for each lineal foot of street frontage	50 sq.ft. for free-standing signs	1 per street frontage for free-standing signs	8 ft.
		Temporary Sign	See Section 50-5-10			8 ft.
		Legal notice		12 sq.ft.	As required by law	6 ft.
		Historical Marker (bona fide)		12 sq.ft.	1 per use	6 ft.
		Directional	For non-residential uses only: 24 sq.ft.	12 sq.ft.	1 per street frontage	5 ft.
		Joint Identification Sign	1 sq.ft. sign area per linear foot of street frontage (maximum area per sign: 150 sq.ft.)	75 sq.ft.	1 per use	8 ft.
		Business Sign	Same as Commercial and Industrial Zoning Districts			
	*	Real Estate Sign	32 square feet	16 sq.ft.	1 per lot	8 ft.
	*	Political Sign	50 square feet			8 ft.

*NOTE: Height of the sign shall be measured from the grade at the sign or at the grade of the nearest roadway whichever is higher.

Section 50-6-3(a) Schedule of Sign Requirements

Councilman Colton moved to amend Section 50-6-3(a) - pages 43, 44, and 45 as follows:

SEC. 50-6-3(a) SCHEDULE OF SIGN REQUIREMENTS

ZONING DISTRICT	CLASS OF SIGN PERMITTED	TYPE OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUM HEIGHT OF FREE-STANDING SIGNS*
Residential R-1 R-2 R-3 R-4	Free-standing Wall Window	Identification Sign	For single-family residential uses: 4 sq.ft.	2 sq.ft.	1 per use	6 ft.
			For multi-family residential uses: 20 sq.ft.	10 sq.ft.	1 per use	6 ft.
			For non-residential uses-by-right: 30 sq.ft.	15 sq.ft.	1 per use	6 ft.
			For uses located in Group Developments as part of site plan approval only:	(See Sec. 50-5-13)		
			For Home Occupation 4 sq.ft.	2 sq.ft.	1 per use	6 ft.
		Bulletin Board	For non-residential uses only: 32 sq.ft.	16 sq.ft.	1 per street frontage	6 ft.
		Business Sign (in R-4 only)	For uses permitted by special review and for lawful nonconforming uses: the lesser of: 50 sq.ft., or the maximum sign area permitted for the use in the zoning district wherein the use is permitted by the zoning ordinance.	15 sq.ft.	The lesser of: 1 per street frontage or 2 per use	8 ft.
		Temporary Sign	See Section 50-5-10			6 ft.
		Historical Marker (Bona Fide)		12 sq.ft.	1 per use	6 ft.
		Legal Notice		12 sq.ft.	As Required by law	6 ft.
		Directional	For non-residential uses only: 24 sq.ft.	12 sq.ft.	1 per street frontage	6 ft.
		Political Sign	4 square feet			6 ft.

*NOTE: Height of the sign shall be measured from the grade at the sign or the grade at the nearest roadway, whichever is higher.

A discussion followed on the maximum number of days that a portable sign could remain on any one lot. Mr. Emrick stated that as proposed in the ordinance thirty (30) days would be the maximum.

Upon inquiry of Councilman Colton, Mr. Emrick stated that portable signs were not included within the allowable space allocated for signage in the proposed ordinance.

Councilman Colton moved that all signs portable or permanent should be included in the allowable space allocated for signage as specified in the ordinance. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Morris moved to delay the discussion on heigth limitations instructing the Planning Staff to look into the possibility of inserting language that would compensate for topography relief in the area. This motion was seconded by Councilman Hoyle and carried unanimously.

Section Section 50-6-3(a) - Schedule of Sign Requirements

It was the consensus of Council to amend the maximum sign size on portable or mobile signs to 50 square feet per side.

Further discussion was given to maximum sign area of off-premises advertising and to amortization schedules.

Mayor Wood continued the public hearing until Thursday, November 6, 1975.

Adjournment.

Richard D. Wood
MAYOR

Herman S. Mercer
CITY CLERK

*[illegible] Height of the sign shall be measured from the grade at the sign or the [illegible]

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Council instructed the Planning Staff to confer with the Corporation Counsel on the question of the number of political and real estate signs permitted in residential and office institutional districts.

Section 50-5-10.5 (b) Other Temporary Signs.

Councilman Ochsenreiter moved to amend Section 50-5-10.5 (b) as follows:

(b) Such signs shall not remain in place for a period of more than sixty (60) days within a consecutive six (6) month period, except that the Building Inspector may for good cause, extend the time period for one additiona fifteen (15) day period upon application therefor.

This motion was seconded by Councilman Morris and on a voice vote the motion failed.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Joe Bell, of 87 Woodland Road, spoke in favor of the rezoning request stating that the property does not pose any threat to the surrounding property due to its isolation.

Debra Austin, Route 2, Asheville, North Carolina also spoke in favor of the rezoning.

Wayne Kinser, developer of the Zealandia property and petitioner for the rezoning request, spoke in favor of the rezoning, stating that many objections has been presented against the rezoning and he cited his views to the reasons for these objections, saying that many of the foundations used for these oppositions had no foundation at all.

Mr. Mac Day, Grove Park Sunset Citizens Association, said they were still opposing the rezoning of the Zealandia property and requested that their letter of November 3, 1975 addressed to the Mayor be included in the minutes of the meeting.

The letter is as follows:

November 3, 1975

Asheville City Council
City of Asheville
Asheville, North Carolina 28807

Attention: Mayor Richard A. Wood

Dear Sirs:

By letter dated October 21, 1975, the Grove Park Sunset Citizens Association requested the Council to reject rezoning of the property commonly known as Zealandia. In its letter the Association referred to the area as presently being zoned R-1. The Association acknowledges that in fact the present zoning of the area is not R-1 and wishes to apologize to the Council for its inadvertent misrepresentation of fact.

However, the Association still feels that the reason for its objections to the rezoning remain valid and constitute issues which the Council should answer prior to approval of any rezoning. Specifically, referring to our letter of October 21, 1975, these issues concern parking facilities and the potential erosion resulting therefrom, and the question of access roads to the property.

Further, the proponents of the rezoning have made considerable issue of the open cut and the fact that it will be an "immense physical barrier" between the Zealandia property and the residential sections of Beaucatcher Mountain. As the Council is well aware, the tunnel versus open cut controversy is currently under challenge. Thus, it would seem that the more reasonable course of action would be for the Council to at least delay any rezoning of Zealandia pending resolution of the controversy by the courts. Certainly the interim blasting and dust which would be associated with the cut would not contribute to the success of a dinner theater in that area.

As our association has pointed out, we are not in any way opposed to the development of dinner theaters and similar entertainment complexes in the city of Asheville. Such facilities can complement the quality of life in our community. However, as we indicated earlier we do not believe the proposed location is suitable for such facility nor do we think the Council should authorize the change without a full analysis of the issues raised in this letter and our letter of October 21, 1975.

The Grove Park Sunset Citizens Association has taken a position on this rezoning due in part obviously because of our interest in the

Thursday - November 6, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: Vice-Mayor Calvin W. Marshall

1. Approval of minutes of October 30, 1975 meeting.

Councilman Morris moved for the approval of the minutes of the October 30, 1975 meeting. This motion was seconded by Councilman Colton and carried unanimously.

2. Approval of minutes of special meeting held on November 4, 1975.

Councilman Morris moved for the approval of the minutes of the special meeting held on November 4, 1975. This motion was seconded by Councilman Colton and carried unanimously.

PUBLIC HEARING - ZONING OF EXTRATERRITORIAL JURISDICTION INTO THE TOWN OF BILTMORE FORREST JURISDICTION

3. A public hearing was held to amend Asheville Zoning Ordinance No. 322, as amended by extending the City of Asheville's extraterritorial zoning jurisdiction into the Town of Biltmore Forest jurisdiction.

Mayor Wood opened the public hearing at 3:04 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, advised that in accordance with an agreement executed August 20, 1975 between the City of Asheville and the Town of Biltmore Forest it is now necessary for Council to zone the property located in the City of Asheville's extraterritorial zoning jurisdiction in the Town of Biltmore Forest. He reviewed the boundaries and the recommended zoning to be included in the extraterritorial zoning jurisdiction. He said all property owners affected by the zoning have been notified.

Mayor Wood closed the public hearing at 3:12 o'clock p. m. and instructed the City Manager to read the prepared ordinance zoning the property in question.

Councilman Ochsenreiter moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 860 passed on its first reading.

ORDINANCE NO. 858 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Vance Gap Road)

4. Consideration was given to the third and final reading of Ordinance No. 858, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 859 passed on its second reading.

ORDINANCE NO. 861 - AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST

6. Consideration was given to an ordinance establishing the Asheville General Employees' Retirement Plan and Trust.

The City Manager read the ordinance.

Mike Smith, Personnel Director, advised that the two documents referred to in the ordinance is a retirement trust and a retirement plan. The trust outlines an arrangement wherein a Board of Trustees is established to receive funds that will be appropriated by the City from time to time and contains rules and regulations in which they will operate. The retirement plan is an outline of rules and regulations regulating the enrollment and benefit structure for participants in the retirement plan.

Mayor Wood commented that this plan is a result of a study by consultants hired by the City, Hutchison and Associates of Raleigh, who has a great deal of experience dealing with pension plans with local governments across the state and the purpose of this plan is to replace the unfunded plan which the City has had in effect for a number of years for general employees, meaning those other than police and fire employees, who are under a separate plan. Under state law all municipalities are suppose to have only acutarial proper plans and it was because of this requirement which was passed in 1973 that the City has been studying this plan since that time and it is the recommendation of the consultant and the City staff that this ordinance be considered by the Council as a means of putting the pension plan of the City on a sound financial basis in the future.

Councilman Horton noted that at present the plan requires a 3% contribution on the part of the employees and the 5% salary increase budgeted for January 1, 1976 will more than offset the contribution to the retirement plan.

On a roll call vote of 5-0, Ordinance No. 861 passed on its first reading.

BIDS - ESTIMATED REQUIREMENTS OF 6 AND 8 INCH WATER MAIN PIPE FOR PERIOD ENDING JUNE 30, 1976

7. Consideration was given to bids received October 30, 1975 for estimated requirements of 6 and 8 inch water main pipe for period ending June 30, 1976.

The City Manager read a memorandum from the Purchasing Agent which stated that the quantities used in the bid are approximate, based on estimated requirements through June 30, 1976. Recommended unit prices, firm through current fiscal year, will apply to City of Asheville Purchase Orders to be issued on an as-needed basis. The Director of Water and Sewer Department and the Purchasing Agent recommended the acceptance of the low bid submitted by Lynchburg Foundry, Item 1 @ $3.83 per foot, and Item 2 @ $5.48 per foot.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Lynchburg Foundry, Item 1 @ $3.83 per foot, and Item 2 @ $5.48 per foot. This motion was seconded by Councilman Colton and carried unanimously.

quality and character of our own residential area. It is the right and obligation of our citizens to speak out on these matters or they have no reason to complain about the results. However, the association is also motivated by a real concern for what uncontrolled development is doing to the mountains in our area. The mountains surrounding Asheville are its finest and most unique feature. We urge the Council to recognize its obligation to preserve the character of the mountains and allow for only sensible and well thought out development which will be of lasting benefit to our area.

Very truly yours,

GROVE PARK SUNSET CITIZENS ASSOCIATION

Margaret Avis
Mrs. Dwight Avis, President

J. K. MacKendree Day
J. K. MacKendree Day, Vice President

Mr. E. R. McCarthy said he could see no reason for anyone objecting the the rezoning of the Zealandia property for the proposed development.

Upon inquiry of Councilman Colton, Verl Emrick, Planning Director, described the zoning surrounding the property in question to establish that the rezoning would not constitute spot zoning. He said it was the Planning and Zoning Commission's policy not to recommend rezoning that could be considered "spot zoning".

On a roll call vote of 5-0, Ordinance No. 858 passed on its third and final reading.

Complete text of Ordinance No. 858 will be found in Ordinance Book No. 6 at page 313.

ORDINANCE NO.859 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (WARD 7, SHEET 52, LOT 80)

5. Consideration was given to the second reading of Ordinance No. 859, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Ward 7, Sheet 52, Lot 80).

BIDS - UTILITY TYPE TRUCKS AND BODIES FOR USE IN THE WATER AND SEWER DEPARTMENT

8. Consideration was given to bids received October 20, 1975 for utility type trucks and bodies for use in the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended acceptance of the following bids:

1. Accept the lowest responsible bid for all truck units, items 1, 2, 3, and truck body, item 4 as follows:

Item 1 - Dorato Motors	@ $3,558.97 per unit
Item 2 - Apple Tree Chevrolet	@ $3,879.78 per unit
Item 3 - Dorato Motors	@ $4,956.24 per unit
Item 4 - Cook Body Company	@ $1,654.00 per unit

2. Award Items 6 and 8 truck bodies, equipped with hydraulic power units as follows:

Item 6 - Baker Equipment Manufacturing Co.	@ $3,568.00
Item 8 - Baker Equipment Manufacturing Co.	@ $4,665.00

Bid Items 5 and 7, without hydraulic power units are alternates to items 6 and 8 respectively. The cost differential between these was used in evaluating the value of purchasing bodies with power units as opposed to purchasing separate air compressors.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bids as recommended. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary

Councilman Morris moved to schedule a public hearing on the matter for December 4, 1975. This motion was seconded by Councilman Horton and carried unanimously.

CLAIM - MAGGIE C. TOBE

The City Manager presented a claim for injuries received from George W. Moore, attorney for Maggie C. Tobe.

Mayor Wood referred the claim to the Corporation Counsel for investigation and recommendation.

REPORT FROM CORPORATION COUNSEL - ASHEVILLE CIVIC CENTER

Corporation Counsel read the following letters received from Mr. John Cort, architect for the Asheville Civic Center and Mr. Howard W. Gleason, Jr., Vice-President of Ranger Construction Company:

baber, cort and wood, p.a. - architects
239 HAYWOOD STREET, ASHEVILLE, NORTH CAROLINA 28801
TELEPHONE (704) 254-7491

November 6, 1975

Mr. W. C. Moore
Gennett Building
Asheville, North Carolina 28801

Subject: Asheville Civic Center

Dear Mr. Moore:

There has been much public concern regarding owner occupancy of the existing auditorium. As we requested, Mr. Gleason has provided us with a completion schedule, a copy of which is enclosed. This schedule sets firm dates for completion and owner occupancy.

We have contacted Mr. Cannady, with W. B. Haynes, and he has stated that the Electrical Contract will be completed prior to the dates outlined in Mr. Gleason's letter, and his firm will allow owner occupancy on those dates.

We have contacted Mr. Moser, with Moser, Inc., and he has stated that the Plumbing and Mechanical Contracts will be completed prior to the dates outlined in Mr. Gleason's letter, and his firm will allow owner occupancy on those dates.

Our office feels this schedule can be met by all contractors involved and recommends that the City accept Mr. Gleason's offer.

Of course, necessary insurance should be taken out and approval of the sureties involved should be obtained by the City prior to occupancy.

Very truly yours,

BABER, CORT AND WOOD, P.A.

John E. Cort

RESOLUTION NO. 75-135 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT FOR ENGINEERING SERVICES WITH HOFFMAN, BUTLER & ASSOCIATES, INC. TO PERFORM PHOTOGRAMMETRIC SURVEYING AND THE PREPARATION OF PLAN PROFILE SHEETS FOR PROPOSED MAJOR WATER LINE CAPITAL IMPROVEMENTS

9. Consideration was given to a resolution authorizing the City Manager to enter into a contract for engineering services with Hoffman, Butler & Associates, Inc. to perform photogrammetric surveying and the preparation of plan profile sheets for proposed major water line capital improvements.

The City Manager read the resolution.

Mr. Bill Edens, Water and Sewer Director explained that this was part of the engineering costs for the capital improvements projects - phase III.

Upon motion of Councilman Ochsenreiter, seconded by Councilman Horton. Resolution No. 75-135 was unanimously adopted.

Complete text of Resolution No. 75-135 will be found in Resolution Book No. 8 at page 208.

ORDINANCE NO. 862 - AN ORDINANCE AMENDING SECTION 2-43 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE RELATIVE TO THE ASHEVILLE TRANSIT AUTHORITY MEETING

10. Consideration was given to an ordinance amending Seciton 2-43 of the Code of Ordinances of the City of Asheville relative to the Asheville Transit Authority's meetings.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Colton.

On a roll call vote of 5-0, Ordinance No. 862 passed on its first reading.

GROUP DEVELOPMENT - AMENDMENT TO K-MART SHOPPING CENTER

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the amended site plan for K-Mart Shopping Center subject to retaining the curbing on the entire length of the northernmost drive as well as that shown at the front entrances to K-Mart and other retailing outlets as approved by City Council on June 5, 1975.

Councilman Morris moved to schedule a public hearing on the matter for December 4, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING REQUEST - ASHEVILLE HOUSING AUTHORITY - WARD 2, SHEET 2, LOTS 186 AND 187

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the rezoning request of the Asheville Housing Authority that Ward 2, Sheet 2, Lots 186 and 187 be rezoned from CH Commercial Highway to CR Commercial Regional District.

Because of these contingent items, Ranger anticipates beneficial occupancy for the Museum area can occur on or about January 1, 1976.

3. Ranger will complete the remaining punch list work in the interior of the new arena structure by December 15, 1975, but subject to the following qualifications:

   (a) Interference from Public Events
   (b) Flat wall panels
   (c) Completion of lock cylinder change and keying

4. Ranger cannot predict completion of exterior punch list work on exterior of total Center Complex due to extent of listed items and unpredictability of weather.

5. Ranger agrees to allow Owner beneficial occupancy of the Symphony - Rehearsal Room by December 1, 1975.

Very truly yours,

RANGER CONSTRUCTION COMPANY

RECEIVED
NOV 6 1975

Baber, Cort & Wood
239 Haywood Street
Asheville, North Carolina 28801

Attention: Mr. John E. Cort

Reference: Civic Center
Asheville, N. C.

Dear Mr. Cort:

In accordance with the General Conditions and your letter of October 20, 1975, the following are schedules of completion of the various phases of construction remaining on this project.

Because of reasons beyond Ranger's immediate control, some qualifications to the completion dates are given. Items which may become deficient under warranty are also excluded.

1. Ranger will complete the punch list for the Auditorium portion of the renovated structure by December 1, 1975.

   In the event the punch list work for the Auditorium level is not complete by December 1, 1975, Ranger will nevertheless permit beneficial occupancy by the Owner.

2. Ranger will complete the punch list for the Museum area and adjacent rooms by December 1, 1975, but subject to the following qualifications (these items are either on order or may need replacement):

   (a) Wall carpet
   (b) Several locksets and other hardware
   (c) Museum cabinet glass
   (d) Movable partitions
   (e) Two kitchen cabinets

Section 50-6-4.2 (b) - Free-Standing Signs

Amended paragraph to read as follows:

"(b) Except as otherwise provided in Paragraph (f) of this subsection and in Sections 50-6-4.9 and 50-6-4.10, the maximum total surface area of any free-standing sign which identifies a business on premise shall be six hundred (600) feet, and the maximum area of any one face of a sign shall be three hundred (300) square feet."

Section 50-6-4.2(c) - Free-Standing Signs

Amended paragraph to read as follows:

"(c) Unless otherwise specified in Sec.50-6-3(a), no part of any free standing sign shall exceed forty (40) feet in height as measured from either the grade at the sign or the grade of the nearest roadway whichever is higher unless specifically authorized by the Board of Adjustment. The Board of Adjustment shall not approve an increase in height unless the owner has demonstrated that a severe hardship will be imposed by a strict interpretation of this subsection. In making its decision, the Board of Adjustment may request and consider recommendations from the Building Inspector and the Planning Director."

Section 50-6-4.6(a-d) Wall Signs

Amended paragraphs to read as follows:

"(a) The total area of all wall signs on any face of a building shall not exceed twenty-five percent (25%) of the area of that portion of the building facade, between ground level and the roof line upon which said signs are located, or three hundred (300) square feet whichever is less.

(b) A wall sign may project above the roof line or parapet wall of the building upon which said sign is located, provided, however, that the maximum vertical projection shall not be greater than one-third (1/3) the total height of the sign. No wall sign shall be attached to or displayed against any parapet wall which does not extend around the entire perimeter of the building.

(c) Any sign erected upon or against the side of a roof having an angle of forty-five (45) degrees or less from the vertical shall be subject to the provisions of paragraphs (a) and (b) above, and shall not project more than fifteen (15) inches horizontally (measured at the bottom of the sign) from the side of the roof upon which it is displayed.

(d) A wall sign which identifies principal buildings located within the Commercial Regional District and/or principal tenant located within the building shall be exempt from the height and size provisions of this Ordinance, provided that the total area of such signs does not exceed ten percent (10%) of the total wall area to which the sign is located; however, in the event a clear determination cannot be made relative to any part of this paragraph, the Building Inspector shall interpret these provisions.

Mr. Moore said it was his intention to write both Mr. Gleason and Mr. Cort advising them that the City of Asheville will receive this information and in reliance thereon make their bookings accordingly.

CONTINUATION OF PUBLIC HEARING - SIGN ORDINANCE

Mr. Emrick continued with his review of the draft of the ordinance page by page.

The following action was taken during the course of the public hearing.

Section 50-5-10.5(a) - Other Temporary Signs

Size limitations was adjusted to reflect 50 square feet per face as a maximum.

Section 50-5-10.5 (c) Other Temporary Signs

Amended to read as follows:

"(c) If said sign remains in place longer than the prescribed period, the total square footage will be charged toward the allowable sign area allocated for the premises upon which the sign is located."

Section 50-6-3 (a) Schedule of Sign Requirements

Added the following wording to the third column (Type of Sign Permitted)

"(This formula and its imposed restrictions shall not apply to locating off premise advertising signs.)"

Increased the size of political signs to 300 square feet.

Section 50-6-3 (a) Schedule of Sign Requirements

Under portable and Mobile signs increased square footage allowed to 50 square feet per face.

Added footnote 2 and 3 - 2. The Board of Adjustment shall approve the the location of all off-premise advertising signs which are three hundred (300) square feet or greater prior to the issuance of a building permit.

3. If a portable or mobile sign is used for on-premises advertising for more than thirty (30) days in a consecutive six (6) month period, the square footage shall be included in the total allowable sign area for the premises upon which the sign is located. If used for off-premise advertising, said signs shall be subject to the spacing requirements as provided in Sec. 50-6-4.2.

Further, in determining the commencement date for any period of time as set forth in Section 50-8-4 of this Ordinance, said time shall begin as of the date of the adoption of this Ordinance.

In exercising the power of eminent domain, a city may in its discretion use the procedures of Article 2 of Chapter 40 of the General Statutes, or the procedures of this Article, or the procedures of any other general law charter, or local act applicable to the city.

Mayor Wood then called a special meeting of the Asheville City Council for Tuesday, November 11, 1975 at 2:00 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville at which time Council will place such ordinance on its first reading after said public hearing.

PROCLAMATION - YOUTH APPRECIATION WEEK - NOVEMBER 10-16, 1975

Mayor Wood proclaimed the week of November 10-16, 1975 as Youth Appreciation Week.

PROCLAMATION - MARINE CORPS WEEK - NOVEMBER 10 - 16, 1975

Mayor Wood proclaimed the week of November 10-16, 1975 as Marine Corps Week.

Adjournment.

Leonard R. Wood, Jr.
MAYOR

Vivian H. Sprinkle
CITY CLERK

Section 50-7-4 - Free-Standing Sign

Added the following sentence:

"Where such signs are located in vehicular parking and circulation areas, proper precautions shall be taken to protect the base of the sign structure from possible damage by vehicles."

Section 50-8-4(d) (2) - Amortization Provisions

Amended to read as follows:

"(2) A period from three (3) to ten (10) years from the effective date of this Ordinance.

In determining the applicable period of amortization the Building Inspector shall use either the original cost of the sign, including installation cost, or the cost of the most recent renovation as reflected in the following table. However, in no case may an aggregate total of the original cost, plus the cost of the most recent renovation be used in determining the applicable period of amortization.

Sign Cost or Renovation Cost	Permitted Years from Installation or Renovation Date
$ 501 to $ 1,000	3 years
$ 1,001 to $ 3,000	5 years
$ 3,001 to $10,000	7 years
Over $10,000	10 years

Any owner of a sign who desires to rely upon the amortization schedule shall file with the Building Inspection, within thirty (30) days after being notified of nonconformity, a certified statement setting forth: (1) the true cost of the original sign or the cost of the most recent renovation; and (2) the date of installation or the date of the most recent renovation. If in the event the cost data is not furnished by the sign owner then the cost data reflected on existing building permits, if any, will be utilized to determine the period of amortization applicable to that sign."

Section 50-8-6 Removal of Nonconforming Signs

Added new page to read as follows:

"The City of Asheville is authorized to acquire by purchase, gift or condemnation all signs and all property rights pertaining thereto which are not in conformance with the provisions of this Ordinance.

In any acquisition, purchase or condemnation, just compensation to the owner of the sign shall be limited to the fair market value at the time of acquisition whether by gift, purchase, or condemnation. However, in the event that condemnation of any sign is deemed advisable, the date of the taking shall be no earlier than the last day of the period applicable for removal of said sign as set forth in Section 50-8-4 herein.

82

AMENDMENT

Amend Section 50-6-3(a), page 46, Fourth Column, lines 1 and 2, Fifth Column, lines 1 and 2, Sixth Column, lines 1 thru 6 by deleting said lines in said columns and substituting in lieu thereof the following narrative description, to wit:

"SIZE OF STANDARD OUTDOOR ADVERTISING SIGNS

(a) The maximum area for any one outdoor advertising sign shall be 672 square feet with a maximum height of 14' and a maximum length of 48', inclusive of any border and trim but excluding the base or apron, supports and other structural members.

(b) The maximum size limitations shall apply to one side of a sign structure and signs may be placed back to back, side by side or in V-type construction with not more than two displays to each facing and such sign structure shall be considered as one sign.

(c) For a single panel the maximum number of signs permitted shall be one (1) per client and for two (2) panels, two (2) per client or two (2) clients."

Tuesday, November 11, 1975 - 2:00 o'clock p. m.

Special Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Henry E. Colton, Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Corporation Counsel William C. Moore, Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: City Manager Ernest J. Ward, Jr.

The Assistant City Manager read the advertised notice to the public giving notice that a special meeting of the City Council of the City of Asheville had been called and scheduled by Mayor Richard A. Wood, Jr., to be held in the Council Chambers on Tuesday, November 11, 1975 at 2:00 o'clock p. m. for the sole purpose of continuation of the public hearing on the proposed sign ordinance for the City of Asheville at which time and place Council would place on its first reading said proposed ordinance after said public hearing.

The following proposed amendments were presented:

Gennett Building
Asheville, North Carolina

In re: Proposed Ordinance Known as "The City of Asheville Sign and Outdoor Advertising Ordinance"

Dear Mr. Moore:

I have been informed by an agent of my client, Lamar Dean Outdoor Advertising Company that oral permission was granted by the Mayor for us to present to you, the City Planner, and each member of the City Council any proposed amendment to the proposed sign ordinance so that the matter could be considered by Council next Tuesday. I enclose ten copies of a proposed amendment. Either I or some agent of my client will be present on Tuesday, at 2:00 P. M. with another ten copies of the proposed amendment should these be necessary.

I trust that you will present to the City Planner and each member of Council a copy of the proposed amendment as included herein.

Sincerely yours,

Herbert L. Hyde

HERBERT L. HYDE

these stations, since without a sign our estimated volume of business would not justify the investment that we have made. Therefore, we feel now that without these high rise signs that are located at these eight (8) stations, the operation could be damaged to the point of closing. Since the majority of our stations are operated by independent dealers, if these stations close not only would Exxon lose, the dealer would lose, and this would definitely have some adverse effect on the economy within this area. It is requested that the proposed ordinance of sign height be revised to protect our existing high rise signs, to allow these signs to remain at their present height without having to be removed, it is suggested that after the new ordinance is placed into effect in order to install a high rise sign, that exceeds the maximum height, it will be necessary to secure a special variance.

In the past several years Exxon Company has invested a sizeable amount of money constructing new stations and rebuilding and up-grading some of the old stations in the City of Asheville. We have tried to create a good image by having modern improvements and attractive beautification that attract not only the local motoring public but the tourist as well. To give the customers the type service that would attract them back, and which will attract the tourist back to Asheville year after year. In order to attract the motoring public to our stations, proper signing is needed. The service station has always been an excellent information center. Approximately 90 percent of the motorist who are seeking information for directions, or concerning the city, stop at service stations. Without proper signs, it would be difficult to locate a station.

We will appreciate your not restricting us with sign laws that are costly and that will make us lose substantially. We hope you will give this your realistic consideration.

Yours very truly,

H. D. Moore

The City of Asheville
Sign and Outdoor
Advertising Ordinance

Dear Mr. Emrick:

Reference is made to the City of Asheville sign and outdoor advertising ordinance. Members of our Legal and Engineer Staff along with Management have reviewed this ordinance very carefully, and we have also had someone to represent Exxon Company at each meeting that you have held. We have been very concerned, since in some areas of the ordinance if approved as written, will adversely affect the operation of our stations, plus being very expensive to our company.

The required setbacks of free standing signs that are shown under Section 50-5-5, Page 32, in our opinion, as written would place most of our two major signs in a non-conforming category. It of course would be very costly to comply with the new proposed sign ordinance. As a rule when we install new signs, these are installed as close as possible to the street or highway right-of-way so it will be effective. This has allowed us to keep the signs at a minimum height and size. We have approximately 28 major signs in the City of Asheville that could be non-conforming. Our estimated expense to relocate or remove these signs could cost as much as $135,000. If these signs were relocated or reduced in height, chances are they would lose their effectiveness. It is requested that a change in the ordinance be made to protect our existing signs by allowing these signs to remain without having to relocate. It is suggested that the new ordinance read that all new signs installed after the new ordinance is placed in effect, to have a setback minimum of 10 feet from the present street, or highway right-of-way.

The other area that would adversely affect our service station operation is the proposed height limits of the high rise signs. We have approximately eight (8) of these signs in the City of Asheville that we feel will be effected. As mentioned, if these signs were lowered in height to conform, they would lose their affectiveness and would have to be removed. The price of these signs vary from $12,000 to $16,000 each. Due to the price of these signs, a careful study is made to only install the height that is absolutely necessary. I also would like to add that without this sign we could not have made the investment in purchasing the land and building

H. In Planned Unit Developments and group development projects a lesser setback may be permitted where deemed necessary and desirable, as a part of the site plan approval.

I. Encroachment into Right-of-Way. No part of a sign shall be in or extend into a public right-of-way except as provided for in Article 6.

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-6-4.2 Free-Standing Signs

Councilman Colton moved to amend Section 50-6-4.2 (a) to read as follows:

"(a) (1) Where a lot has more than one (1) free-standing business, identification, or joint identification sign the minimum horizontal distance between such signs on the same lot shall be seventy-five (75) feet.

(2) Shopping centers which are part of a group development shall be permitted two (2) free-standing signs for each street frontage except as provided for in Section 50-6-4.9 of this Ordinance. "

This motion was seconded by Councilman Morris and carried unanimously.

Section 50-6-4.3 Signs on Canopies, Awnings, and Architectural Projections

Councilman Hoyle moved to amend Section 50-6-4.3 (a) (3) to read as follows:

"(3) Such signs may project horizontally beyond the face of a canopy or architectural projection the distance necessary to accommodate the letter thickness and required electrical equipment, but not more than eighteen (18) inches (measured from the bottom of the sign). Signs displayed on awnings shall not project beyond the surfact of the awning.

This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Section 50-6-4.9 Joint Indentification Signs

Councilman Horton moved to substitute the words "shopping centers" in lieu of"business"in Section 50-6-4.9(b). This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-7-1.2 Wind Loads and Section 50-7-1.3 Seismic Loads

Councilman Horton moved to stike the words "Vol. I, 1967 Edition"from these sections. This motion was seconded by Councilman Colton and carried unanimously.

Corporation Counsel William C. Moore proceeded to read the ordinance and the following amendments were made during the first reading.

Section 50-5-5 Required Setbacks, Free-Standing Signs

Councilman Morris moved to amend Section 50-5-5 to read as follows:

Free-standing signs in any zoning district shall be set back the following distances and no point on any such sign shall extend beyond the required setback line:

A. Business, identification or joint identification signs of seventy-five (75) square feet per face or less shall be allowed to abut, but not encroach upon the right-of-way except as provided for in this Ordinance.

B. Business, identification, or joint identification signs greater than seventy-five (75) square feet per face, the setback shall be measured ten (10) feet from the edge of the established right-of-way of the nearest public street or highway.

C. For wall signs utilzed as business, identification or joint identification signs as permitted by Ordinance, no setback shall be required as long as the sign is mounted on the building the sign is appurtenant to.

D. Off-Premise advertising signs three hundred (300) square feet per face or less, the setback shall be measured twenty (20) feet from the edge of the existing right-of-way of the nearest public street or highway.

E. Off-premise advertising signs over three hundred (300) square feet per face shall be measured thirty (30) feet from the edge of the existing right-of-way of the nearest public street or highway.

F. Portable and Mobile Signs . All primary use or off-premise advertising signs not permanently affixed and which have an overall area of fifty (50) square feet per face or less shall set back at least ten (10) feet as measured from the edge of the existing right-of-way of the nearest public street or highway. Provided, however, that if the Building Inspector determines that the sign poses a traffic hazard that he (the Building Inspector) shall determine the required setback.

G. In addition, no sign shall be erected within six hundred (600) feet of the right-of-way of any limited access highway within the jurisdiction of the City of Asheville until permit is submitted to and approved by the Asheville City Council.

Section 50-9-1. Intent

Councilman Ochsenreiter moved to delete the word "design" in the last paragraph of this section. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

Section 50-9-2 Scope - Signs Requiring Special Exception

Councilman Morris moved to delete the word "design" in subsection (e) of Section 50-9-2 . This motion was seconded by Councilman Horton and carried unanimously.

Section 50-9-6. Existing Signs

Councilman Colton moved to amend Section 50-9-6 (a) to read as follows:

"(a) Within one hundred and eighty (180) days prior to the expiration date of the appropriate amortization period as provided for in Article 8, the owner of the sign may make application for a special exception according to the requirements of Sect. 50-9-3."

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-9-6. Existing Signs

Vice-Mayor Marshall moved to amend Section 50-9-6 (c) to read as follows:

"(c) If the owner of the sign shall fail to make application for a special exception within the specified time period, or if the Commission denies the application, the sign shall be considered as a nonconforming sign, and shall be subject to the requirements for compliance or removal under the provisions of this Ordinance."

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Section 50-10-8 Judicial Review of Decisions of Zoning Board of Adjustment

It was the consensus of Council to amend Section 50-10-8 to read as follows:

"Any person aggrieved by a final decision of the Board, and the City of Asheville, may seek relief therefrom in a court of competent jurisdiction within thirty (30) days of the date of such decision."

Councilman Ochsenreiter moved for the adoption of Ordinance No. 863, City of Asheville Sign and Outdoor Advertising Ordinance. This motion was seconded by Councilman Colton.

Section 50-7-1.5 Allowable Stresses.

Councilman Hoyle moved to strike the words "Vol. I, 1967 Edition" from Section 50-7-1.5. This motion was seconded by Councilman Morris and carried unanimously.

Section 50-7-8 Maintenance

Councilman Morris moved to amend Section 50-7-8 to read as follows:

"A. Should any sign become insecure or in danger of falling or otherwise unsafe in the opinion of the Building Inspector, the owner thereof, or the person or firm maintaining the same, shall upon written notice from the Building Inspector, forthwith in the case of immediate danger and in any case within ten (10) days, secure the same in a manner to be approved by the Building Inspector, in conformity with the provisions of the State Building Code, or remove such sign. If such order is not complied with in ten (10) days, the Building Inspector shall remove such sign at the expense of the owner or lessee thereof.

B. It shall be the duty of the Building Inspector to inspect every free standing sign, roof sign, wall sign, and projecting sign at least once annually in order to determine that the same meet the requirements set forth in this chapter.

C. No sign shall for a period of more than thirty (30) successive days be allowed to exist with its surface area in a damaged condition or in a condition of disrepair.

A damaged condition shall mean rusted metal work, bent or broken sign facing, broken supports, or loose appendages or struts.

A condition of disrepair shall mean unpainted, cracked, chipped or peeling paint, unposted, covered or uncovered with ripped or peeling poster paper, or have weeds, trees, or vines or any other plant affixed or growing on the sign. However, the Building Inspector shall upon good reason extend the time period for not more than one sixty (60) day time period after which the Builing Inspector may order the removal of any such sign that is not brought into conformance with this section or issue a citation in accordance with the procedures prescribed by the applicable codes of the City of Asheville in an amount no less than Fifty Dollars ($50.00). In the case of a continuing violation, each twenty-four (24) hour period in which the violation exists shall constitute a separate violation.

D. On ten (10) days notice the Building Inspector may order the removal of any sign that is not brought into accordance with the provisions of this section. Such removal shall be at the expense of the owner or lessee.

This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Henry R. Colton, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley

Absent: City Manager Ernest J. Ward, Jr.

1. Approval of the minutes of the regular meeting held on November 6, 1975 and the special meeting held on November 11, 1975.

Councilman Horton requested that the minutes be amended, relative to his statement made regarding the Employees' Retirement Plan and Trust, as follows:

"That at present the plan requires a 3% contribution on the part of the employees and the 5% salary increase budgeted for January 1, 1976 will more than offset the contribution to the retirement plan."

The City Clerk noted that this amendment would be made.

Upon motion of Councilman Morris, seconded by Councilman Horton the minutes of the November 6, 1975 and November 11, 1975 meetings were unanimously approved, as amended.

PUBLIC HEARING - DEMOLITION AND REMOVAL OF 22 CLUB STREET, 40 CURVE STREET, 29 GRAY STREET, 23 TRADE STREET, 71 WHITE FAWN DRIVE, AND 77 WHITE FAWN DRIVE

ORDINANCE NO. 864 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 22 CLUB STREET, 40 CURVE STREET, 29 GRAY STREET, 23 TRADE STREET, 71 WHITE FAWN DRIVE AND 77 WHITE FAWN DRIVE

2. A public hearing was held concerning the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 22 Club Street, 40 Curve Street, 29 Gray Street, 23 Trade Street, 71 White Fawn Drive and 77 White Fawn Drive.

Mayor Wood opened the public hearing at 3:12 o'clock p. m.

The Assistant City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Mr. J. E. Johnson, Building Inspector, advised that he had personally examined said properties this date and found no evidence or indication that there are any improvements whatsoever under way or being made upon the properties at this time and found no evidence of compliance with said Orders issued by the Housing Division. He presented photographs of each dwelling showing the dilapidated condition of each.

At the request of Mayor Wood, Mr. Johnson read the names and addresses of the owners of each of the properties in question.

Mayor Wood closed the public hearing at 3:18 o'clock p. m.

The Corporation Counsel read the ordinance.

Councilman Colton moved for the adoption of the ordinance. This motion was

After discussion, Vice-Mayor Marshall moved to increase single face signs to 672 square feet and double face signs to 1344 square feet. This motion was seconded by Councilman Hoyle. On a voice vote the motion failed.

Councilman Morris and Horton suggested that some thought be given to specific locations for larger signs before considering the second reading.

Several requests were made by small sign dealers to eliminate the permit fee for signs $0 - $50.

Councilman Ochsenreiter moved to amend the permit fee schedule to read five (5%) per cent of certified cost up to $100.00 but not less than $1.00. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 4-2, Ordinance No. 863 carried on its first reading with Vice-Mayor Marshall and Councilman Hoyle voting "no".

Adjournment.

Richard D. Wood
MAYOR

William F. McCarthy
CITY CLERK

After discussion, Councilman Morris moved to postpone the second reading of Ordinance No. 860 until December 4, 1975 and to instruct the Planning and Zoning Commission to study the requested change and contact the Town of Biltmore Forest to obtain their views on the change. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 861 - AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST

5. Consideration was given to the second reading of Ordinance No. 861, an ordinance establishing the Asheville General Employees' Retirement Plan and Trust.

Mayor Wood advised that members of Council had previously been furnished with copies of the Ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Councilman Horton noted that, at his request, the City staff had furnished members of Council a "fact sheet" outlining the basic details of the retirement plan and trust. He said he felt this information would give members of Council a better understanding of the plan.

On a roll call vote of 6-0, Ordinance No. 861 passed on its second reading.

ORDINANCE NO. 862 - AN ORDINANCE AMENDING SECTION 2-43 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE RELATIVE TO THE ASHEVILLE TRANSIT AUTHORITY

6. Consideration was given to the second reading of Ordinance No. 862, an ordinance amending Section 2-43 of the Code of Ordinances of the City of Asheville relative to the Asheville Transit Authority.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 862 passed on its second reading.

BIDS - ALUMINUM SEATING FOR MEMORIAL STADIUM

7. Consideration was given to bids received November 10, 1975 for aluminum seating for the Memorial Stadium.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid sumbitted by Kane and Associates, in the amount of $5,649.00.

Vice-Mayor Marshall moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Kane and Associates in the amount of $5,649.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Stadiums Unlimited, Inc.	$7,423.13
Kane and Associates	$5,640.00
Service Supply, Ltd.	No Bid

seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 864 passed on its first reading.

Councilman Horton moved to dispense with the rules and proceed to the second reading of Ordinance No. 864. This motion was seconded by Vice-Mayor Marshall and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 864 passed on its second reading.

ORDINANCE NO. 859 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Hendersonville Road)

3. Consideration was given to the third and final reading of Ordinance No. 859, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 859 passed on its third and final reading.

Complete text of Ordinance No. 859 will be found in Ordinance Book No. 6 at page 114.

ORDINANCE NO. 860 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (Biltmore Forest extraterritorial zoning jurisdiction)

4. Consideration was given to the second reading of Ordinance No. 860, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Joe Swicegood, owner of 1572-1578 Hendersonville Road, said his property was to be included in this extraterritorial zoning jurisdiction and requested that his property, Ward 19, Sheet 16, Lots 8, 9, 10, 11, 12, 13 and 14-1/4, be zoned Commercial instead of the proposed R-2 Residential District. He said this property contains about 4 acres and it was his opinion that this property would never be used for residential purposes and the Commercial zone would be an asset to the community.

Mayor Wood explained that the agreement between the Town of Biltmore Forest and the City of Asheville was conditional upon the City Council zoning the property as originally proposed. He further advised that if the property was zoned Commercial, this would constitute "spot zoning" as the property on both sides of the property in question is proposed to be zoned R-2 Residential District. He also stated that approval would have to be obtained from the Town of Biltmore Forest to change the proposed zoning.

Mr. Mike Summey, Summey Sign Company, made a lengthy presentation in opposition to the proposed ordinance. He said he felt there was a need for a sign ordinance but not one as restricted as the proposed ordinance. He presented a petition with approximately 2,400 signatures in opposition to the ordinance.

Mrs. Price, Mrs. Louise George, Mrs. Sam Bingham, and Ernest Hamle all spoke in favor of the sign ordinance as originally presented.

Mr. Mike Freeman, President of the Asheville Council of Architects also spoke in favor of the ordinance.

Russell Brannon, attorney for Lamar Dean Outdoor Advertising Company, asked for an explanation of the intent of Alternate No. 3 proposed by the Planning and Zoning Commission, relative to off-premises advertising signs.

After discussion, Councilman Horton moved to delete footnote #2 on page 46 and insert in lieu thereof the following:

"The Board of Adjustments shall approve the location of, the maximum sign area allowable per sign face, and the maximum number of sign faces permitted on a single sign structure for all off-premises advertising signs which are 300 square feet or greater prior to the issuance of a building permit. If the owner of such an off-premises advertising sign erected prior to the effective date of this ordinance desires relief from the amortization provisions of this ordinance, such owner may make application to the Board of Adjustments for relief under the provisions of this section.

To assist the Board of Adjustment in making a determination as to the desirability of such off-premise signs the applicant shall clearly demonstrate to the Board's satisfaction that:

1) That the proposed sign will not be contrary to the intent of this Ordinance as declared in Section 50-1-2;
2) The proposed sign will comply with all applicable provisions of this Ordinance other than size;
3) The proposed sign is reasonably necessary; and
4) The proposed sign will not result in adverse effects upon neighboring properties, or the health, safety, and general welfare of the public in the opinion of the Council.

Further the applicant, the Building Inspector, and the Planning Director shall submit any and all data deemed necessary by the Council pertaining to each individual case."

This motion was seconded by Councilman Ochsenreiter.

Mr. George Gontero, of the Lamar Dean Outdoor Advertising Company, opposed the motion.

On a voice vote of 2-4, the motion failed.

CONTINUATION OF PUBLIC HEARING - SIGN ORDINANCE

8. Verl Emrick, Planning Director, advised that, at the request of Council, he had prepared the following proposed amendments relative to the maximum sign area for off-premise advertising signs shown on page 46 of the proposed ordinance.

Proposed Amendments to Maximum Sign Area For Off-Premise Advertising Signs

Alternative #1: Acceptance of proposal indicated in Draft #3 as read on November 11, 1975.

Alternative #2: Leave table on page 46 as written, but adding one of the following footnotes:

(1) The Asheville City Council shall approve the location of all off-premise advertising signs which are 300 square feet per face or greater prior to issurance of a building permit.

(2) The Asheville City Council shall approve the maximum size and location of all off-premise advertising signs which are 200 square feet per face or greater prior to the issuance of a building permit, provided that the applicant can demonstrate to Council satisfaction that a clear hardship is present and that the sign is absolutely necessary in the proposed location.

Alternative #3: Delete page 46 as written and substitute the following:

Section 50-6-3 (b) Approval of Off-Premise Advertising Signs

The Asheville City Council shall approve the location of, the maximum sign area allowable per sign face, and the maximum number of sign faces permitted on a single sign structure for all off-premise advertising signs which are 300 square per feet or greater prior to the issurance of a building permit. If the owner of such an off-premises advertising sign erected prior to the effective date of this ordinance desires relief from the amortization provisions of this ordinance, such owner may make application to the City Council for relief under the provisions of this section.

To assist the Council in making a determination as to the desirability of such off-premise signs the applicant shall clearly demonstrate to Council's satisfaction that:

(1) That the proposed sign will not be contrary to the intent of this Ordinance as declared in Section 50-1-2;
(2) The proposed sign will comply with all applicable provisions of this Ordinance other than size;
(3) The proposed sign is reasonably necessary; and
(4) The proposed sign will not result in adverse effects upon neighboring properties, or the health, safety and general welfare of the public in the opinion of the Council.

Further the applicant, the Building Inspector, and the Planning Director shall submit any and all data deemed necessary by the Council pertaining to each individual case.

In all cases the decision of the Council shall be final.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Ochsenreiter, Resolution No. 75-137 was unanimously adopted.

Complete text of Resolution No. 75-137 will be found in Resolution Book No. 8 at page 210.

RESOLUTION NO. 75-138 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE LIBRARY BOARD

Consideration was given to a resolution reappointing Mr. Walter McGuire and Mrs. Charles M. Frank as members to the Asheville Library Board.

The Assistant City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Hoyle, Resolution No. 75-138 was unanimously adopted.

Complete text of Resolution No. 75-138 will be found in Resolution Book No. 8 at page 211.

Mayor Wood was excused from the meeting at 5:55 o'clock p. m., Vice-Mayor Marshall presided over the remainder of the meeting.

RESOLUTION NO. 75-139 - RESOLUTION APPOINTING DR. JAMES B. TENNEY, M.D., DR. P.H. TO THE DRUG AND ALCOHOL ABUSE ADVISORY COMMISSION

Consideration was given to a resolution appointing Dr. James B. Tenney, M. D. Dr. P. H. to the Drug and Alcohol Abuse Advisory Commission.

The Assistant City Manager read the resolution.

Upon motion of Councilman Colton, seconded by Councilman Morris, Resolution No. 75-139 was unanimously adopted.

Complete text of Resolution No. 75-139 will be found in Resolution Book No. 8 at page 212.

RESOLUTION NO. 75-140 - RESOLUTION APPOINTING MEMBERS TO THE RECREATION BOARD FOR ASHEVILLE

Consideration was given to a resolution appointing Mr. Frank T. Leppert, Mrs. James Westall, Mr. Lonnie Gilliam and Mr. William Phiffer members of the Recreation Board for Asheville.

The Assistant City Manager read the resolution.

Upon motion of Councilman Horton, seconded by Councilman Hoyle, Resolution No. 75-140 was unanimously adopted.

Complete text of Resolution No. 75-140 will be found in Resolution Book No. 8 at page 213.

Mr. Albert Sneed, attorney for Summey Sign Company, spoke in opposition to the ordinance stating that the ordinance violated Constitutional amendments.

Mr. Larry Blue and Mr. Thomas Reese, of 944 Highway 70, also spoke in opposition to the ordinance.

Mr. E. R. McCarthy spoke in opposition to the ordinance.

John Stevens, 4 Oak Forest Court, and manager of Lum's, also spoke in opposition to the ordinance.

Councilman Ochsenreiter commented that he felt the ordinance would have an economic hardship on the sign owners and businesses and that the capability of the City Council to enforce such an ordinance would be difficult. He said he wanted to make that comment before the second roll call vote in order that his vote might be better understood.

On a roll call vote of 4-2, Ordinance No. 863 failed on its second reading, with Councilman Ochsenreiter, Vice-Mayor Marshall, Councilmen Hoyle and Horton voting "no" and Councilmen Colton and Morris voting "aye".

Mayor Wood suggested that Council reconsider the ordinance with the elimination of all the provisions concerning non-conforming uses and the amortization of non-conforming uses and make the ordinance prospective only.

Councilman Horton commented that he felt the ordinance was not a good ordinance in that it was too unwieldly, unmanageable, complicated and unfair in many respects. He said Council should find a better way to accomplish the regulating of signs.

Mayor Wood announced that in the absence of any further motions, the Sign Ordinance was defeated on second reading.

RESOLUTION NO. 75-136 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SALES CONTRACT FOR PURCHASE OF 29-35 SOUTH MARKET STREET AND 34 EAGLE STREET

Consideration was given to a resolution authorizing the Mayor to execute sales contract for purchase of 29-35 South Market Street and 34 Eagle Street, property adjacent to the City Municipal Building.

The Assistant City Manager read the resolution and explained that this property would be used for parking and other municipal uses.

Upon motion of Councilman Morris, seconded by Vice-Mayor Marshall, Resolution No. 75-136 was unanimously adopted.

Complete text of Resolution No. 75-136 will be found in Resolution Book No. 8 at page 209.

RESOLUTION NO. 75-137 - RESOLUTION APPOINTING MEMBER OF THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL

Consideration was given to a resolution reappointing Osborner M. Hart a member of the City of Asheville Board of Alcoholic Control.

The Assistant City Manager read the resolution.

CLAIM - LARRY E. RICE

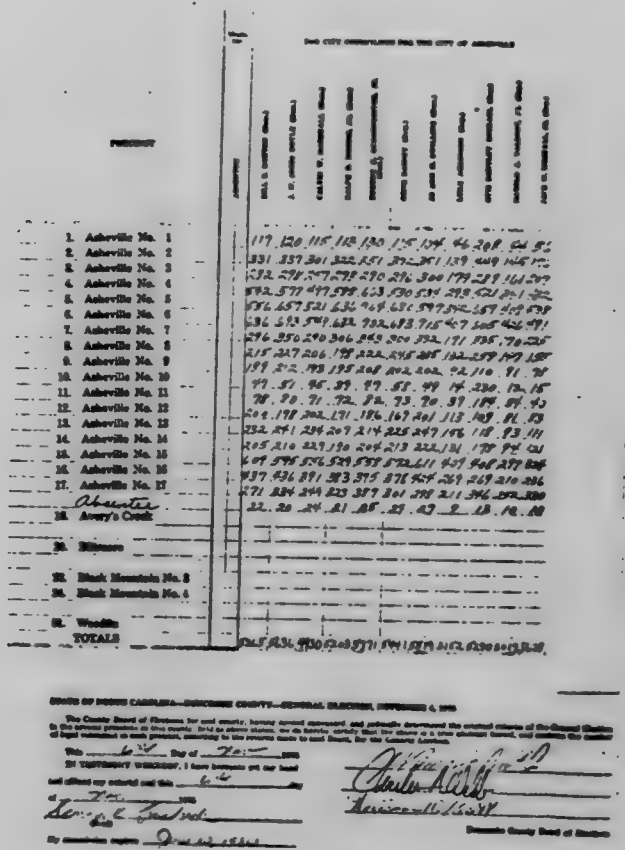
The Assistant City Manager presented a claim received from Lentz and Ball, attorneys for Larry E. Rice for injuries sustained at the Asheville Civic Center.

Vice-Mayor Marshall referred the claim to the Corporation Counsel for investigation and recommendation.

ABSTRACT OF VOTES CAST IN THE GENERAL ELECTION OF THE ASHEVILLE CITY COUNCIL ON NOVEMBER 4, 1975

The Assistant City Manager presented the abstract of votes cast in the General Election of the Asheville City Council on November 4, 1975, received from the Buncombe County Board of Elections.

Vice-Mayor Marshall instructed that the abstract of votes be included in the minutes:



1. Asheville No. 1
2. Asheville No. 2
3. Asheville No. 3
4. Asheville No. 4
5. Asheville No. 5
6. Asheville No. 6
7. Asheville No. 7
8. Asheville No. 8
9. Asheville No. 9
10. Asheville No. 10
11. Asheville No. 11
12. Asheville No. 12
13. Asheville No. 13
14. Asheville No. 14
15. Asheville No. 15
16. Asheville No. 16
17. Asheville No. 17
18. Avery's Creek
19. Bilmore
20. Black Mountain No. 3
21. Black Mountain No. 4
22. Woodfin
TOTALS

RESOLUTION NO. 75-141 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A SUPPLEMENTAL AGREEMENT CONCERNING A 12-INCH WATER LINE AS EXECUTED IN THE AGREEMENT DATED AUGUST 15, 1975 BETWEEN THE CITY OF ASHEVILLE AND THE SOUTHERN RAILWAY COMPANY

Consideration was given to a resolution authorizing the Mayor to execute a supplemental agreement concerning a 12-inch water line as executed in the agreement dated August 15, 1975 between the City of Asheville and the Southern Railway Company, property in Skyland, North Carolina.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 75-141 was unanimously adopted.

Complete text of Resolution No. 75-141 will be found in Resolution Book No. 8 at page 214.

RESOLUTION NO. 75-142- RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE EXTENDING NORTHERLY ALONG STATE ROAD 3503 AT SKYLAND, NORTH CAROLINA FOR A DISTANCE OF 1,325 FEET.

Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line extending northerly along State Road 3503 at Skyland, North Carolina for a distance of 1,325 feet to serve the Clark Equipment Company.

The Assistant City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Horton, Resolution No. 75-142 was unanimously adopted.

Complete text of Resolution No. 75-142 will be found in Resolution Book No. 8 at page 215.

BIDS - TWO (2) ELECTRONIC CASH REGISTERS FOR USE AT CIVIC CENTER

Consideration was given to bids received November 10, 1975 for two (2) electronic cash registers for use at the Civic Center.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Edward's Equipment Company in the amount of $7,110.00.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Edward's Equipment Company in the amount of $7,110.00. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

Bid Summary

Bidder	Bid
Check-Out Systems, Inc.	$8,860.00
Edward's Equipment Company	7,110.00
NCR Corporation	9,091.50

I still have concerns in two areas:

(1) There has still been no specific and responsive answer to the questions raised in my letter to Council of September 11, 1975. The "reply" tendered by City Attorney Bill Moore on September 16, 1975 did not adequately address the questions raised. This point was stressed in my second communication to you on October 9, 1975; and

(2) Although I hope that meaningful efforts at quality control and adherence to plans and specifications are being actively pursued, the quality of the work performed (as reflected in the Architect's May 22, 1975 96-page "punch list" reflecting some 1,636 items for correction on new construction interior alone) reflects a standard so low and a corrective workload so high that I am concerned that not all those discrepancies can be corrected within the timetable announced last week. I hope no "deal" or unwarranted forgiveness or relief from contract requirements is in prospect.

These concerns prompt two requests to City Council:

(1) I respectfully petition City Council to take whatever action is necessary to meet the requests directed to Council in my correspondence to you of September 11, 1975 and October 9, 1975; and

(2) I respectfully request that the Executive Committee of the Asheville Building & Construction Trades Council, both as concerned citizen-taxpayers and as expert journeyman mechanics in the crafts they represent, be afforded an opportunity to tour the entire facility with the Architect and/or his resident engineer for an independent assessment of its quality and state of completion prior to any sign-off or acceptance of the job by the City.

Please be assured that the motivation behind these requests is totally positive, reflecting only our desire to see that the controversy surrounding this construction is resolved, and the finished product reflects the maximum possible return on the taxpayers' investment.

I have discussed both these areas of concern with Architect John Cort, who serves as agent for the City on this construction.

He indicates that he is amenable to complete cooperation in fulfillment of both requests, requiring only positive direction to that end from the City Council as his employer.

I would appreciate positive action, whether by Council vote or administrative direction, at today's Council session to accomplish these ends.

If you wish further discussion of these issues or this request, please communicate with me.

Sincerely,

William D. Fox

William D. Fox, President
Asheville Building & Construction Trades Council

COUNCILMAN HORTON - ROCK CONCERTS IN THE ASHEVILLE CIVIC CENTER

Councilman Horton brought to Council's attention that he had received several complaints from concerned citizens in regard to the handling of "hard rock concerts" at the Asheville Civic Center. He said that he was referring to the concert put on by the Doobie Brothers on October 15, 1975. He said the complaints were in the nature of poor crowd control, excessive noise and the prevalent use of drugs. He suggested that the sound level be measured and if found to be above the safe limit that some restrictions be imposed by the management for future concerts. He also suggested that the form seating be eliminated and that a reserve seating plan be used. This he felt would help in the control of the crowd. The abusive use of drugs was discussed with Chief Hall, Sgt. K. D. Ingle, of the INS Squad, and Tom Budd, Chairman of the Asheville-Buncombe Drug and Alcohol Abuse Commission, who advised Council that they were aware of the problem and were now in the process of compiling a report on how other cities in the area are approaching the matter. Mr. Budd said the report should be completed about the end of November.

Councilman Horton requested that sound level measurements be taken during the next concert.

ASHEVILLE CIVIC CENTER - LETTER FROM ASHEVILLE BUILDING AND CONSTRUCTION TRADES COUNCIL

Mr. Jim Grey, representing the Asheville Building and Construction Trades Council on behalf of Mr. Don Fox, President, read the following letter to members of Council:

Asheville

BUILDING AND CONSTRUCTION TRADES COUNCIL

AFL-CIO

11 South French Broad Avenue

ASHEVILLE, NORTH CAROLINA 28801

Area Code 704 :: *Telephones:* 253-4610 - 253-3091

November 13, 1975

The Honorable Richard A. Wood, Jr.
Mayor, City of Asheville
Municipal Building
Asheville, N. C. 28801

Dear Mayor Wood:

Needless to say, I was delighted at the prospect of progress towards completion of the Asheville Civic Center reflected in the Architect's report to City Council last week. I am sure you and your colleagues on the Council share the public concern about completion of this facility, which has now stretched more than a year beyond the contracted date.

Regular Meeting

Present: Mayor Richard A. Wood, Jr., Presiding; Vice-Mayor Calvin W. Marshall, Councilmen Bill B. Horton, J. W. Hoyle, Ralph D. Morris, Jr., Eugene C. Ochsenreiter, Jr., Henry E. Colton, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the November 13, 1975 meeting.

Vice-Mayor Marshall moved for the approval of the minutes of the November 13, 1975 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 861 - AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST

2. Consideration was given to the third reading of Ordinance No. 861, an ordinance establishing the Asheville General Employee's Retirement Plan and Trust.

Mayor Wood advised that members of Council had previously been furnished with copies of the Ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Hutchison, of H. Gray Hutchison and Associates, city's consultant, told Council that the possibility of the city participating in the Local Governmental Employees' Retirement System had been studied but that the private plan adopted would save about $200,000 per year. Half of that savings would be realized by employees. He said under the new pension system, a trust would be established funded by employee contributions of three per cent of their individual salaries, a city match to those contributions, an annual lump sum city contribution and interest on trust fund investments. He said the plan meets all state requirements for actuarial soundness and meets most provisions of a 1974 federal law governing pensions even though the city is not subject to its regulations.

On a roll call vote of 6-0, Ordinance No. 861 passed on its third and final reading.

Complete text of Ordinance No. 861 will be found in Ordinance Book No. 6 at page 117.

ORDINANCE NO. 862 - AN ORDINANCE AMENDING SECTION 2-43 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE RELATIVE TO THE ASHEVILLE TRANSIT AUTHORITY

3. Consideration was given to the third reading of Ordinance No. 862, an ordinance amending Section 2-43 of the Code of Ordinances of the City of Asheville relative to the Asheville Transit Authority.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

After discussion, Vice-Mayor Marshall instructed the Corporation Counsel to contact Mr. John Cort, Architect, and make a report at next week's Council meeting on the matter.

Adjournment.

Richard A Wood, Jr.
MAYOR

Duncan G. Metcalf
CITY CLERK

(3) Ability to underwrite the Long-Term Disability benefits without also requiring additional Group Life Insurance benefits that would duplicate present benefits provided by the City.

(4) Ability to provide needed service functions on a local basis.

He said it was their opinion that Crown Life Insurance Company has submitted a competitive bid which reflects contract provisions and underwriting requirements that are consistent with the characteristics of the risk involved.

He briefly outlined the benefits available from this plan.

(1) All the active full time general employees on January 1, 1976, who have thirty (30) days of employment will be eligible to participate in the program.

(2) The benefits will provide in the event of disability which last for 180 days, a payment of 50% of the basic earnings of the employee with a maximum of $1,000 per month and a minimum of $20.00 per month. He said this would be offset by any other employer paid-for benefit such as workmens compensation, social security, or sick leave. He said this benefit will continue until age 65, for either sickness or accident, or until recovery from disability.

He said the Crown Life Insurance Company was offering this plan for an annual permimum of $15,273.96.

Councilman Horton moved to accept the proposal offered by the Crown Life Insurance Company for the Long-Term Disability plan in the amount of $15,273.96 annually. This motion was seconded by Councilman Ochsenreiter and carried unanimously.

BIDS - RENOVATION OF VANCE MONUMENT

6. Consideration was given to bids received November 17, 1975 for the renovation of the Vance Monument.

Mr. John Cort, with Baber, Cort, and Wood Architects, advised that four (4) bids were received on November 17, 1975 for the renovation of the Vance Monument. The following four bids were received:

Brisk Waterproofing Company	$4,200
Holbrook Waterproofing Company	3,840
Skyland Waterproofing Company	3,700
Western Waterproofing Company	2,997

He said after examination by the architects it would be their recommendation for City Council to accept the low bid submitted by Western Waterproofing Company in the amount of $2,997.00.

Upon inquiry of Councilman Horton, Mr. Cort advised that the project should be completed within 30 days however the contract specifies payment to be 100% after completion. He said the contractor has requested that the City allow them to begin the work on March 15 to allow for bad weather conditions.

Vice-Mayor Marshall moved to accept the recommendation of the architect and award the bid to the low bidder, Western Waterproofing Company in the amount of $2,997. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 862 passed on its third and final reading.

Complete text of Ordinance No. 862 will be found in Ordinance Book No. 6 at page 118.

ORDINANCE NO. 864 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 22 CLUB STREET, 40 CURVE STREET, 29 GRAY STREET, 23 TRADE STREET, 71 WHITE FAWN DRIVE AND 77 WHITE FAWN DRIVE

4. Consideration was given to an ordinance directing the Housing Officer to demolish those dwelling houses known as 22 Club Street, 40 Curve Street, 29 Gray Street, 23 Trade Street, 71 White Fawn Drive, and 77 White Fawn Drive.

Mayor Wood advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Wood instructed the City Manager to read the names and addresses of the owners of the properties in question.

On a roll call vote of 6-0, Ordinance No. 864 passed on its third and final reading.

Complete text of Ordinance No. 864 will be found in Ordinance Book No. 6 at Page 120.

BIDS - LONG-TERM DISABILITY INSURANCE PLAN- PART OF THE OVERALL GENERAL EMPLOYEES' RETIREMENT PLAN

5. Consideration was given to bids received November 3, 1975 for a long-term disability insurance plan to be a part of the overall General Employees' Retirement Plan.

Mr. Hutchison, of H. Gray Hutchison and Associates, Inc., advised that their firm had completed a study and analysis of Group Long-Term Disability Insurance quotations which were obtained from bidding insurance carriers who responded to a public advertisement for bids. Each bidding company was provided with a uniform set of Group Insurance Specifications which outlined the basis on which bids were to be submitted. He said only two insurance carriers, Crown Life Insurance Company and Home Security Life Insurance Company, responded to the advertisement for bids. Crown Life stated in its proposal that it could underwrite the Long-Term Disability benefits as a separate coverage, whereas the Home Security Life stated that it would require a minimum of $2,000 of Group Life Insurance coverage to be underwritten in conjunction with the Long-term Disability Plan. He said, after careful consideration of the most feasible combination of factors to permit the City of Asheville to best achieve its objectives in effectively establishing and maintaining the proposed program of Long-Term Disability benefits on a reasonable cost basis, the consultants recommend that the coverage be placed with the Crown Life Insurance Company for the following reasons:

(1) Competitiveness of bid rates.

(2) Competitive position of bid contract provisions in accordance with the specifications.

RESOLUTION NO. 75-143 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE ON BEHALF OF THE CITY OF ASHEVILLE WITH THE UNITED STATES OF AMERICA FOR SPACE IN THE ASHEVILLE AIRPORT TERMINAL BUILDING FOR THE NATIONAL WEATHER SERVICE

8. Consideration was given to a resolution authorizing the Mayor to execute lease on behalf of the City of Asheville with the United States of America for space in the Asheville Airport Terminal Building for the National Weather Service.

The City Manager read the advertised notice to the public and affidavit of publication of notification of intention of the City Council to execute such lease at the November 20, 1975 meeting. The City Manager also read the resolution.

Upon motion of Councilman Colton, seconded by Vice-Mayor Marshall, Resolution No. 75-143 was unanimously adopted.

Complete text of Resolution No. 75-143 will be found in Resolution Book No. 8 at page 216.

RESOLUTION NO. 75-144 - RESOLUTION APPROVING FAIR MARKET VALUE OF REAL PROPERTY TO BE PURCHASED FOR THE DEVELOPMENT OF THE MONTFORD RECREATION COMPLEX

9. Consideration was given to a resolution approving fair market value of real property to be purchased for the development of the Montford Recreation Complex.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Colton, Resolution No. 75-144 was unanimously adopted.

Complete text of Resolution No. 75-144 will be found in Resolution Book No. 8 at page 217.

RESOLUTION NO. 75-145 - RESOLUTION AUTHORIZING CANCELLATION OF LEASE AGREEMENT WITH UNION OIL COMPANY

10. Consideration was given to a resolution authorizing cancellation of lease agreement with Union Oil Company.

The City Manager read the resolution and explained that the rent being received by the City of Asheville is not commensurate with the appraised value of said property.

Upon motion of Vice-Mayor Marshall, seconded by Councilman Morris, Resolution No. 75-145 was unanimously adopted.

Complete text of Resolution No. 75-145 will be found in Resolution Book No. 8 at page 218.

ORDINANCE NO. 866 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FISCAL YEAR 1975-76 (Appropriation of Funds for Pay increases)

11. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1975-76 transferring $83,912 from the General Fund Contingency Account and $13,552 from the Water and Sewer Operations Fund Contingency Account to the various salaries and wages accounts necessary to implement Council's action to implement one-half of the total amount of recommended pay adjustments to be effective January 1, 1976.

The City Manager advised that funds to pay for the exterior renovation of the Vance Monument would be from surplus funds appropriated for the renovation and restoration of the exterior of the City Hall Building. He said he was prepared to read an ordinance amending the operating budget to appropriate the funds for the purpose of cleaning and restoring the Vance Monument.

ORDINANCE NO. 865 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76. (Vance Monument Restoration)

The City Manager read the ordinance.

Councilman Colton moved for the adoption of the ordinance. This motion was seconded by Councilman Horton.

On a roll call vote of 5-0, Ordinance No. 865 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 865. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 865 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 865. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 865 passed on its third and final reading.

Complete text of Ordinance No. 865 will be found in Ordinance Book No. 6 at page 123.

BIDS - TWO (2) 5-YARD DUMP TRUCKS FOR STREET DEPARTMENT

7. Consideration was given to bids received November 17, 1975 for two (2) 5-yard dump trucks for Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Dorato Motors, Inc. totaling $19,103.88.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Dorator Motors, Inc. in the amount of $19,103.88. This motion was seconded by Councilman Horton and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$20,500.52
Dorato Motors, Inc.	19,103.38
Arrowhead International	19,338.20
Matthews Motors, Inc.	19,570.02

REQUEST OF MID-CITY MERCHANTS COUNCIL - FREE ON-STREET PARKING ON FRIDAY-NOVEMBER 28, 197

The City Manager read a letter from J. Pressley,Ltd., on behalf of the Mid-City Merchants Council, requesting free on-street parking on Friday, November 28, 1975. The City Manager recommended that the request be approved for free on-street parking in metered areas beginning at 10 a. m. on Friday, November 28, 1975.

Councilman Morris moved to grant the request of free on-street parking in metered areas beginning at 10 a. m. on Friday, November 28, 1975. This motion was seconded by Councilman Hoyle and carried unanimously.

AUDITORIUM OF CIVIC CENTER - NAMED IN HONOR OF THOMAS WOLFE

Mayor Wood reported that the Auditorium of the Asheville Civic Center has scheduled the following opening concert events:

December 11 - N. C. Symphony
December 13 - Asheville Symphony
December 14 - Kinder Koncert sponsored by the Asheville Symphony
December 15 and 16 - "Up with the People"

He said, a number of these groups wished to present these concerts as a series of opening events and plans are under way to include in the activities of the Asheville Symphony Concert on December 13 appropriate opening ceremonies in recognition of the fact that this will be the first series of events held in the auditorium.

He said several months ago it was suggested and discussed the possiblity of designating the auditorium portion of the Civic Center in honor of Thomas Wolfe, whose 75th birthday was observed some weeks ago. He said in light of the opening events he felt it would be appropriate for Council to take action on these suggestions at this time.

Councilman Colton moved to name the auditorium portion of the Asheville Civic Center "The Thomas Wolfe Auditorium". This motion was seconded by Councilman Morris and carried unanimously.

ROCK CONCERTS - ASHEVILLE CIVIC CENTER

Ms. Nancy Arthur spoke in favor of retaining the free-form seating at the Asheville Civic Center during rock concerts.

MRS. ROY ROGERS - REQUESTED EXTENDED HOURS FOR REDUCED RATES ON BUSES FOR SENIOR CITIZENS

Mrs. Rogers asked that consideration be given to extending the hours for reduced bus rates for Senior Citizens.

Councilman Morris advised Mrs. Rogers that this request was now under study by the Asheville Transit Authority.

JIM GRAY - MR. DON FOX - ASHEVILLE CIVIC CENTER - REQUESTED INSPECTION TOUR OF AUDITORIUM PORTION OF ASHEVILLE CIVIC CENTER

Mr. Jim Gray, speaking on behalf of Mr. Don Fox with the Asheville Building and Construction Trades Council, asked Council if they had any objections to an inspection tour being conducted in the auditorium portion of the Asheville Civic Center.

The City Manager read the ordinance.

Councilman Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 866 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 866. This motion was seconded by Councilman Colton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 866 passed on its second reading.

Councilman Colton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 866. This motion was seconded by Councilman Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 866 passed on its third and final reading.

Complete text of Ordinance No. 866 will be found in Ordinance Book No. 6 at page 124.

SALE OF PARCEL 16 AND 17 - EAST RIVERSIDE RENEWAL PROJECT - N. C. R-48

Consideration was given to the approval of the sale of Parcel 16 and 17 in the East Riverside Renewal Project N.C. R-48.

Mayor Wood suggested that since this item was not scheduled on the published agenda, that consideration be given to the approval of the sale of these parcels after it was scheduled on a published agenda.

AMENDMENT OF ASHEVILLE ZONING ORDINANCE - GREENHOUSES IN RESIDENTIAL AREAS

The City Manager read a letter from the Planning and Zoning Commission requesting that the Asheville Zoning Ordinance be amended to permit greenhouses in residential areas.

Councilman Morris moved to schedule a public hearing on the matter for December 11, 1975. This motion was seconded by Councilman Horton and carried unanimously.

REZONING REQUEST - PROPOSED R-5 ZONE (RESIDENTIAL INCLUDING INDIVIDUAL MOBILE HOMES)

The City Manager read a letter from the Planning and Zoning Commission requesting the rezoning of four areas in the mile boundary from R-2 and R-3 (Residential) to the proposed R-5 (Residential including individual mobile homes).

Mayor Wood suggested that item be considered by the new City Council taking office on December 4, 1975.

Organizational Meeting

The members of the Council took the oath of office individually, which oath was administered by retiring Mayor Richard A. Wood, Jr., as follows:

Bill B. Horton
J. W. Hoyle
Otis B. Michael, M. D.
Ralph D. Morris, Jr.
Eugene C. Ochsenreiter, Jr.
Gene Rainey
Jo Ann M. Swilling

Councilman Morris moved to elect Councilman Rainey as temporary chairman for the election of the Mayor and Vice-Mayor. This motion was seconded by Councilman Michael.

Councilman Rainey questioned whether a temporary chairman could nominate or vote in the election of these offices.

It was determined under the Roberts Rules of Order that the temporary chairman could relinquish the chair for the purpose of making a nomination for such offices.

Councilman Rainey said, with this understanding, he would accept the position of temporary chairman.

On a voice vote, Councilman Rainey was elected temporary chairman.

ELECTION OF MAYOR

Councilman Rainey announced that the next order of business was the election of the Mayor of the City of Asheville.

Councilman Horton nominated Councilman Ochsenreiter as Mayor of the City of Asheville.

Councilwoman Swilling nominated Councilman Rainey as Mayor of the City of Asheville.

Councilman Rainey relinquished the position of temporary chairman and turned the chair over to Councilman Morris.

Councilman Rainey nominated Councilman Hoyle as Mayor of the City of Asheville.

Councilman Michael moved that the nominations be closed. This motion was seconded by Councilman Horton and carried unanimously.

Councilman Rainey then reassumed the chair of temporary chairman.

The City Clerk then called the roll to register each Council member's vote for Mayor of the City of Asheville. The vote was as follows: Councilmen Horton, Michael, Morris and Ochsenreiter voted for Councilman Ochsenreiter; Councilmen Rainey and Hoyle voted for Councilman Hoyle; and Councilwoman Swilling voted for Councilman Rainey.

Corporation Counsel William C. Moore advised that he would object to a tour or an inspection at any time prior to the completion of the punch list, but would not object to an inspection after the completion of the punch list but prior to the acceptance by the City.

Mayor Wood commented that he felt it was the consensus of Council to agree with Corporation Counsel William C. Moore's statement.

COUNCILMAN HORTON - REQUESTED ITEM FOR AGENDA - SOUND MEASUREMENTS DURING CONCERTS

Councilman Horton requested that the following item be placed on the scheduled agenda for the December 4, 1975 meeting.

"Report on readings of sound level measurements during the rock concert held on November 28, 1975 and a report of any problems encountered."

Adjournment.

Richard D. Wood, Jr.
MAYOR

Marian J. Malarkey
CITY CLERK

RESOLUTION NO. 75-148 - RESOLUTION PRESCRIBING THE TIME AND DAY OF THE WEEKLY MEETING OF THE CITY COUNCIL

5. Consideration was given to a resolution prescribing the time and day of the weekly meeting of the City Council.

The City Manager read the resolution which set Thursday at 3:00 o'clock p. m. as the regular day and time of the City Council meetings.

Councilman Michael moved to amend the resolution setting the time of the meeting for Thursday at 5:00 o'clock p. m. This motion was seconded by Councilman Hoyle.

During the discussion, Councilman Rainey asked if Councilman Michael would accept an amendment to his motion to start the meeting at 7:00 o'clock p. m.

Councilman Michael said he felt a 7:00 o'clock meeting would make it unsafe for people attending the meeting to return home. He said some would not have adequate transportation at such a late hour.

Vice-Mayor Horton moved, by substitute motion, to adopt the resolution as presented continuing the meeting time at 3:00 o'clock p. m. on Thursday and give consideration, in the near future, to a different time after receiving comments from the public on the matter. This motion was seconded by Councilman Morris.

On a roll call vote of 4-3, Vice-Mayor Horton's motion carried, with Councilmen Morris, Horton, Councilwoman Swilling and Mayor Ochsenreiter voting "aye" and Councilmen Rainey, Hoyle and Michael voting "no".

Complete text of Resolution No. 75-148 will be found in Resolution Book No. 8 at page 222.

MR. GEORGE M. STEPHENS - ASHEVILLE SYMPHONY ORCHESTRA

Mr. George M. Stephens read the following letter:

December 4, 1975

Mr. Richard A. Wood
First Union National Bank
Asheville, N. C. 28801

On behalf of all those who will use the Thomas Wolfe Auditorium, I want to extend to you our warm congratulations for the splendid efforts you made as Mayor to bring this project to completion. We trust that it will stand as a prime example of our community's best ideals for many years to come. Its full usefulness is just beginning. As you return to private life, our good wishes for every success go with you.

Very truly yours,

/s/ Larry
Lawrence D. Ford, President
Board of Directors
Asheville Symphoney

Councilman Rainey moved to elect Councilman Ochsenreiter as Mayor of the City of Asheville by acclamation. This motion was seconded by Councilman Hoyle and carried unanimously.

ELECTION OF VICE-MAYOR

Councilman Morris nominated Councilman Horton as Vice-Mayor for the City of Asheville.

Councilman Hoyle nominated Councilwoman Swilling as Vice-Mayor for the City of Asheville.

Councilman Ochsenreiter moved that the nominations for Vice-Mayor be closed. This motion was seconded by Councilman Michael and carried unanimously.

The City Clerk then called the roll to register each Council member's vote for Vice-Mayor of the City of Asheville. The vote was as follows: Councilmen Horton, Michael, Morris, Ochsenreiter, and Councilwoman Swilling voted for Councilman Horton; Councilmen Hoyle and Rainey voted for Councilwoman Swilling.

Councilman Horton was elected Vice-Mayor of the City of Asheville by acclamation.

Mayor Ochsenreiter expressed his appreciation to members of Council for electing him Mayor.

Vice-Mayor Horton also expressed his appreciation to members of Council for electing him Vice-Mayor.

RESOLUTION NO. 75-146 - RESOLUTION DESIGNATING BANKING DEPOSITORIES FOR CITY FUNDS

3. Consideration was given to a resolution designating banking depositories for city funds.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 75-146 was unanimously adopted.

Complete text of Resolution No. 75-146 will be found in Resolution Book No. 8 at page 220.

RESOLUTION NO. 75-147 - RESOLUTION DESIGNATING THE OFFICERS AND EMPLOYEES WHO SHALL GIVE BONDS FOR PERFORMANCE OF THEIR DUTIES AND SETTING AMOUNTS THEREOF

4. Consideration was given to a resolution designating the officers and employees who shall give bonds for performance of their duties and setting amounts thereof.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 75-147 was unanimously adopted.

Complete text of Resolution No. 75-147 will be found in Resolution Book No. 8 at page 221.

2) The bank shown on the Group Development Plan is to be eliminated;

3) There is to be a cut for cross-access between the Shopping Center and Sambo's property in order that cross parking may be utilized."

Mr. Emrick advised that the Planning and Zoning Commission had recommended approval of the amended site plan subject to retaining the curbing on the entire length of the northernmost drive as well as that shown at the front entrances to K-Mart and other retailing outlets as approved by City Council on June 5, 1975.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:06 o'clock p. m.

Councilman Morris moved for the approval of the amended site plan of the K-Mart Shopping Center as recommended by the Planning and Zoning Commission, provided the remainder of the structures are built in accordance with the original approved site plan. This motion was seconded by Councilman Rainey and carried unanimously.

ORDINANCE NO. 860 - AN ORDINANCE AMENDING ORDINANCE NO. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Zoning of extra-territorial jurisdiction in Biltmore Forest)

3. Consideration was given to the second reading of Ordinance No. 860, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended to zone the extraterritorial jurisdiction in Biltmore Forest.

Mr. Emrick, Director of Planning, reviewed for the benefit of the newly elected members of Council the background of the ordinance. He said on August 20, 1975 the City of Asheville entered into an agreement with the Town of Biltmore Forest to extend extraterritorial zoning jurisdiction to the South to incorporate the area that the Town of Biltmore Forest actually controls into the City of Asheville's zoning jurisdiction.

He said the proposed zoning for this area had been approved by the Town of Biltmore Forest and is now before Council for their consideration. He explained that on November 20, 1975, Mr. Joe Swicegood, owner of Ward 19, Sheet 6, Lots 8, 9, 10, 11, 12, 13, and 14, appeared before Council and requested that his lots be zoned Commercial Highway instead of R-2 Residential and Council had instructed that the Planning and Zoning Staff review Mr. Swicegood's request and to contact the Town of Biltmore Forest for their comments on his request. He said the Town of Biltmore Forest had been contacted and has no objections to zoning the lots Commercial Highway as requested by Mr. Swicegood.

Mr. Emrick said it would be his recommendation to zone the property as originally proposed, R-2 Residential.

Mr. Joe Swicegood, again appealed to Council to zone his property Commerical Highway.

Mr. Emrick said in his opinion Council had the alternatives of either zoning the property as originally proposed or to impose a Commercial Highway strip zone extending from Mr. Swicegood's property to the Turtle Creek property.

RESOLUTION NO. 75-149 - RESOLUTION OF APPRECIATION TO RICHARD AUSTIN WOOD, JR., MAYOR OF THE CITY OF ASHEVILLE FROM MAY 17, 1971 TO DECEMBER 4, 1975

Consideration was given to a resolution of appreciation to Richard Austin Wood, Jr., Mayor of the City of Asheville from May 17, 1971 to December 4, 1975.

Mayor Ochsenreiter read the resolution of appreciation.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 75-149 was unanimously adopted.

Complete text of Resolution No. 75-149 will be found in Resolution Book No. 8 at page 223.

Vice-Mayor Horton presented the resolution to retiring Mayor Richard A. Wood, Jr.

RECESS

Mayor Ochsenreiter recessed the meeting at 3:40 o'clock p. m. for a five (5) minute recess.

The meeting reconvened at 3:55 o'clock p. m.

Council then went into the regular session.

1. Approval of minutes of November 20, 1975 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, the minutes of the November 20, 1975 meeting were approved as submitted.

PUBLIC HEARING - AMENDED SITE PLAN OF THE K-MART SHOPPING CENTER

2. A public hearing was held to consider the amended site plan of the K-Mart Shopping Center.

Mayor Ochsenreiter opened the public hearing at 3:57 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and day for the public hearing.

At the request of Mayor Ochsenreiter, Mr. Emrick reported that under the Zoning Ordinance in Article 6 this development required review under the group development standards. He advised that the Planning and Zoning Commission had reviewed this development plan on several different occasions and the latest amendment submitted by Harold K. Bennett, attorney for Edward I. Greene, developer, is as follows:

" 1) There is to be a driveway cut shown on the Burger King common line with that of Edward I. Greene at the northeast corner of the Burger King property, said cut to be made in the shopping center South drive curbing;

SALE OF PARCEL 16 AND 17 - EAST RIVERSIDE RENEWAL PROJECT N. C. R-48

5. The City Manager read a letter from the Asheville Housing Authority requesting consideration of the sale of Parcel 16 and 17 in the East Riverside Renewal Project N. C. R-48. He said the established price and bid for the Parcels totaled $3,459.00. Parcels 16 and 17 are located at the Northeast corner of Phifer Street and South French Broad Avenue. The South Atlantic Conference of Seventh Day Adventist submitted the bid to purchase these parcels which are contiguous with their property on South French Broad Avenue in order to have off-street parking.

Councilman Hoyle moved to approve the sale of Parcel 16 and 17 in the East Riverside Renewal Project N. C. R-48 to the South Atlantic Conference of Seventh Day Adventist for the amount of $3,459.00. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 75-150 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE N. C. STATE BOARD OF TRANSPORTATION FOR AN EIGHT INCH WATER LINE CROSSING UNDER U. S. 70 AT SWANNANOA, NORTH CAROLINA

6. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the N. C. State Board of Transportation for an eight-inch water line crossing under U. S. 70 at Swannanoa, N.C.

The City Manager read the resolution and explained that this resolution would provide for the installation of an eight-inch water line to serve the Wometco Food Vending Company in the Swannanoa area.

Mr. Edens, Water and Sewer Director, said that the cost of the line would be paid for out of the Water System Improvements Funds and part of the cost will be shared by the developer of the land who requires a two-inch service across the road. He said the Water Department must make the connection on the existing eight-inch main on the north side of U. S. 70, since no city water main exist on the south side of U. S. 70 at the Wometco property. He said the installation of this eight-inch water main under U. S. 70 would be justified in making available for the City a needed supply of water for future development of the water system on the South side of U. S 70 in this area.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 75-150 was unanimously adopted.

Complete text of Resolution No. 75-150 will be found in Resolution Book No. 8 at page 224.

SOUND MEASUREMENTS - ROCK CONCERTS

The Assistant City Manager William F. Wolcott advised that several weeks ago Vice-Mayor Horton had requested that at the next rock concert sound level measurements be made to determine if the sound was in danger of hearing impairment for those attending the concerts. He reported that on November 28, 1975 a concert known as "Kiss" was held in the Civic Center and Mr. Sam Blalock of Audio Service Company was employed to make sound level measurements during the concert.

After discussion, Councilman Morris moved to table Ordinance No. 860 until such time as the strip zone could be considered and the additional property owners re-notified that their property would be subject to being zoned Commercial Highway instead of R-2 Residential. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY OF ASHEVILLE HOUSING AUTHORITY - WARD 2, SHEET 2, LOTS 186 AND 187

4. A public hearing was held relative to rezoning property of Asheville Housing Authority from CH Commercial Highway to CR Commercial Regional District. (Ward 2, Sheet 2, Lots 186 and 187).

Mayor Ochsenreiter opened the public hearing at 4:28 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and day for the public hearing.

Mr. Emrick, Director of Planning, reported that the Planning and Zoning Commission had recommended approval of the rezoning as petitioned for the following reasons:

1. The property is presently zoned CH Commercial Highway; therefore, a new district with a different character would not be introduced;

2. The property can be tied in with the existing CH District which primarily serves the downtown business district and includes all of the N. C. R-13 area; and

3. The CR District is designed to serve business and professional services which, in this case, is the proposed use for this property.

Mr. Larry Holt, of the Asheville Housing Authority, said it was the request of the Housing Authority that this property be rezoned to conform with the remainder of the property in the Civic Redevelopment Project. He said by rezoning this parcel the potential owners will be allowed to develop it in conformance with the rest of the project. He said it was proposed that the property would be used for office buildings.

Mayor Ochsenreiter closed the public hearing at 4:37 o'clock p. m.

The City Manager then read the prepared ordinance zoning the property as petitioned.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 867 passed on its first reading.

4) Guidelines drawn up for the patroling of concerts. We realize the difficulty in enforcing these rules and regulations in the large crowd and under the unique conditions of a concert. We feel that policemen working the concerts should have guidelines under which to operate that would be specifically designed for the efficient regulations of the concerts.

Again we would like to stress that these are not recommendations for the controlling of rock concerts, but recommendations for the controling of any concert held in the Civic Center. We do not feel the fault lies in rock concerts, but that similar problems exist in all gatherings of large crowds.

Tom DeVesto, owner of the Bridge Sound Company, told Council that the tests Vice-Mayor Horton referred to were made in industrial environments, at given frequencies rather than a variety of frequencies of sound. He said bass frequencies push the decibel level up but have not been shown to impair hearing. He also said most of the audience at the rock concerts hears music at less than 100 decibels because of the distance between the audience and the speaker equipment. He gave his interpretations on the sound levels taken during the "Kiss" concert.

Vice-Mayor Horton requested that Mr. DeVesto put his interpretations in writing and asked that he furnish Council with a bibliography supporting his statements.

REZONING REQUEST - MR. AND MRS. DAN WORLEY, MS. JANET ROSS, MR. AND MRS. GUDGER CHANDLER - WARD 17, SHEET 11, LOTS 74, 75, AND 76 BE REZONED FROM R-3 RESIDENTIAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the request of Mr. and Mrs. Dan Worley, Ms. Janet Ross, and Mr. and Mrs. Gudger Chandler to rezone Ward 17, Sheet 11, Lots 74, 75 and 76 from R-3 Residential District to CS Commercial Service District.

Councilman Morris moved to schedule a public hearing on the matter for January 8, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

CLAIMS - GREGORY JOHNSON AND JOHN M. YOUNG

The City Manager presented claims from Gudger and McLean, attorneys for Gregory Johnson and John M. Young due to water damage.

Mayor Ochsenreiter referred the claims to the Corporation Counsel for investigation and recommendation.

CORRESPONDENCE FROM ASHEVILLE BUILDING AND CONSTRUCTION TRADES COUNCIL - RE: CIVIC CENTER

The City Manager presented Council with a letter received from Mr. W. Don Fox, President of the Asheville Building and Construction Trades Council.

Mayor Ochsenreiter instructed that the letter be made a part of the minutes.

The letter is as follows:

Mr. Blalock reported his findings of sound level measurements made during the concert, which are as follows:

Group One: First Song averaged 108 DB Peaked 112 DB from upstairs in Rear. Second Song averaged 110 DB with Peaks at 116 DB. Their Last Song averaged 112 DB with peaks to 116 DB on Main floor in Rear.

Group Two: First Song averaged 110 DB with peaks to 115 DB from upstairs in rear. Third Song averaged 114 DB with peaks to 120 DB. The Fourth and Fifth Songs exceeded peak limit of 120 DB with averages in rear balcony of 114 DB.

Group Three: First Song averaged 110 DB peaked 116 DB from upstairs rear balcony, Last two songs averaged 114 DB with peaks to 120 DB both on main floor and rear balcony.

Mr. Blalock said he was not qualified to interpret the readings to determine whether any danger to hearing was present.

Vice-Mayor Horton said that, according to tests made under the Occupational Health and Safety Act (OSHA), 110 decibels can be tolerated without hearing damage for a half hour every 24 hours. Anything more than that volume can be heard for only 15 minutes during a 24 hour period without damaging hearing. He suggested that the findings be interpreted by someone qualified to determine whether any danger to hearing was present.

It was the consensus of Council to authorize further tests conducted on the sound level at musical events in the Civic Center and the Thomas Wolfe auditorium, on a variety of performances and to have the findings interpreted by someone qualified to determine whether any danger to hearing was present.

Councilman Rainey commented that the rock concerts has its own subculture and Council should not single out this type of subculture music and these rules, if any, should apply to all events.

Jim Evans, Civic Center Manager, said most groups were not going to come to the Civic Center if restrictions were placed on the level of music. He said the average rock concert grosses the City $3,000 in rent and $2,500 in concessions, with the City's own expense being approximately $800.

Eddie Mullis, with the Asheville Buncombe County Youth Council, presented the following recommendations for dealing with the problems during the rock concerts:

1) Limited Ticket Sales - We are aware that the Civic Center management realizes the over-capacity crowd at the Doobie Brothers Concert. However, we felt we could not overstress the difference the crowd made in the unusually unruly appearance of the concert.

2) In Johnson City, tickets are stamped with warnings that the purchaser is subject to search at any time when attending the concert. We feel this would be helpful in Asheville, because it would discourage illegal drugs and liquor from being carried into the concerts.

3) Enforcement of present rules and regulations. We believe that most of the complaints about concerts would be quietened if the present regulations could be enforced.

that each of you review the entire file on this matter at your first opportunity, and then make your own judgements as to whether the Architect (as your agent) has made a good faith effort to provide the information requested.

I maintain that he has NOT -- and that this is easily documented FROM THE RECORD!

For instance: What fee was paid by the City for the performance bond under this contract? What company provided that bond, and through what agent or agency? How much (a specific sum, rendered in dollars and cents) is due under the contract to the Archtect for his services on the Civic Center? What portion of that sum has been paid, and how much remains to be paid? What additional charges (if any) has the Architect made for other services (such as change orders) under this contract?

The office of the Attorney General for North Carolina has clearly ruled that the public has a right to the information requested under the "Freedom of Information" Act. That communication was read into the record on September 11th. Moreover, the prior Mayor and Council have assured me on several occasions that "No one is trying to hide anything", and the information requested would be immediately forthcoming.

While I hesitate to impugn either their word or their motives, I am left with the fact that the information requested has NOT been deliver

Frankly, the performance of the prior Mayor, the Council he headed, and the attorney and the Architect he directed on this subject has been such to date that I am reluctantly being forced to the conclusion that SOMEBODY must be trying to hide SOMETHING!

I respectfully request of this Council and our new Mayor that it take immediate affirmative action to resolve any doubts of suspicions which might be raised by the dilatory and unacceptable handling of our September 11th request by the preceding Council over the last 84 days.

As a start, I would suggest a meeting early next week involving myself and one or more members of this new Council. Such a meeting would provide a private forum for reviewing this matter with the City Manager, the City Finance Director, the City Attorney, the Architect (as the City's agent on this job), the Civic Center Manager, or anyone else who might bear some responsibility in this area. Such a forum might (hopefully) elicit the information we have been seeking for so long!

I also call to the attention of this new Council the request for a tour of the Civic Center by the skilled craftsmen on the Executive Committee of the Asheville Building & Construction Trades Council. That request, and the supporting rationale, was tendered to Council in my letter of Novermber 13th.

Asheville

BUILDING AND CONSTRUCTION TRADES COUNCIL

AFL-CIO

11 South French Broad Avenue

ASHEVILLE, NORTH CAROLINA 28801

Area Code 704 :: Telephones: 253-4610 - 253-3091

4 December, 1975

CITY COUNCIL
City of Asheville
Municipal Building
Asheville, N.C. 28801

Gentlemen (and Mrs. Swilling):

I congratulate you upon your recent election, and your assumption today of the offices you hold. The leadership and direction you provide over the next two years will have impact on the lives of every citizen, and help shape the future course of our community. You bear a heavy responsibility, and I wish you well.

With a new Mayor, and with three new members on the Council, I hope that this Council will prove more open and democratic in its operations, more responsive to legitimate community interests, and more responsible in its actions than the preceding Council.

Prior to today, the Asheville City Council had met on ten occasions since I addressed a formal communication to City Council on September 11th voicing community concerns and raising specific questions regarding the Asheville Civic Center.

Since that time, I have had frequent contact with Architect John Cort and City Attorney Bill Moore on this subject. In addition, I have communicated with Council by letter on two further occasions (October 9th and November 13th), expressing my concern that detailed and specific answers, authoritative in their source and directly responsive to the questions raised, have not been forthcoming.

The latest response to my continuing efforts to adduce this information was delivered to me late last week (although dated November 17th). It was in the form of a letter from the Architect to the City Attorney, and was delivered to me tardily, and only after repeated contacts with members of Council, municipal staff, the City Attorney, and Architect John Cort.

Copies of this most recent letter are available from municipal files. While it contains some information not contained in the initial response tendered by Mr. Moore after consultation with the Architect on September 16th, it still does not specifically and directly address many of the questions raised.

Unless you desire it, I will not take up your time reading that entire communication into the record at this time. I do, however, suggest

(more)

Mr. Moore said the City of Asheville has employed an insurance expert, Attorney Harold Bennett, who does trial work specifically in this field and in this case and that Mr. Bennett objects from a legal standpoint to any inspection prior to the time that the punch list is completed but would not object to an inspection before it it accepted by the City.

Councilman Rainey suggested that a meeting be scheduled with the individuals requested by Mr. Fox.

Mr. Moore suggested that Council meet with Mr. Bennett and review the complete background of the project prior to meeting with any outside individuals.

Mayor Ochsenreiter requested that the Corporation Counsel schedule a meeting with Mr. Harold Bennett to review for Council members the background of the project.

Councilwoman Swilling suggested that Mr. Fox be informed of Council's action on the matter.

Mayor Ochsenreiter advised that he would communicate with Mr. Fox.

PROCLAMATION - "UP WITH THE PEOPLE WEEK" - DECEMBER 8 - 16

Mayor Ochsenreiter proclaimed the week of December 8 - 16, 1975 as "Up with the People Week" in the City of Asheville.

ELDRIDGE FOX - CIVIC CENTER

Eldridge Fox, promoter of gospel and religious music performances in the area, complained to Council that he had been told by ex-Mayor Richard A. Wood, Jr. that his performances would not be allowed in the renovated city auditorium. He critized that lack of guidelines for use of the auditorium.

The City Manager said recommendations for permitted uses in the facility would be before Council within the next two weeks.

Mayor Ochsenreiter advised Mr. Fox that he would be given an answer to his question after the recommendations on guidelines were accepted by Council.

COUNCILMAN MICHAEL - REPORT ON MINORITY EMPLOYMENT

Councilman Michael requested the City Manager to furnish, by next week's meeting, a report on the number of minorities that are in salaried supervisory positions in the City of Asheville, particularly in the Police and Fire Department to see if the City could promote the hiring and promote the promotions of minority groups in order that Asheville could be an equal opportunity employer. He said the City could be faced with loosing federal funds if it does not start hiring and promoting minority groups.

Adjournment.

MAYOR

CITY CLERK

To date, I have received no official response to that request, although the City Attorney advised me today via telephone that Architect John Cort has written to him REFUSING TO HONOR that request or cooperate in such a tour. I would point out to you that such a tour would have little efficacy or positive effect if it comes after the City accepts and "signs off" on the job.

I believe that positive action dealing with the requests I have tendered to Council regarding the Civic Center is both desireable and necessary under the law.

I respectfully request of this new Council that you initiate that action, whether by formal vote or administrative action, at today's session. In doing so, you will be true to the oath just administered, and to the trust of the people who elected you.

I will undertake to answer any questions you may have, and appreciate your attention.

Sincerely,

Asheville Building & Construction Trades Council

W. Don Fox

W. DON FOX,
President

Corporation Counsel Moore, reviewed for the newly elected members of Council, the background of Mr. Fox's correspondence. He explained that originally Mr. Fox wrote a letter requesting certain information from Baber, Cort and Wood, Architects for the Civic Center. He said the architect contacted him requesting that he answer Mr. Fox's questions, which he attempted to do; however, Mr. Fox was not satisfied with his answers and came back to Council. At the November 20, 1975 meeting Vice-Mayor Marshall instructed that Mr. Cort be contacted in an effort to get this information to Mr. Fox. On November 28, 1975 he wrote a letter to Mr. Cort requesting that this information be furnished to Mr. Fox. He said he had received a hand delivered letter from Mr. Cort prior to the meeting which he read to Council. In the letter Mr. Cort advised that he felt it would be inappropriate for him to communicate with anyone other than his client, which is the City of Asheville.

Councilman Michael said he was also interested as to why the Civic Center had not been completed and how long it will take to finish it; whether the penalties are being paid; and whether the architect is satisfied with the progress. He said he felt an inspection tour was needed by the Asheville Building and Construction Trades Council or by an independent person who is qualified to make such an inspection.

Corporation Counsel Moore advised that there had been correspondence with Ranger Construction Company and they strongly objected to any inspection by outside groups until they had been given an opportunity to correct the punch list which the architect had presented.

Mayor Ochsenreiter opened the public hearing at 3:20 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that at the Planning and Zoning Commission meeting held on November 5, 1975 the Commission recommended to City Council that greenhouses, used as an accessory building to the primary residence, be permitted in Residential areas.

During the discussion, it was determined that no retail or wholesale sales would be made from such greenhouses.

Mayor Ochsenreiter closed the public hearing at 3:27 o'clock p. m.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 868 passed on its first reading.

ORDINANCE NO. 867 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Ward 2, Sheet 2, Lots 186 and 187)

4. Consideration was given to the second reading of Ordinance No. 867, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, as amended.

Mayor Ochsenreiter advised that copies of the ordinance had previously been furnished to members of Council and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 867 passed on its second reading.

PRESENTATION BY THE BUNCOMBE COUNTY CHILD DEVELOPMENT COUNCIL

Mr. Tom Muncey, Personnel Manager, Highland Hospital, Charlotte Bridgman, LINC Children's 100, and Becky Williams, Buncombe County Child Development Council, presented a slide presentation regarding Child Care in Buncombe County. They also reviewed a study of existing services and an assessment of present and future needs of child care in Buncombe County.

Councilman Rainey requested the City Manager to check to see if there were any federal funds available to assist in Child Care Programs.

RESOLUTION NO. 75-151 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE FOR RELOCATION SERVICES

5. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Housing Authority of the City of Asheville for Relocation Services.

The City Manager read the resolution.

Thursday, December 11, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Gene Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the December 4, 1975 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the December 4, 1975 meeting were approved as submitted.

PUBLIC HEARING - APPLICATION FOR GRANT THROUGH NORTH CAROLINA DEPARTMENT OF TRANSPORTATION AND THE URBAN MASS TRANSPORTATION ADMINISTRATION

2. A public hearing was held to receive public comments and opinions on an application for a grant through the North Carolina Department of Transportation and the Urban Mass Transportation Administration.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The City Manager read the advertised notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Planning Director, explained that on October 23, 1975 Council authorized the filing of this application with the North Carolina Department of Transportation and the Urban Mass Transportation Administration. He said this grant was filed for the purpose of off setting operating expenses of the Asheville Transit Authority for Fiscal Year 1975-76 and would be approximately $255,910.00. He explained the eligibility requirements for the approval of the grant. He said one of the requirements was to hold a public hearing on the matter to obtain public comments and opinions on the matter.

Councilman Michael said he felt more people would ride the bus if the bus stops and stop times were adequately marked.

Mr. Emrick advised that his staff was in the process of a Transportation Study which would be presented to Council and this was one of the items being studied.

Mayor Ochsenreiter asked if there were any comments or opinions from the public on the matter.

Receiving no comments, Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p. m.

PUBLIC HEARING - GREENHOUSES IN RESIDENTIAL AREAS

ORDINANCE NO. 868 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to permitting greenhouses in residential areas.

BIDS - TWO (2) AUTOMATED RETRIEVAL UNITS/WORK STATIONS TO MAINTAIN FILES IN THE ASHEVILLE POLICE DEPARTMENT RECORDS DIVISION

8. Consideration was given to bids received December 2, 1975 for two (2) automated retrieval units/work stations to house card records for use in the Asheville Police Department Records Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Acme Visible Records, Inc., in the amount of $7,081.08. He advised that funding would be through an LEAA grant from the State of North Carolina, Department of Natural and Economic Resources, Division of Law and Order.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Acme Visible Records, Inc. in the amount of $7,081.08. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Add-Rite Business Machines, Inc.	$8,035.00
Acme Visible Records, Inc.	7,081.08

BIDS - OFFICE FURNITURE FOR USE IN THE ASHEVILLE POLICE DEPARTMENT RECORDS DIVISION

9. Consideration was given to bids received December 2, 1975 for office furniture for use in the Asheville Police Department Records Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Talman's Office Supplies, in the amount of $3,390.00. He advised that this also would be funded through an LEAA grant from the State of North Carolina, Department of Natural and Economic Resources, Division of Law and Order.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Talman's Office Supplies in the amount of $3,390.00. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Talman's Office Supplies, Inc.	$3,390.80
Wight's Business Machines	4,327.49
Add-Rite Business Machines	4,010.00

Mr. Larry Holt, of the Asheville Housing Authority, explained that the resolution and agreement would enable the City to refer all relocation services to the Asheville Housing Authority and they would provide assistance to all relocatees under the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970. He said the Housing Authority would perform all the necessary relocation services provided under the Agreement relative to families, individuals and businesses, displaced as a result of City projects, the enforcement of the laws of the City, the acquisition of rights-of-way for highways or other rights-of-way within the City, if such are acquired by the City and other City official activity within the Community Development Area actually requiring removal of dwellings or structures occupied by a family, individuals, businesses, institutions or non-profit organizations.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 75-151 was unanimously adopted.

Complete text of Resolution No. 75-151 will be found in Resolution Book No. 8 at page 225.

RESOLUTION NO. 75-152 - RESOLUTION APPOINTING BILL B. HORTON AS A CITY OF ASHEVILLE MEMBER TO THE ASHEVILLE-BUNCOMBE LOCAL GOVERNMENT STUDY COMMISSION

6. Consideration was given to a resolution appointing Bill B. Horton as a City of Asheville member to the Asheville-Buncombe Local Government Study Commission.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 75-152 was unanimously adopted.

Complete text of Resolution No. 75-152 will be found in Resolution Book No. 8 at page 226.

BIDS - FIFTY (50) DRY TOP TRAFFIC MODEL, MECHANICAL JOINT FIRE HYDRANTS

7. Consideration was given to bids received December 4, 1975 for fifty (50) dry top traffic model, mechanical joint fire hydrants.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by Silverman Company in the amount of $11,877.60.

Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Silverman Company in the amount of $11,877.00. This motion was seconded by Councilman Hoyle and carried unanimously.

BID SUMMARY

Bidder	Bid
U. S. Pipe and Foundry	$16,738.80
ITT Grinnell	12,545.80
Supply Specialties, Inc.	12,313.40
American-Darling Mfgd. Company, Inc.	11,906.00
Silverman Company	11,877.60
Tidewater Supply Company	12,815.88
Davis Meter and Supply	12,542.90

Corporation Counsel William C. Moore presented each member of Council copies of the correspondence received from the North Carolina Attorney General's office. He said the information provided in the documents in the application for an increase was such information that Mr. Cogburn and hisself felt Council might want to have before making such a decision. He said according to the Attorney General's opinion a public hearing would be required to be held on such matters before Council takes any action. He said after the public hearing Council has the right to amend the ordinance.

After considerable discussion, Vice-Mayor Horton moved to schedule a public hearing on the matter for January 8, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Morris suggested that before the public hearing the Corporate Counsel and Attorney Max Cogburn prepare a draft ordinance, jointly, for Council's consideration and that such ordinance be forwarded to members of Council at least one week prior to the public hearing in order that Council members may have an opportunity to review the language of the ordinance.

REPORT ON MINORITY EMPLOYMENT STATISTICS

Michael Smith, Personnel Director, read the following memorandum and outlined the summary statement of conditions relative to minority employment statistics:

MEMORANDUM TO: Ernest J. Ward
City Manager

FROM: W. Michael Smith
Personnel Director WMS

SUBJECT: Minority Employment Statistics

The purpose of this memorandum is to respond to your request of December 5, 1975 concerning a report to the Asheville City Council on December 11, 1975 regarding minority participation in the City of Asheville's work force.

Attached to this cover memorandum is a summary statement of conditions that were found during the course of an employment construct study done by the staff of the Personnel Division. This study was done in conjunction with the development of an Affirmative Action Program for the City of Asheville. This AAP was passed as an addition to the City of Asheville Civil Service Commission Rules and Regulations on August 6, 1975, and is now pending final ratification by the Asheville City Council.

The statistics contained in the attached summary statement are self-explanatory. If more detailed statistical information is needed by the City Council, it is available through the Personnel Division and will be provided upon request.

BIDS - ONE (1) AUTOMATIC (PUSH-BUTTON) READER-PRINTER FOR CARTRIDGE MICROFILM FOR THE ASHEVILLE POLICE DEPARTMENT, RECORDS DIVISION

10. Consideration was given to bids received December 2, 1975 for one (1) automatic (push-button) reader-printer for cartridge microfilm, for use in the Asheville Police Department, Records Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only bid received from Cavin's Business Products, Inc. in the amount of $3,490.00.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and to award the bid to the only bidder, Cavin's Business Products, Inc., in the amount of $3,490.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BIDS - ONE (1) 600 LINE PER MINUTE CHAIN TRAIN PRINTER FOR DATA PROCESSING DIVISION

11. Consideration was given to bids received December 1, 1975 for one (1) 600 line per minute chain train printer for Data Processing Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only bid received from Digital Associates, Inc. in the amount of $12,500.00.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the only bidder, Digital Associates, Inc. in the amount of $12,500.00 . This motion was seconded by Vice-Mayor Horton and carried unanimously.

PRESENTATION BY THOMS CABLEVISION, INC. FOR A RATE INCREASE

Mr. Max Cogburn, attorney for Thoms Cablevision, advised that this matter was last before the Council in October, 1975 and at that time some questions were raised by members of Council and as a result of those questions a suggestion was made that the Corporate Counsel obtain an opinion from the Office of the Attorney General of North Carolina. Pursuant to that direction, the Corporation Counsel has received an opinion from the Attorney General's office on those questions. One of the questions raised was whether the Council of the City of Asheville could make an amendment in the franchise for the rates since the franchise was granted pursuant to a vote of the people. He said the present proposal has been modified in light of the opinion of the Attorney General to deal with the questions of rates on a nationwide average of cities and towns having approximately the same population as the City of Asheville and also undertakes to provide for raising the rates to the national average and to eliminate the provision within the present franchise ordinance that any rates established shall be for periods of three years. He presented for Council a booklet showing the nationwide averages with other exhibits supporting the service problems, franchise fees paid to the City of Asheville from 1968 to June 30, 1975, showing where cable has been made available, supporting affidavits as to the financial information, and income, expenses, and net losses accuring to the company during the years from 1968 through 1974.

Councilman Michael requested that he be furnished with a quarterly report on the minority employment statistics. He also requested that the establishment of a Civil Rights Commission be investigated for possible inclusion in the Asheville City Charter.

Council requested that the proposed Affirmative Action Program, adopted by the Civil Service Commission, be presented to Council as soon as possible for Council's consideration.

REPORT ON CONCERNED CITIZENS COMMITTEE MEETINGS

Mr. Sam Graves, Central Services Division, presented the following report relative to meetings held with the Concerned Citizens Group in regard to police department matters:

GENERAL STATUS REPORT OF ACTIVITIES
TO IMPROVE
THE ASHEVILLE POLICE DEPARTMENT

The purpose of this report is to provide a summary of progress made to date by representatives of the Concerned Citizens and City staff in developing solutions which will effectively address identified problem areas in the Asheville Police Department. The following is a summation of discussed areas of concern, solutions, programs and related recommendations to improve existing conditions contributing to charges of police brutality.

1. Area of Concern: Psychological Screening

The general concensus was that all law enforcement personnel to be employed in the Asheville Police Department be psychologically screened to determine if they have the ability to discharge their duties and responsibilities under a wide range of human circumstances and conditions especially those involving minorities.

Recommendations: Psychological Screening

A. That all law enforcement personnel being considered for appointment be psychologically screened.

B. The Minnesota Multiphasic Personality Inventory Examination be used in the psychological screening process.

C. The services of a psychologist and/or psychiatrist be obtained to develop and administer the psychological screening program in coordination with the City's personnel system.

D. Information obtained from the psychological screening of applicants should be evaluated with other data obtained in the selection process through physical examinations, personal history checks, G.A.T.B., Civil Service Examination and interviews. Employment selection data should be reviewed by the Chief of Police, psychologist or psychiatrist and Civil Service Board member before final action is made regarding appointment of law enforcement personnel in the Asheville Police Department.

That the Civil Service Board [illegible] adoption and approving at its November 5, 1975 [illegible] psychological screening of all law enforcement [illegible] employed in the Asheville Police Department

SUMMARY STATEMENT OF CONDITIONS

The City of Asheville has a population of approximately 57,571 individuals, whites comprised 81.6 percent, minorities comprised 18.3 percent and the remaining 3.3 percent are persons of other races. The Asheville labor force numbered 24,505 in 1970 or 57.8 percent of the population 16 years and older. The labor force is comprised of the unemployed as well as the employed. Females constitute 45.0 percent of the City's civilian labor force and minorities constitute 17.0 percent of the City's total labor force.

In assessing the City of Asheville existing labor force the following was determined:

1. The City has a total of 863 full-time employees which consist of 629 or 73 percent whites (male and female), 118 or 13.6 percent minorities (male and female) and 116 or 13.4 percent females (black, white, other).

2. There are thirty-four (34) City departments and divisions; minorities are not represented in the work force in fourteen (14) of the departments and divisions, and females are not represented in five (5). There are several departments and divisions where the under-utilization of minorities and females exist, but not to the extent of those perviously indicated.

3. Over 55 percent of the City's total minority work force is in the Service Maintenance job category, 15 percent in skilled craft positions, 10 percent in paraprofessional positions, 10 percent in protective service, less than 1 percent official and administrative positions and the remaining 9 percent clerical, technical and professional job category.

4. Over 45 percent of the City's total female work force is in the Office/Clerical job category, 10 percent in service maintenance positions, 10 percent in technical, 10 percent in paraprofessional, 24 percent in protective service (the majority being School Crossing Guards) and the remaining 1 percent professional, official and administrative positions.

f. How to effect arrest without the use of physical force

B. That representatives of the Concerned Citizens Committee sit in on the 160 hours training course given to all law enforcement personnel and participate in the training program to be given by the State Human Relations Commission.

IV. Area of Concern: Community Relations

Improved relations between the Community and the Asheville Police Department is badly needed in order to have an effective and efficient law enforcement operation.

Recommendations: Community Relations

A. That arrangements be made for law enforcement personnel to attend meetings held in the communities, churches, schools and other public functions.

B. Develop through the assistance of the Asheville Housing Authority staff, tenants organizations and residents a program to improve relations between the community and the Asheville Police Department.

C. Encourage law enforcement officers to participate more in youth-oriented activities held in various communities throughout the City.

D. Establish a program of planning which will promote safety, security and better relations.

V. Area of Concern: Employment and Promotional Opportunities for Minorities

The work force of the Asheville Police Department is not representative of the minority labor force in the City of Asheville. Also, promotional opportunities for minorities in the Asheville Police Department need to be improved in order to increase the rank of minority officers presently employed in the department.

Recommendations: Employment and Promotional Opportunities for Minorities

A. Improve the recruitment program and efforts to increase the number of minority applicants seeking employment with the Asheville Police Department.

B. Encourage minorities to take promotional examinations.

F. That an in-service training program related to the psychological aspects of law enforcement be established through the assistance of a psychologist or psychiatrist.

II. Area of Concern: Records of Work Activities

The types of data presently kept on the work activities of all law enforcement personnel in the Asheville Police Department does not provide on an individualized basis, information regarding the number of arrests made involving charges of assault on an officer, resisting arrest, and similar ones.

Recommendations: Records of Work Activities

A. Arrest records involving charges of assault on an officer, resisting arrest and similar charges be kept in the personnel file of the officer(s) who made the arrest.

B. That the Chief of Police continue to evaluate all cases involving charges of assault on an officer, resisting arrest and similar ones to determine if any officer is using them too frequently of unjustly.

C. That a report be developed monthly by the Chief of Police of all cases involving charges previously stated.

D. That immediate disciplinary action be taken against any officer found in violation of B.

E. That the Chief of Police evaluate each law enforcement officer's personnel file to determine adequacy of job performance. This work performance evaluation should be on-going.

III. Area of Concern: Additional Training for Law Enforcement Personnel

Further training is needed for all law enforcement personnel in addition to the 160 hours of basic training presently given. The existing training program should be expanded to more adequately cover the following areas.

Recommendations: Additional Training for Law Enforcement Personnel

A. The additional training should include but should not be limited to:

a. Police rules and regulations
b. First Aid
c. Certain amount of law
d. Social psychology and human behavior
e. Judo/wrestling
f. Weaponry

General Recommendations:

A. Closer supervision of law enforcement officers in the field.

B. Investigate the availability of funds through various funding sources to support recommended program activities.

C. All law enforcement personnel should be required to wear the appropriate identification (badge, name plate, etc.) at all times while on duty.

Other:

The Civil Service Rules and Regulations, Civil Service Act and related information was discussed, distributed and explained.

To date, four (4) meetings have been held. The following is a list of individuals who have participated in the meeting activities:

Attendance Record	Name
1,2,3,4	Kenneth Michalove - Asst. City Mgr. Planning/Dev.
1,2,3	Rose Hawking - Representative of C.C.C.
1,2,3,4	William C. Moore - City Attorney
1	James Smith - Representative of C.C.C.
1,2,3,4	Drew Walker - Police Attorney
1,2,3	Jerry Brown - Representative of C.C.C.
1,2,3,4	Samuel Graves - Personnel Analyst
1,2,3	Jerry Lindsey - Representative of C.C.C.
1,2,3	J. C. Hall - Chief of Asheville Police Department
4	Rev. Fred Taylor - S.C.L.C.
1,2,3,4	James Harrison - Representative of C.C.C.
4	Ronald McElrath - Executive Director Asheville Buncombe Community Relations Council
1,2,3	Mike Smith - Director of Personnel
2	William Plummer - Representative of C.C.C.

C. Establish a pre-test orientation program for police candidates which will improve their performance on the G.A.T.B.

D. Investigate and/or establish alternatives to the G.A.T.B.

E. Evaluate the Affirmative Action Program to identify areas of needed improvements.

F. Investigate the feasibility of establishing a Police Cadet Program to improve the employment status of minorities in the Asheville Police Department.

VI. Area of Concern: Complaint Procedures and System

The present procedures and system for filing a complaint need to be improved to permit the easier filing of a complaint against any officer. Additional sources in which complaint forms can be obtained or submitted need to be established.

Recommendations: Complaint Procedures and System

A. Increase the number of offices in which complaint forms can be obtained and submitted.

B. That all complaints and a record of their disposition involving personnel in the Asheville Police Department be kept in the personnel file of the officer against whom the complaint is made.

C. That the procedures for filing a complaint be further developed and publicized in the Community.

D. That all complaints made be acknowledged and/or acted on in a reasonable period of time.

E. All complaints should be in writing and should include the following information:

1. A statement of the problem or incident
2. The date, time and place the incident occurred.
3. The Officer involved (badge number, car number or name).
4. Names of individual(s) who witnessed the incident.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 75-155 was unanimously adopted.

Complete text of Resolution No. 75-155 will be found in Resolution Book 8 at page 229.

PRITCHARD PARK FOUNTAIN

The City Manager advised that the fountain at Pritchard Park would be turned on at 10:00 a. m. on December 12, 1975.

RESOLUTION NO. 75-156 - RESOLUTION OF APPRECIATION TO HENRY E. COLTON, COUNCILMAN OF THE CITY OF ASHEVILLE FROM MAY 19, 1969 THROUGH DECEMBER 4, 1975

Consideration was given to a resolution of appreciation to Henry E. Colton, Councilman of the City of Asheville from May 19, 1969 through December 4, 1975.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 75-156 was unanimously adopted.

Complete text of Resolution No. 75-156 will be found in Resolution Book No. 8 at page 230.

RESOLUTION NO. 75-157 - RESOLUTION OF APPRECIATION TO CALVIN W. MARSHALL, VICE-MAYOR OF THE CITY OF ASHEVILLE FROM MAY 17, 1971 THROUGH DECEMBER 4, 1975

Consideration was given to a resolution of appreciation to Calvin W. Marshall, Vice-Mayor of the City of Asheville from May 17, 1971 through December 4, 1975.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 75-157 was unanimously adopted.

Complete text of Resolution No. 75-157 will be found in Resolution Book No. 8 at page 231.

MONTFORD COMMUNITY CLUB - INVITATION TO ANNUAL CHRISTMAS SIND DECEMBER 14, 1975 AT 3: P. M.

Councilwoman Swilling read a letter from the Montford Community Club inviting each of the Council members to the annual Christmas Sing December 14, 1975 at 3: 00 p. m. at Montford Park.

MID-TOWN MERCHANTS COUNCIL - FREE ON-STREET PARKING - DECEMBER 26, 1975

Vice-Mayor Horton read a request from the Mid-Town Merchants Council requesting permission to have free on-street metered parking on Friday, December 26, 1975.

Councilman Morris moved to grant the request of the Mid-Town Merchants Council to permit free on-street metered parking on Friday, December 26, 1975 beginning at 10:00 a. m. This motion was seconded by Councilman Michael and carried unanimously.

Meeting Dates/Time: 1. October 14, 1975 - 2:00 - 4:45 p.m.
2. October 21, 1975 - 10:00 - 12:45 p.m.
3. November 4, 1975 - 3:00 - 4:45 p.m.
4. November 18, 1975 - 3:00 - 4:30 p.m.

The next meeting is scheduled for December 16, 1975 at 3:00 p.m.

Abbreviations: C.C.C. = Concerned Citizens Committee
S.C.L.C. = Southern Christian Leadership Conference

Mr. Graves advised that after finalization of the proposed recommendations Council would be presented the recommendations for action by Council, if action is necessary.

RESOLUTION NO. 75-153 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE CAROLINA POWER AND LIGHT COMPANY FOR THE SUPPLY OF ELECTRICITY TO THE CITY CENTER PARKING GARAGE

Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Carolina Power and Light Company for the supply of electricity to the City Center Parking Garage.

The City Manager read the resolution and explained that this would provide for an agreement with the Carolina Power and Light Company for the supply of all purchased electricity needed for the operation of the City Center Parking Garage.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 75-153 was unanimously adopted.

Complete text of Resolution No. 75-153 will be found in Resolution Book No. 8 at page 227.

RESOLUTION NO. 75-154 - RESOLUTION OF APPRECIATION TO CITY OF ASHEVILLE EMPLOYEES FOR THEIR OUTSTANDING CONTRIBUTION TO THE 1976 UNITED WAY CAMPAIGN

Consideration was given to a resolution of appreciation to City of Asheville employees for their outstanding contribution to the 1976 United Way campaign.

The City Manager read the resolution and expressed his personal appreciation for the contributions made by the City employees.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 75-154 was unanimously adopted.

Complete text of Resolution No. 75-154 will be found in Resolution Book No. 8 at page 228.

RESOLUTION NO. 75-155 - RESOLUTION COMMEMORATING LIEUTENANT K. D. INGLE OF THE ASHEVILLE POLICE DEPARTMENT

Consideration was given to a resolution commemorating Lieutenant K. D. Ingle of the Asheville Police Department.

The City Manager read the resolution.

Thursday - December 18, 1975 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Gene Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the December 11, 1975 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the December 11, 1975 meeting were approved as submitted.

ORDINANCE NO. 867 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (WARD 2, SHEET 2, LOTS 186 AND 187)

2. Consideration was given to the third reading of Ordinance No. 867, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning Ward 2, Sheet 2, Lots 186 and 187.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 867 passed on its third and final reading.

Complete text of Ordinance No. 867 will be found in Ordinance Book No. 6 at page 326.

ORDINANCE NO. 868 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED, TO PERMIT GREENHOUSES IN RESIDENTIAL AREAS

3. Consideration was given to the second reading of Ordinance No. 868, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, to permit greenhouses in residential areas.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 868 passed on its second reading.

ORDINANCE NO. 869 - AN ORDINANCE INCLUDING AUXILIARY POLICE OFFICERS IN WORKMEN'S COMPENSATION PLAN

4. Consideration was given to an ordinance including auxiliary police officers in workmen's compensation plan.

The City Manager read the ordinance and explained that this ordinance would entitle auxiliary law enforcement personnel to benefits under the North Carolina Workmen's Compensation Act as provided for in Section 160A-282. He said the auxiliary

ASHEVILLE HIGH SCHOOL DISTURBANCES

Councilman Michael said he was disturbed at the lack of publicity relative to the disturbances at the Asheville High School. He said he felt the public should be made aware of what is going on and what is being done at the school through the news media. He said he also feels that he should be informed of what is taking place and involved in the meetings being held in order that he might help them.

33 CLOYES STREET - COMPLAINT OF PIGEONS

Vice-Mayor Horton said he had received a complaint from a resident at 33 Cloyes Street relative to the large number of pigeons in the neighborhood.

Mayor Ochsenreiter referred the complaint to the Buncombe County Health Department.

Adjournment.

Eugene S. Ochsenreiter Jr.
MAYOR

Frances D. Holcomb
CITY CLERK

Councilman Hoyle moved for the adoption of the resolution setting the public hearing date for January 22, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 75-160 will be found in Resolution Book No. 8 at page 235.

BIDS - EQUIPMENT FOR CIVIC CENTER CONCESSION STANDS

8. Consideration was given to bids received December 12, 1975 for equipment for Civic Center Concession Stands.

The City Manager read a memorandum from the Purchasing Agent recommending acceptance of the only bid submitted from Asheville Showcase and Fixture Company in the amount of $5,364.00. Invitations to bid were mailed to seven (7) prospective bidders.

Jim Evans, Civic Center Manager, explained that this equipment would be used for the new concession stand to be constructed in the exhibition level.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the only bidder, Asheville Showcase and Fixture Company in the amount of $5,364.00. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 75-161 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE ALONG US 70 EAST OF SWANNANOA, N. C.

9. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line along U. S. 70 East of Swannanoa, N. C.

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, explained that this right-of-way encroachment was necessary from the State to extend a 12-inch main to accomodate Ingles Markets, Inc. which is developing a 55 acre site on U. S. Highway 70 about two miles west of Black Mountain for a distribution warehouse. He said the cost of the new lines would be borne by Ingles Markets, Inc.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 75-161 was unanimously adopted.

Complete text of Resolution No. 75-161 will be found in Resolution Book No. 8 at page 237.

RESOLUTION NO. 75-162 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 2750 (JIMS BRANCH ROAD) AND ON FRONTAGE ROAD NUMBER 2 IN BUNCOMBE COUNTY

10. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line on State Road 2750 (Jims Branch Road) and on frontage road Number 2 in Buncombe County.

police officers of the Asheville Police Department serve the City of Asheville from time to time, pursuant to instructions from the Chief of Police and have completed the same state-required basic training course as full-time police officers.

On a roll call vote of 6-0, Ordinance No. 869 passed on its first reading.

RESOLUTION NO. 75-158 - RESOLUTION CALLING FOR A SERIES OF PUBLIC HEARINGS TO OBTAIN THE VIEWS OF CITIZENS ON COMMUNITY DEVELOPMENT HOUSING NEEDS

5. Consideration was given to a resolution calling for a series of public hearings to obtain the views of citizens on Community Development Housing needs.

The City Manager read the resolution.

Logan Delany, Community Development Coordinator, explained that the City of Asheville is eligible for Community Development Block Grant funds when funds are appropriated for Fiscal Year 1976-77 and the City intends to apply for such funds upon compliance with HUD requirements set forth in Title I of the Housing and Community Development Act of 1974 and it is further a requirement of the grant process that public hearings be held to obtain the views of citizens of Community Development and housing needs.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 75-158 was unanimously adopted.

Complete text of Resolution No. 75-158 will be found in Resolution Book No. 8 at page 232.

RESOLUTION NO. 75-159 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE ESTABLISHING ELECTRICAL INSTALLATION STANDARDS

6. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance establishing electrical installation standards.

The City Manager read the resolution.

Councilman Morris moved for the adoption of the resolution setting the public hearing date for January 15, 1976. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 75-159 will be found in Resolution Book No. 8 at page 234.

PETITION TO CLOSE PORTION OF FAGG STREET, TIERNAN STREET, TENIE STREET, AND ALL OF HORSE SHOE CURVE AND MURRAY HILL ROAD FROM THE ASHEVILLE HOUSING AUTHORITY

RESOLUTION NO. 75-160 - RESOLUTION TO CLOSE A PORTION OF FAGG STREET, TIERNAN STREET, TENIE STREET, AND ALL OF HORSE SHOE CURVE AND MURRAY HILL ROAD

7. The City Manager presented a petition from the Asheville Housing Authority requesting that a portion of Fagg Street, Tiernan Street, Tenie Street, and all of Horse Shoe Curve and Murray Hill Road be permanently closed. He then read a resolution calling for a public hearing on the matter.

He said if anything should happen to this water line requiring a maintenance operation it would be practically impossible to make repairs. As a solution to this problem it is proposed to install a new 8-inch water line directly above the existing 6-inch water line which will make it accessible should maintenance be necessary and will include an encasement under Ramp B. He said this work will be done in close coordination with the Contractor's work on this project and most likely will be installed sometime next summer.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 75-164 was unanimously adopted.

Complete text of Resolution No. 75-164 will be found in Resolution Book No. 8 at page 240.

RESOLUTION NO. 75-165 - RESOLUTION AUTHORIZING CITY MANAGER TO SIGN APPLICATION FOR APPROVAL OF PLANS AND SPECIFICATIONS FOR WATER SUPPLY SYSTEMS

13. Consideration was given to a resolution authorizing City Manager to sign application for approval of plans and specifications for water supply systems.

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, advised that this resolution concerns the relocation of several of the City's large water mains that conflict with the new highway from the Beaucatcher cut to the I-40 Interchange, mostly in the Tunnel Road area near U. S. 70 and U. S. 74. He said the North Carolina Department of Human Resources Division of Health Services requires that plans and specifications for such work be submitted to the Division for approval.

Councilman Hoyle moved for the adoption of the resolution. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 75-165 will be found in Resolution Book No. 8 at page 241.

AUDITORIUM BOOKING POLICY

The City Manager presented members of Council with a memorandum from Mr. Jim Evans, Civic Center Manager, relative to the proposed auditorium booking policy. He said, in addition, Council members would be receiving,in the mail, copies of the recommended policies on the Civic Center for study and consideration in the near future.

REZONING REQUEST - MR. CHARLES E. CLOUSE

The City Manager read a letter from the Planning and Zoning Commission advising that at the Commission's meeting held on November 5, 1975, the request of Mr. Charles E. Clouse by Attorney William Anderson that Ward 12, Sheet 17, portion of Lot 19, be rezoned from R-2 Residential District to CS Commercial Service District,was considered and it was the recommendation of the Commission to recommend to City Council that the request be denied and the property remain as it is now zoned.

The City Manager advised that a request for a public hearing on the matter had not been received.

Mayor Ochsenreiter accepted the recommendation of the Planning and Zoning Commission.

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, explained that the right-of-way encroachment was necessary for the installation of an eight inch water line which will supply a subdivision being built by Mr. Clifton Chapman. He said Mr. Chapman will install and build this eight inch water line entirely at his expense, according to the City's specifications and inspection and will be turned over to the City for ownership after the approval of the installation by the City Engineer.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 75-162 was unanimously adopted.

Complete text of Resolution No. 75-162 will be found in Resolution Book No. 8 at page 238.

RESOLUTION NO. 75-163 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE ALONG OAKLEY SCHOOL ROAD (SR 3052)

11. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line along Oakley School Road (SR 3052).

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, explained that this right-of-way agreement between the City of Asheville and the North Carolina Department of Transportation is for a proposed 6-inch water line extending south on Oakley School Road from Porter Road to Onteora Road. He said this would in effect "loop" the water system in this area and provide better water service to the Oakley Area and fire protection to the residents on this section of Oakley School Road. He said this was one of the budgeted WSIF projects for this fiscal year.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 75-163 was unanimously adopted.

Complete text of Resolution No. 75-163 will be found in Resolution Book No. 8 at page 239.

RESOLUTION NO. 75-164 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR WATER LINE UNDER RAMP B ON THE U. S. 74-I-40 INTERCHANGE PROJECT

12. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for water line under Ramp B on the U. S. 74-I-40 Interchange Project.

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, explained that in 1969 during the first phase of the construction of the U. S. 74-I-40 Interchange, a 6-inch water line was installed along Fairview Road from near Asheville Electric Company down to U. S. 74 (Charlotte Highway) where it ties into an existing 8-inch line feeding the Fairview section. Phase II of the subject interchange is now under construction and due to the necessary filling and grading operations presently taking place on the site the subject 6-inch water line that was installed in 1969 is now approximately 32 feet below the ground surface.

date. However, if the City's proposal is accepted by the federal government Council would take the appropriate action at that time.

COUNCIL MEETINGS - DECEMBER 25 AND JANUARY 1

Mayor Ochsenreiter advised that there would be no City Council meetings on December 25 and January 1.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Marianne J. Malecha
CITY CLERK

ASHEVILLE AA BASEBALL, INC. - LEASE OF McCORMICK FIELD

Mr. George L. Chumbley, Jr., President of the Asheville AA Baseball, Inc. ask Council's consideration in authorizing the Mayor to enter into an agreement with the Asheville AA Baseball, Inc. to assure professional baseball in Asheville for 1976 with an option to renew in 1977. He said Mr. Fred Nichols, president of the Anderson Rangers had offered to lease, through the Asheville AA Baseball, Inc, the McCormick Field for $2,000 a year plus all water expense and electrical bills up to $700 a month. He said he would recommend serious consideration of this offer.

Ray Kisiah, Parks and Recreation Director, said it would be his recommendation to accept the offer presented by the Asheville AA Baseball Inc. if Asheville wants professional baseball.

Councilman Morris suggested that the Buncombe County Commissioners be contacted relative to participating in the cost of a new lighting system at the McCormick Field.

After discussion, Councilman Rainey moved to instruct the Corporation Counsel to prepare a lease on the matter, to be presented to Council in the form of a resolution. This motion was seconded by Councilman Hoyle and carried unanimously.

AFFIRMATIVE ACTION PROGRAM

The City Manager presented members of Council with a draft of the City's Affirmative Action Program for study.

In addition, he said, the City has received a request for information from the Secretary of Treasury , Revenue Sharing Division, relative to the City's Affirmative Action Program and minority employment. He said the staff is now preparing the information to be submitted to the Secretary of Treasury.

OTEEN FIRE DEPARTMENT

The City Manager read the following letter to members of Council:

"All veterans organizations of Western North Carolina solicit your full cooperation in stopping the transfer of Oteen Fire Department to the City of Asheville. All veterans feel this is the responsibility of the federal government, and is absolutely necessary to the safety of the hospitalized veterans."

Calvin Jones
Commander - Buncombe
County Veterans Council

cc: Congressman Taylor
Senator Helms
Senator Morgan
Herb Johnson - Director of Reg. VA- Winston-Salem

The City Manager said in September or October, Mr. Chandler of the Oteen VA Hospital contacted the City of Asheville and asked the possibility of negoiating a contract with the City to provide fire service to the Hospital. He said the City has investigated this possibility and has advised that they could provide this service with its present personnel, equipment and present station facilities. He said the City would not acquire the Oteen Fire Department in any way. He said the City has not received notification from the federal government on the proposal as of this

Mr. John Jerose, Manager of Thoms Cablevision, Inc. presented Council with copies of the company's proposed business plan for 1976 showing the minimum projected cash needed to implement the plan. He answered general financial questions from members of Council.

Corporation Counsel Moore said in his opinion, Council could not adopt Mr. Cogburn's proposed ordinance and deviate from the language of the notice to the public regarding the hearing which stated that Council would consider an increase in rates equal to the nationwide average of rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville. He said the proposed ordinance calls for an increase above the national average and that the notice to the public would have to be re-advertised to this effect before adoption of such an ordinance.

Mayor Ochsenreiter closed the public hearing at 4:03 o'clock p. m.

After discussion, Councilman Morris moved to re-advertise for another public hearing on the matter, to be held January 29, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

Mayor Ochsenreiter appointed Vice-Mayor Horton and Councilwoman Swilling to work with Mr. Moore and Mr. Cogburn in drafting an ordinance for Council's consideration on January 29, 1976.

PUBLIC HEARING - REZONING WARD 17 - SHEET 11 - LOTS 74, 75, AND 76 - NEW LEICESTER HIGHWAY

3. A public hearing was held relative to rezoning Ward 17, Sheet 11, Lots 74, 75, and 76 from R-3 Residential District to CS Commercial Service District, property located on New Leicester Highway and owned by Dan and Dorothy Worley, Janet R. Ross, and Gudger and Maude Chandler.

Mayor Ochsenreiter opened the public hearing at 4:06 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the petitioners were requesting the rezoning due to the property was purchased in 1963 for use as commercial property and has been used in this manner since that time. As the property is located in the one-mile boundary, it was not subject to zoning until March of 1975 and the owners desire the Commercial classification for the property in order to lease it for a mobile home sales lot. He said the Asheville Planning and Zoning Commission has recommended to Council that the property be rezoned as petitioned for the following reasons:

1) The property is contiguous with the existing Commercial Service District;

2) Adjacent land uses are primarily commercial; and

3) Residential areas will not be adversely affected by the zoning change.

Mayor Ochsenreiter closed the public hearing at 4:18 o'clock p. m.

Councilman Rainey said he would like to see a change in policy in the manner adjacent property owners were notified of proposed zoning changes.

Mr. Emrick advised Councilman Rainey that this was being done at this time.

Thursday - January 8, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Gene Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the December 18, 1975 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, the minutes of the December 18, 1975 meeting were approved as submitted.

PUBLIC HEARING - APPLICATION OF THOMS CABLEVISION COMPANY, INC. REQUESTING AN INCREASE IN RATES

2. A public hearing was held to receive public comment and opinion on the request of Thoms Cablevision Company, Inc. for an increase in rates and/or franchise fees to equal the nationwide average of rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville.

Mayor Ochsenreiter opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Harold Thoms, President of Thoms Cablevision Company, Inc., made a statement to Council regarding the requested increase. He said this was a small business with a small market and the services were generated from the capital received. He also said his company had operated at a loss from the beginning.

Mr. Max Cogburn, attorney for Thoms Cablevision Company, Inc., said that at the last meeting he was directed to confer with William C. Moore, Corporation Counsel, for the purpose of drafting an ordinance which would be satisfactory to both parties. He said that he had drafted such an ordinance but that he and Mr. Moore could not agree on all points. He then passed out copies of the proposed ordinance for Council's consideration. In the ordinance he proposed that the new rate for CATV services be $7.00 monthly; he retained the clause for Council to set rates at the standard nationwide average; and changed the three (3) year time limitation on changing of rates to one (1) year.

Mr. James Doolittle, Regional Manager of American Television Communications, and Mr. Wally Briscoe, Senior Vice-President of the National Cablevision Company, were introduced to Council by Mr. Cogburn and they spoke briefly about the growth and financial problems being experienced by other cablevision operations throughout the country. To overcome this other companies had also requested rate changes from time to time.

On a roll call vote of 6-0, Ordinance No. 871 passed on its first reading.

Due to the safety of children, Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Morris again moved to suspend the rules and proceed to the third reading of the ordinance. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 871 passed on its third and final reading.

Complete text of Ordinance No. 871 will be found in Ordinance Book No. 6 at page 330.

RESOLUTION NO. 76-1 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution and explained that this easement would allow the Carolina Power and Light Company to relocate an electric power line on property owned by the City located on Gaston Street on the East, Livingston Street on the South, and Herman Avenue on the West.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-1 was unanimously adopted.

Complete text of Resolution No. 76-1 will be found in Resolution Book No. 8 at page 242.

RESOLUTION NO. 76- 2 - RESOLUTION AUTHORIZING MAYOR TO ENTER INTO AGREEMENT WITH VETERANS ADMINISTRATION HOSPITAL FOR FIRE PROTECTION

8. Consideration was given to a resolution authorizing Mayor to enter into agreement with Veterans Administration Hospital for fire protection.

The City Manager read the resolution.

Larry Fisher, Director of Finance, outlined the features of the proposed agreement stating that under the contract, which becomes effective upon notification from the VA, the City will conduct annual pre-planning inspections, semi-annual fire hazard inspections with follow ups and conduct training seminars for hospital personnel. He said VA will pay an annual fee of $65,000 until July 1, 1977 when the rate will increase to $75,000 for the next 12 months and the annual fee will be re-negotiated each year thereafter.

Upon inquiry of Council, Fire Chief Powell Ball said the City's first response to a hospital fire would be with two pumper companies and a ladder company which could be at the hospital within 90 seconds of an alarm from the Beverly Hills Station. He said the City would need no new personnel or equipment to provide adequate fire protection to the hospital.

Calvin Jones, Chairman of the Buncombe County Veterans Council, asked Council to delay approval of the contract until a report on the job futures of the present firemen is forwarded to him from the Veterans Administation in Washington

At the request of Mayor Ochsenreiter, the City Manager read the proposed ordinance which would rezone the property as petitioned.

Councilman Hoyle moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 870 passed on its first reading.

ORDINANCE NO. 868 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (to permit greenhouses in residential areas)

4. Consideration was given to the third reading of Ordinance No. 868, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, to permit greenhouses in residential areas.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 868 passed on its third and final reading.

Complete text of Ordinance No. 868 will be found in Ordinance Book No. 6 at page 327 .

ORDINANCE NO. 869 - AN ORDINANCE INCLUDING AUXILIARY POLICE OFFICERS OF THE ASHEVILLE POLICE DEPARTMENT IN THE WORKMEN'S COMPENSATION PLAN OF THE CITY OF ASHEVILLE

5. Consideration was given to the second reading of Ordinance No. 869, an ordinance including auxiliary police officers of the Asheville Police Department in the Workmen's Compensation Plan of the City of Asheville.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 869 passed on its second reading.

ORDINANCE NO. 871 - AN ORDINANCE AMENDING SECTION 28-63 SUBSECTION (C) (1) OF THE CODE OF THE CITY OF ASHEVILLE (TRAFFIC LIGHTS)

6. Consideration was given to an ordinance amending Section 28-63 subsection (c) (1) of the Code of the City of Asheville relative to traffic lights.

The City Manager read the ordinance and explained that due to the limited vehicle storage space and also the large volume of school children having to cross the streets at the intersections of Cedar Street and Fairview Road and Liberty Street and Fairview Road it is recommended that this ordinance be adopted to prohibit right turns on red at these intersections. He also advised that this ordinance would delete the prohibition of right turn on red at College Street and Market Street which is no longer needed.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

RESOLUTION NO. 76-3 - RESOLUTION AUTHORIZING EXECUTION OF AGREEMENT WITH THE COUNTY OF BUNCOMBE AS PART OF THE BUNCOMBE COUNTY MANPOWER TRAINING PROGRAM

11. Consideration was given to a resolution authorizing execution of agreement with the County of Buncombe as part of the Buncombe County Manpower Training Program.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained that in essence this agreement would provide for the reimbursement of one-half of the salary of an employee hired under the Buncombe County Manpower Training Program to prepare the City's Affirmative Action Program.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-3 was unanimously adopted.

Complete text of Resolution No. 76-3 will be found in Resolution Book No. 8 at page 244.

BIDS - PLAYGROUND EQUIPMENT FOR PARKS AND RECREATION DEPARTMENT FOR USE IN VARIOUS NEW PARK AREAS UNDER THE COMMUNITY DEVELOPMENT PROGRAM

12. Consideration was given to bids received December 30, 1975 for playground equipment for the Parks and Recreation Department for use in Various New Park Areas under the Community Development Program.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bids meeting specifications, which are as follows:

Items No. 1, 5, 6, 7, and 10 - award to low bid meeting specifications in each instance to Play Systems, Inc., Columbia, S. C. - Item No. 1 @ $390.00, Item No. 5 @ $109.00, Items No. 6 and 7 combined @ $240.00 and Item No. 10 @ $91.00. Total recommended $8,388.00

Items No. 2, 3, 4, and 9 - award to low bid meeting specifications in each instance to Miracle Playground Equipment Company, High Point, N.C. Item No. 2 @ $714.00, Item No. 3 @ $363.00, Item No. 4 @ $651.40, and Item No. 9 @ $327.00. Total recommended $8,221.60.

Item No. 8- award to low bid meeting specifications to Cunningham Associates Inc., Charlotte, N. C. @ $399.00. Total recommended $1,596.00

Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bids as recommended. This motion was seconded by Vice-Mayor Horton and carried unanimously.

by Congressman Roy Taylor. He said the Buncombe County Veterans Council had voted last month to oppose the proposed contract.

Ray Sorrells, a member of the present VA Hospital Fire Department, told Council that there are presently nine (9) men on the fire department staff and they had been advised by their supervisor that their jobs would not terminate but they would be assigned as security guards. He said the new assignments would cost the firemen their hazardous duty pay amounting to a 15 per cent addition to their base salaries. He said retirement benefits would also be lost.

After discussion, Councilman Morris moved for the adoption of the resolution. This motion was seconded by Councilman Hoyle and Resolution No. 76-2 was unanimously adopted.

Complete text of Resolution No. 76-2 will be found in Resolution Book No. 8 at page 243.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE AA BASEBALL, INC.

9. Consideration was given to a resolution authorizing the Mayor to execute a lease between the City of Asheville and the Asheville AA Baseball, Inc.

The City Manager read the resolution.

Ray Kisiah, Parks and Recreation Director, outlined the terms and conditions of the proposed lease agreement with the Asheville AA Baseball, Inc.

Mr. George Chumbley, President of the Asheville AA Baseball, Inc. encouraged Council to execute the lease agreement.

After discussion, Council agreed to postpone action on the execution of such lease agreement until such time as Council members could study the lease further and until proper legal notice of the intent of Council to execute such lease is given.

Council agreed to give consideration to the resolution at the February 12, 1976 meeting.

ORDINANCE NO. 872 - AN ORDINANCE RESCINDING ORDINANCE NO. 675 WHICH CREATED AND ESTABLISHED A MODEL CITIES COMMISSION AND A MODEL CITIES AGENCY WITHIN THE OFFICE OF THE CITY MANAGER OF THE CITY OF ASHEVILLE, NORTH CAROLINA

10. Consideration was given to an ordinance rescinding Ordinance No. 675, which created and established a Model Cities Commission and a Model Cities Agency within the Office of the City Manager of the City of Asheville, North Carolina.

The City Manager read the resolution.

Logan Delany, Director of Model Cities, commented on the success of the Five (5) Year Model Cities Program in the City of Asheville. He said the adoption of this ordinance is required by HUD in closing out the program.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 872 passed on its first reading.

BIDS - One (1) PARK PICNIC SHELTER FOR ASTON PARK FOR PARKS AND RECREATION DEPARTMENT

13. Consideration was given to bids received December 30, 1975 for one (1) park picnic shelter for Aston Park for Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended acceptance of the only bid received from Koppers Company, Inc. in the amount of $5,260.00.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the only bidder, Koppers Company, Inc. in the amount of $5,260.00. This motion was seconded by Councilman Michael and carried unanimously.

BIDS - NINETEEN (19) AUTOMOBILES AND ONE (1) PICK UP TRUCK FOR POLICE DEPARTMENT

14. Consideration was given to bids received December 12, 1975 for nineteen (19) automobiles and one (1) Pick Up Truck for Police Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Dorato Motors, Inc. for all bid items, 1 through 4, totaling $71,523.92. He explained that due to the mark down in trade-in allowances and the rise in cost of the vehicles there was a deficit balance of $14,710.21 over the budgeted amount of $56,813.71. He said if Council wishes to accept the bids he was prepared to present a budget amendment to allow for the deficit.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Dorator Motors, Inc., for all bid items, totaling $71,523.92. This motion was seconded by Councilman Rainey and carried unanimously.

Bid Summary

Bidder	Bid on All Items
Dorato Motors, Inc.	$71,523.92
Apple Tree Chevrolet	$77,316.88
Matthews Motors	$76,417.13
Roberts Auto Sales	$70,756.58 for Items 1, 2, and 3 No Bid on Item 4

ORDINANCE NO. 873 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76

The City Manager read an ordinance amending the operating budget to allow for the deficit of $14,710.21 over the budgeted amount of $56,813.71 to purchase nineteen (19) automobiles and one (1) pick-up truck for the Police Department.

Vice-Mayor Horton moved for the adoption of the ordinance. Councilwoman Swilling seconded the motion.

On a roll call vote of 6-0, Ordinance No. 873 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 873 passed on its second reading.

a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line on State Road 2038 (Mann Drive).

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, said the installation of a 6-inch water line on Mann Drive is to replace the existing 2-inch line which is now inadequate. This will give customers on Mann Road more water pressure and also provide needed fire protection. He said the cost of this line will be shared equally by the County of Buncombe.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael Resolution No. 76-6 was unanimously adopted.

Complete text of Resolution No. 76-6 will be found in Resolution Book No. 8 at page 247.

RESOLUTION NO. 76-7 - RESOLUTION CONCERNING REVISION OF SEWER EASEMENT FROM ASHEVILLE JAYCEE HOUSING, INC.

18. Consideration was given to a resolution concerning revision of sewer easement from Asheville Jaycee Housing, Inc.

The City Manager read the resolution and explained that this was a minor property description change on a previously authorized easement.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-7 was unanimously adopted.

Complete text of Resolution No. 76-7 will be found in Resolution Book No. 8 at page 248.

CITY MANGER'S APPOINTMENTS TO ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN

The City Manager read the following letter to members of Council for informational purposes:

January 8, 1976

Mr. Eugene C. Ochsenreiter
Mayor
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mayor Ochsenreiter:

In accordance with the provisions of Section 8 of the Asheville General Employees' Retirement Plan which is made a part of Ordinance 861 passed November 20, 1975 by the Asheville City Council, I have appointed the following City employees to serve on the Pension Board of this Plan:

1. Thomas C. Brown, Assistant Street Superintendent
2. Logan D. Delany, Community Development Director
3. W. Michael Smith, Central Services Director

These employees have been appointed and will serve in compliance with the provisions of Section 8.01 of the Asheville General Employees' Retirement Plan. As you know,

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 873 passed on its third and final reading.

Complete text of Ordinance No. 873 will be found in Ordinance Book No. 6 at page 332.

RESOLUTION NO. 76-4 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 2816 (CHURCH ROAD) IN FAIRVIEW, N. C.

15. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line on State Road 2816 (Church Road) in Fairview, N. C.

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, explained that the County of Buncombe had requested this line and will be paid for by them and turned over for ownership to the City upon completion of the installation.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-4 was unanimously adopted.

Complete text of Resolution No. 76-4 will be found in Resolution Book No. 8 at page 245.

RESOLUTION NO. 76-5 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 2407 (UPPER GRASSY BRANCH ROAD)

16. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line on State Road 2407 (Upper Grassy Branch Road).

The City Manager read the resolution.

Bill Edens, Water and Sewer Director, advised that the installation of 1,566 feet of 2-inch water line on Upper Grassy Branch Road is for the purpose of circulating the existing water line in Upper Grassy Branch Road. This will serve customers with an adequate water supply and more pressure and will eliminate dead ends on this existing water line. He said the cost for this line would be shared equally with the County of Buncombe.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-5 was unanimously adopted.

Complete text of Resolution No. 76-5 will be found in Resolution Book No. 8 at page 246.

RESOLUTION NO. 76-6 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 2038 (MANN DRIVE)

17. Consideration was given to a resolution authorizing the Mayor to execute

The present uniform is purchased at the lowest bid and are made of the poorest quality of material. Departmental arm patches, which are part of most uniforms, do not come with the present uniforms and most officers purchase these on their own.

We would also request a study be made into a new badge for police officers. The present badge, worn on the shirt, is of the same type worn by all small departments in North Carolina. This badge has no markings, other than the name of the city, to distinguish us from private patrol agencies that wear the same type badge.

The badge presently worn on our caps has only a number and the state shield. On several occasions officers have been mistaken for taxi drivers, bus drivers, and on one occasion for an ice cream man.

The only type identification card an officer is given is small and plain white with his name, date of issue of card, city seal, and signed by the Chief of Police. There is no badge or carrying case issued with this card. Smaller departments and private security patrols issue more official identification for their employees.

We are all proud to be members of the Asheville Police Department and want our citizens to be proud of us. We only ask that our police be dressed and equipped in a manner that will show the pride of our city across the state.

Respectfully yours,

Uniform Division of the
Asheville Police Department

this section further designates the Mayor and the City Manager of the City of Asheville to serve on the Pension Board. An organizational meeting of the Pension Board will be held at 9:00 A. M. in the Conference Room on the 1st Floor of the City Building on Monday, January 12, 1976.

Very truly yours,

/s/ Ernest J. Ward

Ernest J. Ward
City Manager

RESOLUTION NO. 76-8 - RESOLUTION REGARDING THE CONSTRUCTION OF FIRE STATIONS 2 AND 5

Consideration was given to a resolution regarding the construction of Fire Stations 2 and 5.

The City Manager read the resolution and explained that this resolution would authorize the Mayor to approve change orders on these contracts up to the amount heretofore appropriated for the construction of these fire stations.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-8 was unanimously adopted.

Complete text of Resolution No. 76-8 will be found in Resolution Book No. 8 at page 249.

CLAIM - WEAVER W. MATHIS

The City Manager presented a claim received from Michael Edward Vaughn, attorney for Weaver W. Mathis, regarding a claim against the City.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - ASHEVILLE POLICE DEPARTMENT - REQUEST FOR BETTER UNIFORMS

Corporation Counsel William C. Moore advised that he was requested by the Uniform Division of the Asheville Police Department to read the following petition to members of Council:

TO: Members of Asheville City Council

FROM: Uniform Division of Asheville Police Department

We, the undersigned police officers of the Asheville Police Department, request the members of City Council to consider changes in the present police uniform or in some way update this uniform.

12/12/75

Thursday - January 15, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Gene Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the January 8, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, the minutes of the January 8, 1976 meeting were approved as submitted.

PUBLIC HEARING - ADOPTION OF AMENDMENTS RELATING TO ELECTRICAL INSTALLATION STANDARDS ORDINANCE NO. 874 - AN ORDINANCE ESTABLISHING ELECTRICAL INSTALLATION STANDARDS

2. A public hearing was held to concerning the adoption of amendments relating to electrical installation standards approved by the State Building Code Council.

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Building Inspector, advised that the purpose of this ordinance was to update the Asheville City Code with the North Carolina State Electrical Code. He said seven amendments were made to this code which was approved by the State Building Code Council and no significant changes were being made from the 1971 code adopted by the City Council.

Mayor Ochsenreiter closed the public hearing at 3:15 o'clock p. m.

The City Manager read the ordinance.

Councilman Morris moved the adoption of the ordinance. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 874 passed on its first reading.

ORDINANCE NO. 870 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (New Leicester Highway)

3. Consideration was given to the second reading of Ordinance No. 870, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", As amended. (New Leicester Highway).

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 870 passed on its second reading.

MODEL CITIES PROGRAM

Larry Fisher, Director of Finance, spoke of the success of the Model Cities Program in the City of Asheville. He said out of 33 Program Administration staff of the Model Cities Program, 11 are now full time City Employees.

MRS. ROY ROGERS - BUS FARES

Mrs. Roy Rogers asked Council to look into the feasibility of having reduced bus rates all day for Senior Citizens rather than from 10 a. m. to 3 p. m.

Mayor Ochsenreiter advised Mrs. Rogers that this matter was presently being studied.

RALPH G. BISHOP - POLICE DEPARTMENT - COMPLAINTS

Mr. Ralph G. Bishop spoke to Council about the lack of control of the gamblers in the City of Asheville. He strongly critized Chief Hall for his actions in this matter as well as other matters.

COUNCILMAN MICHAEL - CIVIL SERVICE EXAMINATIONS - LOW-RENT HOUSING PROJECTS IN EAST RIVERSIDE URBAN RENEWAL AREA

Councilman Michael said he felt the Civil Service Examination notices are not being published so everyone will know when an examination will be given. He suggested that the notice be in a larger print in the newspaper. He also questioned the waiving of examinations for some positions within the City structure.

Councilman Michael also questioned the feasibility of constructing another 151 low-rent public housing units in the East Riverside Urban Redevelopment Area. He said this would make three (3) housing projects in this area. He said it was also his understanding that the one being constructed only housed 15 single family units. He requested that a member of the Asheville Housing Authority be present at the next Council meeting to answer questions regarding this matter.

MAYOR OCHSENREITER - ANNOUNCEMENTS

Mayor Ochsenreiter announced that February 2 and February 16 would be Mayor's Night in the Council Chambers. He said he would be available along with Jim Robinson, of the Service and Information Division, to hear complaints citizens may have.

He also announced that on January 28, 1976 a news conference would be held in the Council Chambers at which time Council will present programs to be considered during the next two years.

Adjournment.

Eugene R. Ochsenreiter Jr.
MAYOR

William D. Wolcott, Jr.
CITY CLERK

Bid Summary

Bidder	Bid (A)	(B)	(C)
Western Reserving Advertising	25%	25%	25%
Instantcall Communications Center	50%	60%	60%
Reynolds, Madalone, Brown & Assoc.	50%	60%	50%
Western North Carolina Adv. Inc.		No Bid	

RESOLUTION NO. 76-9 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (D. Frank Hyatt, Jr.)

7. Consideration was given to a resolution re-appointing D. Frank Hyatt, Jr. as a member of the Metropolitan Sewerage District Board.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 76-9 was unanimously adopted.

Complete text of Resolution No. 76-9 will be found in Resolution Book No. 6 at page 250.

BIDS - TWO (2) TILT CAB AND CHASSIS COMPLETE WITH MINIMUM 30-CUBIC YARD HYDRAULIC PACKER TYPE BODY FOR USE IN SANITATION DEPARTMENT

8. Consideration was given to bids received January 12, 1976 for two (2) tilt cab and chassis complete with minimum 30-cubic yard hydraulic packer type body for use in Sanitation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Matthews Motors, Inc. in the amount of $76,089.66.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Matthews Motors, Inc. in the amount of $76,089.66. This motion was seconded by Vice-Mayor Horton which carried unanimously.

Bid Summary

Bidder	Bid
Matthews Motors, Inc.	$76,089.66
Arrowhead International Truck Sales	79,438.64
Controlled Environment	83,532.28
Roach-Russell, Inc.	82,068.00

THOMS CABLEVISION, INC. - DISCUSSION - RE: INCREASE IN RATES

Max Cogburn, Attorney for Thoms Cablevision, Inc., presented members of Council with two proposed ordinances one proposed by Thoms Cablevision, Inc., and one proposed by Corporation Counsel William C. Moore, regarding the request of Thoms Cablevision, Inc. for an increase in rates. He said these proposed ordinances were the results of a meeting with Mr. Moore. He said the committee appointed by Council to review the proposed ordinance is scheduled to meet on January 22, 1976.

ORDINANCE NO. 869 - AN ORDINANCE INCLUDING AUXILIARY POLICE OFFICERS OF THE ASHEVILLE POLICE DEPARTMENT IN THE WORKMEN'S COMPENSATION PLAN OF THE CITY OF ASHEVILLE

4. Consideration was given to the third and final reading of Ordinance No 869, an ordinance including auxiliary police officers of the Asheville Police Department in the workmen's compensation plan of the City of Asheville.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 869 passed on its third and final reading.

Complete text of Ordinance No. 869 will be found in Ordinance Book No. 6 at page 328.

ORDINANCE NO. 872 - AN ORDINANCE RESCINDING ORDINANCE 675 WHICH CREATED AND ESTABLISHED A MODEL CITIES COMMISSION AND A MODEL CITIES AGENCY WITHIN THE OFFICE OF THE CITY MANAGER OF THE CITY OF ASHEVILLE, NORTH CAROLINA

5. Consideration was given to the second reading of Ordinance No. 872, an ordinance rescinding Ordinance 675 which created and established a Model Cities Commission and a Model Cities Agency within the Office of the City Manager of the City of Asheville, North Carolina.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the Ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 872 passed on its second reading.

BIDS - ADVERTISING CONCESSION AT THE ASHEVILLE AIRPORT

6. Consideration was given to bids received December 31, 1975 for advertising display concessions at the Asheville Airport.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the bid offered by Reynolds, Madalone, Brown and Associates, Inc., which offered the following: Item (A) - All advertising except for Showcases furnished by the City and Outdoor Advertising Structures 50% of "gross receipts".
Item (B) - Showcases furnished by the City 60%.
Item (C) - Outdoor Advertising Structures 50%.

The memorandum stated that Instantcall Communication Center, Inc., Beverly Hills, California offered the highest bid by 10% on Item C; however, due to Instantcall Communication Center, Inc. being located in California with the nearest representative in Daytona Beach, Florida, it is recommended that the next highest bid, Reynolds, Madalone, Brown and Associates, Inc. be accepted.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Reynolds, Madalone, Brown and Associates for advertising display concessions at the Asheville Airport. This motion was seconded by Councilwoman Swilling and carried unanimously.

COUNCILMAN HORTON - REQUEST FOR TRAFFIC COUNTS AT VERMONT AND SAND HILL ROAD

Councilman Horton said that he had received several complaints regarding the traffic light at Vermont and Sand Hill Road. He requested that traffic counts be made in all directions at this intersection. He said the complaints were in the nature of traffic congestion and interference with parking.

Adjournment.

Eugene L. Abernathy Jr.
MAYOR

William S. Nolen
CITY CLERK

Councilman Morris suggested that the last ordinance Council considered regarding a rate increase, in June, 1975, which failed on third reading, also be presented to the committee for consideration.

RESOLUTION NO. 76-10 - RESOLUTION IN SUPPORT OF THE MONTFORD PARK PLAYERS

Consideration was given to a resolution in support of the Montford Park Players.

The City Manager read the resolution.

Councilman Rainey appealed to the news media to distribute the news of this resolution to the citizens of Asheville to help the Montford Park Players raise the necessary money that they need. He said everyone was concerned about halting urban blight in many areas of the City and the Montford area is certainly one of the areas where a major battle is going on. He said in his opinion, they are certainly building a sense of community in their area. He said he felt all of Asheville should support this group as they represent the City of Asheville in the American Bicentennial Celebration in England during the period of June 25 through July 15, 1976. He said Mr. Ray Kisiah, Parks and Recreation Director, should also be commended for his encouragement and participation with this group.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-10 was unanimously adopted.

Complete text of Resolution No. 76-10 will be found in Resolution Book No. 8 at page 251.

Debra Austin, a member of the Montford Park Players, thanked Council for their past and continued support to their group.

RESOLUTION NO. 76-11 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE ADOPTING THE 1975 EDITION OF THE NORTH CAROLINA ELECTRICAL CODE AS THE ELECTRICAL CODE FOR THE CITY OF ASHEVILLE

Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance adopting the 1975 Edition of the North Carolina Electrical Code as the Electrical Code for the City of Asheville.

The City Manager read the resolution.

Councilman Michael moved for the adoption of the resolution setting the date for the public hearing for February 5, 1976. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 76-11 will be found in Resolution Book No. 8 at page 252.

CLAIM - JAMES E. GLADDEN

The City Manager presented a claim received from Attorney Michael Edward Vaughn on behalf of James E. Gladden.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Ward 17, Sheet 11, Lots 74, 75, and 76).

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 870 passed on its third and final reading.

Complete text of Ordinance No. 870 will be found in Ordinance Book No. 6 at page 329 .

ORDINANCE NO. 872 - ORDINANCE RESCINDING ORDINANCE 675 WHICH CREATED AND ESTABLISHED A MODEL CITIES COMMISSION AND A MODEL CITIES AGENCY WITHIN THE OFFICE OF THE CITY MANAGER OF THE CITY OF ASHEVILLE, NORTH CAROLINA

4. Consideration was given to the third and final reading of Ordinance No. 872, an ordinance rescinding Ordinance 675 which created and established a Model Cities Commission and a Model Cities Agency within the Office of the City Manager of the City of Asheville, North Carolina.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 872 passed on its third and final reading.

Complete text of Ordinance No. 872 will be found in Ordinance Book No. 6 at page 331 .

Councilman Rainey commented on the success of the Model Cities Program in the City of Asheville. He noted that many trained individuals who worked with the Program have continued to serve their community.

ORDINANCE NO. 874 - AN ORDINANCE ESTABLISHING ELECTRICAL INSTALLATION STANDARDS

5. Consideration was given to the second reading of Ordinance No. 874, an ordinance establishing electrical installation standards.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 874 passed on its second reading.

SALE OF PARCEL 157 - EAST RIVERSIDE RENEWAL PROJECT N. C. R-48

6. Consideration was given to the approval of the sale of Parcel 157 in the East Riverside Renewal Project N. C. R-48.

Thursday - January 22, 1976- 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen J. W. Hoyle and Otis B. Michael

1. Approval of the minutes of the January 15, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, the minutes of the January 15, 1976 meeting were approved as submitted.

PUBLIC HEARING - CLOSING PORTION OF FAGG STREET, TIERNAN STREET, TENIE STREET AND ALL OF HORSE SHOE CURVE AND MURRAY HILL ROAD

RESOLUTION NO. 76-12 - RESOLUTION TO CLOSE A PORTION OF FAGG STREET, TIERNAN STREET, TENIE STREET AND ALL OF HORSE SHOE CURVE AND MURRAY HILL ROAD

2. A public hearing was held concerning a request by the Asheville Housing Authority that a portion of Fagg Street, Teirnan Street, Tenie Street and all of Horse Shoe Curve and Murray Hill Road be permanently closed.

Mayor Ochsenreiter opened the public hearing at 3:03 o'clock p. m.

The City Manager read the resolution calling for a public hearing on the matter setting the time and date for the public hearing and the affidavit of publication. He also stated that he had received an affidavit stating that the proper notices were placed in accordance with the provisions of the resolution.

Mr. Larry Holt, of the Asheville Housing Authority, presented maps indicating the exact locations of the streets proposed to be closed. He also stated that no one would be deprived of ingress or egress to their property by the closing of these streets.

No one expressed opposition to the request that these streets be permanently closed.

Mayor Ochsenreiter closed the public hearing at 3:10 o'clock p. m.

The City Manager was requested to read a prepared resolution which would close the streets requested to be closed.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 76-12 was unanimously adopted.

Complete text of Resolution No. 76-12 will be found in Resolution Book No. 8 at page 254 .

ORDINANCE NO. 870 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Ward 17, Sheet 11, Lots 74, 75, and 76)

3. Consideration was given to the third and final reading of Ordinance No. 870, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 76-13 was unanimously adopted.

Complete text of Resolution No. 76-13 will be found in Resolution Book No. 8 at page 257.

RESOLUTION NO. 76-14 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING AN 8-INCH WATER LINE AT THE CRAYTON ROAD CROSSING IN ASHEVILLE, NORTH CAROLINA.

9. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the Southern Railway Company concerning an 8-inch water line at the Crayton Road crossing in Asheville, North Carolina.

The City Manager read the resolution.

Gary McGill, of the Water and Sewer Division, explained that the right-of-way was necessary across the Crayton Road Railroad crossing at Oakley from the Southern Railway Company for a proposed 8-inch main water line running from the 16-inch water line on Sweeten Creek Road to the Oakley Community to improve water service in that area.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 76-14 was unanimously adopted.

Complete text of Resolution No. 76-14 will be found in Resolution Book No. 8 at page 258.

BIDS - ONE (1) CAB AND CHASSIS WITH 36' ARTICULATING AERIAL LADDER FOR PARK AND RECREATION DEPARTMENT

10. Consideration was given to bids received December 30, 1975 for one (1) cab and chassis with 36' Articulating Aerial Ladder for Park and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Dorato Motors, Inc. in the amount of $21,753.35. He said the budgeted amount for this equipment was $14,000 and if Council accepted the bid of Dorato Motors in the amount of $21,753.35 he was prepared to present an ordinance amending the operating budget for 1975-76 to cover the deficit.

Upon inquiry of Vice-Mayor Horton, Ray Kisiah, Parks and Recreation Director, explained that the deficit of $7,043 was due to the cost of the truck being inadvertently ommitted from the appropriation amount.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Dorato Motors, Inc. in the amount of $21,753.35. This motion was seconded by Councilman Rainey and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$21,963.28
Matthews Motors, Inc.	22,475.43
Dorato Motors, Inc.	21,753.35

The City Manager read a letter from the Housing Authority of the City of Asheville which recommended approval of the sale of Parce 157, which is located on Olive Street. The adjacent property owners, Mr. and Mrs. McKinley Ellis of 9 Olive Street submitted a bid of $900.00. Both Parcel 157 and the Ellis' property are substandard in size, however, when combined a standard lot will result.

Councilman Morris moved to approve the sale of Parcel 157 in the East Riverside Renewal Project N. C. R-48 to Mr. and Mrs. McKinley Ellis for the amount of $900.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 875 - AN ORDINANCE AMENDING THE OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76 (Purchase of Parking meter manual conversion kits)

7. Consideration was given to an ordinance amending the operating budget for the City of Asheville for Fiscal Year 1975-76 to purchase parking meter manual conversion kits.

The City Manager read the ordinance.

Mike Smith, Central Services Director, explained that through the sale of surplus parking meters in the amount of $2,200 an appropriation of this amount into the General Fund Revenues was necessary in order to purchase parking meter manual conversion kits for the Parking Services Division.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 875 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 875. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 875 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 875. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 875 passed on third and final reading.

Complete text of Ordinance No. 875 will be found in Ordinance Book No. 6 at page 335.

RESOLUTION NO. 76-13 - RESOLUTION OF APPRECIATION TO THE ASHEVILLE ASSOCIATION OF INSURANCE WOMEN AND THE CRIME PREVENTION BUREAU OF THE ASHEVILLE POLICE DEPARTMENT

8. Consideration was given to a resolution of appreciation to the Asheville Association of Insurance Women and the Crime Prevention Bureau of the Asheville Police Department.

The City Manager read the resolution. He said the Asheville Association of Insurance Women and the Crime Prevention Bureau of the Asheville Police Department had organized programs on women's protection and through these programs sponsored by the Association during 1975, the Crime Prevention Bureau has reached some 1600 people in attendance at 60 presentations on ways to combat crime.

Mayor Ochsenreiter appointed Councilmen Morris, Hoyle and Rainey to serve as a sub-committee in preparing final recommendations for Council's consideration in appropriating the Community Development funds to special projects.

RESOLUTION NO. 76-15 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL (Mrs. Gladys P. Forney and Mr. Ray Lyles)

Consideration was given to a resolution appointing Mrs. Gladys P. Forney and Mr. Ray Lyles as amembers of the Board of Directors of the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-15 was unanimously adopted.

Complete text of Resolution No. 76-15 will be found in Resolution Book No. 8 at page 259 .

BUDGET PROCESS FOR FISCAL YEAR 1976-77

The City Manager advised that the City staff has begun its work on the Budget for the 1976-77 Fiscal Year. One of the things to be budgeted will be the balance of the pay increases as set by the previous Council. He advised that the previous Council had a comparability study made and one-half of the increases resulting from the comparability study was made effective January 1, 1976 and the other half to be made effective July 1, 1976. He said, possibly before the end of March the staff will be doing another comparability study to see how the City stands as of this time. He said they would also be investigating the cost and possibility of a longevity program.

AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES AFL-CIO (UNION) - DISCUSSION

Corporation Counsel William C. Moore summarized the following letter received from the Attorney General's Office relating to the organization of a union:

20 January 1976

Mr. William C. Moore
Attorney at Law
P. O. Box 7625
Asheville, North Carolina 28807

Dear Mr. Moore:

In your letter of January 12, 1976 you raise certain questions relative to the possible affiliation by employees of the City of Asheville with the American Federation of State, County and Municipal Employees AFL-CIO (Union). The questions are: (1) Is the City of Asheville required to recognize this Union as the representative of all of the employees of the City of Asheville?; (2) May the City of Asheville enter into binding negotiations with the Union

ORDINANCE NO. 876 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76 (Purchase of Truck for Parks and Recreation)

Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1975-76 to allow for the deficit in purchasing one (1) High Ranger Truck for the Parks and Recreation Department.

The City Manager read the ordinance.

Councilwoman Swilling moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-0, Ordinance No. 876 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 876. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 876 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 876. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 876 passed on third and final reading.

Complete text of Ordinance No. 876 will be found in Ordinance Book No. 6 at page 336.

PRESENTATION OF CITIZEN RECOMMENDATIONS FOR COMMUNITY DEVELOPMENT PROJECTS FOR FISCAL YEAR 1976-77

11. Logan Delany, Community Development Coordinator, presented Council with the citizen recommendations for Community Development Projects for Fiscal Year 1975-76. He said during the public hearings to obtain these recommendations over 500 people attended the meetings. He said if all the recommendations of the citizens were met it would take approximately $80,000,000.

Rev. Wesley Grant asked if any single family houses would be built under the upcoming Community Development Program.

Mr. Delany advised Rev. Grant that under the Community Development guidelines funds could not be used for building houses.

Councilman Rainey said that he had requested Mr. Michalove, Assistant City Manager, to look into the possibility of starting a pilot project with Community Development funds of purchasing vacant lots in the Community Development areas and donating them to private individuals to build on. He suggested starting with $30,000.

Councilwoman Swilling commended the City staff for their efforts in holding public hearings to obtain citizen recommendations for the use of these funds.

In Winston-Salem/Forsyth County Unit of the North Carolina Association of Educators v Phillips, supra, the Court stated that '[t]he state is not required to provide plaintiffs with a special forum in order to advocate their views. It is under no duty to provide a 'guarantee that a speech will persuade or that advocacy will be effective.'" It is interesting to note that Phillips involved an attack on N.C.G.S. 95-98 by plaintiffs, who were members of the Winston-Salem/Forsyth County Unit of the North Carolina Association of Educators, an unincorporated association represnting professional employees, on the grounds that the statute rendered nugatory their right to associate since it voids any contract obtained by the association. Plaintiffs further contended that it was fruitless for the organization to discuss matters with the school because none of the discussions could lead to any binding agreement, and this in turn denied them their right to associate. As was mentioned, the Court in Phillips rejected these arguments.

Based on what has been stated above, the City of Asheville may not enter into a contract with the Union as bargaining agent for any public employees. The City of Asheville may allow the Union to express before the City Council the wishes and desires of those employees which are members of the Union, however, the status of the Union in this respect would be the same as any other individual coming before the City Council and being allowed to express his views about a particular matter of concern to the Council.

As to whether the City of Asheville may make deductions from the wages of its employees or operate a "check-off" for Union dues of a labor organization or Union composed of employees of a municipal corporation, enclosed is copy of an opinion issued by this office on 25 July 1969 concluding that a municipal corporation or city cannot check-off or deduct Union dues from the wages of its employees for the benefit of a labor union or organization. The basis for this opinion was G. S. 95-98. However, in Local 660, International Association of Firefighters v City of Charlotte, 381 F. Supp 500 (W.D.N.C. 1974, affirmed, 518 F.2d 83 (4th Cir., 1974), the Court held that although the individual plaintiffs, members of a firefighters union, had no right per se to have monies withheld from their paychecks for the benefit of their union, and though the defendant City of Charlotte, the employer, was under no duty to enter into collective bargaining agreements or other contracts with the union, once the City of Charlotte offered to withhold monies from checks of employees for other purposes and organizations, plaintiffs were entitled to have monies deducted for union dues. It is our understanding that the City of Charlotte has applied for certiorari to the United States Supreme Court.

with respect to wages, hours of employment, etc., for those employees of the City who are members of the Union?; (3) May the City of Asheville enter into a contract or agreement with the Union for the purpose of collective bargaining?; and (4) Is the City of Asheville required to provide a "check-off" which authorizes the employer to withhold from an employee's wages and pay to the Union of which the employee is a member, Union dues and Union initiation fees?

North Carolina General Statute 95-98 provides that contracts between State governmental units and public employee labor organizations shall be void. N.C.G.S. 95-98 reads as follows:

> "95-98. Contracts between units of government and labor unions, trade unions or labor organizations concerning public employees declared to be illegal. -- Any agreement, or contract, between the governing authority of any city, town, county, or other municipality, or between any agency, unit, or instrumentality thereof, or between any agency, instrumentality, or institution of the State of North Carolina, and any labor union, trade union, or labor organization, as bargaining agent for any public employees of such city, town, county or other municipality, or agency or instrumentality of government, is hereby declared to be against the public policy of the State, illegal, unlawful, void and of no effect."

N.C.G.S. 95-98 has been held constitutional in two recent federal three-judge court decisions. Atkins v City of Charlotte, 296 F.Supp. 1068 (W.D.N.C. 1969); Winston-Salem/Forsyth County Unit of the North Carolina Association of Educators v Phillips, 381 F.Supp. 644 (M.D.N.C. 1974). In pointing out exactly what N.C.G.S. 95-98 does, and why it is constitutional, Judge Craven stated in Atkins, supra, at 1077:

> "We find nothing unconstitutional in G.S.§ 95-98. It simply voids contracts between units of government within North Carolina and labor unions and expresses the public policy of North Carolina to be against such collective bargaining contracts. There is nothing in the United States Constitution which entitles one to have a contract with another who does not want it. It is but a step further to hold that the state may lawfully forbid such contracts with its instrumentalities. The solution, if there be one, from the viewpoint of the firemen is that labor unions may some day persuade state government of the asserted value of collective bargaining agreements, but this is a political matter and does not yield to judicial solution. The right to a collective bargaining agreement, so firmly entrenched in American labor-management relations, rests upon national legislation and not upon the federal Constitution. The State is within the powers reserved to it to refuse to enter into such agreements and so to declare by statute."

17 April 1969

Subject: Public Officers & Employees; Labor Unions; Contracts Between Units of Government and Labor Unions

Requested by: Mr. William C. Herring
Administrative Director
North Carolina School of the Arts

Question: May the North Carolina School of the Arts enter into contracts approved by the Actors' Equity Association?

Conclusion: The North Carolina School of the Arts is an agency of the State and may not enter into contracts with the Actors' Equity Association.

The North Carolina School of the Arts is an agency of the State of North Carolina organized and operated under Article 4 of Chapter 116 of the General Statutes, as amended. Actors' Equity Association claims that future agreements between regular term faculty and guest artists who are members of the Union must be in accordance with their guest artist agreement and their University Actor-Teacher Contract. A copy of a draft of Actors' Equity Contract has been reviewed.

Under the provisions of G.S. 95-98 no agency of the State of North Carolina may enter into any labor union, trade union, or labor organization, as a bargaining agent for any public employees of such agency of the State. G.S. 95-98 has been declared to be constitutional and valid by a 3-judge federal court. The public employees of the North Carolina School of the Arts may not enter into this contract or make the performance of their services subject to the approval of the Actors' Equity Association since this is prohibited by law.

Deputy Attorney General

25 July 1969

Subject: Public Officers & Employees; Labor Unions; Right of Authority of Municipal to Check-off Labor Union Dues for the Benefit of a Labor Organization Composed of its Employees

Requested by: Mr. H. Milton Short
Councilman of the City of Charlotte

Question: Can a municipal corporation or a city make deductions from the wages of its employees or operate a check-off for union dues of a labor organization or union composed of employees of a municipal corporation?

Based on the City of Charlotte case, the opinion rendered by this office in 1969 appears to have been overruled by the federal court where the city makes deductions from the employee's paycheck for other purposes, these other purposes including such things as hospitalization insurance, etc.

If we can be of any further assistance, please let us know.

Very truly yours,

RUFUS L. EDMISTEN
Attorney General

Andrew A. Vanore, Jr.
Senior Deputy Attorney General

AAVjr:js

instrumentality of government, is hereby declared to be against the public policy of the State, illegal, unlawful, void and of no effect."

As you will see this section prohibits and forbids any agreement or contract between your city or municipality and any labor union or trade organization as bargaining agency for any public employees. This would be or amount to an agreement between you and the union and to check-off and pay over to the union the union dues from the wages of these employees of the City of Charlotte. Now, a check-off agreement whereby union dues are deducted from the employees' wages is a function or segment of collective bargaining. In the case of *National Relations Board v Reed and Prince Mfg. Co.*, 205 F.2d 131, 136, the United States Court of Appeals for the First Circuit said:

"On the check-off proposal, the company registered its opposition, mainly on the ground that this was not a proper subject of collective bargaining. In this the company was mistaken."

Since the check-off agreement deals with a segment or functioning of collective bargaining with the labor union, it is expressly prohibited by G.S. 95-98 quoted above and the City of Charlotte has no authority of law and is expressly prohibited from operating or making any deductions or check-off from its employees' wages for the purposes of paying union dues or for that matter any other fee or assessments that pertain to the business of the labor union or labor organization. The city employees wanted a labor union or labor organization and the three-judge federal court said they could have it but the union will have to see to its own financing without the aid of the city for the city is prohibited by law from entering into any such agreement or exercising such assumed authority even in the absence of an agreement.

Robert Morgan, Attorney General
Ralph Moody,
Deputy Attorney General

28 October 1969

Subject: Public Officers & Employees; Legal Defense of; Authority of Board of County Commissioners to Pay Attorneys' Fees in Civil Action Against Sheriff

Requested by: Mr. George T. Davis
Hyde County Attorney

Question: May a county board of commissioners pay attorneys' fees arising from a civil action against the sheriff of the county as a result of the performance of his duties?

Conclusion: County boards of commissioners may pay attorneys' fees in the civil cases against the sheriff of the county as a result of the performance of his duties.

Conclusion: A municipal corporation or city cannot check-off or deduct union dues from the wages of its employees for the benefit of a labor union or organization composed of its employees.

The inquiry submitted by a councilman of the City of Charlotte is in essence a question of whether or not the City of Charlotte can operate a check-off of union dues for the benefit of a labor organization composed of its employees. It is assumed that this labor organization or union has for its membership city employees for if the city operates a check-off or deduction system it would have to be from the wages of its employees and it certainly would have no authority whatsoever in connection with the labor union whose membership is composed of employees other than city employees. The assumption is made therefore that such is the case. In the case of *Atkins, et al and International Association of Fire Fighters and International Labor Union v City of Charlotte and the Chief of the Charlotte Fire Department, et al* (Civil No. 2274, Western District of North Carolina, Charlotte Division) a three-judge federal court decided that G.S. 95-97, which prohibited firemen from joining or organizing a labor unit, was void and constituted a deprivation of constitutional rights. As to the constitutional validity of G.S. 95-98 the three-judge federal court had this to say:

> "We find nothing unconstitutional in G.S. 95-98. It simply voids contracts between units of government within North Carolina and labor unions and expresses the public policy of North Carolina to be against such collective bargaining contracts. There is nothing in the United States Constitution which entitled one to have a contract with another who does not want it. It is but a step further to hold that the state may lawfully forbid such contracts with its instrumentalities. The solution, if there be one, from the viewpoint of the firemen, is that labor unions may someday persuade state government of the asserted value of collective bargaining agreements, but this is a political matter and does not yield to judicial solution. The right to a collective bargaining agreement, so firmly entrenched in American labor-management relations, rests upon national legislation and not upon the federal Constitution. The State is within the powers reserved to it to refuse to enter into such agreements and so to declare by statute."

The provisions of G.S. 95-98 are as follows:

> "Contracts between units of government and labor unions, trade unions or labor organizations concerning public employees declared to be illegal.—Any agreement, or contract, between the governing authority of any city, town, county or other municipality, or between any agency, unit, or instrumentality thereof, or between any agency, instrumentality, or institution of the State of North Carolina, and any labor union, trade union, or labor organization, as bargining agent for any public employees of such city, town, county or other municipality, or agency or

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

1. Approval of the minutes of the January 22, 1976 meeting.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, the minutes of the January 22, 1976 meeting were approved as submitted.

PUBLIC HEARING - THOMS CABLEVISION, INC. - REQUEST FOR INCREASE IN RATES AND/OR FRANCHISE FEES

ORDINANCE NO. 877 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

2. A public hearing was held relative to Thoms Broadcasting Inc. requesting an increase in rates and/or franchise fees.

Mayor Ochsenreiter opened the public hearing at 3:02 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Max Cogburn, Attorney for Thoms Broadcasting, Inc. reported that he had met with the committee appointed by the Mayor to prepare an ordinance for Council's consideration. However they were unable to come up with an ordinance satisfactory to both parties. He then presented members of Council with a proposed ordinance, which was prepared by Mr. Thoms, Mr. Jerose, and himself. He pointed out that this ordinance contained the fundamental and basic needs of the franchisee. Those being (1) To set a present base rate at $7.00, which is more than the national average at the present but would not be for very long; (2) Adjustments to be made annually to avoid the "lag" the franchisee had encountered from the beginning; and (3) the amount by which the national average increases each year would be the amount by which the increase would be each year.

Mr. Cogburn advised that Thoms Broadcasting Company had sent letters to all the subscribers, with a card to be returned, asking their feelings about paying a $7.00 monthly service charge. He said the letters were mailed Tuesday of this week and at the present 38 responses had been returned, with 36 favoring the increase and only 2 were opposed.

Mr. Bill Fass, said that he was a subscriber to cablevision services and he was willing to pay a $7.00 monthly service charge. He encouraged Council to grant Thoms Broadcasting Company, Inc. an increase.

Mr. John Jerose, Manager of Thoms Cablevision, Inc. presented Council with copies of the company's business and growth plan for the next five (5) years. He answered general questions from members of Council regarding the improvement of services and the increases in fees necessary to implement these services.

Mr. Moore said the check-off question still awaits a final appeal outcome and he would not assume in the meantime that the check-off must be provided for the union members. He also pointed out that State law greatly limits what interactions the City and the union might have. He said this matter is not a legal matter between the City and any labor organization but a matter that involves the State of North Carolina since it deals with a North Carolina General Statute.

Mr. Wilbur Hobby, President of the North Carolina AFL-CIO, took exception to the summary given by the Corporation Counsel. He said if Mr. Moore had re-phrased his questions to the Attorney General he would have received different opinions. He said the AFSCME does not wish to enter into any contracts with the City on behalf of the majority of City employees which have signed authorization cards. He said the union was asking Council to listen to their grievances and come to a reasonable understanding. He said he felt this was a matter for Council because the employees don't work for the State, but for the City of Asheville. He also commented that the City already deducts Fraternal Order of Police dues and not to allow union dues taken out would amount to a double standard of justice. He summarized a report of the Institute of Government issued on November 13, 1975 relating to this issue.

Ray Stepp, of the Asheville Central Labor Union, spoke in support of the organization of the AFSCME with the city employees. He said they are willing to assist the employees in organizing such a union in order for the employees to receive consideration in their grievances.

Katherine Ryan spoke in favor of organizing a union for city employees.

Jim Grey also spoke in favor of organizing such a union for city employees.

Adjournment.

MAYOR

CITY CLERK

Vice-Mayor Horton then moved for the adoption of the amendment to the ordinance as presented with monthly service charge of $6.50 inserted, this to apply to both the residential and commercial rates.

In the absence of a second, Mayor Ochsenreiter ruled that the motion failed.

Councilwoman Swilling moved to insert the amount of $7.00 in the ordinance as the monthly service charge for residential rates as well as for commercial rates. She further moved to correct the wording in the last whereas of the ordinance, inserting in lieu of the words "national increase" the words "national average" and further in the paragraph entitled, Other Rates, inserting in lieu of the words "national increase" the words "national average." This motion was seconded by Councilman Hoyle.

Vice-Mayor Horton commented that he did not feel free in endorsing an increase that is greater than the basic formula that was in the original franchise ordinance. He said he felt a $7.00 increase was an unrealistic rate and one that he did not feel Council could adopt and keep the faith with the people of Asheville. He said he could not support an increase above the national average.

Upon inquiry of Councilman Morris, Corporation Counsel Moore advised that any city ordinance requires at least four votes for enactment, a majority of the total Council rather than a majority of those present at a meeting.

Mayor Ochsenreiter called for a vote on Councilwoman Swilling's motion to amend the ordinance. The amendment carried on a voice vote of 3-1.

Mayor Ochsenreiter then asked the City Clerk to call the roll on the ordinance.

On a roll call vote of 4-0, Ordinance No. 877 passed on its first reading.

ORDINANCE NO. 874 - AN ORDINANCE ESTABLISHING ELECTRICAL INSTALLATION STANDARDS

3. Consideration was given to the third and final reading of Ordinance No. 874, an ordinance establishing electrical installation standards.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 874 passed on its third and final reading.

Complete text of Ordinance No. 874 will be found in Ordinance Book No. 6 at page 333.

PRESENTATION OF SUB-COMMITTEE'S RECOMMENDATIONS FOR COMMUNITY DEVELOPMENT PROJECTS FOR FISCAL YEAR 1976-77

4. **Logan Delany**, Community Development Coordinator, presented Council with the sub-committee's recommendations for Community Development Projects for Fiscal Year 1976-77.

Mr. Palmer of the Gracelyn Apartments, spoke in opposition to the request of Thoms Cablevision Company for an increase in monthly service charges. He cited several personal problems relative to the service.

Vice-Mayor Horton took exception to the projected subscriber growth outlined in the plan. He also noted that if the proposed $7.00 increase was granted it would amount to $ .44 over the present national average.

Corporation Counsel William C. Moore, presented the proposed ordinance prepared by the committee appointed by the Mayor. He said the basic difference in the committee's ordinance and the one proposed by Attorney Max Cogburn was as follows: 1) Monthly Service Charge was left blank - to be filled in with an amount satisfactory to Council; 2) Provision that Council may increase or decrease the monthly rates each year, upon satisfactory proof, that the national average rate has increased or decreased during said previous year; 3) a provision that Council, upon satisfactory proof, must increase said rates at least every three years to insure the maintaining of at leaset the national average rate.

Mayor Ochsenreiter closed the public hearing at 4:08 o'clock p. m.

At this time, Councilman Rainey requested that he be excused. He said he was asking to abstain from voting on the issue as he felt there was a conflict of interest in the matter as Mr. Thoms had contributed to his recent campaign.

Mayor Ochsenreiter granted the request and Council Rainey retired from the Council Chambers.

The City Manager read the ordinance, prepared by Corporation Counsel William C. Moore.

At this time, Mr. Moore asked that two corrections be made in the ordinance before adoption. He indicated that in the last whereas where the words "national increase " appears and in the section entitled Other Rates where the words "national increase" again were used, in both instances these words should be changed to read "national average".

Vice-Mayor Horton, as chairman of the committee appointed by the Mayor to study and make recommendations on the proposed amendment to the cablevision ordinance, reported that the resulting proposed amendment now before Council "was worded to be as closely aligned as possible to the intent and wording of the original franchise ordinance which was passed by the vote of the citizens of Asheville. He said it also takes into account the flexability to allow Council to change the rate from the concept of the national average to what has been requested by Thoms Cablevision." He said he wished to point out two things; 1) that if Council keeps the faith with the voters of Asheville then Council should not be willing to depart from the concept of the national average as it now applies; 2) that he felt that the people of the City of Asheville who voted on the original ordinance and the resulting franchise agreement have every confidence that Council will give cognizance to what they approved. At the same time, he said, cognizance should be given to the need before them. He said that in some point in time a formula would have to be established. He said that he would be willing to propose a $6.50 rate to be inserted in the proposed ordinance amendment, which he said would be approximately the "national average" at this point.

Bill Edens, Water and Sewer Director, advised that this supplemental municipal agreement was related to the relocation of utilities for the downtown connector in the vicinity of U. S. 70 and 74 at Haw Creek Junction. This particular project involves a relocation of major transmission mains serving the central business district, North Asheville, West Asheville and South Buncombe. It includes a portion of the relocation of our 24-inch transmission main to White Fawn Reservoir from its location under the Holiday Inn. This is a significant portion of our Phase III development in that it provides a safety factory that we do not have now. The estimated cost of this project to the City is approximately $300,000.00 which will be paid out of the Bond Fund, Fund 32. While this exceeds our estimate for pure re-locations, additional money allocated for the White Fawn Feeder and for a pressure station in the transmission main brings the total amount within the expected total.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-16 was unanimously adopted.

Complete text of Resolution No. 76-16 will be found in Resolution Book No. 8 at page 260.

RALPH BISHOP - COMMENTS RELATIVE TO GAMBLERS IN THE CITY OF ASHEVILLE

Mr. Ralph Bishop told Council that he had requested City Manager Ernest Ward to investigate a list of people gambling in the City of Asheville. He said as of this date he had not received a reply as to whether this investigation was being instigated.

Mayor Ochsenreiter told Mr. Bishop that when the investigation was completed he would be notified.

ASHEVILLE MERCHANTS ASSOCIATION - REQUEST FOR FREE ON-STREET METERED PARKING

Councilman Hoyle read a letter from the Asheville Merchants Association requesting free on-street metered parking on February 16, 1976 for the George Washington Sale.

Councilman Hoyle moved to grant the request of the Asheville Merchants Association for free on-street metered parking , beginning at 10:00 a. m., on February 16, 1976 for the George Washington Sale. This motion was seconded by Councilman Morris and carried unanimously.

Adjournment.

Eugene S. Ochsenreiter Jr.
MAYOR

William J. Wilcox Jr.
CITY CLERK

He said request from citizens for Community Development assistance in two areas not previously included in the Community Development project area were recognized and approved as eligible under the Community Development guidelines by the sub-committee, one being part of Census Tract 8, which includes part of Kenilworth area, west of Kenilworth Road to Biltmore Avenue and the other consist of Census Tract 6 bordered on the north by Hillside Street, east by Town Mountain Road, west by Broadway, and on the south by the Expressway.

He said the sub-commitee begun its deliberations by reallocating some contingency funds and some equipment funds which were determined ineligible by HUD.

He said all these recommendations were based on and taken from the citizens recommendations.

He said action is scheduled to be taken by Council on February 5, 1976 at the regular scheculed Council meeting. He said any additions, corrections, or suggestions should be presented to the Community Development Office by Tuesday, February 3, 1976.

Mayor Ochsenreiter requested that Mr. Delany mail copies of the sub-committee's recommendations to the area leaders who attended the public hearings.

BIDS - GALVANIZED CORRUGATED METAL PIPE FOR STREET DEPARTMENT

5. Consideration was given to bids received January 26, 1976 for galvanized corrugated metal pipe for Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Southern Tank and Culvert Company, Inc. in the amount of $3,958.90 for items 1 and 2. He said this pipe was to be used to enlarge the corrugated culvert on Shelburne Road where blockages occur during heavy rainfalls.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent to award the bid to the low bidder, Southern Tank and Culvert Company, Inc., in the amount of $3,958.90. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Southern Tank and Culvert Company, Inc.	$3,958.90
Asheville Steel Company	4,466.55

RESOLUTION NO. 76-16 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE SUPPLEMENTAL MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION RELATIVE TO UTILITY RELOCATION ASSOCIATED WITH DEPARTMENT OF TRANSPORTATION PROJECT # 8.19041408

6. Consideration was given to a resolution authorizing Mayor to execute supplemental municipal agreement with the North Caroling Department of Transportation relative to utility relocation associated with Department of Transportation Project # 8.19041408.

The City Manager read the resolution.

Max Cogburn, Attorney for Thoms Broadcasting Companies, Inc., reported that they had received a total of 523 cards from subscribers stating that they would be willing to pay a $7.00 monthly service charge. He said he had received only 54 cards in opposition to the increase.

Mr. Cogburn said that it was his hope that the amendment to the ordinance would establish a formula under which future fee adjustments to the national average would be made, whether it be done annually or every three years.

Bob Hansen spoke in favor of granting Thoms Broadcasting Company an increase to $7.00 monthly.

Harold Thoms, President of Thoms Broadcasting Company, advised that he had conferred with the stockholders of the company and it was not their intention to make a profit but to provide better services.

Carl Johnson requested that another survey be made in the Hillcrest Apartments to determine the feasibility of providing cablevision services to this area.

At the request of Mayor Ochsenreiter, Mr. Jerose, Manager of Thoms Broadcasting Company, said that he would conduct such a survey during the next week.

Councilman Rainey again requested permission to be excused from the meeting in order to abstain from voting on the matter. He again stated that he felt that he had a conflict of interest in the matter.

Mayor Ochsenreiter excused Councilman Rainey from the meeting at 3:48 o'clock p. m.

Vice-Mayor Horton pointed out that the original ordinance granting the franchise was literally and technically put on the books by the people through a referendum. He said he still retained the position that Council should keep the faith with the citizens of Asheville and not deviate from the terms and conditions originally voted on by the people. He said it was his hope that Council could adopt an amendment to the ordinance to restore the text of the original ordinance. He also noted that if the ordinance, as passed on first reading, is adopted a rate of $ .44 above the national average would be permanently built in to any future increases.

Councilwoman Swilling made the following statement and motion:

"I would like to made an amendment to this ordinance; but let me first state my feelings with regard to this amendment. The fact that Thoms Broadcasting Companies began the requesting of a reate increase almost a year ago and according to the Attorney General of North Carolina the City Council has the right to waive the three year limitation set forth in the franchise by adopting a new ordinance, and after much delibration, discussion, and the election of a new City Council, a committee was appointed by the Mayor, consisting of Vice-Mayor Bill Horton, Corporate Counsel Bill Moore, and myself to work with Attorney Max Cogburn, Mr. Harold Thoms and Mr. John Jerose on the writing of this ordinance. This committee worked very hard and I feel a sincere effort has been made to work out an ordinance that would be agreeable with the Thoms Broadcasting Company and the City Council as representatives of the citizens of Asheville.

Thursday - February 5, 1976 -3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager Ernest J. Ward

1. Approval of the minutes of the January 29, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Michael, the minutes of the January 29, 1976 meeting were approved as submitted.

PUBLIC HEARING - ADOPTION OF NORTH CAROLINA ELECTRICAL CODE

ORDINANCE NO. 878 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES ENTITLED STATE ELECTRICAL CODE ADOPTED

2. A public hearing was held concerning the adoption of the 1975 Edition of the North Carolina Electrical Code (North Carolina State Building Code, Volume IV, Electrical) as the electrical code for the City of Asheville.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Building Inspector, told Council this was a legal procedure required to adopt the North Carolina Electrical Code as the electrical code for the City of Asheville. He said this code was adopted by the North Carolina Building Code Council and it was now necessary for Council to adopt the code locally.

Mayor Ochsenreiter closed the public hearing at 3:07 o'clock p. m.

The Assistant City Manager read the ordinance.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 878 passed on its first reading.

ORDINANCE NO. 877 - ORDINANCE AMENDING THE ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

3. Consideration was given to the second reading of Ordinance No. 877, an ordinance amending the ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance, as passed on first reading, and the ordinance would not be re-read in its entirety unless there was a specific request to do so.

After discussion relative to the language contained in the ordinance. Councilwoman Swilling and Councilman Michael withdrew their motion and Councilwoman Swilling offered the following motion:

" That the 7th Whereas of the aforeread ordinance read as follows:

WHEREAS, the City Council of the City of Asheville has determined that Section 11 of said ordinance should be amended to the end that the said Council may increase or decrease the rates charged, upon satisfactory proof, each year, by the amount that the national average has increased or decreased during said previous year, above or below, the base charge as hereinafter set forth and identified as monthly service charge, said national average shall be determined by ascertaining the rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville.

And further that the last full paragraph following the asterisk on Page 2 of this ordinance comply with the wording as stated in this amendment to the 7th Whereas of the first page of this ordinance."

This motion was seconded by Councilman Michael.

Mayor Ochsenreiter called for a voice vote on Councilwoman Swilling's motion. The vote was 3-2.

Vice-Mayor Horton questioned Corporation Counsel William C. Moore as to the number of votes necessary to pass Councilwoman Swilling's motion.

Corporation Counsel Moore read Section 12 of the Charter of the Code of the City of Asheville relative to the number of votes necessary for the adoption of an ordinance, resolution or vote, which reads as follows:

"Section 12 - Quorum; Disqualification to vote

A majority of the members elected to the council shall constitute a quorum but a less number may adjourn and compel the attendance of absent members. The affirmative vote of a majority of the members shall be necessary to adopt any ordinance, resolution or vote, exept that a vote to adjourn or regarding the attendance of absent members may be adopted by a majority of the members present. No member shall be disqualified from voting except on matters involving his own official conduct or financial interests."

After clarifying this point, Mayor Ochsenreiter declared that Councilwoman Swilling's motion failed on a 3-2 vote.

Mayor Ochsenreiter then asked the City Clerk to call the roll on the second reading of Ordinance No. 877, as passed on first reading.

On a roll call vote of 4-1, Ordinance No. 877 passed on second reading.

I personally have received citizen response to the first reading of this ordinance which sets the monthly service charge at $7.00. This response has been both favorable and unfavorable. One fact is that all my contacts stated that they enjoyed and were glad to have access to CATV. Those feeling the $7.00 charge to great; expressed an interest in keeping the cable but at a price they could afford. The people contacting me in favor of this increase stated they would like to see the progressive programs stated in a letter to them by Thoms Broadcasting Company carried out and would be willing to pay for them. I am very thankful to the people that took their time to let me know their feelings about this matter. The people living in the County are now paying the $7.00 monthly rate.

I received more favorable calls and request than unfavorable. I do not have cable, but after hearing so many good things about it, my husband and I are seriously considering having it put in.

The cablevision people have provided this Council with books of evidence to substantiate their need for more money. They have provided information on how they intend to use this money, "upon satisfactory proof" we have the right to approve or disapprove. This has been input that even I can understand.

I believe they are fair people who are looking to us as representatives of the citizens of Asheville to let them provide the best services and programming possible.

I also feel if this company charges a price greater than their services are worth the citizens of Asheville will not keep or purchase CATV. The responsibility of this Council, I feel, is to the people of our City, if this Company is not able to provide good service and programming at the $5.40 rate, they are cheating the people; if we prevent this company from being able to provide good CATV, by restricting them to rates and conditions that are out of proportion to the times of equipment increases and inflation, we are not right.

I have reviewed the subscriber's agreement, the original franchise, and the reply to Corporate Counsel's request of the Attorney General, after which I feel a good service can be provided to the people if this company is allowed to operate productively.

By amending this ordinance to protect an inagreement with both Thoms Cablevision and the City Council as representatives of the citizen of Asheville I make the following motion:

"That the 7th Whereas of the aforeread ordinance read as follows:

WHEREAS, the City Council of the City of Asheville has determined that Section 11 of said Ordinance should be amended to the end that the said Council shall increase or decrease the rates charged, upon satisfactory proof, each year, by the amount that the national average has increased or decreased during said previous year, above or below, the base charge as hereinafter set forth and indentified as monthly service charge, said national average shall be determined by ascertaining the rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville.

And further that the last full paragraph following the asterisk on Page 2 of this ordinance comply with the wording as stated in this amendment to the 7th Whereas of the first page of this ordinance."

This motion was seconded by Councilman Michael.

RATIFICATION OF CIVIL SERVICE RULES AND REGULATIONS - AMENDMENT TO RULE NO. 30

5. Mike Smith, Personnel Director, read a letter to Council from W. Earl Williams, Director of the Asheville Civil Service Board, requesting ratification by the City Council of an addition to the Civil Service Rules and Regulations, Rule 30, Equal Employment Opportunity. The Asheville Civil Service Board adopted this rule as an addition to its rules and regulations on August 6, 1975, after several months of consideration. He said the rule and its addendum, The City of Asheville Affirmative Action Plan, provide a good policy base for the City to meet its obligations in the area of equal employment opportunity.

Rule 30 - Equal Employment Opportunity

a. General Policy: It is the policy of the Asheville Civil Service Board to provide equal opportunity in employment for all persons regardless of race, color, religion, sex, national origin, age or political affiliations.

b. Affirmative Action Plan: It shall be the policy of the Asheville Civil Service Board to subscribe to a continuing affirmative program for equal opportunity in employment in personnel operation without regard to race, color, religion, sex, national origin, age or political affiliations. An Affirmative Action Plan will be implemented, maintained and periodically updated by the Personnel Division of the City of Asheville and is attached as an addendum hereto.

Councilman Michael requested that a quarterly report be given to members of Council relative to the Affirmative Action Plan.

Councilwoman Swilling suggested that the matter be postponed until further information could be obtained about the matter.

Councilman Micheal objected to the matter being postponed and moved for the ratification of Rule 30, Equal Employment Opportunity, to the Civil Service Rules and Regulations. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING SCHEDULED RELATIVE TO FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION OF THE UNITED STATES OF AMERICA FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

6. Ken Michalove, Assistant City Manager, said it was necessary for Council to schedule a public hearing to receive comments from interested citizens or agencies with respect to the social, economic and environmental aspects of an application with the Department of Transportation of the United States of America for a grant under the Urban Mass Transportation Act of 1964, as amended. He said the public hearing was a requirement under the federal guidelines.

Councilman Morris moved to schedule a public hearing on the matter for March 11, 1976. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-17 - RESOLUTION AMENDING THE COMMUNITY DEVELOPMENT PROGRAM PROJECT BUDGET FOR FISCAL YEAR 1976-77

7. Consideration was given to a resolution amending the Community Development Program Project budget for Fiscal Year 1976-77.

BIDS - TILT CAB AND CHASSIS FOR FIRE DEPARTMENT INCLUDING TRANSFER OF 65' AERIAL LADDER

4. Consideration was given to bids received February 2, 1976 for tilt cab and chassis for Fire Department including transfer of 65' Aerial Ladder from old City of Asheville Fire Truck Unit.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Matthews Motors, Inc. in the amount of $34,632.50. He said the budgeted amount for this equipment was $30,000.00 and if Council accepted the bid of Matthews Motors, Inc. in the amount of $34,632.50 he was prepared to present an ordinance amending the operating budget for 1975-76 to cover the deficit.

Chief Ball said when the $30,000 was budgeted for this equipment it was felt this amount would cover the cost, however due to increasing prices the bid was over the amount budgeted.

Councilman Michael suggested that bids be obtained from larger companies other than local dealers to see if cheaper prices could be obtained.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Matthews Motors, Inc. in the amount of $34,632.50. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Arrowhead International Trucks	$34,703.51
Matthews Motors, Inc.	34,632.50
Dorato Motors, Inc.	40,682.00

ORDINANCE NO. 879 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76 (Purchase of Tilt cab and chassis for Fire Department)

Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1975-76 to allow for the deficit in purchasing tilt cab and chassis for the Fire Department.

The Assistant City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 879 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 879. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 879 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 879. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 879 passed on third and final reading.

Complete text of Ordinance No. 879 will be found in Ordinance Book No. 6 at page 340.

Logan Delany, Community Development Coordinator, said the final project recommendations were based on citizen review and input through eight formal public hearings and several additional public meetings to give special groups further opportunity for review and input into the proposed Community Development projects. He said these public hearings were attended by more than 500 citizens.

Councilman Michael suggested that the Planning Staff review the project recommendations to determine if the recommended projects were top priority items.

Virgil McConnell, of the Shiloh area, said the project entitled "Shiloh Multi-Purpose Center" which calls for the purchasing of the existing buildings and the demolition of the school building and make needed improvements to gym should be investigated more. He said to demolish the existing school would be unacceptable to the residents of the area.

Mr. Delany suggested that Council amend the appropriations to allocate $8,000 from the Contingency Fund to the Planning funds due to the Planning Division being cut from the 701 Planning funds. He said this was needed in order to maintain the same level of services.

Councilman Morris moved to amend the resolution and appropriate $8,000 from the Contingency Fund to the Planning Funds. This motion was seconded by Councilman Horton and carried unanimously.

Marvin Chambers, resident of Wyoming Road, said the appropriation for the Realignment of a sharp curve and resurfacing of Wyoming Road was most justified.

David Rowe, of the Buncombe County Youth Council presented Council with the following statements relative to "Nasty Branch":

"Several years ago, the Asheville-Buncombe County Youth Council focused public attention on a small stream running through Asheville. The stream commonly known as "Nasty Branch" has had raw sewage, chemicals, and trash dumped into it, and through the efforts of the community, it has almost totally been cleaned up.

Today, the Asheville-Buncombe County Youth Council recommends that the land adjacent to this creek from McDowell Street to Depot Street be turned into a park.

We feel this use of Community Development funds is most justified for the following:

I. The land for this park will soon be given to the Asheville Parks and Recreation Department by the Asheville Housing Authority.

II. This park has already been planned and started by the Asheville Housing Authority, but cannot be developed by the Parks and Recreation Department for lack of funds.

III. The area bordering the proposed park is a high population density area and this situation will increase when a new housing development is completed there soon. The park would provide some "breathing room" for the residents.

The Corporation Counsel read the resolution.

Logan Delany, Community Development Coordinator, advised that the project budget was amended by reallocating some contingency funds and some equipment funds which were determined ineligible by HUD.

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 76-17 was unanimously adopted.

Complete text of Resolution No. 76-17 will be found in Resolution Book No. 8 at page 262 .

ORDINANCE NO. 880 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76 (Reappropriating Community Development funds)

Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1975-76 to purchase certain equipment appropriated from the Fiscal 1975-76 Community Development Fund, which has been purchased, but ruled as an ineligible expenditure under the Community Development guidelines.

The Corporation Counsel read the ordinance.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 880 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 880 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 880. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 880 passed on third and final reading.

Complete text of Ordinance No. 880 will be found in Ordinance Book No. 6 at page 341 .

RESOLUTION NO. 76-18 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION FOR COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS FROM THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Consideration was given to a resolution authorizing submission of an application for Community Development Block Grant funds from the Department of Housing and Urban Development.

The Corporation Counsel read the resolution.

Councilman Rainey said this would never be condoned by this Council and if this had occurred it is very serious and should be addressed immediately.

Mayor Ochsenreiter requested that Mrs. Lynch confer with Mr. Mike Smith, Personnel Director, on the matter.

PROCLAMATION - CRIME PREVENTION WEEK - FEBRUARY 11 - 14, 1976

Mayor Ochsenreiter proclaimed the week of February 11 - 14, 1976 as Crime Prevention Week.

PROCLAMATION - MONTH OF FEBRUARY AS HUMAN RELATIONS MONTH

Mayor Ochsenreiter proclaimed the month of February as Human Relations Month.

PROCLAMATION - AMERICAN HISTORY MONTH - FEBRUARY

Mayor Ochsenreiter proclaimed the month of February as American History Month.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

William F. Mallett
CITY CLERK

IV. The park would greatly enhance the beauty of the area.

V. The park would contain a 300 foot baseball field, picnic tables, foot bridges crossing the creek, and, generally open space. There are of course additional possibilities depending on funding.

VI. The addition of this park would complete a comprehensive set of recreation facilities for the residents of this area.

After discussion, Councilman Rainey moved for the adoption of Resolution No. 76-18. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 76-18 will be found in Resolution Book No. 8 at page 264.

CLAIM - SEWER OVERFLOW - 18 CANTERBURY ROAD

The Assistant City Manager presented a claim due to damage caused by sewer overflow at 18 Canterbury Road.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - RESIDENTS OF GASHES CREEK ROAD - REQUESTING RELIEF OF TRAFFIC CONGESTION

The Assistant City Manager presented a petition received from the residents of Gashes Creek Road requesting a different access road to replace the one closed by the construction of Interstate 40. The petition stated that the only entrance to the residences is through the Recreation Park.

Mayor Ochsenreiter referred the petition to the City Manager for investigation and recommendation.

PETITION - REDWOOD FOREST HOMEOWNERS' ASSOCIATION - REQUESTING FIRE HYDRANTS

The Assistant City Manager presented a petition received from the Redwood Forest Homeowners' Association requesting more fire hydrants in their area.

Mayor Ochsenreiter referred the petition to the City Manager for investigation and recommendation.

RALPH BISHOP - COMPLAINTS REGARDING LOTTERY SALES

Mr. Ralph Bishop spoke to Council regarding the selling of lottery tickets in the City of Asheville.

LUCILLE LYNCH - CITY EMPLOYEES AIRING GRIEVANCES WITH CITY COUNCIL

Mrs. Lucille Lynch asked Council why a city employee could not come to City Council and air their grievances. She said some city employees were planning to come to Council to air their grievances and was told by their supervisor that if they did they would be fired.

The due process clauses of the Constitution of the United States and the Constitution of North Carolina safeguard private property against a taking for public use without just compensation. If the use is taken by legislation prescribing rates, the just compensation assured by these constitutional guaranties is a reasonable rate of return on the value of the property so taken.

West v. Chesapeake, Potomac Telephone Company, 295 U.S. 662, 671; 66 S.Ct. 894.

The effect of these constitutional limitations upon the power of any governmental unit or agency to set rates is that rates may not be set so low as to effectively confiscate the property of a business or enterprise. Therefore, the rates set by any governmental unit or agency must be reasonable in order that the rates not be confiscatory in a constitutional sense.

This rule requiring that rates which are set be reasonable is not some new idea which has been recently expounded by some court or invented by some attorney. The Supreme Court of the United States in 1890 decided the case of Milwaukee and St. Paul Railway Company v. Minnesota, 134 U.S. 418, in which it dealt with this very question. In that case, the Court said (at Page 458):

> "If the Company is deprived of the power of charging reasonable rates for the use of its property, and such deprivation takes place in the absence of an investigation by judicial machinery, it is deprived of the lawful use of its property, and thus, in substance and effect, of the property itself, without due process of law, and in violation of the Constitution of the United States; and, in so far as it is thus deprived, while other persons are permitted to receive reasonable profits from their invested capital, the Company is deprived of the equal protection of the laws."

A utility has the right to earn a rate of return on its rate base which will (1) be reasonably sufficient to assure confidence in its financial soundness, (2) be adequate under efficient and economical management to maintain and support its credit and attract necessary capital, and (3) to provide a return to equity owners commensurate with current returns on investment in other enterprises having corresponding risks.

Federal Power Commission v. Hope Natural Gas Company, 320 U.S. 591, 603; 74 S.Ct. 281 (1944).

A fair rate of return means the amount that the company would have to pay to hire its equity capital under current conditions.

N.E. Tel. & Tel. v. Dept. of Public Utilities, 275 N.E. 2d 493, (Sup. Ct., Mass.

Under the Hope Natural Gas Rule, rates are just and reasonable only if the consumers' interests are protected and the financial entity remains strong.

Federal Power Commission v. Memphis Gas & Water Division, 411 U.S. 458, 474; 93 S.Ct. 1723 (1973).

In fixing rates, it is the responsibility of any rate-making body to consider reasonableness as to the company as well as reasonableness to the public and to make a reasonable judgment based upon the balance of these interests, giving due regard to the constitutional necessity of fixing rates which are consistent with the requirements of due process of law and which are not confiscatory.

Thursday - February 12, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager Ernest J. Ward.

1. Approval of the minutes of the February 5, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the February 5, 1976 meeting were approved as submitted.

ORDINANCE NO. 877 - ORDINANCE AMENDING THE ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

2. Consideration was given to the third and final reading of Ordinance No. 877, an ordinance amending the ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance, as passed on first and second readings, and the ordinance would not be re-read in its entirety unless there was a specific request to do so.

Max Cogburn, Attorney for Thoms Broadcasting Company, presented members of Council with copies of the following "Memorandum of Law Relative to Rates".

MEMORANDUM OF LAW RELATIVE TO RATES

Section 1 of the XIV Amendment to the Constitution of the United States provides as follows:

> "All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

Article I, Sec. 19, of the Constitution of North Carolina provides:

> "No person shall be taken, imprisoned, or disseized of his freehold, liberties, or privileges, or outlawed, or exiled, or in any manner deprived of his life, liberty, or property, but by the law of the land. No person shall be denied the equal protection of the laws; nor shall any person be subjected to discrimination by the State because of race, color, religion, or national origin."

The object of the constitutional guaranty of due process of law contained in the Constitution of the United States and the Constitution of North Carolina is to preserve personal and property rights against the arbitrary action of public officials. Every state, county, and municipal official is bound by these amendments. These amendments constitute a restraint upon the legislative, executive and judicial departments of the state and all of its subdivisions.

Mr. Cogburn said even though this issue had received wide spread publicity no large number of citizens had expressed opposition to the requested increase.

Mr. John Jerose, Manager of Thoms Broadcasting Company, told Council that, as requested, a survey had been conducted in the Hillcrest Apartment during the past week to determine if the residents in the apartments would like cablevision services. He said from 234 apartments; 97 answered "yes"; 45 answered "no"; 9 answered "maybe"; and 80 were not at home. He said this area would be placed as high priority for construction, however construction was not planned until 1977.

Mr. Jerose also said his company was in the process of obtaining Channel 3. He said this was a long and difficult procedure but Thoms Broadcasting Company has plans to try and secure Channel 3.

Vice-Mayor Horton said he had reviewed the minutes of the City Council meetings, relative to the ordinance granting a franchise to Thoms Broadcasting Company, from July, 1964 to the present. He said CATV had been one of the most continuing controversial issues Council has dealt with in the past eleven years. He noted that it took several years and two or three false starts before Thoms Cablevision was granted the franchise by the ordinance that was adopted by a vote of the people on July 8, 1967. He read into the minutes a portion of Article XII, Section 83 of the Charter of the City of Asheville, which is as follows:

"Article XII. Initiative, Referendum and Recall

Sec. 83. Initiative.

Any proposed ordinance may be submitted to the Council by a petition signed by registered voters of the City as shown by the registration books for the last preceding election of municipal officers therein (in no event less than one thousand) equal to fifteen percent of one-seventh of the total of all votes cast for members of the City Council at the next preceding municipal election. The signatures, residence, addresses, verifications, filings, authentications, inspections certifications, amendments and submission of such petition shall be the same as hereinafter provided in this article for petitions for the recall of officials. If the petition accompanying the proposed ordinance be signed by the requisite number of voters and contains a request that said ordinance be passed or submitted to a vote of the electors if not passed by the council, such board shall within fifteen days after such petition is submitted to it, either:

(a) Pass such ordinance without alteration, or
(b) Submit the ordinance to the qualified voters at a special election called for that purpose and held not more than forty-five days after the date of such call or at a general election occurring within ninety days after the date of the certificate of the chairman of the board of elections.

The ballots used when voting upon such ordinance shall state briefly the general nature of the ordinance and contain the words "For the Ordinance" and "Against the Ordinance". If the majority of the voters voting on a proposed ordinance shall vote in favor thereof, such ordinance shall become a valid and binding ordinance of the city from the date when the result of such vote is officially declared. No ordinance becoming effective as in this section provided shall be repealed or amended, except by a vote of the people. "

Where unreasonable CATV rates have been set, judicial relief against these unconstitutionally established rates has been granted.

> City of Tyler v. Television Cable Service, Inc., 481 S.W. 2d 166 (Tex. Civ. App., 1972); Cabletelevision, Inc. v. City of Sedalia, 518 S.W. 2d 48 (Mo. 1974); Bush v. Upper Valley Telecable Company, 524 P. 2d 1055 (Idaho 1974).

The case of City of Tyler v. Television Cable Service, Inc. was an action by a cable television company against the City for injunctive relief on the ground that the rates set by the City were confiscatory. In the opinion in this case written by Dunagen, Chief Justice, the Court said (at 481 S.W. 2d 166, Pages 169 and 170):

> "We agree with the reasoning of the United States Supreme Court in Smith v. Illinois Bell Telephone Company, 270 U.S. 587, 46 S.Ct. 408, 70 L.Ed. 747, and believe it is definitive of the issues here. The Supreme Court in Smith reasoned:
>
> > 'Property may be as effectively taken by long-continued and unreasonable delay in putting an end to confiscatory rates as by an express confirmance of them; and where, in that respect, such a state of facts is disclosed as we have here, the injured public service company is not required indefinitely to await a decision of the rate-making tribunal before applying to a federal court for equitable relief. ...'
>
> "The same general theme is stated by the Houston Court of Civil Appeals in City of Houston v. Memorial Bend Utility Company, 331 S.W. 2d 418 (Tex. Civ. App., Houston, 1960, ref., n.r.p.), wherein it is said:
>
> > 'Of course, even should the city council not expressly deny hearing but should delay or prolong the hearing so its action would be tantamount to a denial of a hearing, the courts could intervene upon proper proceedings being instituted. ...'
>
> "Again we point to the language of the Supreme Court of the United States in Prendergast v. New York Telephone Company, 262 U.S. 43, 43 S.Ct. 466, 67 L.Ed. 853, wherein it states:
>
> > 'Nor did the fact that the orders of the commission merely prescribed temporary rates to be effective until its final determination deprive the Company of its right to relief at the hands of the court. The orders required the new reduced rates to be put into effect on a given date. They were final legislative acts as to the period during which they should remain in effect pending the final determination; and if the rates prescribed were confiscatory the Company would be deprived of a reasonable return upon its property during such period, without remedy, unless their enforcement should be enjoined. Upon a showing that such rates were confiscatory, the Company was entitled to have their enforcement enjoined pending the continuance and completion of the rate-making process.'"

appear to be in direct VIOLATION of the DEMOCRATIC PROCESS as set forth in ARTICLE XII, Section 83 of the Asheville City Charter.

He said it was his opinion that Council could not afford to violate the Asheville City Charter.

Corporation Counsel William C. Moore advised Council that he had discussed Article XII and Sections 212, 213, and 214 dealing with franchises with the Attorney General, and it was the Attorney General's opinion that Council could make such rates that are reasonable or make such changes as they may desire in the ordinance without a vote of the people.

Mr. Moore said he concurs with the opinion given by the Attorney General. He further stated that any opinion given by the Attorney General or an opinion given by a Corporate Counsel is only an advisory opinion and could be changed by a court of law under these circumstances.

Vice-Mayor Horton said he felt the issues should be brought to the people for a vote, rather than to Council.

He said he did not know how much time the Attorney General spent in researching for such an opinion. He asked the Corporate Counsel what alternative a citizen would have if Council members did adopt such an ordinance and in his opinion violate the City Charter.

Corporation Counsel Moore responded that a citizen could bring suit against the Council and possibly receive an injuction on the matter.

Councilman Michael said after listening to Vice-Mayor Horton's statements he was not sure that voting on the issue was legal and he asked permission to abstain from voting but Corporation Counsel Moore advised him that under Section 12 of the Charter of the City of Asheville he could not be disqualified from voting except on matters involving his own official conduct or financial interests.

Councilman Michael then moved to table the ordinance until such time as Vice-Mayor Horton could get an opinion from the Attorney General as to whether this ordinance violates Article XII, Section 83 of the Charter of the City of Asheville. This motion was seconded by Vice-Mayor Horton.

Councilman Rainey asked permission to abstain from voting on the issue, for reasons stated in previous meetings, which permission was granted by the Mayor.

Mayor Ochsenreiter then called for a voice vote on Councilman Michael's motion, which motion passed on a 4-1 vote.

It was the consensus of Council that a letter would be composed to the Attorney General by Corporation Counsel Moore, Attorney Max Cogburn and Vice-Mayor Horton. Further action on the matter to await a reply from the Attorney General.

ORDINANCE NO. 878 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED STATE ELECTRICAL CODE ADOPTED

3. Consideration was given to the second reading of Ordinance No. 878, an ordinance amending Section 11-68 of Chapter 11, of the Code of Ordinances, entitled State Electrical Code Adopted.

He said the minutes of the Asheville City Council document the following:

(a) Article XII, Section 83 stipulates that any proposed Ordinance may be submitted to the Council by a petition signed by a designated number of registered voters, which is then duly cerified by the board of elections.

On the date of 6-1-67, Harold H. Thoms presented a letter and petition signed by approximately 3,000 registered voters requesting a vote on an Ordinance granting a franchise for cable television.

On the same date, this request was referred to the City Board of Elections for certification.

(b) Article XII, Section 83 further stipulates that the ballots used when voting upon such ordinance shall contain the words "For the Ordinance" and Against the Ordinance", and if the majority votes in favor thereof, such ordinance shall become a valid and binding ordinance of the city from the date when the result is officially declared.

On the date of 8-3-67, a letter was received from the Board of Elections, certifying the results of the election on July 28, 1967 on the proposed Ordinance and Franchise to Thoms Broadcasting Companies, Inc.:

"For the Ordinance and Franchise - 3,008
Against the Ordinance and Franchise-1,891."

On the same date, Councilman Morgan moved that the City Clerk record this Ordinance as a part of the permanent records of the city, which motion was seconded by Councilman McCrary and unanimously adopted.

(c) Article XII, Section 83 further stipulates :"No ordinance becoming effective as in this section provided shall be repealed or amended, except by a vote of the people."

He noted that these minutes show exactly how the ordinance and franchise as one document was put on the books of the City of Asheville. He said the Council should note that the democratic process, as spelled out in Article XII, Section 83 of the Asheville City Charter, was followed to the letter in the request for and subsequent adoption of the ordinance which constitutes the franchise with Thoms Cablevision.

He said his conclusions were as follows:

(a) Thoms Cablevision voluntarily chose the democratic process as provided in Article XII, Section 83 of the Asheville City Charter as the mechanics by which this ordinance was adopted.

(b) Said democratic process was observed to the letter by the City of Asheville and its citizens, resulting in this ordinance being duly adopted under these Initiative proceedings provided by the City Charter.

(c) Under the provisions of Article XII, Section 83, therefore this ordinance cannot be repealed or amended except by vote of the people.

(c) THEREFORE, any alternative action or decision by City Council would

No. 76-20 was unanimously adopted.

Complete text of Resolution No. 76-20 will be found in Resolution Book No. 8 at page 266

GROUP DEVELOPMENT REVIEW - ORTHOPEDIC HOSPITAL, INC. - PUBLIC HEARING SCHEDULED

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the site plan of the proposed school facilities to be constructed at Orthopedic Hospital, #1 Rotary Drive.

Councilman Rainey moved to schedule a public hearing on the matter for March 4, 1976. This motion was seconded by Councilman Hoyle and carried unanimously.

GROUP DEVELOPMENT REVIEW - REGENT PARK - PUBLIC HEARING SCHEDULED

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the site plan of the proposed Regent Park to be located on Patton Avenue near the Hazel Mill Road intersection, prepared by Richard F. Webster, AIA, for Universal Investment Corporation, Developer.

Councilwoman Swilling moved to schedule a public hearing on the matter for March 4, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

EXTRATERRITORIAL ZONING EXTENSION - BILTMORE FOREST - PUBLIC HEARING SCHEDULED

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the zoning of the extraterritorial zoning extension within a portion of Biltmore Forest.

Councilman Morris moved to schedule a public hearing on the matter for March 11, 1976. This motion was seconded by Councilman Hoyle and carried unanimously.

PRELIMINARY SUBDIVISION PLAT - BALLANTREE, SECTION C

The Assistant City Manager read a letter from the Planning and Zoning Commission relative to the preliminary plat of Ballantree Subdivision, Section C prepared by Roger Lyda, Engineer, for Ballantree Properties, Inc., Developer. The letter stated that the Commission approved the preliminary plat subject to the following variances being granted:

1) Varying required building setback to allow 30 feet rather than the required 35 feet for the R-2 zoning district.

2) Varying the grade on Aspen Way to allow a 15% grade instead of the 12% maximum requirement.

This plat is submitted to Council for approval of the variances recommended by the Planning and Zoning Commission in accordance with Section 26-13 of the Subdivision Regulations of the City of Asheville.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 878 passed on second reading.

RESOLUTION NO. 76-19 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE AA BASEBALL, INC.

4. Consideration was given to a resolution authorizing the Mayor to execute a lease between the City of Asheville and the Asheville AA Baseball, Inc.

The Assistant City Manager read the notice to the public which advised that Council would consider such resolution at this meeting and the affidavit of publication.

The Assistant City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 76-19 was unanimously adopted.

Complete text of Resolution No. 76-19 will be found in Resolution Book No. 8 at page 265.

RESOLUTION NO. ____ - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A TIMBER SALE CONTRACT AMENDMENT FOR SALE NO. 9 WITH GENNETT LUMBER COMPANY

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute timber sale contract amendment for Sale No. 9 with Gennett Lumber Company.

The Assistant City Manager read the resolution. He reviewed for the new members of Council the background of the timber sale contracts with Gennett Lumber Company. He said this particular resolution deals with timber to be harvested from the City's Bee Tree Watershed.

Councilman Rainey moved for the adoption of the resolution. This motion was seconded by Vice-Mayor Horton.

Councilman Morris, in moving to table the resolution, commented that he felt since this timber is to be harvested from the City's Bee Tree Watershed a recommendation from Ray Kisiah, Parks and Recreation Director, should be received. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-20 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A TIMBER SALE CONTRACT AMENDMENT FOR SALE NO. 10 WITH GENNETT LUMBER COMPANY

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a timber sale contract amendment for Sale No. 10 with Gennett Lumber Company.

The Assistant City Manager read the resolution. He said this particular resolution deals with timber to be harvested from the City's North Fork Watershed.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution

light be placed at the intersection of Doctors Drive and McDowell Streets.

Mayor Ochsenreiter referred the petition to the City Manager for investigation and recommendation.

Adjournment.

MAYOR

CITY CLERK

Verl Emrick, Planning Director, said the staff recommended the approval of the variances for the following reasons:

1) Varying required building setback to allow 30 feet rather than the required 35 feet for R-2 zoning districts:

   a) Asheville Zoning Ordinance as amended by Ordinance No. 852 allows the Building Inspector to vary the setback line up to 10' to provide for uniform design when pre-existing residential construction has occurred.

   b) The existing deed restrictions for the entire Ballantree Subdivision calls for a setback of no less than 30 feet.

2) Grade Variation on Aspen Way.

   The proposal indicates that the grade on this cul-de-sac will be 15%. The existing Subdivision Regulations specify 12%. The staff recommends this variance in order that the disturbance of the natural setting of the property may be held to a minimum. Keeping in mind that the developer will have to comply with the Erosion Control Ordinance of the City of Asheville, the proper precautions will be taken to insure the protection of the area.

Councilman Michael moved to approve the variances recommended by the Planning and Zoning Commission for Ballantree Subdivision, Section C. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 76-21 - RESOLUTION OF APPRECIATION FOR ROGER LYDA, VICE CHAIRMAN OF THE PLANNING AND ZONING COMMISSION OF THE CITY OF ASHEVILLE

Consideration was given to a resolution of appreciation for Roger Lyda, Vice-Chairman of the Planning and Zoning Commission of the City of Asheville who has resigned to serve on the County Planning Board.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 76-21 was unanimously adopted.

Complete text of Resolution No. 76-21 will be found in Resolution Book No. 8 at page 267.

CLAIM - DYNATEX, INC.

The Assistant City Manager presented a claim received from Dennis J. Weaver, Attorney for Dynatex, Inc. for damages.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - REQUESTING TRAFFIC LIGHT AT INTERSECTION OF DOCTORS DRIVE AND McDOWELL STREETS

The Assistant City Manager presented a petition requesting that a traffic

RESOLUTION NO. 76-23 - RESOLUTION AUTHORIZING THE SALE OF OBSOLETE FIRE EQUIPMENT

4. Consideration was given to a resolution authorizing the sale of obsolete fire equipment.

The City Manager read the resolution.

Chief Powell Ball advised that the two 1,000 GPM Pumbers, Model 1946 and 1950 are obsolete and no longer of any use to the Fire Department. He said parts for these pieces of equipment are not manufactured any longer and it was felt that it would be in the best interest of the City to sell the equipment.

Larry Fisher, Director of Finance, said the resolution of sale would be published at least once in the newspaper and that this sale would not be consumated until ten days after such publication.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-23 was unanimously adopted.

Complete text of Resolution No. 76-23 will be found in Resolution Book No. 8 at page 273.

RESOLUTION NO. 76-24 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE SUPPLEMENTAL MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION RELATIVE TO THE CONSTRUCTION OF U. S. 70-74 CONNECTOR, PROJECTS 8.1901402, 8.1901403, AND 8.1901405

5. Consideration was given to a resolution authorizing Mayor to execute supplemental municipal agreement with the North Carolina Department of Transportation relative to the construction of U. S. 70-74 Connector, Projects 8.1901402, 8.1901403, and 8.1901405.

The City Manager read the resolution.

William F. Wolcott, Jr., Assistant City Manager, advised that this agreement amends only the traffic signals in the original municipal agreement.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 76-24 was unanimously adopted.

Complete text of Resolution No. 76-24 will be found in Resolution Book No. 8 at page 274.

RESOLUTION NO. 76-25 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL (George Gragg)

6. Consideration was given to a resolution appointing member to the Board of Directors of the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Thursday - February 19, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the February 12, 1976 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, the minutes of the February 12, 1976 meeting were approved as submitted.

ORDINANCE NO. 878 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED STATE ELECTRICAL CODE ADOPTED

2. Consideration was given to the third and final reading of Ordinance No. 878, an ordinance amending Section 11-68 of Chapter 11, of the Code of Ordinances, entitled State Electrical Code Adopted.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 878 passed on the third and final reading.

Complete text of Ordinance No. 878 will be found in Ordinance Book No. 6 at page 338.

RESOLUTION NO. 76-22 - RESOLUTION PROVIDING FOR THE ISSUANCE OF $5,175,000 WATER BONDS, SERIES B

3. Consideration was given to a resolution providing for the issuance of $5,175,000 Water Bonds, Series B.

The Corporation Counsel read the resolution.

Larry Fisher, Director of Finance, said this was the balance of the bonds which was authorized by the voters in April, 1974 for the major water quality facility program.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-22 was unanimously adopted.

Complete text of Resolution No. 76-22 will be found in Resolution Book No. 8 at page 268.

RALPH BISHOP - COMPLAINTS OF LOTTERY SALES

Ralph Bishop complained to Council regarding the lottery sales in Asheville.

PETITION - RESIDENTS OF CARROLL AVENUE - RE: BRIDGE

Councilman Michael presented a petition with approximately 300 signatures requesting that the bridge on Carroll Avenue be replaced. He said the petition had previously been submitted but no action was ever taken.

William F. Wolcott, Jr., Assistant City Manager, said the replacement of the bridge was in the plans, however the Department of Transportation must first make their decision as to how wide Valley Street would be in their project before the City could continue with their plans for the bridge.

After considerable discussion, the City Manager said he would write to the Department of Transportation and find out what plans they have for Valley Street and how long it would be before their project plans are complete.

MEETING WITH CITY EMPLOYEES OF THE WATER DEPARTMENT

Councilman Michael advised Council that he had attended a meeting on Sunday, February 15, 1976 with representatives of the Water Department and union officials. He said he did not attend the meeting as a City Council representative but only as an interested person. He also said he did not feel that he attended this meeting illegally.

Councilman Rainey said he had received many calls regarding the meeting with the Water Department employees on Sunday, February 15, 1976. He said the calls were in agreement with the meeting held and for the purpose in which the meeting was held to keep the water flowing in the City. He said he was glad he had an opportunity to serve the City in keeping the water flowing, since businesses without water would mean people without jobs and homes without water would have been an inconvenience. He said if he were faced with another decision to attend a similar meeting, the same decision would be made.

Adjournment.

Eugene C. Adamantis Jr.

MAYOR

CITY CLERK

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-25 was unanimously adopted.

Complete text of Resolution No. 76-25 will be found in Resolution Book No. 8 at page 275.

RESOLUTION NO. 76-26 - RESOLUTION PROCLAIMING THE MONTH OF FEBRUARY AS HUMAN RELATIONS MONTH IN BUNCOMBE COUNTY

Consideration was given to a resolution proclaiming the month of February as Human Relations Month in Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-26 was unanimously adopted.

Complete text of Resolution No. 76-26 will be found in Resolution Book No. 8 at page 276.

PETITION - REDWOOD FOREST HOMEOWNERS ASSOCIATION

The City Manager reported that he had had the Water Department investigate the petition received from the residents of Redwood Forest requesting fire hydrants in their area. He said the preliminary estimate for fire protection in this area would be $56,000 and this would be included in the budget for Fiscal Year 1976-77.

CLAIM - JEAN BROWN LYLES

The City Manager presented a claim received from Ronald C. Brown, Attorney for Jean Brown Lyles for damages to her automobile due to icy conditions.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - DR. ERNEST F. PIERCE

The City Manager presented a claim received from Dr. Ernest F. Pierce for damages to an automobile.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLEAN-A-THON - CLEAN-UP DAY - FEBRUARY 21, 1976

Mayor Ochsenreiter announced that the YWCA was having a Clean-A-Thon on February 21, 1976 to clean up litter in the City and County. He proclaimed February 21, 1976 as Clean-Up Day for Asheville.

PARKING AROUND FEDERAL BUILDING

Councilman Rainey and Vice-Mayor Horton commended the Police Department for enforcing the parking around the Federal Building. They asked the City Manager to pass on this commendation to the Police Department with the request that it be continually enforced.

Mr. Emrick explained the realignment of the Hazel Mill Road - Patton Avenue intersection as proposed by the North Carolina Department of Transportation. This entailed the closing of Hazel Mill Road at its present location and relocating to a new intersection with Patton Avenue, several hundred feet west.

He further explained, that since Hazel Mill Road was a city street, to accomplish this would take some cooperation between the State, City and the Developer. He said the cost of the relocation would have to be negotiated between all three parties.

Since the plans for the relocation of Hazel Mill Road had not been finalized nor the responsibility for the cost determined, Council questioned the advisability of taking action on the site plan at this time.

Councilman Michael moved to continue the public hearing without further public notice until April 1, 1976, in order to give more time to resolving both questions.

This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mayor Ochsenreiter excused Councilman Michael at 3:20 o'clock p. m.

PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - ORTHOPEDIC HOSPITAL, INC.

4. A public hearing was held relative to the approval of a site plan of the proposed school facilities to be constructed at Orthopedic Hospital, Inc. at 1 Rotary Drive.

Mayor Ochsenreiter opened the public hearing at 3:21 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick, Planning Director, presented the plan and advised Council that the Planning and Zoning Commission had reviewed the plan and recommended approval subject to the following:

1. Compliance with the recommendation of the City of Asheville's Water and Sewer Department.

Mr. Emrick answered general questions from Council.

Mayor Ochsenreiter closed the public hearing at 3:27 o'clock p. m.

Councilman Morris moved to approve the site plan subject to the recommendation of the Planning and Zoning Commission. This motion was seconded by Councilwoman Swilling and carried unanimously.

BIDS - EIGHT (8) FOUR DOOR SEDANS FOR DEPARTMENT OF INSPECTIONS AND DEMOLITIONS

5. Consideration was given to bids received February 23, 1976 for eight (8) four door sedans for the Department of Inspections and Demolitions.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid, submitted by Apple Tree Chevrolet, in the amount of $26,793.92. He advised that the low bid was within the amount budgeted through Community Development Funds.

Thursday - March 4, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the February 19, 1976 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the February 19, 1976 meeting were approved as submitted.

PRESENTATION - CERTIFICATE OF MERIT - AMERICAN RED CROSS

2. At this time Chief Ball, Chief of the Fire Department, was recognized by Mayor Ochsenreiter. Chief Ball advised Council of an incident that occurred at Station No. 5 on January 10, 1976. He said that a Mr. and Mrs. Roy A. Stewart from San Jose, California, brought their 19 month old baby, who had stopped breathing, to the station for emergency treatment. He said that through the efforts of Captain H. P. Oxner, Driver C. T. Whitten, and Fireman R. M. Riddle, who administered mouth to mouth resuscitation the baby was revived and taken to the hospital. He said the prompt action by all three firemen and particularly Fireman Riddle was instrumental in saving the baby's life. He said he had written letters of commendation to all three men and that the American National Red Cross had issued a "Certificate of Merit" to Fireman Riddle. He asked that Mayor Ochsenreiter present the award. Mayor Ochsenreiter on making the presentation commended all three firemen and expressed his appreciation on behalf of himself and the City of Asheville.

PUBLIC HEARING - SITE PLAN REGENT PARK

3. A public hearing was held relative to the approval of a site plan of the proposed Regent Park to be located on Patton Avenue near the Hazel Mill Road intersection.

Mayor Ochsenreiter opened the public hearing at 3:09 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, presented the plan to Council and advised that the Planning and Zoning Commission recommended approval of the plan subject to the following conditions:

1. That the developer submit a satisfactory Erosion Control Plan to the City of Asheville's Division of Inspections.

2. Compliance with recommendations of Water and Sewer Department.

3. Developer comply with final recommendations as submitted by the North Carolina Department of Transportation and the City of Asheville relative to relocating Hazel Mill Road and realignment of the existing intersection.

RESOLUTION NO. 76-27 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 6-INCH WATER LINE NEAR GLENDALE AVENUE CROSSING IN ASHEVILLE, NORTH CAROLINA

7. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the Southern Railway Company concerning a 6-inch water line near Glendale Avenue crossing in Asheville, North Carolina.

The City Manager read the resolution.

Mr. Bill Edens, Water and Sewer Director, said the right-of-way was necessary in order to run a 6-inch main from Glendale Avenue to Fairview Road which would have to cross railroad property. He said the water line was being run to improve service in the area.

Councilman Michael moved to adopt the resolution which was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 76-27 will be found in Resolution Book No. 8 at page 276.

RESOLUTION NO. 76-28 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE DEPARTMENT OF TRANSPORTATION FOR A WATER LINE TO RUN WESTERLY ALONG SR 3157 (WESTON ROAD)

8. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Department of Transportation for a water line to run westerly along SR 3157 (Weston Road).

The City Manager read the resolution.

Mr. Bill Edens, Water and Sewer Director, advised Council that this 8-inch line was being built to supply water to a sub-division known as Mountain Heights. He said it would be built at the subdividers expense and turned over to the City after being approved by the City Engineer.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 76-28 was unanimously adopted.

Complete text of Resolution No. 76-28 will be found in Resolution Book No. 8 at page 277.

RESOLUTION NO. 76-29 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A WATER LINE CROSSING OLD U. S. 70 (OLD BLACK MOUNTAIN HIGHWAY) AT THE ENTRANCE TO THE BLACK MOUNTAIN SHOPPING CENTER IN BUNCOMBE COUNTY

9. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line crossing old U. S. 70 (Old Black Mountain Highway) at the entrance to the Black Mountain Shopping Center in Buncombe County.

Councilman Michael returned to his seat at 3:34 o'clock p. m.

Councilman Rainey moved to accept the low bid of $26,793.92 submitted by Apple Tree Chevrolet. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$26,793.92
Roberts Auto Sales	27,725.20
Matthews Motors	27,814.64
Sam's Lincoln Mercury	27,931.38
Dorato Motors	28,268.08

BIDS - TWO (2) CAB AND CHASSIS AND ONE (1) PICK-UP TRUCK FOR USE IN SANITARY DEPARTMENT

6. Consideration was given to bids received February 23, 1976 for two (2) cab and chassis and one (1) pick-up truck for use in the Sanitary Department.

The City Manager presented the bids and read a memorandum from the Purchasing Agent who recommended the acceptance of the low bid submitted by Matthews Motors, Inc. for the two cab and chassis in the amount of $10,132.82, and the low bid submitted by Apple Tree Chevrolet for the pick-up truck in the amount of $2,851.17. The City Manager advised that the bids were within the amount budgeted from the Revenue Sharing Trust Fund.

Councilwoman Swilling moved to accept the recommendations of the Purchasing Agent and that Matthews Motors, Inc. be awarded the contract to furnish the two cabs and chassis for the low bid of $10,132.82. Further that Apple Tree Chevrolet be awarded the contract to furnish the pick-up truck for the low bid of $2,851.17. Vice-Mayor Horton seconded this motion which carried unanimously.

Bid Summary

Item 1 - 2 Cabs and Chassis

Bidder	Bid
Matthews Motors	$10,132.82
Apple Tree Chevrolet	10,249.90
Arrowhead International	10,481.92
Dorato Motors	10,623.54

Item 2 - 1 Pick-up Truck

Apple Tree Chevrolet	2,851.17
Matthews Motors	3,134.25
Dorato Motors	3,194.91

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 76-31 was unanimously adopted.

Complete text of Resolution No. 76-31 will be found in Resolution Book No. 8 at page 280.

RESOLUTION NO. 76-32 - RESOLUTION CALLING FOR A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

12. Consideration was given to a resolution calling for a public hearing to obtain the views of citizens on proposed construction of improvements to the Asheville Airport.

The City Manager read the resolution.

The date for the hearing was set for March 30, 1976.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-32 was unanimously adopted.

Complete text of Resolution No. 76-32 will be found in Resolution Book No. 8 at page 282.

REPORT BY ASSISTANT CITY MANAGER, KEN MICHALOVE

Ken Michalove, Assistant City Manager for Planning, reported to Council that for the past several months members of the City staff and concerned citizens had been meeting with the Community Relations Council in an effort to improve community relations in the field of police work. He said that some of the positive steps that had been taken as a result, were the implementation of phycological testing; getting patrolmen to go to community meetings, explaining who they were and their purpose for being there; and the working with the Department of Justice Division of Community Relations. He said he had found this department to be very helpful. He said his purpose today was to bring this to Council's attention with the suggestion that the staff continue to work with the Department of Justice and solicit their advice and assistance.

Councilman Morris moved that Mr. Michalove continue working with the Department of Justice. This motion was seconded by Councilman Michael and carried unanimously.

Councilman Rainey said it was quite obvious that from time to time we have community relations problems which tend to erupt into institutions, one of which is the Police Department and the other the High School. He said it was regretable that the Police Department had tended to bear the brunt of criticism of community relations. He said he was not saying that the Police Department was perfect but it is unfortunate that only because they are there that they have more of this type criticism. He said it was also unfortunate that the High School has borne the brunt of this type problem in community relations. He said he felt it was time we looked at this particular problem. He said in his opinion one reason we have not had as good a relationship with the black community that would permit us to reach out and solve some of these problems because we as white elites in the community have not listened to the moderate voices within the black community. Consequently the more radical voices in the black community, those voices which have criticized the police behavior and also the High School structure have been listened to. He said he felt that we must construct a mechanism through a

The City Manager read the resolution.

Mr. Bill Edens, Water and Sewer Director, advised Council that in order to serve the Black Mountain Shopping Center water it would be necessary to cross old U. S. 70 opposite the shopping center location.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-29 was unanimously adopted.

Complete text of Resolution No. 76-29 will be found in Resolution Book No. 8 at page 278.

RESOLUTION NO. 76-30 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A TIMBER SALE CONTRACT AMENDMENT FOR SALE NO. 9 WITH GENNETT LUMBER COMPANY

10. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a timber sale contract amendment for Sale No. 9 with Gennett Lumber Company.

The City Manager read the resolution.

Mr. Bill Edens, Director of the Water Department, advised that the contract was an amendment to the original contract with Gennett Lumber Company, dated May 8, 1963, and it dealt with the harvesting of timber on the Bee Tree Water Shed for a contract price of $96,953.09.

Councilman Morris asked if the right-of-way controversy, which caused the deferment of the resolution at a previous meeting, has been cleared up. Mr. Edens advised that it was his understanding that Gennett Lumber Company had acquired the necessary right-of-way.

Councilman Morris then moved to adopt the resolution provided the contracts with Gennett Lumber Company were not executed until all necessary rights-of-way had been secured. Councilman Michael seconded the motion and it was carried unanimously.

Complete text of Resolution No. 76-30 will be found in Resolution Book No. 8 at page 279.

RESOLUTION NO. 76-31 - RESOLUTION OF INTENT TO CLOSE TWO UNNAMED ALLEYS AND "COURT" ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

11. Consideration was given to a resolution of intent to close two unnamed alleys and "court" alley and calling a public hearing on the question.

The City Manager read the resolution.

Mr. Larry Holt, Asheville Housing Authority, advised Council that the alleys in question were in the East Riverside Urban Redevelopment Area and the closings were consistent with Urban Redevelopment Plan. He said that the Housing Authority owned all but two lots adjacent to the alleys and that the owners of these two lots join the request.

Thursday - March 11, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

1. Approval of the minutes of the March 4, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Rainey, the minutes of the March 4, 1976 meeting were approved as submitted.

PUBLIC HEARING - ZONING OF EXTRATERRITORIAL ZONING OF PROPERTY IN THE TOWN OF BILTMORE FOREST

2. A public hearing was held relative to the zoning of extraterritorial zoning of property in the Town of Biltmore Forest.

Mayor Ochsenreiter opened the public hearing at 3:03 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Bob McDonald, of the Planning Staff, reported that for several months the City has been working toward the establishment of the extraterritorial zoning in Biltmore Forest. He said on December 4, 1975 the Council held a public hearing to consider this matter and the proposal was, at that time, referred back to the Planning and Zoning Commission for additional study. He said, one of the property owners, Mr. Swicegood, had appeared before Council and requested that consideration be given to expanding the Commercial Highway District. He said after considerable discussion, the Planning and Zoning Commission recommended three proposed districts, which includes the R-2 Residential District, Commercial Highway District, and Heavy Industrial District. He said the zoning as now proposed includes the expansion of the Commercial Highway District along Hendersonville Road to Sweeten Creek Road.

With the use of maps, Mr. McDonald reviewed each district boundary.

Alvin Sturdivant, property owner in the area, requested that his property which is located north of and adjacent to the proposed Commercial Highway District, be zoned Commercial Highway instead of R-2 Residential District. He said his property includes about 11.9 acres which would not be sufficient for a residential subdivision.

After discussion, Council requested the Planning Staff to look into Mr. Sturdivant's request and to contact the adjacent property owners to determine their feelings about zoning the property Commercial Highway. Council requested that this be done before the third reading of the ordinance.

Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p. m.

The City Manager read the ordinance which would zone the property as proposed by the Planning and Zoning Commission.

Councilman Michael moved for the adoption of the ordinance. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 881 passed on its first reading.

committee whereby we could capture the moderate voices in the black community and listen to what they have to say about things that should be done in Asheville. He said because we do not listen to the moderate voices, the radical voices are heard. He said it was his hope, with Council's permission, that Council could schedule an item on the agenda for next week, in which Council could look at the establishment of a committee of black moderate voices, which could advise the Council on solutions to the problems. He said if we did not structure such a committee, the more radical voices gaining control would be listened to in the black community.

Mayor Ochsenreiter said that Councilmen Rainey and Michael and himself would review the suggestion and make such recommendations to Council.

CITY MANAGER REPORT - SALE OF $5,175,000 WATER BONDS, SERIES B

The City Manager reported for the record that on March 2, 1976 the Local Government Commission in Raleigh received bids on $5,175,000 Water Bonds, Series B. He said the low bidder was First Citizens Bank and Trust Company with a net interest cost of 5.7243%. Other bidders were Wachovia Bank and Trust Company and others, 5.8099%; North Carolina National Bank and Bank of Asheville, 5.8817%; First Union National Bank of North Carolina, 6.0623%. He said the bonds were awarded to First Citizens Bank and Trust Company in accordance with the terms of the bids submitted.

CLAIM FOR DAMAGES - CECIL CASSADA

The City Manager reported that he had received a claim for damages from Mr. Cecil Cassada, through his attorney Ervin L. Ball, Jr. Mayor Ochsenreiter instructed him to turn the claim over to the Corporation Counsel for investigation.

PROCLAMATION - NATIONAL NUTRITION WEEK

Mayor Ochsenreiter proclaimed the week of March 7 - 13, 1976 as National Nutrition Week.

PROCLAMATION - PHYSICAL EDUCATION AND SPORTS WEEK

Mayor Ochsenreiter proclaimed the week of March 1 - 7, 1976 as Physical Education and Sports Week.

PROCLAMATION - NATIONAL PRAYER DAY

Mayor Ochsenreiter proclaimed Friday, March 5, 1976 as National Prayer Day.

RALPH BISHOP - COMMENTS RELATIVE TO GAMBLING AND UNIONS

Mr. Ralph Bishop, who has been before Council on several occassions with complaints relative to gambling in the City was advised by Corporation Counsel William C. Moore that any charges he wished to file should be to the District Attorney or the Senior Resident Judge of Superior Court.

Mr. Bishop then proceeded to the subject of unions and union organization of the City employees. He requested Council to instruct the Corporation Counsel to go into court to secure an injunction forbidding the union from agitating the city employees.

Eugene S. Ochsenreiter Jr. MAYOR William D. Holcomb CITY CLERK

$20,393 during the period July 1, 1976 through August 31, 1977, a fourteen month period.

Myra Grant, Planner for the French Broad Criminal Justice Planning Agency, told Council that the deadline for this application is April 1, 1976 in order to be funded by July 1, 1976. She explained that the federal grants were funded on a regressive cycle; for the first year, 90% Federal, 5% State and 5% local; 2nd year operation, 65% Federal, 5% State and 30% Local; and the third year operation; 25% Federal; 5% State and 70% local. She said this was the reason for the higher local match on the Legal Advisor Grant.

Chief J. C. Hall told Council that this service provided through the federal grant is very valuable to the department, in particular to the officers.

After discussion, Councilman Morris moved for the adoption of Resolution 76-34. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 76-34 will be found in Resolution Book No. 8 at page 285.

RESOLUTION NO. 76-35 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE SCHOOL LIAISON PROGRAM

5. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the school liaison program.

The City Manager read the resolution.

Myra Grant, Planning Director for the French Broad Criminal Justice Planning Agency, said this grant would provide for two officers to be assigned to different schools. One full-time officer would be assigned to Asheville High School and one on a rotating basis to Hill Street Middle School, Hall Fletcher Middle School and South French Broad Junior High School to serve as liaison officers to the schools.

Chief Hall said letters of endorsement had been received from the Superintendent of the Schools as well as from all the principals of the schools involved.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-35 was unanimously adopted.

Complete text of Resolution No. 76-35 will be found in Resolution Book No. 8 at page 287.

RESOLUTION NO. 76-36 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE SAFETY AND SUPPORT PROGRAM

6. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the safety and support program.

The City Manager read the resolution.

PUBLIC HEARING - GRANT THROUGH THE URBAN MASS TRANSPORTATION ADMINISTRATION PURSUANT TO THE URBAN MASS TRANSPORTATION ACT OF 1964

3. A public hearing was held relative to a project for which financial assistance is being sought from the Urban Mass Transportation Administration pursuant to the Urban Mass Transportation Act of 1964.

Mayor Ochsenreiter opened the public hearing at 3:23 o'clock p. m.

The City Manager read the notice to the public setting the time and date for the public hearing and affidavit of publication.

Larry Ward, of the Planning Division, said the equipment to be purchased through the grant would serve four main purposes; to enable the City to continue the present level of transit services that is being offered; to reduce some of the operating cost of the system; to allow the system to operate in a more efficient manner; and to make the system more dependable, convenient and attractive to the people of Asheville. He said the total cost for the purchase of this equipment and administration of the grant program plus a 10% contingency amounts to $763,537. He said the Federal Urban Mass Transportation Administration's share amounts to $610,829.60. He said since the public hearing was advertised the State of North Carolina, Department of Transportation has approved funding of 50% of the local 20% share which amounts to $72,333.70, which would leave the City's remaining share at $80,373.70. He said once the program gets started and the eight new buses and two new automobiles are purchased, the old buses and the two old automobiles could be sold at an estimated revenue of $40,200. With this income, the City's share would be reduced down to $72,333.70. He said the necessary steps to file this application has been taken except for the holding of the public hearing and the adoption of the resolution approving the submission.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:46 o'clock p. m.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 76-33 was unanimously adopted.

Complete text of Resolution No. 76-33 will be found in Resolution Book No. 8 at page 283.

RESOLUTION NO. 76-34 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE LEGAL ADVISOR PROGRAM

4. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the Legal Advisor Program.

The City Manager read the resolution.

Mr. Drew Walker, Legal Advisor for the Police Department, said this resolution would authorize the Mayor to submit an application which would continue funding for a lawyer, secretary, and a law office as in-house counsel to the Police Department. He said he had been Police Attorney since September, 1974 and this application would obligate, if approved, the Federal Government to provide $11,172 and the City's share would be

is required by the North Carolina Department of Transportation that eight encroachment agreements be signed and executed by the City and returned to the State.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-38 was unanimously adopted.

Complete text of Resolution No. 76-38 will be found in Resolution Book No. 8 at page 291.

RESOLUTION NO. 76-39 - RESOLUTION APPOINTING MEMBER TO THE BOXING AND WRESTLING COMMISSION FOR THE CITY OF ASHEVILLE (C. L. Moore)

10. Consideration was given to a resolution appointing C. L. Moore a member to the Boxing and Wrestling Commission for the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-39 was unanimously adopted.

Complete text of Resolution No. 76-39 will be found in Resolution Book No. 8 at page 292.

RESOLUTION NO. 76-40 - RESOLUTION REAPPOINTING KARL H. STRAUS AS COMMISSIONER NUMBER FOUR OF THE SINKING FUND COMMISSION FOR BUNCOMBE COUNTY

11. Consideration was given to a resolution reappointing Karl H. Straus as Commissioner Number Four of the Sinking Fund Commission for Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-40 was unanimously adopted.

Complete text of Resolution No. 76-40 will be found in Resolution Book No. 8 at page 293.

RESOLUTION NO. 76-41 - RESOLUTION APPOINTING MEMBER TO THE RECREATION BOARD FOR THE CITY OF ASHEVILLE (Bob Adams)

12. Consideration was given to a resolution appointing Bob Adams a member to the Recreation Board for the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-41 was unanimously adopted.

Complete text of Resolution No. 76-41 will be found in Resolution Book No. 8 at page 294.

Myra Grant, Planning Director for the French Broad Criminal Justice Planning Agency, said this grant would allow the Police Department Record Division to purchase a microfilm camera for transferring their files to microfilming.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-36 was unanimously adopted.

Complete text of Resolution No. 76-36 will be found in Resolution Book No. 8 at page 289.

RESOLUTION NO. 76-37 _ RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR A TRAINING GRANT FOR THE ASHEVILLE POLICE DEPARTMENT

7. Consideration of a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for a training grant for the Asheville Police Department.

The City Manager read the resolution.

Myra Grant, Planning Director for the French Broad Criminal Justice Planning Agency, said this grant would provide for specialized training for officers and for the purchase of films and film strips.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-37 was unanimously adopted.

Complete text of Resolution No. 76-37 will be found in Resolution Book No. 8 at page 290.

REZONING - FOUR AREAS IN THE MILE BOUNDARY FROM R-2 AND R-3 RESIDENTIAL TO THE PROPOSED R-5 RESIDENTIAL (INCLUDING MOBILE HOMES)

8. Consideration was given to a recommendation from the Planning and Zoning Commission relative to rezoning four areas in the mile boundary from R-2 and R-3 Residential to the proposed R-5 Residential which would include mobile homes.

The City Manager read a letter of recommendation from the Planning and Zoning Commission recommending approval of the proposed R-5 Residential District.

Councilwoman Swilling moved to schedule a public hearing on the matter for April 1, 1976. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-38 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE ATTACHED TO BRIDGE NUMBER 70-8404 (MONTFORD AVENUE)

9. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line attached to Bridge Number 70-8404 (Montford Avenue).

The City Manager read the resolution.

Don Walsh, of the Water and Sewer Department, explained that this 12-inch water line is part of a Community Development Project known as Montford Fire Line, Phase I. He said this line will be part of the upgrading of the Montford Area water supply. Also, it

The City Manager read the resolution.

Councilwoman Swilling moved for the adoption of the resolution scheduling the public hearing for April 20, 1976 at 2:00 o'clock p. m. This motion was seconded by Councilman Rainey and carried unanimously.

Complete text of Resolution No. 76-45 will be found in Resolution Book No. 8 at page 298.

REZONING REQUEST - LULA B. KUYKENDALL - WARD 4 SHEET 2, LOT 20

17. Consideration was given to a recommendation from the Planning and Zoning Commission relative to the rezoning request of Mrs. Lula B. Kuykendall to rezone Ward 4, Sheet 2, Lot 20 from R-4 Residential District to CS Commercial Service District.

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the request.

Councilman Morris moved to schedule a public hearing on the matter for April 1, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

EMPLOYEE GRIEVANCE PROCEDURE

18. Mr. Mike Smith, Personnel Director, presented members of Council with copies of the administration policy for the employee grievance procedure. He said this procedure would allow an employee to settle a grievance at the lowest administration level possible, starting with the first level of supervision. He said if a grievance can not be settled verbally the employee would have an opportunity to formalize his grievance through this administration policy. He said this procedure would be discussed with each employee.

The City Manager read the following statement prepared by Vice-Mayor Horton:

"An effective, well administered grievance procedure is an important segment in employee relations. The proposed procedure appears well designed, and if properly implemented and diligently administered, it can be a most beneficial element in improving the work climate for more efficient city operations.

In the interest of effective administration of the procedure, I would like to make the following suggestions:

(1) That the personnel office assign a number to each written grievance and maintain a current log of the history and disposition of each grievance.

(2) That the Personnel Director prepare a MONTHLY STATUS REPORT on all grievances as a management tool in evaluating the effectiveness of the procedure, per or similar to the attached format, with the City Council as copy recipients."

COUNCILMAN MICHAEL - PROGRESSIVE BLACK LEADERSHIP IN THE COMMUNITY

Councilman Michael reported that at the last Council meeting a committee was appointed, made up of Mayor Ochsenreiter, Councilman Rainey and myself. He said this committee had met and discussed ways and means of projecting progressive black leadership in our community led by an ad hoc committee made up of progressive minority citizens, clubs and organizations. The Council Committee will be meeting with this group in the very near future and will continue to meet on this effort.

RESOLUTION NO. 76-42 - RESOLUTION REAPPOINTING MEMBERS TO THE ASHEVILLE TRANSIT AUTHORITY (Allen H. Patterson and Murray A. Miller)

13. Consideration was given to a resolution reappointing Allen H. Patterson and Murray A. Miller members to the Asheville Transit Authority.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-42 was unanimously adopted.

Complete text of Resolution No. 76-42 will be found in Resolution Book No. 8 at page 295.

RESOLUTION NO. 76-43 - RESOLUTION APPOINTING MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE (Robert Turner)

14. Consideration was given to a resolution appointing Robert Turner a member to the Planning and Zoning Commission for the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-43 was unanimously adopted.

Complete text of Resolution No. 76-43 will be found in Resolution Book No. 8 at page 296.

RESOLUTION NO. 76-44 - RESOLUTION RESCINDING RESOLUTION NO. 76-32, KNOWN AS A RESOLUTION CALLING FOR A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON THE PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

15. Consideration was given to a resolution rescinding Resolution No. 76-32, known as a resolution calling for a public hearing to obtain the views of citizens on the proposed construction of improvements to the Asheville Airport.

The City Manager read the resolution and explained that the FAA had advised that publication regarding the public hearing must be published in accordance with a thirty (30) day publication schedule. Therefore, this resolution should be rescinded and another resolution calling for a public hearing will follow.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 76-44 was unanimously adopted.

Complete text of Resolution No. 76-44 will be found in Resolution Book No. 8 at page 297.

RESOLUTION NO. 76- 45 - RESOLUTION CALLING FOR A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON THE PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

16. Consideration was given to a resolution calling for a public hearing to obtain the views of citizens on the proposed construction of improvements to the Asheville Airport.

Thursday - March 18, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Eugene C. Ochsenreiter, Jr.

1. Approval of the minutes of the March 11, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, the minutes of the March 11, 1976 meeting were approved as submitted.

ORDINANCE NO. 881 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Biltmore Forest Extraterritorial Zoning)

2. Consideration was given to the second reading of Ordinance No. 881, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, as amended.

Verl Emrick, Planning Director, advised Council that, as directed, he had been in contact with property owners in question relative to Mr. Sturdivant's request to zone his property, Ward 19, Sheet 68, Lot 35, Commercial Highway District rather than the proposed R-2 Residential District. He said the adjacent property owners have expressed no objection to the property being zoned Commercial Highway. He said Mr. McRary, owner of Lot 19 and adjacent to Mr. Sturdivant's property, has also requested that his property be zoned Commercial Highway.

Councilman Morris moved to amend Ordinance No. 881 to include Ward 19, Sheet 68, Lots 19 and 35 in the Commercial Highway District. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 881, as amended, passed on second reading.

RESOLUTION NO. 76-46 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH THE LAND-OF-SKY REGIONAL COUNCIL FOR THE NUTRITION PROGRAM FOR OLDER ADULTS

3. Consideration was given to a resolution authorizing the Mayor to sign a contract with the Land-of-Sky Regional Council for the Nutrition Program for Older Adults.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said this program has been operating in the City for several years. He said it is a four county program that operates in Madison, Henderson, Buncombe and Transylvania Counties and several hundred people are fed under this program. The three locations for operation in the City are located in the Senior Opportunity Center, the new Mountain Church on Livingston Street and the South Asheville Community Center in Shiloh. He said part of the local match for this program was budgeted in Fiscal Year 1975-76 and part of the program will be requested in the upcoming budget. He said the individuals being fed under this program have to meet certain income and other federal guidelines.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution

PROCLAMATION - INTERNATIONAL DEMOLAY WEEK - MARCH 14 - 21, 1976

Mayor Ochsenreiter proclaimed the week of March 14 - 21, 1976 as International Demolay Week.

RALPH BISHOP - COMMENTS RELATIVE TO SELLING OF LOTTERY TICKETS

Mr. Ralph Bishop, again appeared before Council, complaining about the selling of lottery tickets in the City of Asheville.

Mayor Ochsenreiter again informed Mr. Bishop that he would have to present his facts to the District Attorney, Mr. Robert Fisher.

MRS. ROY ROGERS - REDUCED BUS FARE FOR SENIOR CITIZENS

Mrs. Rogers advised Council of the inadequate transportation for Senior Citizens. She again requested Council to have reduced bus fares for Senior Citizens on an all day basis. She referred to a section in the Urban Mass Transportation Act of 1970 which, she said, provided funding for this type of program.

After discussion, it was the consensus of Council, to recommend to the Asheville Transit Authority that the reduced bus fares for Senior Citizens be implemented on an all day basis for a one-month period to determine what would or would not happen concerning revenue projections.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Hermann T. Haarmann
CITY CLERK

BIDS - 1000 FEET 8-INCH PVC WATER MAIN PIPE FOR USE IN WATER AND SEWER DEPARTMENT

7. Consideration was given to bids received March 15, 1976 for 1,000 feet of 8-inch PVC Water Main Pipe for use in Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Silverman Company at $2.35 per foot, totaling $2,350.00.

Gary McGill, of the Water and Sewer Department, explained that this pipe would be used on East Porter Road and would provide for better service and fire protection in this area.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Silverman Company at $2.35 per foot, totaling $2,350.00. This motion was seconded by Councilman Rainey and carried unanimously.

Bid Summary

Bidder	Bid	
Southern Meter and Supply Co.	$3.37/ft.	$3,370.00
Ferguson Enterprises, Inc.	$291.50/C ft.	$2,915.00
Hajoca Corporation	285.12/C ft.	2,851.20
Davis Meter & Supply Company	2.80/ft.	2,800.00
Silverman Company	2.35/ft.	2,350.00
Supply Specialties, Inc.	2.75/ft	2,750.00

RESOLUTION NO. 76-48 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO SUBMIT APPLICATIONS FOR TITLE XX FUNDING OF A SENIOR CITIZENS PROGRAM AND A PROGRAM OF NEIGHBORHOOD CENTERS

8. Consideration was given to a resolution authorizing the Director of Parks and Recreation to submit applications for Title XX funding of a Senior Citizens Program and a program of Neighborhood Centers.

The City Manager read the resolution.

Ray Kisiah, Parks and Recreation Director, advised Council that Title XX of the Social Security Act provides for federal and state financial support of human service programs on a cash matching basis with local public and private agencies and there are funds available to support several services of the Parks and Recreation Department. He said if the funding was approved it would assist the City in providing services they are already operating. The local matching contribution would come from the Community Development funds and/or the General Fund whichever would be most appropriate.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-48 was unanimously adopted.

Complete text of Resolution No. 76-48 will be found in Resolution Book No. 8 at page 301.

No. 76-46 was unanimously adopted.

Complete text of Resolution No. 76-46 will be found in Resolution Book No. 8 at page 299.

REZONING REQUEST - MR. AND MRS. JAMES FISHER -N. LOUISIANA AVENUE AND EMMA ROAD

4. The City Manager read a letter from the Planning and Zoning Commission relative to rezoning Ward 12, Sheet 23, Lots 36, 37, 38, and 39 from R-3 Residential District to Commercial Highway District, property owned by Mr. and Mrs. James Fisher.

Councilman Morris moved to schedule a public hearing on the matter for April 8, 1976. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-47 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE CROSSING UNDER U. S. 25 (HENDERSONVILLE ROAD)

5. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line crossing under U. S. 25 (Hendersonville Road).

The City Manager read the resolution.

Mr. Don Walsh, of the Water and Sewer Division, explained that this 8-inch water line crossing Hendersonville Road is to serve the Deerfield Episcopal Home through a 6-inch meter.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-47 was unanimously adopted.

Complete text of Resolution No. 76-47 will be found in Resolution Book No. 8 at page 300.

BIDS - DOORS, FRAMES, AND HARDWARE COMPLETE PER SPECIFICATIONS AND DRAWINGS FOR SHILOH AND HILLTOP COMMUNITY CENTERS OF PARK AND RECREATION DEPARTMENT

6. Consideration was given to bids received March 10, 1976 for doors, frames, and hardware complete per specifications and drawings for Shiloh and Hilltop Community Centers for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only responsive bid received from Alan H. Shaw Company in the amounts of $3,873.00 for Shiloh Community Center and $5,901.00 for Hilltop Community Center. He said this expenditure is for purchase of materials only and is within the amount budgeted through Community Development funds for renovation of these centers. Installation work will be made by Construction Staff of Parks and Recreation Department.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the only responsive bidder, Alan H. Shaw Company in the amounts of $3,873.00 for Shiloh Community Center and $5,901.00 for Hilltop Community Center. This motion was seconded by Councilman Hoyle and carried unanimously.

We have thoroughly read and reviewed Articles IX and XII of the City Charter and the pertinent sections of the Council's minutes including Mr. Horton's questions and contentions. We understand that the initiative procedures were used in bringing about the granting of the franchise ordinance. The question boils down to whether Section 83 of the Charter prevents amendments to the franchise ordinance without a vote of the people or whether Section 214 of the ordinance allows the Council to adopt such amendments.

The issue may be considered to be a close one, but our office continues to hold to our original positions as related in our letters of November 18, 1975 and November 25, 1975. The basic rule of law that specific statutory provisions rule over general statutory provisions was our primary consideration. It is true that Article XII of the Charter is somewhat specific in that it involves special procedures that apply only to initiative, referendum and recall. We feel, however, that Article IX is even more specific in that it applies only to franchise ordinances while Article XII applies to any ordinances that are enacted under its procedures.

Section 214 of the Charter does, however, refer to "all privileges and franchises and charters, whatsoever, granted by the council of said city, and all ordinances thereof, etc." The question is whether the particular franchise ordinance in question was "granted by the council" or whether it is "an ordinance of the council," since it was initiated and voted in by the people. This is a very technical question, one in which it is easy to get bogged down in semantics. We do not believe that simply because an ordinance is adopted through the use of initiative or referendum procedures, then it is totally divorced from the City Council and is not an ordinance "of the city council." Actually, a reading of the ordinance itself reveals that it is an ordinance of the Council and that the franchise is granted by the Council subject to a vote of the people.

ORDINANCE NO. 877 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

9. Consideration was given to the third reading of Ordinance No. 877, an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Vice-Mayor Horton advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

The following individuals spoke in favor of the adoption of Ordinance No. 877, granting an increase in rates to Thoms Cablevision, Inc.:

Mrs. Cornelia W. Middleton
Miriam Snelling
John Gatling
Gayle Waites
Ronald Shigley
Rev. Pete DeSaix
C. C. Hearst

No one appeared in opposition to the ordinance.

Councilman Michael was excused at 4:05 o'clock p. m.

Max Cogburn, Attorney for Thoms Broadcasting Company, Inc., reviewed that on February 12, 1975 Council had tabled the ordinance until another opinion could be obtained from the Attorney General's office responding to issues presented by Vice-Mayor Horton on the matter.

He reviewed the response received from the Attorney General's office which response is as follows:

5 March 1976

Mr. William C. Moore
Corporation Counsel
City of Asheville
Post Office Box 7625
Asheville, North Carolina 28807

Dear Mr. Moore:

This is in response to your most recent request for an interpretation from this office of several provisions in the Charter of the City of Asheville as they relate to the existing cable television franchise and ordinance granted by the City.

Mr. Cogburn said it was his opinion that the Attorney General's office still held the same position that the City Council has the authority to amend the franchise ordinance without a vote of the people.

Councilman Michael returned to the meeting at 4:10 p. m.

Vice-Mayor Horton again reviewed the background for the adoption of the ordinance granting the franchise to Thoms Cablevision, Inc. He cited parts of the previous minutes relative to the matter as well as the sections of the City Charter pertaining to the ordinance and franchise.

Councilman Rainey again requested permission to abstain from voting on the issue as he felt there was a conflict of interest in the matter as Mr. Thoms had contributed to his campaign and he also felt that a practice of higher ethical standards should be re-established in governmental levels.

Councilman Rainey was excused from the meeting at 4:45 o'clock p. m.

Vice-Mayor Horton requested the City Manager to read the following letter which was received just prior to the beginning of the meeting:

LENTZ AND BALL, P. A.
ATTORNEYS AT LAW
LAWYERS BLDG 17 19 N MARKET ST
P O BOX 7643
ASHEVILLE, N C 28807

DEVERE C LENTZ JR

REEVES H WELLS
LLOYD M BOWMAN

March 18, 1976

AREA CODE 704
254-4900

Mr. Eugene C. Ochsenreiter, Jr.
Mayor of the City of Asheville
Asheville, North Carolina

Re: Rate Increase for Thoms' Cablevision

Dear Mayor Ochsenreiter:

This letter is to inform the Asheville City Council that in our opinion the Council has no authority to raise the monthly service charge to subscribers of Thoms Broadcasting Company, Inc. We realize that Associate Attorneys General William H. Guy and Howard A. Kramer have rendered opinions to the contrary. Nevertheless, as concerned citizens and practicing attorneys here, We feel compelled to inform the Council of the legal argument against its enactment of the proposed rate increase.

The ordinance granting the community antenna franchise to Thoms Cablevision was enacted by the voters of Asheville at a special election. The authority for establishing an ordinance in this manner is set out in Section 83, entitled "Initiative", of the Asheville Charter. This Section specifies that upon the certification of the affirmative vote of a majority of the voters voting on the proposed ordinance, "such ordinance shall become a valid and binding ordinance of the city...". It should be noted that no action of the Council is required to ratify the ordinance--the people enact it directly. Furthermore, Section 83 clearly establishes the sanctity and special treatment afforded ordinances so enacted by the people--only the people can repeal or change them. No other meaning can be ascribed to the sentence in Section 83 that "No ordinance becoming effective as in this section provided shall be repealed or amended, except by a vote of the people". This section simply reflects and enacts the underlying premise of our republican form of government that government derives its just powers from the consent of those governed . Just as the City Charter itself cannot be changed by the representatives of the people, neither can those laws enacted directly by the people.

A further argument can be made in support of the position that the Council can amend the franchise ordinance on its own. G.S. 160A-3(c) provides that:

> "When a power, duty, function, privilege, or immunity is conferred on cities by a general law, and a charter enacted earlier than the general law omits or expressly denies or limits the same power, duty, function, privilege or immunity, the general laws shall supersede the charter."

If Asheville's Charter does, in fact, prevent the Council from amending a franchise ordinance on its own, then this is more restrictive than what is provided in the general law, which authorizes the granting and amendment of franchises by regular ordinance (without a vote of the people); therefore, the general law should apply. See Part 3, Article 5, Chapter 160A of the General Statutes, particularly G.S. 160A-76(a).

We feel that the most reasonable construction of the City Charter is that Section 214 prevail over Section 83 with regard to the matter at hand.

If we can be of further assistance regarding this or any other matter, please let us know.

Very truly yours,

RUFUS L. EDMISTEN
ATTORNEY GENERAL

William H. Guy

William H. Guy
Associate Attorney

WHG/ch

charge its subscribers. The mechanism allows Thoms to request and the Council to grant certain rate increases up to the national average of such rates. Council-imposed rate changes must then remain unchanged for three years. However, this entire mechanism for changing the original franchise rates does not apply to all rates; it applies only to various installation charges, and to monthly service charges for additional outlets. The mechanism specifically does not apply to the base monthly service charge (originally $4.50). This conclusion follows from close observation of the placement of asterisks and indentations in Paragraph 11 of the original franchise. These indicators clearly show that the base monthly service charge cannot be changed under the authority of Paragraph 11. As the Council has no other authority to change the franchise, the original base monthly service charge of $4.50 is still legally in effect. Of course, this conclusion would invalidate that portion of ordinance 789, adopted by the Council in 1974, which purported to increase the monthly service charge to $5.40.

Finally, Associate Attorney General Guy interprets North Carolina General Statutes 160A-3 (c) and 160A-76 (a) as conferring the power upon the Council to amend franchises, however granted. We believe this interpretation overlooks other portions of North Carolina General Statutes 160A-3, and all of North Carolina General Statutes 160A-2, and misconstrues North Carolina General Statute 160A-76 (a). We believe the General Assembly did not clearly show a legislative intent to grant to city councils the power to amend without voter approval, ordinances enacted directly by the voters. Furthermore, we feel that at most North Carolina General Statute 160A-76 (a) adds the new requirement of Council approval of all amendments to franchises, even those amendments adopted by initiative.

In summary, it is our legal opinion that the proposed rate increase for Thoms Cablevision must be submitted for voter approval, and any increase granted by the people will be above legal challenge. However, if the Council does enact a rate increase without prior voter approval, it will subject itself and Thoms Cablevision to a class-action lawsuit on behalf of all subscribers to the service. We

The legal opinions holding to the contrary are based on Article IX of the Charter, entitled "Franchises". In particular, it is said that Section 214 therein is "more specific" than Section 83 and therefore controls. This opinion might plausibly be valid if Sections 214 and 83 were in conflict, although even then the special status of the initiative and the fact that Section 83 was enacted later might well lead one to conclude that Section 83 should prevail. However, a close reading of the two sections shows that in the case of a franchise granted by initiative, i.e., this case, the two sections are not in conflict. Rather, from the face of Section 214, it is not applicable at all to the ordinance which created the franchise in Thoms Cablevision. Section 214 applies only to franchises "granted by the council"; it is silent and therefore inapplicable to ordinances granted by the people.

Some may argue that Section 214, in spite of its express wording, was meant to control all franchises granted by the City, since Section 212 requires that all franchises granted by the City must first receive voter approval at a special or general election. The proper interpretation of this section, however, is that the City Council is without power to grant a franchise absent prior voter approval. It should be noted that Section 212 does not require the Council to grant franchises approved by the voters, nor does it specify (as does Section 83) that a voter-approved franchise is valid and binding upon certification of the vote. Section 212 merely establishes a legal pre-requisite to the power of the Council to grant a franchise.

Thus, the Charter establishes two separate and distinct means for the City of Asheville to award a franchise. The first is by initiative under Section 83, and a franchise granted thereunder can be changed only by the people. The second is by the Council, after voter approval, under Section 212. It is this type of franchise grant, and only this type, that Article IX applies to and that Section 212 empowers the Council to amend without voter approval. A critical consequence of this analysis is that the original franchise may be altered in only two ways: the first by "vote of the people" as authorized by Section 83 (which, incidentally, outlines no specific requirements as to how the issue is to be placed before the people so that another initiative is not necessarily required); and the second by applicable provisions of the original franchise itself. Paragraph 11 of the original franchise does, in fact, establish a method of changing some of the rates that Thoms Cablevision might

Mr. Cogburn, Attorney for Thoms Broadcasting Company, Inc. read the following letters in support of his opinion:

Thoms Cablevision,
172 Charlotte Street,
Asheville, N.C.

Re:Cablevision Franchise

Dear Sir:-

I am writing as one of the many city residents who has been enjoying the benefits of the cable TV since its inception here, and particularly regarding the pending controversy in the City Council as to proper procedure in acting on your application for an amendment to the present franchise.

I have procured copies of the correspondence with the Attorney General's office, and other pertinent papers. While the matter is not without some difficulty, I agree fully with the opinions set forth in the Attorney General's letters of November 18, 1975 and March 5, 1976 and I believe the Council would be acting properly in amending the franchise without a vote of the people.

As the Attorney General points out, his position is strengthened by the fact that CATV is not a necessary public utility and cable television companies are not regulated as such. Also, in citing the language of Article IX of the charter, it is evident that it is more specific than that of Article XII, and should prevail under the basic legal rules of construction.

I hope that the Council will proceed to vote on your application as soon as practicable.

Yours very truly,

Loren D Packer

therefore strongly recommend that the Council refrain from acting upon the proposed rate increases until it has submitted the matter to the voters for their approval.

Yours very truly,

Ervin L. Ball, Jr.

Marsh 17, 1976

Mr. Harold H. Thoms
Thoms Cablevision
172 Charlotte Street
Asheville,
North Carolina

Dear Mr. Thoms;

I have studied carefully the written opinions of the Attorney General for the State of North Carolina concerning the Cablevision franchise for Asheville, North Carolina and have reviewed the general law concerning same in North Carolina.

I am in agreement with the Attorney General's opinion given to the city of Asheville.

Furthermore, I say as the Attorney General has said, that section 214 of the city charter prevails over Section 83.

The basic rule of law is that specific statutory provisions rule over general statutory provisions.

The Cablevision franchise can therefore be changed or modified as to any of its terms by the Ashevile City Council and without a vote of the people.

Yours very truly,

WILLIAM W. ORR

March 16, 1976

Mr. Harold H. Thoms
Thoms Cablevision
172 Charlotte Street
Asheville, North Carolina 28801

Dear Mr. Thoms:

I concur in the Attorney-General's opinion that the City Council of Asheville has the right to waive the three-year limitation set forth in the franchise, by adopting a new franchise ordinance. The City Council has the authorization under Section 214 of the City Charter to amend the franchise ordinance with respect to rates and periods of time for which rates are fixed, without a vote of the public.

I see no constitutional question which exists with the franchise. CATV is not a necessary public utility.

I have read Articles 9 and 12 of the City Charter and the pertinent sections thereof. Under the General Law, I feel that the City Council has the authority to vote for an increase in the Cablevision rates.

Very truly yours,

Ruben J. Dailey

RJD:ed

Vice-Mayor Horton then asked the City Clerk to call the roll on the third reading of Ordinance No. 877.

On a roll call vote of 4-0, Ordinance No. 877 passed on its third and final reading.

Complete text of Ordinance No. 877 will be found in Ordinance Book No. 6 at page 337.

CLAIM - PAUL EUGENE HUNTER -DAMAGE TO AUTOMOBILE

The City Manager presented a claim received from The Hartford Insurance Company on behalf of Paul Eugene Hunter for damages to his automobile.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

NOTICE OF APPEAL - MORRIS BRUCE KING - CIVIL SERVICE

The City Manager presented a notice of appeal from the decision of the Civil Service Board to the City Council in the case of the dismissal of Morris Bruce King.

Corporation Counsel William C. Moore said that under Section 38 of the Charter Appendix-Related Laws the City Council shall, at a regular session, vote on the approval or disapproval of the same. It shall require the affirmative votes of five members of the Council to disapprove the report. Lacking such five votes, the report shall be approved. In either event, the action of the City Council is final. He said the findings and recommendations of the Board are being prepared as well as the transcript of the hearing and as soon as these documents are presented to members of Council a date would be set for a public hearing on the matter.

COUNCILWOMAN SWILLING - IMPROVEMENTS TO THE DOWNTOWN AREA

Councilwoman Swilling inquired as to what steps were being taken relative to the list of improvements to the downtown area presented to Council from Quality '76.

The City Manager advised that a walking tour of the downtown area had been made and a list of improvements or violations were turned over to Mr. Johnson in the Inspection Division and Mr. Emrick in the Planning Division and these were being worked on at the present.

Adjournment.

Eugene L. Osborne Vice-Mayor
MAYOR

Herman D. Meeks
CITY CLERK

Councilman Morris said he felt Council should depend on the Corporation Counsel's opinion in this matter as well as other matters and it was his feeling that the Corporation Counsel's opinion was that Council has the authority to amend the franchise ordinance without a vote of the people and there was no reason to disregard his opinion.

Councilman Michael commented that after reviewing the ordinance, the City Charter, and the opinions from the Attorney General he now felt he could in good faith vote on the issue.

Vice-Mayor Horton said he did not feel that the Attorney General's office answered all of his seven specific questions relative to the matter. He said he did not answer some of the questions and only partly answered one of the questions. He said it was his opinion that the Attorney General's decision was based entirely on franchise ordinances granted by the City Council. However, this ordinance was not granted by the City Council but by the vote of the people.

Vice-Mayor Horton pointed out the following facts:

1) Thoms Cablevision voluntarily chose the democratic process provided by Article 12, Section 83 of the City Charter as the means to get the franchise ordinance passed.

2) This franchise ordinance was adopted properly and legally by the people of Asheville under the provisions of Article 12, Section 83 of the City Charter.

3) Article 12, Section 83 clearly states "no ordinance becoming effective as in this section provided shall be repealed or amended except by vote of the people".

4) The ordinance in question after being adopted by the vote of the people was never acted upon or passed by or actually granted by the Council, but was merely included in the minutes for the record for August 3, 1967.

5) On August 17, 1967 Thoms Broadcasting Company, Inc. presented an affidavit to City Council which reads: " Greetings, the Thoms Broadcasting Companies, Inc., a North Carolina corporation, accepts herewith the ordinance passed and the franchise for 35 years granted to it by the vote of the qualified voters of the City of Asheville at the election held July 28, 1967 and herewith assumes the privileges so granted and the obligations therein expressly set forth all as contained in the ordinance and franchise appearing in the minutes of the City Council of the City of Asheville of its meeting of August 3, 1967 to which reference is made for the terms of said ordinance and franchise."

6) On June 5, 1975 the previous City Council based its rejection of a similiar request on the same reasoning as presented here.

He concluded that based upon the foregoing facts of this particular situation and since the franchise ordinance in question was not "granted by the City Council" which is part of Section 214, but is in reality an ordinance of the people. He said it was his firm conviction and belief that for this Council to amend said ordinance would violate the democratic process of the people of Asheville. Therefore, he could not in good faith do otherwise than to oppose the proposed ordinance amendment. He said it was his hope that the mechanics for granting a rate increase for Thoms' Cablevision will be determined by the people in a referendum, which is their democratic right.

RESOLUTION NO. 76-50 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH THE LAND-OF-SKY REGIONAL COUNCIL WHEREBY THE PLANNING DIVISION WILL PROVIDE TECHNICAL ASSISTANCE FOR REGIONAL LAND USE PLANNING

4. Consideration was given to a resolution authorizing the Mayor to enter into a contract with the Land-of-Sky Regional Council whereby the Planning Division will provide technical assistance for Regional Land Use Planning.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, said the Land-of-Sky Regional Council has a contract with the federal government for planning. Specifically, to develop a land use plan. The contract between the Regional Council and the City of Asheville is for $4,800.00. Of this amount, $2,400.00 would be City funds, either in cash or in services and $2,400 would be an actual cash amount that the City would receive from the Region for advice. The advice and information that the City would provide would be assistance in the formulation of population, economic and land use forecasts, assistance in compiling of an existing land use map, assistance and advice to the Land-of-Sky in reviewing material that they develop for the Region. He said this would not require any additional appropriation by the Council.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-50 was unanimously adopted.

Complete text of Resolution No. 76-50 will be found in Resolution Book No. 9 at page 2.

RESOLUTION NO. 76-51 - RESOLUTION APPROVING FAIR MARKET VALUE OF CERTAIN REAL PROPERTY PURCHASED FOR THE DEVELOPMENT OF MURPHY PARK

5. Consideration was given to a resolution approving fair market value of certain real property purchased for the development of Murphy Park.

The City Manager read the resolution.

Mr. Kisiah, Director of Parks and Recreation, said this was property already adjoining city property at the Murphy Park in the Oakley Section. He said $200,000 was appropriated from this years Community Development funds to acquire and develop this neighborhood park. This City owns approximately 7 acres now and this would be an additional 2.7 acres and this would also make possible a 300' Junior Size Baseball Field. He said the property has been appraised by a qualified MIA appraiser in the amount of $20,300. He said it was reviewed by another independent qualified MIA appraiser and he also concurred with this price. He said this was a HUD requirement that Council concur with this appraisal.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-51 was unanimously adopted.

Complete text of Resolution No. 76-51 will be found in Resolution Book No. 9 at page 3.

OLD OTEEN VETERANS ADMINISTRATION HOSPITAL - HOUSING FOR THE ELDERLY

Mr. W. C. King, Director of the Asheville Housing Authority, told Council that the firm of Lawler-Wood Associates from Knoxville, Tennessee has proposed to convert the old Oteen Veterans Administration Hospital into subsidized housing for the elderly.

Thursday - March 25, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the March 18, 1976 meeting.

Upon motion of Councilwoman Swilling seconded by Councilman Hoyle, the minutes of the March 18, 1976 meeting were approved as submitted.

ORDINANCE NO. 881 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Biltmore Forest Extraterritorial Zoning)

2. Consideration was given to the third and final reading of Ordinance No. 881, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Mayor Ochsenreiter advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 881, as amended, passed on third and final reading.

Complete text of Ordinance No. 881 will be found in Ordinance Book No. 7 at page 1.

RESOLUTION NO. 76-49 - RESOLUTION OF DISPOSITION OF REPROGRAMMABLE ASHEVILLE MODEL CITIES FUNDS FOR CLOSE-OUT ACTIVITIES

3. Consideration was given to a resolution of disposition of reprogrammable Asheville Model Cities Funds for close-out activities.

The City Manager read the resolution.

Mr. Logan Delany, Community Development Coordinator, explained that this resolution would authorize the carry-over balance of reprogrammable Model Cities funds in the amount of $53,123 to be used in the construction and development of the Livingston Street Neighborhood Facility Project. He said the $53,125 is practically a final figure of carry-over funds.

Upon motion of Councilman Micheal, seconded by Vice-Mayor Horton, Resolution No. 76-49 was unanimously adopted.

Complete text of Resolution No. 76-49 will be found in Resolution Book No. 9 at page 1.

This City Council would like to take further steps to help alleviate the existing and future problems of storm drainage runoff into creeks. Our proposed actions are as follows:

1) Because the County of Buncombe has agreed to supervise a cleanup project of Smith Mill Creek through the services of federally paid employees of the French Broad River Cleanup Program, a program sponsored by the Tennessee Valley Authority and funded under Title X of the Public Works and Economic Development Act of 1965; and because the City of Asheville is participating in various cleanup programs financed in whole or in part through the federal Comprehensive Employment and Training Act of 1973. The City of Asheville will assist the County of Buncombe by obtaining releases from property owners for the cleanup project and the City will use its federally funded crews and equipment to assist in this project.

   This Smith Mill Creek project will be used as a demonstration project to determine the economic feasibility of continuing such a program on other creek problems in the future.

   Because the cleanup aspect of Smith Mill Creek is only a part of what needs to be done the City will cooperate and assist the County in the other things that need to be done as are economically feasible and clearly the responsibility of the local governments.

2) This City Council will review and adopt a flood control ordinance in the near future which is a part of a national program of flood control.

3) This City Council is asking the City Attorney to meet with the County of Buncombe officials to determine the possibility of establishing Special Assessment Drainage Districts to finance the maintenance and control of the Smith Mill Creek and similiar drainage areas in the future.

GROUP DEVELOPMENT REVEIW - IMPROVEMENTS TO MEMORIAL MISSION HOSPITAL

The City Manager read a letter from the Planning and Zoning Commission relative to the site plan of proposed improvements to Memorial Mission Hospital located on Biltmore Avenue, recommendihg approval of the site plan.

Councilman Michael moved to schedule a public hearing on the matter for April 15, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PROCLAMATION - NAVY BAND DAY - MARCH 27, 1976

Mayor Ochsenreiter proclaimed March 27, 1976 as Navy Band Day.

PROCLAMATION - POULTRY PRODUCTS MONTH - APRIL

Mayor Ochsenreiter proclaimed the month of April as "Poultry Products Month".

Adjournment

Eugene S. Ochsenreiter
MAYOR

William F. Holcombe
CITY CLERK

He said he felt private developers was the easiest and most feasible way to provide housing for the elderly citizens. He said the Asheville Housing Authority now operates 218 units, another 114 will be opened in the next 18 months by the Asheville Housing Authority and another 100 units by a private developer. Even with that amount of new housing 489 elderly persons remain on waiting lists for subsidized housing. He said the Lawler-Wood proposal would tremendously cut that number.

Mr. King said the developer plans to buy the old hospital building and convert it into 400 apartments ranging from efficiency to two bedroom units. He said, under the plan, neither the City, the Asheville Housing Authority or the federal government would pay any of the cost of remodeling. The developer plans to ask that the property be annexed by the City after the first 250 units are ready for occupancy, or in about a year. The Housing Authority would contract to manage the apartment complex, but neither the Asheville Housing Authority or the City would be responsible for maintenance. He said the federal government would subsidize the rent payments of the residents. He said the Department of Housing and Urban Development determines the amount of subsidy based on the resident's income so that the maximum any resident would pay would be 25 per cent of his or her monthly income.

Mr. King said included in the plan are plans for gardening by the residents on the 23½ acre tract where the building is located as well as shops, a pharmacy, and transportation services. He said it would be his recommendation for Council to give strong backing to the developer for rehabilitating this building.

After discussion, Councilman Michael suggested that the Planning Division review the plans and make a recommendation on the matter. He also suggested that a survey be made of the residents in the area about the proposal.

Council also requested Mr. King to investigate plans for health services at the apartment complex and what kind of emergency transportation would be provided to the city hospitals.

MAYOR'S STATEMENT REGARDING STORM DRAINAGE INTO CREEKS

One of the most frustrating and complex problems that we have been involved in recently is the storm drainage system of almost 100 miles of creeks that run in and out of the City Limits across public easements and rights-of-way and through private property, and to date no governmental unit has been able to legislate that water shall not run down hill.

An example of the most recent situation is the Smith Mill Creek, a once rambling mountain creek and now the product of modern urban life created by independent actions of local, state and federal governments and private enterprise. To remedy this problem entirely will take several years, several hundred thousand dollars and the full cooperation of all of those that independently contributed to the problem.

In relation to problems of creek flooding due to storm drainage the City has traditionally had to take the legal position, referenced to in the North Carolina General Statutes, that the City is under no legal responsibility to maintain or expend any funds in correction of any condition that exists on private property. This problem being the sole responsibility of the property owners contiguous with said creeks or waterways to maintain the same and to correct any unsafe conditions which occur therefrom.

However, in 1974-75 the City Council passed a new Zoning Ordinance, a Sedimentation Control Ordinance and they expanded the City zoning jurisdiction to the one mile perimeter of the City. These legislative actions will do a great deal to prevent the problems of Smith Mill Creek happening to other creeks elsewhere in the future.

boundary from R-2 and R-3 Residential to the proposed R-5 Residential (including individual mobile homes.)

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission had recommended approval of the proposed R-5 Residential District due to the dramatic increase in the number of mobile homes in Buncombe County. He said this mode of housing could not be ignored by cities or relegated to a secondary slot as far as housing is concerned. He said the present zoning ordinance provides that mobile homes can only be used in a mobile home park which can only be located in a a R-4 or Commercial Service District. He said the Planning and Zoning Commission felt that the city had an obligation to provide sufficient portable housing alternatives to citizens under this jurisdiction and they also felt the creation of the R-5 Residential District would go a long way toward accomplishing this obligation.

Mr. Emrick then proceed to review the proposed areas to be zoned the proposed R-5 Residential District. He also reviewed the provisions of the particular zone.

Mary Evelyn Hicks spoke to Council regarding the regulation of mobile homes.

Mrs. Harry Wright, Beaver Valley Road, objected to the 10,000 sq. ft. minimum lot size. She said she felt it should be a minimum of least 1/2 acre lot.

Larry Tweed, President of the Mobile Home Association, spoke in favor of the adoption of the proposed R-5 Residential District. He cited several statistics showing the need for a mobile home district.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:11 o'clock p. m.

Corporation Counsel William C. Moore read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 883. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 883 passed on first reading.

RESOLUTION NO. 76-52 - RESOLUTION TO CLOSE TWO UN-NAMED ALLEYS AND "COURT" ALLEY

4. A public hearing was held relative to closing two un-named alleys and "Court" alley.

Mayor Ochsenreiter opened the public hearing at 4:15 o'clock p. m.

The City Manager read the advertised resolution setting the time and date for the public hearing and the affidavit of publication.

Larry Holt, of the Asheville Housing Authority, explained that the Housing Authority proposes to begin site preparation for disposition and proper development of Disposal Parcels 60, 85 and 86 for commercial and residential use, being in the East Riverside Redevelopment Project N. C. R-48, which requires the closing of these alleys. He said the two un-named alleys runs off of Asheland and South Grove Street and "Court" alley runs off of Asheland Avenue.

Thursday - April 1, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the March 25, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, the minutes of the March 25, 1976 meeting were approved as submitted.

PUBLIC HEARING - REZONING WARD 4 - SHEET 2 - LOT 20 - MRS. LULA B. KUYKENDALL

2. A public hearing was held relative to rezoning Ward 4, Sheet 2, Lot 20, from R-4 Residential District to CS Commercial Service District, property owned by Mrs. Lula B. Kuykendall.

Mayor Ochsenreiter opened the public hearing at 3:02 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission had recommended approval of the rezoning for the following reasons:

1. The property is bounded on three (3) sides by existing commercial zoning.

2. Land uses in this area are predominately commercial or public.

3. Because of its location, subject property is not well suited for residential development.

4. Commercial development of this property would not introduce an incompatible use to the area.

Mr. Emrick, by the use of a map, pointed out the location of the property.

Mayor Ochsenreiter closed the public hearing at 3:07 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

Councilman Hoyle moved for the adoption of Ordinance No. 882. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 882 passed on its first reading.

PUBLIC HEARING - REZONING PROPERTY TO A PROPOSED R-5 RESIDENTIAL DISTRICT

ORDINANCE NO. 883 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning four areas in the mile

The City Manager read the resolution.

Paul Dutcher, Traffic Engineer, explained that this resolution would request the State of North Carolina Department of Transportation to transfer designated and unexpended Urban Land Funds for the use of the City in placing traffic control devices in the Pack Square area in an effort to intensify safety control. He said the project for safety control devices on Pack Square has a cost of approximately $6,000.00.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-54 was unanimously adopted.

Complete text of Resolution No. 76-54 will be found in Resolution Book No. 9 at page 9.

RESOLUTION NO. 76-55 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE GRANT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT 75-01 FOR THE ASHEVILLE AIRPORT

8. Consideration was given to a resolution authorizing the Mayor to execute grant agreement with the North Carolina Department of Transportation for Project 75-01 for the Asheville Airport.

The City Manager read the resolution.

William F. Wolcott, Jr., Assistant City Manager, explained that this resolution would provide for a grant in the maximum amount of $179,934. or in an amount equal to fifty percent (50%) of the non-federal share of the total cost of the project and that this project would provide 900 square foot addition to public lobby of airline terminal; develop security checkpoint for airline loading concourse, and purchase land northwest of runway 16-34 for future runway extension.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-55 was unanimously adopted.

Complete text of Resolution No. 76-55 will be found in Resolution Book No. 9 at page 10.

RESOLUTION NO. 76-56 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE GRANT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT 75-02 FOR THE ASHEVILLE AIRPORT

9. Consideration was given to a resolution authorizing the Mayor to execute grant agreement with the North Carolina Department of Transportation for Project 75-02 for the Asheville Airport.

The City Manager read the resolution.

William F. Wolcott, Jr., Assistant City Manager, explained that this resoluiton would provide for a grant in the maximum amount of $40,000 or in an amount equal to fifty percent (50%) of the non-federal share of the total cost of the project, whichever is less, and that project would allow for the construction of a crash-fire-rescue station and the updating of the comprehensive airport master plan.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution

Mr. Holt said the closing of these alleys would not be contrary to the public interest, but to the contrary, would be in the best interest of the public and the community.

Mayor Ochsenreiter closed the public hearing at 4:20 o'clock p. m.

Corporation Counsel William C. Moore read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 76-52 was unanimously adopted.

Complete text of Resolution No. 76-52 will be found in Resolution Book No. 9 at page 4.

AMENDED DEVELOPMENT PLANS - ONE OAK PLAZA, DISPOSAL PARCEL 30 IN THE CIVIC REDEVELOPMENT PROJECT N. C. R-13

5. Mr. W. C. King, Director of the Asheville Housing Authority, said in May, 1975, One Oak Plaza, a Partnership, received approval of Council to construct a 5-story, 60,000 sq. ft. office building on Disposal Parcel 30 in the Civic Redevelopment Project N. C. R-13, also known as the old David Millard site located on the northeast corner of the intersection of Oak and Poplar or "new Woodfin and College Streets". He said the general contract has now received approval from the Asheville Housing Authority to amend his plans to construct a 3-story, 36,000 sq. ft. office building.

After discussion, Councilman Morris moved to approve the amended development plans submitted by One Oak Plaza to construct a 3-story office building on Disposal Parcel 30 in the Civic Redevelopment Project N. C. R-13. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 76-53 - RESOLUTION TO CLOSE THE STREETS LOCATED WITHIN THE GROUNDS OF THE MEMORIAL MISSION HOSPITAL OF WESTERN NORTH CAROLINA, INCORPORATED AS SHOWN AND DESCRIBED ON PAGE 95 OF PLAT BOOK 34 IN THE OFFICE OF THE REGISTER OF DEEDS FOR BUNCOMBE COUNTY AND CALLING A PUBLIC HEARING ON THE QUESTION

6. Mr. James Williams, Attorney for Memorial Mission Hospital, read a petition from the Memorial Mission Hospital, Inc., requesting that streets located within the grounds of the Memorial Mission Hospital of Western North Carolina, Inc. be permanently closed.

The City Manager advised Council that if they wished to consider the closing of these streets it would be necessary to pass a resolution setting a public hearing on the question and that if it was Council's wish he was prepared to present the resolution. On instructions from Mayor Ochsenreiter he proceeded with the presentation of the resolution.

Vice-Mayor Horton moved for the adoption of the resolution setting the date for the public hearing for April 29, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

Complete text of Resolution No. 76-53 will be found in Resolution Book No. 8 at page 7.

RESOLUTION NO. 76-54 - RESOLUTION REQUESTING FUNDS FOR USE IN TRAFFIC CONTROL

7. Consideration was given to a resolution requesting funds for use in traffic contro.

CLAIM - CHARLES HENRY HOUSE AND NANCY DIANE HOUSE

The City Manager presented a claim received from Ervin L. Ball, Jr. attorney for Charles Henry House and Nancy Diane House for damages.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - NATIONAL AUCTIONEER'S WEEK - APRIL 4-10

Mayor Ochsenreiter proclaimed the week of April 4-10 as National Auctioneer's Week.

PROCLAMATION - APRIL - CANCER CRUSADE MONTH

Mayor Ochsenreiter proclaimed the month of April as Cancer Crusade Month.

LEAGUE OF MUNICIPALITIES - CONVENTION IN ASHEVILLE - OCTOBER, 1978

Mayor Ochsenreiter reported that he was pleased and honored to announce that the North Carolina League of Municipalities has plans to hold their convention in Asheville in October, 1978

COUNCILMAN HORTON - REQUEST FOR MORE TRASH RECEPTACLES IN DOWNTOWN AREA

Councilman Horton said he had been contacted about the appearance of the downtown area particularly the debris on the streets. He suggested that more trash receptacles be placed in the downtown area.

The City Manager advised that this request would be included in the upcoming 1976-77 Budget.

Councilman Horton said he would like to see more receptacles placed in the downtown area before the budget if possible.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

Norman J. Wallace
CITY CLERK

No. 76-56 was unanimously adopted.

Complete text of Resolution No. 76-56 will be found in Resolution Book No. 9 at page 11.

RESOLUTION NO. 76-57 - RESOLUTION AMENDING THE 1975-76 ASHEVILLE COMMUNITY DEVELOPMENT OAKLEY PUBLIC WORKS BUDGET AND INCLUDING EASTVIEW AVENUE WATER LINE PROJECT BUDGET

10. Consideration was given to a resolution amending the 1975-76 Asheville Community Development Oakley Public Works Budget and including Eastview Avenue Water Line Project Budget.

The City Manager read the resolution and explained that this resolution would amend the Oakley Public Works Project Budget and allocate funds to support the Eastview Avenue Water Line Project in the amount of $12,000 for the Oakley Public Works Project and $6,000 for the Eastview Avenue Water Line Project.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 76-57 was unanimously adopted.

Complete text of Resolution No. 76-57 will be found in Resolution Book No. 9 at page 12.

BIDS - SALE OF TWO (2) OBSOLETE CITY FIRE TRUCKS

11. Consideration was given to bids received March 9, 1976 for the sale of two (2) obsolete city fire trucks.

The City Manager read a memorandum from the Purchasing Agent which recommended acceptance of bid submitted by Boyce L. Ford Company in the amount of $1,501.00

Councilman Rainey moved to accept the bid submitted by Boyce L. Ford Company in the amount of $1,501.00 for the sale of two (2) obsolete city fire trucks. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 76-58 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

12. Consideration was given to a resolution authorizing Director of Finance to sell surplus property.

The City Manager read the resolution and explained that the City is cleaning up its operating facilities on Valley Street and there is an accumulation of old used parts and pieces of equipment in and around these facilities and that these items have no trade-in value and qualify only as junk. However, under Article V, Section 32(d) of the City Charter no sale of surplus personal property having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction be made by the City Council.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-58 was unanimously adopted.

Complete text of Resolution No. 76-58 will be found in Resolution Book No. 9 at page 13.

Vice-Mayor Horton closed the public hearing at 3:10 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

Councilman Michael moved for the adoption of Ordinance No. 884. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 884 passed on its first reading.

ORDINANCE NO. 882 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Mrs. Lula B. Kuykendall - Ward 4, Sheet 2, Lot 20)

3. Consideration was given to the second reading of Ordinance No. 882, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Mr. Carl Hyldburg expressed appreciation for expediting the matter and asked Council to consider both the second and third readings at this time.

On a roll call vote of 5-0, Ordinance No. 882 passed on its second reading

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 882. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 882 passed on third and final reading.

Complete text of Ordinance No. 882 will be found in Ordinance Book No. 7 at page 3.

ORDINANCE NO. 883 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Proposed R-5 Residential District)

4. Consideration was given to the second reading of Ordinance No. 883, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended.

Councilman Rainey noted that he was voting against this ordinance, not because he opposed mobile homes but because he felt they should be located within mobile home parks and therefore providing protection to home owners within the areas.

On a roll call vote of 4-0, Ordinance No. 833 passed on its second reading.

Councilman Michael stated that he voted for the ordinance for the same reason Councilman Rainey voted against. He said his feelings are that mobile homes should be scattered unless distance between mobile homes could be controlled.

Councilman Hoyle noted that lot sizes were large enough for houses and should not present any problems.

Thursday - April 8, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Acting City Clerk Carol Hensley

Absent: Mayor Eugene C. Ochsenreiter, Jr. and William F. Wolcott, Jr., Assistant City Manager/City Clerk

1. Approval of the minutes of the April 1, 1976 meeting.

Vice-Mayor Horton's correction to the minutes was noted relative to the second item concerning a public hearing relative to rezoning property of Mrs. Lula B. Kuykendall. The time for opening the public hearing should have read 3:02 o'clock p. m. This correction was made in the minutes.

Upon motion of Councilman Morris, seconded by Councilman Michael, the minutes of the April 1, 1976 meeting were approved as amended.

PUBLIC HEARING - REZONING WARD 12, SHEET 23, LOTS 36, 37, 38, AND 39 - MR. AND MRS. JAMES E. FISHER

2. A public hearing was held relative to rezoning Ward 12, Sheet 23, Lots 36, 37, 38, and 39 from R-3 Residential District to CH Commercial Highway District, property owned by Mr. and Mrs. James E. Fisher.

Vice-Mayor Horton opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised Council that the Planning and Zoning Board recommended approval of the rezoning for the following reasons:

1) The property is bounded on three (3) sides by an existing commercial zone.

2) Land uses in this area are predominately commercial or public.

3) Because of its location subject property is not well suited for further residential development.

4) Commercial development of this property would not introduce an incompatible use to the area.

Mr. Emrick, by the use of a map, pointed out the location of the property and noted that it is located in the one mile perimeter outside city limits. He said the property owners in the area have been notified.

REQUEST FROM WNC PILOTS ASSOCIATION, INC. TO HOLD AIR SHOW AT THE ASHEVILLE AIRPORT

6. The City Manager read a letter from the WNC Pilots Association, Inc. requesting permission to hold an air show at the Asheville Airport in the fall.

U. Gary Taylor said he saw no reason why they could not hold an air show providing they furnish the airport with the following information.

1. A schedule of events.
2. Proof of insurance covering each act.
3. FFA certification of waiver or authorization.
4. Provide assurance agreement with all conflicting concessions at the airport.
5. Be responsible for damages and clean up.
6. Be responsible for additional policing, directing traffic, and signs and fencing.

Mr. Taylor stated that the Pilots Association did a better job presenting the last air show.

Councilman Rainey moved that Council approve the WNC Pilots Association request contingent upon an agreement being worked out including the six (6) items mentioned by Mr. Taylor above. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 885 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1976 AND ENDING JUNE 30, 1977

7. Consideration was given to Ordinance No. 885, an ordinance levying assessing, imposing and defining the license and privilege taxes of the City of Asheville for the Fiscal Year beginning July 1, 1976 and ending June 30, 1977.

The City Manager explained there were no changes from the one adopted last year and it was just a matter of adopting the existing ordinance.

Councilwoman Swilling moved to adopt Ordinance No. 885. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 885 passed on its first reading.

RESOLUTION NO. 76-61 - RESOLUTION AUTHORIZING PURCHASE OF RADIOS FOR THE INSPECTION AND DEMOLITION DIVISION

8. Consideration was given to a resolution authorizing purchase of radios for the Inspection and Demolitions Division.

The City Manager read the resolution.

J. E. Johnson, Chief Building Inspector, advised that with more radio contact with inspectors they can answer more calls due to the fact the men don't have to come into the office to get their calls.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-61 was unanimously adopted.

PRESENTATION BY WHEELER AIRLINES RELATIVE TO PROVIDING FLIGHT SERVICE THROUGH THE ASHEVILLE AIRPORT

5. Consideration was given to a proposal from Wheeler Airlines Service to provide flight service through the Asheville Airport.

U. Cary Taylor, Director of Aviation, reported that Wheeler Airlines has proposed to provide service to the Asheville area consisting of eight flights with flexible schedules. He said this would, in his opinion, give the community more and better service and also bring in more revenue to the Asheville Airport and would generate more passengers in and out of the airport and possibly more passengers for the air carriers.

Councilman Michael asked Mr. Taylor if Council approved the action would he recommend that they be given approval to begin service on a temporary basis beginning on Monday, April 12? Mr. Taylor recommended that they begin temporary service on that date.

James Golding, attorney representing Wheeler Airlines locally, introduced James Allen, Jr., General Counsel, and Warren Wheeler, President of Wheeler Airlines.

Mr. Wheeler gave a resume of his business and briefly described proposed flight services as related to time schedules and service to and from other cities and how they would use the facilities at the airport.

The City Manager stated that Mr. Taylor had received a telegram confirming liability insurance coverage for Wheeler Airlines.

Vice-Mayor Horton then asked the City Manager to read the resolution authorizing execution of lease agreement and publishing notice thereof.

RESOLUTION No. 76-59 - RESOLUTION AUTHORIZING EXECUTION OF LEASE AGREEMENT AND PUBLISHING NOTICE THEREOF

The City Manager read the resolution and Mr. Taylor answered general questions relative to the agreement.

Upon motion by Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-59 was unanimously adopted.

Complete text of Resolution No. 76-59 will be found in Resolution Book No. 9 at page 14.

RESOLUTION NO. 76-60 - RESOLUTION GRANTING TEMPORARY OPERATING PERMIT TO WHEELER FLYING SERVICE, INC. DBA WHEELER AIRLINES AT THE ASHEVILLE AIRPORT

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-60 was unanimously adopted.

Complete text of Resolution No. 76-60 will be found in Resolution Book No. 9 page 15.

Complete text of Resolution No. 76-61 will be found in Resolution Book No. 9 at page 16.

RESOLUTION NO. 76-62 - RESOLUTION AUTHORIZING APPLICATION TO THE U. S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A GRANT UNDER THE PROVISIONS OF SECTION 701 OF THE HOUSING ACT OF 1954, AS AMENDED

9. Consideration was given to a resolution authorizing application to the U. S. Department of Housing and Urban Development for a grant under the provisions of Section 701 of the Housing Act of 1954, as amended.

The City Manager read the resolution.

Verl Emrick, Director of Planning, explained that this grant is an annual supportative grant that the City sesures from HUD. He said, this year the grant will be $20,000 and the City of Asheville will be requested to match that with $10,000 in local in-kind services.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-62 was unanimously adopted.

Complete text of Resolution No. 76-62 will be found in Resolution Book No. 9 at page 17.

RESOLUTION NO. 76-63 - RESOLUTION AUTHORIZING THE SALE OF OLD FIRE TRUCK

10. Consideration was given to a resolution authorizing the sale of an old fire truck.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 76-62 was unanimously adopted.

Complete text of Resolution No. 76-63 will be found in Resolution Book No. 9 at page 18.

GROUP DEVELOPMENT REVIEW - A-B TECHNICAL INSTITUTE

11. The City Manager read a letter from the Planning and Zoning Commission relative to the proposed Learning Resource Center of the A-B Technical Institute recommending approval of the site plan.

Councilman Morris moved to schedule a public hearing on the matter for April 29, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

COMMUNITY DEVELOPMENT REPORT

The City Manager reported that the City of Asheville Community Development Program was monitored by a team from HUD in February of this year and that it was generally reported that the Asheville program was being carried out in an efficient and timely manner. The City Manager requested that a copy of this report be included in the minutes as it is a report the City of Asheville can be proud of.

OVERALL, HOWEVER, THE REPORT PRAISED THE CITY'S EFFORT AT TRYING TO GET PUBLIC INVOLVEMENT IN THE PROGRAM. INSTEAD OF THE MANDATORY TWO PUBLIC HEARINGS UNDER THE LAW, ASHEVILLE HAD EIGHT. AND CITY OFFICIALS WENT DOOR-TO-DOOR IN THE COMMUNITY DEVELOPMENT AREA SOLICITING IDEAS, THE REPORT SAID.

IN ITS CONCLUSIONS, THE REPORT SAYS THAT ABUSES OF THE COMMUNITY DEVELOPMENT PROGRAM ARE MORE WIDESPREAD IN THE CASES WHERE THE PROGRAM IS IMPROPERLY ADMINISTERED AND THAT HUD MUST MAINTAIN TIGHTER CONTROL OVER HOW LOCAL GOVERNMENTS SPEND THEIR FEDERAL MONEY.

THE PROGRESS INDICATED IN THESE REPORTS ARE A CREDIT TO THE CITIZENS OF ASHEVILLE, THE ADMINISTRATIVE STAFFS RESPONSIBLE FOR THE COORDINATION, IMPLEMENTATION AND EXECUTION OF THESE PROGRAMS AND A RESPONSIVE CITY COUNCIL.

THE CITY'S PLANNING EFFORTS HAVE PRODUCED A GROWING COMPREHENSIVE AND COORDINATED PLANNING AND MANAGEMENT CAPABILITY OF WHICH WE CAN ALL BE EXTREMELY PROUD.

Councilman Rainey moved that a letter of commendation be entered into the permanent files of the administration staff of the Community Development Program commending them for a job well done. Councilwoman Swilling seconded this motion which carried unanimously.

RALPH BISHOP - AFFIDAVIT RELATIVE TO POLICE CHIEF J. C. HALL

Ralph Bishop read an affidavit to Council concerning Police Chief J. C. Hall.

It was noted that this type of matter should be taken before the Civil Service Board and not the Asheville City Council.

E. R. McCARTHY - COMPLAINT ABOUT NOISE ORDINANCE

Mr. McCarthy reports muffler ordinance is not being enforced sufficiently.

Vice-Mayor Horton asked the City Manager to report back on this matter.

252

STATEMENT INDICATING THE PROGRESS OF
ASHEVILLE'S COMMUNITY DEVELOPMENT PROGRAM AS DETERMINED BY THE
DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT AND THE
SOUTHERN REGIONAL COUNCIL (SRC)

THE CITY OF ASHEVILLE'S COMMUNITY DEVELOPMENT PROGRAM WAS MONITORED BY A TEAM OF DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT STAFF SPECIALISTS IN FEBRUARY OF THIS YEAR AND IT WAS GENERALLY REPORTED AT THAT TIME IN A FOLLOW-UP COMMUNICATION FROM THE HUD AREA DIRECTOR'S OFFICE THAT "THE ASHEVILLE PROGRAM WAS BEING CARRIED OUT IN AN EFFICIENT AND TIMELY MANNER."

MORE RECENTLY IT WAS REPORTED BY THE SOUTHERN REGIONAL COUNCIL (SRC), AN INDEPENDENT ATLANTA BASED ORGANIZATION IN A STUDY OF 25 SOUTHERN CITIES HAVING COMMUNITY DEVELOPMENT PROGRAMS THAT THE FUNDS ALLOCATED FOR THE ASHEVILLE PROGRAM WERE BEING PROPERLY SPENT IN LOW AND MODERATE INCOME AREAS CONSISTENT WITH THE INTENT OF THE LEGISLATION, AND PROPERLY ADMINISTERED ON LESS THAN HALF THE AVERAGE SPENT BY OTHER PROGRAMS FOR MANAGEMENT AND ADMINISTRATION OF THE COMMUNITY DEVELOPMENT PROGRAMS. ASHEVILLE ALSO HELD IN A CONTINGENCY RESERVE FUND ALMOST TWICE THE AVERAGE IN THE SRC STUDY.

THE SRC REPORT SHOWS THAT ASHEVILLE SPENT NEARLY TWICE AS MUCH OF ITS FIRST-YEAR ALLOCATION ON PUBLIC WORKS AND SITE IMPROVEMENTS THAN THE AVERAGE OF ALL 26 CITIES. THOSE IMPROVEMENTS, INCLUDING UPGRADED STREETS AND SEWER LINES, WERE MAINLY CONFINED TO THE CITY'S DESIGNATED COMMUNITY DEVELOPMENT AREA MADE UP OF MIDDLE AND LOW INCOME NEIGHBORHOODS.

IN OTHER AREAS, ASHEVILLE EXCEEDED THE AVERAGE IN THE AMOUNT SPENT FOR BUILDING CODE ENFORCEMENT AND IT SPENT LESS THAN AVERAGE FOR PROPERTY ACQUISITION, REHABILITATION GRANTS AND LOANS, RELOCATION PAYMENTS, DEMOLITION AND REHABILITATION, PUBLIC SERVICES AND CONTINUATION OF MODEL CITIES PROGRAMS.

NONE OF THE CITY'S FUNDS WERE SPENT IN THE ELIGIBLE CATEGORIES OF URBAN RENEWAL COMPLETION AND PROJECTS TO DIRECTLY BENEFIT THE ELDERLY AND HANDICAPPED, THE REPORT SAID.

Councilman Rainey also brought up another noise pollution problem in central air conditioning units placed in homes. The noise from units keep neighbors from sleep.

PROCLAMATION - WEEK OF THE YOUNG CHILD

Vice-Mayor Horton proclaimed the week of April 12- 17 as the Week of the Young Child.

Adjournment.

MAYOR

CITY CLERK

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, again reviewed the provisions of the ordinance.

Mr. Richard Synder, 552 Deaverview Road, asked if his property would be included in the R-5 Residential District. He was referred to Mr. Emrick for his answer.

Mrs. Harry Wright, Beaver Valley Road, again objected to the ordinance on the grounds that the 10,000 square foot lot requirement was not sufficient. She contended that the required lot size should be not less than one-half acre.

Councilman Rainey said he felt that not having R-5 Residential within the City Limits was discriminating and for that reason he did not favor the ordinance.

On a roll call vote of 4-0, Ordinance No. 883 passed on its third and final reading.

Complete text of Ordinance No. 883 will be found in Ordinance Book No. 7 at page 4.

ORDINANCE NO. 884 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (property at the corner of North Louisiana Avenue and Emma Road from R-3 Residential District to Commercial Highway District)

4. Consideration was given to the second reading of Ordinance No. 884, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property at the corner of North Louisiana Avenue and Emma Road from R-3 Residential District to Commercial Highway District).

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 884 passed on its second reading.

ORDINANCE NO. 885 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1976 AND ENDING JUNE 30, 1977

5. Consideration was given to the second reading of Ordinance No. 885, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the Fiscal Year beginning July 1, 1976 and ending June 30, 1977.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 885 passed on its second reading.

Thursday - April 15, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

1. Approval of the minutes of the April 8, 1976 meeting.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the minutes of the April 8, 1976 meeting were approved as submitted.

PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - MEMORIAL MISSION HOSPITAL

2. A public hearing was held relative to the Group Development Review of the proposed improvements to Memorial Mission Hospital.

Mayor Ochsenreiter opened the public hearing at 3:00 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the proposed improvements subject to the developer filing an approved erosion control plan. He said the proposed expansion of the hospital facilities will be undertaken in phases. Phase I will entail: 1) the McDowell Street access; 2) relocation of existing water and sewer lines; and 3) construction of a 650 car parking facility. Phase II will entail: 1) redesign of Biltmore Avenue access; 2) redesign of the parking facilities around the hospital on the eastern side; and 3) relocation of existing water and sewer service lines.

Mr. John Rogers, Architect for Six Associates, answered general questions from members of Council relative to the improvements to be made.

Mayor Ochsenreiter closed the public hearing at 3:12 o'clock p. m.

Councilman Morris moved for the approval of the proposed improvements to Memorial Mission Hospital subject to the developer filing an approved erosion control plan. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 883 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Proposed R-5 Residential including individual mobile homes)

3. Consideration was given to the third reading of Ordinance No. 883, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Proposed R-5 Residential including individual mobile homes).

The water service in the above amounts would be required to permit the operation of an industrial plant similar to the existing Square D facility.

The City Manager also read a letter of recommendation from Mr. Bill Edens, Water and Sewer Director. He said transmission mains in the area are capable of delivering this water without any significant reinforcment.

After discussion, Councilman Rainey moved to approve the request of the Square D Company. This motion was seconded by Councilman Michael and carried unanimously.

REZONING REQUEST - CLYDE J. LEESON

The City Manager read a letter from the Planning and Zoning Commission relative to rezoning request of Clyde J. Leeson that Lots 33, 85, 64, 71, 72, 95, 34-1/4, and 73, Ward 7, Sheet 32, and Lots 178-1/2, 261, 262, 338, and 172, Ward 7, Sheet 23, be rezoned from R-3 Residential District to CS Commercial Service District. The Planning and Zoning Commission had recommended denial of the request however, the petitioners had requested a public hearing on the matter.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 20, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

REZONING REQUEST - WACHOVIA BANK AND TRUST COMPANY AND MRS. THELMA PHIPPS

The City Manager read a letter from the Planning and Zoning Commission relative to rezoning request of Wachovia Bank and Trust Company and Mrs. Thelma Phipps that Lots 3-1/4 and 3-1/2, Ward 9, Sheet 22, be rezoned from R-3 Residential to CH Commercial Highway District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 13, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

REZONING REQUEST - MRS. ELIZABETH HENSLEY AND MR. JESSE M. ROSE

The City Manager read a letter from the Planning and Zoning Commission relative to rezoning request of Mrs. Elizabeth Hensley and Mr. Jesse M. Rose that Lots 5, 6, 7, 8, 9, 10, and 11, Ward 8, Sheet 17 be rezoned from R-2 Residential District to Commercial Highway District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 13, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

REZONING REQUEST - MRS. CAROLYN YATES AND MRS. LUCILLE HELMS

The City Manager read a letter from the Planning and Zoning Commission relative to the rezoning request of Mrs. Carolyn Yates and Mrs. Lucille Helms that Lots 154, 22-1/4, and 115, Ward 8, Sheet 31, be rezoned from R-2 Residential District to Commercial Highway District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 13, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

PRESENTATION RELATIVE TO THE DOWNTOWN BUSINESS DISTRICT

6. Mr. Charles R. Kern, President of John Carroll and Company, Inc., and speaking on behalf of the Central Asheville Association and Mid-City Merchants Council, asked Council to create a special tax district downtown to finance redevelopment through an independent Center Asheville Authority which would plan and direct the rebuilding efforts. He said the authority would be made up of downtown business people and property owners, plus those possessed of a needed talent. Although it would be responsible to City Council, the authority would be politically independent and it would operate through an administrator responsible only to the authority. He said its first priority would be to create an additional 1,000 downtown parking spaces by acquiring property not suitable for business development. Eventually, all off-street parking would be free and all on-street parking would be on secondary streets to improve traffic flow. He said the authority would also prepare land for economic development for downtown housing such as apartments and condominiums to orient the focus of growth inward rather than toward the suburbs. He said the objectives were roughly defined and he did not estimate the amount of additional taxation necessary to accomplish them. But he said although downtown now provides 25% of the city's tax base, that share is decreasing. He said, if the center city tax base continues to dissipate, the rest of the city must expect an increase in taxes to compensate for the loss. He said their purpose is to enhance and to increase the value of each and every parcel of land in center city through economic development. He said those most concerned and most likely to benefit must bear the financial responsibility for their own salvation. He said the city should not succumb to a pedestrian mall mania but create off-street parking, improve traffic flow and increase downtown security. He warned against trying to solve economic problems of the city with architectural solutions or aesthetic programs. Instead, he said improved aesthetics would be the end results of an economically healthy downtown area.

Mr. George Tisdale, District Manager of Southern Bell, opposed Mr. Kern's proposal saying that there are already enough laws to accomplish downtown redevelopment without a special district. He argued that the new tax would be unfair.

Mr. George Beverly, Jr. said he didn't think parking is much of a problem and the proposed project would require millions of dollars and thus a prohibitively high tax rate. He asked Council to give any plans for creating a special tax district a lot of thought.

Mr. Paul Goodman, Mr. John Veach, Mr. Frank Coxe, and Mr. Parker all spoke in favor of Mr. Kern's proposal.

REQUEST FROM SQUARE D COMPANY FOR WATER SERVICE TO LOTS 36 AND 43, SHEET 26, HAZEL WARD

7. The City Manager read a letter of request for water service to Lots 36 and 43, Sheet 26, Hazel Ward, from the Square D Company. The letter stated that the water demand projections would be as follows:

Year	Gallons Per Day Maximum 8-hr. Demand 7:00 a. m. - 3:00 p. m.	Maximum Usage
1978	40,000	50,000
1979	60,000	75,000
1980	75,000	100,000
1981	125,000	150,000
1982	150,000	200,000

Mr. Don Walsh, of the Water and Sewer Department, said this encroachment was for the extension of service for sections of the Brookwood Subdivision being opened for development at this time. He said this 8-inch water line is to be installed by Heritage, Inc., at no expense to the City and will be installed by the contractor according to the City's specifications and inspection and will be turned over to the City for maintenance and ownership after the installation is approved.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 76-65 was unanimously adopted.

Complete text of Resolution No. 76-65 will be found in Resolution Book No. 9 at page 20.

RESOLUTION NO. 76-66 - RESOLUTION TO AMEND RESOLUTION CONCERNING AGREEMENT TO UNDERTAKE DEVELOPMENT OF A SECTION 201 FACILITIES PLAN AS REQUIRED BY PUBLIC LAW 92-500

Consideration was given to a resolution to amend resolution concerning agreement to undertake development of a section 201 Facilities Plan as required by Public Law 92-500.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said this resolution would reaffirm the City's designation of The Metropolitan Sewerage District of Buncombe County, North Carolina to serve as "Lead Agency" in connection with the Section 201 Facilities Plan, in general, and in particular with respect to a Sewer System Evaluation Survey, and does agree to pay its pro-rata share of the cost of conducting the required Sewer System Evaluation Survey, based on the amount of necessary effort expended on the system within the jurisdiction of the City of Asheville.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 76-66 was unanimously adopted.

Complete text of Resolution No. 76-66 will be found in Resolution Book No. 9 at page 21.

RESOLUTION NO. 76-67 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

The City Manager read the resolution.

Verl Emrick, Planning Director, said this was a supplemental annual grant received from the Department of Transportation.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-67 was unanimously adopted.

Complete text of Resolution No. 76-67 will be found in Resolution Book No. 9 at page 22.

REZONING REQUEST - MRS. GUS BARLAS AND MR. JOHN BARLAS

The City Manager read a letter from the Planning and Zoning Commission relative to the rezoning request of Mrs. Gus Barlas and Mr. John Barlas that Lots 50, 51, 52, and 68, Ward 21, Sheet 10 be rezoned from R-3 Residential District to Commercial Highway District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 20, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

WORDING AMENDMENTS TO ARTICLE 4, SECTION 30-4-5 AND ARTICLE 6, SECTION 30-6-1 OF ORDINANCE NO. 322

The City Manager read a letter from the Planning and Zoning Commission relative to wording amendments to Article 4, Section 30-4-5 and Article 6, Section 30-6-1 of the Zoning Ordinance #322.

Vice-Mayor Horton moved to schedule a public hearing on the matter for May 20, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

RESOLUTION NO. 76-64 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE EXTENDING NORTH WESTERLY ACROSS STATE ROAD 280 (LONG SHOALS ROAD) FOR A DISTANCE OF 50 FEET.

Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line extending north westerly across State Road 280 (Long Shoals Road) for a distance of 50 feet.

The City Manager read the resolution.

Mr. Don Walsh, of the Water and Sewer Services, said this will serve the proposed Spring Valley Sub-Division being built by Mr. Kenneth Partin.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-64 was unanimously adopted.

Complete text of Resolution No. 76-64 will be found in Resolution Book No. 9 at page 19.

RESOLUTION NO. 76-65 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT -OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE EXTENDING NORTHERLY ALONG STATE ROAD 3157 WESTON ROAD, BUNCOMBE COUNTY FOR A DISTANCE OF 1,200 FEET

Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line extending northerly along State Road 3157 Weston Road, Buncombe County for a distance of 1,200 feet.

The City Manager read the resolution.

AIR CONDITION SYSTEMS - NOISE - REPORT

The City Manager read the following report from Mr. J. E. Johnson, Inspections and Demolitions, in response to an inquiry from Councilman Rainey at last weeks Council meeting.

MEMORANDUM TO: *Ernest J. Ward, Jr.*
City Manager

FROM: *J. E. Johnson*
Inspections & Demolitions

SUBJECT: *Air Condition Absorption System*
Noise

1. *Under Section 18-12 - Noise B-13 "Code of Ordinances, City of Asheville, North Carolina" any operational deficiencies, malfunction or disrepair causing excessive noises would be a violation;*

2. *The placement of absorption system is governed by the North Carolina State Building Code, Volume III, Heating-Air Conditioning, Refrigeration and Ventilation 1971 Edition, Chapter XVIII - 1803, Location and 1804, Installation. This Ordinance #748 was adopted August 17, 1972 by City Council and is administered by the Western North Carolina Air Pollution Control Board;*

3. *The Asheville City Zoning Ordinance, Ordinance #322, as amended covers the setback requirements ie sides, rear and front yard;*

4. *The Inspections and Demolitions Division is responsible for enforcement of 1 and 3 above and the Western North Carolina Air Pollution Control Board for enforcement of number 2 above;*

5. *The Inspections and Demolitions Division of the City of Asheville should be responsible for enforcement of all three codes mentioned above to insure proper compliance.*

Councilman Rainey commended Mr. Johnson for the report and suggested that an ordinance be prepared for Council's consideration which would require vendors to obtain a permit from the Inspections Division for installation of air conditioning units thereby making provisions for the inspectors to enforce the setback requirements under the Asheville City Zoning Ordinance relative to air conditioning units.

RESOLUTION NO. 76-68 - RESOLUTION APPOINTING JOHN S. STEVENS, AN IMPARTIAL PERSON, TO CONDUCT A PUBLIC HEARING TO OBTAIN THE VIEWS OF CITIZENS ON THE PROPOSED CONSTRUCTION OF IMPROVEMENTS TO THE ASHEVILLE AIRPORT

Consideration was given to a resolution appointing John S. Stevens, an impartial person, to conduct a public hearing to obtain the views of citizens on the proposed construction of improvements to the Asheville Airport.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-68 was unanimously adopted.

Complete text of Resolution No. 76-68 will be found in Resolution Book No. 9 at page 23.

Mayor Ochsenreiter made the following statement relative to the public hearing on the proposed construction of improvements to the Asheville Airport:

"The purpose of the meeting to be held Tuesday, April 20, 1976 is to review only the impact on the environment of extending the Asheville Airport runway. This hearing is not held to condemn or acquire anyone's property in Buncombe or Henderson County. Nor is it a hearing on possible future expansion of airport facilities, except the runway."

Councilman Michael made the following statement relative to the public hearing on the proposed construction of improvements to the Asheville Airport:

"I think that the airport, if expanded, should be done so under the direction of a regional aviation authority with support from surrounding counties that utilize the airport. As the airport stands, it is quite adequate for the needs of the fifty-five thousand people that live in the City of Asheville. The expansion would benefit the people of Western North Carolina much more than the City of Asheville. The City of Asheville budget cannot afford $500,000.00 for expansion extending the runway and improvements for the Asheville airport. If necessary, the name of the airport could be changed to Land of the Sky, Asheville-Buncombe Airport, or Western North Carolina Regional Airport. I am saying all of this because I think this is the only way to cut the city budget and to give city employees the raises that they desire and deserve and upgrade city services. Last year we had over a million dollars surplus and this year according to predictions, we will use that surplus and be a million dollars in the red at the end of the year if we do all of the things that are proposed. The City of Asheville is fast becoming a city with yearly monetary deficits, due to decreasing revenues and increasing responsibilities."

PROCLAMATION - NATIONAL SECRETARIES WEEK - APRIL 18-24, 1976

Mayor Ochsenreiter proclaimed the week of April 18-24, 1976 as National Secretaries Week.

PROCLAMATION - NATIONAL YWCA WEEK - April 18 - 24, 1976

Mayor Ochsenreiter proclaimed the week of April 18-24 as National YWCA Week.

MRS. ELROD - PUBLIC HOUSING

Mrs. Elrod requested the City Manager to read the following statement:

"The United States Supreme Court has ruled that any further public housing, in a given geographic area, may be prohibited by a public referendum. It is requested that I be informed of the procedures for calling for such a referendum in my area. Could the area be described as a certain ward or a certain part of Asheville or would it have to cover the whole city?

I assume a petition must be circulated and signed calling for such referendum. What percentage of the voters must sign? Does it conform to the rules for any other question so submitted?

Will the City Council promptly call a referendum if such petition is submitted?

If any of the questions and regulations concerning the above are not known to the City Council, it is requested that the City Attorney answer them or obtain the information from the State's Attorneys office."

Mrs. Elrod said she was referring to another 250 low-rent housing units being built within 300 ft. of the existing Pisgah View Apartments. She said she felt it unfair to the property owners in the area.

She asked what would happen to such a petition if she obtained one.

Ken Michalove, Assistant City Manager, said it was his understanding that this project was in the preliminary stages but was going to be constructed by private enterprise under Title 8 funding. He said approval of the project would come from the HUD office in Greensboro as well as the Planning and Zoning Commission and the Asheville City Council.

Mayor Ochsenreiter informed Mrs. Elrod that she would be kept informed of each step taken in this project and she would be allowed to speak on the matter.

PUBLIC EMPLOYEES COMMITTEE - JIM OWEN - PROPOSALS

Jim Owen of the Police Department, spokesman for the public employees commitee presented the following proposals:

Proposals for Nonsupervisory City Employees - City of Asheville, N. C.

1. Have a workable grievance procedure with an impartial person or persons to make decisions.

2. Ask for salary increase for all except advisory personnel.

$100.00 month - police
$125.00 month - street and sanitation workers, water department employees, meter repairmen, sign shop workers, painters, cemetary workers, meter readers.
$130.00 month - clerk typist, meter maids.

IMPROPER MUFFLERS - REPORT

In response to a complaint received from Mr. E. R. McCarthy at last weeks meeting Chief Hall made the following report:

1975 - 269 arrested for improper mufflers
Conviction rate of 218

First 3 months of 1976 - 42 arrested for improper mufflers
April, 1976 - 17 arrested for improper mufflers.

Chief Hall said the Police Department was doing their best to enforce the noise control ordinance relative to mufflers however it was very difficult to enforce improper mufflers on motorcycles.

REQUEST OF MERCHANTS ASSOCIATION - FREE ON-STREET PARKING - APRIL 19, 1976

The City Manager read a request from the Asheville Merchants Association requesting that free on-street parking be granted on Monday, April 19, 1976 beginning at 10:00 a. m.

Councilman Morris moved to approve the request of the Asheville Merchants Association for free on-street parking on Monday, April 19, 1976 beginning at 10:00 a. m. This motion was seconded by Vice-Mayor Horton and carried unanimously.

DISCHARGING OF FIREARMS IN THE CITY LIMITS

Councilwoman Swilling said at a meeting she attended at Aycock School someone wanted information relative to the discharging of firearms in the City Limits. She said under the Asheville City Charter it is illegal to discharge firearms in the City Limits and this information had been forwarded to the party. She said she was bringing this information to the public's attention in order to prevent further discharging of firearms in the City Limits.

COMPLAINT RELATIVE TO CHARGES AT THE ASHEVILLE CIVIC CENTER

Mr. Brooks, appeared before Council complaining about the additional charge of $2.00 per table charged in connection with dances and similar functions at the Asheville Civic Center. He asked that this additional charge be eliminated.

Mayor Ochsenreiter said this matter would be investigated by the Department Head for the Civic Center.

PETITION - ECHO HILLS - FIRE HYDRANTS

Mr. Don Hutton presented a petition from the property owners in Echo Hills requesting the city to provide adequate fire protection to their area. Mr. Hutton proceeded to read the petition which contained approximately 28 names.

The City Manager advised that this request would be included in the 1976-77 Budget.

Thursday- April 22, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Bill B. Horton and Councilman Otis B. Michael

1. Approval of the minutes of the April 15, 1976 meeting.

Councilman Rainey noted that the minutes should be corrected to reflect a vote of 4-1 on Ordinance No. 883 instead of a vote of 4-0.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the April 15, 1976 meeting were approved as corrected.

ORDINANCE NO. 884 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (property at the corner of North Louisiana Avenue and Emma Road)

2. Consideration was given to the third reading of Ordinance No. 884, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (property at the corner of North Louisiana Avenue and Emma Road from R-3 Residential District to Commercial Highway District).

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 884 passed on its third and final reading.

Complete text of Ordinance No. 884 will be found in Ordinance Book No. 6 at page 7.

ORDINANCE NO. 885 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1976 AND ENDING JUNE 30, 1977

3. Consideration was given to the third and final reading of Ordinance No. 885, an ordinance levying, assessing, imposing and defining the license and privilege taxes of the City of Asheville for the Fiscal Year beginning July 1, 1976 and ending June 30, 1977.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 885 passed on its third and final reading.

Complete text of Ordinance No. 885 will be found in Ordinance Book No. 6 at page 8.

Substantial increase for rest of nonsupervisory employees.

3. City of Asheville should pay full cost of all S & A (hospital insurance). Increase each year death benefits to $5,000.00.

4. Longivity.
   2 years - 1%
   5 years - 2-1/2%
   10 years - 4 %
   15 years - 6%
   20 years - 7-1/2%

5. Street, sanitation, etc. pension of 3% to be based on a 40 hour work week only. No pension to be deducted from overtime.

6. Time and a half pay or compensatory time back for court appearance for police when not on active duty. (as other cities in North Carolina have)

7. Change present pension language concerning city employees death benefits to read that pension go to child or children until age 18 even if spouse dies or remarries.

8. A cost of living increase.

Signed: City of Asheville Public Employees

" Referring to the Asheville Policemen and Firemen Pension Fund, After a cursory examination of the pension fund ordinance, we seriously question that there are sufficient funds to meet the obligations due to the employees of the City of Asheville. To the best of our knowledge, we have never had a report or an audit or account of the pension and we don't believe there is enough funds to meet individual accounts in the pension system. We would appreciate your answer to this statement."

Vice-Mayor Horton requested that the City Manager prepare a general statement for next week's meeting relative to the question of the Policemen and Firemen's Pension Fund.

APPOINTMENT OF RONALD J. SHIGLEY TO THE MAYOR'S COMMITTEE ON EMPLOYMENT OF THE HANDICAPPED

Mayor Ochsenreiter announced the appointment of Mr. Ronald J. Shigley as Chairman of the Mayor's Committee on Employment of the Handicapped.

Adjournment.

Eugene B. Ochsenreiter Jr.
MAYOR

Norman J. Malcolm, Jr.
CITY CLERK

Bid Summary

Bidder	Bid Unit	Total
Supply Specialties	$302.00	$7,248.00
Pump & Lighting	353.40	8,481.60
Davis Meter and Supply	299.89	7,197.36
Silverman Company	235.00	5,640.00
U. S. Pipe & Foundry Co.	331.85	7,964.40
American-Darling Valve & Manfg.	279.50	6,708.00

BIDS - ONE (1) TOTAL COPY SYSTEM FOR SERVICE AND INFORMATION OFFICE

7. Consideration was given to bids received April 20, 1976 for one (1) total copy system for Service and Information Office.

The City Manager read a memorandum from the Purchasing Agent which stated that two bids were received. However, only one bid, submitted by Addressograph Multigraph Corporation was responsive. The bid submitted by Gray and Creech, Inc. for an A-B Dick Model 1600 Copier/Printer does not meet specifications. Therefore, it was recommended that the second low bid of Addressograph Multigraph Corporation in the amount of $19,800.00, be accepted.

The City Manager also read a memorandum from Jim Robinson, Public Information Officer, stating that after meeting with representatives of both bidding companies he would recommend the acceptance of the bid submitted by Addressograph Multigraph. He said the bid specifications requested that the master making portion of the system use the dry electrostatic process, and the A-B Dick system does not meet this specification. He said he had personally observed both systems in operation and the dry process is far more superior than the wet process. He said there is no trained serviceman available in the area for the A-B Dick 1600. He said the Addressograph Multigraph machine meets all of the specifications requested in the notice and they have a qualified, trained serviceman for the machine in Asheville as a property owner and he can be contacted 24 hours a day and can be available at a moment's notice. He said, for these reasons he would recommend the second low bid of Addressograph Multigraph in the amount of $19,800.00.

Upon inquiry of Councilman Rainey, Jim Robinson, Public Information Officer, explained that this machine was being purchased to provide an in-house printing shop. He said in a survey made, in excess of $47,000 was spent for outside printing last year. He said he felt the City would be in a position to do most of the printing for all city offices if this machine was purchased.

Councilman Rainey moved to table the matter until next week until some justification for the purchase could be presented. This motion was seconded by Councilman Hoyle and carried unanimously.

BIDS - TWO (2) DIESEL TRACTORS FOR PARKS AND RECREATION DEPARTMENT

8. The City Manager advised that consideration of this bid would be presented at the April 29, 1976 meeting.

RESOLUTION NO. 76-69 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR AN 8-INCH WATER LINE CROSSING NORTH CAROLINA 191 (BREVARD ROAD)

4. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for an 8-inch water line crossing North Carolina 191 (Brevard Road).

The City Manager read the resolution and explained that this resolution was necessary for an 8-inch water line crossing Brevard Road for a connection to serve the proposed Western North Carolina Farmers Market complex.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 76-69 was unanimously adopted.

Complete text of Resolution No. 76-69 will be found in Resolution Book No. 9 at page 24.

BIDS - ONE (1) FOUR DOOR SEDAN FOR COMMUNITY DEVELOPMENT PROJECT

5. Consideration was given to bids received April 20, 1976 for one (1) four door sedan for the Community Development Project.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Apple Tree Chevrolet in the amount of $4,007.16.

Logan Delany, Community Development Coordinator, said the automobile will be used by the Administrative staff of the Community Development Project.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Apple Tree Chevrolet in the amount of $4,007.16. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$4,007.16
Dorato Motors, Inc.	$4,013.36

BIDS - FIRE HYDRANTS FOR WATER AND SEWER DEPARTMENT

6. Consideration was given to bids received April 20, 1976 for twenty-four fire hydrants for the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Silverman Company in the amount of $235.00 per unit totaling $5,640.00.

Bill Edens, Water and Sewer Director, said the new hydrants would be used to replace [illegible] hydrants in the City Limits.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Silverman Company in the amount of $235.00 per unit totaling $5,640.00. This motion was seconded by Councilman Rainey and carried unanimously.

REQUEST FOR PARK BENCHES - BILTMORE VILLAGE ASSOCIATION

Mr. Bernard August, representative of the Biltmore Village Association, asked if the City would donate any old park benches to the Association for placement in Biltmore Village.

Mayor Ochsenreiter instructed the City Manager to look into the request of the Biltmore Village Association.

PROCLAMATION - PRIVATE PROPERTY WEEK - APRIL 18-24, 1976

Mayor Ochsenreiter proclaimed the week of April 18-24 as Private Property Week.

PROCLAMATION - FAIR HOUSING MONTH - APRIL

Mayor Ochsenreiter proclaimed the month of April as Fair Housing Month.

ANTHONY REDMON - BIDS ON TOTAL COPY SYSTEM

Mr. Anthony Redmon, attorney for Gray and Creech, Inc., appeared before Council to speak on behalf of the bid submitted by Gray and Creech, Inc.

Councilman Morris informed Mr. Redmon that this matter would be considered at the meeting on April 29, 1976.

Councilman Morris also requested that the staff provide Council with copies of the specifications for the total copy system machine.

CAL JONES - BUNCOMBE COUNTY VETERANS COUNCIL

Mr. Cal Jones, Buncombe County Veterans Council, asked if the City would fly their flags during the Bicentennial year.

Mayor Ochsenreiter instructed the City Manager to look into the request of Mr. Jones.

COUNCIL NIGHT - APRIL 26, 1976 - EAST ASHEVILLE COMMUNITY CENTER

James Robinson, Public Information Officer, advised that Council Night would be held on April 26, 1976 at the East Asheville Community Center at 7:30 p. m.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Miriam S. McCracken
CITY CLERK

MORRIS BRUCE KING - APPEAL FROM DECISION OF CIVIL SERVICE BOARD - DISCHARGE

Councilman Morris moved to schedule the appeal of Morris Bruce King of the Civil Service Board's ruling on his discharge for April 29, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

CLAIM - ROBIN G. EDWARDS LAKE

The City Manager presented a claim received from William A. Parker, Attorney for ROBIN G. EDWARDS LAKE for damages.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - LAMBERT FRANKLIN MELTON

The City Manager presented a claim received from Robert B. Willson, Attorney for LAMBERT FRANKLIN MELTON for damages.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROPOSED SOUTHWEST R-5 RESIDENTIAL DISTRICT

Verl Emrick, Planning Director, requested that Council set a public hearing date to consider a proposed Southwest R-5 Residential District.

Councilman Hoyle moved to schedule a public hearing on the matter for May 13, 1976. This motion was seconded by Councilman Morris and carried unanimously.

REPORT RELATIVE TO POLICE AND FIRE PENSION FUNDS

At the request of Council, Michael Smith, Personnel Director, presented a report to members of Council relative to the police and fire pension funds and reviewed the provisions of such funds. He covered such areas as contributions to the fund, benefits, disability, retirements, deficits, etc.

Mr. Smith answered general questions from members of Council relative to funding and auditing of the accounts for each pension fund.

WESTERN NORTH CAROLINA AIR POLLUTION AGENCY

Mrs. Aileen Highsmith, a member of the Board, and Ronald Boone, Executive Director of the Agency, reviewed their 1976-77 budget and requested Council to continue their financial support of the program. They said Council's support was necessary in order to proceed with their submission of an application for federal funding for the agency.

Council was reluctant on such short notice to take any immediate action but assured them that they would give the program every consideration as they reviewed the upcoming 1976-77 budget.

and we feel that this standing alone with no further evidence does not warrant the dismissal of this employee. Now I would also point out and I think it is important to note, I think it is important from the Councils' position to note that if this was such an important problem or an offense or omission on the part of individual why is it that the man who is his immediate supervisor and who the record indicates shares the same office with him did not open his mouth and mention one word about it until it came out in a letter of dismissal. To me, this is not management of an office.

Now, the third and final item is the allegation that Mr. King was suppose to have told somebody that they could put a trailer or mobile home in the City Limits of Asheville. The only evidence that appears anywhere in the record to support this is the statement by Mr. Lance that Mr. King told him this, that he had done this. Well, this on itself would be nothing more than a naked confession which standing alone would not mean anything. Any more than I could come in and say I murdered somebody but without a body we haven't got a crime. Where is this trailer, where is this individual, who is this individual, the City could not come forth with that. Now these are the technical points that I wish to bring to City Council's attention. The other concern that I have is probably more broadly based. I have found that if you want to get rid of an employee, thats no problem, you can make life miserable enough to get rid of an employee. But what we are dealing with here is an employee of a technical area of the City. A Building Inspector, and I believe it is the responsibility of the City of Asheville to provide the best building inspectors that can possibly be found to fill these jobs. The best available that money will buy. Every witness on behalf of Mr. King came in and stated that he was a good building inspector, a hard building inspector, that he was tough, thats what he's being paid for, if there are personality problems, of which I think this thing boils down to; a personality and an attitude problem, the solution to that is to not throw the baby out with the bath water. But to try and resolve those problems within the department before it reaches a dismissal state. The testimony as set forth in the record clearly indicates, from questioning of Mr. Smith, the Personnel Director, right on through that these problems were never discussed with Mr. King. That nothing was done to try to resolve this problem in order to presever Mr. King's technical ability for the taxpayers in the City of Asheville. This is the reason that we have brought this appeal forward. Hoping that reconsideration will be given for the purpose of returning this man to his job where he can perform a valuable city function. We feel that much in the way of morale for many city employees rest in this case. Because as this case shows a man never knows where he stands with his supervisor. For these reasons we respectfully submit and request and pray that the ruling of the Civil Service Board be reversed. I would add that the other findings of fact, standing either alone or together, would in no way warrant the dismissal of anybody. Thank you very much."

Corporation Counsel Moore read Section 38 of the City Charter outlining the procedures for such cases. He pointed out that Council shall vote on the approval or disapproval of the Civil Service Boards report. It shall require the affirmative vote of five (5) members of Council to disapprove the report. Lacking such five (5) votes the report shall be approved. In either event the action of the City Council is final.

Mayor Ochsenreiter then requested the City Clerk to call the roll and requested that each member state whether they approve or disapprove of the Civil Service Board's report.

Thursday - April 29, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the April 22, 1976 meeting.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the April 22, 1976 meeting were approved as submitted.

APPEAL OF BRUCE KING FROM DECISION OF CIVIL SERVICE BOARD

2. Mayor Ochsenreiter advised that members of Council had previously received proceedings of the hearing held before the Civil Service Board.

Mr. Buck Talman, attorney for Bruce King, made the following presentation:

"I will be directing my comments primarily to three of the findings of fact. I believe Council has been furnished with a brief summary of the exceptions to the findings of fact and conclusions of law that were contained in the order of the Civil Service Board. The first allegation with which we take exception and took exception at the hearing and believe objected to at its being considered at that time and reserved my objections for the purpose of this meeting is this.

On February 5, 1975, Mr. King was accused of and allegedly used profanity to a female employee of the City of Asheville at the Fire Department. He was placed on ninety (90) days' probation as a result of that alleged conduct. Those ninety (90) days' expired and since that first incidence, in February, 1975, there has been no allegation of any reoccurence of any such conduct and we vigorously take exception to it being included at this juncture as a reason for his dismissal. Some 11 months later. I strongly feel that if this type of policy is allowed then there will be no such thing as ever getting off probation for any City employee and from the stand point of equity, what is right, both from the standpoint of moral for other city employees I feel that this should be stricken from his record as a cause of this dismissal.

Our second concern is the findings of fact in regard to an alleged refusal to make an inspection. I would point out that no where in the record does it indicate that this directive was issued to Mr. King by any individual in a supervisory capacity over Mr. King. That the statute that was relief upon by Mr. Gary Lance, of the Building Inspection Office, which I requested that he read into the record makes that inspection a permissive one, not a mandatory inspection, and it should be only reasonably concluded that a building inspector is in a better position to determine when an inspection should be made than a secretary in an office. It is to be pointed out that this particular project was under the supervision of an architect that the inspection was made shortly afterward by the inspector that normally did that work and that no indication that any ordinance was violated, any regulation was violated, and certainly no General Statute was violated

Mayor Ochsenreiter opened the public hearing at 3:20 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the site plan subject to the following:

1) Compliance with the recommendations from the Water and Sewer Department; and
2) Submission of a satisfactory Erosion Control Plan.

He said these conditions had been satisfied to the Planning and Zoning Commission's satisfaction.

By the use of a map, Mr. Emrick reviewed the locaton of the proposed center.

Ray Bailey, of the Asheville-Buncombe Technical Institute, answered general questions relative to the use of the facilities.

Mayor Ochsenreiter closed the public hearing at 3:25 o'clock p. m.

Councilman Morris moved to approve the site plan of the proposed Learning Resource Center at Asheville-Buncombe Technical Institute. This motion was seconded by Councilman Hoyle and carried unanimously.

PRESENTATION OF REQUEST BY CITIZENS OF FRANCES AND METCALF STREETS FOR THE ESTABLISHMENT OF A MINI-PARK

5. The City Manager read a letter from the Parks and Recreation Advisory Board which recommended that the City purchase and develop the property at the corner of Frances Street and Metcalf Street for the purpose of establishing a small mini-park tot lot for the residents of West Asheville in this area.

Mr. Ray Kisiah, Director of Parks and Recreation, read a petition from residents in the Frances and Metcalf Streets area which requested the City to provide a play area for the children in the area. The petition stated that if the City would acquire the lot at the corner of Frances and Metcalf Streets for this purpose, voluntary labor by residents in the area would be provided for the clean up of the lot.

Mr. Kisiah recommended approval of this request and said this could be accomplished for a cost of approximately $7,500.

Mrs. Aileen Ingram, of Frances Street, spoke to Council on the need for such a mini-park.

After discussion relative to budget preparation, leasing, and liability of the City, the City Manager was instructed to review the matter and report his findings back to Council.

PRESENTATION BY LAWLER-WOOD ASSOCIATES - DEVELOPMENT OF FORMER OTEEN VA HOSPITAL FACILITIES INTO APARTMENT FACILITIES

6. Rodney Lawler, President of Lawler-Wood and Associates of Knoxville,

Councilman Rainey - "I approve" - stating that he approved but he felt the grounds for dismissal was marginal. The evidence was not over whelmingly convincing but he found enough convincing evidence to approve of the report. He said in future cases, he requested that it contain more than one incidence of alleged violations.

Councilman Hoyle - "I approve"
Councilwoman Swilling - "I approve"
Vice-Mayor Horton - "I approve"
Councilman Michael - "I approve"
Councilman Morris - "I approve"

Mayor Ochsenreiter declared the ruling of the Civil Service Board upheld in regard to the Bruce King appeal.

PUBLIC HEARING - CLOSING STREETS LOCATED WITHIN GROUNDS OF MEMORIAL MISSION HOSPITAL

RESOLUTION NO. 76-70 - RESOLUTION TO CLOSE THE STREETS LOCATED WITHIN THE GOUNDS OF THE MEMORIAL MISSION HOSPITAL OF WESTERN NORTH CAROLINA, INCORPORATED AS SHOWN AND DESCRIBED ON PAGE 95 OF PLAT BOOK 34 IN THE OFFICE OF THE REGISTER OF DEEDS FOR BUNCOMBE COUNTY

3. A public hearing was held relative to the closing of streets located within the grounds of Memorial Mission Hospital.

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The City Manager read Resolution No. 76-53 which took the form of the notice advertised setting the time and date for the public hearing and the affidavit of publication. He also reported the receipt of an affidavit from Richard Runion stating that the provisions set forth in the resolution as it relates to the advertising and to the posting of notices have been complied with.

James W. Williams, Attorney for Memorial Mission Hospital, Leon Bennett, Assistant Administrator of the Hospital and John Rogers, Six Associates, architects were present to answer any questions from members of Council.

There being no questions, Mayor Ochsenreiter closed the public hearing at 3:15 o'clock p. m.

The City Manager read the resolution closing said streets.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-70 was unanimously adopted.

Complete text of Resolution No. 76-70 will be found in Resolution Book No. 9 at page 25.

PUBLIC HEARING - SITE PLAN OF PROPOSED LEARNING RESOURCE CENTER AT ASHEVILLE-BUNCOMBE TECHNICAL INSTITUTE

4. A public hearing was held relative to the site plan of the proposed Learning Resource Center to be constructed at Asheville-Buncombe Technical Institute.

it was recommended that the second low bid of Addressograph Multigraph Corporation in the amount of $19,800.00, be accepted.

Mr. Bill Snipes, Manager for Gray and Creech, Inc. for this area, strenously took exception to their bid not meeting specifications stating that the specifications specified a Model No. 4250 or equal. He said the A-B Dick Model 1600 is equal in the sense that it produces the same final document. He said he felt the manner in which the bids were prepared was not in keeping with the intent of the bid laws to insure good competition. He pointed out that the bid specified a dry copier which wrote out any company except the Addressograph Multigraph Corporation.

At the request of Council, Jim Robinson, Public Information Officer, presented facts for requesting the dry copier in lieu of the wet copier.

After discussion, Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the Addressograph Multigraph Corporation in the amount of $19,800.00. This motion was seconded by Councilman Morris, which motion carried.

Councilman Michael suggested that the City Manager investigate the possibility of using Water Account Funds for 25% of the cost of the machine.

Bid Summary

Bidder	Bid
Gray & Creech, Inc.	$19,500.00 (Does not Meet Specifications)
Addressograph Multigraph	$19,800.00

Tom Hollingsworth, Sales Manager for Gray and Creech, said he would like to go on record as protesting the bid acceptance.

BIDS - TWO (2) DIESEL TRACTORS FOR USE IN PARKS AND RECREATION DEPARTMENT

9. Consideration was given to bids received April 20, 1976 for two (2) diesel tractors for use in Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the the lowest over-all bid for Items 1 and 2, submitted by Farm Equipment Company, in the amount of $13,388.00. The memorandum stated that Farm Equipment Company was low bidder on Item No. 1 in the amount of of $7,294.00 and that Arden Equipment Company was low bidder on Item No. 2 in the amount of $5,692.00. However, Farm Equipment Company was over-all low bidder in the amount of $13,388.00. It was noted that the Farm Equipment Company bid specified a Ford Tractor and the Arden Equipment Company specified a Case Tractor. The City Manager also read a memorandum from Ray Kisiah, Parks and Recreation Director, which stated the following reasons for recommending the Ford tractor:

1. We now have four (4) Ford Tractors. Parts (such as oil filters, air filters, fuel filters, etc.) are interchangable between the Ford tractors. After using these tractors in the past, I can verify that all have been very satisfactory. Parts have been easily accessible since the local Ford Tractor dealer has them in stock. Therefore, our breakdown time is kept to a minimum.

along with Pat Wood and Tom Howard of the firm requested Council's endorsement of a proposal to redevelop and rehabilitate the former Oteen VA Hospital property into an apartment complex for housing for the elderly. He said his firm believes that this proposed project would offer the community a viable housing project under the HUD Section 8 Program. He said the program provides to the owners certain rent subsidys in order that rent can be based on an individual's ability to pay. He said the federal government has encouraged private developers to own, manage and operate these housing facilities for those who can not afford market rents, but needs some type of subsidy. He said their first phase of development would provide 250 housing units. He said it was also their intention to develop a transportation system as an activity of this project.

Mr. W. C. King, Executive Director of the Asheville Housing Authority, expressed the city's need for such elderly housing developments and recommended Council's endorsement of the project.

After discussion, Councilman Morris moved to endorse the proposal of Lawler-Wood Associates contingent upon the developers including a transportation system as a part of the project. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 76-71 - RESOLUTION REGARDING AUDITING CONTRACT (A. M. Pullen and Company)

7. Consideration was given to a resolution regarding auditing contract.

The City Manager read the resolution and explained that this would direct the City Manager to execute a contract with the auditing firm of A. M. Pullen and Company for an audit of financial accounts and records of the City of Asheville for the fiscal year ending June 30, 1976.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-71 was unanimously adopted.

Complete text of Resolution No. 76-71 will be found in Resolution Book No. 9 at page 26.

BIDS - ONE (1) TOTAL COPY SYSTEM FOR SERVICE AND INFORMATION OFFICE

8. Further consideration was given to bids received April 20, 1976 for one (1) total copy system for Service and Information Office.

Mayor Ochsenreiter advised that consideration was given to these bids on April 22, 1976 and was postponed for further justification and need for the copy system.

Larry Fisher, Director of Finance, furnished members of Council with detailed survey materials and a memorandum from the Service and Information Office relative to the justification of an In-House Print Shop.

The City Manager again read a memorandum brom the Purchasing Agent which stated that two bids were received. However, only one bid, submitted by Addressograph Multigraph Corporation was responsive. The bid submitted by Gray and Creech, Inc. for an A-B Dick Model 1600 Copier/Printer does not meet specifications. Therefore,

MRS. ROY ROGERS - TRANSPORTATION

Mrs. Roy Rogers asked if the Transit Authority was going to continue the practice of reduced rates for senior citizens on an all day basis. She said she understood that it was to be discontinued as of April 30, 1976.

It was the consensus of Council to transmit to the Asheville Transit Authority that they continue the reduced rate practice until a final report on the project has been presented to Council.

STREET LIGHT REQUEST - MORGAN STREET

A resident of South Grove Street requested that a street light be installed on Morgan Street.

MR. BROOKS - COMPLAINTS AND RECOMMENDATIONS

Mr. Brooks asked Council if they could provide more housing for low income families, have more black job placements, and have a Hall of Fame built in the City of Asheville. He also asked if Council had done anything about the high rental rates at the Asheville Civic Center.

Mayor Ochsenreiter informed Mr. Brooks that the department head of the Asheville Civic Center would be giving Council a report on the matter.

PROCLAMATION - MAY 1 - LOYALTY DAY

Mayor Ochsenreiter proclaimed May 1, 1976 as Loyalty Day in the City of Asheville.

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL - YOUTH DAY

In observance of Youth Day, members of the Asheville-Buncombe County Youth Council held their Council meeting discussing such issues as city revenue ordinance, dog law, recreation, and youth involvement.

Adjournment.

Eugene Ochsenreiter
MAYOR

William F. Maccate
CITY CLERK

2. We purchased a Case Crawler in July, 1975. We had various maintenance problems with this equipment. Parts could not be obtained readily because of the local dealer not having them in stock.

3. We purchased a Case Tractor in July, 1975. It has been difficult to get service and parts on this tractor also.

4. Although both tractors meet our specifications, the Ford has a displacement of 175 cu. in. and the Case has a displacement of 164.4 cu. in.

He said in his opinion, these reasons warrant the purchasing of the Ford Tractor.

Corporation Counsel Moore stated that the reasons given by Mr. Kisiah for prefering the second low bid were sound and reasonable to warrant the acceptance of the second low bid for this piece of equipment.

Councilman Rainey suggested that Council vote on the bid items separately.

Councilman Morris moved to accept the low bid of Farm Equipment Company on Item No. 1, in the amount of $7,294.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

Councilman Morris then moved to accept the second low bid of Farm Equipment Company on Item No. 2, in the amount of $6,094.00. This motion was seconded by Councilman Michael, which motion carried, with Councilman Rainey voting "no",

Councilman Rainey stated that he felt Council should not always accept the personal preference of the administration in deleting the low bid.

Bid Summary

Bidder	Bid		
	Item 1	Item 2	Total
Farm Equipment Co.	$7,294.00	$6,094.00	$13,388.00
Arden Equipment Co.	8,427.00	5,962.00	14,389.00
Bruce Construction & Machinery	8,755.56	7,732.80	16,488.36
Western Carolina Tractor	7,917.72	6,802.22	14,719.94
Blue Ridge Tractor	7,343.00	No Bid	-

PROCLAMATION - RESPECT FOR LAW WEEK - MAY 1 - 7

Mayor Ochsenreiter proclaimed the week of May 1 - 7 as Respect for Law Week.

PROCLAMATION - BE KIND TO ANIMALS WEEK - MAY 2 - 8

Mayor Ochsenreiter proclaimed the week of May 2 - 8, as Be Kind to Animals Week.

RESOLUTION NO. 76-72 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA LEAGUE OF MUNICIPALITIES TO PROVIDE GENERAL CONSULTING SERVICES FOR PERSONNEL MANAGEMENT AND EMPLOYEE RELATIONS

3. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the North Carolina League of Municipalities to provide general consulting services for personnel management and employee relations.

The City Manager read the resolution.

Mike Smith, Personnel Director, explained that this agreement would provide the city with specialized consulting services in the area of personnel management and employee relations. He said the North Carolina Leauge of Municipalities has recently established a new Personnel Management and Employee Relations Service to provide such specialized consulting assistance. He said the contract price is $1,313.00.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-72 was unanimously adopted.

Complete text of Resolution No. 76-72 will be found in Resolution Book No. 9 at page 29.

RESOLUTION NO. 76-73 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN THE NECESSARY DOCUMENTS TO SELL THE VACANT CITY PROPERTY ON DEPOT STREET AND LYMAN STREET TO THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

4. Consideration was given to a resolution authorizing the Mayor to sign the necessary documents to sell the vacant city property on Depot Street and Lyman Street to the Housing Authority of the City of Asheville.

The City Manager read the resolution.

Larry Holt, with the Asheville Housing Authority, explained that the City owns property scheduled for acquisition under the East Riverside Urban Renewal plan designated as: Depot Street, Lot 113, Sheet 5, Ward 4 by Register of Deeds Office, and Block 11, Parcel 12 by the Housing Authority; and Lyman Street, Lot 95, Sheet 5, Ward 4 by the Register of Deeds office and Block 10, Parcel 12 by the Housing Authority. He said the property has been appraised by two independent and competent appraisers and an offer has been made by the Housing Authority of $1,900.00 for the lot on Depot Street and $1,675.00 for the lot on Lyman Street.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 76-73 was unanimously adopted.

Complete text of Resolution No. 76-73 will be found in Resolution Book No. 9 at page 30.

Thursday - May 6, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Acting Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael and Corporation Counsel William C. Moore.

1. Approval of the minutes of the April 29, 1975 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the April 29, 1976 meeting were approved as submitted.

ORDINANCE NO. 886 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1975-76 (Pack Memorial Library funds)

2. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1975-76 appropriating Pack Memorial Library funds.

The City Manager read the ordinance.

Nancy Hammonds, of the Library Staff, explained that the funds in the amount of $7,580 were made available from Title I of the Library Services and Construction Act, which is a federal program under the Health, Education and Welfare Department. She said the funds were appropriated to our individual library through the North Carolina State Library and must be expended before June 30, 1976.

Councilwoman Swilling moved for the adoption of Ordinance No. 886. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 886 passed on its first reading.

In the essence of time, Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 886. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 886 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 886. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 886 passed on its third and final reading.

Complete text of Ordinance No. 886 will be found in Ordinance Book No. 7 at page 21.

RESOLUTION NO. 76-76 - RESOLUTION TERMINATING A COMMUNITY DEVELOPMENT CONTRACT WITH THE OPPORTUNITY CORPORATION OF MADISON AND BUNCOMBE COUNTIES ENTITLED SHILOH MULTI-PURPOSE CENTER

7. Consideration was given to a resolution terminating a community development contract with the Opportunity Corporation of Madison and Buncombe Counties entitled Shiloh Multi-Purpose Center.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained that in implementing the Community Development Program, a program was subcontracted with the Opportunity Corporation of Madison and Buncombe Counties entitled "Shiloh Multi-Purpose Center" and the total budget approved for support of the program was $25,000. He said the purpose of this program was designed to support some minor capital and program equipment improvements in the Shiloh Multi-Purpose Center. He said in a communication from the Director of the Opportunity Corporation dated April 20, 1976 a request was made to terminate the previous contract. He said they felt the program could best be carried out under the supervision and direction of the Parks and Recreation Department at no additional cost and that the Opportunity Corporation would continue to occupy the building and provide services.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-76 was unanimously adopted.

Complete text of Resolution No. 76-76 will be found in Resolution Book No. 9 at page 33.

DOWNTOWN PROPOSAL - CHARLES KERN

Mayor Ochsenreiter announced that the downtown proposal submitted by Mr. Charles Kern and the Center City Committee has been turned over to the Planning and Zoning Commission for study and report back to Council.

DELLEGER SHOW - CARNIVAL - APPROVAL

The City Manager presented a request of the Delleger Shows for approval for the holding of a carnival on Amboy Road from May 18-23, 1976. He said by authority of the Code of Ordinances the City Council is required to approve or disapprove such a carnival. He said the privilege license for the week amounts to $150.00 and in addition, by ordinance, the Council has been requiring a deposit of $250.00 to be made to the City of Asheville to provide for expenses for clean up after the show, if necessary. He said during previous carnivals no problems have been encountered with the Delleger Shows.

Councilman Hoyle moved to approve the request of the Delleger Shows to hold a carnival on Amboy Road from May 18-23, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIM - ROBERT Y. PRAYTOR

Claim for damages from surface water presented by City Manager was referred to Corporation Counsel for investigation and action.

RESOLUTION NO. 76-74 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A LEASE AGREEMENT WITH THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE REGARDING THE RENOVATION AND USE OF SPACE AT THE LIVINGSTON STREET NEIGHBORHOOD FACILITY

5. Consideration was given to a resolution authorizing the Mayor to enter into a lease agreement with the Housing Authority of the City of Asheville regarding the renovation and use of space at the Livingston Street Neighborhood Facility.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, explained that the City of Asheville had previously entered into a contract with the Department of Housing and Urban Development for the purpose of acquiring the Livingston Street School and renovating the building for use as a Neighborhood Facility. He said in order to renovate the facility the Housing Authority of the City of Asheville agreed to make $150,000 available for renovation provided that they could use a portion of the facility as "community space" for public housing projects that were being constructed in that area and in order for the Housing Authority to convey the $150,000 to the City for the renovation along with some additional funds for sharing the costs of operation the lease agreement must be executed by the City and the Housing Authority.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 76-74 was unanimously adopted.

Complete text of Resolution No. 76-74 will be found in Resolution Book No. 9 at page 31.

RESOLUTION NO. 76-75 - RESOLUTION SUPPORTING THE REDESIGNATION OF REGIONS A AND B AS A SEPARATE AND DISTINCT HEALTH SERVICE AREA

6. Consideration was given to a resolution supporting the redesignation of Regions A and B as a separate and distinct health service area.

The City Manager read the resolution.

Mayor Ochsenreiter read a letter from Mr. Charles R. Worley, Region B Co-Chairman, requesting Council's endorsement of requesting the redesignation of Regions A and B as separate and distinct health service areas.

Ken Michalove, Assistant City Manager, explained that in the beginning the State of North Carolina was divided into regions in 1970, with Regions A, B. C. D, and E, consisting of 26 counties. He said Regions A and B consist of 11 counties including Madison, Henderson, Buncombe and Transylvania in Region B and everything west of that is Region A. He said Regions A and B meet federal waiver guidelines to be designated a separate and distinct health service areas.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-75 was unanimously adopted.

Complete text of Resolution No. 76-75 will be found in Resolution Book No. 9 at page 32.

Thursday, May 13, 1976, 3:00 o'clock p.m.

Regular Meeting

Present: Vice Mayor Bill B. Horton, presiding; Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: Mayor Eugene C. Ochsenreiter, Jr., Councilman Otis B. Michael and City Manager Ernest J. Ward.

1. Approval of the minutes of the May 6, 1976 meeting.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the May 6, 1976 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON SWANNANOA RIVER ROAD

2. A public hearing was held relative to rezoning property on Swannanoa River Road.

Vice Mayor Horton opened the public hearing at 3:01 o'clock p.m.

Assistant City Manager William F. Wolcott, Jr., read the notice to the public setting the time and date for the public hearing and the affadavit of publication.

Verl Emrick, representative of the Planning and Zoning Commission advised that they had voted to recommend the approval to City Council for the proposed rezoning, and described the property and showed the location on a map for benefit of Council.

Councilman Michael joined the Council meeting at 3:07 o'clock p.m.

No one from the public offered any opposition to the rezoning proposal.

Vice Mayor Horton closed the hearing at 3:10 o'clock p.m.

Assistant City Manager William F. Wolcott, Jr., read the ordinance rezoning the property as petitioned.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Ordinance No. 887 was adopted as amended.

On a roll call vote of 5-0, Ordinance No. 887 passed on its first reading.

PUBLIC HEARING - REZONING PROPERTY BOUNDED ON THE WEST AND NORTH BY SAND HILL ROAD, ON THE SOUTH BY THE I-40 AND I-26 INTERCHANGE, AND ON THE EAST BY SOUTH BEAR CREEK ROAD

3. A public hearing was held relative to rezoning property bounded on the west and north by Sand Hill Road, on the South by the I-40 and I-26 Interchange, and on the east by South Bear Creek Road.

Vice Mayor Horton opened the public hearing at 3:13 o'clock p.m.

Assistant City Manager William F. Wolcott, Jr., read the notice to the public setting the time and date for the public hearing and the affadavit of publication.

E. R. McCARTHY

Suggested that in order to cut costs of carrying in and out of garbage cans that Sanitation carry cans out and not carry them back.

MRS. GORDON AND ATTORNEY WARDIMAN RE BEAUCATCHER TUNNEL

Mrs. Gordon introduced Attorney Wardiman who is representing the Beaucatcher Defense Association. Mr. Wardiman spoke on the upcoming court case concerning whether a cut would or would not be made through Beaucatcher Mountain. He presented a booklet and petitions to Council.

BUS RATES EXTENDED FOR SENIOR CITIZENS

Mayor Ochsenreiter presented members of press with memorandum regarding bus rates for senior citizens being extended until final decision is made as to hours of the day this special fare is legal.

The meeting was adjourned.

CITY CLERK

MAYOR

RESOLUTION NO. 76-77 - RESOLUTION AUTHORIZING THE MAYOR TO SUBMIT VARIOUS APPLICATIONS TO THE APPALACHIAN REGIONAL COMMISSION

4. Consideration was given to a resolution authorizing the Mayor to submit various applications to the Appalachian Regional Commission.

The Assistant City Manager read the resolution.

Verl Emrick, Planning Director, explained that this resolution would enable to City to file applications with the Appalachian Regional Commission for Federal assistance funds for capital improvement purposes in the Oakley, Deaverview and Chestnut Street areas.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-77 was unanimously adopted.

Complete text of Resolution No. 76-77 will be found in Resolution Book No. 9 at page 34.

RESOLUTION NO. 76-78 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A 3-INCH WATER LINE ON YOUNG DRIVE

5. Consideration was given to a resolution authorizing Mayor to execute right-of-way encroachment agreement with the North Carolina Department of Transportation for a 3-inch water line on Young Drive.

The Assistant City Manager read the resolution.

Don Walsh, of the Water and Sewer Department, said it was necessary to get an encroachment from the State on Young Drive for an existing 3-inch water main owned by the City of Asheville. He said the State has taken this road into its system for ownership, therefore the previous right-of-way is invalid.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-78 was unanimously adopted.

Complete text of Resolution No. 76-78 will be found in Resolution Book No. 9 at page 35.

GROUP DEVELOPMENT - WESTERN NORTH CAROLINA FARMERS MARKET

6. The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended approval of the group development site plan for the Western North Carolina Farmers Market.

Councilman Rainey moved to schedule a public hearing on the matter for June 3, 1976. This motion was seconded by Councilman Morris and carried unanimously.

Verl Emrick, Planning Director, explained that the request for the Southwest R-5 District was brought out in the initial discussion of establishing the R-5 District. However, due to a procedural error in advertising it was carried forward. He said zoning the southwest R-5 District would complete the proposal as first presented. He said all the property owners in the area had been notified, by registered mail, of this zoning and no oppositions had been received. He said it was the Planning and Zoning Commission's contention that the rezoning of this area would have a positive effect on the R-5 zoning district. He said the Commission was also recommending that Lots 298-310, Sheet 32, Hazel Ward, be zoned R-5 Residential, upon the request of Richard Snyder, of 552 Deaverview Road, to allow for a proposed mobile home.

Several Council members objected to rezoning the Southwest District when some of the lots did not meet the minimum (10,000 square feet) lot size requirement.

Mr. Emrick explained that under the Zoning Ordinance, property owners had the right to appeal to the Board of Adjustments for a variance on lot sizes. Therefore, a mobile home could be placed on a lot not meeting the required lot size, if the Board of Adjustment approved such a variance.

Mr. Richard Snyder, of 552 Deaverview Road, spoke in favor of the zoning amendment.

Mr. Hal Brooks, objected to zoning areas in the County to provide for mobile homes when they could not be placed in the City, referring particularly to the Urban Renewal area.

After discussion, Vice-Mayor Horton closed the public hearing at 3:50 o'clock p. m.

The Assistant City Manager read the ordinance, which zoned the property as recommended by the Planning and Zoning Commission.

Councilman Rainey then moved to amend the ordinance by striking the words "property bounded on the west and north by Sand Hill Road, on the south by the I-40 and I-26 interchange, and on the East by South Bear Creek Road" and further moved that a public hearing on the Southwest District be held at a later date. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilwoman Swilling moved to approve the ordinance as amended. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 888, as amended, passed on its first reading.

Councilman Michael left the meeting at 4:00 o'clock p. m.

Councilman Morris moved to schedule a public hearing on the R-5 Southwest District for June 3, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

the development of a mini park at the corner of Frances and Metcalf Streets. He said this action was in response to a petition received from the residents of Frances and Metcalf Streets during a recent "Mayor's Night."

Mr. Kisiah reported that the respresentative of the Housing and Urban Development office in Greensboro had been contacted relative to using Community Development funds for the project and was informed that the project was an allowable expenditure for community development funds. However, the cost of the project could not exceed 10% of the allocated community development funds for the Parks and Recreation Department. He said the costs for such a mini park would be under the 10% limitation.

Mr. Kisiah said in order to acquire the three pieces of property, fence the area for safety purposes and develop it into a child playground area, concrete basketball court and a picnic shelter would cost approximately $20,000 to $25,000 depending upon appraisal and attorney fees.

Mr. Logan Delany, Community Development Coordinator, advised that the funds would have to come from the balance of contingency funds set aside in the community development budget.

Councilman Rainey suggested that Mr. Kisiah obtain appraisal on the properties in question and asked that appraisals be on each lot individually.

Mr. George Payne and Mr. K. E. Haynes spoke in opposition to the project and requested that they be informed before any action was taken.

Councilman Rainey again emphasized that the Physical Enviromental Inspector should be directed to strictly enforce the ordinance for property owners to clean up their vacant property and to issue warrants for people who do not clean up their property.

After discussion, Council instructed Mr. Kisiah to proceed with obtaining appraisals on the properties in question and return to Council with a resolution relative to appropriating such community development funds for such a project.

PRESENTATION OF QUARTERLY AFFIRMATIVE ACTION REPORT

Mr. Sam Graves of the Personnel Division, presented members of Council with copies of the quarterly affirmative action report. He briefly explained the contents of the report stating that it was made up of two parts, quantitative data dealing with the workforce, applications received, new hires, promotions, employee training, terminations, and civil service examinations. The second part of the report deals with qualitative data that the Personnel Division has been involved in to date in support of the Affirmative Action Program by the City. He also presented recommended guidelines and content for Affirmative Action Program Workshops for the City of Asheville Management/Supervisory Personnel.

PETITION - PROTESTING THE OPENING OF GRANDVIEW PLACE

Corporation Counsel William C. Moore read a petition from residents and taxpayers of Grandview Place which protested any further opening of Grandview Place.

Council instructed that before any further opening of Grandview Place is begun that the property owners be notified of any such action.

Councilman Michael returned to the meeting at 4:14 o'clock p. m.

GROUP DEVELOPMENT - INGLE'S SHOPPING CENTER COMPLEX -U. S. 19-23

7. The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended approval of the group development site plan of Ingle's Shopping Center Complex located on U. S. 19-23 (near the Intersection of I-40), subject the following conditions:

1. That the developer buffer the side and read property lines in accordance with Section 30-3-15, Item 1 outlined on Page 30 of the City of Asheville Zoning Ordinance.

2. That the developer correct existing erosion problems along the property line adjacent to Apple Tree Chevrolet.

3. Submission of a satisfactory erosion control plan to the City of Asheville Division of Inspections.

4. Compliance with all recommendations of the City of Asheville Water Department and the Buncombe County Public Safety Depatment relative to water and sewer line installation and connections.

Councilman Rainey moved to schedule a public hearing on the matter for June 10, 1976. This motion was seconded by Councilman Morris and carried unanimously.

REZONING REQUEST - MRS. RUTH GEDDINGS, ET AL - WARD 1, SHEET 8, LOTS 70-76

8. The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended approval of the request of Mrs. Ruth Geddings and adjoining property owners that the property located in Ward 1, Sheet 8, Lots 70-76 be rezoned from OI (Office Institutional) to R-3 Residential District.

Councilman Rainey moved to schedule a public hearing on the matter for June 10, 1976. This motion was seconded by Councilman Morris and carried unanimously.

REZONING REQUEST - DYNATEX, INC. - CARIBOU ROAD

9. The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended approval of the request submitted by Dyna-Tex, Inc. that the property being Lot 2 located on Sheet 50 of Ward 7 be rezoned from R-3 Residential District to HI (Heavy Industrial). The Commission further recommended that the abutting property to the north being Lots 212, 213, and a portion of Lot 1, on Sheet 15 of Ward 7 be rezoned to HI (Heavy Industrial) and that the property owners be notified fo the recommended change.

Councilman Rainey moved to schedule a public hearing on the matter for June 3, 1976. This motion was seconded by Councilman Morris and carried unanimously.

STAFF REPORT - MINI PARK REQUESTED AT THE CORNER OF FRANCES AND METCALF STREETS

10. Mr. Ray Kisiah, Parks and Recreation Director, said as previously stated the Parks and Recreation Advisory Board had recommended to Council that the City purchase one lot, and the possibility of two other lots, for acquisition for

THEREFORE, ON BEHALF OF THE TAXPAYERS OF THE ASHEVILLE SCHOOL DISTRICT AND FOR THE BENEFIT OF THE CITY COUNCIL, I SHOULD LIKE TO DIRECT THE CITY CLERK TO IMMEDIATELY OBTAIN FROM THE ASHEVILLE BOARD OF EDUCATION A DETAILED BREAKDOWN OF THE PROPOSED USE OF THESE REQUESTED ADDITIONAL FUNDS ALONG WITH A WRITTEN JUSTIFICATION FOR THE REQUESTED INCREASE IN THE SPECIAL TAX LEVY.

IT IS MY SINCERE HOPE THAT THE BOARD OF EDUCATION WILL REVIEW ITS BUDGETARY SITUATION AGAIN AND SIGNIFICANTLY REDUCE THIS ALREADY UNPOPULAR AND QUESTIONABLE REQUEST FOR AN EIGHT CENT INCREASE IN THE SPECIAL SCHOOL TAX SUPPLEMENT.

I ALSO DIRECT THAT COPIES OF THIS STATEMENT BE FORWARDED TO THE CHAIRMAN OF THE ASHEVILLE BOARD OF EDUCATION AND TO EACH OF THE COUNTY COMMISSIONERS.

Bill B. Horton
VICE-MAYOR, CITY OF ASHEVILLE

Councilman Rainey stated that he agreed with the intent of Vice-Mayor Horton's statement, but said he did not agree with the language used by Vice-Mayor Horton and he would like the record to show that Vice-Mayor Horton was speaking for himself and not for Council as a whole.

TRIBUTE TO MR. WILLIAM MICHALOVE

Council took a moment to pay tribute to Mr. William Michalove, father of Assistant City Manager Ken Michalove, and recognized his untiring support for the police and fire department of our City and the many hours he spent in volunteer services which he performed as an interested and dedicated resident of the City of Asheville.

REV. H. H. MAPP - CONTROL OVER THE HOSPITALS

Rev. H. H. Mapp, speaking concerning the death of the Mapp child, said the City of Asheville City Council should have some jurisdiction over the hospitals in the City.

Councilman Michael said, in his opinion, Council should have at least some advisory capacity over the hospitals. He said Council is responsible to the citizens of Asheville and should be responsible for their medical care. He said with this being a tourist town, it was his opinion, that the hospital emergency room is under staffed and the facilities are not what they should be for a tourist town.

CLAIM- MRS. LURA A. DENNIS

The Assistant City Manager presented a claim received from Henry C. Fisher, attorney for Mrs. Lura A. Dennis for damages to a fence around her property.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - DOLLY V. WILLIAMS

The Assistant City Manager presented a claim received from Dolly V. Williams for damages.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

STATEMENT BY VICE-MAYOR BILL B. HORTON - RE: REQUEST BY THE ASHEVILLE BOARD OF EDUCATION FOR INCREASE IN SPECIAL SCHOOL TAX LEVY

Vice-Mayor Horton made the following statement:

MAY 13, 1976.

STATEMENT BY VICE-MAYOR BILL B. HORTON

THERE HAS BEEN CONSIDERABLE PUBLIC REACTION TO THE REQUEST BY THE ASHEVILLE BOARD OF EDUCATION FOR A FORTY-SEVEN PER CENT INCREASE IN THE SPECIAL SCHOOL TAX LEVY FOR THE ASHEVILLE SCHOOL DISTRICT.

NOT ONLY IS THIS AN UNPALATABLE AND UNTIMELY REQUEST -- DUE TO THE PRESENT UNCERTAIN ECONOMY -- BUT IT APPEARS TO BE EXCESSIVE AND UNREASONABLE AS WELL.

UNFORTUNATELY, THIS COUNCIL DOES NOT HAVE THE STATUTORY RIGHT TO ACT ON THIS PROPOSED TAX LEVY...BUT, IT DOES HAVE THE MORAL RIGHT AND OBLIGATION TO REACT TO ANY SUCH REQUEST THAT APPEARS UNREASONABLE AND EXCESSIVE.

Thursday, May 20, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the May 13, 1976 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the May 13, 1976 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD - CLYDE J. LEESON AND OTHERS

2. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential to CS Commercial Service District, property owned by Clyde J. Leeson and Others.

Mayor Ochsenreiter opened the public hearing at 3:03 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended that the request be denied and that the property remain as it is now zoned. He said the property in question became subject to zoning controls in March of 1975 when the City of Asheville adopted the new Zoning Ordinance and extended extraterritorial zoning into the one-mile perimeter. At that time, even though some commercial uses did exist, the predominant land use in this area was and still is residential with a considerable amount of open space. Therefore, the Planning and Zoning Commission and the City Council gave the property a residential classification. Given this decision by both bodies, a definite growth plan has been established which excludes opening the area to a variety of commercial uses which could be inconsistent with community interest as well as established plans and policies. He said since the submission of the petition the staff has notified the adjoining property owners by certified mail of the proposed change and the result of this notification has resulted in substantial opposition to the proposal and to date the staff has received a written petition bearing some 53 signatures and 6 letters from property owners in the area stating their opposition to the proposed change. He said the results of the petition and the letters will invoke the 20% rule set forth in Section 30-10-3 of the Zoning Ordinance, meaning that approval of this rezoning could not be granted except by favorable vote of three-fourths (3/4) of all members of the City Council. He said there were three property owners whose lots were included in the original petition who have refused to sign or have withdrawn their support of the petition. He said this would create three (3) separtate spot zoning situations, which is counter to Planning and Zoning Commission policy and North Caroling court edicts. Therefore, 1) given the initial action by the Planning and Zoning Commission and City Council relative to the original zoning of this area; 2) lack of support by the community for the change; and 3) the spot zoning involved, the Planning and Zoning Commission recommended denial of the petition.

VIRGIL McCONNEL - SOUTH ASHEVILLE COMMUNITY CENTER

Virgil McConnel, representing members of the South Asheville Advisory Group of the South Asheville Community Center and Concerned Citizens of the Shiloh Area, read a memorandum to members of Council relative to the slowdown of the Community Development Renovations of the South Asheville Community Center. He presented a list of complaints and recommendations relative to the project.

Mr. Ray Kisiah, Parks and Recreation Director, and Logan Delany, Community Development Coordinator, explained that one of the reasons for the delay in the renovations was due to the fact that the City of Asheville does not own the property and was in the process of trying to acquire the property before the improvements were made.

Vice-Mayor Horton instructed that the complaints and recommendations be investigated by the staff and for the staff to be prepared to answer their questions at a scheduled meeting to be held on May 17, 1976 relative to the matter.

Mr. McConnel said it was his hope that the renovations could be completed in time for the summer programs scheduled at the center.

Adjournment.

MAYOR

CITY CLERK

PUBLIC HEARING - REZONING REQUEST - U. S. HIGHWAY 70 - MR. GUS BARLAS AND MR. JOHN BARLAS

3. A public hearing was held relative to the rezoning of property on U. S. Highway 70 from R-3 Residential District to CH Commercial Highway District, property owned by Mr. Gus Barlas and Mr. John Barlas.

Mayor Ochsenreiter opened the public hearing at 3:46 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the request due to the trend of the area being predominately commercial.

Mr. Emrick stated that since the meeting of the Planning and Zoning Commission on April 7, 1976, the Planning staff has received several telephone calls in opposition to the rezoning.

Mr. Emrick presented a map of the area showing the property located on the north side of U. S. 70 at Oteen.

He then presented the Staff report, for information to Council members, which recommended that the request be denied for the following reasons:

"1. There has been no convincing demonstration that this change will be in the best interest of the general public.

   a. The proposed zoning change will in fact contribute to the congestion of an already hazardous intersection, U. S. 70 and N. C. 81.

   b. The proposal would in staff's opinion further expand the strip development of U. S. 70 which is not in the City's best interest.

2. There has been no convincing demonstration that the character of the neighborhood North of U. S. 70 would not be materially or adversely affected by any use permitted in the requested Commercial zone.

   a. The land immediately surrounding the area to be rezoned has been and is used primarily for residential purposes and supporting public facilities (Bell School). This was the primary reason for zoning the property R-2 and R-3 when the plan was adopted in March of 1975.

   b. In adopting the plan, the Commission and the Council established U. S. 70 in this particular area as the dividing line between the Commercial and Residential areas and in staff's opinion this should not change.

Mr. Emrick pointed out that even though the Staff had recommended to the Commission that the petition be denied that the Commission had recommended that the property be rezoned as petitioned, which was forwarded to Council.

Mr. Emrick stated that in addition a petition had been received from McGuire, Wood, Erwin and Crow, representing Mr. John McDuffie and others, (owners of property designated as Lots 178-1/2, 261, 262, 338, and 172, Sheet 23, Ward 7), requesting that the Council rezone their lots from R-3 Residential District to CS Commercial Service District, notwithstanding and separate from any action which the Council might take with reference to the presently pending petition to have said properties, together with other properties along the westerly margin of Sweeten Creek Road and lying south of Rock Hill Road, be so rezoned. In essence, withdrawing their properties from the original petition. They further requested that the Council refer back to the Planning and Zoning Commission for further study and recommendation the possible rezoning to CS Commercial Service District of the property lying on both the west and east sides of Sweeten Creek Road and north of Rock Hill Road.

Mr. Emrick said in his opinion Council would be considering two petitions with two separate and distinct pieces of property.

Richard Wood, of McGuire, Wood, Erwin and Crow, representing Mr. John McDuffie, owner of the Bolts and Nuts, Inc. on Sweeten Creek Road, said that Mr. McDuffie had purchased his property in 1972 prior to the zoning of the property and purchased the land for the purpose of building a new distribution building. He said the property owned by the petitioners is, in fact, used for purposes which would be permissible within the CS Commercial Service District and would be or are non-conforming uses of the property as zoned by the Council in connection with the new Zoning Ordinance which was effective March 7, 1975. He said they would also point out that the properties lying on the east side of Sweeten Creek Road and north of Rock Hill Road are also substantially used for commercial purposes not in keeping with the present residential zoning of the area. Mr. Wood proposed that Council either consider as part of this petition but stike from the ordinance as written the zoning of only those lots on the north side of Rock Hill Road for Commercial Service District, excluding from the proposed ordinance everything south of Rock Hill Road or that at least, as far as to the property to the north of Rock Hill Road is concerned, to send the matter back to the Planning and Zoning Commission in order that the Commission could take a look at the question of the proper zoning at the north of Rock Hill Road.

Mr. Clyde Leeson said he had also purchased his property prior to the zoning in March of 1975 and proposed to lease or sell the property to Grove Printing Company. He supported the ordinance as written.

Mr. Ken Lanning and Mrs. Oliver Davis, property owners in the area, opposed the rezoning.

Councilman Michael questioned if the rezoning would affect the main traffic into the Shiloh Community.

After discussion, Vice-Mayor Horton moved that the request for rezoning be remanded to the Planning and Zoning Commission for further study and hearing, if necessary, and that the petitions be considered as two seperate requests and that they be brought back to Council as two separate public hearings. This motion was seconded by Councilman Morris and carried, with Councilman Michael voting "no".

Council instructed that the Planning Staff notify each of the property owners, by registered mail, of the proposed rezoning.

Mayor Ochsenreiter closed the public hearing at 3:45 o'clock p. m.

He said the amendment would be as follows:

That Article 6, Section 30-6-1 be amended to read as follows:

Add Paragraph "E" entitled Exemptions to read as follows:

Exemptions: In some instances, an additional building and/or use may be added on a lot having existing uses or buildings. This addition, depending upon its nature and potential impact on the surrounding area, may be exempt from Group Development review provided that the following conditions are satisfied:

1. The proposed building(s) (does) (do) not exceed 5,000 square feet in gross floor area.

2. The proposed building(s) or use does not substantially alter the general character of the area in which it is located. (Example- increase in vehicular or pedestrian traffic, congregation of large numbers of people on a regular basis, substantial land disturbing activities, etc.

3. The proposed building(s) or use is reviewed and approved by the Building Inpsector of the City of Asheville and the staff of the Asheville Planning and Zoning Commission.

4. Compliance with the remainder of the City of Asheville Zoning Ordinance. The proposed building(s) or use shall be limited to those uses permitted within the zoning district in which it is to be located and shall comply with established development standards for the district.

5. Compliance with other State and local codes as applicable.

After dicussion, Mayor Ochsenreiter closed the public hearing at 4:30 o'clock p. m.

The City Manager read the ordinance, which amended Zoning Ordinance No. 322, as recommended by the Planning and Zoning Commission.

Councilman Rainey moved for the adoption of Ordinance No. 889. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 889 passed on its first reading.

ORDINANCE NO. 887 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Swannanoa River Road)

5. Consideration was given to the second reading of Ordinance No. 887, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on Swannanoa River Road.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 887 passed on its second reading.

Mr. Carl Hyldburg, attorney representing Mr. Gus Barlas and Mr. John Barlas, spoke in favor of the petition as requested. He said the property owners had purchased the property prior to the zoning in March of 1975. He said it was their opinion that the property was not desirable for residential use and, therefore, the owners were being denied the use of their property.

Councilman Michael questioned the direct reasons for the Planning and Zoning Commission approving the request for rezoning.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:10 o'clock p. m.

The City Manager read the ordinance, which would rezone the property as petitioned.

Councilman Michael moved that the rezoning request be remanded to the Planning and Zoning Commission for further consideration, due to the fact that Council had not received any direct reasons from Planning and Zoning Commission for approving the request. This motion was seconded by Councilwoman Swilling which motion carried, with Councilman Morris voting "no".

PUBLIC HEARING - WORDING AMENDMENTS - ZONING ORDINANCE NO. 322

4. A public hearing was held relative to wording amendments to: (1) Article 4, Section 30-4-5, and (2) Article 6, Section 30-6-1 of the Zoning Ordinance No. 322.

Mayor Ochsenreiter opened the public hearing at 4:12 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the following wording amendments to Article 4, Section 30-4-5 of the Zoning Ordinance.

Corner Lots and Through Lots

"Corner Lots: In any zoning district, the second street side of a corner lot shall be considered a front yard, but shall be 50% of the front yard requirements in that particular zone."

Mr. Emrick pointed out that when the Zoning Ordinance was amended in March, 1975, it provided for set back on corner lots in residential districts, but not in commercial districts.

Mr. Emrick reported that the Planning and Zoning Commission was also recommending that Article 6, Section 30-6-1 be amended to permit staff's review of additions to small businesses. He said there were too many small businesses being considered as group developments which could be more logically done through staff review and would allow the Building Inspection Division to issue a permit of additional buildings which does not exceed 5,000 square feet in gross floor area.

Mr. Emrick, Planning Director, said the Planning and Zoning Commission had recommended approval of the plan subject to the following conditions:

1) That the developer submit a satisfactory Erosion Control Plan to the City of Asheville's Division of Inspection.

2) Compliance with recommendations of Water and Sewer Department.

3) Developer comply with final recommendations as submitted by the North Carolina Department of Transportation and the City of Asheville relative to relocating Hazel Mill Road and realignment of the existing intersection.

He said at the March 4, 1976 meeting, Council continued the public hearing since the plans for the relocation of Hazel Mill Road had not been finalized nor the responsibility for the cost determined. He said he had been advised by the Department of Transportation that the preliminary estimate of realigning the intersection would be $14,000, with the City's share being $7,000. He said it was his indication from the Department of Transportation that they would do the work and bill the City for the services. He said it would be his recommendation for Council to consider approval of the plan at this time.

After discussion, Councilman Morris moved to approve the site plan of the proposed Regent Park to be located on Patton Avenue near the Hazel Mill Road intersection. This motion was seconded by Councilman Hoyle and carried unanimously.

GROUP DEVELOPMENT - ONE OAK PLAZA OFFICE BUILDING

9. The City Manager presented a letter from the Planning and Zoning Commission which recommended approval of the site plan of the proposed One Oak Plaza Office Building, subject to the following conditions:

1. Satisfactory erosion control plan;

2. Location of any electrical facilities such as transformers, parking lot illumination, etc.; and

3. Seal and signature of appropriate professional certifying that the plan complies with the Asheville Codes and Ordinances.

Councilwoman Swilling moved to schedule a public hearing on the matter for June 10, 1976. This motion was seconded by Councilman Michael and carried unanimously.

PROCLAMATION - OLDER AMERICANS MONTH - MAY

Mayor Ochsenreiter proclaimed the month of May as Older Americans Month.

CLAIM - MRS. ZENNIE BRADLEY

The City Manager presented a claim received from Mrs. Zennie Bradley for injuries received during a fall.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

ORDINANCE NO. 888 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Deaverview Road)

6. Consideration was given to the second reading of Ordinance No. 888, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, property on Deaverview Road.

Mayor Ochsenreiter advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 888 passed on its second reading.

Mr. Emrick said that Mr. Snyder, owner of the property, had requested that Council suspend the rules and proceed to the third and final reading of the ordinance.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 888. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 888 passed on its third and final reading.

Complete text of Ordinance No. 888 will be found in Ordinance Book No. 7 at page 15.

ORDINANCE NO. 890 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1975-76.

The City Manager read the ordinance.

Larry Fisher, Director of Finance, said the operating budget of the City of Asheville for Fiscal Year 1974-75, did appropriate certain funds for renovation of the City Hall Building and acquisition of land for fire stations, however these funds were not expended as of June 30, 1975 and the reserves were transferred to a Fund Balance by action of outside auditors and were not included in the Fiscal Year 1975-76 operating budget. Therefore a journal entry is necessary to appropriate from the Revenue Sharing Trust Fund additional funds for the Capital Outlay of Facility Service in the amount of $40,236 and Capital Outlay of Fire in the amount of $23,500.

Vice-Mayor Horton moved for the adoption of Ordinance No. 890. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 890 passed on its first reading.

CONTINUATION OF PUBLIC HEARING - SITE PLAN REGENT PARK

8. A public hearing relative to the approval of a site plan of the proposed Regent Park to be located on Patton Avenue near the Hazel Mill Road intersection, was continued.

Thursday - May 27, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the May 20, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, the minutes of the May 20, 1976 meeting were approved as submitted.

ORDINANCE NO. 887 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Swannanoa River Road)

2. Consideration was given to the third and final reading of Oridnance No. 887, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property located on Swannanoa River Road.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 887 passed on its third and final reading.

Complete text of Ordinance No. 887 will be found in Ordinance Book No. 7 at page 14.

ORDINANCE NO. 889 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Wording Amendments)

3. Consideration was given to the second reading of Ordinance No. 889, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Wording Amendments to Article 4, Section 30-4-5 and Article 6, Section 30-6-1).

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 889 passed on its second reading.

ORDINANCE NO. 890 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

4. Consideration was given to the second reading of Ordinance No. 890, an ordinance amending the operating budget of the City of Asheville for the Fiscal Year 1975-76, relative to audit changes.

CLAIM - MR. AND MRS. JOSEPH G. HAMLIN

The City Manager presented a claim received from Mr. and Mrs. Joseph G. Hamlin, for damages to property.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

REPORT BY CITY MANAGER - RE: WILLIAM E. EDENS, WATER AND SEWER DIRECTOR

The City Manager read the following statement:

"I am this date announcing the transfer of Mr. William E. Edens from the position of Water and Sewer Services Director at a salary of $25,200 per year to the position of City Engineer at a salary of $17,862 per year. It is my opinion that this transfer is in the best interest of the City of Asheville. I intend to review the job descriptions, purchasing, and entire operations of all of the departments of the City of Asheville beginning with the Water Department. I feel that better service and better relations with the public can be obtained by an updating of all procedures and manuals now in use.

We will begin immediately to recruit a qualified individual to fill the position of Director of Water and Sewer Services. Until such time as a new director is employed all divisions of the Water and Sewer Departments will be coordinated by Mr. William F. Wolcott, Jr., Assistant City Manager."

Ernest J. Ward
City Manager
City of Asheville

PROCLAMATION - NATIONAL TRANSPORTATION WEEK - MAY 24 - 28

Mayor Ochsenreiter proclaimed the week of May 24 - 28 as Transportation Week.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

William F. Wolcott Jr.
CITY CLERK

Mr. Michalove, Assistant City Manager, explained that on January 13, 1976 the City of Asheville entered into an agreement with the Housing Authority of the City of Asheville for Relocation Services and that this proposed addendum would provide for the Housing Authority of the City of Asheville to acquire real property for the City of Asheville in connection with federal projects that are governed by the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970. He said this would insure a uniform, fair and equitable system of acquiring real property as a result of these projects and would carryout the coordination and administration of real property acquistion activities on a centralized basis. He said the City would reimburse the Housing Authority for the time involved in such acquisitions.

Councilman Michael questioned the estimated cost to the Housing Authority for such services.

After discussion, Councilman Morris moved to table the resolution until the meeting of June 3, 1976, and requested that Mr. Michalove obtain estimated cost figures of the project. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-80 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HARRY P. CLAY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS OAK, WOODFIN, AND VALLEY STREET IMPROVEMENTS

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Harry P. Clay Construction Company for the project known as Oak, Woodfin and Valley Street Improvements.

The City Manager read the resolution.

Mr. Edens, City Engineer, explained that this is the last element in the Urban Renewal Project that is taking place in the Oak, Woodfin and Valley Street area. He said this project entails the subgrade preparation which includes removal and disposal of old pavement, street car tracks, sidewalk and curb, adjustment of utility appurtenances, grading and the construction of new concrete curb and gutter and sidewalks. He said bids were received on May 17, 1976 for the project and Harry P. Clay Construction Company submitted the low bid in the amount of $71,683.50 and it would be his recommendation to accept the low bid.

After discussion, Councilman Michael moved for the adoption of Resolution No. 76-80. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 76-80 will be found in Resolution Book No. 9 at page 37.

BIDS - UNIFORMS FOR CITY OF ASHEVILLE FIRE DEPARTMENT

9. Consideration was given to bids received May 24, 1976 for uniforms for the City of Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by the Asheville Army Store, in the amount of $4,918.50.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Asheville Army Store, in the amount of $4,918.50. This motion was seconded by Councilman Hoyle and carried unanimously.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 890 passed on its second reading.

RESOLUTION NO. 76-79 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE UNITED STATES OF AMERICA

5. Consideration was given to a resolution authorizing the Mayor to sign a contract between the City of Asheville and the United States of America.

The City Manager read the resolution.

Mr. Michalove, Assistant City Manager, explained that this resolution would authorize the Mayor to sign the contract and documents necessary to implement a grant program to provide for an operating subsidy to the Asheville Transit Authority. He said this grant program would provide for approximately $253,601.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-79 was unanimously adopted.

Complete text of Resolution No. 76-79 will be found in Resolution Book No. 9 at page 36.

DECISION BY COUNCIL REGARDING CONTINUATION OF REDUCED BUS FARES FOR SENIOR CITIZENS

6. The City Manager presented a letter, addressed to the Mayor, from the Asheville Transit Authority, stating that to continue the reduced bus fares for Senior Citizens on an all-day basis would cost approximately $18,644.80. He said this amount would be reduced by one-half through a grant provided by the Urban Mass Transportation Administration.

After discussion, Councilman Morris moved to request the Asheville Transit Authority to continue with the reduced fares for senior citizens on a full-time basis. This motion was seconded by Councilwoman Swilling.

Councilman Michael said since the City of Asheville is responsible for the funding of the Authority he would make a substitute motion to instruct the Asheville Transit Authority to continue granting the senior citizens half-fare rates on a full time basis. This motion failed for lack of a second.

On a voice vote of 5-1, Councilman Morris's motion carried, with Councilman Michael voting "no".

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN ADDENDUM TO THE RELOCATION SERVICES CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

7. Consideration was given to a resolution authorizing the Mayor to sign an addendum to the Relocation Services Contract between the City of Asheville and the Housing Authority of the City of Asheville.

The City Manager read the resolution.

The City Manager also presented petitions received from residents in West Asheville requesting the City of Asheville's support in leasing or purchasing the West Asheville YMCA property for the use of Little League Baseball, Babe Ruth Baseball and Youth Football.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-82 was unanimously adopted.

Complete text of Resolution No. 76-82 will be found in Resolution Book No. 9 at page 39.

Dr. Dunn, representing the citizens of West Asheville, expressed appreciation for Council's prompt action of the lease agreement with the YMCA for the leasing of the West Asheville Branch YMCA property on Deaverview Road. He said the Little League Baseball, Babe Ruth Baseball and Youth Football teams were in desperate need for the Deaverview Road property.

PRESENTATION OF THE 1976-77 BUDGET

12. The City Manager read a prepared budget letter in submitting the 1976-77 budget to members of Council.

The City Manager said it is required that notice be given, by the City Clerk, that the budget has been presented to Council and that a public hearing would be held by Council prior to its adoption.

Councilman Rainey moved to schedule a public hearing on the 1976-77 budget for June 3, 1976. This motion was seconded by Courcilwoman Swilling and carried unanimously.

Councilman Rainey moved to sell extra copies of the budget to the citizens for $6.50. This motion was seconded by Councilman Michael and carried unanimously.

Councilmen Michael and Hoyle commented that they would be opposed to any tax increase in the budget.

Vice-Mayor Horton requested that the City Manager obtain cost estimates for the addition of one police cruiser around the clock and the addition of reasonable foot patrolmen downtown during business hours, for possible inclusion into the budget.

RESOLUTION NO. 76-83 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A CONTRACT FOR CONSULTING SERVICES FOR PREPARING AND ANALYZING GROUP HEALTH AND LIFE INSURANCE BIDS

13. Consideration was given to a resolution authorizing the City Manager to sign a contract for consulting services for preparing and analyzing group health and life insurance bids.

The City Manager read the resolution.

Mr. Mike Smith, Director of Central Services, explained that the City is desirous of making changes in its group health and life insurance program and the services of a consulting firm to analyze needs and draw specifications for bids is needed.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-82 was unanimously adopted.

Complete text of Resolution No. 76-82 will be found in Resolution Book No. 9 at page 40

Bid Summary

Bidder	Bid
Stinnette Uniform Sales, Inc.	$5,513.10
Asheville Army Store	4,918.50

RESOLUTION NO. 76-81 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH CAROLINA COURTS AND TRACKS, INC. FOR THE PROJECT KNOWN AS SIX TENNIS COURTS AT ASTON PARK

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Carolina Courts and Tracks, Inc. for the project known as six tennis courts at Aston Park.

The City Manager read the resolution and presented the bids received on May 24, 1976 in which Carolina Courts and Tracks, Inc. was low bidder, in the amount of $36,440.00.

Ray Kisiah, Parks and Recreation Director, said this would allow for a 12 court complex at Aston Park. He said funds for this project would come from Community Development funds.

Councilman Rainey asked Mr. Kisiah to check on how many intercity citizens were using the tennis courts opposed to county residents. He said he felt the City was providing county residents recreation with Community Development funds.

Councilman Hoyle commented that Community Development funds should be used in other areas other than recreation needs.

After discussion, Councilman Morris moved for the adoption of Resolution 76-81, awarding the bid to Carolina Courts and Tracks, Inc. in the amount of $36,440.00. This motion was seconded by Councilman Horton, which motion carried, with Councilman Hoyle voting "no."

Bid Summary

Bidder	Bid
Paving Enterprises, Inc.	$59,290.00
Carolina Courts and Tracks, Inc.	$36,440.00
Van Summer, Inc.	$38,885.00

Complete text of Resolution No. 76-81 will be found in Resolution Book No. 9 at page 38.

RESOLUTION NO. 76-82 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENTS FOR THE USE OF THE WEST ASHEVILLE BRANCH YMCA PROPERTY ON DEAVERVIEW ROAD AND THE LEASE OF THE RICHMOND HILLS GOLF COURSE PROPERTY TO THE ASHEVILLE YMCA

11. Consideration was given to a resolution authorizing the Mayor to execute lease agreements for the use of the West Asheville Branch YMCA property on Deaverview Road and the lease of the Richmond Hills Golf Course property to the Asheville YMCA.

The City Manager read the resolution.

Mr. Emrick said the residents are protesting that they were not adequately notified of the change and that they were told in 1973 that the residential zoning would never be changed; and that they wish the entire strip to be rezoned to R-3; thereby blocking the commercial development of Lots 8-1/2 and 8-3/4. However, the residents cannot file a petition to rezone Lots 8-1/2 and 8-3/4. Only City Council and the Planning and Zoning Commission have the power to recommend and approve the zoning of tracts of land with a multitude of owners. He said it would be his recommendation that the Council make a direct request that the Commission review the possibility of reversing the present zoning and make a recommendation on the entire strip of Commercial Service zone.

Councilman Morris moved to direct the Planning and Zoning Commission to review the possibility of reversing the present zoning and make a recommendation on the entire strip of Commercial Service zone. This motion was seconded by Councilman Hoyle and carried unanimously.

EDNA McCLOUD - OPPOSED REZONING OF PROPERTY ON U. S. 70 - GUS BARLAS AND JOHN BARLAS

Ms. Edna McCloud appeared before Council to oppose the requested rezoning of Ward 21, Sheet 10, Lots 50, 51, 52, and 68, property owned by Gus Barlas and John Barlas. She presented a petition from residents of Craig Circle who were opposed to the rezoning.

Mayor Ochsenreiter advised Ms. McCloud that the matter had been referred back to the Planning and Zoning Commission, during the meeting of May 20, 1976, and that the matter would be considered by the Planning and Zoning Commission during their meeting to be held on June 2, 1976.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

William F. Mahoney
CITY CLERK

CLAIM - GRADY O. PLEMMONS

The City Manager presented a claim received from Mr. Grady O. Plemmons for damages to his automobile.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

HONORARY DAY FOR THE ELDERLY - MONTREAT-ANDERSON

Councilwoman Swilling invited all the members of Council to attend the Honorary Day for the Elderly at Montreat-Anderson on Friday, May 28, 1976.

MODEL CITIES COLLEGE STUDENTS

Councilman Rainey presented two graduation announcements from two students who were supported by Model Cities funds. He read a letter of thanks from one of the students to the City of Asheville for their support.

PROCLAMATION - LIFE INSURANCE WEEK - MAY 31 - JUNE 5

Vice-Mayor Horton proclaimed the week of May 31 through June 5 as Life Insurance Week.

ANNOUNCEMENT ON DOWNTOWN PROPOSAL

Mayor Ochsenreiter announced that Mr. Emrick, Director of Planning, would have a preliminary report on the downtown proposal by Charlie Kern at the meeting of June 3, 1976.

MR. SHEPHERD - ZONING COMPLAINT ON LEICESTER HIGHWAY

Mr. Shepherd, of Leicester Highway, asked Council to zone the Commercial property, involving Lots 8-1/2, 8-3/4, 72, 77, 38-1/4, and 38-1/2 on Sheet 25, Ward 6, R-3 Residential District. He said the propery is only suitable for residential use.

Mr. Emrick, Planning Director, reported that he had been advised by several residents in that area that they do not wish their lots to be designated as a CS Commercial Service District. He said it was his understanding that they would like to have the entire strip (at the intersection of Leicester Highway and Westwood Drive) zoned R-3 Residential District. He said the source of the controversy involves lots 8-1/2 and 8-3/4 owned by Mr. E. J. Bumgarner and it was his understanding that Mr. Bumgarner plans to sell these lots to the Roto-Rooter people and the residents are opposed to this.

Mr. Emrick said in 1973 Mr. Bumgarner requested that these lots(8-1/2 and 8-3/4) be rezoned from RA-5 to Commercial or Roadside Business. At that time the residents prepared a protest petition and presented it to Council and the Planning and Zoning Commission. Consequently, the request was denied by the Planning and Zoning Commission on February 7, 1973 and, subsequently, by Council on February 22, 1973. In 1974 when the Planning and Zoning Commission sent the present zoning ordinance and map to Council for adoption, the recommendation for this section remained R-3 Residential District. In the subsequent work sessions and public hearings from September, 1974 to March, 1975 while Council was deliberating this issue, the area was rezoned to the CS Commercial Service District.

Vice-Mayor Horton moved to approve the site plan of the Western North Carolina Farmers Market. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - PROPERTY ON CARIBOU ROAD - DYNATEX, INC.

ORDINANCE NO. 891 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning property on Caribou Road from R-3 Residential District to HI Heavy Industrial District, property owned by Dyna-Tex, Inc.

Mayor Ochsenreiter opened the public hearing at 3:23 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended approval of the rezoning for the following reasons:

1) Property is adjacent to existing HI Heavy Industrial District;

2) The development trend in this area is now oriented toward heavy commercial and industrial uses. It is expected that this trend will continue in the future;

3) Land use on the subject property and in the immediate area is industrial; therefore, an incompatible use would not be introduced;

4) The site is buffered from residential areas by existing topography and Interstate 40; and

5) In view of the above facts, it is the staff's opinion that the zoning change is justified.

Mr. Emrick said the Commission had further recommended that the abutting property to the north being Lots 212, 213, and a portion of Lot 1, on Sheet 15, of Ward 7 be rezoned to HI (Heavy Industrial) and that the property owners be notified of the recommended change.

By the use of a map, Mr. Emrick, pointed out the location of the property in question. He said the property owners adjoining said property had been notified of the recommended change.

Mr. Ronald P. Goldstein, President of the Blue Ridge Trucking Company, spoke in favor of the rezoning.

Mr. Bill Barnes, Attorney representing Dyna-tex, Inc, spoke in favor of the rezoning and said the rezoning would be in the interest of sound planning.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:35 o'clock p. m.

The City Manager read the ordinance, rezoning the property as recommended.

Thursday - June 3, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the May 27, 1976 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, the minutes of the May 27, 1976 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN OF WESTERN NORTH CAROLINA FARMERS MARKET

2. A public hearing was held relative to the site plan of the Western North Carolina Farmers Market.

Mayor Ochsenreiter opened the public hearing at 3:08 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended approval of the site plan subject to the following conditions:

1. Submission to Planning and Zoning Commission Office of a description of fifteen foot (15') maintenance easement required by the Buncombe County Public Safety Department.

2. Compliance with recommendations of City of Asheville Water and Sewer Department.

Mr. Emrick, by the use of a map, reviewed the location of the proposed project as well as proposed structures.

He said the Water and Sewer Department had confirmed that there is a 6-inch water line in Brevard Road and city water would be available to the Farmer's Market. However, if the Farmer's Market requires an 8-inch water main in Brevard Road it would be required that they construct this 8-inch line northerly along Brevard Road to connect to the City's existing 8-inch line.

He said the Buncombe County Public Safety Department has required a fifteen foot maintenance easement to the County through the Farmer's Market property. He said this condition had not been met as of this date.

Mayor Ochsenreiter closed the public hearing at 3:22 o'clock p. m.

Mr. Ray Stepp, with the Asheville Central Labor Union, speaking on behalf of the Asheville Firemen, thanked the members of Council for providing a longevity plan in the budget for the City of Asheville employees.

Dr. John Barthel spoke in opposition to a tax increase. He said he would like for Council to have a public detailed discussion of each departmental budget.

Mr. Henry Rowe, President of the Retired Federal Employees, spoke in opposition to a tax increase. He said the retired property owners, on a fixed income, could not afford a tax increase. He said a tax increase would discourage additional retirees from coming to Asheville.

Mr. Grant Haley aslo spoke in opposition to a tax increase, stating that Council could find ways to eliminate a tax increase. He suggested as a start a 25¢ admission could be charged to go to the Art Museum.

Mrs. Ralph Hicks, asked Council to hold the line on the present tax.

Mrs. Nancy Boggs, owning a business in Biltmore Forest Shopping Center, said she would not mind a tax increase if the additional funds went for the salaries of police and firemen. She said they deserved any special consideration.

Mayor Ochsenreiter closed the public hearing at 4:25 o'clock p. m.

The Corporation Counsel read the budget ordinance.

Councilwoman Swilling moved to amend the budget ordinance by deleting .0008, in the amount of $23,000, from the General Fund, Non-Departmental Budget, page 48 of the Budget Supplement and by deleting .0008, in the amount of $2,580, from the Water and Sewer Fund, Operations Budget, page 81, of the Budget Supplement in their entirety. (Both items pertaining to an annuity fund for department and division heads). This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-1, Ordinance No. 893 passed on its first reading, with Councilman Michael voting "no".

Council members promised to make every effort to trim the budget during the second and third readings of the ordinance.

ORDINANCE NO. 889 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Wording Amendments)

6. Consideration was given to the third reading of Ordinance No. 889, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Wording Amendments)

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 889 passed on its third and final reading.

Complete text of Ordinance No. 889 will be found in Ordinance Book No. 7 at page 16.

by the Planning and Zoning Commission.

Councilman Hoyle moved for the adoption of the ordinance. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 891 passed on its first reading.

PUBLIC HEARING - REZONING SOUTHWEST R-5 RESIDENTIAL DISTRICT

4. A public hearing was held relative to rezoning property bounded on the west and north by Sand Hill Road, on the south by the I-40 and I-26 Interchange, and on the east by South Bear Creek Road, R-5 Residential District.

Mayor Ochsenreiter opened the public hearing at 3:37 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, explained that this request for the establishment of the Southwest R-5 District was considered by Council on two other occasions. He said, as previously stated, the zoning of the Southwest R-5 District would complete the proposal as first presented. He said all the property owners had been individually notified, by letter, and had been invited to the public hearing for any comments that they may have.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:52 o'clock p. m.

The City Manager read the ordinance which zoned the Southwest R-5 Residential District as recommended by the Planning and Zoning Commission.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 5-1, Ordinance No. 892 passed on first reading, with Councilman Rainey voting "no".

PUBLIC HEARING - CITY OF ASHEVILLE BUDGET FOR FISCAL YEAR 1976-77

ORDINANCE NO. 893 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77

5. A public hearing was held relative to the City of Asheville Budget for Fiscal Year 1976-77.

Mayor Ochsenreiter opened the public hearing at 3:58 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication. He said the North Carolina Local Government Budget and Fiscal Control Act requires that the budget be available for public inspection in the office of the City Clerk for twenty (20) days and that a public hearing be held on same before adoption.

Complete text of Resolution No. 76-84 will be found in Resolution Book No. 9 at page 41.

RESOLUTION NO. 76-85 - RESOLUTION ASSURING REVIEW OF ALL BUILDING PERMITS WITHIN THE FLOOD HAZARD AREA OF THE CITY OF ASHEVILLE

9. Consideration was given to a resolution assuring review of all building permits within the flood hazard area of the City of Asheville.

The City Manager read the resolution.

Verl Emrick, Planning Director, advised that this resolution as well as the following resolution, are parts of the requirements stipulated by the Department of Housing and Urban Development, Federal Insurance Administration, to make the community eligible for flood insurance. He said in February 1976 the City of Asheville received formal notice of the identification by the Federal Insurance Administration, on behalf of the Secretary of Housing and Urban Development, that Asheville contains one or more areas having special flood hazards. The effect of this notification was to inform the City of the flood danger to which they appear to be exposed and to give it an opportunity to enroll promptly in the National Flood Insurance Program. Enrollment in the program will give residents an opportunity to purchase Federally-subsidized flood insurance made available under the program since flood insurance is not available privately, thus be protected financially against future flood losses.

In addition to the community participation requirement, the 1973 Flood Disaster Protection Act also requires, within eligible communities, the purchase of flood insurance in connection with all Federal or federally related financial assistance (including mortgage loans from Federally insured or regulated lending institutions) for acquisition or construction of buildings located in identified special flood hazard areas.

He said, in order for Asheville to obtain flood insurance there are a number of steps to be taken. The first step, identification by the Federal Insurance Administration of Asheville as having one or more areas having special flood hazards has already been taken. Before April 1977 the City is required to adopt land use and control measures that:

1) Take into account flood management programs, if any, already in effect in neighboring areas.

2) Apply at a minimum to all areas identified as flood plain areas housing special flood hazards.

3) Provide that the laws and ordinances designed to reduce flood losses take precedence over any conflicting laws, ordinances or codes within the flood plain areas.

4) Require building permits for all proposed construction or other improvements in the flood plain area having special flood hazards.

ORDINANCE NO. 890 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76 (Audit changes)

7. Consideration was given to the third and final reading of Ordinance No. 890, an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1975-76 relative to audit changes.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 890 passed on its third and final reading.

Complete text of Ordinance No. 890 will be found in Ordinance Book No. 7 at page 18.

RESOLUTION NO. 76-84 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN ADDENDUM TO THE RELOCATION SERVICES CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing the Mayor to sign an addendum to the Relocation Services Contract between the City of Asheville and the Housing Authority of the City of Asheville.

The City Manager read the resolution.

Mayor Ochsenreiter advised that the resolution was considered at the meeting of May 27, 1976 but was tabled for additional information relative to the cost of the project.

Ken Michalove, Assistant City Manager, suggested that Council include in the resolution that the compensation to the Housing Authority of the City of Asheville for the land acquisition services shall not exceed the fee schedule taken from the HUD Real Property Acquisition Handbook, 1320.1. He said the fee schedule would be as follows:

Approved Valuation	Fee
Less than $2,000	$70 plus 3% of excess above $500
$2,000 to $5,000	$115 plus 2% of excess above $2,000
$5,000 to $10,000	$175 plus 1-1/2% of excess above $5,000
$10,000 to $20,000	$250 plus 1% of excess above $10,000
$20,000 to $50,000	$350 plus 2/3% of excess above $20,000
$50,000 to $200,000	$550 plus 0.2% of excess above $50,000
$200,000 or more	$850 plus 0.1% of excess above $200,000

Mr. Michalove said most of the parcels to be acquired would be in the $2,000 to $5,000 range and there would be between 35 and 70 parcels to acquire.

Councilwoman Swilling moved for the adoption of the resolution subject to the following paragraph being included in the resolution: "that the compensation to the Housing Authority of the City of Asheville for the land acquisition services shall not exceed the fee schedule taken from the HUD Real Property Acquisition Handbook, 1320.1." This motion was seconded by Councilman Michael and carried unanimously.

BUDGET ERRORS CORRECTED

Corporation Counsel William C. Moore advised that two errors were read in the budget ordinance and these should be corrected. The date of July 31, 1977 should be corrected to read June 31, 1977. The Water and Sewer Improvement Fund was inadvertently omitted from the categorical list and should be inserted.

Vice-Mayor Horton moved to correct the budget ordinance by changing July 31, 1977 to June 31, 1977 and by inserting the Water and Sewer Improvement Fund in the categorical column. This motion was seconded by Councilman Hoyle and carried unanimously.

CLAIM - DOROTHY W. CHAMBERS, ADMINISTRATRIX OF THE ESTATE OF RALPH CORNELIUS CHAMBERS

The City Manager presented a claim received from William A. Parker, attorney for Dorothy W. Chambers, administratrix of the Estate of Ralph Cornelius Chambers.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

REZONING REQUEST - LEICESTER HIGHWAY AND WESTWOOD DRIVE

The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the request to zone Lots 8-1/2, 8-3/4, 38-1/4, 38-1/2, 72, and a portion of Lot 77, Ward 6, Sheet 25 (also identified as Sheet 13, Hazel), R-3 Residential District.

Councilman Morris moved to schedule a public hearing on the matter for June 24, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

BATTERY PARK HOTEL - DON BLACKWELL

Mr. Don Blackwell, owner of the Battery Park Hotel, requested that Council endorse the conversion of the Battery Park Hotel to an Elderly Apartment Project under Section 8 provisions of the 1974 Housing and Community Development Act. He said he had received a Finding of Fact and Order from the Department of Public Safety to either obtain a building permit to repair the building or to demolish the building within sixty (60) days of the date of the Order.

After discussion, Mayor Ochsenreiter suggested that Mr. Blackwell prepare a proposal to be submitted to members of Council at the June 10, 1976 meeting. He also requested that Mr. W. C. King, Executive Director of the Housing Authority for the City of Asheville, be prepared to give a recommendation on same.

5) Review building permit applications for major repairs in the flood area to determine that the proposed repair uses construction materials and utility equipment that are resistant to flood damage and uses construction methods and practices that will minimize flood damage.

6) Review building permit applications for new construction or substantial improvements in the identified flood area to assure that the proposed construction (including prefabricated and mobile homes) is (1) protected against flood damage, (2) is designed and anchored to prevent flotation, collapse, or lateral movement of the structure, (3) uses construction methods and practices that will minimize flood damage.

7) Review subdivision proposals and other proposed new developments to assure that (1) they are consistent with the need to minimize flood damage, (2) all public utilities and facilities are located, elevated and constructed to minimize flood damage, (3) adequate drainage is provided to reduce exposure to flood hazards.

8) Require new or replacement water supply systems and/or sanitary sewage systems to be designed in a way that will minimize or eliminate the infiltration of flood waters into the system and require on site waste disposal systems to be located where they will not be contaminated by flooding.

Mr. Emrick said the second stage would be for the Federal Insurance Administration, through TVA, to reexamine the Flood Boundary Map and to determine the flood way areas.

He said, in essence, if Council does not pass the necessary documents the Federal government could cut out federally subsidized mortgage money for the residents in the flood way areas.

After discussion, Councilwoman Swilling moved for the adoption of Resolution No. 76-85. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 76-85 will be found in Resolution Book No. 9 at page 42.

RESOLUTION NO. 76-86 - RESOLUTION PROVIDING FOR COMPLIANCE WITH THE NATIONAL FLOOD INSURANCE ACT OF 1968

10. Consideration was given to a resolution providing for compliance with the National Flood Insurance Act of 1968.

The City Manager read the resolution and explained that this resolution was part of the resolution previously adopted.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 76-86 was unanimously adopted.

Complete text of Resolution No. 76-86 will be found in Resolution Book No. 9 at page 44.

transitional stage. Given this premise, it behooves all of us to recognize this and to focus our efforts on directing the transition of the Central City so that the reclamation might be extended to the fullest potential.

Analysis

As of this writing any overview of the existing physical conditions of the Central City presents a rather gloomy picture.

With the every growing vacancy rate and deteriorating structural conditions occurring in Downtown, several proposals have been initiated for rectifying the situation. The one with which this report is concerned is that delivered by Mr. C. [redacted]. Kern with the endorsement of the Central Asheville Association, the Mid-City Merchants Council, the Asheville Merchants Association, and the Board of Directors of the Asheville Area Chamber of Commerce.

On April 15, 1976, Mr. Kern presented to City Council a proposal which would involve the creation of a special tax district in the Downtown area for the purpose of generating additional revenues for the reclamation of the CBD. Following this presentation, an analysis of this proposal was undertaken in order to prepare this report which will point out the requirements of the enabling legislation and compare these with the recommendations stated in Mr. Kern's proposal.

In 1973 the General Assembly passed the Municipal Service District Act (G.S. 160A-535 through 543) which does indeed impart to the Council

PRELIMINARY REPORT - DOWNTOWN PROPOSAL SUBMITTED BY CHARLES R. KERN

Verl Emrick, Planning Director, presented the following preliminary report relative to the proposal regarding downtown submitted by Charles R. Kern.

To begin with let's restate the conclusion held by many Ashevillians that being that Asheville's Central Business District is moribund. If this is the case then why should the property owners, merchants, city administration, and many Asheville citizens concern themselves with attempting to reclaim the Central City?

The obvious answer is that the Central City is the focal point for identifying Asheville as a place or a physical entity. No matter how many regional and/or suburban shopping districts are constructed, the Central City psychologically is Asheville.

What then can be done for the Central City? Over the years many plans and projects have been initiated to answer the question. For instance, the Civic Redevelopment Project which provided some $14,000,000 in urban renewal funds for the reclamation of a badly deteriorated sector of the city. Another effort, of a more recent vintage, is the construction of the Civic Center, the new Pack Library, and the adjoining parking deck. Complementing these efforts, some property owners and merchants have invested private capital in constructing and/or restoring buildings, sidewalks, etc.

With these types of activities occurring in the Central City perhaps the opening statement should be modified somewhat to point out that the area is not on the verge of extinction or termination, but rather it is only in a

The next section, Section 160A-537 specifies that certain standards must be met before Council can establish one of these districts and herein is where some problems arise.

First of all the Council must make a specific determination or finding that:

> "The proposed district is in need of one or more of the services, facilities, or functions listed in G.S. 160A-536 to a demonstrably greater extent than the remainder of the city."

This quote provides perhaps the most difficult hurdle to negotiate in the entire law for without hard data Council cannot make a concrete statement that the need for any such services are demonstrably greater than in the remainder of the city.

This is not to say that the large body of existing data (all sources) on the CBD cannot demonstrate the overriding need, what is of concern is that there are noticeable deficiencies in the preliminary planning of the proposal which must be reckoned with before Council would be on relatively safe ground in establishing such a district, or declaring that the overriding need is there.

Specific questions on this point are:

1) What proof or backup data is required in order for Council to declare the need?

2) Who will make the determination, city staff or consultants? If staff does it, will that be viewed as a self-fulfilling statement of need? and

3) Who will select the services to be provided in the district?

the legal authority to create a special tax district for the purpose of initiating Downtown revitalization projects. This is accomplished in Section 160A-536 of the Act. Other types of districts which can be created under authority of this Act are drainage projects, off-street parking facilities, and beach, flood, or hurricane protection projects.

By way of illustration, the act provides that the following types of projects may be undertaken in a Downtown revitalization district. Improvements to:

1. Water mains;
2. Sanitary sewer mains;
3. Electric power distribution lines;
4. Gas mains;
5. Street lighting;
6. Streets and sidewalks, including right-of-way and easement therefor;
7. Construction of pedestrian malls;
8. Construction of bicycle paths;
9. Construction of parking facilities, both on- and off-street;
10. Construction of overhead pedestrian walkways;
11. Construction of sidewalk canopies; and
12. Other improvements intended to relieve traffic congestion in the central city, improve pedestrian and vehicular access thereto, reduce incidence of crime therein, and generally, to further the public health, safety, welfare and convenience by promoting the economic health of the central city.

the hearing. In addition, the notice must be mailed to all property owners within the boundaries of the proposed district at least four (4) weeks before the date of the hearing.

This section further states that any resolution defining a service district shall take effect at the beginning of a fiscal year commencing after its passage. And given these time limitations, if Council were to adopt this concept as one avenue of solving the CBD problems, it would be impossible to initiate the district before July 1, 1977.

Finally, what is needed to satisfy this section of the law is a long range plan for the provision of any of the eligible services and data on hand which would answer the following questions:

1) What are the specific area boundaries?

2) How much money would be raised?

3) What would be the tax levy imposed and who would make the decisions?

4) Who would control the funds?

5) What services are to be provided?

6) Who will provide the services?

7) Can the services be provided within one year after the effective date of the definition of the district [Sec. 160A-540(a)]?

Section 160A-542 specifies the following relative to tax levy authorizations and limitations. It states that a city may levy taxes within the district it has defined. However, the combined city-wide and special tax rates cannot exceed the statutory limit of $1.50 per $100.00 value of

This section of the law [160A-537(b)] also provides that a report be prepared which will describe in detail the following items which are also absent from the proposal at this moment:

1) A map of the proposed district. At this point we have only one proposal submitted to Mr. Kern, but this in and of itself is not sufficient. I could also delineate a district and so could each member of Council, but the boundary delineation must come before the remainder of any revitalization plan can be formulated.

2) A Statement Showing that the Proposed District Meets the Standards set out in Subsection (a). Already discussed.

3) A Plan for Providing in the District one or more of the Services Listed in G.S. 160A-536. At this point no such plan is in existence. There have been several proposals generated over the last year by different groups, but none have ever progressed past the proposal stages.

One must take note here of an apparent inconsistency in the wording of the law in this section as it relates to the provision of specific services in the district. Section 160A-536 states that those items listed as eligible services are illustrative only and not all inclusive. Section 160A-537 indicates the opposite by limiting the eligible activities to those listed. The resolution of this apparent conflict in wording will, of course, have to be done through legal channels.

In addition the law states that after the report is prepared the Council shall hold a public hearing before adopting any resolution defining any such service district under this section of the law. Notice of the public hearing must be published at least once and not less than one week prior to the date of

Bond Act to finance any proposed service or improvements to be provided within the special district.

However, the law requires voter approval by a:

1) Majority of voters city-wide; and

2) Majority of voters in all of the affected or to be affected service district.

In conclusion it is my opinion that the requiremants of the statute can be satisfied and portions of Mr. Kern's proposal accomplished, but first Council must make a policy decision as to whether or not, in your opinion, this is the best approach to financing Downtown revitalization efforts.

Verl R. Emrick, Jr.
Planning Director

Mayor Ochsenreiter said Council would be meeting with Mr. Kern regarding the report during the next week.

PETITION - BILTMORE VILLAGE

Ms. Caryle Bitter, owner of The Dande Lion, presented the following petition to Council:

"We the undersigned being the merchants and/or property owners in the Biltmore Village area respectfully request the following from the Asheville City Council in undertaking the restoration and preservation of Biltmore Village and its immediate environs:

1. Assistance from the Planning Division in preparing a five (5) or ten (10) year plan for the Village;

2. Assistance in having the Village designated a historic district so that it may retain the intrinsic qualities which make it a desirable place to live and work;

property unless that portion of the rate excess of this limitation is submitted to and approved by a majority of the qualified voters residing within the district.

Now, this statement brings up another legal question which must be resolved. The statement refers to qualified voters "residing" within the district. The question is does the term "residing in" also mean "Doing business in" or "owning property in the district" or does Webster's definition apply? If Webster's definition applies one might be able to argue against the constitutionality of any such tax levy.

This section also provides that the property subject to taxation is that property subject to taxation by the city as of January 1, 1976.

As indicated previously at this point no definitative information on exactly how much of a tax levy would be required to provide services is available because there is no detailed plan for the delivery of services or an agreed upon boundary delineation.

There is also the basic question of who will administer the expenditures of monies derived from a tax levy. As I understand it only the City Council could authorize any such expenditures. This is confirmed by the Institute of Government. Therefore, the proposed Central Asheville Authority could not function in this manner. In light of this, the group's function could be that of catalyst to create a spirit of solidarity of purpose for the Downtown. As an alternative to levying a tax, Section 160A-543 states that the Council may issue its general obligation bonds authorized under the Local Government

Thursday - June 10, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Acting Corporation Counsel Robert J. Robinson, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

1. Approval of the minutes of the June 3, 1976 meeting.

Vice-Mayor Horton noted that the minutes of the June 3, 1976 meeting should be amended to include the following statement made by Mr. Verl Emrick, Director of Planning, relative to the public hearing on rezoning the Southwest R-5 Residential District: "All lots located in this area exceed the minimum lot size requirement of 10,000 square feet." He said this should be included on page 313.

Vice-Mayor Horton further noted that on page 318 the date June 31, 1977 should read June 30, 1977.

Vice-Mayor Horton then moved to approve the minutes of the June 3, 1976 meeting, as amended. This motion was seconded by Councilman Hoyle and carried unanimously.

REPORT ON REDUCED BUS FARES FOR SENIOR CITIZENS

Mr. Lyle Hackett, Resident Manager of the Asheville Transit Authority, reported that the Asheville Transit Authority fully endorsed Council's request to continue the Senior Citizens reduced bus fares on a full time basis.

RESOLUTION NO. 76-87 - RESOLUTION OF APPRECIATION TO LYLE J. HACKETT

Mayor Ochsenreiter read a resolution of appreciation to Lyle J. Hackett, who will officially retire his position on June 30, 1976, for the deep personal interest he has taken in providing services to the public and the excellent record he has established in managing the affairs of the Asheville Transit Authority.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-87 was unanimously adopted.

Complete text of Resolution No. 76-87 will be found in Resolution Book No. 9 at page 46.

STATEMENT BY MAYOR RELATIVE TO BUDGET FOR 1976-77

Mayor Ochsenreiter read the following statement relative to the City of Asheville Budget for Fiscal Year 1976-77:

"In the course of the past several weeks Council members and the City staff have been working on the Budget for 1976-77. There has been many views expressed in an effort to have a reasonable and effective budget for the coming year. Some changes have already been made in an effort to keep the tax rate at its current position. The additional changes that would be necessary to keep our tax rate at its current figure will be left with the judgement of the City Manager and the staff. The Council expresses its confidence in the fact that Mr. Ward is the individual to make final judgement on the changes to meet our requests. It is with our full cooperation and confidence that we leave the City's operation in 1976-77 in his hands."

3. Assistance in preventing the further intrusion of industrial uses in and around the Village;

4. Assistance in providing adequate flood protection for the area; and

5. Assistance in repairing streets, storm drainage, sidewalks, placement of anchored benches for pedestrians, and off-street parking.

The petition contained approximately 40 signatures of the merchants and/or property owners in the Biltmore Village.

Mayor Ochsenreiter referred the petition to the staff for recommendations.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William A. Malcolm
CITY CLERK

Councilman Michael requested that the Planning Staff contact the North Carolina Department of Transportation relative to signalization in the area to prevent traffic hazards due to the increased development of the area.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p. m.

Councilman Morris moved to approve the site plan of Ingle's Shopping Center Complex subject to the developer complying with the conditions recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON BUCHANAN ROAD - RUTH W. GEDDINGS AND OTHERS

ORDINANCE NO. 894 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning property on Buchanan Road from Office Institutional to R-3 Residential District, property owned by Ruth W. Geddings and Others.

Mayor Ochsenreiter opened the public hearing at 3:22 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the request for the following reasons:

1. The predominant land use in the area is residential;

2. The rezoning is in the best interest of the residents of this section; and

3. The rezoning is not in conflict with established zoning policies for the City of Asheville.

Mr. Emrick presented a map of the area showing the property behind St. Joseph's Hospital on Buchanan Road. He said the petitioners were making the request in order to maintain the residential character of the area and in the event property was sold it could not be used for a business use. He said the staff saw no problem with the proposed rezoning.

Mayor Ochsenreiter closed the public hearing at 3:26 o'clock p. m.

The City Manager read the ordinance which rezoned the property as requested.

Councilwoman Swilling moved for adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 894 passed on its first reading.

STATEMENT BY COUNCILMAN RAINEY - RE: BUDGET

Councilman Rainey read the following statement:

"I regret that I left the wrong impression in a statement published in this mornings Citizen. The statement was "In the past the practice has been to have a large contingency fund and not give the workers a large raise immediately, I questioned the practice of using the contingency fund as a reserve required for pay raises". I wish now to correct that wrong impression, the point that I was trying to make was that some city workers have viewed the large contingency fund as harboring money that can be used for increases. I do not believe that our City Manager, Ernest Ward, has employed the fund in this way."

STATEMENT BY COUNCILMAN MICHAEL - RE: COALITION BY MEMBERS OF COUNCIL

Councilman Michael made the following statement:

"The news media has stated that there has been a coalition between Councilman Hoyle, Councilman Rainey, Councilwoman Swilling and myself. I would like to say that at no time have I ever been a part of a coalition and never will be. I will always vote independently and the way that I think will serve all the citizens of Asheville fairly and squarely."

PUBLIC HEARING - SITE PLAN OF INGLE'S SHOPPING CENTER COMPLEX

2. A public hearing was held relative to the site plan of Ingle's Shopping Center Complex located on U. S. 19-23 (near the Intersection of I-40).

Mayor Ochsenreiter opened the public hearing at 3:09 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the site plan, subject to the following conditions:

1. That the developer buffer the side and rear property lines in accordance with Section 30-3-15, Item 1 outlined on Page 30 of the City of Asheville Zoning Ordinance.

2. That the developer correct existing erosion problems along the property line adjacent to Apple Tree Chevrolet.

3. Submission of a satisfactory erosion control plan to the City of Asheville Division of Inspections.

4. Compliance with all recommendations of the City of Asheville Water Department and the Buncombe County Public Safety Department relative to water and sewer line installation and connections.

Mr. Emrick stated that the plans call for a Revco, United Five and Ten, Discount Department Store, Small Retail Stores, and Twin Theatres. He said the City Water and Sewer Department has indicated that water is available for the Complex, however water for fire protection would probably not be available. Although, the center could get fire protection from the Volunteer Fire Departments or through contract with the City of Asheville Fire Department.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-1, Ordinance No. 892 passed on its second reading, with Councilman Rainey voting "no".

ORDINANCE NO. 893 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77, AS AMENDED

7. Mayor Ochsenreiter advised that the second reading of Ordinance No. 893, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1976-77, as amended would not be held at this meeting but was being postponed for additional information.

Mayor Ochsenreiter welcomed any comments from members of the public relative to the budget.

Peter Winslow, 288 Kenilworth Road, speaking for the Kenilworth Residents' Association read the following letter:

THE KENILWORTH RESIDENTS' ASSOCIATION

c/o 2 Lakewood Drive
Asheville, North Carolina 28803

June 5, 1976

Asheville City Council
City Hall
Asheville, N.C. 28807

To: Asheville City Council

Re: Proposed Tax Rate Increase

On Thursday, June 3, 1976, The Kenilworth Residents' Association held its regularly scheduled monthly meeting in the Fellowship Hall of the Kenilworth Presbyterian Church at 7:30 pm.

The Association, being mindful of recent publicity given to the alleged need for additional tax revenue for the operation of our city, is further mindful that a thorough, non-biased and concerned investigation of present city services and operations would most probably reveal present budget excesses, inefficiency and waste at various levels of many departments. We suggest that it is here in the "fat", in so dire need of trimming, that the additional funds allegedly needed in the proposed budget could readily be found without placing further undue economic hardship on the residents of Asheville.

Therefore, The Kenilworth Residents' Association through the unanimous passage of a resolution, wishes to go on record and be recognized as being opposed to the tax rate increase proposed in the budget for the City of Asheville for Fiscal Year 1976-77.

Respectfully,

Marvin D. Chambers Pete Winslow

Mr. Marvin Chambers and Mr. Pete Winslow
Co-Chairmen, The Kenilworth Residents' Association

PUBLIC HEARING - SITE PLAN OF THE PROPOSED ONE OAK PLAZA OFFICE BUILDING

4. A public hearing was held relative to the site plan of the proposed One Oak Plaza Office Building.

Mayor Ochsenreiter opened the public hearing at 3:30 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the site plan subject to the following conditions:

1. Satisfactory erosion control plan;

2. Location of any electrical facilities such as transformers, parking lot illumination, etc; and

3. Seal and signature of appropriate professional certifying that the plan complies with the Asheville Codes and Ordinances.

Mr. Emrick presented a map of the area showing the property to be located on the Old David Milliard School site. He said the complex would consist of a three story office building with approximately 33,000 square feet.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:40 o'clock p. m.

Councilman Michael moved to approve the site plan of the proposed One Oak Plaza Office Building. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 891 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Caribou Road owned by Dyna-tex, Inc.

5. Consideration was given to the second reading of Ordinance No. 891, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on Caribou Road owned by Dyna-tex, Inc.)

Mayor Ochsenreiter advised that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 891 passed on its second reading.

ORDINANCE NO. 892 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Southwest R-5 Residential District)

6. Consideration was given to the second reading of Ordinance No. 892, an ordinance amending ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Southwest R-5 Residential District).

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 76-88 was unanimously adopted.

Complete text of Resolution No. 76-88 will be found in Resolution Book No. 9 at page 47.

RESOLUTION NO. 76-89 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE DEPARTMENT OF AGRICULTURE AND THE DEPARTMENT OF INTERIOR THROUGH THE RECREATION DIVISION OF THE DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES OF THE STATE OF NORTH CAROLINA FOR A YOUTH EMPLOYMENT, CONSERVATION AND ENVIRONMENTAL EDUCATION PROGRAM FOR THE SUMMER OF 1976

10. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Department of Agriculture and the Department of Interior through the Recreation Division of the Department of Natural and Economic Resources of the State of North Carolina for a youth employment, conservation and environmental education program for the summer of 1976.

The City Manager read the resolution.

Mr. Kisiah, Parks and Recreation Director, said the State of North Carolina through the Youth Conservation Camps Program has allocated $23,000 of federal funds to be matched with $23,000 of local in-kind services on behalf of the City of Asheville to establish a non-resident camp providing employment for approximately 30 youths in environmental education and conservation practices. He said the City has a need for these services at Bee Tree Lake, Recreation Park, Municipal Golf Course, and various other locations throughout the City of Asheville and within the Department of Parks and Recreation. He said this resolution would authorize him to establish such a non-resident Youth Conservation Camp Program.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-89 was unanimously adopted.

Complete text of Resolution No. 76-89 will be found in Resolution Book No. 9 at page 49.

BIDS - NEW ROOF ON SHILOH SCHOOL GYM FOR THE PARKS AND RECREATION DEPARTMENT

11. Consideration of bids received May 31, 1976 to install new roof on Shiloh School Gym for the Parks and Recreation Department was postponed until the June 17, 1976 meeting.

BIDS - NEW ROOF ON HARVEST HOUSE FOR THE PARKS AND RECREATION DEPARTMENT

12. Consideration of bids received May 31, 1976 to install new roof on Harvest House for the Parks and Recreation Department was postponed until the June 17, 1976 meeting.

ORDINANCE NO. 895 - AN ORDINANCE REQUIRING THE INSTALLATION OF DETECTOR-CHECK VALVES ON FIRE LINE CONNECTIONS TO THE WATER DISTRIBUTING SYSTEM OF THE CITY OF ASHEVILLE AND ESTABLISHING CHARGES FOR FIRE PROTECTION

13. Consideration was given to an ordinance requiring the installation of Detector-Check Valves on fire line connections to the Water Distribution system of the City of Asheville and establishing charges for fire protection.

Mr. Anthony Lord, Chairman of the Library Board, appealed to Council to adopt the budget as requested. He said the library staff's compensation was in dire need of increase and that this was partly the reason for the requested increase in the operating budget for the library.

Mr. Ralph Bishop spoke in opposition to a tax increase.

Mr. John Lawrence, representing the West Asheville Business Association, appealed to Council to hold the line on the taxes.

Mrs. McClure presented petitions, with approximately 100 signatures, opposing a tax increase.

Captain Holbrook, with the National Guard Armory, requested Council's continuation of the $1,000 contribution to the National Guard Armory. He said during emergencies the Armory facilities are used by the City at no cost.

Mrs. Sol Burney said she was pleased that Council was going to maintain the 92¢ tax rate. She said it was her hope that the Library and their staff, the Civic Arts Council, the Asheville Civic Center, and other cultural activities would not be jeopardized at the expense of maintaining other things such as the Asheville Area Chamber of Commerce. She said the City should insist that the County give more participation in contributions to the cultural activities.

Mayor Ochsenreiter advised that Council would be having budget work sessions during the next week in order to sustain the "soul of the City".

STAFF REPORT - BATTERY PARK HOTEL APARTMENT COMPLEX

8. Mr. Verl Emrick, Planning Director, reported that the City staff had been meeting with Mr. Don Blackwell, owner of the Battery Park Hotel, as well as the proposed developers of the apartment complex, and due to the need for additional information the report would be postponed until such information is obtained.

RESOLUTION NO. 76-88 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE PROJECT YOUTH OUTREACH PROGRAM

9. Consideration was given to a resolution authorizing the Mayor to file an application for federal grant with the North Carolina Division of Law and Order for the Project Youth Outreach Program.

The City Manager read the resolution.

Mr. William Fesperman, with the YMCA, explained that this project was funded by LEAA last year and the YMCA was again requesting the City to apply for the grant. He said the LEAA funding will amount to 70 per cent of the total budget, with the YMCA responsible for raising the additional funds. He pointed out that this program would not require expenditures of any city funds.

He said the youths involved in the program are court-referred youngsters. He presented pictures and statistics showing the success of the program during the past year.

RESOLUTION NO. 76-90 - RESOLUTION REVISING WATER AND SEWER CONNECTION CHARGES FOR THE CITY OF ASHEVILLE

15. Consideration was given to a resolution revising water and sewer connection charges for the City of Asheville.

The City Manager read the resolution and explained this was another item relative to the 1976-77 Budget.

Mr. Larry Fisher, Director of Finance, said this resolution relates to a revision in charges for making water and sewer service connections to the distribution-collection system of the City to reflect increase costs that have been incurred in the past few years. It also directs the City Manager to levy a fee of $10.00 to defray the administrative and operational costs of;a) initiating a new water service account; b) transferring a water service account from one location to another on the City's water distribution system; c) and re-establishing water service on any account where service has been discontinued at the request of a customer.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-90 was unanimously adopted.

Complete text of Resolution No. 76-90 will be found in Resolution Book No. 9 at page 14.

REZONING REQUEST - MR. R. JACK INGRAM - BREVARD ROAD AND DOGWOOD ROAD

16. The City Manager presented a letter from the Planning and Zoning Commission relative to the rezoning request of Mr. R. Jack Ingram to rezone Ward 15, Sheet 38, Lots 32 and 33 from R-3 Residential District to CH Commercial Highway District. The Planning and Zoning Commission had recommended denial of the request. The City Manager also presented a letter from Attorney William F. Slawter requesting that a public hearing be held on the matter.

Councilman Rainey moved to schedule a public hearing on the matter for July 8, 1976. This motion was seconded by Councilwoman Swilling and carried unanimously.

REZONING PETITION - THREE MOUNTAINEERS, INC.

17. The City Manager presented a letter from the Planning and Zoning Commission relative to the rezoning request of Three Mountaineers, Inc. to rezone property on New Wood Avenue from R-3 Residential District to HI Heavy Industrial District.

Councilman Morris moved to schedule a public hearing on the matter for July 1, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REZONING REQUEST -CLYDE LEESON AND OTHERS - SOUTH OF ROCK HILL ROAD ON SWEETEN CREEK ROAD

18. The City Manager presented a letter from the Planning and Zoning Commission relative to the rezoning request of Clyde Leeson and Others to rezone property south of Rock Hill Road on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District.

The City Manager read the ordinance and explained that this is one of the service charges for which revenues is included in the budget for Fiscal Year 1976-77.

Mr. Larry Fisher, Director of Finance, explained that this ordinance is intended to establish charges for fire line connections to the City's water distribution system. In addition, the ordinance requires the installation of a detector check-valve and meter on all new connections. The purpose of detector check-valve is to enable the City to insure that fire lines are used purely for fire protection purposes and that water is not taken from them, for any purpose except fire protection. This ordinance will enable the City to install a detector check-valve at the City's expense in order to determine that this unauthorized use is not being carried out. He said the fees proposed in this ordinance are in keeping with the charges levied by Greenville, S. C. and Charlotte, N. C. The cost for administering such a charge and taking a census of sprinkler heads outweigh the additional revenue that might be realized. The charges proposed are based roughly upon the delivery capability of each size fire protection in relation to a base rate assigned to the 8-inch connection. He said on and after the 1st day of January, 1977, all fire line connections on the water system of the City of Asheville shall be subject to an annual charge to be levied by the Water and Sewer Services Department.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 895 passed on first reading.

ORDINANCE NO. 896 - AN ORDINANCE TO AMEND SECTIONS 29-30 AND 29-32 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

14. Consideration was given to an ordinance to amend Sections 29-30 and 29-32 of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance and explained that this is another ordinance that is being submitted as a part of the Budget Ordinance for 1976-77.

Mr. Larry Fisher, Director of Finance, said this would eliminate the deposit against payments that have been levied under Section 29-30 and which has proven to be more of a nuisance than a deterrent to persons not wishing to pay for their water. At the same time, amending Section 29-32 would set a more definite date for payment of water bills and impose a schedule of fees to be imposed for re-establishing service after it has been discontinued for non-payment. He said, after the adoption of this ordinance, all charges for water used shall be due and payable on or before the 25th day following the date the water meter was read. Where water is so cut off, a charge in addition to the deliquent water charges shall be collected as follows: A fee of $10.00, or a fee of $25.00, if the meter has been removed, or a fee of $100.00 if the water has been cut off at the main, before the water will be turned on again.

After discussion, Councilman Michael moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 896 passed on first reading.

Thursday - June 17, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Bill B. Horton

1. Approval of the minutes of the June 10, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Councilwoman Swilling, the minutes of the June 10, 1976 meeting were approved as submitted.

ORDINANCE NO. 891 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on Caribou Road owned by Dyna-tex, Inc.)

2. Consideration was given to the third and final reading of Ordinance No. 891, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on Caribou Road owned by Dyna-tex, Inc.)

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 891 passed on its third and final reading.

Complete text of Ordinance No. 891 will be found in Ordinance Book No. 7 at page 20.

ORDINANCE NO. 892- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE ", as amended. (Southwest R-5 Residential District)

3. Consideration was given to the third and final reading of Ordinance No. 892, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Southwest R-5 Residential District)

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-1, Ordinance No. 892 passed on its third and final reading.

Complete text of Ordinance No. 892 will be found in Ordinance Book No. 7 at page 21.

Councilman Morris moved to schedule a public hearing on the matter for July 1, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REZONING PETITION - MR. GUS BARLAS AND MR. JOHN BARLAS - U. S. HIGHWAY 70

19. The City Manager presented a letter from the Planning and Zoning Commission relative to the rezoning petition of Mr. Gus Barlas and Mr. John Barlas to rezone property on U. S. Highway 70 from R-3 Residential District to CH Commercial Highway District.

Councilman Morris moved to schedule a public hearing on the matter for July 1, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilman Morris requested that the Planning Staff notify the property owners in the area of the date set for the public hearing.

Mr. Emrick, Planning Director, said at the request of Council the Planning staff is pursuing avenues to increase publication of rezoning requests. He said they were exploring such ideas as newspaper coverage as well as 30 second spots on WLOS-TV as public service time.

CLAIM - TOMMY I. ARAKAS

The City Manager presented a claim received from Robert E. Riddle, Attorney representing Mr. Tommy I. Arakas for personal injuries.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

VICE-MAYOR HORTON - ANNOUNCEMENT OF MEETING WITH COUNTY COMMISSIONERS

Vice-Mayor Horton announced that members of Council would be meeting with the County Commissioners on Monday, June 14, 1976 in the County Commissioners Chambers to discuss equalizing the taxpayers burdens. He invited the public to attend.

COUNCILWOMAN SWILLING - BEAUCATCHER TUNNEL

Councilwoman Swilling expressed concern over a court ruling to have an open-cut through the Beaucatcher Tunnel. She said she was favorable to the fact that it would be more economical to tunnel through the mountain. She said she hoped the citizens of Asheville would express their concern over the open cut and try to get the Department of Transportation to change their minds.

Councilman Michael also expressed concern over the court ruling to have an open cut. He said he was very much in favor of tunnelling.

Councilman Rainey also spoke in favor of tunnelling in lieu of the open cut process. He said it was also his hope that the citizens of Asheville would express their views. He said if the ruling was not changed he felt a grave mistake would be made.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William J. Nolen
CITY CLERK

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 894 passed on its second reading.

ORDINANCE NO. 895 - AN ORDINANCE REQUIRING THE INSTALLATION OF DETECTOR-CHECK VALVES ON FIRE LINE CONNECTIONS TO THE WATER DISTRIBUTION SYSTEM OF THE CITY OF ASHEVILLE AND ESTABLISHING CHARGES FOR FIRE PROTECTION

6. Consideration was given to the second reading of Ordinance No. 895, an ordinance requiring the installation of Detector-Check Valves on fire line connections to the water distribution system of the City of Asheville and establishing charges for fire protection.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Larry Fisher, Director of Finance, suggested that the ordinance be amended to include the following:

Section 5. Last sentence should read: "Charges shall be due and payable in advance of January 1, of each year"

Section 5. Add new sentence to read: "Connections made during the year will be subject to a pro-rata charge payable in advance from date of connection."

Mr. Fisher said these amendments would clarify the ordinance.

After discussion, Councilman Morris moved to amend the ordinance, as recommended by Mr. Fisher. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 895 passed on its second reading.

ORDINANCE NO. 896 - AN ORDINANCE TO AMEND SECTIONS 29-30 AND 29-32 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. Consideration was given to the second reading of Ordinance No. 896, an ordinance to amend Sections 29-30 and 29-32 of the Code of Ordinances of the City of Asheville which would eliminate the deposit against payments that have been levied under Section 29-30 and set a more definite date for payment of water bills and impose a schedule of fees to be imposed for re-establishing service after it has been discontinued for non-payment.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Larry Fisher, Director of Finance, suggested that the ordinance be amended to have the ordinance become effective the 1st day of July, 1976.

ORDINANCE NO. 893 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77, AS AMENDED

4. Consideration was given to the second reading of Ordinance No. 893, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1976-77, as amended.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager presented the following proposed budget amendments:

Expenditure Reductions

Item		Amount
Travel		(5,350)
Dues and Subscriptions		(4,556)
Positions:		
Salaries and Wages	(98,075)	
FICA Tax	(5,737)	
Group Insurance	(3,402)	
Total Positions		(107,214)
Printing		(19,178)

Revenue Additions

County Participation - Library	15,000

He said none of the positions to be reduced are employed at this time and the printing reduction was due to the offset of savings that will be received from the approval of Council of a new printing machine. He said the Council has already made an amendment to the budget ordinance on June 3, 1976 which reduced expenditures by $23,000 and if Council approves, by amendment, the proposed $151,298 reduction, the total reduction in the budget would amount to $174,298.00, which would be 2.8¢ of the 7¢ proposed tax increase. He said he would have the balance of the 7¢ tax increase by the third reading of the ordinance.

Councilman Rainey moved to amend Ordinance No. 893, as recommended by the City Manager. This motion was seconded by Councilman Hoyle and carried unanimously.

Ms. Catherine Johnson, 29 Devonshire Place, spoke in opposition to a tax increase stating that there would be a residential blight if the taxes are increased.

On a roll call vote of 4-1, Ordinance No. 893 passed on its second reading, with Councilman Michael voting "no".

ORDINANCE NO. 894 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Buchanan Road)

5. Consideration was given to the second reading of Ordinance No. 894, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on Buchanan Road).

Ray Kisiah, Director of Parks and Recreation, said the building had been inspected by three (3) contractors and the Inspection Division and all agreed that the building needed a new roof.

After discussion, Councilman Michael moved to award the contract to install a new roof on Harvest House to Stroup Sheet Metal Works in the amount of $4,771.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

Bid Summary

Bidder	Bid
Stroup Sheet Metal Works, Inc.	$4,771.00
W. H. Authur Company	5,240.00

ORDINANCE NO. 897 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

The City Manager read an ordinance amending the operating budget of the City of Asheville for the fiscal year 1975-76 appropriating additional funds in the amount of $4,771.00 from the Revenue Sharing Trust Fund for the purpose of installing a new roof on the Harvest House.

Councilwoman Swilling moved for the adoption of the ordinance. This motion was seconded by Councilman Micheal.

On a roll call vote of 5-0, Ordinance No. 897 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 897. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 897 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 897. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 897 passed on third and final reading.

Complete text of Ordinance No. 897 will be found in Ordinance Book No. 7 at page 28.

STAFF REPORT - TOT LOT AT FRANCES AND METCALF STREETS IN WEST ASHEVILLE

10. Ray Kisiah, Director of Parks and Recreation, said two alternate plans have been developed for the tot lot at Frances and Metcalf Streets. He said the plans had been reviewed by the residents of the area.

Councilwoman Swilling moved to amend the ordinance to have the ordinance become effective the 1st day of July, 1976. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 896 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 896. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 896 passed on third and final reading.

Complete text of Ordinance No. 896 will be found in Ordinance Book No. 7 at page 27.

BIDS - NEW ROOF ON SHILOH SCHOOL GYM FOR THE PARKS AND RECREATION DEPARTMENT

8. Consideration was given to bids received May 31, 1976 to install new roof on Shiloh School Gym for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Stroup Sheet Metal Works, Inc. in the amount of $9,288.00.

Upon inquiry of Councilman Rainey, Mr. Ray Kisiah, Director of Parks and Recreation, stated that Stroup Sheet Metal Works, Inc. would have to comply with the Davis-Bacon Act due to federal funds being used in the project.

After discussion, Councilman Morris moved to proceed with awarding the contract for the new roof on Shiloh School Gym to Stroup Sheet Metal Works, Inc. in the amount of $9,288.00; provided the Buncombe County School Board will agree to a fully executed lease of the Shiloh School for $1.00 per year to the City of Asheville; and provided further that it is legal to use federal funds to improve the property of another individual. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary

Bidder	Bid
Stroup Sheet Metal Works, Inc.	$9,288.00
W. H. Authur Company	$10,894.00

BIDS - NEW ROOF ON HARVEST HOUSE FOR PARKS AND RECREATION DEPARTMENT

9. Consideration was given to bids received May 31, 1976 to install new roof on Harvest House for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Stroup Sheet Metal Works, Inc. in the amount of $4,771.00. He said this project was not funded in the 1975-76 budget and would require an amendment to the budget appropriating funds from the Revenue Sharing Trust Fund.

By the use of a map, Mr. Ward reviewed the total plan for members of Council. He said it is planned to extend the bike trails, in the future, to cover 60 to 68 miles of the City Limits.

It was the consensus of Council that there could be a less expensive way to provide bike trails in the City, without having a piecemeal project.

Mr. Ward explained that if Council went to a less expensive trail, it was doubtful that the City would receive funding from the Federal Highway Administration.

Ms. Claudia Nix, with the Asheville Bike Club, encouraged Council's support of the project.

After considerable discussion, Councilman Michael moved to table the resolution until after July 1, 1976, giving Council an opportunity to re-consider the project before the deadline submission date of the grant of August 1, 1976. This motion was seconded by Councilman Hoyle, which motion carried, with Councilman Rainey voting "no".

RESOLUTION NO. 76-91 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS OAKLEY AREA WATER IMPROVEMENTS

12. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Oakley Area Water Improvements.

The City Manager read a memorandum from Mr. William Edens, City Engineer, which recommended the acceptance of the low bid submitted by Huntley Construction Company in the amount of $48,804.25.

Mr. Edens explained that this was part of the Water Improvement System Project and would entail the installation of 9,100 linear feet of water line on Cedar Street, Glendale Avenue, Crayton Road and Oakley School Road, fire hydrants and all necessary appurtenances, including two bored encasements under the Southern Railroad Tracks and 126 linear feet of water main hung under the deck of Cedar Street over the Southern Railroad tracks.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 76-91 was unanimously adopted.

Complete text of Resolution No. 76-91 will be found in Resolution Book No. 9 at page 53.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PITTMAN HIGHWAY CONTRACTING COMPANY, INC. FOR THE PROJECT KNOWN AS SHILOH-OAKLEY PUBLIC WORKS IMPROVEMENTS

13. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Pittman Highway Contracting Company, Inc. for the project known as Shiloh-Oakley Public Works Improvements.

The City Manager read the resolution.

The plans are as follows:

Plan A - Acquisition of Lots 26 and 43- estimated cost of $4,000, plus basketball court, playground equipment, shelters, fencing, benches, and 4 picnic tables for a total cost of $27,120.

Plan B - Acquisition of Lot 43- estimated cost of $2,500, plus basketball court, playground equipment, fencing and benches, for a total cost of $18,840.

Mr. Kisiah said, if approved, funds would be used from the Community Development Contingency Fund. He said this would not be a neighborhood park but a tot lot which would require no staffing but would require some maintenance by the Parks and Recreation Department.

Councilman Micheal suggested that the matter be postponed until after July 1, 1976.

Mrs. Charles Parker, 66 Frances Street, encouraged Council to take action on the matter immediately.

After discussion, Councilwoman Swilling moved to authorize the City Manager to proceed with the acquisition of Lot Number 43, Ward 5, Sheet 3, to develop the lot as a children's tot lot under the proposed Plan B, presented by Mr. Kisiah, and further that the appropriations for funding in the second action year of the Community Development block grants be amended to reflect an increase in the amount of $18,840 to the Parks and Recreation Department to cover the costs of acquiring and developing of this tot lot, and further that Mr. Kisiah amend Plan B to incorporate a picnic area for the elderly. This motion was seconded by Councilman Rainey, which motion carried, with Councilman Michael voting "no".

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA FOR A GRANT UNDER SECTION 119 OF THE FEDERAL-AID HIGHWAY AMENDMENTS OF 1974

11. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America for a grant under Section 119 of the Federal-Aid Highway Amendments of 1974 to develop a bicycle trail in the City of Asheville.

The City Manager read the resolution.

Mr. Larry Ward, of the Planning Division, said in January of 1976, the Federal Highway Administration developed a new program which would allow for bikeway demonstration projects in urban areas. He said $6 million has been set aside for such experiments across the nation. He said the Planning Division has been working on a citywide bikeway project, with many local groups working on the project. He said all the property to be used in the bikeway trail is public owned property. He said the estimated cost of the project would be $114,000, which would include an asphalt paved eight foot wide trail, which would be partially lighted and include signs, painted markings, and some traffic signals where it would intersect with city streets. He said the Federal Highway Administration would finance 80% of the total cost, or $91,440, leaving the City's share to be $22,850. The funding for this project could come from the Community Development Contingency Fund.

CHANGE ORDERS - LIVINGSTON STREET SCHOOL PROJECT

16. Consideration was given to the approval of change orders relative to Livingston Street School Project.

Ray Kisiah, Parks and Recreation Director, said the City would be receiving $150,000 from the Asheville Housing Authority's Community Space Program for this project. However, the City must provide office space for the collection of rent from the Housing Projects and this change order would allow for the renovation to provide this office space. He said this $6,103 would come from the Model Cities Surplus Funds, which have already been allocated to this project, by action of the City Council. However, all change orders must have the approval of the City Council.

Councilwoman Swilling moved to authorize the Mayor to execute the change orders in the amount of $6,103 for the Livingston Street School Project. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 76-93 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE TENNESSEE VALLEY AUTHORITY

17. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Tennessee Valley Authority.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said the City is assisting the County of Buncombe on the cleanup of Smith Mill Creek through the use of federally funded crews and equipment. He said the project is not completed and heavy equipment is needed to finish the project. He said the Tennessee Valley Authority will reimburse the City of Asheville for work performed in an amount not to exceed $1,000. He said this resolution would authorize the Mayor to sign an agreement with the Tennessee Valley Authority in order that the City may be reimbursed for costs incurred up to $1,000.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-93 was unanimously adopted.

Complete text of Resolution No. 76-93 will be found in Resolution Book No. 9 at page 56.

ORDINANCE NO. 898 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1975-76

18. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1975-76.

The City Manager read the ordinance.

Corporation Counsel William C. Moore said he had been advised that the City Staff had been checking to determine if Pittman Highway Contracting Company was duly licensed in the City of Asheville to do such work.

After discussion, Councilman Rainey moved to table the resolution until such time as it is determined whether or not Pittman Highway Contracting Company is duly licensed. This motion was seconded by Councilman Hoyle and carried unanimously.

APPROVAL OF SALE OF PARCEL 73 - EAST RIVERSIDE RENEWAL PROJECT N. C. R-48

14. Consideration was given to the approval of the sale of Parcel 73 in the East Riverside Renewal Project N. C. R-48.

Larry Holt, Director of Field Services of the Housing Authority, explained that Mr. Milton Shuford and Mr. H. T. Atkins have submitted a bid of $1,350.00 to purchase the parcel for construction of a single family residence.

Councilman Michael moved for the approval of the sale of Parcel 73 in the East Riverside Renewal Project N. C. R-48 to Mr. Milton Shuford and Mr. H. T. Atkins in the amount of $1,350.00. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 76-92- RESOLUTION APPROVING REVISED AGREEMENT BETWEEN THE NORTH CAROLINA BOARD OF TRANSPORTATION AND CITY OF ASHEVILLE IN CONNECTION WITH DISBURSEMENT AND ACCOUNTING OF PLANNING FUNDS OF SECTION 112 OF THE FEDERAL-AID HIGHWAY ACT OF 1973

15. Consideration was given to a resolution approving revised agreement between the North Carolina Board of Transportation and City of Asheville in connection with disbursement and accounting of planning funds of Section 112 of the Federal-Aid Highway Act of 1973.

The Corporation Counsel read the resolution.

Verl Emrick, Planning Director, explained that this grant, allocated through the State, would be in the amount of $26,000 which would supplement the operating expenses of the Planning Division. He said the City would have to contribute local in-service costs of $5,200.

After discussion, Councilman Michael moved for the adoption of Resolution No. 76-92. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 76-92 will be found in Resolution Book No. 9 at page 54.

Councilman Michael brought up a discussion relative to the Carroll Street Bridge Project. He said something should be done about replacing the bridge without delay.

Complete text of Resolution No. 76-94 will be found in Resolution Book No. 9 at page [illegible].

Council requested that the Department of Transportation also consider conducting a hydrographic survey in the Biltmore Village Area and consider replacing the bridge on Biltmore Avenue and Louisana Avenue.

BEAUCATCHER MOUNTAIN PROJECT -

Councilwoman Swilling introduced the Rev. Hugh Edsel who read the following resolution:

WHEREAS, expert testimony by a qualified tunnel engineer and contractor who has constructed tunnels on Interstate 40 shows that twin 3-lane tunnels through Beaucatcher Mountain would cost no more, would take less time to build, would operate as safely and would handle the expected traffic volume as adequately as an open cut; and,

WHEREAS, the Federal Government has just announced that the Tunnel Road Connector has been designated an Interstate Alternate Route to be known as I-140, with the Federal Government paying ninety percent of the entire cost, thus removing the cost factor as an argument by this state for an open cut; and,

WHEREAS, the State Board Of Health wrote on October 4, 1971, warning that the nearby Beaucatcher Reservoir and large city water mains adjacent to the open cut might be damaged by so much blasting, thereby creating a serious health hazard, and leaving large portions of the city without fire protection or drinking water; and,

Mr. Mike Smith, Director of Central Services, explained that the City authorized a study of its Policemen's and Firemen's Pension Plans to be conducted in fiscal year 1975 in order to determine the costs involved in putting these plans on an actuarially sound funding basis and the legislation needed to put these plans on an actuarially sound basis was not passed by the General Assembly in its 1975 sessions and the City has set aside $500,000 in its Revenue Sharing Trust account to be applied to the past service liability portion of the funding of the plans. He said this ordinance would amend the operating budget by appropriating $500,000 from the Revenue Sharing Trust Fund as a contribution to a new Policemen's and Firemen's Pension Trust Fund, and that a new Policemen's and Firemen's Pension Trust Fund would be established to receive the contribution and be maintained to account for the contribution, plus any interest accruing, until such a time as an actuarially sound Policemen's and Firemen's Pension Plan is adopted.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 898 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 898 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 898. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 898 passed on its third and final reading.

Complete text of Ordinance No. 898 will be found in Ordinance Book No. 7 at page 29.

RESOLUTION NO. 76-94 - RESOLUTION APPROVING THE USE OF DEPARTMENT OF TRANSPORTATION URBAN FUNDS TO CONDUCT A HYDROGRAPHIC SURVEY OF THE BILTMORE, McDOWELL , AND SOUTHSIDE AVENUE AREA

19. Consideration was given to a resolution approving the use of Department of Transportation Urban Funds to conduct a hydrographic survey of Biltmore Avenue, McDowell Street, and Southside Avenue area.

The City Manager read the resolution.

Mr. William F. Wolcott, Jr., Assistant City Manager, explained that the City has been advised by the N. C. Department of Transportation that, due to the extensive development in the area bounded by Biltmore Avenue, McDowell Street and Southside Avenue, they anticipate that the existing storm drainage system will not be adequate to carry the increased runoff from this area and the Department recommends that a hydrographic survey be made in order to plan for the future upgrading of this storm drainage system. He said the Department of Transportation has requested that the City Council approve the use of $4,359.81 of unallocated urban funds to be used to carry out the survey.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-94 was unanimously adopted.

WHEREAS, on April 20, 1970, the Federal Bureau of Public Roads advised the State Highway Commission that after careful review of the many considerations including the environmental impacts, the highway needs, the recommendations of the State Highway Commission, and discussion with State officials, the open cut through Beaucatcher Mountain was not acceptable, and that the State should plan to tunnel through Beaucatcher Mountain, pointing out that the increased protection of the environment and the preservation of the natural beauty warranted the additional cost and any time delay, and that a satisfactory level of service would be provided by tunnels; and,

WHEREAS, the removal of so much valuable property from the local tax base places an unwarranted additional tax burden on the local people; and,

WHEREAS, in addition to the thousands of petitioners, those who strongly oppose the open cut through Beaucatcher Mountain include the members of the Beaucatcher Mountain Defense Association, the Sierra Clubs of both North and South Carolina, the Conservation Council of North Carolina, ECOS, the Upper French Broad Defense Association and the Ecology Club of Enka High School; now, therefore,

WHEREAS, the State Soil and Water Conservation Committee wrote to the Highway Department on September 23, 1971 warning that siltation on the Beaucatcher Open Cut Project will not be minor, and urging that this project be recognized as one which will produce tremendous amounts of erosion very difficult to control, creating a serious problem; and,

WHEREAS, the Engineering News Record of November 15, 1975, points out that the State Highway Department geologist says that fairly detailed geologic studies, similar to those made on Beaucatcher Mountain, including core drilling and soil analysis were undertaken on Warrior Mountain near Tryon before work was originally started on that Interstate 26 project, but rock slides have now added four years and fifteen million dollars to the original cost; and,

WHEREAS, the Secretary of the Interior advised the Chairman of the Highway Commission on November 9, 1971, that the aesthetic impact of the open cut would be significant, immediate and permanent, and that the aesthetic costs of this project will be paid and repaid for generations; and,

Councilman Morris's substitute motion failed for the lack of a second.

Councilman Rainey said he felt all too often progress and consideration for environment are mutually exclusive. He said it was his opinion that progress ane environmental considerations are not mutually exclusive that they can go hand in hand, that we can have economic progress and economic growth, with consideration of the beauties of our environment. He said it was his opinion that the open cut does violence to the economic beauty of this area as well as violence to the concept of progress itself. He said he was afraid the open cut would take away the beauty Asheville has and we must find ways to have our progress and our beauty and protect our environment at the same time. He said this particular resolution would not add anything to a decision for the open cut, but individuals must stand up and be counted.

On a voice vote, Councilman Michael's motion carried, with Councilman Morris voting "no".

Mr. George Coggins thanked Council for adopting Rev. Edsel's resolution.. He said facts in the resolution are backed up by letters attached to the resolution, which are excerpts from the Environmental Statement published and approved by the State Highway Department. He said the State Highway Department appeared before the Metropolitan Planning Board and presented this project before it could ever be approved by federal funding and it must have been explained in detail. He said all the state and federal departments pointed out the terrible effects of the open cut. He said he felt the decision for an open cut was not a good solution for our community.

Marlyn Gordon, with the Beaucatcher Defense Association, said Council should consider the tunnels in order not to remove the historical mountain.

Adjournment.

MAYOR

CITY CLERK

BE IT RESOLVED, that notwithstanding any prior approval given for the construction of an open cut through Beaucatcher Mountain segment of the relocation of U. S. 70-74 the City of Asheville hereby rejects the concept of the open cut through the mountain, and respectfully requests the State and Federal Departments of Transportation to adopt at once the alternate plan for tunneling through Beaucatcher Mountain and to expedite the planning and construction of that tunneling project without further delay.

Councilwoman Swilling said she was happy to sponsor such a resolution. She said her strong feelings with regard to this resolution is the fact that as a Council they represent the citizens of Asheville and the many petitions which have been presented directly to Council, including the ones that have been brought today. She said it appears that so many people in the City are opposed to this type of thing coming into our area. She said it was her belief that this Council could do no less than to go on record as being opposed to this dreadful thing that could happen to the beautiful area.

Councilman Michael moved that Rev. Edsel's resolution become a part of the minutes of the City Council and also that City Council adopt a policy that they are opposed to the open cut and would like to have twin tunnels. This motion was seconded by Councilwoman Swilling.

Councilman Morris offered a substitute motion that the Council of the City of Asheville respectfully request that the North Carolina Department of Transportation send a representative to explain the reason it proposed a cut rather than tunnels through Beaucatcher Mountain. He said he was asking that this Council hold up action due to Council's obligation to look at both sides of every problem. He said if the statements and petitions are true it was very difficult for him to understand why the State Highway Department has taken their position and he felt before Council takes any action they should ask the Department their reasons.

Councilman Michael said he felt there has been enough people sign petitions and enough response from the public to carry this motion through. He said he felt the motion would require the Department of Transportation of the State of North Carolina and the Federal Government, who have decided that we should have an open cut, using our money, to give us an explanation as to why we should have an open cut instead of twin tunnels.

Mayor Ochsenreiter opened the public hearing at 3:08 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that this request had been presented to Council and City Council remanded the request to the Asheville Planning and Zoning Commission for study and recommendation.

He said at the June 2, 1976 meeting the Asheville Planning and Zoning Commission recommended that the lots in question be rezoned from CS Commercial Service District to R-3 Residential District for the following reasons:

1. The Planning and Zoning Commission initially recommended this area for residential.

2. Mr. Vaillancourt, owner of lots originally requested for commercial, agrees property can go back to residential.

3. The residents want it zoned R-3 Residential.

4. The Commission members voiced opinion that they would like to see residential character of this area remain.

He said during the Planning and Zoning Commission meeting there were several statements presented in favor of the rezoning. There was one statement presented in opposition to the rezoning.

By the use of a map, Mr. Emrick reviewed the location of the proposed rezoning.

He said certified letters were mailed to surrounding property owners advising them of the proposed rezoning.

Mr. Cecil Roberts, Debbie Roberts, Louise Buchanan, and Linda Jarvis, all spoke in support of the R-3 Residential District.

Mr. Mack Case, real estate agent, said he had contracts on the property in question with Mr. Bumgardner and a dentist who would like to put a professional building on the property. He said a dentist office could not be placed in the R-3 Residential District but could be put in a R-4 District or a Commercial District.

Mr. Jack Clevenger, proposed developer of the property if it remains Commercial, said the professional office building would be constructed in good tast with the residential area.

Council members discussed with the Planning Director the possibility of rezoning the property R-4 Residential District. The Planning Director advised members of Council of the permitted uses that would be allowed in the R-4 Residential District.

Thursday - June 24, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Gene E. Rainey and J. W. Hoyle

1. Approval of the minutes of the June 17, 1976 meeting.

Vice-Mayor Horton requested Councilman Michael to confirm his motion of June 17, 1976, as shown on page 351, relative to the Beaucatcher Mountain Project.

Councilman Michael said his motion was made, as shown on page 351, of the minutes of the City Council meeting of June 17, 1976.

Upon motion of Councilman Morris, seconded by Councilman Michael, the minutes of the June 17, 1976 meeting were approved as submitted.

RESOLUTION NO. 76-95 - RESOLUTION OF COMMENDATION TO WILBURN A. BOSTIC

Mayor Ochsenreiter read a resolution of commendation to Wilburn A. Bostic, who will be retiring June 25, 1976 after serving in various capacities with the City of Asheville since 1934.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-95 was unanimously adopted.

Complete text of Resolution No. 76-95 will be found in Resolution Book No. 9 at page 58.

COMMUNITY DEVELOPMENT BLOCK GRANT APPROPRIATION - 1976-77

Vice-Mayor Horton read the following memorandum from Mr. Logan Delany, Community Development Coordinator, which was dated June 24, 1976:

"I am pleased to submit this memorandum that you may officially notify City Council of the fact that Senator Robert B. Morgan and Representative Roy A. Taylor have jointly announced approval of the Asheville's Community Development Block Grant Program for 1976-77 in the amount of $3,238,000.

I have attached, for your information, a summary list of the projects to be included in this program as submitted to the Department of Housing and Urban Development on April 15, 1976."

PUBLIC HEARING - REZONING - LEICESTER HIGHWAY AND WESTWOOD DRIVE

2. A public hearing was held relative to rezoning property on Leicester Highway and Westwood Drive from CS Commercial Service District to R-3 Residential District.

Revenue Sharing Trust Fund

Expenditures

Item	Amount
Estimated Uncommitted Balance	533,459
C. O. - Other Improvements - Bee Tree Pool	38,000
Contribution to General Fund - Longevity Pay Plan	107,388
C. O. - Equipment - Zoo Squeeze Cages	3,850
Sanitation Equipment	150,000
Reserve for Capital Appropriations	234,221

-0-

The City Manager commented that in a meeting held June 23, 1976 with the County Commissioners, it was agreed that they would spend $80,000 during the nine months in the next fiscal year on the Zoo and that they would expect to have control of the Zoo and the Children's Zoo for that amount. He said they were planning additional personnel other than that which was requested in the City's budget, and therefore this would allow the city to have a net reduction of $50,000 in the General Fund for the Recreation Park.

He said the reductions in the Water and Sewer Operations Fund in the amount of $6,505 would be transferred to Capital Outlay - Buildings for the renovation of the building on Valley Street occupied by the Water Department.

Vice-Mayor Horton commented that he would like to seek additional support from the County Commissioners for the Board of Tax Supervision before the final reading on the ordinance.

Upon inquiry of Councilman Michael, the City Manager said at the time the budget was being prepared and when the budget letter was presented to Council, the City had a surplus of $1,200,000 that had accumulated during the 1975-76 fiscal year. He said the accumulation came about because of a job freeze that he had put into effect, and by expenditures that were appropriated but not spent, plus a tightening up by all the department heads on their operation expenditures. He said because of the tight budget next year the City would have a difficult time coming up with the amount of surplus they had this fiscal year, plus the additional problem of the proposed 7¢ tax increase being eliminated. He said he felt it would be difficult to put a budget together in Fiscal Year 1977-78 without a large tax increase.

Vice-Mayor Horton moved to amend Ordinance No. 893, as recommended by the City Manager, except for the General Fund Expenditure Reduction of the Contingency Fund in the amount of $40,082. This motion was seconded by Councilman Michael and carried unanimously.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:35 p. m.

The City Manager read the ordinance zoning the property R-3 Residential District, as recommended by the Planning and Zoning Commission.

Councilman Michael moved to refer the petition back to the Planning and Zoning Commission for their recommendation in zoning the property in question R-4 Residential District. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 893 - AN ORDINANCE ADOPTING AND APPROPTIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77

3. The City Manager presented the following proposed amendments to Ordinance No. 893, which would bring the tax rate back to the present 92¢ as requested by Council:

General Fund

Expenditure Reductions

Item	Amount
Contribution - N. C. National Guard	(1,000)
Contingency	(40,082)
Recreation Park Reductions	(50,000)

Revenue Additions

County Participation - Airport	60,000
Contribution from Revenue Sharing - Longevity Pay Plan	107,388

Water and Sewer Operations Fund

Expenditure Reductions

Item	Amount
Annuity	(2,580)
Travel	(3,400)
Dues and Subscriptions	(525)
Capital Outlay- Buildings	6,505

The City Manager read the resolution and explained that this resolution authorizes him to acquire a right-of-way through Mr. and Mrs. Charles G. Cole's property on McIntosh Road in the amount of $575.00 and a free 3/4-inch water connection is the most economical way to go with the new 8-inch water line extension to serve the new Haw Creek School. The Buncombe County School Board will reimburse the City of Asheville for all expenditures including the installation of the 8-inch water line and the right-of-way that must be acquired.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No.76-96 was unanimously adopted.

Complete text of Resolution No. 76-96 will be found in Resolution Book No. 9 at page 59

REVISED FINAL SUBDIVISION PLAT OF SHERWOOD HEIGHTS FOR R. L. COLEMAN

7. Verl Emrick, Planning Director, advised that he had received a letter from R. L. Coleman & Company, as developer of Sherwood Heights, requesting that the Asheville City Council reaffirm their approval of lots that are presently recorded in the Buncombe County Court House and shown on the Buncombe County Tax Map in Ward 9, Sheet 29, which are presently located on Robin Hood Road, Brookwood Road, and Brookwood Court. He said the original approval, granted in August, 1965, included all lots shown on the private plat. However, due to the fact that the city did not and does not have adequate water pressure to supply lots 27 through 49 in Block F2, Part 2 and 3 fronting Robin Hood Road, they only recorded lots in areas where adequate water pressure is available. The lots recently recorded are serviced by city water and city sewer, and comply with all restrictions as so stated in the Buncombe County Subdivision Ordinance.

After discussion, Councilman Michael moved to approve the revised final subdivision plat of Sherwood Heights for R. L. Coleman. This motion was seconded by Councilman Morris and carried unanimously.

FINAL PLAT OF THE BALLENTREE SUBDIVISION

8. Verl Emrick, Planning Director, said the developers of the Ballantree Subdivision are requesting Council's approval of the final subdivision plat for Section C of the project.

Mr. Emrick said all utility and street facilities have been approved and accepted by the City and the County.

Councilman Michael moved to approve the final plat of Section C of the Ballentree Subdivision. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilwoman Swilling moved to schedule a special meeting of the Asheville City Council for Tuesday, June 29, 1976 at 3:00 o'clock p. m. for the sole purpose of having the third and final reading of Ordinance No. 893, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1976-77, as amended. This motion was seconded by Vice-Mayor Horton, which motion carried, with Councilman Michael voting "no".

Charles Dent, 18 Chateau Place, recommended that the Council delete the $80,000 contribution to the Asheville Area Chamber of Commerce and transfer the fund to the Contingency Fund.

ORDINANCE NO. 894 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on Buchanan Road)

4. Consideration was given to the third and final reading of Ordinance No. 894, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on Buchanan Road.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 894 passed on its third and final reading.

Complete text of Ordinance No. 894 will be found in Ordinance Book No. 7 at page 24 .

ORDINANCE NO. 895 - AN ORDINANCE REQUIRING THE INSTALLATION OF DETECTOR-CHECK VALVES ON FIRE LINE CONNECTIONS TO THE WATER DISTRIBUTION SYSTEM OF THE CITY OF ASHEVILLE AND ESTABLISHING CHARGES FOR FIRE PROTECTION

5. Consideration was given to the third and final reading of Ordinance No. 895, an ordinance requiring the installation of Detector-Check Valves on fire line connections to the water distribution system of the City of Asheville and establishing charges for fire protection.

Mayor Ochsenreiter advised that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 895 passed on its third and final reading.

Complete text of Ordinance No. 895 will be found in Ordinance Book No. 7 at page 25 .

RESOLUTION NO. 76-96 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM MR. AND MRS. CHARLES G. COLE FOR AN 8-INCH WATER LINE ON McINTOSH ROAD, ASHEVILLE, NORTH CAROLINA

6. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from Mr. and Mrs. Charles G. Cole for an 8-inch water line on McIntosh Road, Asheville, North Carolina.

BIDS - OFFICE FURNITURE AND PANEL SYSTEM FOR WATER BILLING DEPARTMENT

12. Consideration was given to bids received June 21, 1976 for office furniture and panel system for the Water Billing Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only bid received from Talman Office Supplies, Inc. in the amount of $17,809.80.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to Talman Office Supplies, Inc., in the amount of $17,809.80. This motion was seconded by Councilwoman Swilling and carried unanimously.

BIDS - FOOD SERVICE EQUIPMENT FOR CIVIC CENTER

13. Consideration was given to bids received June 21, 1976 for food service equipment for the Civic Center.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Asheville Showcase and Fixture Company in the amount of $69,786.00.

Jim Evans, Civic Center Manager, said this equipment would assist the caterers in the Civic Center as well as derive income for the City.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Asheville Showcase and Fixture Company in the amount of $69,786.00. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary	Bidder	Bid
	Asheville Showcase & Fixture Co.	$69,786.00
	Scruggs, Inc., Knoxville, Tenn.	74,350.00

RESOLUTION NO. 76-99 - RESOLUTION RELATIVE TO THE ACQUISITION OF THE NATIONAL GUARD PROPERTY

14. Consideration was given to a resolution relative to the acquisition of the National Guard Property.

The City Manager read the resolution.

William F. Wolcott, Jr., Assistant City Manager, said the City of Asheville has been requested by the State of North Carolina Department of Military and Veterans Affairs, Division of National Guard, to support them on the acquisition of certain property to provide a site for a new maintenance shop to be constructed adjacent to the existing National Guard Armory on Shelbourne Road. He said the City has negotiated an exchange of property between the State of North Carolina and Mr. and Mrs. Homer Smith, because the individual appraisals indicate the State property is valued at $3,000 in excess of the property to be acquired from Mr. and Mrs. Smith. The City has agreed to pay the $3,000 difference in property values in exchange for the present National Guard Maintenance Shop now located on Hunt Hill Place, the same to revert to the City when the new maintenance shops have been constructed.

He said the property on Hunt Hill Place will be used by the Parks Department.

RESOLUTION NO. 76-97 - RESOLUTION OF INTENT TO CLOSE AN ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

9. Consideration was given to a resolution of intent to close an alley and calling a public hearing on the question.

The Corporation Counsel read the resolution, scheduling a public hearing on the matter for July 29, 1976

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-97 was unanimously adopted.

Complete text of Resolution No. 76-97 will be found in Resolution Book No. 9 at page 60.

RESOLUTION NO. 76-98 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PITTMAN HIGHWAY CONTRACTING COMPANY INC. FOR THE PROJECT KNOWN AS SHILOH-OAKLEY PUBLIC WORKS IMPROVEMENTS

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Pittman Highway Contracting Company, Inc. for the project known as Shiloh-Oakley Public Works Improvements.

The City Manager advised that this resolution was presented to Council during the June 17, 1976 meeting and was postponed until information could be obtained relative to Pittman Highway Contracting Company, Inc.'s license.

The City Manager then read a memorandum from William E. Edens, City Engineer, which stated that Pittman Highway Contracting Company has an unlimited bidding license for the State of North Carolina. They are presently on a four million dollar project in Henderson County.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-98 was unanimously adopted.

Complete text of Resolution No. 76-98 will be found in Resolution Book No. 9 at page 62.

BIDS - INSTALL NEW OIL-FIRED BOILER-BURNER UNIT AT HILLTOP COMMUNITY CENTER

11. Consideration was given to bids received May 31, 1976 to install a new oil-fired boiler-burner unit at Hilltop Community Center.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Moser, Inc. in the amount of $11,270. He said this was a community development project activity to repair and renovate the existing building.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Moser, Inc. in the amount of $11,270.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary	Bidder	Bid
	Rogers Plumbing & Htg.	$12,800
	Moser, Inc.	11,270

Tuesday - June 29, 1976 - 3:00 o'clock p. m.

Special Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen J. W. Hoyle and Gene E. Rainey and Corporation Counsel William C. Moore

ORDINANCE NO. 893 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77, AS AMENDED

Mayor Ochsenreiter said this special meeting was scheduled for the purpose of considering the third and final reading of Ordinance No. 893, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1976-77, as amended.

The City Manager read the advertised notice to the public scheduling a special meeting of the Council to consider the third and final reading of Ordinance No. 893 and the affidavit of publication.

The City Manager presented the following proposed amendments to the budget:

General Fund

Expenditure Reductions

Item	Amount
Board of Tax Supervision	(21,545)
Contingency	1,463

Revenue Additions

ABC Revenues	50,000
Civic Center Rents	(30,000)

General Debt Service Fund

Expenditure Reductions

Item	Amount
Board of Tax Supervision	(4,535)
Auditorium and Arts #2	4,535

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-99 was unanimously adopted.

Complete text of Resolution No. 76-99 will be found in Resolution Book No. 9 at page 63.

PROCLAMATION - NATIONAL AUTISTIC WEEK

Mayor Ochsenreiter proclaimed the week of June 24 - 30, as National Autistic Week.

COUNCIL RECESS

Councilman Morris moved that Council recess and that the meeting continue at the Thomas Wolfe Auditorium in the Asheville Civic Center to hear a presentation from the Narth Carolina Department of Transportation relative to the Beaucatcher Mountain Project. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BEAUCATCHER MOUNTAIN PROJECT

Mr. Billy Rose, State Highway Administrator of the North Carolina Department of Transportation, gave a presentation to members of Council relative to the State's view on the Beaucatcher Mountain Project.

Approximately 30 citizens made comments, both pro and con, relative to the Open Cut or Tunnels.

A complete transcript of the presentation given by Mr. Rose as well as a complete tape of the meeting is on file in the Office of the City Clerk.

Adjournment.

MAYOR

CITY CLERK

Mayor Ochsenreiter then called for a voice vote on Councilman Morris's substitute motion. The vote being 3-2 in favor of the motion.

On a point of order it was determined that in accordance with the City Charter an affirmative vote of the majority of the members of the total Council shall be necessary to adopt any motion, ordinance, or vote, which would require four (4) affirmative votes. Mayor Ochsenreiter, therefore, ruled that Councilman Morris's substitute motion did not carry.

Jim Ellis, Vice-President of the Chamber of Commerce, also speaking in behalf of the Chamber said that the City receives more in tax revenue than it gives as a contribution. He said the Chamber allocates all of the city's funds into promoting conventions and tourism, and estimated that more than half of the $74 million spent by tourists in Buncombe County last year was spent inside Asheville. He cited other cases of the Chambers promotional activities emphasizing the Chamber's close support given to the Asheville Civic Center in the promotion of conventions. He fielded several questions from Council relative to the work of the Chamber of Commerce.

Mayor Ochsenreiter than called for a voice vote on Councilman Michael's motion to delete the $80,000 appropriation to the Chamber of Commerce.

Councilman Michael's motion was also defeated on a 3-2 vote.

Vice-Mayor Horton moved to amend Ordinance No. 893, by adding $24,498 to the General Fund for the purpose of providing two (2) foot patrolmen in the downtown area and that they be equipped with walkie talkies. He further moved to contribute $10,000 to the Civic Arts Council to support their current budget needs. He suggested that funds now in the General Fund allocated for the right of way of the Charlotte Street Ramp be used for this purpose and that the Charlotte Street Ramp right-of-way be funded from the Revenue Sharing Trust Fund. This motion was seconded by Councilwoman Swilling.

Councilman Michael requested that the two amendments offered by Vice-Mayor Horton be acted on separately and in a substitute motion moved to postpone action on Vice-Mayor Horton's motion relative to the additional downtown foot patrolmen until a recommendation could be obtained from the Chief of Police. This motion was seconded by Councilman Morris, which motion was carried on a 4-1 voice vote.

Vice-Mayor Horton then moved to add $10,000 to the General Fund for the purpose of contributing that amount to the Civic Arts Council and that the City Manager be instructed to use his best judgement to offset the $10,000 appropriation. This motion was seconded by Councilman Michael.

Mr. E. R. McCarthy questioned the legality of appropriating funds to such agencies.

After discussion, Vice-Mayor Horton moved to table the motion on the Civic Arts Council until the technicalities are investigated. This motion was seconded by Councilman Michael, which carried unanimously.

The City Manager advised that the General Fund - Expenditure Reduction for the Board of Tax Supervision was brought about by a reduction in the share of the City for appropriations to the Board of Tax Supervision. He said the City was now appropriating 40% of the cost for the Board and it has been reduced to 35%, which would allow a reduction of 21,545 in allocations to the Board of Tax Supervision.

He also commented that the Civic Center Rents - Revenues has been reduced by $30,000. He said the original amount estimated from the proposed Civic Center surcharge was $89,000 but due to existing contract committments, the amount now estimated would be $59,000.

He said this would bring the tax rate down to the 92¢ that Council had directed, with 76¢ being appropriated to the General Fund and 16¢ to the Debt Service.

Councilman Michael moved to amend Ordinance No. 893, as recommended by the City Manager. This motion was seconded by Councilman Morris and carried unanimously.

Councilman Morris moved to amend Section 3 of Ordinance No. 893, reducing the tax rate from the proposed 99¢ to 92¢, with 76¢ being for the General Fund and 16¢ for the Debt Service Fund. This motion was seconded by Councilman Michael and carried unanimously.

Councilman Michael referring to the appropriation of $80,000 now being made to the Chamber of Commerce said that with the County of Buncombe appropriating $49,000 and the City of Asheville appropriating $80,000, he felt that this constituted "double taxation" and he moved to delete the City of Asheville's appropriation of $80,000. This motion was seconded by Councilwoman Swilling.

Councilman Morris said that he felt to reduce the Chamber of Commerce's allocation at this time would be of great detriment to the Chamber's ability to function. He said the City of Asheville would have to pick up several additional functions that are presently being performed by the Chamber relative to tourist promotions. He said he agreed with Councilman Michael that the County's share should be increased and he further agreed that this was "double taxation". He said he could not in good conscious believe that the City of Asheville would be profiting from deleting appropriations to the Chamber of Commerce.

Councilman Morris then offered a substitute motion to keep the $80,000 allocation to the Chamber of Commerce in the Budget Ordinance and that the Chamber of Commerce be instructed to meet with a committee of Council to make a clear determination of how the City of Asheville's money would be spent in their upcoming budget. This motion was seconded by Vice-Mayor Horton.

Vice-Mayor Horton said that he felt it would be a mistake to delete the appropriation to the Chamber of Commerce. He also felt the County's share should be increased. He said it was his opinion that the Chamber of Commerce benefitted the City of Asheville far more than $80,000.

Mort Cohn, past president of the Chamber of Commerce, speaking in behalf of the Chamber asked the Council to consider the appropriation as an investment rather than a contribution. He said the County appropriations are used for industrial promotions and the city funds are used for promoting tourism and conventions. He encouraged Council to continue their support for the Chamber of Commerce.

Thursday - July 1, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Gene E. Rainey, J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling

1. Approval of minutes of June 24, 1976 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the June 24, 1976 meeting were approved as submitted.

2. Approval of minutes of special meeting of June 29, 1976.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, the minutes of the special meeting of June 29, 1976 were approved as submitted.

RESOLUTION NO. 76-100 - RESOLUTION OF COMMENDATION TO WILBUR C. KING

Mayor Ochsenreiter read a resolution of commendation to Wilbur C. King, who is retiring as Executive Director of the Asheville Housing Authority.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-100 was unanimously adopted.

Complete text of Resolution No. 76-100 will be found in Resolution Book No. 9 at page 64.

BEAUCATCHER MOUNTAIN PROJECT

Mr. Manley Wright, President of the Greater Asheville Council and speaking on behalf of the Council asked the City Council to clarify the intention of the Council relative to motions and actions taken with reference to the Beaucatcher Mountain Project. He said the Greater Asheville Council felt there was a great deal of confusion within the minds of the citizens of Asheville as well as within the Department of Transportation. He said it was the opinion of the Greater Asheville Council that it was not the City Council's intention to stop or delay the project but they did feel there was a need for clarification of the motion made on June 17, 1976.

Mayor Ochsenreiter read Councilman Michael's motion of June 17, 1976 relative to the Beaucatcher Mountain Project. He further stated that the Department of Transportation has all the documents relative to actions taken by this Council as well as previous Councils and if there was a need for further clarification by the Department of Transportation the Asheville City Council would be available for any interpretations necessary.

Councilman Michael said he felt the minutes of the June 17, 1976 meeting clearly states what he said in that he prefers twin tunnels and that he would be opposed to an open cut. He said his motion was in no way a part of the resolution presented by Rev. Edsall. He said he had only recommended that the resolution become a part of the minutes. He said it was not his intention to tell the Department of Transportation to stop construction on the open cut but that he made a personal preference of tunnels and three other Council members joined him in his preference.

Councilwoman Swilling moved that a special committee be formed from the Asheville City Council and the Asheville Area Chamber of Commerce to look into the operation of the Chamber of Commerce as it represents direct services for the benefit of the citizens of Asheville and in addition that members of the Buncombe County Commissioners be invited to be a part of this committee. This motion was seconded by Councilman Michael, which motion carried.

On a roll call vote of 4-0, Ordinance No. 893, as amended, passed on its third and final reading.

Complete text of Ordinance No. 893 will be found in Ordinance Book No. 7 at page 22.

Councilwoman Swilling expressed gratitude to the City Manager and the City Staff for the prepartion of the budget, commending them for the time spent on the budget.

Councilman Michael also added his words of commendation.

Vice-Mayor Horton recommended that during January or February of 1977, the City Manager notify all agencies receiving contributions from city tax funds to submit their requests before the budget process is begun.

Councilwoman Swilling suggested that more citizen participation be sought in the budget process.

Adjournment.

Eugene C. Worthington
MAYOR

Marian D. Wallace
CITY CLERK

Mr. Emrick said written protests to the rezoning were received from Mr. T. A. Mease, Ms. Edna R. Cloud, Ms. Ruby S. Gibbs, Mr. and Mrs. Charles Crawford, and Ms. Agnes K. Watson.

The City Manager read the text of a petition which opposed the rezoning, containing 32 signatures.

Upon inquiry of Councilman Morris, Mr. Emrick said the Planning Staff had initially recommended that the property remain residential. However, at the last meeting the staff recommended that the Commission reaffirm their approval of the request to rezone the property Commercial Highway. He said the staff's recommendation was only presented for information and it was the staff's responsibility to carry out the recommendations of the Commission.

Mr. Emrick then suggested that the public hearing be continued later in the meeting in order that the Planning Staff could determine if the petition presented contained enough signatures of adjoining property owners to require the affirmative vote of 2/3 of the members of Council to carry the requested change.

Councilman Hoyle moved to reconvene the public hearing later in the meeting. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD - R-3 RESIDENTIAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT - CLYDE J. LEESON AND OTHERS

4. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to CS Commercial Service District, property owned by Clyde J. Leeson and Others.

Mayor Ochsenreiter opened the public hearing at 3:55 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, advised that when the request was remanded to the Planning and Zoning Commission, Council had requested that consideration be given to deleting the properties of John McDuffie and Others from the original petition. On June 2, 1976 the Commission received a request from John McDuffie and Others, through Richard A. Wood, Attorney, that consideration of the rezoning petition be withdrawn. Therefore, this was deleted for consideration by the Planning and Zoning Commission.

He said the second part of the original petition submitted by Clyde J. Leeson and Others (Property lying south of Rock Hill Road) was reviewed by Planning and Zoning and it was recommended that the request be denied and the property remain as it is now zoned for the following reasons:

1. Commission initially recommended residential zone.

2. There is a lack of community support.

3. There is a possibility of spot zoning.

4. Lots do not touch any Commercial District.

Councilwoman Swilling took her seat at 3:24 o'clock p. m.

Councilman Rainey said he had stated his personal feelings on the issue and that it was his opinion that the majority of the citizens of Asheville prefer twin tunnels. He said the Department of Transportation should wait a reasonable length of time, to him twelve months would be reasonable, to study the possibility of tunnels. He said if it would take longer to change plans from an open cut to twin tunnels, he would have to reconsider his position. He said if there was any doubt about the majority's opinion he would suggest that the issue be put on the ballot in November.

Councilman Morris said he felt the Council should not take any action on the matter without first placing it on the Council's published agenda. He then moved to schedule the discussion relative to the Beaucatcher Mountain Project on the published agenda for July 8, 1976. This motion was seconded by Councilman Hoyle.

Councilman Michael said he did not see any reason for more discussion on the matter, stating that the Department of Transportation could contact the Council if there was a need for interpretations.

After discussion, Councilman Morris, with the consent of Councilman Hoyle, withdrew his motion.

ANNOUNCEMENT OF OPENING OF HIGH COUNTRY CRAFTERS

Mrs. Helen McElyea announced that the High Country Crafters would be opening a downtown center on July 15, 1976. She said they would be opening in the former Winner's Department Store. She said they would have 14 months to develop it as a viable organization. She said it was her hope that this may the start of revitalizing the downtown area.

Mrs. McElyea said she would ask the City to support the group through the use of the city staff on planning, parking, etc.

PUBLIC HEARING - REZONING PROPERTY ON U. S. HIGHWAY 70 - GUS AND JOHN BARLAS

3. A public hearing was held relative to rezoning property on U. S. Highway 70 from R-3 Residential to Commercial Highway District, property owned by Gus and John Barlas.

Mayor Ochsenreiter opened the public hearing at 3:42 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had reconsidered the request to rezone property property on U. S. Highway 70 from R-3 Residential to Commercial Highway District and they have reaffirmed their recommendation to recommend approval of the request for the following reasons:

1. The property is unsuitable for residential use.

2. Hazardous for residential use.

3. Residents objecting (Craig Circle) are protected by terrain.

4. Residents of Knauth Road are protected by private road.

Mayor Ochsenreiter closed the public hearing at 4:35 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 899 passed on first reading.

Councilman Morris expressed appreciation to Three Mountaineers for expanding within the City Limits.

PUBLIC HEARING CONTINUED - REZONING PROPERTY ON U. S. HIGHWAY 70 - GUS AND JOHN BARLAS

Mayor Ochsenreiter reconvened the public hearing at 4:40 o'clock p. m.

Verl Emrick, Planning Director, advised that the petition did not meet the criteria established for requiring a 3/4 vote of Council.

Mrs. John Barr, objected to the rezoning on the basis that access to properties located on Knauth Road would be impaired with Commercial development of the property.

Councilman Morris said he felt to rezone this property commercial would create a traffic hazard.

Mayor Ochsenreiter closed the public hearing at 4:50 o'clock p. m.

The City Manager read the ordinance, rezoning the property as petitioned.

Not receiving a motion for the adoption of the ordinance, Mayor Ochsenreiter ruled that the ordinance was defeated.

RESOLUTION NO. 76-101 - RESOLUTION OF INTENT TO SUPPORT THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION CONTROL BOARD FOR THE FISCAL YEAR 1976-77

6. Consideration was given to a resolution of intent to support the Western North Carolina Regional Air Pollution Control Board for the fiscal year 1976-77.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said the Board of Commissioners for the County of Buncombe adopted a resolution on May 4, 1976 indicating their intent to support the Western North Carolina Regional Air Pollution Control Board in the amount of $24,360.00, subject to resolutions of similiar intent by the governing bodies of Haywood County appropriating $10,000 and the City of Asheville appropriating $13,000. He said in the County's resolution that it was requested that the Western North Carolina Regional Air Pollution Control Board and its staff fully investigate the probability of pass-through funds from federal grants supporting the Air Pollution Control Program to the City of Asheville and the County of Buncombe Public Safety Departments whereby the City and County departments may provide heating inspection services, and should such pass-through funds not be available, said Board and

Mr. Emrick said, based on petitions in oppositions, an affirmative vote of 3/4 of the Council would be necessary to adopt the change.

Clyde Leeson, speaking in favor of the rezoning, cited several court cases which dealt with problems in extraterritorial zoning, all of which indicated that under the conditions being litigated certain inequities could possibly occur. He also asked for a determination of the City Limits line as it affected his property.

It was pointed out that the existing City Limits line followed north/south of the Southern Railway, placing his property well within the one mile perimeter.

Charles K. Lanning, Mr. and Mrs. Oliver Davis, Mr. Owenby, and Mr. Stines all spoke in opposition to the rezoning.

Mr. James Howell, representing Mr. and Mrs. Stock, spoke in favor of the rezoning.

Mayor Ochsenreiter closed the public hearing at 4:25 o'clock p. m.

The City Manager read the ordinance which would rezone the property as requested.

Not receiving a motion for the adoption of the ordinance, Mayor Ochsenreiter ruled that the ordinance was defeated.

PUBLIC HEARING - REZONING - NEW WOOD AVENUE - THREE MOUNTAINEERS, INC. AND W. R. BALLARD

5. A public hearing was held relative to rezoning property on New Wood Avenue from R-3 Residential District to HI Heavy Industrial District, property owned by Three Mountaineers, Inc. and W. R. Ballard.

Mayor Ochsenreiter opened the public hearing at 4:30 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended approval of the request for the following reasons:

1. The property is bounded on two sides by the HI Heavy Industrial Zoning District.

2. Predominant land use in the area is industrial.

3. A portion of the property is located within the Flood Plain of the Swannanoa River; therefore, residential development of the site would be impractical.

4. The character of the existing neighborhood would not be adversely affected by the zoning change.

Mr. Emrick said Three Mountaineers was planning a 180,000 sq. ft. expansion and the facility would be elevated to a 2,012 floor level, which would be above the 2,000' flood level indicated by TVA.

Bid Summary

Bidder	Bid
Neptune Water Meter Company	$49,726.80
Badger Meter Company	51,966.00
Rockwell International	52,834.64

BIDS - CHEMICALS FOR TREATMENT OF WATER, FISCAL YEAR JULY 1, 1976 THROUGH JUNE 30, 1977

8. Consideration was given to bids received June 7, 1976 for chemicals for treatment of water, Fiscal Year July 1, 1976 through June 30, 1977.

The City Manager read a memorandum from the Purchasing Agent which recommended award on a per item basis to the low bidder for items 2, 4, and 5; and items 1 and 3 for reasons stated below:

Item 1: Chlorine - Approximately 200,000 pounds

Recommend award to: Ticar Chemical Company, Inc., Asheville, N. C.
@ $15.00 CWT - price firm for one (1) year

Four companies all quoted the same price, firm for one year. Recommend award to Ticar Chemical Company, Inc.:

(a) Ticar was supplier of this material for fiscal year just ended. Our experience has been satisfactory with regard to delivery schedules and billing.

(b) Ticar is local firm and, as proven, gives fast and efficient service.

Item 2: Caustic Soda - 50% - Approximately 400,000 pounds

Lower bidder: Moreland Chemical Company, Spartanburg, S. C.
@ $8.42 CWT, (firm 30 days, all bidders quoted this item price firm - 30 days)

(Note: Bid specifications stated, "Caustic Soda to be delivered FOB North Fork Treatment Plant in 3,000 gallon shipments." Ticar Chemical Co. was non-responsive to this item, quoting FOB Shipping Point, Charleston Tennessee).

Item 3: Liquid Hydrofluosilicic Acid - Approximately 340,000 pounds

Recommended: Jones Chemicals, Inc., Charlotte, N. C.
@ 65.00 per ton - price firm for one (1) year (See note 4 below)

Item 4: Dry Zinc Polyphosphate - Approximately 70,000 pounds

Low Bidder: Calgon Corp., Pittsburgh, Pa.
@ 38.04 CWT

Item 5: Liquid Zinc Polyphosphate - Approximately 42,000 pounds

Low Bidder: Nalco Chemical Company, Oak Brook, Ill.
@ 22.71 CWT

staff are requested to investigate the probability of permitting the City and County Public Safety Department to perform such heating inspection services in such a manner that the Western North Carolina Regional Air Pollution Agency will receive an in-kind match on grant applications should these services be performed by the County and City.

Mr. Michalove said the adoption of the proposed resolution would be in keeping with the request of the Buncombe County Commissioners.

In reviewing the background of the services, he said, currently the heating inspections are handled by the Western North Carolina Regional Air Pollution Control Board and the revenue from such inspections are returned to the City. The current budget has allocated $13,000 as an expense to the Western North Carolina Regional Air Pollution Control Board; an item of revenue of $7,500 anticipated from heating inspection fees; and a position allocation in the Inspections Division for a heating inspector. The source of funding for the inspector would be provided by pass-through fund in the amount of $10,800 from the Western North Carolina Regional Air Pollution Control Board, as specified in the proposed resolution. He said the Inspections Division would like to assume the responsibility for the heating inspections directly and the County of Buncombe would like to have the same responsibility, provided that the funding arrangement is approved by the federal government.

Several Council members felt this would delute the responsibility of the Western North Carolina Regional Air Pollution Control Board and may end up a way of withdrawing support by the City to the Board.

After discussion, Councilman Michael moved for the adoption of Resolution No. 76-101. This motion was seconded by Councilman Morris.

Councilwoman Swilling moved to amend the resolution by striking the words "or in-kind contribution" from Section (1). This motion was seconded by Councilman Rainey, and on a voice vote of 4-3 the motion failed, with Councilman Michael, Councilman Morris, Vice-Mayor Horton, and Mayor Ochsenreiter voting "no".

On a voice vote, Resolution No. 76-101 was unanimously adopted.

Complete text of Resolution No. 76-101 will be found in Resolution Book No. 9 at page 65.

BIDS - ESTIMATED TWELVE (12) MONTH REQUIREMENT FOR WATER METERS

7. Consideration was given to bids received June 7, 1976 for an estimated twelve (12) month requirement for water meters.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Neptune Water Meter Company, for a total bid amount, based on estimated quantities at $49,726.80.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Neptune Water Meter Company, in the amount of $49,726.80, based on estimated quantities. This motion was seconded by Vice-Mayor Horton and carried unanimously.

FLOOD INSURANCE APPROVAL

Mr. Verl Emrick, Planning Director, announced that a letter has been received from J. Robert Hunter, Acting Federal Insurance Administrator, notifying that the City's application for flood insurance has been approved and would be effective as of June 30, 1976.

SALUTE THE TOURIST WEEK - PROCLAMATION

Mayor Ochsenreiter proclaimed the week of July 7 - 12, as Salute the Tourist Week.

RALPH BISHOP - POLICE DEPARTMENT

Mr. Ralph Bishop again complained about the operations of the Police Department.

Adjournment.

Eugene F. Ochsenreiter Jr.
MAYOR

Marian F. Holcomb
CITY CLERK

NOTES (1) All quantities are estimated for the year. Orders will be placed on an as-needed basis.

(2) Cost all items recommended - $110,896.20

(3) Funding: Operating Expenses, Chemical and Laboratory Supplies - Account No. 30-751.0032. Total budgeted $140,750.00

(4) Burris Chemical Company, Charleston, S. C. and Jones Chemical, Inc. quoted the same price. We recommend Jones Chemical, Inc. on the basis it is a North Carolina based firm, and we have had satisfactory service in the past.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent for each item. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

	Bidder	Bid
Item # 1 - Liquid Chlorine, Approximately 200,000 pounds	Moreland Chemical Company	$30,000
	Burris Chemical Company	30,000
	Ticar Chemical Company	30,000
	Jones Chemical Company	30,000
Item #2 - Caustic Soda 50%, Approximately 400,000 pounds	Moreland Chemical Company	33,680.00
	Howerton Gowen	38,720.00
	Burris Chemical Company	33,720.00
	Jones Chemical Company	33,720.00
Item #3 Liquid Hydro-Acid Approx. 340,000	Moreland Chemical Company	11,390.00
	Howerton Gowen	12,920.00
	Burris Chemical Company	11,050.00
	Ticar Chemical Company	11,390.00
	Jones Chemical Company	11,050.00
Item #4 Dry Zinc Polyphosphate Approx. 70,000 pounds	Nalco Chemical Company	39,018.00
	Calgon Corp.	26,628.00
Item #5 Liquid Zinc Polyphosphate Approx. 42,000 pounds	Nalco Chemical	9,538.20
	Calgon Corp.	14,800.00

Mr. Bill Slaughter, Attorney representing Mr. R. Jack Ingram, spoke in favor of the rezoning. He said Mr. Ingram was having to move from his present location on Amboy Road because he could not obtain flood insurance to protect his building. He presented petitions from nearby property owners on Brevard Road and Dogwood Road, containing some 65 signatures, who were in favor of the rezoning. He said there would be no more noise or traffic problems than there is presently with the I-40 and I-26 interchanges coming into Brevard Road. He also presented tapes from Mr. and Mrs. Rogers and Mr. and Mrs. Lawter which, he said, stated that they live next door to Mr. Ingram's present garage and the business presented no problems for the neighborhood. He said it was his opinion that the rezoning would be in the best interest of the area.

Mr. Bill Bailey, with Bailey Realty Company, spoke in favor of the rezoning. He said he presently has two options for property in the area for commercial use. He cited the many existing commercial establishments on Brevard Road between I-26 and I-40. He said, in his opinion, most of the property abutting on this section of Brevard Road will be commercial property in the near future.

Mr. Andy Reed, of Dogwood Road, also spoke in opposition to the rezoning. He said the small businesses now located on Brevard Road were not within the residential areas.

Mayor Ochsenreiter closed the public hearing at 3:55 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilwoman Swilling moved to table the ordinance and refer the matter back to the Planning and Zoning Commission for further study. This motion was seconded by Councilman Rainey, which motion carried with Councilman Michael and Councilman Morris voting "no".

Councilman Rainey said he felt the Planning and Zoning Commission should consider proper buffering on the business property and to have Mr. Ingram reconsider the floor plan whereby the doors of the business would not open onto Dogwood Road.

ORDINANCE NO. 899 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on New Wood Avenue, owned by Three Mountaineers, Inc. and W. R. Ballard)

3. Consideration was given to the second reading of Ordinance No. 899, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on New Wood Avenue from R-3 Residential District to Heavy Industrial District, property owned by Three Mountaineers, Inc. and W. R. Ballard.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 899 passed on its second reading.

Thursday - July 8, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of minutes of the July 1, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the July 1, 1976 meeting were approved as submitted.

PUBLIC HEARING - REZONING - BREVARD ROAD AND DOGWOOD ROAD -R. JACK INGRAM

2. A public hearing was held relative to rezoning property on Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. Jack Ingram.

Mayor Ochsenreiter opened the public hearing at 3:12 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended that the rezoning request be denied for the following reasons:

1. The rezoning would increase strip development along this portion of Brevard Road which is in direct conflict with sound zoning practices;

2. As the subject property is located adjacent to an established residential area, the proposed change would introduce a new use not in harmony with existing uses; and

3. The proposed zoning change would not be in the best interest of the community as a whole.

Mr. Emrick said, based on petitions in oppositions, an affirmative vote of 3/4 of the Council would be necessary to adopt the change.

Mr. Emrick said Mr. Ingram was requesting this change in order to utilize the property for the construction of a garage to house and maintain race cars.

Mr. Hal Reed, Mr. J. Alfred Williams, Mrs. Virginia Stevens, and Mrs. Helen Reed all spoke in opposition to the rezoning stating that the use proposed would be detrimental to the neighborhood.

RESOLUTION NO. 76-104 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO INCREASE FEES AND CHARGES OF CERTAIN SPECIAL FACILITIES WITHIN THE DEPARTMENT OF PARKS AND RECREATION

6. Consideration was given to a resolution authorizing the Director of Parks and Recreation to increase fees and charges of certain special facilities within the Department of Parks and Recreation.

The City Manager read the resolution.

Councilman Michael suggested that the resolution be amended to delete the increased fee to the Recreation Park Zoo and to retain the same fee as now in effect.

Ray Kisiah, Parks and Recreation Director, advised that an estimated increase in revenue for the Zoo on an annual basis would be $40,000. He said the new rate changes would go into effect when the new Children's Zoo opens.

After discussion, Councilman Michael moved for the adoption of the resolution. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 76-104 will be found in Resolution Book No. 9 at page 69.

BIDS - REPAIR PARTS FOR MUELLER IMPROVED FIRE HYDRANTS, MODEL A24012

7. Consideration was given to bids received June 21, 1976 for repair parts for Mueller Improved Fire Hydrants, Model A24012.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Supply Specialties, Inc. in the amount of $3,510.50.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Supply Specialties, Inc. in the amount of $3,510.50. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary	Bidder	Bid
	Supply Specialties, Inc.	$3,510.50
	Davis Meter and Supply	3,671.50
	Silverman Company	3,990.50
	Tidewater Supply Company	3,589.00
	Southern Meter	No Bid

BIDS - REPAIR PARTS FOR KENNEDY TRAFFIC MODEL FIRE HYDRANTS, MODEL K-11

8. Consideration was given to bids received June 21, 1976 for repair parts fo Kennedy Traffic Model Fire Hydrants, Model K-11.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by ITT Grinnel Corporation in the amount of $11,687.50.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 899. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 899 passed on its third and final reading.

Complete text of Ordinance No. 899 will be found in Ordinance Book No. 7 at page 31.

RESOLUTION NO. 76-102 - RESOLUTION EXTENDING THE COMMUNITY DEVELOPMENT CONTRACTS FOR FISCAL YEAR 1975-76 THROUGH JUNE 30, 1977

4. Consideration was given to a resolution extending the Community Development Contracts for fiscal year 1975-76 through June 30, 1977.

The City Manager read the resolution.

Upon inquiry of Councilman Michael, the City Manager advised that these were on-going projects which contracts have been entered into and the contracts should be extended through June 30, 1977.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-102 was unanimously adopted.

Complete text of Resolution No. 76-102 will be found in Resolution Book No. 9 at page 66.

RESOLUTION NO. 76-103 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH MAIN AUTO PARTS COMPANY, INCORPORATED

5. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with Main Auto Parts Company, Incorporated.

The City Manager read the resolution.

Mr. Johnson, Director of Building Inspections, said the City of Asheville has been leasing the property for the storage of junk vehicles and the amount of space previously needed for this purpose is no longer necessary. He said a smaller amount of space is needed to store the equipment used by the Lot Restoration Crew as well as to provide restroom facilities and dressing room space for crew members.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 76-103 was unanimously adopted.

Complete text of Resolution No. 76-103 will be found in Resolution Book No. 9 at page 68.

Corporation Counsel William C. Moore summarized North Carolina General Statutes 160A-424, 160A-425, 160A-426, 160A-428, 160A-429, and 160A-441, which also outlined the procedures to be followed in issuing such an order. He said all the procedures have been followed and at this point the Asheville City Council should make a policy decision on the matter.

Mr. Johnson reported that action was begun by issuance of a Complaint and Notice of Hearing on the 29th day of March, 1976 which was duly served upon the owner of the hotel on the 30th day of March, 1976; that a hearing was held the 16th day of April, 1976, and a Findings of Fact and Order entered the 20th day of April, 1976, and duly served upon the owner the 20th day of April, 1976, ordering said owner, within 60 days of service of said Order upon it, to obtain from the Building Inspector a permit to repair or demolish the building known as The Battery Park Hotel, the building to be repaired on or before December 1, 1977 or the building demolished on or before December 30, 1976; that no appeal has been taken from said Order of said Director of Building Inspections; and that no permit has been applied for and been obtained by said owner and no work has been done to comply with the Order issued the 20th day of April, 1976.

Mr. Donald Blackwell, owner of the Battery Park Hotel, said an application has been submitted to HUD, by a firm from Atlanta, Ga., for funds under Section 8 Housing for the Elderly. He said it was his understanding from HUD that it would be accepted if the Asheville City Council ruled that the building would be feasible for housing for the elderly. He said it was also his understanding that HUD would be sending the proposal to the Asheville City Council for sanctioning within the next two to three weeks. Therefore, Mr. Blackwell requested that Council table action on the Battery Park Hotel until such time as the proposal is received.

Councilman Michael moved to table action on the Battery Park Hotel for three (3) weeks. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REZONING - LEICESTER HIGHWAY AND WESTWOOD DRIVE

The City Manager read a letter from the Planning and Zoning Commission which stated that the Commission had reviewed the request of the City Council that a study be given to rezoning property on Leicester Highway and Westwood Drive from CS Commercial Service District to R-4 Residential District. He said the Commission had recommended denial of this request and reaffirmed its recommendation that the property be rezoned from CS Commercial Service District to R-3 Residential District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for July 29, 1976. This motion was seconded by Councilman Michael and carried unanimously.

PETITION - POLICE PAY RAISES

Patrolman W. H. Dayton presented a petition to Council relative to the patrolmen's salary increases.

The context of the petition is as follows:

Councilman Michael moved to accept the recommendations of the Purchasing Agent and award the bid to the low bidder, ITT Grinnell Corporation, in the amount of $11,687.50. This motion was seconded by Councilwoman Swilling and carried unanimously.

Bid Summary	Bidder	Bid
	Ferguson Enterprises	$12,045.90
	ITT Grinnell	11,687.50

BIDS - MISCELLANEOUS MECHANICAL JOINT GATE VALVES AND FITTINGS FOR 6" AND 8" WATER MAINS

9. Consideration was given to bids received June 21, 1976 for miscellaneous mechanical joint gate valves and fittings for 6" and 8" water mains.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bidder for each item as follows:

ITT Grinnell Corporation - Charlotte, N. C.

Items: 1, 2, and 12 totaling $5,517.00

Silverman Company - Asheville, N. C.

Items: 3, 4, 5, 6, 9, 10, and 11 totaling $4,929.35

Supply Specialties, Inc. - Asheville, N. C.

Items: 7 and 8 totaling $330.00

Total all items recommended $8,776.35

Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bids to the low bidders for each item: ITT Grinnell Corporation- items 1, 2, and 12 totaling $5,517.00; Silverman Company - items 3, 4, 5, 6, 9, 10, and 11 totaling $4,929.35; Supply Specialties, Inc. - items 7 and 8 totaling $330.00, for a total for all items, $8,776.35. This motion was seconded by Councilman Hoyle and carried unanimously.

A complete bid summary is on file in the Office of the City Clerk.

REPORT REGARDING STATUS OF ACTION TAKEN BY THE OWNER OF BATTERY PARK HOTEL

J. E. Johnson, Director of Building Inspections, read Chapter 8, Article 3 of the Code of the City of Asheville outlining the procedures to be taken to have a building repaired or demolished. He said the Inspections Division has followed the due process of law in handling the orders relative to the Battery Park Hotel. He said, as required by the Code, the report has been turned over to the City Manager, who scheduled action by Council for July 8, 1976.

WHEREAS, the North Carolina Department of Transportation has decided to proceed with the Open Cut Project;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE:

The Asheville City Council acknowledges the authority and expertise of the Department of Transportation to make the final decision. "

Councilman Rainey moved to table the resolution. This motion was seconded by Councilwoman Swilling, which motion was defeated on a voice vote of 4-3, with Coucilman Morris, Councilman Michael, Vice-Mayor Horton and Mayor Ochsenreiter voting "no".

Councilman Michael moved for the adoption of the resolution. This motion was seconded by Vice-Mayor Horton.

Councilman Michael said it was stated in the newspapers that his previous motion was a personal expression. He said his motion was a personal expression but it was adopted by a majority of Council. Therefore, it was an official action of Council, that the members of Council prefer tunnels and object to an open cut. He said it was his hope that the resolution would clarify it even further.

Mr. Ray Hilton suggested that the "open cut" concept be referred to as a "gap". He said most of the citizens of Asheville prefer tunnels. However, it was his opinion that the Department of Transportation was going to proceed with the open cut, no matter what, or the funding would be used somewhere else. He said the "gap" could be beautified by the garden clubs of Asheville and it would be meaningless as a cut.

Rev. Edsall said the Environmental Impact Statement has determined that nothing would grow on the rock face. He said the Beaucatcher Mountain Defense Association recognizes that enormous pressure is being brought upon the City Council by members of the State Board of Transportation, who are not residents of our area, to back away from any desire to preserve the natural beauty of Beaucatcher Mountain. He said the deliberate implications of statements by Mr. Rose and Mr. Callahan is that if we object to the mutilation of the mountain they will delay indefinitely the solution to our traffic problems. He said the Beaucatcher Mountain Defense Association believes that a heavy majority of the citizens of Asheville would strongly favor tunnels over the hugh open cut if it could be proven that tunnels would be as rapid solution as the cut would be. He said the Defense Association has sworn statements from Mr. James Lewis, a tunnel engineer and Cowan and Company of Birmingham, Ala., that tunnels could be finished to interstate standards within two (2) years. He said the Department of Transportation has established a completion date of 1981 for the open cut. He said the tunnels could be completed by 1981 and still give the Department of Transportation 3-1/2 years to change their plans. He said it should be clear who is delaying the project. He said the State could not terminate a project upon which millions of dollars have already been spent and designated a federal interstate alternate route.

"We, the undersigned, wish to express our feelings of disappointment in the raise that is being offered to us this year. The amount proposed is an insult to the responsibilities we have and services we perform in protecting the City of Asheville. In addition, such a raise will not substantially increase our take-home pay after deductions are made. The proposed longevity pay and better uniforms must not be considered a fringe benefit at this time but as something that is long overdue.

During the last election, we were given the impression that an increase in pay for the policemen was of the utmost importance. However, we now have every reason to believe that the City Council does not consider the police department to be of much importance to the City of Asheville, not only in pay, but in benefits or improvements to the department.

Therefore, we, the undersigned, find the proposed increase completely unacceptable and do not wish to have the City Council feel that they have pacified us once again with a pay increase that appears to be money that is left over after all other budget requirements are met, and falls far short of the ever increasing rise in the cost of living. We ask that no raise be added on to our checks until the City Council can show higher regard for the Police Department and justify it with a more substantial pay increase. "

The petition contained some 48 names.

Detective Sgt. W. L. Dillingham, President of the local Fraternal Order of Police, told Council that police officers had been expecting a bigger raise than what the 1976-77 budget contains.

Michael Smith, Personnel Director, said a pay survey was made of the state average and it was determined that patrolmen were paid 10 per cent below the state average. Half the raises recommended by the survey were instituted January 1 along with a five percent across-the-board raise for all city workers. He said the new raises, instituted July 1, added to last January's pay hikes, would mean a total 15 per cent boost in the pay of a city patrolman since December, 1975.

Several patrolmen disputed those figures, saying that their pay has only gone up by 10 per cent.

Council instructed the City Staff to check the city payroll records against the budgeted raises and report to Council on any discrepancies.

Mayor Ochsenreiter referred the petition to the City Manager.

BEAUCATCHER MOUNTAIN PROJECT

The City Manager read the following resolution, prepared at the direction of Council:

" WHEREAS, this Council has expressed officially its preference for tunnels rather than an "open cut" through Beaucatcher Mountain; and

WHEREAS, we desire to alleviate this transportation problem as soon as possible; and

384

10:15 a.m. 2 p.m.

STATE OF NORTH CAROLINA

GOVERNOR'S OFFICE

RALEIGH 27611

JAMES E. HOLSHOUSER, JR.
GOVERNOR

July 2, 1976

Mr. Samuel A. Bingham
394 Vanderbilt Road
Asheville, North Carolina 28803

Dear Mr. Bingham:

Thank you for your letter of June 21, 1976 concerning the proposed highway improvement through Beaucatcher Mountain at Asheville and concerning the attitude of Board of Transportation Members Callahan and Vaughn.

This highway project was first approved for implementation as part of the Federal-aid Highway program by the State Highway Commission in October, 1964. Many alternative designs have been carefully studied and evaluated by the professional staff of our State Department of Transportation and by the Federal Highway Administration (formerly U. S. Bureau of Public Roads). These studies have shown many substantial advantages for the open-cut alternative through Beaucatcher Mountain. The only basic disadvantage of the open-cut design is its adverse impact from an aesthetic point of view.

You may resent the attitude of our Department of Transportation; however, Board of Transportation members Callahan and Vaughn were simply pointing out three basic facts:

(1) Construction plans are being finalized and funds have been earmarked for the letting of the construction contract for the open-cut through Beaucatcher Mountain in October-November 1976.

(2) If it becomes necessary to redesign the project to provide for tunnels in lieu of the open-cut, it will be several years before construction contracts can be awarded.

Councilman Michael, with the consent of Vice-Mayor Horton, withdrew his motion for the adoption of the resolution relative to the Beaucatcher Mountain Project.

Councilman Michael then made the following motion:

"This Council has expressed officially its preference for tunnels rather than an "open cut" through Beaucatcher Mountain. We desire to alleviate this transportation problem as soon as possible. The North Carolina Department of Transportation has decided to proceed with the Open Cut Project. The Asheville City Council acknowledges the authority and expertise of the Department of Transportation to make the final decision."

This motion was seconded by Councilman Hoyle.

Councilman Rainey made the following statement:

"No matter what position we may have taken on the open cut or tunnel controversy, I believe that most of us are deeply concerned over the unbelievable behavior of the Department of Transportation. We are witnessing an unprecedented attempt at bureaucratic bullying. The Asheville City Council has taken an official position and the Department of Transportation is now in the process of applying massive pressure to whip us into line. This action is nothing more than dictatorship by bureaucracy. As taxpayers we overlooked many of the vices of the Department of Transportation. We have overlooked their sloppy auditing system that permits them to waste millions of our tax dollars. We have overlooked their yielding to pressure from special interest groups to fatten their own pocketbooks at the expense of the North Carolina taxpayers, but we can not overlook their denial of our constitutional rights to express the will of the people. The Department of Transportation violates the basic American system that has existed for 200 years. That is, a system of federalism written into the Constitution that organizes our government into national, state and local levels of authority. The time has come for the Governor and State Legislature to investigate the Department of Transportation. We must enact reforms before this department becomes a giant of an empire that no one can control. I continue to prefer the construction of tunnels over open cut. I will not yield this position because of blackmail and threats by the North Carolina Department of Transportation and I do not believe the citizens of the City will yield either. We have made our decision and the Department of Transportation has made its decision. I acknowledge their authority to make their decision. I do not acknowledge their authority to force me to believe as they do. Mr. Mayor, with pleasure, I vote for this motion and commend you for your efforts in trying to come up with a statement which has united this Council."

On a voice vote of 6-0, Councilman Michael's motion passed unanimously.

Mayor Ochsenreiter then read excerpts of the following letter:

386
SAMUEL A. BINGHAM
324 VANDERBILT ROAD
ASHEVILLE, NORTH CAROLINA
28803

21 June 1976

Mr. James Holshouser, Governor
Governors Mansion
Raleigh, North Carolina

Dear Mr. Holshouser:

I personally resent very much the attitude of the North Carolina Highway Department concerning Asheville City Council's resolution concerning the Beaucatcher Cut. Messrs Callahan and Vaughn have ~~have~~ in effect said; "Take the Cut and like it or to Hell with the whole of Asheville for now and forever!". This is black mail. And I thought you were going to do away with the high handed leaders in the Highway Department.

Even the Chamber of Commerce of Asheville would rather have had the Tunnel, had a real, honest study and comparison been made of the Tunnel and the Cut. But every move by the Highway Department has been toward the Cut, in such a way as to force the decision in the direction of the Cut.

The Highway Department has kept the existing tunnel in as unattractive a state as possible to swing peoples opinion away from the Tunnel. It has never been cleaned, or properly lighted. Only recently has it been resurfaced. The leaks have never been stopped.

Now Messrs Callahan and Vaughn are saying any delay on the solution will be on the backs of the City Council.

One of your campaign promises was that you were going to clean up the Highway Department. Now's the time! WE DONT WANT THE CUT!

Sincerely

Samuel A Bingham

JUN 30 1976
GOVERNOR'S OFFICE

(3) There are many other sections of the Interstate System in North Carolina which urgently need to be completed or improved and the Board of Transportation must consider funding these projects now if construction of the I-240 project through Beaucatcher is delayed.

In your letter, you indicated the Asheville Chamber of Commerce would rather have tunnels. If this is true, why have they actively supported the open-cut design? They have submitted petitions and made public statements in support of the open-cut design for several years. I feel sure you probably attended the Asheville City Council Meeting on June 24, 1976, and heard statements made by the Chamber of Commerce in support of the open-cut project.

What is the significance of the resolution adopted by the Asheville City Council on June 17, 1976? The Councilman that introduced the resolution has stated it represents the individual views of four members of the Council and does not represent an official position of the City of Asheville. I feel it is incumbent upon the Asheville City Council to clarify their position since they are the duly elected officials who represent all the citizens of Asheville. Our Board of Transportation will give careful consideration to the official position of the City of Asheville as expressed by the City Council.

In closing, I want to again thank you for your letter. Your opinions are respected. I firmly believe our Board of Transportation acts in a responsible manner and I am confident their decisions are made in the best interest of our citizens.

Sincerely,

James E. Holshouser, Jr.

JEHjr/jh

cc: Mr. G. Perry Greene
Mr. J. A. Callahan
Mr. R. G. Vaughn
Mayor Eugene C. Ochsenreiter, Jr.

Councilman Rainey then moved that a certified copy of this statement (i.e., Councilman Michael's motion) be attested to and be under sealed by the City Clerk and forwarded to the Department of Transportation in Raleigh.

Mayor Ochsenreiter informed Councilman Rainey that all documents have been sent to the Department of Transportation and this motion would also be sent to them.

Councilman Michael objected to the letter to Mr. Sam Bingham being presented to the press since it was written to an individual and not members of Council.

FOURTH OF JULY EVENTS

Vice-Mayor Horton said he had received gratifying comments from the public as well as the downtown businesses regarding the activities of the Parks and Recreation Department and Quality '76 during the observance of July 4, 1976. He said the reaction was very favorable. He said the downtown merchants have requested that more events like this be implemented during the summer months.

GRANITE FROM BEAUCATCHER MOUNTAIN

Mr. E. R. McCarthy said the flood plain zoning would wipe out the commercial businesses along the railroad. He said the City of Asheville should investigate the possiblity of using the granite from the Beaucatcher Mountain Cut to stablize the banks of the French Broad River.

Adjournment.

MAYOR

CITY CLERK

Mr. Logan Delany, Community Development Coordinator, said this resolution would allow for an amendment in the Community Development Budget to provide for a project for contracting with the Asheville-Buncombe Community Relations Council to carry out the technicalities and duties imposed by the federal requirements set forth by the Fair Labor Standards Act, Davis-Bacon Act and other federal regulations. He said these duties are extensive and require staff assistance beyond the responsibilities of the present City's Labor Standards Administrator. He said this would insure that the City of Asheville would be in compliance with all federal requirements.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 76-105 was unanimously adopted.

Complete text of Resolution No. 76-105 will be found in Resolution Book No. 9 at page 71.

PRESENTATION BY HOUSING AUTHORITY ON THE PROGRESS OF R-13, R-48, AND PUBLIC HOUSING

3. Mr. W. C. King, Executive Director of the Housing Authority, reported that the Civic Redevelopment Project is unofficial, but officially closed out as of June 30, 1976. He said the only remaining work to be done by the City is the extension of New Woodfin Street, replacing Oak Street, which is now under construction, and the new signalization at Broadway and New Woodfin and College Street and Valley Street. He said as soon as HUD signs the close-out forms that have been submitted, a minimum of $117,000 will be turned over to the City that can be applied toward Community Development Projects.

The East Riverside Project, he said, is on schedule and within the next 18 months should be closed out. Public Improvements Contracts are beginning to show the residents a tremendous face lifting. Livingston Street is near completion. There is a great showing on the new S. Grove Street/Blanton Street Renewal, which will provide some 55 single family residential lots and will be the most modern subdivision within the city limits. Home ownership interests within the East Riverside area is also increasing.

The Housing Authority is presently managing 1,538 units and just recently the Authority accepted 50 units in Eastview Avenue in Oakley, which brought the total to 1,588. There are 151 family units under construction in East Riverside on six sites, which will be completed in the fall of 1977. He said the Authority executed contracts this week for 114 units for the elderly, which will be in East Riverside and when these two units are completed the Housing Authority will be managing 1,853 units. There will be 332 units for the elderly and 1,521 family units. He said with the Oteen VA Hospital conversion to 400 units for the elderly, there would be 732 elderly units, and if the Amcon Project goes through with an additional 100 units for the elderly, the total would be 832. He said it was his opinion that the 832 units for the elderly would be sufficient at the present time. However, he recommended that a joint study by the Planning Division and the Housing Authority be implemented to determine Asheville's future needs for projections.

Mr. King then introduced Mr. David Jones who will be taking over as Executive Director of the Housing Authority for the City of Asheville.

Thursday - July 15, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the July 8, 1976 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, the minutes of the July 8, 1976 meeting were approved as submitted.

RECOGNITION OF VOLUNTEER SERVICE - MRS. C. G. PICKARD

Mayor Ochsenreiter read the following recognition of volunteer service:

"An important historical account of various City and City related matters are carried in the local newspapers, and maintaining a chronologically ordered scrapbook of these events is a very time consuming job. The mechanics of this activity are not only time consuming but it requires someone with considerable background and knowledge of local government. This job was formerly performed by a secretary in the City Manager's office but the time required to keep this activity up-to-date was more than could be reasonably devoted considering the other jobs that needed to be done.

In August 1973 the City Manager requested that the Volunteer Service Bureau provide a volunteer that could perform this task.

Beginning shortly thereafter Mrs. C. G. Pickard volunteered for the job and she has been doing it ever since.

The job takes several hours a week and several trips from home to the City Building.

Several months ago the job became even too time consuming for Mrs. Pickard so being a person of ingenuity she asked for some volunteer assistance from her neighbors and friends.

Today we would like to publicly thank Mrs. C. G. Pickard, Mrs. Harry Allison, Miss Mary Blackstock, Mrs. Robert C. Collins and Miss Rosa Low for volunteering their time."

RESOLUTION NO. 76-105 - RESOLUTION AUTHORIZING THE AMENDMENT OF THE 1976-77 COMMUNITY DEVELOPMENT BUDGET TO INCLUDE FUNDS TO SUPPORT THE FEDERAL REGULATIONS COMPLIANCE PROJECT

2. Consideration was given to a resolution authorizing the amendment of the 1976-77 Community Development Budget to include funds to support the federal regulations compliance project.

The City Manager read the resolution.

RESOLUTION NO. 76-108 - RESOLUTION AUTHORIZING THE CITY MANAGER TO NEGOTIATE FOR AN OPTION FOR THE PURCHASE OF PROPERTY ON THE EAST SIDE OF VALLEY STREET FOR THE PURPOSE OF EXPANDING CITY FACILITIES

6. Consideration was given to a resolution authorizing the City Manager to negotiate for an option for the purchase of property on the east side of Valley Street for the purpose of expanding city facilities.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 76-108 was unanimously adopted.

Complete text of Resolution No. 76-108 will be found in Resolution Book No. 9 at page 78.

RESOLUTION NO. 76-109 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH 80 CLINGMAN AVENUE, 126 HIGGINS ALLEY, 9 MOUNTAIN STREET, AND 78 ROBINDALE AVENUE

7. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 80 Clingman Avenue, 126 Higgins Alley, 9 Mountain Street, and 78 Robindale Avenue.

The City Manager read the resolution.

Councilman Morris moved to schedule the public hearing for August 5, 1976. This motion was seconded by Councilman Hoyle and carried unanimously.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 76-109 was unanimously adopted.

Complete text of Resolution No. 76-109 will be found in Resolution Book No. 9 at page 79.

GROUP DEVELOPMENT REVIEW - ARROWHEAD APARTMENTS

8. The City Manager read a letter from the Planning and Zoning Commission which stated that the Commission had reviewed the site plan of the proposed Arrowhead Apartments to be located off Michigan Avenue near Amboy Road and recommended that the site plan be denied for the following reasons:

1. The project will cause a higher degree of concentration of low income housing in West Asheville than the remainder of the city.
2. It is in too close proximity to Pisgah View Apartments, a low income housing development.
3. It is isolated from shopping areas.
4. Streets are narrow and some do not have sidewalks.
5. Too near race track.

The City Manager also read a letter from Ridgley K. Robinson, Architects for the project, which requested that this matter be referred back to the Planning and Zoning Commission in order for the developer to present additional information to the Commission.

RESOLUTION NO. 76-106 - RESOLUTION ESTABLISHING INSPECTION FEES (NORTH CAROLINA STATE BUILDING CODE, VOLUME III HEATING, 1971 EDITION) UNDER ORDINANCE 748 SECTION 8-61 (C) ADOPTED SEPTEMBER 1, 1972

4. Consideration was given to a resolution establishing inspection fees (North Carolina State Building Code, Volume III Heating, 1971 Edition) under Ordinance 748 Section 8-61 (C) adopted September 1, 1972.

The Corporation Counsel read the resolution.

J. E. Johnson, Director of Building Inspections, said the original ordinance establishing the heating inspection fees was adopted in 1972 and this resolution would up-date the fees to be in line with the fees established by the County.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-106 was unanimously adopted.

Complete text of Resolution No. 76-106 will be found in Resolution Book No. 9 at page 72.

RESOLUTION NO. 76-107 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM NOLA O. WHITAKER FOR A 24-INCH WATER LINE ON AURORA DRIVE, ASHEVILLE, NORTH CAROLINA

5. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from Nola O. Whitaker for a 24-inch water line on Aurora Drive, Asheville, North Carolina.

The City Manager read the resolution.

The City Manager also read a memorandum from Don Walsh, Administrative Assistant of Water and Sewer Services which stated that it is necessary to acquire a right-of-way for a 24-inch water line through 6 lots owned by Nola O. Whitaker located on Aurora Drive. This will be for the relocation of the 24-inch feeder main from Tunnel Road to Beaucatcher Reservoir. This main now runs directly under part of Holiday Inn and presents a hazardous liability to the City. Compensation for the right-of-way to Mrs. Whitaker will be paid to Mr. Nerrell E. Owenby who has been appointed administrator of Mrs. Whitaker's estate, therefore, to sell any portion of this property for Mrs. Whitaker, Mr. Owenby has to follow requisite legal procedures in behalf of Mrs. Whitaker's financial interests. The property must be appraised by a competent appraiser and then the courts must approve any sale of right-of-way. These legalities will be handled by the Corporate Counsel for the City of Asheville. They estimate the legal costs will be approximately $200 to $500 dollars depending on the necessary formalities involved. Their estimate of the appraisal cost should be between $150 and $400. While the City does have the power to simply take the easement and force Mr. Owenby to bring an inverse condemnation action, it is felt by Corporate Counsel that this would be undesirable because of the unfavorable publicity it would undoubtedly generate.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 76-107 was unanimously adopted.

Complete text of Resolution No. 76-107 will be found in Resolution Book No. 9 at page 77.

EMPLOYEES COMPLAINT PROCEDURES - VICE-MAYOR HORTON REQUESTS REPORT

Vice-Mayor Horton requested that in the near future Council be given a summary report on the status of the Employee Complaint Program.

COUNCILWOMAN SWILLING COMMENDS SANITATION DEPARTMENT

Councilwoman Swilling said she had received favorable remarks regarding the Sanitation Department's trash pick up system. She said when these citizens have had problems with their trash pick up, the Sanitation Department has solved these problems without delay. She commended Mr. S. L. McHone, Superintendent of the Sanitation Department.

Adjournment.

Eugene C. Abramski Jr.
MAYOR

Miriam J. Rollerson
CITY CLERK

Verl Emrick, Planning Director, said although the Commission had recommended that the site plan be denied, under the Zoning Ordinance a group development approval automatically requires a public hearing, at the petitioner's expense.

After discussion, Councilwoman Swilling moved to schedule a public hearing on the matter for August 5, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

Councilwoman Swilling requested that the City Manager supply the Council with a report on the increase in the rate of crime in West Asheville over the past two years, before the public hearing relative to the Arrowhead Apartments.

REZONING REQUEST - GEORGE STOWE - NEW LEICESTER HIGHWAY

9. The City Manager read a letter from the Planning and Zoning Commission recommending approval of the rezoning request of Mr. George Stowe, by Bill Clendenin, Agent, that Ward 17, Sheet 11, Portion of Lot 66, be rezoned from R-3 Residential District to CS Commercial Service District.

Councilman Michael moved to schedule a public hearing on the matter for August 12, 1976. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REZONING REQUEST - WESTERN FOOD SYSTEMS - GREENHILL AVENUE

10. The City Manager read a letter from the Planning and Zoning Commission recommending approval of the rezoning request of Western Food Systems by Wayne Edwards, President, that Ward 5, Sheet 19, Lot 135 be rezoned from R-3 Residential District to CH Commercial Highway District.

Councilman Hoyle moved to schedule a public hearing on the matter for August 12, 1976. This motion was seconded by Councilman Morris and carried unanimously.

GROUP DEVELOPMENT REVIEW - WESTERN NORTH CAROLINA BAPTIST HOME

11. The City Manager read a letter from the Planning and Zoning Commission recommeding approval of the site plan of the proposed Western North Carolina Baptist Home to be located off Richmond Hill Drive.

Vice-Mayor Horton moved to schedule a public hearing on the matter for August 12, 1976. This motion was seconded by Councilman Hoyle and carried unanimously.

BEAUCATCHER MOUNTAIN PROJECT - MRS. MARILYN GORDON

Mrs. Marilyn Gordon, spoke to Council about the Chamber of Commerce printing petitions in favor of an open cut, and "setting up shop" at the Asheville Mall to obtain signatures on such petitions. She asked if such action was legal since the Chamber receives city funds. She said she did not feel this was right for the Chamber of Commerce to lobby against a citizen's group, who pay taxes in the City of Asheville.

RESOLUTION NO. 76-112 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA FOR A GRANT UNDER SECTION 119 OF THE FEDERAL-AID HIGHWAY AMENDMENTS OF 1974 (Bikeway Project)

3. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America for a grant under Section 119 of the Federal-Aid Highway amendments of 1974.

The City Manager read the resolution.

Verl Emrick, Planning Director, said the project was discussed during the month of June but was tabled until after July 1, 1976. He said the project will cost $114,250, with the federal government paying $91,440. The local share, $22,850, will come from Community Development Contingency Fund. He said the 3-1/2 mile bikeway would be 8' wide, which would be partially lighted and include signs, painted markings, and some traffic signals where it would intersect with city streets. He said this segment of the bikeway will be part of a 79 mile long systme of bicycle trails in Asheville and Buncombe County. He said there would be no right of way acquisitions, on this part of the project because it was all publicly owned property.

Mr. Emrick, responding to questions from members of Council, advised that although it seems to be an exorbitant price for a bike trail the federal government requires much more for such a demonstration project than would be needed for a regular bikeway.

After discussion, Councilman Rainey moved for the adoption of Resolution No. 76-112. This motion was seconded by Councilwoman Swilling and carried with a voice vote of 4-2, with Councilman Hoyle and Vice-Mayor Horton voting "no".

Complete text of Resolution No. 76-112 will be found in Resolution Book No. 9 at page 84 .

RESOLUTION NO. 76-113 - RESOLUTION APPROVING CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE UNITED STATES DEPARTMENT OF TRANSPORTATION, URBAN MASS TRANSPORTATION ADMINISTRATION, GRANT NUMBER NC-09-0019, AND AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO RECEIVE AND EXPEND FEDERAL FUNDS

4. Consideration was given to a resolution approving contract between the City of Asheville and the United States Department of Transportation, Urban Mass Transportation Administration, Grant Number NC-09-0019, and authorizing the City Manager of the City of Asheville to receive and expend federal funds.

The City Manager read the resolution.

Verl Emrick, Planning Director, advised that this grant in the amount of $21,048, would help offset the City's cost for transportation planning, concentrating efforts on the transit system to find ways to offset the cost of the system.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 76-113 was unanimously adopted.

Complete text of Resolution No. 76-113 will be found in Resolution Book No. 9 at page 85 .

Thursday - July 22, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Ralph D. Morris, Jr., Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the July 15, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the July 15, 1976 meeting were approved as submitted.

RESOLUTION NO. 76-110 - RESOLUTION IN MEMORIAM OF HAROLD H. THOMS

Mayor Ochsenreiter read a resolution in memoriam of Harold H. Thoms who recently passed away.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-110 was unanimously adopted.

Complete text of Resolution No. 76-110 will be found in Resolution Book No. 9 at page 81.

RESOLUTION NO. 76-111 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO DEVELOP A PLAYGROUND AT HALL FLETCHER SCHOOL

2. Consideration was given to a resolution authorizing the Director of Parks and Recreation to develop a playground at Hall Fletcher School.

The City Manager read the resolution.

Ray Kisiah, Parks and Recreation Director, said after opposition was received for a tot-lot on Francis and Metcalf Streets, a meeting was held at Hall Fletcher School, with the residents of the neighborhood to work out a compromise. It was determined that the Asheville Board of Education was planning to develop a ball field and two tennis courts at Hall Fletcher School, approximately 800 feet from the site of the proposed tot lot. He said the School Board has agreed to let the Asheville Parks and Recreation Department develop a tot lot on an unused portion of the school property.

The proposed playground site at the school encompasses six building lots, while the site at Frances and Bradley Streets included only one lot. He said the $18,840 in community development funds which had been authorized for the project will enable the City to buy more equipment for the larger site, since no money will be needed for buying the property. He said the change in location seemed acceptable to both those in favor of the original plan and those opposed.

After discussion, Councilman Morris moved for the adoption of Resolution No. 76-111. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 76-111 will be found in Resolution Book No. 9 at page 82.

Council members voiced concern over the high cost of the units, being $281 per month for a one-bedroom apartment and $365 per month for a two-bedroom apartment.

Mr. Jones responded that a resident is required to pay 25 per cent of his gross income, with HUD paying the difference between this amount and the cost of the rent. He said in order to be eligible an applicant must be 62 years old, disabled or handicapped.

After discussion, Councilman Michael moved to accept the staff's recommendation and submit to HUD that the project does meet the goals and objectives of the Asheville Housing Assistance Plan; and that the City Council offers no objection at this time and encourages HUD's speedy approval of the project. This motion was seconded by Councilman Rainey and carried unanimously.

Adjournment.

MAYOR

CITY CLERK

INTRODUCTION OF DR. LONNIE HORTON

Councilman Michael introduced Dr. Lonnie Horton with Minority Affairs in the Governor's Office. He said he has helped minorities get adjusted in new jobs and positions. He said he had also helped in consultations relative to minority groups.

REVIEW ON LAWLER, WOOD AND ASSOCIATES, INC. - CONVERSION OF FORMER OTEEN VA HOSPITAL INTO ELDERLY HOUSING PROJECT

5. Verl Emrick, Planning Director, said in accordance with the review procedures set up by the Department of Housing and Urban Development for Section 8 developments the area office in Greensboro has requested that the City of Asheville submit their comments on the project proposed by Lawler, Wood, and Associates to develop the former Oteen VA Hospital into a housing project for the elderly. He said the proposed complex will utilize five of the existing structures on the site. These structures would be renovated and converted into 203 one-bedroom apartments and 53 two bedroom units. This configuration would yield a net rentable area of 151,195 square feet. Each apartment unit will contain an approximate average of 500 square feet (largest 914 square feet; smallest 351 square feet). All of the proposed units will meet HUD standards for square footage. He said the developer proposes to provide a bus which will be specially designed and equipped for elderly and handicapped occupants. The overall purpose of the bus will be to compliment the Transit Authority's service already being provided in this area. He said the developer also plans to have cable TV in each unit as well as garden spots.

Mr. Emrick said staff comments were obtained from various divisions of the City. The City Engineer stated that the only problems identified at this juncture concerns the method of water metering. A master meter owned by the VA serves the entire area; therefore, it will be necessary to install a separate meter in the project so that the proper billing system may be installed. The Building Inspector voiced concern about compliance with providing adequate handicapped facilities, but satisfied at this stage that the developer will be able to provide the necessary facilities. He said the owners/developers must submit a rezoning petition to the City Council as a first step. Present zoning will not accommodate residential facilities of this nature. He said the project must also be submitted for Group Development approval prior to the issuance of any building permit and the developer has been so advised.

Mr. Emrick said the staff recommends that the City Council indicate the following to the Department of Housing and Urban Development:

1. The project does meet the goals and objectives of the Asheville Housing Assistance Plan; and

2. That City Council offers no objection at this time and encourages HUD's speedy approval of the project.

Mr. David Jones, Executive Director of the Asheville Housing Authority, said the Authority presently has 451 active elderly and disabled applications on file. He said the proposed development would greatly relieve the need of elderly housing.

PUBLIC HEARING - REZONING PROPERTY - LEICESTER HIGHWAY AND WESTWOOD DRIVE

ORDINANCE NO. 900 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to the rezoning of property at Leicester Highway and Westwood Drive from CS Commercial Service District to R-4 Residential District.

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this rezoning petition was first considered by Council in June but was remanded to the Planning and Zoning Commission for consideration of an R-4 Residential zone rather than a R-3 Residential District. He said the Commission did consider the R-4 zone but reaffirmed their original recommendation to zone the property R-3 Residential District for the following reasons:

1) R-4 Residential District permits certain uses which could be harmful to the established residential neighborhood; and

2) The rezoning of this property to R-4 is not in the best interest of the residents of the area.

Z. R. Shepherd, Louise Buchanan, and Linda Jarvis, all spoke in support of zoning the property R-3 Residential District.

Mayor Ochsenreiter closed the public hearing at 3:25 o'clock p. m.

The City Manager read an ordinance rezoning the property R-4 Residential District.

Councilman Rainey moved to amend the ordinance rezoning the property R-3 Residential District. This motion was seconded by Councilman Hoyle, which motion carried unanimously.

Councilwoman Swilling moved for the adoption of the ordinance, as amended. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 900 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 900. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 900 passed on its second reading.

Thursday- July 29, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

1. Approval of the minutes of the July 22, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the July 22, 1976 meeting were approved as submitted.

PUBLIC HEARING - CLOSING OF AN ALLEY OFF GREEN HILL AVENUE

RESOLUTION NO. 76-114 - RESOLUTION TO CLOSE AN ALLEY OFF GREEN HILL AVENUE

2. A public hearing was held relative to the closing of an alley off Green Hill Avenue.

Mayor Ochsenreiter opened the public hearing at 3:04 o'clock p. m.

The City Manager read the advertised notice to the public, Resolution No. 76-97, setting the time and date for the public hearing and the affidavit of publication. He also read an affidavit of M. Wayne Edwards, one of the petitioners for the closing of the alley, which stated that notices were prominently posted in at least two places along the alley proposed to be closed.

Verl Emrick, Planning Director, said this alleyway abuts a lot that Mr. Edwards purchased and has requested rezoning of the lot. He said a public hearing on the rezoning is scheduled before Council on August 12, 1976. He said Mr. Edwards proposes to purchase whatever interest the adjoining property owners may have in the alleyway. Mr. Emrick said this alleyway would have to be rezoned along with the proposed rezoning in order to use it in connection with the proposed business.

Steve Jones, attorney, by the use of a map, showed the location of the alley proposed to be closed. He said all adjoining property owners have agreed to the closing and that no individual owning property in the vicinity of the alley would be deprived of reasonable means of ingress and egress to his property by the closing of the alley.

Mayor Ochsenreiter closed the public hearing at 3:10 o'clock p. m.

The City Manager read the resolution closing said alley.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 76-114 was unanimously adopted.

Complete text of Resolution No. 76-114 will be found in Resolution Book No. 9 at page 87.

off the permanent loan.

He said it was their hope that the project, if approved, could be started within six (6) to nine (9) months. The period of construction would probably be between 12 and 18 months, with the apartments being pre-leased before they are ready for occupancy.

He said it was the developers opinion that this project would help the need for elderly housing units in the City of Asheville, as well as to revitalize the downtown area.

Mr. Howell said each unit will be heated and air conditioned, carpeted, and totally self contained with separate kitchen units. He said 10% of the units are being designed for the handicapped.

Referring to questions from members of Council, Mr. Howell said the hotel would be sold by Mr. Don Blackwell, the present owner, to a limited partnership and would be known as the Battery House Associates, Ltd. and when the approval of the project has been made, the partnership would then borrow the money, insured by HUD, from a lending institution.

In referring to staff comments from the Inspection Division, Mr. Howell said when the project has been approved complete working drawings will be presented and all state and local codes will be complied with as well as all of HUD requirements.

At this time, Mr. Emrick continued with the staff comments. He read a letter from Mr. David Jones, Jr., Executive Director of the Housing Authority, in which the Authority voiced concerns which are as follows:

1. Lack of available open space.

   The improvements on the above referenced parcel occupies all of the available land area. No space is available for outside uses, i. e., yards, walkways, gardens, etc.

   We are of the opinion that serious consideration should be given to some form of outside open space for elderly low-income residents.

2. Lack of off-street parking.

   No off-street parking is provided in the proposed plan as submitted. The only parking areas available to residents would be either hourly paid parking in front or on the side of the structure or monthly paid parking in an existing parking lot. Both would require additional physical and financial responsibility on the part of the resident.

   Similar elderly low-income housing developments of this type provide some form of parking spaces for the residents; Aston Park Towers - 49 spaces; Altamont - 10 spaces, the new proposed elderly development on Bartlett Street - 22 spaces.

INITIAL COMMENTS - PROPOSAL SUBMITTED BY BATTERY HOUSE ASSOCIATES, LTD. - BATTERY PARK HOTEL

4. Verl Emrick, Planning Director, said in accordance with the review procedures set up by the Department of Housing and Urban Development for Section 8 developments the area office in Greensboro has requested that the City of Asheville submit their comments on the project proposed by Battery House Associates, Ltd. to develop the former Battery Park Hotel into a housing project for the elderly.

Mr. Emrick also said three weeks ago Council voted to delay scheduling a public hearing relative to the repair or demolition of the Battery Park Hotel. He said, at this time, Council should schedule a public hearing date. He said it would be the staff's recommendation to accept the proposal of Battery House Associates, Ltd. under advisement until a public hearing is held on the matter.

Mr. Emrick said the developers propose to rehabilitate the existing structure (133,256 sq. ft.) to provide 122 units of elderly housing. The proposed unit configuration is as follows:

Type and Number of Units	Sq. Ft./ Unit	Proposed Rent	Fair Market Rent
(a) 113- one (1) BR	527	$255.00	$243.00
(b) 9- two (2) BR	662	332.00	316.00

In addition to the proposed 65,518 square feet of residential area, the developer proposes to utilize 10,500 square feet for commercial rental space. The initial commercial uses include, but are not limited to, a barber shop, convenience food store, beauty shop, etc. The indicated rental charge for the commercial space ranges from $2.50/ square foot to $4.00/ square foot.

By the use of a map, Mr. Emrick reviewed a detailed floor plan of the proposed project.

Mr. Emrick fielded questions from members of Council relative to the structure of the Battery Park Hotel.

The proposed project will be financed through a HUD insured mortgage under Section 221d4 or d3, utilizing Program 23 if available. The owner intends to pledge the Agreement and/or Contract for the loan if required.

Bill Howell, architect of William Howell and Associates, and also one of the general partners of Battery House Associates, Ltd. said Section 8 projects through HUD are subsidy programs, whereby if projects are approved by HUD, they will enter into a contract with the developer to subsidize rents of the tenants every month. The contracts are signed for five year intervals, and by law HUD is required to sign the contract with the developers for four (4) five year intervals and in essence signing a contract renewable every five years that will go for 20 years. The subsidized rent is based on the individuals income, and the individual would pay up to 25% of their income per year for rent, and the difference would be subsidized by HUD. He said the proposed rents are comparable within the HUD area and regional office. He said the fact that the mortgage is being insured does not mean that it is being financed by the government, but it is being conventional financed. The money for construction and financing will come from private sources. If the government approves the project, they will insure the permanent financing and if for any reason the project fails the government will step forward and pay

Therefore, given the above, caution should be exercised in reviewing all future projects so that this segment of the housing market does not become saturated in the Asheville area.

B. The staff of the Division also shares the concerns voiced by the Housing Authority and suggests that the developer indicate how the concerns can be dispelled.

C. In addition to those questions posed, the following should be answered to the satisfication of the Council prior to its granting any approval of this proposal.

1. Is this proposed use of the property the most beneficial to the Central Business District and Asheville as a whole?

2. Can this project marshall enough of the elderly housing market to assure its success, given this particular location?

3. Is the proposed financing package assured for the rehabilitation work proposed?

4. Is the management proposal satisfactory to meet the special needs of the elderly?

5. What special amenities are offered the prospective tennants on site and within the surrounding area?

6. What prior experiences has the developer had in this type of project?

Mr. Emrick further commented that the developer has answered most of the questions raised by the Planning Division, however it would be the staff's recommendation to Council to take no action on the proposal until after a public hearing is held to determine if the building is to be repaired or demolished.

Mr. Donald Blackwell, owner of the Battery Park Hotel, spoke in support of the proposed project, stating that Asheville needs to renovate the vacant buildings downtown which would bring a higher tax base. He requested that Council approve the proposed project and extend the time ordered for a public hearing to determine if the building should be repaired or demolished.

After discussion, Councilman Michael moved that the City Council recommend and submit to HUD that the project meets the goals and objectives of the City of Asheville and the City Council offers no objection at this time and encourages HUD's speedy approval of the project. This motion was seconded by Councilman Rainey, which motion was carried unanimously.

Councilman Rainey then moved to schedule a public hearing on the Battery Park Hotel for November 4, 1976. This motion was seconded by Councilman Hoyle, which motion carried unanimously.

3. **Saturation of elderly housing market in Asheville.**

The Housing Assistance Plan for fiscal year 1976-77 indicates 451 elderly rental households are needed to satisfy Asheville's elderly housing needs. 114 of these elderly units are being provided by the Asheville Housing Authority which are presently under construction. 250 units are projected in the first stage with an additional 150 units proposed for the second stage in in the Oteen elderly housing project.

It is our understanding that other elederly units are being considered in and around the City of Asheville.

In reviewing the Housing Authority's active waiting list, it is questionable if additional units will be needed.

The Planning Division made the following comments:

A. Relationship to Housing Assistance Plan (HAP)

In reviewing proposals such as this one, the Division is asked to determine if the project is, in fact, consistent with the locality's HAP, since this is the primary document used by HUD in evaluating an area's housing needs. With this in mind, it can be said that this proposal is consistent with the overall goals of providing safe and sanitary housing for Asheville's citizens. However, the same statement can also be applied to every other proposal we have reviewed. The more important question to ask is: How does this proposal relate to the specific number of units needed in the Asheville area to house elderly families and individuals?

In making this determination, the following figures can be of use:

1. Projected need of elderly rental units in FY 1976-77: 451

2. Requested Section 8 Elderly Housing Allocation:

a. New construction	100 units
b. Rehabilitated units	250 units
c. Provided by existing standard structures	33 units
	383 units

3. Elderly units approved by City Council as of July 22, 1976:

a. Asheville Housing Authority (conventional housing):	114 units
b. Oteen Proposal, First Stage:	256 units
	370 units

4. Other proposed elderly rental units (Section 8 and Other):

a. Arrowhead Apartments	100 units
b. Oak Knoll (Jaycees)	80 units
c. Battery Park	122 units
d. Oteen, Second Stage:	150 units
	452 units

The Corporation Counsel read the resolution.

Mr. John Cort, Architect, said all work outlined in the contract documents would be completed.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 76-116 was unanimously adopted.

Complete text of Resolution No. 76-116 will be found in Resolution Book No. 9 at page 91

RESOLUTION NO. 76-117 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR A WATER LINE EXTENDING NORTHERLY ALONG STATE ROAD 1248 (OAK HILL ROAD) FOR A DISTANCE OF 3,200 FEET

8. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina Board of Transportation for a water line extending northerly along State Road 1248 (Oak Hill Road) for a distance of 3,200 feet.

The City Manager read the resolution and explained that it has become necessary to replace the existing 2-inch water line on Oak Hill Road. This 2-inch line does not supply adequate service to our customers in that area. It is recommended by the Office of the City Engineer that this be replaced and up-graded with an 8-inch water line. The cost will be approximately 40,000 and will be paid out of the water system improvement fund that the County participates in financially.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-117 was unanimously adopted.

Complete text of Resolution No. 76-117 will be found in Resolution Book No. 9 at page 93.

RESOLUTION NO. 76-118 - RESOLUTION AMENDING ASHEVILLE'S 2ND YEAR (1976-77) COMMUNITY DEVELOPMENT PROGRAM BUDGETS AS LISTED, APPROVING A NEW COMMUNITY DEVELOPMENT PROJECT AND CHANGE IN THE DESIGNATION (NAME) OF AN APPROVED COMMUNITY DEVELOPMENT PROJECT

9. Consideration was given to a resolution amending Asheville's 2nd year (1976-77) Community Development Program Budgets as listed, approving a new Community Development Project and change in the designation (name) of an approved Community Development Project.

The City Manager read the resolution.

Logan Delany, Community Development Coordinator, said this resolution primarily clarifies programs previously approved by Council by putting them into one document. This resolution also provides for a new program entitled "Housing Rehabilitation Incentive Program" which will provide a 20% rebate or a maximum of $2,000 to the homeowner who agrees to improve his residence to meet Minimum Property Standards. The 20% rebate provides an incentive to the homeowner and assures him that he can make required improvements at a minimum cost. Official certification and inspection of the work is required prior to final approval and payment of the rebate.

RESOLUTION NO. _____ RESOLUTION REGARDING LIVINGSTON STREET NEIGHBORHOOD FACILITY AUDIT CONTRACT

5. Consideration was given to a resolution regarding Livingston Street Neighborhood Facility Audit Contract.

The City Manager read the resolution.

Councilman Hoyle suggested that since A. M. Pullen and Company had the contract for the city audit, these type audits should be spread out among other companies inthe City of Asheville.

Vice-Mayor Horton further suggested that no action be taken on the resolution until the Audit Selection Committee met to discuss this matter.

Mayor Ochsenreiter ruled that no action would be taken on the resolution at this time.

RESOLUTION NO. 76-115 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACTURAL AGREEMENT WITH BUNCOMBE COUNTY, NORTH CAROLINA TO ADMINISTER A PROGRAM ENTITLED "THE CITY OF ASHEVILLE POLICE/FIRE CADET PROGRAM"

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a contractural agreement with Buncombe County, North Carolina to administer a program entitled "The City of Asheville Police/Fire Cadet Program".

The City Manager read the resolution.

Sam Graves, Personnel Analyst, said this program has been developed to afford some training in employment opportunities that will hopefully lead up to permanent employment in the Public Safety Department, primarily the Police and Fire Departments. The program will extend over a 6 months period of time at which time the training officers in the two departments would work with the cadets and train them basically in the two public safety fields. The funding of the program will come from CETA, Comprehensive Employment Training Act, funds, which is administered by the County. The amount of the proposal is $44,291, primarily for salaries, uniforms, and equipment, as well as training costs. He said the program would initially begin with 10 cadets, however, the Manpower Board has indicated that if the program is successful the number of cadets could be extended.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 76-115 was unanimously adopted.

Complete text of Resolution No. 76-115 will be found in Resolution Book No. 9 at page 90.

RESOLUTION NO. 76-116 - RESOLUTION DIRECTING THE DIRECTOR OF FINANCE TO MAKE FINAL PAYMENTS TO M. B. HAYNES ELECTRIC CORPORATION AND MOSER, INC. FOR WORK PERFORMED ON ASHEVILLE CIVIC CENTER AND THOMAS WOLFE AUDITORIUM

7. Consideration was given to a resolution directing the Director of Finance to make final payments to M. B. Haynes Electric Corporation and Moser, Inc. for work performed on Asheville Civic Center and Thomas Wolfe Auditorium.

BIDS - CONSTRUCTION OF SWIMMING POOL AT BEE TREE LAKE

12. Consideration was given to bids received for the construction of a swimming pool at Bee Tree Lake.

The City Manager read a memorandum from the Purchasing Agent which stated that bids were opened on June 21, 1976 and Gatlinburg Construction Company submitted the only bid received, which was returned unopened. A second advertisement for bids was issued to be opened July 6, 1976. There were no responses to this bid request. Gatlinburg Construction called stating there had been a delay in the mail and bid invitation was not received until same date bids were due to be opened. A third advertisement for bids was issued and opened and read in the County Chambers Monday, July 26, 1976. Again, only one (1) bid was received, submitted by Gatlinburg Construction Company, Inc. in the amount of $33,500.00. The Purchasing Agent recommends acceptance of the bid submitted by Gatlinburg Construction Company.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Gatlinburg Construction Company, Inc., in the amount of $33,500.00. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIM - MORTON DISTRIBUTING COMPANY

The City Manager presented a damage claim received from Morton Distributing Company.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MAGGIE C. TOBE

The City Manager presented a claim received from George W. Moore, Attorney, on behalf of Maggie C. Tobe.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

Adjournment.

MAYOR

CITY CLERK

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 76-118 was unanimously adopted.

Complete text of Resolution No. 76-118 will be found in Resolution Book No. 9 at page 94.

RESOLUTION NO. 76-119 - RESOLUTION AUTHORIZING THE TRANSFER OF THE APPLE TREE ARK NATURE CENTER TO THE BUNCOMBE COUNTY COMMISSIONERS

10. Consideration was given to a resolution authorizing the transfer of the Apple Tree Ark Nature Center to the Buncombe County Commissioners.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 76-119 was unanimously adopted.

Complete text of Resolution No. 76-119 will be found in Resolution Book No. 9 at page 96.

ORDINANCE NO. 901 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77

11. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1976-77 for the appropriation of the Federal Programs Fiscal Office in the General Fund.

The City Manager read the ordinance and explained that this ordinance would clarify the appropriation of the Federal Programs Fiscal Office in the General Fund, although the office is funded with federal funds.

Councilwoman Swilling moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 901 passed on first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 901 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 901. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 901 passed on third and final reading.

Complete text of Ordinance No. 901 will be found in Ordinance Book No. 7 at page 32.

Zoning - Public hearing on rezoning of property on Brevard Road and Dogwood Road on property owned by R. Jack Ingram. 166

Zoning - Proposed amendment to present zoning ordinance (322) relative to Commercial Regional District; Hearing scheduled - page 173; hearing and first reading on ordinance - page 204; second reading - page - 212; third reading - page 220.

1. Width of driving lanes shown as twenty feet (20') should be twenty-four (24') feet minimum.

2. Water line from connection at Amboy Road to the second fire hydrant near building 1-5 should be upgraded from 6" line to 8" line.

3. Erosion control plan must be approved by the Land Quality Section, Department of Natural and Economic Resources.

4. The Metropolitan Sewerage District must approve the connection to existing sewer line south of Amboy Road.

Mr. Emrick said all these requirements have been agreed to by the developer.

He said in the opinion of the Commission the project would provide a higher concentration of low income housing in one particular area.

He said the Housing Authority had also recommended denial of the project for the same reasons eluded by the Planning and Zoning Commission. He said it was the Authority's policy, as well as the federal government, that no one particular area be used for low income housing but rather to spread them throughout the city.

J. C. Hall, Chief of Police, gave a report to Council of the increase in crime in the West Asheville area since 1972. He said he contributed the increase to the low income housing projects in the area.

Mr. Frank Jamison, President of Alco Properties, Inc., developers of the project, said their company had been involved in this project for the past fourteen months, or since the inception of HUD's Section 8 Subsidized Housing Program. He said HUD had approved the project in March, 1976 after going through the review process and determining that the project was in conformance with Asheville's Housing Assistance Plan.

He said bus service would be available to the tenants and if necessary the developers would place a security guard at the project to deter an increase in crime. He said he felt one of the main objectives to the project was the close proximity to Pisgah View Apartments. He presented a map of all housing projects in the Asheville area, showing that this project would not be concentrating low income housing in one particular area.

Mr. Jamison said the project would be owned by private partnership and financed through a FHA mortgage. He also commented that this project would generate a tax revenue in Asheville. He reviewed the rental rates of the units, stating that tenants would only pay 25% of their income to rent payments.

Mrs. Lucille Gunter, Mrs. Robert Sluder and Mrs. Conard all spoke in opposition to another low income housing project being constructed in the West Asheville area.

Mr. and Mrs. Elrod and Mrs. Wilma Webb stated that if the project was developed as proposed by the developers they would have no objection.

Mr. Charles Norman and Mr. E. R. McCarthy stated that the residents in West Asheville were extremely opposed to the construction of the project.

Thursday - August 5, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager Ernest J. Ward

1. Approval of the minutes of the July 29, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the July 29, 1976 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN - PROPOSED ARROWHEAD APARTMENTS

2. A public hearing was held relative to the site plan of the proposed Arrowhead Apartments to be located off Michigan Avenue near Amboy Road.

Mayor Ochsenreiter opened the public hearing at 3:03 o'clock p. m.

Verl Emrick reported that the Planning and Zoning Commission had reviewed the proposed site plan of the Arrowhead Apartments and recommended to Council that approval of the site plan be denied for the following reasons:

1. Project will cause a higher degree of concentration of low income housing in West Asheville than the remainder of the city.

2. It is in too close proximity to Pisgah View Apartments, a low income housing development.

3. It is isolated from shopping areas.

4. Streets are narrow and some do not have sidewalks.

5. It is too near the race track.

He said the proposed project will consist of 150 units (new construction) which will include 100 units for the elderly and 50 units for non-elderly families. The non-elderly units include 16 one-bedroom units, 24 two-bedroom units, and 10 three-bedroom units. The site is 13 acres in size and will include, in addition to housing units, an office and laundry facility.

Mr. Emrick said the property is zoned R-3 Medium Density Residential District and the maximum density permitted is 16 units per acre with the project providing 11.5 units per acre. The parking requirements are 150 spaces with the project providing 194 parking spaces.

He said the proposed project has been reviewed for compliance with Article 6 - Group Developments and most requirements of that section have been satisfied. Requirements that must be complied with before final review are as follows:

ORDINANCE NO. 900 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Leicester Highway and Westwood Drive)

4. Consideration was given to the third and final reading of Ordinance No. 900, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Leicester Highway and Westwood Drive from CS Commercial Service District to R-3 Residential District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 900 passed on third and final reading.

Complete text of Ordinance No. 900 will be found in Ordinance Book No. 7 at page 32.

APPROVAL OF THE SALE OF PARCELS 60, 111, 122, AND 144 - EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

5. Consideration was given to approval of the sale of Parcels 60, 111, 122, and 144 in the East Riverside Urban Renewal Project N. C. R-48.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said Parcel 60, located on Asheland Avneue would be sold to Eugene Winner for the amount of $63,000 to be used for Commercial purposes; Parcel 111, located off Bartlett Street would be sold to Jake Sulton for the amount of $725.00 for a residential use; Parcel 122, located on Ora Street, would be sold to M. A. Shuford and H. T. Atkins for the amount of $1,588.00 for a residential use; and Parcel 144, located at the corner of Choctaw and McDowell Street, would be sold to Hines, Hines, and Tate for the amount of $35,000, to be used for Office and Institutional use. He said the Housing Authority has recommended approval of these sales.

Councilwoman Swilling moved for the approval of the sale of Parcels 60, 111, 122 and 144 as recommended by the Housing Authority. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 903 - AN ORDINANCE AMENDING SECTION 28-83 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an ordinance amending Section 28-83 of the Code of Ordinances of the City of Asheville.

The Corporation Counsel read the ordinance.

The Assistant City Manager explained that this ordinance would only change Amboy Road's State Road number from SR 3557 to SR 3556.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

Mr. Bill Moore, of Moore-Robinson Associates, Architects, for Alco Properties, Inc., commented on the project saying that all requirements for the project had been complied with and encouraged Council's approval of the project.

Mayor Ochsenreiter closed the public hearing at 4:35 o'clock p. m.

Vice-Mayor Horton stated that he would be opposed to the approval of the project due to its close proximity to the largest housing project in the City of Asheville, being Pisgah View Apartments.

Councilman Michael said he felt Council should acknowledge the recommendations made by the Planning and Zoning Commission and the Housing Authority.

Councilwoman Swilling said she had received many comments in opposition to the proposed project.

Not receiving a motion for approval, Mayor Ochsenreiter ruled that approval of the project was denied.

PUBLIC HEARING - DEMOLITION OF 80 CLINGMAN AVENUE, 126 HIGGINS ALLEY, 9 MOUNTAIN STREET AND 78 ROBINDALE AVENUE

ORDINANCE NO. 902 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 80 CLINGMAN AVENUE, 126 HIGGINS PLACE, 9 MOUNTAIN STREET, AND 78 ROBINDALE AVENUE

3. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 80 Clingman Avenue, 126 Higgins Place, 9 Mountain Street and 78 Robindale Avenue.

Mayor Ochsenreiter opened the public hearing at 4:40 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, stated that an inspection was made of each of the premises this date and no repair work had been started on any of the dwellings. He presented photographs of each of the dwellings to be demolished. He said due process of law had been completed on each location.

Mayor Ochsenreiter closed the public hearing at 4:45 o'clock p. m.

The Corporation Counsel read the ordinance directing the Housing Officer to proceed with the demolition and removal of 80 Clingman Avenue, 126 Higgins Place, 9 Mountain Street and 78 Robindale Avenue.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 902 passed on first reading.

Vice-Mayor Horton, a member of the Audit Selection Committee, said the Committee had met and after hearing the reasons behind the selection of A. M. Pullen and Company, the Audit Selection Committee is in abeyance with the staff recommendation.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 76-121 was adopted with Councilman Michael voting "no".

Complete text of Resolution No. 76-121 will be found in Resolution Book No. 9 at page 98.

AMUSEMENT ARCADES - DISCUSSION - SPACE MISSION AND PINBALL WIZARD

Nicholas Peterson, co-owner of the Space Mission Amusement arcade on Merrimon Avenue, appeared before Council to protest what he felt was unfair treatment of his business by the city's Inspection Division. Referring to a state law requiring that rest rooms be equipped for use by paraplegics, Mr. Peterson, said he had received a letter dated June 17, 1976 from Gary R. Lance, Building Inspection Supervisor, in which he was told to "cease and desist operation, immediately" until the rest room requirements were met. He said his establishment has four rest rooms, while the Pinball Wizard, a competitor, has only one rest room which must be used by both men and women. He alleged that the Pinball Wizard obtained a business license prior to inspection. He said he felt this was unequal treatment. He said he felt the Pinball Wizard should be ordered to close or be forced to put in the required restrooms. He also alleged that his business had been over-inspected by the Inspection Division.

J. E. Johnson, Director of Building Inspections, said Mr. Peterson was treated fairly, explaining that both businesses were given the same order and both operated without a license while they try to comply with the order.

Ken Michalove, Assistant City Manager, said he had given members of Council a report on this matter, concluding a month long investigation into alleged irregularities in the building inspection and business licensing departments, and had found that city employees were "carrying out their responsibilities in a fair and impartial manner", however he had recommended procedures for strengthening the inspection and licensing system. He expressed willingness to look into any charges of unfair and impartial treatment; however,on occasions when inspectors have been alleged to have favored a business, specifics could not be obtained and he could not follow up vague accusations.

Councilman Rainey expressed concern that there is serious doubt in his mind about the impartiality and fairness in the Inspection Division. He said he did not feel that this was an isolated instance and suggested that an item be placed on the agenda for the next Council meeting to air out the problem and to have a report on the status of the Pinball Wizard.

Councilwoman Swilling also questioned the impartiality shown in the Inspection Division.

It was the consensus of Council to discuss the matter informally with members of the staff and hear additional reports before placing the item on the published agenda.

5

On a roll call vote of 6-0, Ordinance No. 903 was passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 903. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 903 passed on its second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 903. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 903 passed on its third and final reading.

Complete text of Ordinance No. 903 will be found in Ordinance Book No. 7 at page 37.

RESOLUTION NO. 76-120 - RESOLUTION OF INTENT TO ASSIST THREE MOUNTAINEERS, INCORPORATED IN DEVELOPING A NEW PLANT FACILITY IN THE CITY OF ASHEVILLE AND BUNCOMBE COUNTY

7. Consideration was given to a resolution of intent to assist Three Mountaineers, Incorporated in developing a new plant facility in the City of Asheville and Buncombe County.

The Assistant City Manager read the resolution and explained that this resolution would express the intent of Council to financially assist in the relocation of a major sewer line which crosses the proposed construction site of Three Mountaineers, Inc. at Koon Development, provided they construct or locate a plant at said site. He said the Three Mountaineers Company shall be responsible for those services and costs detailed in a letter from Mr. Hollis Sprinkle to William Wolcott dated July 28, 1976. He said the City of Asheville and County of Buncombe shall each pay 45% of the contract cost for relocating the sewer line, with the understanding that neither governmental unit shall be obligated to an amount exceeding $20,000. He said this resolution would be effective upon passage of a similiar resolution by the Board of Commissioners for the County of Buncombe.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 76-120 was unanimously adopted.

Complete text of Resolution No. 76-120 will be found in Resolution Book No. 9 at page 97.

RESOLUTION NO. 76-121 - RESOLUTION REGARDING LIVINGSTON STREET NEIGHBORHOOD FACILITY AUDIT CONTRACT

8. Consideration was given to a resolution regarding Livingston Street Neighborhood Facility Audit Contract.

The Assistant City Manager read the resolution and explained that Council had considered this resolution during the meeting on July 29, 1976 but took no action until the Audit Selection Committee had an opportunity to meet to discuss the possibility of awarding auditing contracts to various firms in the City of Asheville rather than to the firm of A. M. Pullen Company, the present city auditor.

The downtown of Asheville cannot be restored until our city council, and city officials decide to first clean our town of the refuse in our streets daily. Other towns have accomplished this and now are restoring their business area in their downtown area. As long as this type of confusion remains, it is unlikely that any new business establishments would seek location in the downtown area.

The Asheville Police Department cannot be faulted with such actions on our streets. They have repeatedly arrested these people only to find they have been released before their paperwork has been completed. The City of Asheville needs to follow-up on this action and make sure these laws and ordinances are enforced.

It might be well for the City officials and members of the city council to pose themselves as tourist one weekend and visit these streets, especially Lexington Avenue. That would be one way to find out if you as an interested business establishment would be interested in locating your business within these three busy streets.

WE THE MERCHANTS INVITE YOU ONE AND ALL !!!!!!!!!!!!!

The Merchants of Downtown Asheville

The petition contained approximately 21 signatures of business establishments in the downtown Asheville area.

Mayor Ochsenreiter referred the petition to the staff for investigation and recommendation.

COUNCIL MEMBERS INVITED TO PLAYGROUND FINALE

Mayor Ochsenreiter read an invitation to members of Council to attend the playground finale at Hall Fletcher School on Thursday, August 5, 1976 at 7:00 o'clock p. m. He said this would end this playground summer season for the Parks and Recreation Department.

Adjournment.

MAYOR

CITY CLERK

7

RESOLUTION NO. 76-122 - RESOLUTION APPOINTING MEMBERS TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE BUNCOMBE COUNTY YOUTH COUNCIL

Consideration was given to a resolution appointing Rev. Bud Holland, Mrs. Elizabeth Eubanks, Mrs. Catheryn Kinser, Rev. Dicks McKell, Mr. Mike Moser, and Mr. H. H. Zuegner to the Adult Advisory Board of the Asheville Buncombe County Youth Council.

The Assistant City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 76-122 was unanimously adopted.

Complete text of Resolution No. 76-122 will be found in Resolution Book No. 9 at page 99.

GROUP DEVELOPMENT - THREE MOUNTAINEERS, INC. - PUBLIC HEARING SET

The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended approval of the site plan of the proposed expansion of Three Mountaineers, Inc. located on Simpson Street, subject to the following conditions:

1) Compliance with the City of Asheville's Erosion Control Ordinance; and

2) That the developer work closely with the City of Asheville relative to the relocation of the existing sewer line as shown on the site plan.

Councilman Morris moved to schedule a public hearing on the matter for August 26, 1976. This motion was seconded by Councilman Michael and carried unanimously.

REZONING REQUEST - WESTERN FOOD SYSTEMS - WAYNE EDWARDS - WARD 5, SHEET 19, LOT 137-1/4

The Assistant City Manager read a letter from the Planning and Zoning Commission which recommended the approval of the rezoning request to rezone Ward 5, Sheet 19, Lot 137-1/4 from R-3 Residential District to CH Commercial Highway District.

Councilman Hoyle moved to schedule a public hearing on the matter for August 26, 1976. This motion was seconded by Councilman Michael and carried unanimously.

PETITION - DOWNTOWN ASHEVILLE MERCHANTS - CLEANING UP OF BROADWAY, COLLEGE, AND LEXINGTON AVENUE

The Assistant City Manager read the following petition:

"We the downtown Asheville Merchants are concerned as to the difficulties we are having around the Broadway, College, and Lexington Avenue block. The bulk of the city trade is now centered within these streets. We the merchants are naturally concerned about our business future in the downtown area if the present situation is not cleared out. That situation being mainly the Bars located in these areas. This presents problems such as winos constantly on the sidewalks, public display of drinking alcoholic beverages on the street, and women on the street so bold as to approach men while in their cars in traffic.

ORDINANCE NO. 904 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED
PUBLIC HEARING - REZONING - GREENHILL AVENUE - WESTERN FOOD SYSTEMS

3. A public hearing was held relative to the rezoning of property on Greenhill Avenue from R-3 Residential District to CH Commercial Highway District, owned by Western Food Systems.

Mayor Ochsenreiter opened the public hearing at 3:17 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission recommended that the rezoning request be approved for the following reasons:

1. Access to adjoining residential streets will be prohibited by deed restriction therefore the usage will not increase the traffic flow in the neighborhood.

2. Land use trends indicate an increasing commercialization of the area, which make this parcel inadequate for future residential usages.

By the use of a map, Mr. Emrick reviewed the location of the proposed rezoning. He said no opposition to the request had been received.

Mayor Ochsenreiter closed the public hearing at 3:25 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Morris moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 904 passed on first reading.

PUBLIC HEARING - REZONING - LEICESTER HIGHWAY - GEORGE A. STOWE

ORDINANCE NO. 905 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to the rezoning of property on Leicester Highway from R-3 Residential District to CS Commercial Service District, owned by George A. Stowe.

Mayor Ochsenreiter opened the public hearing at 3:26 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission recommended that the property be zoned as requested for the following reasons:

Thursday - August 12, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

1. Approval of the minutes of the August 5, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the August 5, 1976 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN - WESTERN NORTH CAROLINA BAPTIST HOME

2. A public hearing was held relative to the site plan of the proposed Western North Carolina Baptist Home to be located off Richmond Hill Drive.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

Verl Emrick reported that the Planning and Zoning Commission had reviewed the proposed site plan of the Western North Carolina Baptist Home and recommended to Council that the site plan be approved subject to the following:

1) Compliance with recommendations of Water and Sewer Department.

2) Driving lanes to be upgraded to a minimum pavement width of 24'.

3) Compliance with the City of Asheville's Erosion Control Ordinance.

Mr. Emrick said the developers have indicated their compliance with the conditions.

By the use of a map, Mr. Emrick reviewed the location of the Baptist Home.

Mr. Emrick said approximately 80 notices were mailed out to the residents surrounding the proposed Baptist Home, notifying them of the public hearing.

He said the Water and Sewer Department has recommended that an 8" line be installed to serve this area and the developer has agreed to supplying the 8" line.

Council questioned the needed improvements to Pearson Bridge Road, leading up the proposed Baptist Home. It was the consensus to have a letter sent to the N. C. Department of Transportation emphasizing the need for improvements on Pearson Bridge Road.

Mayor Ochsenreiter closed the public hearing at 3:16 o'clock p. m.

Vice-Mayor Horton moved to approve the site plan of the proposed Western North Carolina Baptist Home to be located off Richmond Hill Road. This motion was seconded by Councilman Hoyle and carried unanimously.

Don Walsh, of the Water and Sewer Services, said this two inch line would serve a small section of a subdivision known as the Forest Subdivision. He said the construction of the line would be done by the developer at no cost to the City.

Several Council members questioned the feasibility of installing a two inch line to a subdivision. It was their feeling that a larger line should be installed to eliminate future water pressure problems.

Bill Edens, City Engineer, said the 2" line would provide good water pressure and adequate volume, but would not be adequate for fire protection. He said the residents do not have fire protection at this time but are dependent upon the volunteer fire departments.

Councilman Rainey said it was his understanding that a proposed moratorium on building was placed on the Forest Subdivision area due to the inadequacy of the sewer lines.

Mr. Wolcott, Assistant City Manager and Acting Water and Sewer Director, said a meeting was scheduled for next week with the Health Department in an effort to have the problem of sewer lines solved.

After discussion, Councilman Michael moved for the adoption of Resolution No. 76-123. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 76-123 will be found in Resolution Book No. 9 at page 100.

RESOLUTION NO. 76-124 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY (Hiawassee Street and Rankin Avenue)

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution and explained that this easement was on property belonging to the City of Asheville located on Hiawassee Street on the North, Rankin Avenue on the East and Flint Street on the west and was for the purpose of relocating an electric power line.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 76-124 was unanimously adopted.

Complete text of Resolution No. 76-124 will be found in Resolution Book No. 9 at page 101.

STATUS REPORT ON POLICE COMMUNITY RELATIONS

8. Sam Graves, of the Personnel Division, presented members of Council with a report on the agreement between the staff of the City of Asheville and the Citizens Coalition. He said this report is a result of a mediation process that began in March, 1976. He said the report was in two sections, one outlines the agreement which sets forth eight (8) measures to be taken by the City's administrative staff to improve conditions in the police and fire departments. The second part is primarily the activities that have been accomplished by the City staff to date, in implementing some of the items agreed upon. He said the measures deal with administration and public relations activities.

1. The zoning change would eventually accomodate a retail shopping complex, which the residents of this area do not presently have.

2. The rezoning will provide adequate area for larger and more stable types of commercial enterprises.

3. It is the staff's opinion that the character of the neighborhood would not be adversly affected by the proposed change.

By the use of a map, Mr. Emrick reviewed the location of the proposed rezoning. He said no opposition to the change had been received.

Councilman Rainey commented that he felt the City Council should not zone property beyond the City Limits. He said zoning the one-mile perimeter in the beginning was a mistake.

Mr. Emrick reviewed the background of the city's zoning jurisdiction in the one-mile perimeter.

Bill Clendenin, agent for George A. Stowe, spoke in support of the rezoning request.

Mayor Ochsenreiter closed the public hearing at 3:47 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

Councilman Rainey moved for the adoption of Ordinance No. 905. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 905 passed on first reading.

ORDINANCE NO. 902 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 80 CLINGMAN AVENUE, 126 HIGGINS PLACE, 9 MOUNTAIN STREET AND 78 ROBINDALE AVENUE

5. Consideration was given to the second reading of Ordinance No. 902, an ordinance directing the Housing Officer to demolish those dwelling houses known as 80 Clingman Avenue, 126 Higgins Place, 9 Mountain Street, and 78 Robindale Avenue.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 902 passed on its second reading.

RESOLUTION NO. 76-123 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE CROSSING STATE ROAD 2066 (PINECROFT ROAD)

6. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line crossing State Road 2066 (Pinecroft Road).

The City Manager read the resolution.

Mr. Jones said he had also talked with the members of the Senior Opportunity Center and it was their recommendation that if both sites could not be approved for Elderly Housing Projects, their preference would be the Oteen VA site.

Mr. Carl Johnson, spokeman for the "Residents' Council" said after visiting both sites it was the Council's desire to prefer the Oteen VA site. He said one of the main objectives of the Battery Park Hotel site was the inadequacy of parking facilities. He said the Oteen site provided garden areas, recreational facilities, shaded areas, benches, free shuttle buses, as well as parking facilities.

Councilman Rainey suggested that the "Residents' Council" also tour the Battery Park Hotel site, with a representative of the developer to obtain a fairer report on the matter. Mr. Jones agreed to meet with the Council and a representative of the Battery Park Hotel.

Councilman Morris suggested that the matter be placed on the public agenda for consideration by Council at the next Council meeting. He said he felt this Council had an obligation to make a decision on the preference of the two projects.

Corporation Counsel Moore said a legal problem had come up relative to the tax status of the two projects. He said letters are in the process of being forwarded to the Board of Tax Supervision to make a determination as to whether the two projects would or would not be tax exempt. He said this factor would be of importance to the City of Asheville. He said this information could probably be obtained before next weeks meeting.

Mr. E. R. McCarthy said the nationwide surveys indicate that elderly people prefer to be downtown in the mainstream of life.

Donald M. Blackwell, owner of the Battery Park Hotel, presented members of Council with a letter from the proposed developers of the project, which offered three possible solutions to the parking problems at the Battery Park Hotel. The solutions were on-street parking, if Council would allow it, leased spaces from the owner of a nearby parking lot; or leased spaces in the City's new downtown parking garage. He said he would also be willing to meet with the "Residents' Council" to tour the facility.

At the request of Councilman Michael, Mr. Jones and Mr. Johnson agreed to circulate a preference petition among the elderly residents to determine which project they would prefer.

STATUS REPORT ON CARROLL AVENUE BRIDGE

The City Manager said the State Highway Commission originally included the Valley Street area in their Seven Year Plan, however Council did not wish to wait on the replacement of the Carroll Avenue Bridge. He said as soon as the right-of-way problems are solved in the area the plans would be revised to replace the bridge and this project would be given the highest priority. He said he would have a further report to Council on the matter within two weeks.

13

RESOLUTION NO. 76-125 - RESOLUTION OF INTENT TO CLOSE PORTIONS OF BLANTON STREET, DEWITT STREET AND SOUTH GROVE STREET AND ALL OF SILVER STREET AND FIVE (5) UNNAMED ALLEYS AND CALLING A PUBLIC HEARING ON THE QUESTION

9. Consideration was given to a resolution of intent to close portions of Blanton Street, Dewitt Street and South Grove Street and all of Silver Street and five (5) unnamed alleys and calling a public hearing on the question.

The Corporation Counsel read the resolution.

Councilman Morris moved for the adoption of Resolution No. 76-125, scheduling the public hearing for September 9, 1976. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 76-125 will be found in Resolution Book No. 9 at page 102.

RESOLUTION NO. 76-126 - RESOLUTION IN REGARDS TO ENGINEERING SERVICES FOR WATER MAIN CROSSING FRENCH BROAD RIVER AT SMITH BRIDGE

10. Consideration was given to a resolution in regards to engineering services for water main crossing French Broad River at Smith Bridge.

The City Manager read the resolution.

Bill Edens, City Engineer, said Phase III of the City's Water Quality Improvement Program envisions a subaqueous crossing of the French Broad River upstream from the Smith Bridge, replacing an existing line currently laid on the deck of Smith Bridge. Engineering design for this crossing requires the services of engineers specialized in exploring underwater foundations. He said this resolution would authorize the City Engineer to accept a proposal from Froehling and Robertson Inc. to provide the specialized engineering services required to examine the foundation and advise the City Engineer regarding the construction of this crossing.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 76-126 was unanimously adopted.

Complete text of Resolution No. 76-126 will be found in Resolution Book No. 9 at page 110.

STATEMENT BY COUNCILMAN MICHAEL - RE: MURDERS IN THE CITY OF ASHEVILLE

Councilman Michael suggested that the Police Department be supported in the form of additional funds or manpower in an attempt to solve the three (3) murders occuring in the City of Asheville during the past week.

DISCUSSION ON SECTION 8 ELDERLY HOUSING PROJECTS - BATTERY PARK HOTEL AND OTEEN VA SITES

David Jones, Executive Director of the Asheville Housing Authority, said, as requested by City Council, a meeting was held with the "Residents' Council", composed of representatives of the various housing projects, to discuss the proposed Section 8 Elderly Housing Projects now under consideration. He said nine (9) members of the Residents' Council visited the Battery Park Hotel and the Oteen VA sites. He said the developer of the Oteen VA site toured the premises with the Council and reviewed in detail the proposed project.

16

The petition contained approximately 131 signatures.

Councilman Rainey said he had received numerous complaints regarding this creek and had raised the question relative to the creek in December, 1975. He said he felt an engineering study on the creek needed to be done as soon as possible.

CLAIM - MONEYWORTH, INC. - DAMAGES

The City Manager presented a claim from Wesley Fleming Talman, Jr. on behalf of Moneyworth, Inc. for damages sustained by a backed-up city sewer at 46 Wake Robin Way.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - CURTIS JAMES

The City Manager presented a claim from Curtis James requesting reimbusement of $14.00 paid to Lyda's Truck Service and $13.68 for time lost from his job due to the Police Department towing away his car from in front of his house.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

BATTERY PARK HOTEL - SECTION 8 ELDERLY HOUSING

Mr. Audie Ellis said he would prefer that Council endorse the proposal of the Battery Park Hotel for an Elderly Housing Project. He said the elderly would have greater police and fire protection downtown.

Adjournment.

MAYOR

CITY CLERK

PETITION - RESIDENTS OF NORTH ASHEVILLE COMMUNITY - CREEK HAZARD

The City Manager read the following petition received from residents of the North Asheville Community:

- Petition

To the Mayor of Asheville, The Honorable Eugene Ochsenreiter, Members of the City Council, and The Director of Parks and Recreation.

Whereas, the citizens of the community of North Asheville, a division of the City of Asheville, as witness by their signatures affixed hereto, herein petition the addressees, whose obligation it is to provide for the safety of such citizens, to eliminate a hazard to the health and safety of the children of said citizens by filling in, culverting, or otherwise covering over the creek that presently courses through W. T. Weaver Park.

1. Whereas, the creek is a breeding place for rats that are a hazard both for the danger of their bite and diseases known to be carried by them.

2. Whereas, bats have been discovered under the overhanging banks of the creek, and bats are carriers of hydrophobia.

3. Whereas, the creek is from time to time filled with broken glass, constituting a hazard to children who attempt to retrieve balls and other items inadvertently dropped, rolled or thrown therein.

4. Whereas, the latest of several injuries that have been caused by various protruding obstructions was extremely serious and required more than fifty stitches in the face of a child to close.

5. Whereas, the creek provides no useful service and is not desireable from an esthetic viewpoint.

For the reasons enumerated above, the aforementioned citizens demand that their elected representatives; the addressees of this petition, take immediate action in compliance with the provisions of this petition.

an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED rezoning property on Leicester Highway from R-3 Residential District to CS Commercial Service District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 905 passed on second reading.

Councilman Rainey moved to suspend the rules and proceed to the third reading of Ordinance No. 905. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 905 passed on third and final reading.

Complete text of Ordinance No. 905 will be found in Ordinance Book No. 7 at page 40

SECTION 8 HOUSING PROPOSALS FOR THE BATTERY PARK HOTEL AND OTEEN VA SITES

Mr. David Jones, Executive Director of the Housing Authority for the City of Asheville, said he felt there had been a misunderstanding relative to the Housing Authority's role in the two Section 8 Housing Proposals. He said neither of the proposals are Housing Authority projects and the Authority would have limited involvement in the developments. He said whatever project is approved the Housing Authority pledges their support to the project.

Mr. Jones said at the request of the City Council, members of the Residents Organization met on several different occasions during the past week to meet with the developer of the Battery Park Hotel to review their proposals. He said at the conclusion of the tours and reviews, residents of the Altamont Apartments, Aston Park Towers and representatives of scattered sites voted on which proposal they felt would be best for the City of Asheville.

The results of the balloting were as follows:

Altamont Apartments

Battery Park Hotel		16
Oteen		11
	Total	27

Percentage: 59 in favor of Battery Park
41 in favor of Oteen

Aston Park Towers

Battery Park Hotel		1
Oteen		20
	Total	21

Percentage: 95 in favor of Battery Park Hotel
5 in favor of Oteen

Thursday - August 19, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr. and Councilman Otis B. Michael

1. Approval of minutes of August 12, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the August 19, 1976 meeting were approved as submitted.

Councilwoman Swilling encouraged everyone to attend the four-day opening celebration of the High Country Crafters on Haywood Street. She said it was the Council's hope that this opening would begin to revitalize the downtown area.

ORDINANCE NO. 902 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 80 CLINGMAN AVENUE, 126 HIGGINS PLACE, 9 MOUNTAIN STREET, AND 78 ROBINDALE AVENUE

2. Consideration was given to the third reading of Ordinance No. 902, an ordinance directing the Housing Officer to demolish those dwelling houses known as 80 Clingman Avenue, 126 Higgins Place, 9 Mountain Street, and 78 Robindale Avenue.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 902 passed on its third and final reading.

Complete text of Ordinance No. 902 will be found in Ordinance Book No. 7 at page 34.

ORDINANCE NO. 904 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Greenhill Avenue)

3. Consideration was given to the second reading of Ordinance No. 904, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Greenhill Avenue from R-3 Residential District to CH Commercial Highway District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 904 passed on its second reading.

ORDINANCE NO. 905 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property on Leicester Highway)

4. Consideration was given to the second reading of Ordinance No. 905,

2. Allow public funds to be used to provide unfair competition for existing good quality units that are not subsidized. Units now being rented in the $100-$200 category (price range of equivalent units in the private sector) would be vacated because of the lower rental price to the tenants and free utilities.

3. Invite tenants to waste or use excessive quantities of utilities by not requiring them to pay for the amount they use. It seems incomprehensible that, at a time when the general public is being forced (because of scarcity and price) to reduce the amount of energy consumed, that there should be public subsidy of housing with no incentive to conserve energy. It seems reasonable that if a tenant wants an 80° apartment in the winter or a 70° apartment in the summer (with the windows partially opened) they should at least be required to pay the bill.

Mr. Carver said they would recommend that any new subsidized housing for retired persons in the Asheville-Buncombe County area have gross income to the owner limited to that of comparable non-subsidized units in this area. The developers of such complexes as the Meadows or Turtle Creek would probably be very interested in the business. He said they would also recommend that consideration be given to allowing retired persons eligible for subsidized rental units to move into private units on a subsidized basis. He said this would allow free competition to set the gross income to apartment owners.

Verl Emrick, Director of Planning, commented that Section 8 subsidies were offered to local developers, who had declined to submit proposals to HUD.

Don Blackwell, owner of the Battery Park Hotel, said that the profit the developers would make on the projects is a percentage set by HUD and he did not feel the developers would get high profits from the projects.

Perry Alexander, owner of the Oteen VA site, said Section 8 funds were set aside for elderly persons who can not afford the fair market rentals on the existing units.

After discussion, Vice-Mayor Horton suggested that Mr. Emrick obtain information on comparable units in the City of Asheville which are federally subsidized, particularly the Vanderbilt Apartments.

Mayor Ochsenreiter said this matter would be discussed by all members of Council during the Tuesday agenda meeting.

BIDS - SERVICE CONTRACT FOR CLEANING CIVIC CENTER PARKING GARAGE

ORDINANCE NO. 906 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77

6. Consideration was given to bids received June 22, 1976 for service contract for cleaning Civic Center Parking Garage.

Votes cast by representatives of scattered sites

Battery Park Hotel	1
Oteen	19
	20

Percentage: 95 in favor of Battery Park Hotel
5 in favor of Oteen

A resident of the Vanderbilt Apartments said he felt the downtown location would be better for the elderly because of the easy walking distances to shopping, post offices and churches. He said he felt the rents for both developments were high due to the luxuries involved in the apartments.

Mr. Jess Ledbetter, President of the Asheville Board of Realtors, said the Board is concerned about several aspects of the recently proposed conversion of the Battery Park Hotel and former units of the Oteen Veterans Hospital into federally subsidized retirement apartments. Consequently, a special committee was appointed, consisting of the most highly qualified persons on the subject of property management in the Asheville area, A. G. Carver, Jr., and Lewis Clay. He said they were instructed to look into the matter and report to the Board.

A. G. Carver, Jr., referring to the proposed high rents for the elderly projects presented the following information as an example of existing apartments comparable to the proposed units:

	Units	Rental Price Range			Present Vacancies
Bear Creek Apartments	140	$148.50	to	$206.00	0
Meadows Apartments	176	170.00	to	230.00	0
Turtle Creek	208	165.00	to	275.00	35
Ridge Townhouses	125	175.00			0
Biltmore Gardens	114	120.00	to	225.00	0
Manor Ridge	120	170.00	to	240.00	0
Crowfields	2	400.00	to	500.00	0
Dunbar Apartments	112	103.50	to	123.50	0
Oak Knoll	180	93.00	to	115.00	6
Edgewood Knoll	168	140.00	to	165.00	2
West Terrace	88	115.00	to		0

He said the Asheville Board of Realtors is in favor of public promotion and reasonable subsidies to insure adequate housing for retired persons with modest means. However, they are concerned that the proposed units in the Battery Park Hotel and the former Oteen Hospital area would:

1. Allow public funds to be used to insure unreasonably high profits for the developers. We estimate the proposed rental income to the developers would be almost double that of equivalent private multi-family housing available in the Asheville Buncombe County area. The Meadows and Turtle Creek are probably the best and most recently constructed examples. A long standing rule of thumb for profitable investment versus rental price is that the rental income of a unit should be 1% per month of the value of the property, which (considering expenses) allows it to pay for itself in 10 years.

On a roll call vote of 4-0, Ordinance No. 906 passed on third and final reading.

Complete text of Ordinance No. 906 will be found in Ordinance Book No. 7 at page 41.

REVIEW OF CIVIC CENTER SURCHARGE

7. Mr. James Evans, Civic Center Manager, said in the past two months he had received much opposition to the proposed twenty-five cent facility surcharge for the Civic Center. He said many of the promoters who use our facilities have indicated a feeling that a surcharge would make promotions more difficult and some have stated that they would not return to Asheville or reduce the number of events they promote here. Among the promoters who have responded in this manner are Ringling Brothers Circus, Holiday on Ice, and Jim Crockett Promotions. He said he had personally discussed the surcharge with many other building managers and the consensus of opinion is that this is the worst possible thing that the City of Asheville could do and the possible adverse effects could be severe. He said the Civic Center has been open for only two years and the City is now attempting to build a successful operation. He said their objective is to bring as many events into the Center as possible and he felt that the surcharge will hamper our efforts greatly. He said a surcharge could possibly result in a loss of revenue that would match any revenues received from this additional fee. He therefore recommended and requested that the surcharge not be put into effect during the fiscal year.

Mr. Evans said dropping the surcharge will result in a deficit in the Civic Center budget of $57,000.00. He offered the following plan to make up for the deficit:

1. The Contract for the security in the Museum is under warranty for the first year and therefore we will not have to pay for this service until next year, resulting in a savings of $890.00.

2. Funds for a maintenance contract for an outdoor message center will not be needed until after the purchase warranty runs out. There is a total of $3,432.00 budgeted for this purpose.

3. Reduce janitorial supplies by $2,000.00. Inventory on hand at beginning of year will help us to handle this reduction.

4. Reduce purchases for resale by $10,000.00. Drink cup and popcorn cup inventory should last until end of year.

He said these cuts will bring about a total reduction in expenditures of $16,322.00. However, if these items are deleted from this year's budget our present concession and janitorial stock will be depleted by the end of the fiscal year and will require additional expenditures in next year's budget.

He said by deducting the above items from the budget it will leave us with a deficit of $40,678.00. He said he was of the opinion that this amount could be reflecting in additional revenues if the Civic Center promoted events on its own.

The City Manager read a memorandum from the Purchasing Agent which recommended the low bid submitted by WNC Parking Lot Services, alternate bid item #2,cleaning schedule three times per week, totaling $12,715.56 for one year.

Mike Smith, Director of Central Services, said the three times a week cleaning would be for all levels, stairwells, and elevators and the disposal of all debris. He said the low bidder had a demonstration of the machine which proved to be of a noise level which would be acceptable.

The City Manager said if the bids were approved a budget amendment, in the form of an ordinance, needed to be acted upon due to this item not being in the current budget. He said the funds would come from the Revenue Sharing Trust Fund.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, WNC Parking Lot Services, in the amount of $12,715.56 for one year. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

	Carolina Equipment Co.	Fletcher Industrial	WNC Parking Lot Services
Item #1 Clean Civic Center Garage Six (6) times per wk.	80.00 per cleaning 480.00 per week 24,960.00 - 52 wks.	97.50 per cleaning 585.00 per week 30,420.00 - 52 wks.	55.51 per cleaning 333.06 pr. wk. 17,319.12-52 weeks
Item #2 Alternate Same as above except clean Civic Center Garage Three (3) times per week	114.00 per cleaning 342.00 per week 17,784.00 - 52 wks.	137.50 per cleaning 412.50 per week 21,450.00 - 52 wks.	81.51 per cleaning 244.53 pr. wk. 12,715.56 - 52 wks.

ORDINANCE NO. 906 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77

The City Manager read the ordinance appropriating funds for the service contract for cleaning the Civic Center Parking Garage.

Councilwoman Swilling moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 906 passed on first reading.

Councilman Hoyle moved to suspend the rules and proceed to the second reading of Ordinance No. 906. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 906 passed on second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 906. This motion was seconded by Councilwoman Swilling and carried unanimously.

It was the consensus of Council to consider the matter further before acting upon the matter before the effective date of September 1, 1976.

RESOLUTION NO. 76-127 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH ASHEVILLE STEEL COMPANY FOR THE PROJECT KNOWN AS NEW ROOF ON STREET AND SANITATION GARAGE

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Asheville Steel Company for the project known as new roof on Street and Sanitation Garage.

The City Manager read the resolution

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-127 was unanimously adopted.

Complete text of Resolution No. 76-127 will be found in Resolution Book No. 9 at page 111.

RESOLUTION NO. 76-128 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE CAROLINA POWER AND LIGHT COMPANY FOR THE SUPPLY OF ELECTRICITY TO THE WATER TREATMENT FACILITIES AT NORTH FORK DAM

9. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Carolina Power and Light Company for the supply of electricity to the Water Treatment Facilities at North Fork Dam.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 76-128 was unanimously adopted.

Complete text of Resolution No. 76-128 will be found in Resolution Book No. 9 at page 112.

RESOLUTION NO. 76-129 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AMENDMENTS TO THE NORTH CAROLINA STATE BUILDING CODE, VOLUME I, GENERAL CONSTRUCTION, 1967 EDITION FOR EXISTING HIGH RISE BUILDINGS

10. Consideration was given to a resolution calling for a public hearing for the adoption of amendments to the North Carolina State Building Code, Volume I, General Construction, 1967 Edition for existing high rise buildings.

The City Manager read the resolution.

Vice-Mayor Horton moved for the adoption of the resolution, scheduling the public hearing for September 9, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

Complete text of Resolution No. 76-129 will be found in Resolution Book No. 9 at page 113.

He said he had contacted booking agencies in this regard and there are shows available as early as September which could be purchased and promoted by the Civic Center. There are also shows available which can be co-promoted by the Center with no cash commitment necessary. In addition to buying shows the Civic Center could put on events on their own such as an indoor flea-market during the winter months, dances for teenagers, possibly a garden show or similar functions which would be revenue producing functions. The Center could also set up an in-house advertising agency for shows promoted by others.

He said he felt if handled properly $40,000.00 in net revenue could be derived from a combination of these ideas. Promotions by the Civic Center would range from a wide variety of entertainment and cost. Shows that would be suited for the Auditorium can be purchased from the $3,000.00 to $5,000.00 range and the Arena type shows would range from $10,000.00 to $20,000.00. General requirements call for a 50 percent advance payment for talent. It would be necessary to have some established funds to work with in order to undertake this endeaver. It would also require funds for an experienced person for promotion and production of Civic Center sponsored events. He said he was of the opinion that initially a qualified person could be hired on a part time basis and could be paid either a flat salary or a percentage.

He said if promotion by the Civic Center is approved he would recommend that the budget be amended for an expenditure of $30,000.00 with an anticipated revenue of $70,000.00. He said he felt that the Civic Center has tremendous potential in doing promotions on its own. However, this would be a new venture and should be carefully weighed with each promotion and determine its value.

Several Council members questioned whether or not promoters having previous contracts with the Civic Center could sue the City for attaching a surcharge after executing a contract.

Corporation Counsel Moore said this would not be within the scope of the contract and it would be up to the Courts to determine if the contract would be validated

Vice-Mayor Horton suggested that the Corporation Counsel give an opinion as to whether a previous contract would be valid if Council attached a surcharge.

Responding to questions from Council, Mr. Evans said Greenville and Fayetteville now have a surcharge in effect.

Vice-Mayor Horton said he would not be in favor of reducing inventory in the Civic Center. He said he would like to see the Civic Center pursue immediately in-house promoting of events.

Councilwoman Swilling said she would also like to see the Civic Center promote the ideas of the Civic Center manager.

Joe Miller, promoter, said he felt it would be good for the Civic Center to promote shows but also felt there would be some dissension on time periods for the same type of shows being promoted by the Civic Center and private promoters.

CARNIVAL APPROVAL - BRITTON AMUSEMENTS COMPANY - AUGUST 20 - AUGUST 23, 1976

The City Manager presented a request of Britton Amusements Company for approval for a carnival to be held August 20 - August 23 on Amboy Road. He said pursuant to the requirements of the Revenue Ordinance, Council must approve all carnivals in the City Limits. He said all licenses and regulations had been met by Britton Amusements Company.

Councilman Hoyle moved for the approval of the request of Britton Amusements Company to hold a carnival on Amboy Road on August 20 through August 23. This motion was seconded by Councilman Rainey and carried unanimously.

RALPH BISHOP - COMPLAINTS REGARDING LOTTERY SALES

Ralph Bishop appeared before Council complaining about lottery sales in the City of Asheville.

AMUSEMENT CENTER COMPLAINTS - SPACE MISSION - PINBALL WIZARD

Nick Peterson, owner of Space Mission Amusement Center, again appeared before Council to protest alledged harassment by city building inspectors. He asked that three questions be answered: 1) Why the Space Mission Amusement Center had to put in two additional restrooms which other identical businesses did not? 2) How the Space Mission differs from other recreation centers that went into business since the passage of the 1973 law requiring that public restrooms be equipped for use by the handicapped? Is Space Mission classified differently? 3) Whether all recreation centers in town are classified the same way in the State Code Books? He said his operation is classified as an assembly, while another is classified as a business.

Frank Cioffari, owner of the Pinball Wizard, said his business was reclassified and now is Group B Occupany Business and under this classification he does not need the handicapped restrooms. He said Space Mission is classified as Group E Assembly and should also be reclassified as Group B Business and that Space Mission should not have been required to put the handicapped restrooms in.

Mr. Cioffari also asked why the Inspection Department investigated his business after it had been in operation for 4-1/2 months?

Mayor Ochsenreiter advised that a complete report on the subject would be given at next week's Council meeting.

COUNCILMAN RAINEY - QUESTIONS RELATIVE TO INSPECTION DEPARTMENT

Councilman Rainey asked that the following questions be answered:

1) What percentage of the Inspection Department is paid by grants from the federal government?

2) What percentage of the Inspection Department's time is spent on jobs located within the one-mile area outside the City Limits?

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William D. Roberts
CITY CLERK

By the use of a map, Mr. Emrick reviewed the location of the alley.

Mayor Ochsenreiter closed the public hearing at 3:08 o'clock p. m.

The Assistant City Manager read the ordinance rezoning the property as requested.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 907 passed on first reading.

PUBLIC HEARING - THREE MOUNTAINEERS, INC. - GROUP DEVELOPMENT SITE PLAN

3. A public hearing was held relative to the site plan of the proposed expansion of Three Mountaineers, Inc. located on Simpson Street.

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended approval of the site plan subject to the following:

(1) Compliance with the City of Asheville's Erosion Control Ordinance; and

(2) That the developer work closely with the City of Asheville relative to the relocation of the existing sewer line as shown on the site plan.

Mr. Emrick said the Erosion Control plan was under review and by Resolution No. 76-120 the City agreed to assist with the relocation of the existing sewer line.

Mr. Emrick, by the use of a map, pointed out the location of the plant expansion site.

He said that since the plant was in the flood area, Three Mountaineers plan to build their floor area up to 2,011 ft., which is 2' above TVA's flood level.

Mayor Ochsenreiter closed the public hearing at 3:18 o'clock p. m.

Councilman Hoyle moved to approve the site plan of the Three Mountaineers expansion. This motion was seconded by Councilman Rainey and carried unanimously.

ORDINANCE NO. 904 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on Greenhill Avenue)

4. Consideration was given to the third reading of Ordinance No. 904, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" as amended rezoning property on Greenhill Avenue from R-3 Residential District to CH Commercial Highway District.

Thursday - August 26, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager Ernest J. Ward

1. Approval of minutes of August 19, 1976 meeting.

Councilman Michael moved to amend pages 18 and 19 of the minutes relative to the votes taken at Aston Park Towers and votes cast by representatives of scattered sites regarding Section 8 Housing Proposals for the Battery Park Hotel and Oteen VA sites, to read as follows:

Aston Park Towers

Battery Park Hotel	1
Oteen	20
Total	21

Percentage: 95 in favor of Oteen
5 in favor of Battery Park Hotel

Votes cast by representatives of scattered sites

Battery Park Hotel	1
Oteen	19
Total	20

Percentage: 95 in favor of Oteen
5 in favor of Battery Park Hotel

This motion was seconded by Councilwoman Swilling and carried unanimously.

Councilwoman Swilling then moved to approve the minutes of the August 19, 1976 meeting, as amended. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING - REZONING ALLEY OFF GREENHILL AVENUE - WESTERN FOOD SYSTEMS

2. A public hearing was held relative to rezoning alley off Greenhill Avenue, closed by City Council on July 29, 1976, from R-3 Residential District to CH Commercial Highway District.

Mayor Ochsenreiter opened the public hearing at 3:04 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended approval of rezoning Lot 137-1/2 (alley off Greenhill Avenue) from R-3 Residential District to Commercial Highway District in order for the developer to utilize the entire tract and meet the off-street parking requirements. Mr. Emrick said the developer, Mr. Wayne Edwards, President of Western Food Systems, has an option on the other property owner's interest in the alley.

Section or the applications will be returned and funding will be delayed. He said in signing the Attachment "C" form the City of Asheville agrees to make every effort to continue the project with local appropriate funds if the project meets the stated goals and objectives as outlined in the application for funds. He said the Attachment "C" form also states that the City of Asheville recognizes that LEAA funding is provided as seed money to create programs which otherwise might not be implemented; therefore, it understands its obligation to provide necessary local appropriations at the end of federal support. He said, in essence, the main consideration would be Council's intent to continue the Legal Advisor Program after LEAA funds have been exhausted. This is the final year of federal funding for this program. The current ratio being approximately 65% local share and 35% state and federal or $20,393.00- Local; $1,661.00 - State; and $11,172.00 - Federal; or a total of $33,226.00. The $33,226 is for a 14 month program from July 1, 1976 through August 31, 1977. Thus, annual costs to the City will be about $28,000, approximately $8,000 more than it is at present.

Myra Grant, Director of the Criminal Justice Program, said Council would be morally agreeing to continue the program after signing the Attachment "C" form. She said the funds could be cut out if the City did not sign the form.

Mr. Michalove explained that the Legal Advisor Program provides a full time attorney to the police department to assist the patrolmen and has proven to be successful.

Councilman Michael questioned whether or not the Police Department needed a full time attorney.

Councilwoman Swilling said many of the patrolmen have expressed their feelings of appreciation for the Legal Advisor at the Police Department. She said his services have proven to be very helpful to the patrolmen.

Chief J. C. Hall said the Legal Advisor has been very valuable to the Police Department and that the patrolmen were in constant contact with the Advisor. He said he knew of no city that had discontinued the Legal Advisor Program after its inception.

Councilman Rainey said it was his hope to have an in-house attorney during the next fiscal year to serve the Police Department as well as all other departments. He said perhaps this program could be incorporated into a Legal Division of the City during the next fiscal year.

After discussion, Councilman Michael moved for the adoption of Resolution No. 76-131. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 76-131 will be found in Resolution Book No. 9 at page 115.

RESOLUTION NO. 76-132 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN ATTACHMENT "C" FORM FOR THE YMCA PROJECT YOUTH OUTREACH PROGRAM

7. Consideration was given to a resolution authorizing the Mayor to sign an Attachment "C" form for the YMCA Project Youth Outreach Program.

The Assistant City Manager read the resolution.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 904 passed on its third and final reading.

Complete text of Ordinance No. 904 will be found in Ordinance Book No. 7 at page 39.

RESOLUTION NO. 76-130 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH COMPUTER SYSTEM SERVICES, INC.

5. Consideration was given to a resolution authorizing the Mayor to sign a contract with Computer System Services, Inc.

The Assistant City Manager read the resolution.

Ken Michalove, Assistant City Manager, said it was his recommendation that the City contract with Computer System Services, Inc. a new company headed by a former city staff member, Mr. Glenn Gay. He said this contract would be effective from September 1, 1976 through June 30, 1977 and no budget increase would be necessary to effect this change. In fact, a savings will probably be recognized. He said until March 31, 1975 the City contracted with a firm from Atlanta for computer programming and equipment maintenance. The maintenance cost at that time was $21,000 annually. This was a reasonable price but the maintenance personnel had to come from Atlanta and we were experiencing a great deal of equipment down time. On April 3, 1975 the City [illegible] the contract with the Atlanta firm and hired Mr. Gay from the firm to be an in-house computer maintenance staff person. From the time this change was made the equipment has been virtually free of down time and Mr. Gay has done an excellent job. However, Mr. Gay has now decided to go into the computer maintenance business for himself. The price Mr. Gay has quoted is annually the same as it was in 1975 with the Atlanta firm, however, several new pieces of equipment have been added. This price is also several thousand dollars less than the price of maintenance would be from the major equipment manufacturer - Data General.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 76-130 was unanimously adopted.

Complete text of Resolution No. 76-130 will be found in Resolution Book No. 9 at page 114.

RESOLUTION NO. 76-131 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A NEW ATTACHMENT "C" FORM FOR LEGAL ADVISOR PROGRAM

6. Consideration was given to a resolution authorizing the Mayor to sign a new Attachment "C" form for Legal Advisor Program.

The Assistant City Manager read the resolution.

Ken Michalove, Assistant City Manager, said Myra Grant, Director of Criminal Justice Program, has advised that the Administrator of the Law and Order Section has required that a new Attachment "C" be signed and submitted to the Law and Order

Becky Williams, Child Development Coordinator, said due to increased inflation and salaries necessary to meet new minimum wage standards, next year's child development budget will reflect a 7% increase in expenditures. This will also increase the local match for federal funds from $71,000 in 1975-76 to $91,000 in 1976-77. Parent fees and revenues from the County Commissioners can be secured in the amount of $48,500 leaving a balance of $42,500 to be secured from other funds. Presently, there are no other local sources of funding available for child development services.

Mrs. Williams said a review of statistics on the number of clients and staff served by the program within the Community Development area reveal that approximately 75% of all children served live in the Community Development area or have incomes which meet community development eligibility guidelines. The centers and numbers of children served from the Community Development area are:

Hillcrest -	53 children
Livingston -	43 children
Oakley -	12 children
Rock Hill -	15 children
Grace Convenant-	23 children
Pisgah -	43 children
5 Day Care Homes-	25 children
	214 children

Therefore, out of 279 children served by the Child Development program, 214 are eligible for Community Development services. Two exceptions to the Community Development locations are the Grace Covenant and Pisgah Centers. The Grace Covenant Center is located outside the Community Development area in North Asheville but serves mainly inner city children who live in Mountainside Apartments, Montford and Hillside areas. The Pisgah Center is located in the Community Development area but serves children who are transported from the Deaverview and Kirkwood Housing projects as well as the West Asheville Community Development area.

She said another factor to consider is the impact of the program on the overall improvement and progress within the Community Development Area. Approximately 80% of the parents of children in day care are working. A majority of these working parents are female heads of household in which child care is a necessity in order for them to continue and/or seek employment. Additional services for working parents include training in child management and family life, and social services such as transportation and referral.

Mrs. Williams said Buncombe County Child Development provides employment opportunities for residents of the Community Development area. Of the 76 staff employed by the program, 40 staff members live in the Community Development area. Of this staff, 15 are currently involved in continuing education classes through the program's training component. A high priority is given to training the para-professional and is evidenced by 17 employees who have finished WIN (Work Incentive and Training) Contracts with the program and are now permanent employees.

She said the program utilizes community buildings in the Pisgah and Hillcrest Housing Projects. The Livingston Center is one of several services located in the Livingston Neighborhood Facility being constructed with Community Development monies. Due to these strategic locations, the centers are involved in other community projects as needed.

Ken Michalove, Assistant City Manager, said this was basically the same form as in the previous resolution. He said the Council has previously agreed to apply for the program for the YMCA. However, the YMCA has previously signed the Attachment "C" form. He said, by signing the new form, this would make the City responsible for the program instead of the YMCA.

Bill Fesperman, with the YMCA, again explained the program to Council stating that the program only deals with court referred youths and have proven to be successful. He said the YMCA could not afford to continue the program on its own. However, funds could possibly come from private agencies interested in the continuation of the program. He said if the program was continued without federal funding, the program would cost about $32,000.

After discussion, Councilman Rainey moved for the adoption of Resolution No. 76-132. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 76-132 will be found in Resolution Book No. 9 at page 116.

RESOLUTION NO. 76-133 - RESOLUTION AMENDING AND EXTENDING THE MONTFORD RECREATION CENTER COMPLEX CONTRACT AND/OR COOPERATION AGREEMENT

8. Consideration was given to a resolution amending and extending the Montford Recreation Center Complex Contract and/or Cooperation Agreement.

The Assistant City Manager read the resolution.

Logan Delany, Community Development Coordinator, said time allotted for acquisition, relocation and technical activities necessary to secure suitable property and complete development plans has exceeded the projected contract termination date of June 30, 1976 and that this resolution would authorize the extention of the date of the Montford Recreation Center Complex contract through June 30, 1979 or until the funds have been spent.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 76-133 was unanimously adopted.

Complete text of Resolution No. 76-133 will be found in Resolution Book No. 9 at page 117.

RESOLUTION NO. 76-134 -RESOLUTION APPROVING AN INCREASE IN MATCHING FUNDS FOR THE BUNCOMBE COUNTY CHILD DEVELOPMENT DEPARTMENT (1976-77)

9. Consideration was given to a resolution approving an increase in matching funds for the Buncombe County Child Development Department (1976-77).

The Assistant City Manager read the resolution.

Logan Delany, Community Development Coordinator, said $15,000 of Community Development funds was allocated to the Buncombe County Child Development Department for Fiscal Year 1976-77. He said they have requested additional funds in the amount of $27,500 for the current fiscal year. He said he was recommending that the increase be appropriated from the Community Development Contingency Funds.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

August 26, 1976

MEMORANDUM

TO: Asheville City Council Members

FROM: Ken Michalove
Assistant City Manager/Planning and Development

Attached hereto is a report from the City of Asheville Division of Inspections pertaining to their involvement in administering the Codes of the State of North Carolina and the City of Asheville, as those codes relate to amusement centers, facilities for the handicapped and particularly as they relate to the Wizard Pinball Amusement Center and the Space Mission Amusement Center.

After reviewing the report myself, it appears to me that the staff of the Inspections Division have made every reasonable attempt to help these operators satisfy the code requirements and still maintain the high standard of building construction, consumer protection and public access they feel are basic to the intent of staffing and operation of this Division.

By my statement I do not mean to imply that the Division of Inspections has not achieved such a high level of perfection that misunderstandings

Mrs. Williams said with these facts in mind, she was requesting an increase in Community Development money from $15,000 to $42,500 for the Fiscal Year 1976-77. She said if Community Development paid its share of the match in ratio to the number of children served (i.e., 75% of clients are Community Development residents), its share would be $68,000. However, she was only requesting an increase of $27,500 in addition to the $15,000 already allocated in order to complete the needed match of $42,500. She said the County was increasing their share from $45,000 to $63,000.

Councilwoman Swilling commended Mrs. Williams for the outstanding job the Buncombe County Child Development Department was doing.

Vice-Mayor Horton said he would like to postpone action on this resolution to give an opportunity for further study. He said he felt the County should participate more since the City residents pay city and county taxes.

After discussion, Councilwoman Swilling moved for the adoption of Resolution No. 76-134. This motion was seconded by Councilman Rainey, which motion carried, with Councilman Michael voting "no".

Councilman Michael said he had voted "no" because he opposed "double taxation" for city residents.

Complete text of Resolution No. 76-134 will be found in Resolution Book No. 9 at page 118.

REPORT ON AMUSEMENT CENTER INSPECTIONS

Mr. Ken Michalove read the following report on amusement center inspections, stating that the report was divided into three sections: Background information regarding facilities for the handicapped and a brief presentation of the various codes which are applicable; Detailed inspections reports of the Wizard Pinball Amusement Center and the Space Mission Amusement Center; and the response to Mr. Peterson's question presented to City Council August 19, 1976.

The report begins on the following page.

36

6) Business codes shall be noted on Certificates of Occupancy and Compliance.

7) A construction code fact sheet written in layman language will be developed by the Inspections Division. This fact sheet will describe the legal responsibilities of an owner/operator/renter as it pertains to construction codes in opening a new business, renovating a building, changing use of a building and/or buying or renting a residence.

In the attached report questions #1 and #3 asked by Mr. Peterson on August 19 are answered. His question #2 was: "Why Michalove report did not mention original question (Space Mission vs. other recreations) which brought on all this investigation?"

My response to that question is as follows:

I was examining records in the Privilege Tax License Division and the Building Inspection Division from the point of view of determining if suppliers and operators of music, game and pool table devices have been treated equally and impartially by City staff in our carrying out of the various regulations governing such establishments and it was not my intent to compare the code requirements placed on the Space Mission to code requirements placed on similiar businesses. And the scope of my original examination of these records was prompted by information I received in an interview with Tom Oliver, a reporter with the Asheville Citizen.

Unlike such local ordinances dealing with zoning and housing demolition where the appeal procedure is local though the Planning Board, the Board of Adjustments and the City Council the appeal to change requirements requested by the Chief Building Inspector, Mr. Johnson, is non-local through the State Department of Insurance, Engineering Division, the State Building Code Council and the Courts. Since the owners of the businesses appear to be dissatisfied with Mr. Johnson's decision then I would like to suggest that they pursue the appropriate

35

in interpreting codes don't happen from time to time and new procedures can be implemented when necessary.

In fact, in our effort to do a detailed inquiry of this particular complaint we have discovered several procedures that will be changed to improve our communication with the public and internally among various departments. The following are examples of procedures we are going to implement:

1) All Certificates of Occupancy and Compliance shall be written and an on-site visit shall be made to each location for which the certificate is required. Certificates shall be non-transferable and this regulation shall apply to all residential and commercial properties.

2) All privilege tax licenses shall be non-transferable and good only for the individual and specific location originally listed.

3) On the matter of game devices, eventhough the owner of a business leasing or renting a music or game device is not by law responsible for obtaining a privilege tax license for such devices, that owner shall be required to report such devices located on his premises by date, vendor, type and name of device, and serial number. Penalties and license requirements shall be strictly enforced on vendors as of the dates shown by the report from the business operator.

4) A routine sample comparison of City/County Privilege Tax Licenses shall be made by a designated person in the City of Asheville Privilege Tax Office on a periodic basis.

5) Vendors of music, game, pool, and other devices shall be required to submit more detailed information on devices, such as the name, type, serial number, etc.

38

MEMORANDUM

TO: Ken Michalove, Assistant City Manager

FROM: J. E. Johnson, Director of Inspections
Gary Lance, Building Inspections Supervisor

DATE: August 24, 1976

The following information is being provided in the interest of clarifying the involvement and decisions of this Division in the implementation of the various construction codes of the State of North Carolina and the City of Asheville as they relate to Amusement Centers and facilities for the handicapped and particularly as they relate to the Wizard Pinball Amusement Center and The Space Mission Amusement Center.

I. Background information regarding facilities for the handicapped and a brief presentation of the various codes which are applicable.

II. Detailed inspections reports of the Wizard Pinball Amusement Center and The Space Mission Amusement Center.

III. Response to Mr. Peterson's question presented to City Council August 19, 1976.

37

appeal procedure hereafter.

One last item, on August 5 I made a public appeal that I would look into any other specific instances of alleged unfairness, favoritism or unreasonable demands by the Inspections Division that were not made in the interest of health and safety. To date I have had three complaints: one from a housewife regarding a house; one from a plumber; and one from a down town business.

Based on my calculations we have issued about 5,000 construction permits in the past 2½ years, therefore, if the number of complaints that I have received is representative of the Inspections Divisions problems, then I feel that we have publicly been grossly unfair to the staff of this Division--considering the legal and moral mandates of the job they are doing. They are charged with enforcing laws which to a home owner and business owner are not popular and in most cases are costly. But they are in fact enforcing these laws for the purposes of public health, safety, access and consumer protection.

Attachment

3. North Carolina State Plumbing Code, Volume II, 1968 edition and amendments. 40

Chapter 1, Section 101.3 "(B) Existing Buildings.

1. Alterations. This Code shall apply to all alterations which effect the structural strength, exits, fire hazards, lighting or sanitary conditions of any building in the State of North Carolina except those exempted in Section 101.3 (a) above (See General Statutes 143-138 (B))."

2. "Change of Use: This Code shall apply to all buildings which the requirements of this Code are in any way more stringent than the requirements covering the previous use of the building. (See General Statutes 143-138 (B)."

3. Chapter IX. Plumbing Fixtures. Table 922.2 - Minimum facilities.

1967 State Law

C. North Carolina State Building Code, Volume I, General Construction 1967 edition and amendments, Supplement to Chapter XI. Section (11X) Making Buildings and Facilities accessible to, and usable by the physically handicapped. General requirements and standards applying to building exceeding limitations as follows:

Group A - Residential----------Over 4 Stories

Group B - Business

Group F - Storage

Group G - Industrial----------Over 4 stories or over 100,000 square feet in area

Group C - Schools----------Schools designed for handicapped

Group D2-Institutional----------All

Group E - Assembly----------Over 1,000 persons

D. Aware of the difficulties of the physically handicapped in coping with environmental barriers, the Governor's Study Committee on Architectural Barriers was established in 1971. The Committee examined the problems of the handicapped and made recommendations which were published in their Interim Report in 1971 and Final Report in 1972. These recommen

39

1. Background information regarding facilities for the handicapped and a brief presentation of the Codes which are applicable.

   A. North Carolina General Statutes 168-2. "Right of Access to and use of Public Places. Handicapped persons have the same right as the ablebodied to the full and free use of the streets, highways, sidewalks, walkways, public buildings, public facilities and all other buildings and facilities, both publicly and privately owned, which serve the public. (1973, C 493, S.1.)"

   B. Removing of architectural barriers for the physically handicapped as outlined in the intrepretations and requirements of the North Carolina State Building Code, Volume I, General Construction, 1967 edition and amendments and the North Carolina State Building Code Handicapped Section as follows:

      1. North Carolina State Building Code, Volume I, General Construction Section (11X) making buildings and facilities accessible to and usable by the physically handicapped. Effective date September 1, 1973.

         "(11X) 1 Scope - a) This standard applies to all buildings and facilities regulated by the North Carolina State Building Code, with the exception of single and two family detached dwellings in accordance with the following:"

      2. North Carolina State Building Code, Volume I, General Construction 1967 edition and amendments.

         Chapter 1, Section 101.3 (B) Existing Buildings.

         "(1) Alterations - This Code shall apply to all alterations which affect the structural strength, exits, fire hazards, lighting or sanitary conditions of any building in the State of North Carolina except those exempted in Section 101.3 (a) above (See General Statutes 143-138 (B))."

         "(2) Change of Use: This Code shall apply to all buildings which are to be devoted to a new use and which the requirements of this Code are in any way more stringent than the requirements covering the previous use of the building (See General Statutes 143-138 (B)."

ention through the Department of Insurance as to the application of these laws.

The Inspections Division first started enforcing the handicapped code for renovations and change of use to existing buildings in November, 1974 upon receiving the printed laws and clarification fr[redacted] the Department of Insurance, Raleigh, North Carolina. Since that time this Division has enforced the handicapped code regulations on all new and existing buildings as outlined by law.

II. Detailed Inspections of Various Pinball Amusement Centers.

A. Case X. The first Pinball Amusement Center brought to the attention of this Division was on April 13, 1976. This operation was brought to the attention of the Inspections Division when a privilege license was applied for by the owner. The building was inspected for a Certificate of Occupancy and Compliance and it was found that the building was being remodeled without a building permit.

April 14, 1976 the owner then made application for a building permit for remodeling and Building Permit #5538 to remodel the building and install handicapped restrooms was issued.

April 26, 1976. Final inspection was made and Certificate of [redacted] Occupancy and Compliance #B-632 was issued by this Division.

B. 738 Merrimon Avenue - Space Mission Amusement Center

This Division next became aware of a remodeling job at 738 Merrimon Avenue. Building Inspector Larry Low stopped and told the owner, Larry Phillips that he would need a building permit for the repairs he was in progress making. Mr. Phillips made application to this Division for a building permit on April 20, 1976 for removal of partitions. Permit #5566 was issued to Larry Phillips with total cost of job at $50.00 and no charge for permit.

On April 21, 1976 in following up on the building permit, this Division was made aware of the occupancy to be in this building, that of the Space Mission Amusement Center and that there would be amusement machines in the building. Mr. Low, the Inspector assigned to the job then informed Mr. Phillips and Mr. Chris Peterson, who would occup[redacted] the building, that this constituted a change of use of the building and that handicapped restrooms would be required.

41

etions initiated revisions of the North Carolina Building Codes, handicapped section. A new, stronger and more comprehensive section was written and approved by the Building Code Council in March, 1973 and became effective September 1, 1973. This is reflected in book called "An Illustrated Handbook of the Handicapped Section of the North Carolina Building Code." This handbook supercedes all previous publications of the handicapped section of the Code.

E. Upon inspecting the first pinball center in April of 1976, this Division classified it as E-2 Small Assembly based on floor area at fifteen (15) square feet per person without fixed seats. This was decided at a meeting of the Inspection Division Staff. Therefore, the ruling and intrepretations of the Division placed Pinball Machine Amusement Centers in Group E-2 Small Assembly, Chapter 4, Section 408 of the North Carolina State Building Code and Section 401.1 "Each occupancy group is intended to embrace buildings as hereinafter defined and those of similar character or use. Wherein there is any uncertainty as to the classification of a building, the Building Official(being Mr. Johnson) shall fix the classification within which it falls, according to the relative fire hazard involved."

A "Building" as defined by the North Carolina State Building Code means any structure built for the support, shelter or enclosure of persons, animals, chattels, or property of any kind which has enclosing walls for 50% of its perimeter. The term "building" shall be construed as if followed by the words "or part thereof" (for the purpose of this Code each portion of a building separated from other portions by a fire wall shall be considered as a separate building.)

F. Since 1969 the Director of the Inspection Division has been a member of the Mayor's Committee on the Employment of the Handicapped, and one of the primary functions of this Committee is to seek the removal of architectural barriers for the physically handicapped. Therefore, the involvement with this committee work coupled with the mandates of the state codes have been the guide posts for code enforcement by the Inspection Division.

It took approximately one (1) year for the September 1, 1973 laws to be printed, applying to new and existing buildings and for clarifi-

2. Electrical Inspection:

Harold Garland, Chief Electrical Inspector made the electrical inspection at 730 Merrimon Avenue. The dates being as follows:

April 21, 1976. Following Building Permit taken out by Mr. Phil[redacted], Mr. Garland talked with him concerning electrical work. He was told that he must have a electrical contractor do work.

June 4, 1976. Mr. Garland talked with Mr. Peterson in regard to electrical work that had been done without a permit and also work that was to be done.

June 7, 1976. Wayne Thompson, Electrical Inspector, City of Asheville checked by The Space Mission for a routine inspection as requested by Mr. Garland.

June 30, 1976. Hayes & Lunsford turned in final for restrooms and corrections inside building. Mr. Garland found walls in basement had been torn out and electrical work done by persons unknown to Mr. Garland. Mr. Peterson was informed of the violation.

July 22, 1976. Hayes and Lunsford Electric Company called for [redacted] inspection on this defective electrical work.

3. Plumbing Inspection:

On April 22, 1976 Mr. Ed DeBruhl, Plumbing Inspections Supervisor met with Larry Phillips, Dave Underwood and Clyde Roberts to view and layout two (2) handicapped restrooms. A Plumbing Permit was issued from this Office on April 22, 1976 to Clyde Roberts Plumbing Company. On May 24, 1976 Mr. DeBruhl inspected the ground work. On June 4, 1976 Mr. DeBruhl inspected the rough-in. Vents and arms were tested.

On June 8, 1976 Mr. DeBruhl made an inspection. At this time the grab bars were not installed, and the traps and hot water supply lines had not been insulated. On June 10, 1976 Mr. DeBruhl made a final inspection.

July 23, 1976. Certificate of Occupancy and Compliance [redacted] dated July 6, 1976 upon final inspection by Harold Garland, Ch[redacted] Electrical Inspector.

4. Cease and Dosist letter was sent to The Space Mission Amusement Center on June 17, 1976, by this Division.

43

On April 22, 1976 Gary Lance received a phone call from the Attorney representing Mr. Peterson and a meeting was requested. This meeting was held on the same date and those being present were Chris Peterson, Larry Phillips, their Attorney, Larry Low and Gary Lance. At this meeting the owners were again told that the new use of the building constituted a change of use and that classification of the Amusement Center would be E-2 Small Assembly, and that according to the North Carolina State Building Code, handicapped restrooms would be required, and be made accessible to the physically handicapped.

Mr. Peterson said that these handicapped restrooms had not been required in other places similar to his and that he felt they were in violation and should install them also. The Staff informed Mr. Peterson that they were unaware of any such violations, and offered to take Mr. Peterson anywhere in the City of Asheville's jurisdiction so that he might point out these violations and that, if indeed any violation did exist at the places he felt were in violation, this Division would make the inspection and see that the violation was abated.

Mr. Peterson and Mr. Phillips then asked if the restrooms could be in a separate facility outside the building, as they did not want to put them within the interior of the building for fear of damaging his roof. The Staff told him that he could place them on his property at any location which would be convenient to him and be situated for accessibility by the physically handicapped.

April 23, 1976 - Mr. Chris Peterson made application for building permit in the amount of $600.00 to install handicapped restroom facilities. Cost of permit was $8.00. Building Permit #5584 was issued on April 27, 1976.

1. Building Inspection:

Larry Low, Building Inspector was assigned to inspect this job. Mr. Low made inspections for work compliance on April 21, 1976, May 21, 1976, June 8, 1976, June 9, 1976, June 28, 1976 and June 29, 1976. It was discovered on June 8, 1976 that the building was open for public use without meeting code compliance and without having a Certificate of Occupancy and Compliance to operate.

46

Lance met in Mr. Lance's office to discuss the letter. Mr. Cioffari asked how this Department knew about it and Mr. Lance stated that he thought it had come through the Police Department. Mr. Cioffari asked if this was normal procedure and Mr. Lance's reply was yes, t[redacted] Division of Inspections' normal procedure was and is to check out a[redacted] complaints whether they come through other City Departments or from citizens.

Mr. Lance told them that he was unable to enter the building when he inspected on June 17, but that he had been the original inspector, when the building was constructed and that plans were on file in the office showing that no changes in construction had been made.

Mr. Lance explained that a classification of B-2 Small Assembly was given to the building. It was explained to Mr. Cioffari that a Group B-2 occupancy had been in the building before and that because there was a change of use handicapped restrooms would be required.

The procedure for obtaining a building permit was then explained to Mr. Cioffari and he was informed that a building permit would be required to install restrooms. It was also explained to Mr. Cioff[redacted] that a Certificate of Occupancy and Compliance would be required by this Division upon completion and approval by this Division of the installation of restrooms. Mr. Cioffari was told that he could make application for building permit while he was in the office.

Mr. Cioffari said that Mr. Stevens was the owner, but that he was buying the business from Mr. Stevens and would make application for permit upon transfer of business, which would be about July 1, 1976.

Mr. Lance then offered to go with Mr. Cioffari and Mr. Stevens to reinspect the building and to discuss the requirements for handicapped restroom facilities. Mr. Cioffari said that since an inspection had already been made, it would not be necessary and that he would be back in contact with this Division regarding his permit.

At the June 21, 1976 meeting, Mr. Cioffari introduced a sign permit application for erection of a wall sign. Application was made Jan[redacted] 26, 1976 and issued January 27, 1976. He asked if the building ha[redacted] inspected at this time and the answer was no.

The sign permit was issued January 27, 1976 for a wall sign to be mounted at Grace Shopping Center advertising The Wizard Pinball Amus[redacted]

C. Complaint about The Wizard Pinball Amusement Center:

On June 16, 1976 Ken Michalove received a phone call from Mr. Peterson, father of Chris Peterson pertaining to The Wizard Pinball Amusement Center located at 860 Merrimon Avenue, (which was operating with a half bath, one lavatory, one water closet.) The complaint was registered by Mr. Peterson due to his son having been required to install handicapped restrooms and The Wizard not being required to do the same. He was also concerned about the problems his son was having in meeting inspection requirements.

Mr. Michalove then referred this matter to Mr. J. E. Johnson, Director of Inspections on June 16, 1976 for investigation.

D. 860 Merrimon Avenue - The Wizard Pinball Amusement Center.

On June 16, 1976 a complaint was received through Ken Michalove's office and sent to Mr. J. E. Johnson, Director of Inspections. Mr. Johnson and Virgil Bradley made an inspection June 16, 1976 and returned to the Office. A memorandum was sent to Mr. Michalove on the status of these operations. Mr. Bradley checked with the Tax Department for issuance of privilege license and found that a license had been issued January 26, 1976 for a bottled soft drink machine. License was issued to Charles E. Stevens, Jr. According to the privilege tax license records, Mr. Bradley had given verbal approval of occupancy in January but Mr. Bradley could find no record of making such inspection or giving such approval.

June 17, 1976 - Inspection was made by Gary Lance, and a letter to cease and desist was sent to McCrory-Sumwalt, owner of the building and Charles E. Stevens, Jr., owner of The Wizard Pinball Amusement Center. The letter was received on Saturday, June 19, 1976. Mr. Lance received a phone call June 19, 1976 from Mr. Frank Cioffari inquiring about the letter to cease and desist. June 19, 1976 was a Saturday and Mr. Cioffari asked if he could remain open. He was told no and to come in Monday morning to discuss it and to take out a building permit. No inspection was made Saturday or Sunday, June 19 or June 20, 1976 to see if Mr. Cioffari had closed his place.

June 21, 1976, Frank Cioffari, Charles E. Stevens, Jr. and Gary

Cioffari wanted to know the reason for issuing [redacted] 48

other occupants at Grace Shopping Center and it was explained to him that no change of use was involved. This being, that although new businesses had moved in, they were still classified as retail business B-2, the same as the previous occupant.

July 26, 1976 this Division made inspection upon request of Fr[redacted] Cioffari to check design for proper installations of restrooms and in reference to his letter of July 2, 1976 to answer some questions that he had asked.

July 28, 1976 Gary Lance sent Mr. Cioffari by Certified Mail, the code requirements - copy attached.

1. Electrical Inspections made by Harold Garland at 860 Merrimon Avenue as follows:

January 30, 1976 - Following up the building permit taken out. January 26, 1976 for sign. Mr. Garland is required to follow up on all signs. No action taken or required.

June 21, 1976 - The Fire Department reported that an exit sign had been installed. Mr. Garland checked exit sign and found that corrections needed to be made and that no electrical per[redacted] had been issued. Circle F Electric Company did work.

June 22, 1976 - Circle F called for inspections. Corrections were made and a permit was obtained.

July 1, 1976 - Mr. Garland met with owner concerning electrical on handicapped restrooms.

2. Report of Asheville Fire Prevention Bureau Inspections at 860 Merrimon Avenue as follows:

March 12, 1976 - Provide an approved exit light rear exit. Provide a 5 lb. ABC fire extinguisher.

April 12, 1976 - Night inspection - exit light not installed. Advised manager that he did not have proper type of fire extinguisher.

June 3, 1976 - Reinspection

July 2, 1976 - Met with Manager concerning moving bath[redacted] wall closer to sprinkler head to meet handicapped restroom require ments. Manager advised that it will not interfere with operation sprinkler head, since head in bathroom does not exceed 100 square

47

Center. A note was written on the permit application that the building was to be inspected. No building inspection was called for by the owner and the Building Inspector inspected the sign for compliance only, he was not looking for other violations and had no need to inspect the building itself.

June 23, 1976 inspection was made by this Division and it was noted that The Wizard Amusement Center was open. An inspection was made and this Division counted approximately 20 persons in the building. It was difficult to get an exact head count as people were coming and going for the period of time that this inspection was being made.

June 21, 1976 - It was brought to the attention of this Division that several new occupants had moved in to the Grace Shopping Center without inspections being made. A letter was sent to McCrory-Sumwalt, owner of the building stating the violations to be abated and that Certificates of Occupancy and Compliance must be issued.

June 23, 1976 - Mr. Lance met with Vic Buchanan of the City Attorney's office for legal assistance regarding The Wizard Pinball Amusement Center.

June 29, 1976 Vic Buchanan sent correspondence to the owner of the building and to owner of business stating legal proceedings would be forthcoming if they did not comply with all code provisions, rules and regulations. Copy attached

July 1, 1976 - Inspection made by this Division at 860 Merrimon Avenue meeting with Frank Cioffari, were Gary Lance and Harold Garland concerning questions related to handicapped codes, electrical codes, and building codes.

July 2, 1976. This Division received a letter from Frank Cioffari regarding handicapped restrooms and questions concerning the building, plumbing and electrical code. Reply was made on July 28, 1976 by this Division. Copy Enclosed.

July 2, 1976 - A letter was received by this Division from McCrory-Sumwalt requesting inspection be made at Grace Shopping Center.

July 12, 1976 - This Division made the inspection requested in letter of July 2, 1976 from McCrory-Sumwalt and issued Certificate of Occupancies and Compliances to those buildings in compliance. Mr.

on the first floor of the building and restroom facilities [illegible] the handicapped were not accessible. It was the owners decision to place the restrooms outside the building.

c. Amusement businesses seem to fall in 4 different classifications. E-2 - Small Assembly, E-1 - Large Assembly, B-1 - business similar to bowling alleys,and malls. Since no two buildings are alike and some businesses have been continued in the same location for long periods of time a flat statement regarding classification cannot be given. Each building and business must be classified individually based upon recent inspection, change of use, if any and renovation to be done.

d. The matter of other possible violations has been brought to the attention of this Division and this Division has found violations and is requiring strict code enforcement of handicapped regulations where there has been a change of use or extensive remodeling involv

2. Mr. Michalove will respond to the second question.

3. "Are all recreations in town classified the same in the State Code Book."

a. The answer is no. In phone conversation of August 12, 1976 by this Division, to the Department of Insurance, Raleigh, North Carol[illegible] the ruling set forth by the Department of Insurance for classification of recreation and amusement centers shall be as follows:

Based on net floor area of operation, at six (6) square feet per person with fixed seats, and fifteen (15) square feet per perso without fixed seats, if occupancy content is seventy five or more persons, then it shall be classified as Group E-1 - Large Assembly or Group E-2 - Small Assembly based on total occupancy of operation. If occupancy content is less than seventy five (75) persons, then it shall be classified in Group B-1 similar to bowling alleys. (copies enclosed) or if it is within a mall it shall be classified as a rental space within the mall under the amendments.

3. On August 10, 1976 J. E. Johnson, Gary Lance, and Virgil Bradley met with William Moore, City Attorney and Vic Buchanan of the City Attorney's office for legal advice pertaining to The Wizard Pinball Amusement Center.

August 11, 1976 - Meeting held in the Mayor's office for the purpose of reclassifying the business at the owners request. Those present were Frank Cioffari, Charles E. Stevens, Jr., Willaim Moore, City Attorney, J. E. Johnson, Gary Lance and Ed DeBruhl. Copy of report attached.

August 12, 1976 - This Division called Department of Insurance, Raleigh, North Carolina and asked for ruling pertaining to building classification and restroom requirements. Phone conversation included Lee Hauser and Tom Mullins, Department of Insurance, Raleigh, North Carolina and J. E. Johnson, Gary Lance, and Ed DeBruhl. Tom Mullins, Department of Insurance, explained that based on the occupancy content, he classified the building as Group B, similar to bowling alleys and stated that a letter would be forwarded to this Department on the ruling and requirements for restroom facilities at The Wizard Pinball Amusement Center, 860 Merrimon Avenue and that these restrooms shall comply with the restroom requirements for the physically handicapped.

August 16, 1976, a letter was sent to Frank Cioffari by this Department with attached letter from Department of Insurance, Raleigh, North Carolina reclassifying The Wizard Pinball Amusement Center to Group B and the requirements for restrooms, stating that these restrooms shall comply with the handicapped code regulations and be accessible to the physically handicapped.

III. Response to Mr. Peterson's questions presented to City Council August 19, 1976.

1. "Why Space Mission had to put two additional restrooms and other identical businesses did not?"

   a. The existing restrooms for The Space Mission were in the basement and were not accessible to the handicapped.

   b. The E-2 classification and the change of use of the building required that two restrooms be accessible to the handicapped. It was determined that The Space Mission business would operate

Attention: Mr. Gary Lance
Building Inspections Supervisor

Dear Gary:

Per our meeting July 1, 1976, this is the letter we both agreed I should write to your office in order to get the rules, regulations, and codes in writing so we at The Pinball Wizard can receive a more realistic quote from contractors. As you know, we have had two plumbers in this week and I cannot answer their professional questions.

It is our intention to comply with all City, State and Federal Codes for operation of our business. Therefore, in order to achieve full compliance, we need rulings from your office to give to plumbing, building and electrical contractors on the following proposed modifications to our restroom to comply with the Handicap Restroom Facilities Code.

1. How many toilets do we need in our place of business to comply with the Handicap Restroom Facilities Code?

2. All specifications dealing with distance of all plumbing fixtures, walls, doors, ramps, grab bars, etc.

3. If it is adjudged that the north restroom wall, presently installed, must be moved, we need to know:

   a. How far?

   b. If it is to be moved 3", it will be over a plumbing drain. What codes apply?

   c. If it is to be moved 6" to clear the plumbing drain, the wall will be interferring with the sprinkler system. What codes apply?

Re: 860 Merrimon Avenue - Tax Lot 7, Ward 9, Sheet 22
Wizard - "The Pinball" Amusement Center

Gentlemen:

Our office represents the City of Asheville and the file involving the above captioned matter has been turned over to us for legal action. From our review of this file and from our discussions with the City's representatives, it is apparent that you are still not in full compliance with the matters set forth in the letter dated June 17, 1976 from Mr. Gary Lance, Building Inspections Supervisor.

The purpose of this letter is to advise that we will have no alternative but to forthwith institute legal proceedings against you in the event you do not immediately comply with all of the appropriate code provisions, rules and regulations.

If you have any questions concerning this letter, please do not hesitate to contact the undersigned or Mr. Gary Lance, whose telephone number is 255-5391.

Very truly yours,

Victor W. Buchanan

7. Compatible with restroom facilities for the handicapped and upon inspection by the owners of the Pinball Wizard, we suspect that there might not be adequate access to the restroom. As you know, Gary, we have pool tables, foosball tables, a business desk and other obstacles, such as a divider wall between the front and the rear rooms. If possible, please indicate all codes to cover above items, including front door wheelchair clearance measurements. If a ramp is needed in the front of our establishment, please indicate the specifications in your next correspondence.

Your immediate response to the above matter would be appreciated by all parties concerned. It has been a pleasure working with you, Gary, and I am sure we both can resolve the above listed questions. If you have any further questions concerning this matter, please feel free to contact us at 252-3181.

Sincerely,

Frank Cioffari
President
Pleasure Enterprises, Inc.

d. If over 6", it will be next to a ceiling light fixture. What codes apply?

e. If wall is to moved more than 6" to clear all other fixtures and the plumbing drain, it will put the water tank too far away from the grab bar which must be installed on the inside north wall next to the water tank. At the present time, the water tank is $8\frac{1}{2}$" away from the wall. If we must move the wall over 6" away from where it is presently located, we need to know how far our water tank must be moved, to a new wall, to comply with all codes?

f. If a door is planned for the north restroom wall, we need to know the location of said door to comply with all codes?

4. If the west restroom wall is to be moved, we need to know:

a. How far?

b. If the wall must be moved over 3', it will interfere with an air conditioning duct in the ceiling and possibly the electrical box located on the south rear wall. Please include all specifications needed to relocate the air conditioning duct to a safe location so as not to interfere with sprinkler system and ceiling lighting, located on opposite side of room.

c. If it is judged that the entire air conditioning unit must be moved, what codes apply?

5. Please include in your correspondence the proper codes for the new walls that we both agree must be constructed. After talking with a plumber today, I find that the new walls we might have to construct must be thick enough to accomodate the over-sized pipes that are needed for a standup urinal. What codes apply?

6. At the present time, we have installed an exit light located over the rear exit door that leads to the rear enclosed alleyway. Must we provide ramps, railings, or any such devices to enable a handicapped person to escape our business through the rear exit in case of fire? If so, please indicate all specifications we would need to construct such modifications.

RE: 860 Merrimon Avenue - The Wizard Pinball Amusement Center-
RE: Handicapped Restrooms

Dear Sir:

In reply to your letter of July 2, 1976 and after numerous inspections at above location following is the code requirements:

1. The law requires two (2) handicapped restrooms - male and female facilities for Group E assembly. Due to circumstances and based on inspections made, this Department will go along with one (1) handicapped restroom with the required number of fixtures as outlined in Table 922.2 of North Carolina State Plumbing Code. Restroom shall be kept under lock and key and be able to be locked from the inside. Fixtures shall include urinal, water closet and lavatory;

2. Grab Bars shall be 1½" in diameter and shall be located 13" inches above seat of water closet and 18" on center from front of water closet when grab bars are 36" inches long. Grab bars shall be stainless steel or chrome plated;

3. The North wall shall not have to be moved;

4. The West wall shall be moved to give you the required 5' feet by 5" feet clear floor space and can abut the service panel;

5. Door shall be 36" and swing out;

6. On construction of walls, it depends on the vent stack used. If the stack is 2" inches, then a 2 x 4 wall will be sufficient. A 3" stack would require a 2 x 6 stud wall;

7. Adequate aisle space shall be provided to allow for wheel chairs to pass.

represented the City and that the Building Inspector had made the decision and that the City Attorney would have to stand by that decision. Mr. Moore told Mr. Cioffari that he had explained this to him in their phone conversation of August 10, 1976 several times and that he had made it clear to him at that time of the City Attorney's position.

Mr. Moore called Mayor Oschenreiter's office and after his conversation with the Mayor, Mr. Moore told those present to talk it out and to try to resolve it. He told Frank Cioffari that he and those present could go to the Mayor's office on Merrimon Avenue and discuss it with the Mayor if necessary.

Mr. Moore told Frank Cioffari that this Department would send him a letter to the fact and requirements of the North Carolina State Building Code concerning his place and restroom facilities requirements. Mr. Cioffari stated that there would be no need for a letter, that a letter was useless and wouldn't be necessary. Mr. Moore then had to leave the meeting.

Throughout the meeting, Mr. Cioffari kept making statements to the effect that he could go through the newspapers, The Native Stone, Television and Civil Rights Unions to satisfy his feelings that he was being discriminated against. He also pointed out that The Wizard Pinball Amusement Center, Pleasure Enterprises, Inc. was a chain of amusement centers operating out of Chicago, and that he could call them in, but that he wanted to handle the matter himself. He also said that he wanted to open up several other pinball operations but was awaiting further increase in operations until this matter was settled.

Mr. Johnson pointed out the Code and requirements under the North Carolina State Building Code and North Carolina State Plumbing Code and the number of restrooms required, change of use and that these restrooms shall comply with handicapped regulations. He also stated that the Building Inspector has classifi

Report of Meeting, August 11, 1976 concerning the Wizard Pinball Amusement Center, 860 Merrimon Avenue, Pleasure Enterprises, Inc. Requested and called by Frank Cioffari, President, Pleasures Enterprises, Inc. Present at meeting were Frank Cioffari and Charles E. Stevens, Jr. of Pleasure Enterprises, Inc., William Moore, City Attorney and J. E. Johnson, Gary Lance and Ed DeBruhl, Division of Inspections and Demolitions, City of Asheville.

Meeting was held in Mayor's Office, 9:30 a.m. to 11:00 a.m., August 11, 1976 and was held upon request of Frank Cioffari, President, Pleasures Enterprises, Inc., owner of The Wizard Pinball Amusement Center. Co-ordination for the meeting was through the Mayor's Office and time set at convenience of those present.

Frank Cioffari informed those present that he had requested the meeting and that he would like to have an official, possibly a member of City Council or the Mayor, present. Mr. Moore explained the situation to Mr. Cioffari of the Mayor being unable to attend due to an emergency and Mr. Cioffari aggreed to go ahead with the meeting.

Mr. Cioffari pointed out that the Pleasure Enterprises, Inc. was owner of The Wizard Pinball Amusement Center and he was the major holder and owner of the place. He called the meeting to discuss the classification of his building and handicapped code regulations as required by North Carolina State Building Code.

The building was classified by the Building Inspector as Group E-2 - small assembly constituting a change of use and therefore requiring handicapped restroom facilities. Mr. Cioffari stated that he should be considered as a place of business, the same as or similar to the classification of Group B-1 Business which he felt would not require handicapped restrooms. Formerly the building was occupied by the Wilderness Shop with a B-2 Business classification.

He asked Bill Moore if he agreed with that and Mr. Moore told him that he

that they had been B-2 Business formerly and had gone back in as B-2 Business and therefore were not in violation, but that his place "The Wizard" had been a B-2 Business and that he had changed to an E-2 assembly constituting a change of use and requiring handicapped restrooms.

Mr. Cioffari said he felt that he has kept quiet about this, but that he was receiving bad publicity through television and the newspaper. The Building Inspector informed him that this Department had not in anyway caused him to receive any publicity, that a competitor was the cause of his receiving the publicity. Mr. Cioffari stated that his only recourse was through the papers, television and The Native Stone.

He also intimated that on a visit to the office of Inspections and Demolitions, that he had taped the conversation of himself and Mr. Lance on June 21, 1976.

Mr. Cioffari then asked Mr. Johnson if he could be reclassified to B-1 Business and Mr. Johnson told him that we had classified him Group E-2 assembly and that this would be his classification. It was stated that he would have to put in the handicapped restrooms as required by North Carolina State Building Code and North Carolina State Plumbing Code. Mr. Cioffari then referred to the letter of July 28, 1976 giving him sixty (60) days to comply and said that he still had forty nine (49) days left and asked for this time.

Mr. Cioffari and his associate, Charles E. Stevens, Jr. then got up and left. At this time the meeting ended at approximately 11:00 a.m.

The Wizard as Group E-2 - small assembly based on floor area and the occupancy content.

Mr. Cioffari started bringing out different places in the City which he said were in violation. Mr. Lance then offered to take Mr. Cioffari to any place in the jurisdiction of Asheville, which Mr. Cioffari thought might be in violation and to point out these violations, if any and that this Department would see that the violations were abated. Mr. Cioffari stated that they was no need for this, and then asked how we would get these violations corrected.

Mr. Cioffari also felt that his place was not a building, but that he was a tenent in a space within the building. It was pointed out by the Building Inspector that he was indeed a building and the definition of a building as defined in the North Carolina State Building Code was read to him.

"Building - means any structure built for the support, shelter or enclosure of persons, animals, chattels, or property of any kind which has enclosing walls for 50% of its perimeter. The term "building" shall be construed as if followed by the words "or part thereof" (for the purpose of this Code each portion of a building separated from other portions by a fire wall shall be considered as a separate building)". Mr. Cioffari agreed with this.

Mr. Cioffari asked why he was given a cease and desist order and had closed down for two (2) days. He was informed that he had been given the order because he was operating in violation of the North Carolina General Statutes 160A-423 and the North Carolina State Building Code, in that it constituted a change of use, and required handicapped restroom facilities and that he did not have a Certificate of Occupancy and Compliance to operate and could not be given one until he complied.

Mr. Cioffari stated that no others had been given a cease and desist order, but had received letter that they did not have a Certificate of Occupancy and Compliance, but that a few days later they had been inspected and given Certificates. This Department explained to him that no change of use was established,

Mr. Joe Johnson
Building Inspector
Box 7148
Asheville, North Carolina 28801

RE: Wizard Pinball Amusement Center
860 Merrimon Avenue
Asheville, North Carolina

Dear Mr. Johnson:

This is concerning our telephone conversation concerning classifications of occupancy and minimum toilet facilities including number of fixtures.

It is my understanding that the above contains 1,020 square feet, net and does not include fixed seats. You will note that Section 1105 of the State Building Code states that the minimum number of persons of any floor area shall not in no case be less than 15 square feet per person without fixed seats which means 68 people useing 15 square feet per person, but if no seats at all are provided and persons occupying the space must have standing room only in lieu of using 15 square feet per person, 10 square feet per person could be used. In this case, the occupant content would be 120 persons.

The number of toilet fixtures necessary for 68 persons would be as follows:

MEN'S TOILETS

Two water closets or one water closet and one urinal and two lavatories.

WOMEN'S TOILETS

Two water closets and two lavatories.

For 120 persons:

MEN'S TOILETS

Two water closets, one urinal, one lavatory.

61

Phone conversation August 12, 1976, Lee Hauser and Tom Mullins, Department of Insurance, Raleigh, North Carolina and J. E. Johnson, Ed DeBruhl, and Gary Lance, Division of Inspections and Demolitions, City of Asheville.

This Department called the Department of Insurance, Raleigh, North Carolina, August 12, 1976 to verification of Pinball Amusement Centers, specifically the Wizard located at 860 Merrimon Avenue.

It was explained to Mr. Mullins and Mr. Hauser that the place in question was located in a shopping center, 1600 square feet of floor space and that this Department had classified it as E-2 Small Assembly and that a Group B-2 Business formerly occupied this building to verify calculations of formula for determining occupancy it was stated that it was determined by net floor area and not gross floor area. Occupancy content was established at 68 persons under this formula with 1020 square feet of net floor area at 15 square feet per person without fixed seats.

Tom Mullins, Department of Insurance stated that under occupancy content established at 68 persons, classification would be Group B-1, same as bowling alleys, etc., and that a letter shall be forwarded to this Department of the ruling and requirements for restroom facilities at the Wizard from the Department of Insurance, Raleigh, North Carolina.

Handicapped Restrooms

Dear Sir:

You requested the reclassification of occupancy from Section 408, Group E Assembly to Section 405, Group B, Business in the North Carolina State Building Code, Volume I, General Construction, 1967 Edition as amended at a meeting held August 11, 1976.

This is to advise that the above request is granted and that the requirements for toilet fixtures would be as follows:

MEN'S TOILETS

Two water closets or one water closet and one urinal and two lavatories.

WOMEN'S TOILETS

Two water closets and two lavatories.

The above toilets must be accessible and usable by the physical handicapped.

A building permit shall be required and the above brought into compliance by September 27, 1976.

Enclosed is a copy of a letter dated August 12, 1976 from T. O. Mullins, Code Consultant Supervisor, Department of Insurance, State of North Carolina requested by this Department to clarify the requirements needed to comply for a Certificate of Occupancy and Compliance Permit.

Yours very truly,

404.2—SPECIAL REQUIREMENTS, GROUP "A" OCCUPANCY

Storage and handling of flammable liquids shall be prohibited in every Group "A" Occupancy. Not more than one (1) gallon of flammable liquid, used for cleaning purposes only, may be kept in a residence, provided such flammable liquid is kept in an approved container, used especially for that purpose.

One hour walls and ceilings required between apartments.

When one exit is permitted. Section 1103.2.

SECTION 405—GROUP "B"—BUSINESS

405.1—SCOPE

Buildings which are occupied for business or rendering of professional services shall be classified in Group B-1; buildings which are occupied for the sale or display of merchandise such as department stores, shopping centers, supermarkets, etc., or the supplying of food or drink, shall be classified in Group B-2.

Group B—Business Occupancy includes, among others, the occupancies listed below, but does not include buildings used for any purpose involving highly combustible, inflammable or explosive materials.

Group B-1

Greenhouses	Undertaking parlors
Filling stations	Temporary structures
Banks	Office buildings
Bowling alleys	Doctors offices

Group B-2

Stores	Markets
Shops	Restaurants (see exception 405.2)
Drug Stores	Shopping Centers

405.2—EXCEPTION

Restaurants or places supplying food or drink that accommodate 75 or more people, or that have a stage, or that provide dancing or entertainment features, shall be classified in Group E—Assembly and not in Group B—Business Occupancy (See Section 408).

405.3—SPECIAL REQUIREMENTS GROUP "B" OCCUPANCY

	SECTION
	Chapter XI
1. Special Exit Requirements	504
2. Temporary Structures	505
3. Filling Stations	509
4. Greenhouses	513
5. Bowling Alleys	
6. Storage and handling of flammable liquids shall be prohibited; except in Group B-2 (retail stores) that are not in excess of Section 411.2(b); except filling stations which shall conform to Section 501.1(f).	
7. Sprinkler Requirements	901.7

CHAPTER IV—CLASSIFICATION OF BUILDINGS BY OCCUPANCY

SECTION 401—CLASSIFICATION BY OCCUPANCY OR USE

401.1—GENERAL

Every new and existing building, or part thereof, shall for the purpose of this Code, be classified according to its use or occupancy as a building of one of the following OCCUPANCY GROUPS:

GROUP A—RESIDENTIAL

GROUP B—BUSINESS

GROUP C—SCHOOL

GROUP D—INSTITUTIONAL

GROUP E—ASSEMBLY

GROUP F—STORAGE

GROUP G—INDUSTRIAL

GROUP H—HAZARDOUS

GROUP I—FALLOUT SHELTERS

Each occupancy group is intended to embrace buildings as hereinafter defined and those of similar character or use. Wherever there is any uncertainty as to the classification of a building, the Building Official shall fix the classification within which it falls, according to the relative fire hazard involved.

401.2—PROTECTIVE REQUIREMENTS—ALL OCCUPANCY GROUPS

	SECTION
1. Allowable Height and Area	402.1 to 403.6, inclusive
2. Type of Construction	601 to 611, inclusive
3. Exit Requirements	1101 to 1126, inclusive
4. Protection of Vertical Openings	701.1 to 701.4, inclusive
5. Protection of Wall Openings	703.1 to 703.7, inclusive
6. Sprinklers and Standpipes	901.1 to 902.5, inclusive
7. Mixed Occupancy Separations	412
8. Light, Ventilation	Chapter VIII
9. Heating Requirements	Chapter XXIX
10. Separation of Furnace or Boiler Rooms	2901

SECTION 402—HEIGHT AND AREA RESTRICTIONS

402.1—APPLICATION

In the protection of each occupancy, the maximum height and area for buildings of the different types of construction, shall be governed by the intended use of the buildings, or occupancy, as provided for in this Chapter and shall not exceed the limits set forth in Table 402 except as provided in Sections 402 and 403.

stories above or below, where entrance is common to the rooms or spaces. This occupancy includes buildings having an auditorium and a stage provided for the use of movable scenery, or having an auditorium for viewing motion pictures or for theatrical purposes.

Group E—Assembly Occupancy shall include, among others, the following:

Passenger Depots	Motion Picture Houses
Libraries	Public Assembly Halls
Stadiums and Grandstands	Churches
Restaurants (large)	Museums
Amusement Park Buildings	Auditoriums
Tents (Assembly)	Dance Halls
Theaters	Recreation Halls
Gymnasiums	Skating Rinks

404.2—SUB-CLASSIFICATIONS

Group E shall be divided into two sub-classifications as set forth in this Section, both of which shall comply with the requirements for Group E Occupancy unless otherwise specified:

(a) Group E-1—LARGE ASSEMBLY

Group E-1 shall include theaters and places of public assembly having a working stage (see definition) and having a capacity of seven hundred (700) or more people; also, Group E-1 shall include theaters or places of assembly having a non-working stage but having a capacity of 1,000 or more people.

(b) Group E-2—SMALL ASSEMBLY

Group E-2 shall include theaters and places of assembly having a capacity of 75 or more persons but having a capacity less than designated for Group E-1.

404.3—METHOD OF DETERMINING CAPACITY

The capacity of occupant content of theaters and places of assembly shall be determined according to the actual number of persons that will occupy the space. In computing the occupancy capacity, the capacity shall not be less than six (6) square feet of floor area per person with fixed seats, or fifteen (15) square feet of floor area per person where fixed seats are not provided.

404.4—SPECIAL REQUIREMENTS—GROUP "E" OCCUPANCY

	SECTION
1. Special Exit Requirements	Chapter XI
2. Non-Combustible Stairway Requirements	1115
3. Special Requirements governing the necessary features for total protection of Group "E" Assembly Occupancies, shall be in accordance with Section 512.	
4. Tents	504.2
5. Stadiums and Grandstands	510
6. Amusement Park Buildings	511
7. Storage and handling of flammable liquids and combustible gases shall be prohibited.	

4. No classroom shall occupy basement room fifty (50) percent below ground level.
5. Every heating appliance which produces an unprotected open flame shall be prohibited. 2902
6. Storage and handling of flammable liquids shall be prohibited.
7. Where permanent motion picture projectors are used, booths shall be provided, as set forth in Section 512.25.
8. Small children shall be on first floor.
The lower grades shall be located in the classrooms nearest the exits.
9. Furnace and fuel rooms shall be separated by 2 hour rated walls and ceilings with no openings except to the outside of the building. (Section 2902)

SECTION 407—GROUP "D"—INSTITUTIONAL

407.1—SCOPE

Buildings in which more than two people are detained for penal or correctional purposes; or in which the liberty of the inmates is restricted, or places of involuntary detention, shall be classified in Group D-1.

Buildings in which more than five people are harbored for medical, charitable or other care or treatment shall be classified in Group D-2.

Group D-1—Institutional Occupancy—shall include, among others, the following:

Reformatories
Jails
Prisons
Mental Hospitals

Group D-2—Institutional Occupancy—shall include, among others, the following:

Hospitals
Sanitoriums
Orphanages
Old People's Homes
Nursing Homes

407.2—EXCEPTION

Dormitories for doctors, nurses, and able-bodied help (not for patients or inmates) of Institutional buildings shall be classified as Group A—Residential Occupancy.

5. At least 1-hour construction required	516
6. Sprinkler or fire detection system required.	516

SECTION 408—GROUP "E"—ASSEMBLY

408.1—SCOPE

Buildings in which provision is made for the congregation or gathering of seventy-five (75) or more persons in one room or space shall be classified in Group E—Assembly Occupancy. Such room or space shall include any occupied connecting room or space in the same story, or in a story or

70

On June 17, 1976, the Pinball Wizard Amusement Center, after four and one-half months of conducting business, was inspected at or about 8:00 A.M. from outside the location and that same day the Building Inspection Department sent The Pinball Wizard Amusement Center a letter to "Cease and Desist" business until such a time that the owners of the Pinball Wizard comply with the building codes as set forth in the "Cease and Desist" letter.

The June 17, 1976 inspection was initiated, as told to us by one of the inspectors, by a phone call from the Asheville Police Department to the Building Inspection Department. The Police Department asked the Inspection Department to see if The Pinball Wizard could be closed down because the Police Department received a noise complaint. If this statement is untrue, the Building Inspection Department, as we see it, hasn't the right to use another department as an excuse for an action that has caused us a loss of revenue, loss of time, and a degree of mental anguish.

Upon receipt of the "Cease and Desist" order on June 19, 1976, three phone calls were made to the Inspection Department and verbal notice was also given to close our doors. We just wanted to stay open for the weekend until this matter was discussed between all parties concerned. We were not allowed to do so. We reopened our doors on June 21, 1976 only under the advice of an attorney.

Pleasure Enterprises, Inc. hereby gives notice that the amount of $500.00 was lost in revenue by the "Cease and Desist" order. The complaint is that there was NO prior notice of building code deficiencies. The Pinball Wizard Amusement Center was inspected days prior to opening it's doors for business and was found to be "in order" for doing business. The business was given a verbal O.K. to obtain licenses and permits to conduct business.

Pleasure Enterprises, Inc. also gives notice of punitive damages claimed in the amount of $25,000.00 or part thereof. One reason for the above damages claimed is, we, the owners, feel that our civil liberties have been infringed upon which we can prove. Another reason for the above damages claimed is the unfavorable publicity which cast a shadow of doubt in the minds of parents as to the suitability of our place of business for their children. This has caused us intense personal embarrassment to family and friends.

Respectfully,

Frank Cioffari
President
Pleasure Enterprises, Inc.

FC:gc

Frank Cioffari

Corporate Seal

Nick Peterson, owner of the Space Mission Amusement Center and Frank Cioffari, owner of the Pinball Wizard Amusement Center, both said that the report was informative but they still wanted to see that the Inspection Division enforced the code where other amusement centers were concerned.

Councilman Morris commented that the handicapped restrooms was a state law requirement and Council could not change that law.

Mr. Cioffari quoted Section 88 of the Asheville City Code dealing with Council's power to enforce the building codes.

Councilman Rainey said he felt the purpose of a legislative body is to be sensitive to citizens' complaints and that one of Council's duties as a legislative body is to listen to their complaints. He said Council must realize that so much of the inspections business is generated by the federal government. He said many of the inpsections requirements imposed are the result of federal laws and the City needs federal funds to help do the inspections. He said he questioned whether inpsections should be used to discourage business initiative. He said he felt sympathy with the young businessman who faces a barrage of inspectors in the Inspection Division.

Mayor Ochsenreiter, responding to Mr. Cioffari, explained that any appeal procedure is through the State Department of Insurance, Engineering Division, the State Building Code Council and the courts.

Mr. Cioffari then presented the Corporation Counsel with a notice of prerequisite to Action for Damages against the City, pursuant to Section 12 of the Asheville City Code.

August 26, 1976

TO: City of Asheville, North Carolina
City Council
Mr. Gene Ochsenreiter, Mayor

FROM: Pleasure Enterprises, Inc.
The Pinball Wizard Amusement Center
45 Grindstaff Drive
Asheville, North Carolina

REF: SECTION #12 - Notice Prerequisite to Action for Damages Against City

In compliance with the City Code Section #12, this letter, in keeping with the above-mentioned code, in order for us, Pleasure Enterprises, Inc., to take legal action if we so desire at a later date, hereby notify the City of Asheville in writing of action to be taken pending the final outcome of our minor difficulties with the City.

On a roll call vote of 5-0, Ordinance No. 908 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 908. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 908 passed on second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 908. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 908 passed on third and final reading.

Complete text of Ordinance No. 908 will be found in Ordinance Book No. 7 at page 43.

ORDINANCE NO. 909 -AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (appropriating funds for the N. C. Youth Conservation Corp)

13. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 to appropriate funds for the operation of the North Carolina Youth Conservation Corp.

The Assistant City Manager read the ordinance.

Larry Fisher, Director of Finance, said this ordinance would clear up the budget and appropriate funds for the North Carolina Youth Conservation Corp, a program which Council approved several months ago.

Councilman Hoyle moved for the adoption of Ordinance No. 909. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 909 passed on first reading.

ORDINANCE NO. 910 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (appropriating funds for the Police/Fire Cadet Program)

14. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 to appropriate funds for the operation of the Police/Fire Cadet Program.

The Assistant City Manager read the ordinance.

Larry Fisher, Director of Finance, said this ordinance would clear up the budget and appropriate funds for the Police/Fire Cadet Program, a program which Council approved.

Councilman Michael moved for the adoption of Ordinance No. 910. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 910 passed on first reading.

RESOLUTION NO. 76-135 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SUPPLEMENTAL AGREEMENT NO. 3 TO FAA LEASE NO. DOTFA71SO-6028 COVERING THE ATCT/SFO FACILITY AT ASHEVILLE AIRPORT

11. Consideration was given to a resolution authorizing the Mayor to execute Supplemental Agreement No. 3 to FAA Lease No. DOTFA71SO-6028 covering the ATCT/SFO Facility at Asheville Airport.

The Assistant City Manager read the resolution.

Gary Taylor, Director of Aviation, explained that since the construction of the Asheville Airport a 5 ton air conditioning unit has supplied heat and air conditioning for the traffic control tower cab. He said since the radar system has been installed and other up-to-date equipment plus five men in the control tower, the heat factor has increased to a point far beyond the capability of the present 5 ton air conditioner. He said he had exhaulted every avenue to increase the capacity of the present air conditioning system. The unit has failed twice in the past three weeks and is subject to fail again at any time due to overload. FAA personnel has been informed that by adding both people and equipment on their part, has created this condition and that he expected financial support on an equal basis from them. He said Mr. W. B. Rucker, Chief Airway Facilities Division, Atlanta, Georgia sent an engineer to evaluate the problem. The engineers evaluation indicated a 10 ton train unit would be necessary to handle the present and future load and also to perform successful with the present controls.

Mr. Taylor said he requested the services of an engineer from Six Associates to review the FAA engineering request and the engineers report agreed with the FAA engineer's report and a cost estimate was supplied by Moser, Inc. of Asheville in the amount of $12,500. He said FAA agreed to approve 50% of the total cost of this installation. He said this resolution would amend the present lease agreement reflecting FAA's intent to pay 50% of the cost of the improvements, not to exceed $6,250 upon completion and acceptance of the improvements.

The Assistant City Manager said if this resolution was adopted a budget amendment ordinance would be necessary to appropriate funds in the amount of $6,250 to the Aviation Fund for Maintenance and Repairs.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 76-135 was unanimously adopted.

Complete text of Resolution No. 76-135 will be found in Resolution Book No. 9 at page 119.

ORDINANCE NO. 908 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

12. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 to upgrade the air conditioning in the Control Tower at the Asheville Airport.

The Assistant City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 908. This motion was seconded by Councilman Michael

74

BIDS - UNIFORMS FOR POLICE DEPARTMENT

17. Consideration was given to bids received August 16, 1976 for uniforms for Police Department.

The Assistant City Manager read a memorandum from the Purchasing Agent which stated that the Asheville Army Store submitted the lowest bid, but did not furnish samples for all items as called for in specifications. Rather than disqualify the bid altogether, consideration was given to items for which samples were provided and the suggestion that award be made to the low bidder on a per item basis. In this regard, Stinnette Uniform Company was low bidder on items 1, 2, and 4, totaling $9,234.00. The Asheville Army Store was low bidder on items 2, and 5 through 11 totaling $3,893.69. The combined totals amounting to $13,127.69 or additional savings of $343.44 below the low bid. Stinnette Uniform Company agreed to splitting the order to low bidder on a per item basis. This arrangement, however, is not acceptable to Asheville Army Store, and while their bid does not so state, their position, according to Store Manager, M. C. Williams is for award of "all of items complete or not at all". Therefore, it was the recommendation of the Purchasing Agent and J. C. Hall, Police Chief, that Council accept award of all items to the fully responsive bidder, Stinnette Uniform Sales, Inc. in the amount of $13,845.20.

Vice-Mayor Horton also pointed out that the Asheville Army Store's delivery date was 90 days while Stinnette Uniform Sales was only 45 to 60 days.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the fully responsive bidder, Stinnette Uniform Company in the amount of $13,845.20. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Army Store	$13,471.13
Stinnette Uniform Sales	$13,845.20

CIVIL SERVICE EXAMINATIONS FOR PROMOTIONS IN THE POLICE DEPARTMENT

Councilman Michael commended Chief Hall and the Civil Service Board for implementing a promotional examination that included a written and oral examination. He said he felt this was a much fairer examination.

RESOLUTION NO. 76-136 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY

18. Consideration was given to a resolution appointing Mr. Arthur E. Eve, Jr. as a member of the Asheville Transit Authority.

The Assistant City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 76-136 was unanimously adopted.

Complete text of Resolution No. 76-136 will be found in Resolution Book No. 9 at page 120.

BIDS - 100 FOLDING TABLES, KING ARTHUR MODEL NO. 1205, OR EQUAL, FOR CIVIC CENTER

15. Consideration was given to bids received August 16, 1976 for 100 folding tables for the Civic Center.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Talman's Office Supplies in the amount of $4,325.00.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Talman's Office Supplies in the amount of $4,325.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Talman's Office Supplies, Inc.	$4,325.00
Standard Theatre Supply	4,641.00

BIDS - ESTIMATED SIX (6) MONTHS REQUIREMENT FOR WATER MAIN PIPE

16. Consideration was given to bids received August 16, 1976 for estimated six (6) months requirement for water main pipe.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Lynchburg Foundry Company, for all base bid items. He said quantities used in this bid are approximate, based on estimated requirements for the next six (6) months. Recommended unit prices, firm for the six (6) month period from date of award, shall apply to City of Asheville Purchase Orders to be issued on an as-needed basis.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Lynchburg Foundary Company, for all base bid items. This motion was seconded by Councilman Morris and carried unanimously.

BID SUMMARY - BID REQUEST NO. 369 — ESTIMATED SIX (6) MONTHS REQUIREMENT FOR WATER MAIN PIPE — OPENED: MONDAY, AUGUST 16, 1976 - 1

	GLAMORGAN PIPE & FOUNDRY CO. LYNCHBURG, VA.		AMERICAN CAST IRON PIPE CO. ATLANTA, GA.		LYNCHBURG FOUNDRY LYNCHBURG, VA.

CLOSING OF FAIRVIEW ROAD - AUGUST 30, 1976

The Assistant City Manager said he had been informed by the Southern Railway Company that the railroad tracks on Fairview Road would be closed to traffic all day on August 30, 1976.

OPENING OF CIVIC CENTER PARKING GARAGE

Mayor Ochsenreiter invited everyone to attend the the grand opening and ribbon cutting ceremonies of Asheville's new parking garage on Wednesday, September 1, 1976 at 10 o'clock a. m.

Councilwoman Swilling left the meeting at 6:30 p. m.

CIVIC CENTER SEAT SURCHARGE

Mrs. Ava Kenner, representing the Asheville Antiques Fair, told Council her event might well be destroyed by an increase in admission cost. She said it had never been a big money-maker and said the sponsoring Vetust Study Club has tried to absorb the ever-increasing expenses involved in producing the fair but this year had to increase the admission. She said an additional 25-cent increase would cause people to stay away.

Councilman Morris said he had thought the seat tax was to be applied only to road shows and not to antiques fairs, industrial fairs and cultural exhibits.

Other Council members also agreed with Councilman Morris.

Councilman Morris moved to postpone the effective date of the seat surcharge until it could be given further consideration. This motion was seconded by Councilman Michael.

Councilman Morris suggested that a committee be appointed to study the matter.

Corporation Counsel William C. Moore said legal problems might result if Council started eliminating certain groups and including others.

Jim Evans, Civic Center Manager, said several major shows, including Ringling Brothers, Barnum and Bailey Circus and Holiday on Ice have said they will not play here again if the seat tax is levied. He said the wrestling promoter has also indicated strong objections to the seat tax.

Several Council members were inclined to keep the effective date of the Civic Center Seat Surcharge as September 1, 1976.

Councilman Michael withdrew his second to Councilman Morris' motion.

After discussion, Council agreed to meet on Monday, August 30, 1976 to further discuss the 25-cent seat surcharge.

75

RESOLUTION NO. 76-137 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE THE RICEVILLE FOREST WATER SYSTEM

19. Consideration was given to a resolution authorizing the City Manager to acquire the Riceville Forest Water System.

The Assistant City Manager read the resolution as well as the following letter from William E. Edens, City Engineer.

MEMORANDUM TO: William F. Wolcott, Jr.
Assistant City Manager - Operations

FROM: William E. Edens
City Engineer

SUBJECT: Acquisition of real estate and water distribution property in Riceville Forest

"In negotiating with the Riceville Forest people in January, 1976, I told them that I would recommend to City Council that we pay them $6,500 in return for the deed for the tank site on which the water storage tank sits in Riceville Forest Development. Subsequently, we have received a deed to a pumping station site near the entrance to the property which will house the pumps that work against the tank. In addition to the two tracts of land, there is approximately $10,000 to $15,000 worth of pipe line improvements which they have installed and which are satisfactory for inclusion in our distribution system.

Based upon the value of the land and improvements cited above it would be reasonable to recommend that the City pay them $6,500 for these properties. The cost can be charged either to a separate Fund 33 activity for the acquisition of Riceville Forest; or it can be included as a part of the cost of the Riceville Road 8-inch water line a WSIF project which is currently out for bids. There is adequate money in the latter account to cover this expenditure if the Council so desires.

Should you have any questions about this, please let me know."

William E. Edens, City Engineer, answered general questions from members of Council stating that he felt the City has a moral obligation to participate in the growth of the community by providng water services wherever they may be needed and can be economically provided.

After discussion, Councilman Morris moved for the adoption of Resolution No. 76-137. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 76-137 will be found in Resolution Book No. 9 at page 121.

PROCLAMATION - WOMANS DAY - AUGUST 26, 1976

Mayor Ochsenreiter proclaimed August 26, 1976 as Womans Day stating that on August 26, 1920 women won the right to vote with the passage of the 19th Amendment. He said this proclamation was in commemoration of the first attempt to give women a voice in the government and in recognition of the many contributions to which women have given in society.

78

Verl Emrick said pursuant to the Zoning Ordinance the matter could not be reconsidered for a year.

SECTION 8 HOUSING PROPOSALS - BATTERY PARK HOTEL AND OTEEN VA SITES

Rev. DeSaix commended Council for their decision to ask HUD to approve both sites, expressing priority for the Oteen site.

Adjournment.

MAYOR

CITY CLERK

77

SECTION 8 HOUSING PROPOSALS FOR THE BATTERY PARK HOTEL AND OTEEN VA SITES

Mrs. Roy Rogers appealed to Council to give HUD Council's support of the Oteen Section 8 Housing Proposal. She said tall buildings such as the Battery Park Hotel was a fire hazard to the elderly.

Councilman Michael then made the following motion:

"Whereas, Asheville is a city with a large elderly population; and

Whereas, Asheville is in need of more rehabilitated housing for the elderly; and

Whereas, the 250 units of rehabilitated presently allocated is considered insufficient;

The Asheville City Council therefore urges HUD to approve both the Battery Park and Oteen proposals for elderly housing.

In the event that both proposals can not be approved, we recommend that the Oteen Project be given priority over the Battery Park Project. This decision was reached after polling the senior citizens who indicated their preference of the Oteen Project."

This motion was seconded by Councilman Rainey and carried unanimously.

Mr. A. C. Mitchell also spoke in favor of the Oteen proposal.

Mr. Carl Johnson, said he had spent considerable time polling the elderly on how they felt about the two plans and expressed satisfaction with Council's decision.

Mr. Raymond Hilton also spoke in favor of the Oteen Proposal stating that Council should place more emphasis on the preference for Oteen.

Councilman Rainey said to change the motion would be taking away from the fact that we need both projects. He said he did not think there would be any restoration of downtown Asheville as long as the Battery Park Hotel remains an eyesore and remains closed.

DISCUSSION - GROUP DEVELOPMENT - ARROWHEAD APARTMENTS

Mr. R. L. Bailey voiced concern over Council's decision to deny the approval of the Arrowhead Apartments Group Development.

Mr. Ridgley Robinson, architect for the Arrowhead Apartments, also expressed concern over Council's decision to deny the approval of the group development. He said he felt the denial could be attributed to "emotional appeal". He said all the physical requirements for a group development had been met. He asked that Council reconsider the Arrowhead Apartments Group Development by either referring the matter back to the Planning and Zoning Commission or to set another public hearing.

Vice-Mayor Horton said all normal procedures for the group development were carried through and it had been Council's desire to accept the recommendation of the Planning and Zoning Commission to disapprove the group development.

80

On a roll call vote of 5-0, Ordinance No. 909 passed on second reading.

ORDINANCE NO. 910 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 APPROPRIATING FUNDS FOR THE OPERATION OF THE POLICE/FIRE CADET PROGRAM

4. Consideration was given to the second reading of Ordinance No. 910 an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating funds for the operation of the Police/Fire Cadet Program.

Mayor Ochsenreiter stated that members of Council had previously been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 910 passed on second reading.

RESOLUTION NO. 76-138 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY AND TAYLOR AND MURPHY CONSTRUCTION COMPANY, INC. FOR CERTAIN WATER IMPROVEMENTS

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company and Taylor and Murphy Construction Company, Inc. for certain water improvements.

The City Manager read the resolution and a memorandum from William E. Edens, City Engineer, which stated that bids on the four divisions of this contract were as follows:

Huntley Construction Company	$62,142.00
Taylor and Murphy Construction Co.	68,205.55
Cooper Construction Company	68,719.09
P & H Construction Co.	75,987.25
W & W Construction Co.	76,766.75
Stepp Ditching, Inc. (bidding on only 3 div.)	52,907.10

Huntley Construction Company is the apparent low bidder on Divisions I, II, and III; Taylor and Murphy Construction Company, Inc. is the apparent low bidder on Division IV for the contract. It was recommended that the low bidders be accepted.

William Edens, City Engineer, said three of these projects, Oak Hill Road, Riceville Road and Mann Road, are water system improvement fund projects, which are funded half by the City and half by the County and are efforts to upgrade the distribution system where poor service is evident. He said the other division referred to Haw Creek School is a line that was made necessary by the construction of the new Haw Creek Elementary School on Haw Creek Road and will be paid for fully by the Buncombe County School Board.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-138 was unanimously adopted.

Complete text of Resolution No. 76-138 will be found in Resolution Book No. 9 at page 122.

Thursday - September 2, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling and Corporation Counsel William C. Moore.

PRESENTATION OF HANDICAPPED AWARDS

Mayor Ochsenreiter presented ten (10) awards on behalf of the Committee on Employment of the Handicapped. Receiving the awards were: Nellie Farthing, Handicapped Citizen of the Year; George Russell Swift III, Handicapped Student of the Year; Carl Wells, Handicapped Employee Award; Russell M. Oates, Handicapped Employee Award; Glenda Briggs, recipient of state and national awards; David Golson, Handicapped Citizen of the Year; George Nalesnik of the Kearfott Division of Singer Company., Large Employer of the Year; John W. Ledbetter, M. D., Physician of the Year; Marvin Troka, plant manager, and Dean Justice, personnel director, of the Strawberry Hill Division of Chase Bag Company, Small Employer of the Year; and Raymond A. Brockway, Presidents Trophy.

APPROVAL OF THE MINUTES

1. Approval of minutes of August 26, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, the minutes of the August 26, 1976 meeting were approved as submitted.

ORDINANCE NO. 907 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Alley off Greenhill Avenue)

2. Consideration was given to the second reading of Ordinance No. 907, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning an alley off Greenhill Avenue from R-3 Residential District to CH Commercial Highway District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 907 passed on second reading.

ORDINANCE NO. 909 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 FOR THE OPERATION OF THE NORTH CAROLINA YOUTH CONSERVATION CORP.

3. Consideration was given to the second reading of Ordinance No. 909, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 for the operation of the North Carolina Youth Conservation Corp.

Mayor Ochsenreiter stated that members of Council has previously been furnished wth copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

82

REVIEW OF REQUESTS RELATIVE TO REMOVAL OF WEEDS AND LITTER FROM VACANT LOTS

8. Councilman Rainey said complaints relative to the removal of weeds and litter from vacant lots is a continuing problem. He said neighborhoods tend to be blighted with vacant lots in their areas, that goes unattended. He then read the following editorial from the Asheville Times published on July 7, 1976.

"When the owner of a vacant city lot permits his property to grow up with weeds and bushes he does a serious injustice to all residents of his community, especially those who must look at the jungle every day.

Asheville abounds in such sorry sights, convenient receptacles for rodents, beer cans, kitchen garbage and other litter.

As with all cities, a number of the unsightly lots are owned by persons who live out of town. However, this is absolutely no excuse for such neglect of property in a thickly populated neighborhood.

In addition to the imposition where individuals and families are concerned, these neglected plots do harm to the image of the city as a whole.

Municipal authorities should use every possible pressure for correction of these situations. They owe it to the rest of us."

Councilman Rainey said he felt Council was working on the problem with Ordinance No. 766, passed in March, 1973, which he felt was flawed. He said it imposes a penalty of $10.00 a day on those lot owners that do not comply. He said in all cases Council must order the lot to be cleared. He said the ordinance needs to be streamlined. He distributed to members of Council, the Corporation Counsel and the City Manager, a copy of Concord, North Carolina's ordinance, which requires that lots of this nature be cleared twice a year on June 15 and September 15 and if the owner does not clear the lots then the City clears them and charges the owner. If the owner can not be located or refuses to pay, a lien is placed on the property. He said Council should study Ordinance No. 766 and the Concord, North Carolina ordinance and try to solve these problems with a different approach.

Dr. Walter R. Boland of 50 Greenleaf Circle told Council two unpaved roads have been put through a once beautiful, heavily wooded area near his home, ostensibly to provide access for homes which were to be built. But in the year and a half since then, nothing has been built except a foundation with walls six to nine feet high. The roads are overgrown with weeds, he said, and piles of lumber with long spikes sticking out provide a home for snakes and an attractive but dangerous play area for neighborhood children. He said he had complained to the City numerous times but to no avail.

Ms. Evelyn Hicks of 9 Sareva Place, presented a petition to Council containing some 39 signatures, representing 22 households in her neighborhood, complaining to Council about a vacant lot where mosquitoes abound and dense vegetation blocks air and sunlight. She said they respectfully implore City Council to find a way to solve their problem.

81

ORDINANCE NO. 911 - AN ORDINANCE REQUESTING AND AUTHORIZING A BUDGET INCREASE IN THE COMMUNITY DEVELOPMENT HOME OWNERSHIP AND CREDIT COUNSELING PROJECT

6. Consideration was given to an ordinance requesting and authorizing a budget increase in the Community Development Home Ownership and Credit Counseling Project.

The City Manager read the ordinance.

Logan Delaney, Community Development Coordinator, said the City Council authorized an expenditure in the amount of $5,000 from Community Development funds in support of the 2nd Action Year Home Ownership and Credit Counseling Project. He said this project provides vital services to Community Development resident homeowners and other Community Development residents through debt liquidation and fiscal management counseling and general economic and fiscal rehabilitation counseling. He said this agency is currently serving an ever increasing number of Community Development clients and these activities are administered by a competent staff under the sponsorship and supervision of a well-qualified Board of Directors chosen for their expertise and everyday involvement in business, law, finance and management. He said, therefore, he was recommending that the Community Development budget be amended by transferring $12,075 from the Community Development Contingency fund to the Community Development Home Ownership and Credit Counseling Project.

Councilman Hoyle moved for the adoption of the ordinance. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 911 passed on first reading.

BIDS - FIRE HOSE 1½" AND 2½" DIAMETER FOR FIRE DEPARTMENT

7. Consideration was given to bids received August 16, 1976 for fire hose 1½" and 2½" diameter for Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that the apparent low bid was submitted by Tidewater Supply Company for hose manufactured by B. F. Goodrich. He said he was later advised by Tidewater, their bid was incorrect with regard to manufacturer and would not meet material specifications. Hose quoted is manufactured by another concern, Rawhide Fire Hose Corporation and has polyester jacket rather than 100% cotton as specified in the bid specifications. Therefore, it was recommended that the Tidewater Supply Company bid be rejected for non-compliance to specifications and award to the fully responsive second low bidder, Boyce L. Ford Company, Inc., items 1 and 2 totaling $4,570.00.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the second low bidder, Boyce L. Ford Company, Inc. totaling $4,570.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Supply Specialties, Inc.	$4,650.00
Boyce L. Ford Company	4,570.00
Tidewater Supply Company	4,160.00

84

CIVIC CENTER SEAT SURCHARGE

Councilman Michael made the following motion:

"If Council will permit, I would like to share my opinion concerning the seat tax levy which is representative of the kinds of financial problems this Council, future Councils and Citizens of Asheville will continue to face as long as the city finances certain services and operations under the present system which in my opinion is inequitable. For too long the tax paying citizens of the City of Asheville, who also pay county taxes, have supported such things as the Asheville Civic Center, Airport, Recreation Parks, and Municipal Golf Course, One Mile Perimeter Zoning, Public Library, and Parking Garages and Lots - only to mention a few of the areas in which a greater financial responsibility should be assumed by the County. In recent months, Asheville City Council and the Buncombe County Commission have made what I consider historical headway by jointly financing certain services which the citizens of Asheville and Buncombe County have and will continue to benefit from and support in an equitable manner. The services and operations in which the City and County mutually agreed to support financially represent a step in the right direction. However, significant this progress may be, it should be recognized that these efforts must continue for it is projected that the City of Asheville will be confronted with a one million dollar plus budget deficit for the 1977-78 fiscal year. A declining economic tax base, an out-migration of the citizens from the city to the county and a city population which is increasingly becoming predominately low income, minority, and disadvantaged and elderly further compound the problem of the City's ability to generate sufficient revenue to support the services and operations previously mentioned. These are some tragic trends which are going to lead to some tough times if the City and County fail to continue to plan, coordinate and mutually agree to jointly fund those activities and operations which will benefit all citizens of the City, County and Western North Carolina Region. I therefore, think that a seat tax should be a last resort for this is only prolonging and evading the main issue.

Vice-Mayor Horton said the Finance and Legislative Committee appointed by the Mayor is addressing themselves to the problems outlined by Councilman Michael. He said recommendations from that committee should be presented to Council in October.

AMUSEMENT CENTERS- PINBALL WIZARD AND SPACE MISSION AMUSEMENT CENTERS

Mr. Frank Cioffari, owner of the Pinball Wizard Amusement Center, appeared before Countil again to confute a number of points contained in the report presented by Assistant City Manager Ken Michalove at last week's meeting. Noting that he plans to take his case to court, he said he doesn't want anyone to fault him later for not confuting the report at the time.

Responding to a question from Mr. Cioffari, Councilman Morris said he felt the matter should have been handled by in-house staff before being brought to Council.

Councilman Rainey commented that he felt it was Council's responsibility to hear out citizens complaints. He said he had received 15 confidential calls during the course of the investigation into alleged irregularities in the Inspection Division and at no time was there found any proof of criminal action. They found no one on the take and if there are mistakes, they were honest mistakes.

83

Ms. Sadie L. Sprinkle of 330 Barnard Avenue, told Council that she could get no help from the City to do something about the stagnant water and hoards of mosquitoes plaguing the neighborhood. She said a spring in the area was causing the health hazard.

Mrs. Blandene S. Pettit of 16 Robindale Avenue, told Council her elderly father has been paying $25.00 per year for the past three years for the clearing of an adjacent lot which does not belong to him. She said the lot was located next to 84 Barnard Avenue. She said after having tried since January, 1971 to get the city to help with the problem she called Councilman Rainey and got results.

Mrs. Pettit commended the Inspection Department for the good work done on Robindale Avenue.

Councilman Morris said when the ordinance is studied it should include occupied lots as well as vacant lots.

PROCLAMATION - NATIONAL CANCER DAY - SEPTEMBER 8, 1976

Mayor Ochsenreiter proclaimed September 8, 1976 as National Cancer Day.

PROCLAMATION - AMERICAN INSTITUTE OF BANKING WEEK IN ASHEVILLE - SEPTEMBER 6 - 12, 1976

Mayor Ochsenreiter proclaimed September 6 - 12, 1976 as American Institute of Banking Week in Asheville.

QUALITY '76 - STATEMENT BY VICE-MAYOR HORTON

Vice-Mayor Horton made the following statement and motion:

"I think it is "high time" for this Council to give some well-deserved recognition and an expression of appreciation to all those wonderful individuals who have served so faithfully and well in the planning and coordination of the tremendously successful Quality '76 Program for Asheville and Buncombe County.

It is my sincere personal opinion that this positive, forward reaching program should be continued as an integral, on-going segment of our Community's future development ... following much along the lines of its already established and successful format, under whatever name or designation that may be appropriate.

I should like to make the motion that a resolution of commendation and appreciation which will urge the continuation of this program be prepared for Council's consideration for the meeting of September 9, 1976.

Since the Quality '76 Executive Committee is to meet on September 8, I would further move that that body be advised of the impending resolution."

This motion was seconded by Councilman Rainey and carried unanimously.

86

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 912. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 912 passed on third and final reading.

Complete text of Ordinance No. 912 will be found in Ordinance Book No. 7 at page 48.

CLAIM - MILDRED R. TAYLOR

The City Manager presented a claim from Mildred R. Taylor for damages due to the Street Department cutting trees on her property in the amount of $4,000.00.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Norman J. Pocock
CITY CLERK

85

RESOLUTION NO. 76-139 - RESOLUTION REGARDING SARDIS ROAD 8-INCH WATER LINE

Consideration was given to a resolution regarding Sardis Road 8-inch water line.

The City Manager read the resolution and stated that if Council approved the resolution a budget amendment in the form of an ordinance would have to be approved. He said funds for this project would come from the Water and Sewer Improvement Fund, which is funded half by the County and half by the City.

William Edens, City Engineer, said the City has received numerous complaints regarding inadequate water supply and pressure from the customers of the City situated on the line laying in Sardis Road between Brevard Road and Sand Hill Road and that the Assistant City Manager for Operations has recommended that in order to alleviate pressure and supply deficiencies in the area, an initial construction of approximately 3,600 linear feet of 8-inch water line be constructed in Sardis Road southerly from Sand Hill Road. He said it was his opinion that the situation is grave enough to be designated as an emergency. He said this resolution would authorize the City Engineer to solicit informal quotations for the construction of the line without regard to the formal bidding procedures designated in GS 143-129 and that it would also direct the City Engineer to undertake the construction and have it completed at the earliest possible date commensurate with good engineering and construction practice.

Mr. Edens said the 3,600 feet of eight-inch pipe represents the inital phase of an 11,000 foot project. The remainder of the project could be done more slowly with the initial 3,600 feet expected to eliminate the major part of the problem. He said the City's long range plans calls for installation of a 12 or 16-inch water main for Sardis Road within the next 10 to 12 years.

Councilman Hoyle moved for the adoption of Resolution No. 76-139 stating that the informal bids would be furnished in writing. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 76-139 will be found in Resolution Book No. 9 at page 123.

ORDINANCE NO. 912 - ORDINANCE AMENDING THE OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 PERTAINING TO THE CONSTRUCTION OF WATER IMPROVEMENT PROJECTS

Consideration was given to an ordinance amending the operating budget for the City of Asheville for fiscal year 1976-77 pertaining to the construction of water improvement project in Sardis Road.

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 912. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 912 was passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 912. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 912 was passed on second reading.

PUBLIC HEARING - ADOPTION OF AMENDMENTS TO THE NORTH CAROLINA STATE BUILDING CODE, VOLUME I, GENERAL CONSTRUCTION, 1967 EDITION FOR EXISTING HIGH RISE BUILDINGS

ORDINANCE NO. 913 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED

3. A public hearing was held relative to adoption of amendments to the North Carolina State Building Code.

Mayor Ochsenreiter opened the public hearing at 3:17 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Chief Building Inspector, explained the amendments to the North Carolina State Building Code, Volume I, General Construction, for existing high rise buildings and what has to be done to comply with same. He advised that local owners of high rise structures are being notified by mail of requirements that have to be brought up to standard within a period of five years.

Mayor Ochsenreiter closed the public hearing at 3:21 o'clock p.m.

The City Manager read the ordinance to amend Section 8-1 of Chapter 8, Article I of the Code of Ordinances, entitled State Building Code Adopted.

Upon motion of Councilman Michael, seconded by Councilman Morris, the ordinance was adopted.

On a roll call vote of 5-0, Ordinance 913 passed on its first reading.

ORDINANCE NO. 907 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Alley off Greenhill Avenue)

4. Consideration was given to the third and final reading of Ordinance No. 907, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning an alley off Greenhill Avenue from R-3 Residential District to CH Commercial Highway District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 907 passed on its third and final reading.

Complete text of Ordinance No. 907 will be found in Ordinance Book No. 7 at page 42.

ORDINANCE NO. 909 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILE FOR FISCAL YEAR 1976-77 FOR THE OPERATION OF THE NORTH CAROLINA YOUTH CONSERVATION CORP.

5. Consideration was given to the third and final reading of Ordinance No. 909, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 for the operation of the North Carolina Youth Conservation Corp.

Thursday - September 9, 1976 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Councilwoman JoAnn M. Swilling, Corporation Counsel Robert J. Robinson substituting for William C. Moore, City Manager Ernest J. Ward and Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene Rainey and Corporation Counsel William C. Moore. (Councilman Rainey took his seat at 3:55 o'clock p.m.)

APPROVAL OF MINUTES

1. Approval of minutes of September 2, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the September 2, 1976 meeting were approved as submitted.

PUBLIC HEARING - CLOSING OF PORTIONS OF BLANTON STREET, DEWITT STREET, SOUTH GROVE STREET AND ALL OF SILVER STREET AND FIVE (5) UNNAMED ALLEYS

RESOLUTION NO. 76-140 - RESOLUTION TO CLOSE PORTIONS OF BLANTON STREET, DEWITT STREET, SOUTH GROVE STREET, ALL OF SILVER STREET AND FIVE (5) UNNAMED ALLEYS

2. A public hearing was held relative to the closing of portions of Blanton Street, Dewitt Street, South Grove Street, all of Silver Street and five (5) unnamed alleys.

Mayor Ochsenreiter opened the public hearing at 3:01 o'clock p.m.

Robert J. Robinson, Corporate Counsel, read Resolution No. 76-125, setting the time and date for the public hearing and describing said property.

The City Manager stated he had the affidavit of publication and affidavits to the fact that notices of closing of these portions of streets and alleys had been prominently posted in at least two places along the streets and alleys proposed to be closed. He also stated that he had statements agreeing to closing of these proposed closings from the following persons: William J. Ruth, 186 South French Broad, Ola Belle Hanks, 202 South French Broad Avenue, Maggie S. Wells, 172 South French Broad Avenue, James Avery, 196 South French Broad Avenue, Ulysses and Bessie Watts, 15 Blanton Street.

Larry Holt from the Asheville Housing Authority, by use of a map located the proposed street and alley closings.

Mayor Ochsenreiter closed the public hearing at 3:15 o'clock p.m.

Robert J. Robinson read the resolution closing said portions of streets and alleys.

Upon motion of Councilman Michael, seconded by Vice Mayor Horton, Resolution No. 76-140 was unanimously adopted.

Complete text of Resolution No. 76-140 will be found in Resolution Book No. 9 at page 124.

90

were issued would have 15 days in which to pay the fine before additional delinquent charges were added.

After some discussion, Councilman Morris moved to amend the ordinance to change the charge for meter feeding from $1.00 to $5.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

Mr. Ralph Bishop spoke in opposition to the ordinance as amended.

On a roll call vote of 5-0, Ordinance No. 914 passed on its first reading as amended.

RESOLUTION NO. _____ A RESOLUTION AUTHORIZING THE CITY MANAGER TO NEGOTIATE FOR AND ENTER INTO A CONTRACT FOR THE INVENTORY AND APPRAISAL OF CITY OWNED FIXED ASSETS

9. Consideration was given to a resolution to authorize the City Manager to negotiate for and enter into a contract for the inventory and appraisal of City owned fixed assets.

Councilman Gene Rainey took his seat in the Council meeting at 3:55 p.m.

Councilman Michael questioned that fact th Marshall and Stevens was not a local firm and it seemed unfair since we do have local appraisers and auditors and that they should at least be given a chance to try some of this type service.

Vice Mayor Horton explained that this is a highly specialized type of service and this is one area where one must be very careful to get a qualified service from whoever we bring in to do this type of service.

Mr. Fisher, Director of Finance, explained that we do use local appraisers when selling or buying property. Vice Mayor Horton also pointed out that an appraisal would give us a new fix on our insured value as far as our insurance coverage is concerned.

Members of Council voiced concern over spending $46,500 for something they felt could be done at least in part by the City's own staff. They felt like staff members would be called upon to furnish most of the inventory information for the consultants. Could the City inventory its own property and then have consultants come in and put a value on it?

Mr. Fisher agreed to contact local firms about this matter and perhaps have representatives from Marshall and Stevens come back and meet with Council at a later date. He suggested that they table this resolution for the time being.

Mr. Ward commented that our audit report this year would be qualified but this is a requirement of the ICPA now and until such time as we do come up with something acceptable then our audit reports would be qualified and what we are saying when our audit reports are qualified is that if we get into any need for bonds then this information will go to the rating bureaus and will affect the City's bond ratings as those bonds are being sold. These requirements are much more stringent now as it relates to the sale of bonds than they ever have been before. The last bonds that we sold are described in a brochure that was not more than four or five 5x8 pages. The next bond brochure that we prepare will be the size of one of our audit reports which will have something in the neighborhood of letter size paper of about 50 to 100 pages. So what Mr. Fisher is trying to do is meet the certification requirements and look for the best bond rating that we can get as we do this work. We will pursue what Council is asking for and bring it back to the Council.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 909 passed on its third and final reading.

Complete text of Ordinance No. 909 will be found in Ordinance Book No. 7 at page 45.

ORDINANCE NO. 910 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 APPROPRIATING FUNDS FOR THE OPERATION OF THE POLICE/FIRE CADET PROGRAM

6. Consideration was given to the third and final reading of Ordinance No. 910, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating funds for the operation of the Police/Fire Cadet Program.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 910 passed on its third and final reading.

Complete text of Ordinance No. 910 will be found in Ordinance Book No. 7 at page 46.

ORDINANCE NO. 911 - AN ORDINANCE REQUESTING AND AUTHORIZING A BUDGET INCREASE IN THE COMMUNITY DEVELOPMENT HOME OWNERSHIP AND CREDIT COUNSELING PROJECT

7. Consideration was given to the second reading of Ordinance No. 911, an ordinance requesting and authorizing a budget increase in the Community Development Home Ownership and Credit Counseling Project.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 911 passed on its second reading.

ORDINANCE NO. 914 - AN ORDINANCE PROVIDING FOR FIXED PENALTIES FOR VIOLATION OF CERTAIN TRAFFIC ORDINANCES OF THE CITY OF ASHEVILLE

8. Consideration was given to an ordinance providing for fixed penalties for violation of certain traffic ordinances of the City of Asheville.

The City Manager read the ordinance.

Drew Walker, Legal Advisor for the Police Department, explained some of the rules for charges of parking penalties and said this ordinance would greatly improve the whole parking system upon its adoption by Council.

Captain Clarence F. Welborn, head of the Police Department Records Division, agreed with Mayor Ochsenreiter saying he felt that the fine for meter feeding should be $5.00 instead of $1.00. He further explained that the persons to whom these tickets

Larry Fisher, Director of Finaance, explained that the City would be under a total cash commitment of $31,852. and that approximately $23,000. of this amount had already been budgeted.

Upon motion of Councilman Michael, seconded by Vice Mayor Horton, Resolution No. 76-142 was unanimously adopted.

Complete text of Resolution No. 76-142 will be found in Resolution Book No. 9 at page 137.

ORDINANCE NO. 915 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

12. Consideration was given to the adoption of an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 to provide matching funds for Asheville Airport Improvement Grants.

The City Manager read the ordinance.

Councilman Michael moved for adoption of Ordinance No. 915. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 915 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 915. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 915 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 915. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 915 passed on the third and final reading.

Complete text of Ordinance No. 915 will be found in Ordinance Book No. 7 at page 53.

REZONING REQUEST - COUNTY OF BUNCOMBE - WARD 17, SHEET 45, PORTION OF LOT 50

The City Manager read a letter from the Planning and Zoning Commission which recommended the approval of the rezoning request to rezone Ward 17, Sheet 45, portion of Lot 50 from OI Office Institutional District to CS Commercial Service District.

Councilman Morris moved to schedule a public hearing on the matter for September 30, 1976. This motion was seconded by Vice Mayor Horton and carried unanimously.

REZONING REQUEST - MRS. LOUISE TOMLINSON - NORTH LIBERTY STREET

The City Manager read a letter from the Planning and Zoning Commission which recommended the approval of the rezoning request by Mrs. Louise Tomlinson to rezone Ward 2, Sheet 4, Lots 98 and 99 from R-4 Residential District to CH

RESOLUTION NO. 76-141 - A RESOLUTION OF APPRECIATION TO THE QUALITY '76 EFFORT AND ASHEVILLE CITY COUNCIL ENCOURAGEMENT THAT THE PROGRAM BE CONTINUED IN SOME FORM

10. Consideration was given to a resolution of appreciation to the Quality '76 effort and Asheville City Council encouragement that the Program be continued in some form which was prepared at the instruction of Council at their regular meeting on September 2, 1976.

Vice Mayor Horton read the resolution as follows:

WHEREAS, the Quality '76 idea began in 1975 as a volunteer effort to accomplish various community improvement goals and objectives in the community in recognition of the Nationwide Bicentennial Program; and

WHEREAS, hundreds of volunteers and community organizations, in fact, accomplished a wide variety of projects that could not have been accomplished without the volunteers and highly organized effort of coordination.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE:

That sincere appreciation be hereby expressed to those individuals who have served so faithfully and well in the planning and coordination of the Quality '76 Program; and

BE IT FURTHER RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE:

That this forward reaching effort should be continued as an integral, on-going segment of our Community's future development following along the lines of the already established and successful format, under a name or designation that may be appropriate.

Upon motion of Vice Mayor Horton, seconded by Councilman Hoyle Resolution No. 76-141 was unanimously adopted.

Complete text of Resolution No. 76-141 will be found in Resolution Book No. 9 at page 136.

RESOLUTION NO. 76-142 - A RESOLUTION AUTHORIZING THE MAYOR TO APPLY FOR AND EXECUTE FEDERAL AND STATE GRANTS FOR AIRPORT IMPROVEMENTS.

11. Consideration was given to a resolution authorizing the Mayor to apply for and execute Federal and State Grants for Airport Improvements.

The City Manager read the resolution.

Gary Taylor, Director of Aviation, explained that the total amount of the Grant would be $637,045. and that these monies are distributed to airports according to the number of enplanements. The money is recommended and suggested by the FAA to take care of safety improvements at the Asheville Airport and items to be applied for under this application will be:

1. Purchase of 1500-gallon foam fire truck
2. Upgrade existing MITL and HIRL System (Medium itensity and high intensity lighting of the taxiway and runway)
3. Construction of a 4,000 square foot fire station
4. Extension of safety area of runway 34

Thursday - September 16, 1976 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Councilwoman JoAnn M. Swilling, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Michael and Corporation Counsel William C. Moore. (Councilman Michael took his seat at 3:28 o'clock p.m.)

APPROVAL OF MINUTES

1. Approval of minutes of September 9, 1976 meeting.

Upon motion of Vice Mayor Horton, seconded by Councilman Hoyle, the minutes of the September 9, 1976 meeting were approved as submitted.

ORDINANCE NO. 913 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED (General Construction for High Rise Buildings)

2. Consideration was given to the second reading of Ordinance No. 913, an ordinance amending Section 8-1 of Chapter 8, Article I of the Code of Ordinances, general construction of High Rise Buildings.

J. E. Johnson, Chief Building Inspector, re-emphasized to Council that these regulations are presently in effect but that property owners have five (5) years to comply with them.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 913 passed on its second reading.

ORDINANCE NO. 911 - AN ORDINANCE REQUESTING AND AUTHORIZING A BUDGET INCREASE IN THE COMMUNITY DEVELOPMENT HOME OWNERSHIP AND CREDIT COUNSELING PROJECT

3. Consideration was given to the third and final reading of Ordinance No. 911, an ordinance requesting and authorizing a budget increase in the Community Development Home Ownership and Credit Counseling Project.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 911 passed on its third and final reading.

Complete text of Ordinance No. 913 will be found in Ordinance Book No. 7 at page 47.

Commercial Highway District. The Planning and Zoning Commission recommended further that Lots 97, 97½, and 101 be included in this request.

Councilman Morris moved to schedule a public hearing on the matter for September 30, 1976. This motion was seconded by Vice Mayor Horton and carried unanimously.

CLAIM - WALTER HOWARD LEWIS

The City Manager presented a claim received from Lentz and Ball, Attorneys on behalf of Walter Howard Lewis, for damages and claims of the City of Asheville as a result of personal injuries sustained due to a hole in a public sidewalk on Livingston Street.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

COMPLAINT - RALPH G. BISHOP - POLICE DEPARTMENT

Mr. Ralph G. Bishop again appeared before Council complaining about the lack of control of gamblers in the City of Asheville and strongly criticized Chief Hall for lack of action on his part in this matter.

Adjournment.

Eugene F. Ochsenreiter
MAYOR

William D. Holcomb
CITY CLERK

RESOLUTION NO. 76-143 - A RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH TAYLOR AND MURPHY CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS MONTE VISTA BOOSTER PUMP STATION

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Taylor and Murphy Construction Company, Inc. for the project known as Monte Vista Booster Pump Station.

The City Manager read the resolution and a memorandum from William E. Edens, City Engineer, which stated that bids were received on July 27, 1976 for this project as follows:

Taylor & Murphy Construction Company, Inc.	$ 9,938.00
Mountain Shore Construction Corp.	11,470.00
Ray C. Davis Company, Inc.	12,940.00
Cooper Construction Company	13,500.00
Hobson Construction Company	16,750.00

Taylor & Murphy Construction Company, Inc. is the apparent low bidder for this contract. It was recommended that the low bid be accepted.

William Edens, City Engineer, explained that the residents of this section had been plagued with low water pressure problems for several years and that this pump would serve the Oak Hill Road, Holbrook Road, and English Drive area as well as Monte Vista Drive as far as the private school. He said that the County is presently entering into negotiations to design a major feeder main which will cross this line and eliminate the need for this pump station sometime in the next five to ten years.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-143 was unanimously adopted.

Complete text of Resolution No. 76-143 will be found in Resolution Book No. 9 at page 139.

Councilman Michael took his seat at 3:28 o'clock p.m.

RESOLUTION NO. 76-144 - A RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH COOPER CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS MONTFORD AVENUE FIRE LINE

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Cooper Construction Company, Inc. for the project known as Montford Avenue Fire Line.

The City Manager read the resolution and a memorandum from William E. Edens, City Engineer, which stated that bids were received on September 8, 1976 for this project as follows:

Cooper Construction Company	$168,425.82
P & H Construction Company	185,114.25
Taylor & Murphy Construction Co.	170,711.65
W & W Construction, Inc.	280,479.00
Wells & West, Inc.	226,586.00

Cooper Construction Company is the apparent low bidder with a total bid of $168,425.82 for this contract. It was recommended that the low bid be accepted.

ORDINANCE NO. 914 - AN ORDINANCE PROVIDING FOR FIXED PENALTIES FOR VIOLATION OF CERTAIN TRAFFIC ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 914, an Ordinance providing for fixed penalties for violation of certain traffic ordinances of the City of Asheville.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mayor Ochsenreiter called upon Asst. Police Chief Trulove to define "meter feeding" for Councilman Rainey. Chief Trulove said "meter feeding" is feeding the same meter and that moving an automobile from meter to meter would not be considered a violation.

In response to Vice Mayor Horton's inquiry as to whether it is spelled out in ordinance that it is illegal to meter feed, Corporation Counsel, Robert J. Robinson read Section 28-119 of the Code of Ordinances which reads as follows:

> "No person shall be allowed to deposit or cause to be deposited in any parking meter a coin for the purpose of extending the parking period beyond the time fixed by Sections 28-115 and 28-117."

Councilman Rainey said he believed that the intent of the ordinance was to breakup employee meter-feeding, not to discourage people from coming downtown to do shopping or take care of other business matters.

Councilwoman Swilling said that she had had some discussion with people about the two-hour meter and that these might be beneficial to people shopping, keeping doctor appointments, or conducting other business in the downtown area.

Councilman Hoyle said that he is for employees of the downtown businesses who are meter-feeding receiving a $5.00 fine, but that he is not against the individual shopper doing this because this would help keep our downtown businesses alive.

Councilman Morris said that a person who parks at a two-hour meter and lets the meter expire can expect to get three $1.00 parking tickets but a person who parks and goes back and feeds the meter would be stuck with a $5.00 fine. He suggested that some amendment be made to provide stiffer penalties for persons caught parking "overtime" several times during the same week.

In reply to Vice Mayor Horton's question about marking cars, Chief Trulove explained that Meter Maids use a chalk stick to mark the tires on cars but that this is done primarily in the two-hour, free-parking zones and on cars parked where the meters have expired.

Councilwoman Swilling moved to table the ordinance until Council could be presented with further information to clarify various points of the ordinance and review the present Code dealing with parking. This motion was seconded by Councilman Hoyle, which motion carried, with Councilman Morris voting "No".

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Matthews Motors, Inc., totaling $35,890.10.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Matthews Motors, Inc. in the amount of $35,890.10. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Matthews Motors, Inc.	$35,890.10
Appletree Chevrolet Company	36,623.42
Dorato Motors	38,067.80
Roberts Auto Sales	38,315.30
Sam's Lincoln-Mercury, Inc.	No Reply

BIDS - ONE (1) FOUR-DOOR SEDAN AND ONE (1) FOUR-WHEEL DRIVE UTILITY TYPE TRUCK FOR THE WATER DEPARTMENT

10. Consideration was given to bids received September 13, 1976 for one (1) four-door sedan and one (1) four-wheel drive utility type truck for the Water Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Appletree Chevrolet, Inc., totaling $9,159.55.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Appletree Chevrolet, Inc. in the amount of $9,159.55. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid-Item 1	Bid-Item 2	Total Bid
Matthews Motors, Inc.	$4,295.59	$4,956.49	$9,252.08
Appletree Chevrolet, Inc.	4,271.57	4,887.87	9,159.55
Roberts Auto Sales	4,299.68	No Bid	4,299.68
Arrowhead International	No Bid	5,200.00	5,200.00

BIDS - TWO (2) PATROL CARS AND THREE (3) COMPACT DETECTIVE CARS FOR THE POLICE DEPARTMENT

11. Consideration was given to bids received September 13, 1976 for two (2) patrol cars and three (3) compact detective cars for the Police Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bidders: Item 1 - Dorato Motors, Inc. @ $4,735.10 per unit, totaling $9,470.20 and Item 2 to Appletree Chevrolet, Inc. @ $4,269.37 per unit, totaling $12,808.11.

Councilwoman Swilling moved to accept the recommendations of the Purchasing Agent and award the bids to the low bidders, Dorato Motors, Inc. - Item 1 in the amount of $9,470.20 and Appletree Chevrolet, Inc. - Item 2 in the amount of $12,808.11. This motion was seconded by Vice Mayor Horton and carried unanimously.

97

William Edens, City Engineer, said use of Alternates I and II will make the Net Contract Price $166,050.52. He also explained that Alternate I is the substitution of butterfly valves for gate valves in the 16" section of the main and that Alternate II is using a new type of plastic pipe which is rated for municipal services and would not be affected by severe cold weather.

Upon motion of Councilman Morris, seconded by Vice Mayor Horton, Resolution No. 76-144 was unanimously adopted.

Complete text of Resolution No. 76-144 will be found in Resolution Book No. 9 at page 140.

RESOLUTION 76-145 - A RESOLUTION IN REGARD TO ENGINEERING SERVICES FOR THE DESIGN OF THE HAW CREEK JUNCTION PRESSURE REGULATING STATION

7. Consideration was given to a resolution in regard to Engineering Services of the Haw Creek Junction Pressure Regulating Station.

The City Manager read the resolution and a memorandum from William E. Edens, City Engineer, which stated that Cummings Engineers, Inc. had submitted a proposal for engineering services in connection with the automation of the Haw Creek Junction Pressure Regulating Station. It was recommended that the proposal be accepted.

William Edens, City Engineer, said that Phase III of the City's Water Quality Improvement Program requires a pressure regulating station to maintain a certain minimum pressure upstream in the Bull Mountain Road vicinity and regulate downstream pressure as well and that this station would be located approximately two to three hundred feet above the present vault.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-145 was unanimously adopted.

Complete text of Resolution No. 76-145 will be found in Resolution Book No. 9 at page 141.

ORDINANCE NO. 916 - AN ORDINANCE AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

8. Consideration was given to an ordinance amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

The City Manager read the ordinance.

Mr. Logan Delany, Community Development Coordinator, said this ordinance was required to officially budget projects which had been previously approved by Council's adoption of Resolution Numbers 76-105, 76-111, 76-112, 76-118, and 76-134.

Councilwoman Swilling moved for the adoption of Ordinance No. 916. This motion was seconded by Vice Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 916 passed on its first reading.

BIDS - TEN (10) FOUR-DOOR SEDANS FOR THE INSPECTIONS DIVISION

9. Consideration was given to bids received September 13, 1976 for ten (10) 4-door sedans for the Inspections Division.

Bids for this service were opened August 6, 1976 and a report was submitted to members of Council for their review on September 7, 1976. It was recommended by the Employees Insurance Committee that the group health insurance bid submitted by Blue Cross and Blue Shield of North Carolina and the group life insurance bid submitted by Prudential Insurance Company for an estimated annual premium of $223,870 be accepted. It was further recommended by the Committee that both programs go into effect November 1, 1976.

Mr. Smith noted that coverage under the new plan would be identical to the present carrier and that City employees carrying the optional dependent coverage would receive a decrease in premiums from $7.49 to $7.28 per week. He said two important changes contained in the new Health Insurance Program were:

1) Maternity Benefits: Present carrier provides a separate schedule with a fixed amount for these benefits. New company would treat this as any other temporary disability with a normal schedule for doctor and health care.

2) Major Medical: New plan written to include $30,000 for benefits. ($15,000 only under current plan)

He also noted that the City's premiums would decrease from $251,000 to $223,870 per year.

Mr. Smith thanked the Employees Insurance Committee for the time and assistance they devoted to this matter.

Mayor Ochsenreiter thanked Councilwoman Swilling and Vice-Mayor Horton for working on this Committee.

Upon motion of Coucilman Rainey, seconded by Councilman Michael, Resolution No. 76-146 was unanimously adopted.

Complete text of Resolution No. 76-146 will be found in Resolution Book No. _____ at page _____.

RESOLUTION NO. 76-147 - RESOLUTION AUTHORIZING APPLICATION TO THE UNITED STATES DEPARTMENT OF COMMERCE, ECONOMIC DEVELOPMENT ADMINISTRATION, FOR A GRANT UNDER THE PROVISIONS OF TITLE I OF THE PUBLIC WORKS EMPLOYMENT ACT OF 1976

14. Consideration was given to a resolution authorizing application to the United States Department of Commerce, Economic Development Administration, for a grant under the provisions of Title I of the Public Works Employment Act of 1976.

The City Manager read the resolution.

Verl Emrick, Planning Director, said the adoption of this resolution would enable the City to apply to the United States Department of Commerce, Economic Development Administration, for grants totaling approximately $1,000,000 for three different projects. He said the regulations stipulate that, for any project approved, labor must be on site within 90 days. He said the projects will be submitted by October 1, 1976 and the regulations require approval within 60 days, meaning that for any project approved labor would have to be on site by March, 1977. He said there was no guarantee that

99

BID #: [illegible] CITY OF ASHEVILLE BIDS OPENED: MONDAY, SEPTEMBER 13, 1976 - 11:00 AM

BID RECEIVED NO. 328 TWO (2) PATROL CARS AND THREE (3) CONTRACT DETECTIVE CARS FOR POLICE DEPARTMENT

	MATTHEWS MOTORS, INC. ASHEVILLE, NC	APPLETREE CHEVROLET ASHEVILLE, NC	DORATO MOTORS ASHEVILLE, NC	ROBERTS AUTO SALES ASHEVILLE, NC	SAM'S LINCOLN-MERCURY ASHEVILLE, NC
ITEM #1 - [illegible] PATROL CARS [illegible] SPECIFICATIONS (NO TRADE-IN)	4,797.98 $9,595.96	4,786.39 $9,572.78	4,735.10 ✓ $9,470.20	NO BID	NO REPLY

BID DEPOSIT:	$2 CERTIFIED CHECK	5% BID BOND	5% BID BOND	5% BID BOND	

BIDS - TWO (2) PICNIC SHELTERS FOR THE PARKS AND RECREATION DEPARTMENT

12. Consideration was given to bids received September 13, 1976 for two (2) picnic shelters for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent, which recommended the acceptance of the only bid submitted by Koopers Company, Inc., Charleston Heights, South Carolina in the amount of $11,532.00. This bid is for the buildings which come prefabricated and does not include erection of the shelters.

Vice Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the only bidder, Koppers Company, Inc., Charleston Heights, South Carolina in the amount of $11,532.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

RESOLUTION NO. 76-146 - A RESOLUTION ACCEPTING BIDS FOR EMPLOYEE GROUP HEALTH AND LIFE INSURANCE

13. Consideration was given to a resolution accepting bids for Employee Group and Life Insurance.

The City Manager read the resolution.

Michael Smith, Director of Personnel, said that the reason for letting the bids was that Life of Carolina, the company with whom we had carried health and life insurance coverage for the past several years, had been sold to another company. The new company was not as experienced in providing group services and this resulted in a deterioration of claims service plus a ten per cent across the board increase as of August 1, 1976.

Compatibility with EDA Ranking Criteria and Regulations	This project involves moderately high labor costs. The project provides potential for long-term benefits. Engineering design is not complete; however, State Highway Bridge Design Standards could be used to provide engineering design in a short period of time. No land acquisition is necessary. Project could begin with construction 90 days after EDA approval.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-147 was unanimously adopted.

Complete text of Resolution No. 76-147 will be found in Resolution Book No. _____ at page _____.

URBAN MASS TRANSPORTATION ADMINISTRATION GRANT - PUBLIC HEARING SET

The City Manager advised that for the past two years the City has applied for and received grants from the Urban Mass Transportation Adminstration to offset one-half of the cost of the operation of the Asheville Bus System. He said the City is again planning to submit another application and a public hearing is required to be held.

Councilman Morris moved to schedule a public hearing on the matter for October 28, 1976. This motion was seconded by Councilman Michael and carried unanimously.

REZONING REQUEST - R. JACK INGRAM - BREVARD ROAD

The City Manager read a report from the Planning and Zoning Commission which stated that the Commission reconsidered the request of Mr. Ingram relative to rezoning Lots 32 and 33 on Sheet 38 in Ward 15 (Lower Hominey) after the matter was remanded to the Commission for further study on July 8, 1976 by City Council. Mr. Ingram's request was to rezone the indicated lots from R-3 Residential District to CH Commercial Highway District. The report stated that after hearing staff recommendations, presentations by Mr. William Slawter, Attorney for Mr. Ingram, and residents of the area, the Commission by a vote of three to two (the Chairman breaking a tie vote) defeated a motion to approve the request. Therefore, the original recommendation of the Commission submitted to Council on May 6, 1976 was reaffirmed to deny Mr. Ingram's request.

The City Manager also advised that Mr. William Slawter, Attorney for Mr. Ingram, has requested that a public hearing be scheduled for the matter.

Councilwoman Swilling moved to schedule a public hearing on the matter for October 7, 1976. This motion was seconded by Councilman Michael and carried unanimously.

STATEMENT BY MAYOR - CIVIC CENTER PROMOTIONAL EFFORTS - SEAT SURCHARGE

Mayor Ochsenreiter read the following statement:

"The Asheville City Council is very concerned about the quarter of a million dollar deficit that the Civic Center is incurring during the current fiscal year.

In an effort to reduce this loss, the City Council will set aside $30,000 as an operational budget for Civic Center Manager Jim Evans. These funds will be used

the City would receive any of the funds as it is stictly a competitive situation based on several factors, principally the unemployment rate of the area. He said the cost that the City will have to incur in preparation of the application involve land acquistion, architectural, and engineering fees which are not reimburseable.

Mr. Emrick then read the following recommended projects.

1. Project Name:	Water and Sewer Improvements
Description:	(A) 5,200' of 16" sewer line - Smith Creek Sewer (B) 5,200' of 12" water line - Haywood Road, Shelburne Feeder (C) 4,000' of 16" and 20" water line - Patton Avenue, Smith Bridge Feeder
Estimated Cost:	$775,000 Total Cost; $250,000 for Project A $200,000 for Project B; and $325,000 for Project C
Compatibility with EDA Ranking Criteria and Regulations:	This project involves moderately high labor costs. The project provides potential for long-term benefits. Engineering design is either complete or could be completed in a short period of time. No land acquisition is necessary. Project could begin with construction 90 days after approval by EDA.
2. Project Name:	West Asheville Fire Station
Description:	New two-bay fire substation in West Asheville to replace one-bay 1922 fire substation at corner of Haywood Road and Argyle Lane.
Estimated Cost:	$200,000
Compatibility with EDA Ranking Criteria and Regulations:	This project involves moderately high labor costs. The project provides moderate potential for long-term benefits. All engineering design has been completed with the exception of site design. One problem area exists in that the city does not own the land for the station at present. Land must be secured through long-term lease, purchase option, or direct purchase within 3 - 4 weeks. If land is secured, project could begin with construction 90 days after approval by EDA.
3. Project Name:	Deaverview Bridge
Description:	New bridge over railroad at Deaverview Road to replace existing narrow bridge.
Estimated Cost:	$100,000

Verl Emrick, Director of Planning, told Council the only problem his staff had found was a water problem which has since been worked out. He said the proposal had been given preliminary reviewing. He said he felt a recommendation from the Housing Authority relative to the density of housing units in the area was needed.

Mr. William Tate of Alco Properties, Inc., in Memphis, Tenn. told Council the project has been given a 30-day extension by the U. S. Department of Housing and Urban Development but the allocation of funds will expire October 11. He said they planned to ask HUD for an additional extension but if they did not have some indication from City Council that the City has no objection to the project he felt HUD would not consider an extension.

Council expressed concern because the new site, like the old one, is adjacent to the existing apartment complex. However Mr. Tate said Council should not compare the two projects because crime and vandalism are not a problem at Oak Knoll as it was with Pisgah View.

Mr. Tate answered general questions from members of Council relative to the funding of the project.

Vice-Mayor Horton said Council could not endorse the project without a public hearing and a recommendation from the Asheville Planning and Zoning Commission, going through the normal procedures for approval of a project.

Mr. Tate requested that Council state that they have no objections to the project, subject to the usual protocol.

After discussion, Councilman Rainey moved to approve the project "in principle," with the understanding that it must go through the usual procedures and that Council might change its mind on the project. This motion was seconded by Councilman Michael and carried unanimously.

PETITION - ACQUISITION OF SHILOH SCHOOL

Virgil McConnell, spokesman for the South Asheville Community Center, presented the following petition:

RESIDENT PETITION FOR THE ACQUISITION OF SHILOH SCHOOL

During the year 1975 and 1976 commitments were made for major improvements of the South Asheville Community Center (The Shiloh School Building). However, to date after two years no major improvements have been made.

As a result we the residents of the South Asheville Community of Asheville, North Carolina petition the Asheville City Council as follows:

1. The City of Asheville acquire the Shiloh School property from the Buncombe County School Board to be used as a community center and neighborhood facility.

2. In the event that the City of Asheville is not successful in acquiring the Shiloh School property from the Buncombe County School Board, the City of Asheville will purchase a suitable site within the Shiloh area to be used as a permanent community center and neighborhood facility.

to promote events, hopefully to develop additional income for the Civic Center.

The Council will reassess the need for a service charge on tickets sold at the Civic Center next spring after the results of Mr. Evans promotional efforts can be evaluated.

In any event, it should be clear that the proposed seat tax was directed toward commercial shows. The ticket charge is not, nor has it ever been, contemplated for the Art and Colburn Mineral Museums".

CIVIL AIR PATROL PROPOSAL

Mr. Art Jacobson, a member of the Civil Air Patrol and a certified flight instructor, gave a brief history of the Civil Air Patrol. He said the Civil Air Patrol is a non-profit organization which voluntarily stands ready to meet local and national emergencys. He said their primary function is that of search and rescue, however floods, hurricanes, lost children, hunters and fisherman are a few of the situations that Civil Air Patrol assists. He said since Buncombe County does not have a facility for directing Civil Air Patrol operations, missions are based from the Hendersonville Airport. He said the Western North Carolina Civil Air Patrol unit needs to establish a facility at the Asheville Airport. He said Mr. Taylor, Director of Aviation, has agreed to work with the Civil Air Patrol, with Council's approval, in submitting their proposal of leasing space at the Asheville Airport to the FAA and the State. He said they would request Council's consideration of leasing space at the Asheville Airport on a $1.00 per year basis. He said their proposed building would meet or exceed the federal, state and local requirements and codes. He said it is their commitment that they will not interfere or compete in any way with the present or future fixed base operations.

Councilman Michael commended the Civil Air Patrol for their outstanding services and moved to support the proposal presented by the Civil Air Patrol and to instruct the Director of Aviation to include the proposal in the Asheville Airport Master Plan. This motion was seconded by Councilman Morris and carried unanimously.

Gary Taylor, Director of Aviation, said he would recommend that Council consider leasing the Civil Air Patrol property at the Asheville Airport. He said he felt this would be an asset to the Airport. He also commented that it would take two to three years to complete the process for approving the proposal.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again appeared before Council complaining about the lottery sales in the City of Asheville. He said he had been denied redress of his complaints.

ARROWHEAD APARTMENT PROJECT - DISCUSSION

Mr. Ridgley K. Robinson, Jr., architect for the Arrowhead Apartments Project, appeared before Council with a new site for the apartment complex. He said Council had denied, last month, approval of the original location of the project, that being a 13 acre site in West Asheville opposite the Pisgah View Apartments. He said the new site is on Wood Avenue, adjacent to Sayles Village and the Asheville Jaycees' Oak Knoll Apartments, with the developers having 10-13 acres of the 17-acre tract under option. He said he felt the site was extremely suitable and extremely prime for development. He said this project is to be submitted to HUD for Section 8 funding.

Thursday - September 23, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

APPROVAL OF MINUTES

1. Approval of minutes of September 16, 1976 meeting.

Councilwoman Swilling moved to amend the minutes by changing the date of the public hearing on R. Jack Ingram's request for rezoning of two lots on Brevard and Dogwood Roads from R-3 Residential District to CH Commercial Highway District from October 7, 1976 to October 14, 1976. She further moved to include the rezoning of Lots 1, 2, 3, and 4, Sheet 38, Ward 15 and Lot 23, Sheet 39, Ward 15 from CH Commercial Highway to LI Light Industrial in the public hearing notice. This motion was seconded by Councilman Morris and carried unanimously.

Vice-Mayor Horton moved to approve the minutes of the September 16, 1976 meeting, as amended. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 913 - AN ORDINANCE AMENDING SECTION 8-1 OF CHAPTER 8, ARTICLE I, OF THE CODE OF ORDINANCES, ENTITLED STATE BUILDING CODE ADOPTED

2. Consideration was given to the third reading of Ordinance No. 913, an ordinance amending Section 8-1 of Chapter 8, Article 1 of the Code of Ordinances, entitled State Building Code.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Councilman Rainey said he had heard that a number of cities in the State were not planning to enforce such an ordinance and asked what would happen if Asheville decided not to adopt the ordinance.

J. E. Johnson, Chief Building Inspector, said the Insurance Commissioner in Raleigh could send an Engineer to enforce the code. He further stated that since all plans for high rise buildings must be approved by the State Insurance Commissioner the plans would have to comply with the code before being approved.

Councilman Morris commented that if Council failed to pass the ordinance, the enforcement would be up to Raleigh, and he felt the administration of the ordinance should be local.

3. We ask that the plans for renovation or construction be completed and approved by the City of Asheville by June 30, 1977.

4. We further request that the City of Asheville staff and maintain the permanent facility acquired for the use of residents in the area, as is done for other communities.

Mayor Ochsenreiter said this matter would be discussed by Council during the next week.

312 HOME IMPROVEMENT LOAN - MARY HOLCOMBE

Mrs. Mary Holcombe, of Mildred Avenue, told Council that she had received a 312 Home Improvement Loan in the amount of $10,650 to make repairs to her house. She said a contract was signed with Buncombe Enterprises Company on April 12, 1976 to perform the work. However, since that time the work has not been to code specifications and she was having a difficult time getting the work done. She said she had written to Greensboro about the matter and had had several meetings with the officials of the Asheville Housing Authority and the contractor. She asked if Council could do something to get the work done right.

Mayor Ochsenreiter informed Mrs. Holcombe that he would discuss the matter with the Asheville Housing Authority.

INTERRUPTION OF WATER SERVICE - TUNNEL ROAD AND KENILWORTH

The Assistant City Manager informed Council that water service on Tunnel Road and portions of Kenilworth would be interrupted on Friday, September 17, 1976 from 9 a. m. to 6 p. m.

Adjournment.

MAYOR

CITY CLERK

(a) For the first one-sixth (1/6) of a mile or fraction thereof --- $ .95

(b) For each succeeding one-sixth (1/6) mile ---------- .10

Respectully submitted, this the 21 day of September, 1976."

The petition was signed by the Asheville Cab Company, Blue Bird Taxi Company, John Darity Taxi Company, Miller Cab Company, Oteen Cab Company, West Asheville Cab Company, American Cab Company, Buena Vista Cab Company, Jolly Cab Company, Southside Cab Company, and Yellow Cab Company.

Mr. Cheesborough said the proposed increase would add 20 cents to the cost of each trip. The present rate, he said, begins at 85 cents for the first 2/6 mile, after which each additional 1/6 mile costs 10 cents. He said vehicles themselves have increased in price by more than $1,000 in the past two years and gasoline, which cost the taxi drivers 50.9 cents per gallon last year now costs them 53.9 cents per gallon. He said the Blue Bird Taxi Company, Inc. lost $1,000 each month during May, June, July, and August of this year.

Councilman Rainey suggested that other parts of the ordinance might need to be changed along with the part governing the rate structure. He cited as an example the part which states that the cab driver cannot allow passengers to sit in the front seat until the back seat is full. He said this causes considerable difficulty when a passenger is disabled.

Councilman Michael moved to instruct the City Manager to prepare an ordinance for Council's consideration, which would reflect the request of the Asheville Taxicab Association. This motion was seconded by Councilman Rainey and carried unanimously.

Mayor Ochsenreiter requested Mr. Cheesborough to submit to the City Manager periodic financial statements from two or three taxicab companies for the past three or four months.

PETITION - EUGENE RANKIN PTA - REQUEST FOR SCHOOL GUARD

The City Manager read the following petition from the Eugene Rankin PTA requesting a school guard for the crossing at Hanover and Stewart Street intersection.

"We, the parents and concerned citizens of the Eugene Rankin School District request a school guard for the crossing at Hanover and Stewart Street intersection. This intersection is dangerous and hazardous for our children. We fear for their safety."

The petition was signed by approximately 174 residents.

The City Manager advised that this petition had been discussed with the Chief of Police and a report would be given on the matter at next week's Council meeting.

CLAIM - BON MARCHE

The City Manager presented a claim received from Bon Marche for damages.

Mayor Ochsenreiter referred the claim to the Corporation Council for investigation and recommendation.

On a roll call vote of 6-0, Ordinance No. 913 passed on its third and final reading.

Complete text of Ordinance No. 913 will be found in Ordinance Book No. 7 at page 49.

ORDINANCE NO. 916 - AN ORDINANCE AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

3. Consideration was given to the second reading of Ordinance No. 916, an ordinance amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 916 passed on its second reading.

RESOLUTION NO. 76-148 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 3430 (SARDIS ROAD) AND STATE ROAD 3412 (SAND HILL ROAD)

4. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on State Road 3430 (Sardis Road) and State Road 3412 (Sand Hill Road).

The City Manager read the resolution and explained that Council had previously authorized the installation of 3,650 feet of 8-inch water line to be installed on Sardis Road and in order to do this it is necessary to obtain a right-of-way encroachment from the North Carolina Department of Transportation.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-148 was unanimously adopted.

Complete text of Resolution No. 76-148 will be found in Resolution Book No. 9 at page 144.

PETITION REQUESTING AN INCREASE IN TAXICAB FARES

Mr. John Cheesborough, Attorney, representing the Asheville Taxicab Association, presented the following petition requesting the City Council to amend Chapter 27 of the City of Asheville Code relating to taxicab fares:

"The undersigned owners and operators of the Asheville taxicab companies hereinafter set forth respectfully petition the City Council to amend certain Sections of Chapter 27 of the City of Asheville Code relating to taxicabs in the following respects:

1. That a fare increase is hereby requested in the rates by amending Sub-sections (a) and (b) of Section 27-8 to read as follows:

Vice-Mayor Horton said he felt the Buncombe County Health Department should not put all the responsibility on the City and he suggested that Council arrange a meeting with the Health Department and try to work out a solution to the problem.

Mayor Ochsenreiter said the legal problems of the situation would be checked into and a solution to the problem worked out.

Councilman Rainey commented that he did not feel the problems could be worked out until the ordinance governing same is changed.

Councilman Michael suggested that the Corporation Counsel be instructed to prepare an ordinance, for Council's consideration, dealing with these types of problems.

COUNCILMAN MICHAEL - COMPLAINT - RE:WATER CUT-OFF

Councilman Michael said Ms. Minnie Anderson had called him last night regarding her water being cut off for more than 24 hours, with no response to the problem from the Water Department. He said he had called the City Manager and the water was on within 30 minutes. He said he felt action of this nature was poorly handled.

VIRGIL L. STURGILL - MONTFORD AVENUE AREA - DOG CONTROL PROBLEM

Virgil L. Sturgill of 102 Tacoma Circle complained of dogs roaming the neighborhood and knocking over garbage cans. He said he felt the dog ordinance should be better enforced.

The City Manager said the city does have a leash law but that its status is uncertain. The ordinance still is on the books he said, but in a recent court case the judge ruled the dog owner not guilty.

Council asked for citizens suggestions regarding the control of dogs.

Mrs. Elrite V. Nesby of 8 Sylvan Avenue also spoke on the dog control ordinance.

NETTIE C. SMITH - 23 SHORT STREET - CHICKENS

Mrs. Nettie C. Smith of 23 Short Street complained of a neighbor who lives opposite of her who has approximately 50 chickens. She said the chickens draw flies and rats and the owner has the area lighted with spot lights which shine into her bedroom window and prevents her from sleeping.

J. E. Johnson, Chief Building Inspector, said the City does have an ordinance dealing with the keeping of chickens, however he would report back to Council next week on the ordinance and on this particular situation.

RALPH BISHOP - COMPLAINTS RE: CHIEF J. C. HALL

Ralph Bishop again appeared before Council to discuss Chief J. C. Hall.

Mayor Ochsenreiter informed Mr. Bishop that he was still bringing his complaints to the wrong board.

CLAIM - CIVIL SUMMONS - DOROTHY W. CHAMBERS

The City Manager presented a civil summons relative to Dorothy W. Chambers, Administratrix of the Estate of Ralph C. Chambers, Deceased.

Mayor Ochsenreiter referred the civil summons to the Corporation Counsel.

CLAIM - CIVIL SUMMONS - RAY SELLERS

The City Manager presented a civil summons relative to Ray Sellers against the City of Asheville.

Mayor Ochsenreiter referred the civil summons to the Corporation Counsel.

VICE-MAYOR HORTON - STATEMENT - RE: DOWNTOWN BUSINESS DISTRICT

Vice-Mayor Horton referring to a petition presented to Council on August 4, 1976 relative to the downtown business district made the following statement.

"It is my opinion and firm conviction that the revitalizing of DOWNTOWN Asheville CANNOT .... and WILL NOT ... be successful .... UNLESS it includes the CLEAN-UP of those activities which constitute MORAL POLLUTION in our community.

Such things as — public drunkenness, prostitution activity on our streets, and the UNLAWFUL traffic in OBSCENITY and PORNOGRAPHY through so-called "Adult Book Stores" and PORNO MOVIE FILMS are not only detrimental to DOWNTOWN re-development .. but are DEPLORED by most of our citizens, as well.

These are DEGRADING and DEHUMANIZING activities .. which have NO PLACE in a SELF-RESPECTING COMMUNITY ... and should not be tolerated.

It is my hope that the official leadership of our city .. and the business and civil leadership .. will work together to take positive steps as soon as possible to relieve this undesirable situation and remove these sources of MORAL POLLUTION and PUBLIC CONCERN from our Community."

STEVENS HILL ROAD RAT PROBLEM - DAVID H. CANTER

Mr. David H. Canter, of 16 Stevens Hill Road in Parkway Forest asked for Council's help regarding a neighbor, Mr. Francis Stevens, who brings trash home that he finds along the highway, puts it in his yard and in his house and hangs it in the trees in his front yard. He said two boys who live next door to this man's house shot 35 rats last summer with pellet rifles. He said he had not been successful in getting the City or the County to respond to this problem.

Mr. Canter presented pictures of the house in question.

Vice-Mayor Horton referring to a letter from Dr. James Tenney, Director of the Buncombe County Health Department, in which Dr. Tenney suggested that the city arrange to have the lot cleaned and assess the cost to the property, said he felt the situation should be looked at as an individual case.

MARGARET RICE - 332 PEARSON DRIVE - SEWERAGE PROBLEM

Margaret Rice of 332 Pearson Drive complained about a broken sewer line within 10 to 15 feet of her back door. She said the line has been broken since March, 1976 and she could get no help in getting it fixed. She said raw sewerage was in her back door, which caused an infestation of rats.

Mayor Ochsenreiter asked Mrs. Rice to discuss the matter with Mr. William F. Wolcott, Jr., Acting Director of the Water and Sewer Department.

Adjournment.

MAYOR

CITY CLERK

Abstract

Primary discussions revolved around the relationship between city and county government. The unanimous feeling was that local government services must be delivered efficiently and economically. The Committee observed that the City of Asheville loses annually its most valued resources, its people. Residents move into the county for primarily two reasons: lower taxes and fear of integrated schools in the city. Consequently, the tax base diminishes and the school population decreases. While more services are being demanded, the financial ability to provide those services declines. At the same time, the city through the resources of its tax payers, provides

services such as the civic center, library system, recreational program, airport, and water supply for the wider community. A vicious cycle is thus created which appears endless and destructive if not stopped. The Committee, therefore, strongly recommends a metropolitan government for Buncombe County. This would first start with studies, possibly implemented in stages, but approached directly and with full citizen participation and understanding of the reasons for the movement in this direction. The Committee fully understands that there are political obstacles in the way of metropolitan government and that it cannot be achieved in the near future; however, the Committee strongly insists that it must be accomplished for the welfare of all concerned. We should not lose sight of the fact that the Citizens of Asheville are also Citizens of Buncombe County.

Thursday - September 30, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley

Absent: Mayor Eugene C. Ochsenreiter, Jr. and City Manager Ernest J. Ward, Jr.

APPROVAL OF MINUTES

1. Approval of minutes of September 23, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the September 23, 1976 meeting were approved as submitted.

Vice-Mayor Horton announced that there would be no meeting of the Asheville City Council on October 7, 1976.

REPORT BY THE CITIZENS COMMITTEE

Mr. William T. Duckworth, Jr., Chairman of the Citizens Committee read the following report:

CITIZENS COMMITTEE REPORT

Background

On June 23, 1976, a group of 22 Asheville residents was appointed by City Council to form a Citizens Committee with the task of looking toward the year 2000 and suggesting positive programs which might effectively plan for the future of the community. The Committee represented various geographic areas, ethnic backgrounds, vocations, and interests. The Committee met regularly for the past three months to discuss informally long range goals for the community, ideas for specific programs to meet these goals, and our understanding of the goals and programs desired by the Asheville Community.

B. Encourage Buncombe and surrounding counties to accept mutual financial responsibility for maintenance of the airport and installation of a transit freight service.

C. Discourage city business or resident exodus by holding the line on taxes.

II. Government Services

A. Water

(1) Improve the water quality, delivery, and waste disposal systems.

(2) Repeal or challenge the Sullivan Act in order to establish a water rate schedule reflecting the cost of delivery.

B. Streets

(1) Coordinate jobs which require tearing up or repairing streets.

(2) Improve and maintain street signs.

C. Recreation

(1) Provide programs through the recreation department for the special needs of youth.

(2) Develop walk-ways, bike-ways and green areas.

(3) Promote and encourage tourism as an important asset vital to the growth of the community.

D. Ombudsman System (Citizen's Advocate)

To assure prompt response to reasonable requests and legitimate complaints of citizens from the involved department. (One should not find it more efficient to "start at the top" in order to receive standard services.)

E. Encourage recycling.

Given the paramount concern for efficient government so that Asheville and its surroundings may remain vital, the Committee has also considered the importance of improvements in the central business district, and we re-affirmed our belief that these goals can be accomplished only with the understanding and enthusiastic support of its citizenry. We offer the following brief outline as a skeleton drawn from our deliberations. We trust that it will be carefully considered and that positive steps will be taken immediately in these specific areas.

CITIZENS COMMITTEE

GOALS:

I. To form a metropolitan type of government

II. To efficiently and economically supply essential local governmental services.

III. To restore vitality to the central business district.

IV. To encourage citizen confidence and participation in government.

SUGGESTIONS AS THEY RELATE TO PERCEIVED GOALS:

I. Metropolitan Government

A. City-County relationship

(1) In co-operation with the county commissioners, inaugurate an indepth study of metropolitan government as it might affect Asheville-Buncombe County.

(2) Consider consolidation of city-county services in areas such as
(a) Schools
(b) Police Protection
(c) Water Delivery
(d) Recreation
(e) Library system

Mr. Duckworth introduced the members of the Citizens Committee who were in attendance. They were: Marvin Chambers, Mrs. John B. Fisher, Sara Upchurch, Robin Daniel, and Dr. Bob Farzanegan. He said a lot of constructive ideas were discussed by an excellent cross section of concerned dedicated citizens.

Vice-Mayor Horton expressed appreciation to the Citizens Committee for their outstanding efforts in presenting the suggestions.

PUBLIC HEARING - REZONING PROPERTY ON NORTH LIBERTY STREET - MRS. LOUISE TOMLINSON

3. A public hearing was held relative to the rezoning of property on North Liberty from R-4 Residential District to CH Commercial Highway District, property owned by Mrs. Louise Tomlinson.

Vice-Mayor Horton opened the public hearing at 3:44 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the request of Mrs. Louise Tomlinson that Ward 2, Sheet 4, Lots 98 and 99 be rezoned from R-4 Residential District to CH Commercial Highway District. He said after discussing the issues of the request, the Commission further recommended that the adjoining Lots 97, 97-1/2, and 101 to the North and to the South also be considered for rezoning from R-4 Residential District to CH Commercial Highway District. He said the Commission recommended approval for the following reasons:

1) Development trends as well as recent zoning development indicate that properties in this immediate area are moving toward increased commercialization.

2) The additional lots recommended for rezoning would establish a definite physical boundary for the existing CH border. In staff's opinion this would be more desirable than splitting the block with different zoning designations.

Mr. Emrick presented a letter of opposition from the East Chestnut Street Church of Christ. He said since this property is within 100' of the property requested to be rezoned a 3/4 favorable vote would be required to zone all the recommended parcels. He said if Council wish to rezone just the property petitioned to be rezoned it would not require a full 3/4 favorable vote.

Ralph Bishop spoke in support of the rezoning.

Vice-Mayor Horton closed the public hearing at 4:04 o'clock p. m.

The Assistant City Manager read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilwoman Swilling moved for the adoption of Ordinance No. 917. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 917 passed on its first reading.

A. Parking

(1) Consider free two-hour parking with strong enforcement policies and heavier fines for violations.

(2) Institute safety precautions at the city parking building.

(3) Bicycle rack near library.

B. Encourage a downtown activities center as exemplified by the new Craft Center in the Winner's building.

C. Consider establishing historic designations for valuable older buildings in order that owners may request a 50% tax deferral as provided by the 1975 General Assembly (Chapter 578, Sec. 105-277, P F)

D. Consider a reasonable and fair implementation of the building code to encourage the occupancy of vacant buildings in central business district.

IV. Citizen Participation - Establish a citizens council as outlined:

Proposal: A plan for citizen participation in city government.

In order to encourage cooperation between the city government and the citizens of Asheville by giving the citizens a better understanding of the government and a more positive voice in its operation, we propose the establishment of a citizen's council composed of representatives from the various communities within the corporate limits of Asheville.

Purposes: To become better informed about the operation of city government and its departments.

To make city government more aware of and responsive to citizen needs.

To work with city officials in a constructive manner to implement suggestions and solve problems.

To give more opportunity for citizen participation in decision-making.

ORDINANCE NO. 916 - AN ORDINANCE AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

5. Consideration was given to the third reading of Ordinance No. 916, an ordinance amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

Vice-Mayor Horton stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 916 passed on its third and final reading. Complete text of Ordinance No. 916 will be found in Ordinance Book No. 7 at page 55.

ORDINANCE NO. 914 - AN ORDINANCE PROVIDING FOR FIXED PENALTIES FOR VIOLATION OF CERTAIN TRAFFIC ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of Ordinance No. 914, an ordinance providing for fixed penalties for violation of certain traffic ordinances of the City of Asheville.

Vice-Mayor Horton stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Councilwoman Swilling moved to amend Ordinance No. 914 by deleting sub-section (2) of Section 3 of the ordinance entitled "Meter Feeding". This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Morris commented that in the near future a proper definition of "Meter Feeding" should be obtained and a proper enforcement method should be looked into.

Councilman Michael said he would like for Council to move in the direction of removing the meters downtown, as suggested by the Citizens Committee. He said tires should be marked and two hour limits placed on parking.

On a roll call vote of 5-0, Ordinance No. 914 passed on second reading.

ORDINANCE NO. 919 - AN ORDINANCE AMENDING SECTION 27-8 AND SECTION 27-50 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICABS

7. Consideration was given to an ordinance amending Section 27-8 and Section 27-50 of Chapter 27 of the Asheville Code relating to taxicabs.

The Assistant City Manager read the ordinance, which was prepared at the direction of Council, resulting from a petition presented to Council from the Taxicab Association. He advised that Section 27-50 was included in the ordinance to change the age limit on chauffeurs license from 18 to 21. He said this would conform with North Carolina General Statutes.

Councilman Rainey moved for the adoption of the ordinance. This motion was seconded by Councilman Michael.

PUBLIC HEARING - REZONING PROPERTY ON NEW LEICESTER HIGHWAY AND ERWIN HILLS ROAD - COUNTY OF BUNCOMBE

4. A public hearing was held relative to the rezoning of property on New Leicester Highway and Erwin Hills Road from OI Office Institutional District to CS Commercial Service District, property owned by the County of Buncombe.

Vice-Mayor Horton opened the public hearing at 4:04 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission had recommended approval of the request of the County of Buncombe that Ward 17, Sheet 45, Part of Lot 50 be rezoned from OI Office Institutional District to CS Commercial Service District. He said the Commission recommended approval for the following reasons:

1) Development patterns indicate increased commercialization of this area along New Leicester Highway;

2) The property, being approximately ten (10) acres in size, will provide adequate area for larger and more stable types of commercial activity;

3) The property is contiguous with the existing Commercial Service District; and

4) The rezoning will provide for a commercial shopping area not presently available to the residents of the Erwin area.

Chuck Tessier of the Department of Natural & Economic Resources and Buncombe County Planner, said the County of Buncombe had requested the rezoning of the property for better utilization of County owned property to benefit the residents of the Erwin area by providing a neighborhood-commercial area not presently available to the residents. By the use of a map, Mr. Tessier pointed out the location of the property.

Councilman Rainey again emphasized that he felt the City should not be involved with the zoning in the one-mile perimeter in the County.

Vice-Mayor Horton closed the public hearing at 4:17 o'clock p. m.

The Assistant City Manager read the ordinance rezoning the property as requested.

Councilman Morris moved for the adoption of Ordinance No. 918. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 918 passed on its first reading.

Bid Summary - Two (2) Trailer Mounted Engine Drive Suction Units for Vacuum Collection and Mulching of leaves

Bidder	Bid
A. E. Finley & Assoc.	$10,820.00
Porter Brothers	9,390.00
Interstate Equipment Co.	16,003.50
North Carolina Equipment Company	20,150.00

RESOLUTION NO. 76-149 - RESOLUTION AUTHORIZING THE MAYOR TO ARRANGE FOR A REALTOR TO LOCATE POTENTIAL LAND PARCELS FOR THE PURPOSE OF CONSTRUCTING A WEST ASHEVILLE FIRE STATION AND AUTHORIZATION FOR THE MAYOR TO SIGN OPTIONS AND/OR OTHER APPROPRIATE DOCUMENTS TO ACQUIRE LAND FOR THAT PURPOSE

9. Consideration was given to a resolution authorizing the Mayor to arrange for a realtor to locate potential land parcels for the purpose of constructing a West Asheville Fire Station and authorization for the Mayor to sign options and/or other appropriate documents to acquire land for that purpose.

Ken Michalove, Assistant City Manager, said the City Council has previously authorized the filing of an application to the United States Department of Commerce, Economic Development Administration, for a grant under the provisions of Title I of the Public Works Employment Act of 1976. He said a major project of that application is to be a new fire station in West Asheville and the federal guidelines require that land for various projects contained under this Public Works Employment Act must be under option and that this resolution would arrange for a realtor to locate potential land parcels for the purpose of constructing a West Asheville Fire Station and that the Mayor would also be authorized to sign options and/or other appropriate documents to acquire land for that purpose.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 76-149 was unanimously adopted.

Complete text of Resolution No. 76-149 will be found in Resolution Book No. 9 at page 145.

PROPOSED MOTEL/HOTEL ROOM TAX

Mr. Lloyd Kirk of the Forest Manor Motor Lodge and President of the North Carolina Innskeepers Association read the following resolution:

RESOLUTION

ROOM TAX

"WHEREAS, a proposed Hotel/Motel room tax will, according to recent Raleigh News and Observer reports, be considered by the N. C. League of Municipalities for inclusion in its 1977 Legislative Program for presentation to the North Carolina General Assembly;

On a roll call vote of 5-0, Ordinance No. 919 passed on first reading.

Councilman Morris said the Taxicab Association had also requested that the section pertaining to passengers riding in the front seat be amended and he suggested that the Corporation Counsel research the General Statutes to see if amending the section would be in conflict with any state law.

BIDS - TWO (2) TRAILER MOUNTED ENGINE DRIVE SUCTION UNITS FOR VACUUM COLLECTION AND MULCHING OF LEAVES

8. Consideration was given to bids received Spetember 20, 1976 fro two (2) trailer mounted engine drive suction units for vacuum collection and mulching of leaves.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only fully responsive bid, submitted by North Carolina Equipment Company in the amount of $20,150.00.

The Assistant City Manager also read the following memorandum from Mr. James H. Parris, Jr., Superintendent of Motor Transport:

"Mr. S. L. (Bud) McHone and I have very carefully checked all the bids on request #380 pertaining to two (2) leaf machines to be used in the Sanitation Division. We find the low bids do not meet the specifications.

On September 23, 1976 Mr. McHone and I went to Statesville, N. C. to look at two (2) vacuum leaf machines sold by Interstate Equipment Company under the trade name American #400. These two machines are the same type quoted to the City. We talked at length with the Assistant Superintendent of Sanitation and he stated even though the machine was new he had to keep it in the shop most of the fall because he could not keep the impeller shaft in line. Also, they had a great deal of trouble picking up leaves that were not dry. The gentlemen further stated he had rather have other machines that were 5 years old than these new ones.

On September 27, 1976 Mr. McHone and I drove to Hendersonville, N. C. to check on a new Goodroads machine #LL1000. These machines will not meet specifications under any circumstance. You will find included with this memorandum a breakdown of all bids versus specifications.

Also, I would like to state the City now has or has had all the different types of leaf vacuums quoted, and in the best interest of the City I can only recommend the Super Vac 400A. These other machines can not take 8 hours a day of heavy work. Therefore, the down time is too great. I would further like to state that the City now has three of these machines on hand and have been very successful with the same."

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the only fully responsive bidder, North Carolina Equipment Company in the amount of $20,150.00. This motion was seconded by Councilman Hoyle and carried unanimously.

REPORT - COMPLAINT OF NETTIE C. SMITH - 23 SHORT STREET - CHICKENS

J. E. Johnson, Chief Building Inspector, said his staff had inspected the premises of 23 Short Street, in answer to a complaint of Nettie C. Smith that her neighbor was keeping almost 50 chickens in his yard. He said the man in question has a permit to keep 20 chickens but was keeping more than that. He said the man was instructed to get rid of the excess chickens. He said a re-inspection was made and the permitted number of chickens were there and the premises had been limed.

Mrs. Smith said stricter enforcement needed to be placed on people keeping chickens. She said it was a nuisance to the neighborhood.

Councilman Rainey objected to allowing people to keep so many chickens. He suggested that the ordinance be amended limiting chicken ownership to six.

Councilman Michael suggested that such permits should be renewed once a year as other licenses.

Councilman Morris said he felt there was a need for restrictions as to how far the chickens must be from the street and from the nearest dwelling.

Council requested that the ordinance, with the suggested amendments, be considered by Council at the earliest possible date.

REPORT ON PETITION FOR SCHOOL CROSSING GUARD - EUGENE RANKIN PTA

Chief J. C. Hall reported that he had investigated the need for a school crossing guard at the Hanover and Stewart Street intersection, as requested in a petition received from the Eugene Rankin PTA. He said his investigation revealed that a guard was needed and he would talk to the City Manager about a budgeted position for this area.

REPORT ON PETITION RECEIVED FROM DOWNTOWN MERCHANTS RE: LEXINGTON AVENUE -COLLEGE STREET

Chief J. C. Hall said the situation in the Lexington Avenue-College Street areas have improved and the Police Department was receiving less complaints. He said an officer has been assigned to this area, particularly at 5 p. m. when employees are walking to their cars.

Chief Hall commented that local officials should have more say-so over the ABC licenses that are issued. He suggested that representatives of the City ask the legislators to pass such legislation. He said the legislators should also pass a state law regulating drinking of alcoholic beverages on public streets.

RESOLUTION NO. 76-150 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING AND RATIFYING THE EXECUTION OF GRANT AGREEMENT FOR PROJECT NO. 6-37-0005-03 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE

Consideration was given to a resolution authorizing, adopting, approving, accepting and ratifying the execution of grant agreement for Project No. 6-37-0005-03 between the United States of America and the City of Asheville.

AND WHEREAS, any room tax would be very detrimental to the Travel Industry in North Carolina and most particularly the hotels and motels in Asheville;

AND WHEREAS, any new tax, should a new tax be deemed necessary, such a tax should not single out any one industry but should apply fairly to all industries;

AND WHEREAS, certain representatives of the municipal government of the City of Asheville will vote on whether the League of Municipalities should include any proposal for a room tax in its 1977 legislative program;

BE IT RESOLVED THAT the Hotel and Motel owners and operators signified below do hereby request that the City Council of Asheville instruct Asheville representatives to the League of Municipalities to oppose and vote against any proposed room tax. "

Approximately 33 resolutions were presented from different motel/hotel owners in the Asheville and surrounding areas.

Mr. Kirk said the proposed room tax would be unfair and discriminatory because it singles out the travel industry for a tax which no other industry would be burdened with. He said such a tax would be imposed on a local-option basis, increasing the room rates in places where it would be in effect and thus putting these places at a disadvantage with regard to nearby places with no room tax.

Mr. Kirk said he had estimated that such a room tax would bring in approximately $40,000 which is insignificant compared to the city's present and future needs.

It was the consensus of Council, before taking any action, to obtain more information on the matter from the North Carolina League of Municipalities and to discuss the subject more fully at the October 14, 1976 meeting.

MICHAEL ARGO - WILDERNESS SHOP - DISCHARGING OF FIREARMS

Michael Argo, owner of the Wilderness Shop in the Northland Shopping Center, appealed before Council to receive a clarification of Section 18-7 of the Asheville City Code dealing with discharging of firearms in the City. He said he was planning to build a new business building in the City of Asheville to house the "Wilderness Shop" and was planning a firing range in the building for educational and sporting purposes. He said he can not get financial support until he receives a letter from the Corporation Counsel that his business would be exempt from Section 18-7 of the Asheville City Code. He said he had been unsuccessful in obtaining such a letter.

Vice-Mayor Horton suggested that he meet with the Corporation Counsel after the meeting to resolve the problem.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again appeared before Council complaining of lottery sales in the City of Asheville.

PROCLAMATION - DAY IN COURT FOR LEGAL SECRETARIES - OCTOBER 14, 1976

Vice-Mayor Horton proclaimed October 14, 1976 as Day in Court for Legal Secretaries.

PROCLAMATION - AFFIRMATIVE ACTION - NATIONAL EMPLOY THE HANDICAPPED WEEK

Vice-Mayor Horton proclaimed the first full week in October as National Employ the Handicapped Week. He read a proclamation on Affirmative Action and Public Employment.

PROCLAMATION - NATIONAL FIRE PREVENTION WEEK IN ASHEVILLE - OCTOBER 3 - 9, 1976

Vice-Mayor Horton proclaimed October 3 - 9, 1976 as National Fire Prevention Week in Asheville.

Adjournment.

MAYOR

CITY CLERK

The Assistant City Manager read the resolution and explained that this resolution would allow for the execution of a grant of federal funds to extend safety area, Runway 34 (100'); rehabilitate MITL and HIRL systems; construct FCR building; and acquire fire and crash rescue vehicle (1500 gallon) at the Asheville Airport.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 76-150 was unanimously adopted.

Complete text of Resolution No. 76-150 will be found in Resolution Book No. 9 at page 146.

The Assistant City Manager said the regulations also require that a Lighting Agreement be executed for the operation and maintenance of lighting systems in this project.

Councilwoman Swilling moved that the Vice-Mayor be authorized to execute the Lighting Agreement in connection with the grant agreement for project no. 6-37-0005-03 between the United States of America and the City of Asheville. This motion was seconded by Councilman Hoyle and carried unanimously.

VIRGIL L. STURGILL - MONTFORD AVENUE AREA - DOG CONTROL PROBLEM

Virgil L. Sturgill of 102 Tacoma Circle, again appeared before Council complaining of the dogs roaming the neighborhood and knocking over garbage cans.

Council requested that the Corporation Counsel write the Attorney General for an opinion on enforcing the dog-leash law now in effect in the City of Asheville.

COUNCILMAN MICHAEL - SHILOH SCHOOL ACQUISITION

Upon inquiry of Councilman Michael, Ken Michalove reported that a letter had been sent to the Buncombe County Board of Education requesting that the Mayor be allowed to discuss the acquisition of the Shiloh School Property at their meeting of October 9, 1976.

Councilman Michael requested that Mr. McConnell of the South Asheville Community Center be informed of this meeting.

COUNCILMAN MICHAEL - COUNCIL MEETINGS TO BE HELD AT A LATER HOUR

Councilman Michael commented that he had previously suggested that the Council meetings be held at a later hour in order that working people could attend the meetings. He said he had not had any response and requested that an item be placed on the agenda for the October 14, 1976 Council meeting to discuss changing the time of Council meetings.

PROCLAMATION - ALPHA DELPHA KAPPA WEEK

Vice-Mayor Horton proclaimed the week of August 12, 1976 through August 18, 1976 as Alpha Delpha Kappa Week.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reviewed the background of the Brevard Road Zoning Study. He said on May 5, 1976, at its regular monthly meeting, the Asheville Planning and Zoning Commission considered a request by Mr. R. Jack Ingram to rezone property at the intersection of Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District. Mr. Ingram requested the zoning change in order to utilize the property for the construction of a garage to house and maintain race cars.

At this hearing, he said, several residents of Brevard Road and Dogwood Road appeared and expressed opposition to the proposed zoing change, indicating that a race car garage on this site would be too noisy and would lower the residential property values in the area.

Following the discussion, the Commission voted to deny the request for the following reasons:

1. The rezoning would increase strip development along this portion of Brevard Road which is in direct conflict with sound zoning practices;

2. As the subject property is located adjacent to an established residential area, the proposed change would introduce a new use not in harmony with existing uses; and

3. The proposed zoning change would not be in the best interest of the community as a whole.

Mr. Ingram then appealed the decision of the Commission and requested that the City Council hold a public hearing on this matter. A public hearing was held by City Council on July 8, 1976 at which time residents of the area again spoke in opposition to the request.

Following a discussion by Council, it was moved that the request be tabled and referred back to the Planning and Zoning Commission for further study. The Council also requested that the entire Brevard Road area be looked at for possible zoning changes to accommodate anticipated development.

Based upon a detailed land use survey and projections for future development within the area, the Planning and Zoning Commission offered the following recommendations:

1. Northern region

Based upon recent development trends and those which are projected, the following lots are recommended for inclusion in the Light Industrial (LI).

Ward 15 (Lower Hominy)
(1) Sheet 38, Lots 1, 2, 3, and 4
(2) Sheet 39, Lot 23

Thursday - October 14, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, Jr. Otis B. Michael, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Acting City Clerk Carol Hensley

Absent: Assistant City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of minutes of September 30, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, the minutes of the September 30, 1976 meeting were approved as submitted.

RESOLUTION NO. 76-151 - RESOLUTION IN MEMORIUM OF RUTH SNIPES SUMMEY

Councilwoman Swilling read the following resolution:

"Whereas, the City Council of the City of Asheville wishes to record its deep sorrow over the recent passing of Ruth Snipes Summey; and

Whereas, Ruth Summey, most recently the Secretary to the City Manager, was a model employee in a variety of positions with the City of Asheville over her 24 year career with the City until her untimely death on October 1, 1976; and

Whereas, Ruth Summey through her courteous and friendly manner took a personal interest and concern in everyone and she was a constant source of help and enthusiasm to her fellow staff members, the general public and the members of City Council;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE that as evidence of the City's gratitude for Ruth's fine work we hereby express our appreciation and extend to her family our sincere sympathy upon her passing;

BE IT FURTHER RESOLVED, that this resolution be transcribed on the minutes of the Asheville City Council and that the City Clerk is directed to forward a copy of the resolution to the family of Ruth Snipes Summey."

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 76-151 was unanimously adopted.

Complete text of Resolution No. 76-151 will be found in Resolution Book No. 9 at page 147.

PUBLIC HEARING -REZONING- BREVARD ROAD AND DOGWOOD ROAD - BREVARD ROAD AREA - COMMERCIAL HIGHWAY DISTRICT AND LIGHT INDUSTRIAL DISTRICT

2. A public hearing was held relative to rezoning property at the intersection of Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. Jack Ingram and to rezone property in the Brevard Road area LI Light Industrial District.

Mr. Emrick said due to the Ingram request being met with opposition from property owners of Lots 31 and 34, which comprised more than 20 per cent of the neighboring property owners, under the Zoning Ordinance a change in the rezoning classification would require a three-fourths majority vote by the seven Council members.

Councilman Rainey questioned whether Council should take action at all within the extra one-mile area, where property owners are subject to zoning regulations and building codes but are not afforded such things as fire and police protection that residents within the city limits receive. He said he did not feel it was fair or even constitutional for the City of Asheville to impose zoning and building regulations a mile beyond its boundaries when the residents of this extraterritorial area have no redress in city elections.

Councilman Rainey said the City should consider pulling completely out of the extraterritorial area, but Mr. Emrick said this would require a two year notice under terms of the joint agreement adopted by the City and the County of Buncombe that set up the one-mile perimeter.

Mr. Emrick said the extraterritorial jurisdiction, which become effective in March, 1975, was made possible under a state statute that gives cities the option of extending zoning regulations for a mile under agreements with the County. He said the City could extend the jurisdiction for up to three miles, under the agreement, upon specific request of the County. He said the purpose of the statute is to give cities the power to insure conforming patterns of land use in areas contiguous with their borders, where land use planning is necessary and annexation is likely.

Mayor Ochsenreiter, responding to Councilman Rainey's suggestion, said the matter should be jointly discussed by members of Council and the County Commissioners and that Council would move forward in that direction.

Mr. Bill Slaughter, attorney for Mr. R. Jack Ingram, spoke in favor of the rezoning. He said Mr. Ingram purchased his property before the enactment of the one mile perimenter zoning. He said no new use would be introduced into the area as many commercial developments are already in existance in the neighborhood. He further commented on a petition that was previously presented with some 65 signatures who were in favor of the rezoning. He said there would be no more noise or traffic problems than there is presently with the I-40 and I-26 interchange coming into Brevard Road.

Mr. Slaughter said as requested by Councilman Rainey during a previous public hearing, the plans for the building have been altered to include white pine buffering between adjoining property owners and the doors of the business would not open onto Dogwood Road. He said according to appraisals of the property it would be valued much higher with the Commercial Highway zone. He said he felt Mr. Ingram had invested his money in good faith and in his opinion the rezoning would be in the best interest of the area.

Mr. E. R. McCarthy, Mrs. Virginia Stevens, Mrs. Carl Williamson, Mrs. Helen Reed, Mr. Ed DeBruhl, and Mrs. J. Alfred Williams all spoke in opposition to the rezoning.

Mayor Ochsenreiter closed the public hearing at 4:12 o'clock p. m.

The City Manager read a prepared ordinance rezoning the property as requested.

Development Trends Evident

Since 1970, this particular region of Brevard Road has accommodated the following industrial and related uses:

1. Carolina Power and Light Company
2. Thurston
3. Southern Bell
4. WNC Farmers Market, 1976
5. Pond Road Land Fill, 1974 (expected life - 5 years)

Proposed Development

1. U. S. Post Office Distribution Point, 1977-78

Existing Service to Area

1. County sewer line - 8". County officials indicate that existing lines have sufficient capacity to accommodate additional industrial growth in this area.

2. Existing water lines -
   (a) 8" line to I-40
   (b) 6" line from I-40 to I-26

If large scale industrial growth were to be encouraged in this area the City Engineer recommends that the service be upgraded to a 12" line from I-40 to Sardis Road. There are no immediate plans to increase these lines anytime in the near future.

In light of past controversies in the City's extraterritorial jurisdiction with regard to locating exact boundary lines on the ground, Planning and Zoning offers the following recommendation:

That the area bounded by I-26 on the west, Dogwood Road (SR 3427) on the north and Brevard Road on the east and south be considered for inclusion in the City's extraterritorial jurisdiction.

However, prior to such action City and County officials should: (1) Notify all effected property owners; (2) Hold a public hearing; and (3) complete all statutory requirements for such a proposed expansion.

Mr. Emrick, said the Planning and Zoning Commission, after hearing the staff recommendations, presentations by Mr. William Slaughter, Attorney for Mr. Ingram, and residents of the area, the Commission by a vote of three to two (the Chairman breaking a tie vote) defeated a motion to approve the request. Therefore, the original recommendation of the Commission submitted to Council on May 6, 1976 was reaffirmed.

He said Council at this public hearing, is considereing the rezoning of Lots 1, 2, 3, and 4, on Sheet 38, and Lot 23 on Sheet 39 both in Ward 15 (Lower Hominy) to LI Light Industrial District and the rezoning request of Mr. R. Jack Ingram to rezone Lots 32 and 33 on Sheet 38 in Ward 15 (Lower Hominy). He suggested that, even though the rezonings were advertised as one, that Council consider them as two separate zoning matters.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 918 passed on second reading.

ORDINANCE NO. 919 - AN ORDINANCE AMENDING SECTIONS 27-8, 27-15 AND 27-50 OF CHAPTER 27 OF THE ASHEVILLE CODE RELATING TO TAXICABS

6. Consideration was given to the second reading of Ordinance No. 919, an ordinance amending Sections 27-8, 27-15 and 27-50 of Chapter 27 of the Asheville Code relating to Taxicabs.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Rainey, Corporation Counsel Robinson said he had researched the N. C. General Statutes and could find no provisions relative to passengers riding in the front seat of taxicabs.

Councilman Rainey moved to amend Ordinance No. 919 by inserting in Section 2 the following:

"Section 2. That Section 27-15 entitled "Passengers riding in front seat" of Chapter 27 of the Code of Ordinances is hereby repealed and in its place and stead the following is enacted so that Section 27-15 of said Code of Ordinances shall read as follows:

"At no time shall more than two persons, in addition to the driver, ride on the front seat of any taxicab."

Councilman Rainey further moved that the present Section 2 become Section 3 dealing with "Qualifications of Applicant". This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 919 passed on second reading.

John C. Cheesborough, Attorney for the Asheville Taxicab Association, requested that Council proceed to the third and final reading of the ordinance, since no opposition to the increase has been made.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 919. This motion was seconded by Councilman Rainey, which motion carried, with Councilwoman Swilling voting "no".

On a roll call vote of 5-0, Ordinance No. 919 passed on third and final reading.

Complete text of Ordinance No. 919 will be found in Ordinance Book No. 7 at page 59.

After legal deliberations, in an effort to separate the two rezoning parcels, Councilman Morris moved to amend the ordinance by deleting Section 1 (referring to R. Jack Ingram's property - Ward 15, Sheet 28, Lots 32 and 33 (Lower Hominy) from the ordinance. He further moved to schedule another public hearing on the rezoning request of Mr. R. Jack Ingram to be readvertised at the City's expense. This motion was seconded by Councilman Rainey which amendment carried unanimously.

Councilman Rainey moved for the adoption of Ordinance No. 920, as amended. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-0, Ordinance No. 920 passed on first reading, with Councilman Michael voting "no".

Councilman Morris requested that, in the future, the Planning and Zoning Commission be instructed not to recommend two rezoning requests together.

ORDINANCE NO. 914 - AN ORDINANCE PROVIDING FOR FIXED PENALTIES FOR VIOLATION OF CERTAIN TRAFFIC ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to the third reading of Ordinance No. 914, an ordinance providing for fixed penalties for violation of certain traffic ordinances of the City of Asheville.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 914 passed on third and final reading.

Complete text of Ordinance No. 914 will be found in Ordinance Book No. 7 at page 51.

ORDINANCE NO. 917 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (North Liberty Street - Mrs. Louise Tomlinson)

4. Consideration was given to the second reading of an ordinance amending Ordinance 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on North Liberty Street from R-4 Residential District to CH Commercial Highway District, property owned by Mrs. Louise Tomlinson).

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 917 passed on second reading.

ORDINANCE NO. 918 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (New Leicester Highway)

5. Consideration was given to the second reading of an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on New Leicester Highway from OI Office Institutional District to CS Commercial Service District, property owned by the County of Buncombe.

Larry Fisher, Director of Finance, explained that Pack Memorial Library has received federal funds under Title I of the Library Services and Construction Act in the amount of $12,057. He said these funds were not included in the fiscal 76-77 City of Asheville operating budget and they must be expended before June 30, 1977. He said the funds would be appropriated in the Library Funds for travel and books and audio visual equipment.

Mr. Fisher said the grant is a supplement to the existing funds appropriated from the City's general fund to the library.

Councilman Rainey moved for the adoption of Ordinance No. 921. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 921 passed on first reading.

ORDINANCE NO. 922 - AN ORDINANCE APPROPRIATING CAPITAL PROJECTS IN EFFECT AS OF JULY 1, 1976

10. Consideration was given to an ordinance appropriating capital projects in effect as of July 1, 1976.

The City Manager read the ordinance.

Larry Fisher, Director of Finance, explained that the Local Government Budget and Fiscal Control Act (GS-159), as amended by the 1975 General Assembly, approved Capital Project budgeting as an alternative to annual budgeting of projects "involving the construction or acquisition of a capital asset". He said the ordinance outlines the capital projects the City has in effect as of July 1, 1976 and establishes and appropriates the projects for the life of the projects.

Vice-Mayor Horton moved for the adoption of Ordinance No. 922. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 922 passed on first reading.

ORDINANCE NO. 923 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (Parking Garage Appropriations)

11. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77. He said this ordinance is in conjunction with Ordinance No. 922.

Larry Fisher, Director of Finance, explained that the City originally appropriated $1,244,000 of Revenue Sharing funds to apply to the construction of the Parking Garage and the funds are not sufficient to complete the project. He said funds are appropriated in the Revenue Sharing Trust Fund as a reserve for such capital improvements and this ordinance would appropriate additional funds to the Capital Projects Fund to complete the project.

Councilwoman Swilling moved for the adoption of Ordinance No. 923. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 923 passed on first reading.

RESOLUTION NO. 76-152 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE AND THE UNITED STATES OF AMERICA FOR THE PURPOSE OF CLOSING OUT THE CIVIC REDEVELOPMENT PROJECT N. C. R-13

7. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Housing Authority of the City of Asheville and the United States of America for the purpose of closing out the Civic Redevelopment Project N. C. R-13.

The City Manager read the resolution.

Ken Michalove. Assistant City Manager, said there is very little work left to do in the Civic Redevelopment Area and the Department of Housing and Urban Development is giving the City an opportunity to close-out and receive title to the three parcels of land that are left and once the parcels are sold, the City will receive the revenues which will be allocated in the Community Development Project funds. He said the City would probably ask the Housing Authority to continue to market the land as they have done in the other parcels in the Civic Redevelopment Project and be the City's agent for the sale of these parcels. He said by signing this agreement the City can now close-out the project and, in fact, save a great deal of interest that they are currently paying on funds as they relate to this project. He said these parcels amount to approximately 78,000 square feet and would probably sell somewhere in the vicinity of $75,000 to $100,000.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 76-152 was unanimously adopted.

Complete text of Resolution No. 76-152 will be found in Resolution Book No. 9 at page 148.

SALE OF PARCELS 112 AND 114 - EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

8. Consideration was given to the approval of the sale of Parcels 112 and 114 in the East Riverside Urban Renewal Project N. C. R-48.

The City Manager read a letter from the Housing Authority of the City of Asheville requesting approval of the sale of Parcels 112 and 114 in the East Riverside Urban Renewal Project N. C. R-48. Parcel 112 would be used as a residential use to be sold to Mr. and Mrs. Perry M. Avery in the amount of $850.00. Parcel 114 would also be used as a residential use to be sold to Mr. and Mrs. Feimster Moore for $1,926.00.

Vice-Mayor Horton moved to approve the sale of Parcels 112 and 114 in the East Riverside Urban Renewal Project N. C. R-48, as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 921 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (Library funds)

9. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating library funds.

RESOLUTION NO. 76-153 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE COUNTY OF BUNCOMBE FOR THE OPERATION OF A COUNTY-WIDE ZOO FACILITY

13. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the County of Buncombe for the operation of a county-wide zoo facility.

The City Manager read the resolution.

It was explained that this resolution and agreement would provide that future operation and development of the Zoo facility would operate as a function of the governmental services of Buncombe County.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 76-153 was unanimously adopted.

Complete text of Resolution No. 76-153 will be found in Resolution Book No. 9 at page 149.

RESOLUTION NO. 76-154 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE SUPPLEMENTAL MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION RELATIVE TO UTILITY RELOCATIONS ASSOCIATED WITH DEPARTMENT OF TRANSPORTATION PROJECT 8.1901409

14. Consideration was given to a resolution authorizing the Mayor to execute supplemental municipal agreement with the North Carolina Department of Transportation relative to utility relocations associated with Department of Transportation Project 8.1901409.

The City Manager read the resolution.

Bill Edens, City Engineer, explained that the supplemental municipal agreement deals with changes in utilities made necessary by that section of the I-40 Connector to be made through Beaucatcher Mountain.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 76-154 was unanimously adopted.

Complete text of Resolution No. 76-154 will be found in Resolution Book No. 9 at page 150.

BIDS - ONE (1) PICK-UP TRUCK FOR CIVIC CENTER AND TWO (2) PICK UP TRUCKS FOR TRAFFIC ENGINEERING

15. Consideration was given to bids received October 11, 1976 for one (1) pick-up truck for the Civic Center and two (2) pick-up trucks for the Traffic Engineering Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted in each bid item:

1.	Apple Tree Chevrolet	$3,714.24
2.	Matthews Motors, Inc.	7,487.39
3.	Matthews Motors, Inc.	3,665.92

Councilwoman Swilling moved the accept the recommendation of the Purchasing Agent and award the bids as recommended. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 924 - ORDINANCE REQUESTING AND AUTHORIZING SUPPORT FOR PUBLIC WORK IMPROVEMENTS AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

12. Consideration was given to an ordinance requesting and authorizing support for Public Work Improvements and amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

The City Manager read the ordinance.

Logan Delany, Community Development Coordinator, said public work improvement projects are recognized as eligible activities under the Community Development Block Grant Act of 1974. He said certain project extensions have been requested, reviewed, and approved informally by citizen groups from the area directly affected and involved. He said this ordinance would amend the Community Development Project Budget to include the following projects. He said the appropriations would be from the 1976-77 Community Development Budget Contingency Fund.

Title	Project Improvement	Total
Santee Street	Resurfacing, curb and gutter repair	$1,820
Melbourne Place	Resurfacing, curb and gutter repair, cul-de-sac	7,100
Hibriten Drive	Resurfacing, curb and gutter repair	6,465
Rosewood Avenue	Resurfacing, curb and gutter repair	2,709
Magnolia Street	800 ft. storm drain and catch basin	6,000
Pelham Road	Sidewalk, curb and drive entrances - removal and replacement with new concrete, reseeding and landscaping as required.	15,000
	Total	$39,094

Vice-Mayor Horton moved for the adoption of Ordinance No. 924. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 924 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 924. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 924 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 924. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 924 passed on third and final reading.

Complete text of Ordinance No. 924 will be found in Ordinance Book No. 7 at page 64.

county-wide with some formula for dispersing the funds received and that if a room tax does come into being it should be county-wide and only used for travel promotion and that these funds should be used in addition to, rather than in lieu of any current city or county participation in promotions.

It was the consensus of Council to move forward with Councilman Morris' suggestion.

Bill Morris, a local attorney representing the Holiday Inns in the area, said the proposed room tax bill is opposed by motel owners because it is discriminatory in that it singles out one particular industry for special taxation. He said other businesses should be included in such a tax to promote travel business.

Mr. Bill Shultz, owner of the Buena Vista Motel, spoke in opposition to a room tax.

Mr. Chris Moutos, owner of the Mountaineer Inn, also spoke in opposition to a room tax.

R. JACK INGRAM REZONING REQUEST - BREVARD ROAD AND DOGWOOD ROAD

The City Manager advised that Mr. Bill Slaughter, Attorney for Mr. R. Jack Ingram, requested that Council schedule a public hearing date for Mr. Ingram's rezoning request on Brevard Road and Dogwood Road.

Councilwoman Swilling moved to schedule a public hearing for Mr. R. Jack Ingram's rezoning request for November 4, 1976, to be advertised at the City's expense. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIM - CAROLINA POWER AND LIGHT COMPANY - DAMAGE BY GARBAGE TRUCK

The City Manager presented a claim received from Mr. Conley Gillespie, District Right-of-Way Agent for Carolina Power and Light Company, for damages by a garbage truck to electric facilities.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - RODERICK CHRISTOPHER HAWKINS

The City Manager presented a claim received from Robert M. Pitts, Attorney for Roderick Christorpher Hawkins, by and through his Guardian Ad Litem, Gail McCarter.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - WHITE CANE SAFETY DAY - OCTOBER 15, 1976

Mayor Ochsenreiter proclaimed Friday, October 15, 1976 as White Cane Safety Day.

PROCLAMATION - NATIONAL WOMEN'S BUSINESS WEEK - OCTOBER 17 - 23, 1976

Mayor Ochsenreiter proclaimed the week of October 17 - 23, 1976 as National Women's Business Week.

Bid Summary - One (1) pick-up truck for Civic Center and two (2) pick-up trucks for Traffic Engineering.

Bidder	Bid Item #1	Item #2	Item #3
Arrowhead International Trucks	$4,335.32	No Bid	No Bid
Apple Tree Chevrolet	3,714.24	No Bid	3,743.43
Dorato Motors, Inc.	3,806.35	8,054.47	4,332.97
Matthews Motors, Inc.	3,854.91	7,487.39	3,665.92

DISCUSSION - PROPOSED MOTEL/HOTEL ROOM TAX

Mr. Lloyd Kirk, owner of the Forest Manor Motor Lodge and informal leader of the local hotel/motel owners in Asheville and the Vice-President of the North Carolina Innskeepers Association commented on the proposed motel/hotel room tax to be discussed by the North Carolina Leauge of Municipalities during their convention beginning October 15, 1976. He said the room tax should be divided into two basic subjects one of which is the room tax as a source of general revenue funds and the other the room tax as a source of funds for the promotion of tourism, travel business, conventions and other activities pertaining to the Hotel/Motel business. He said the room tax as a source of general revenue funds would be ineffective because it would bring only about $40,000 in revenues. He said the room tax is discriminatory as it singles out hotel and motel owners which represent only about 3 per cent of the sales activities in the City. He said other sales should not be excluded from such a tax. He said since the room tax would be on a local option basis it would make the city motel and hotels non-competitive with others in another political jurisdiction.

Mr. Kirk said the room tax as a source of funds for the promotion of tourism, conventions, and travel business is of a positive nature.

He said he would propose that the City Council authorize City representatives to participate on a task force with County and Chamber of Commerce representation. This task force would be empowered to propose legislation to the 1977 Buncombe County delegation of the General Assembly to tax the travel industry for its own benefit. He said the legislation would reflect the wishes of our community in the area of taxation and promotion of tourism. He suggested that the task force consist of nine to twelve members.

Mr. Kirk also requested that the Council direct its Asheville representatives to the North Carolina League of Municipalities convention to oppose and vote against the Leagues proposed room tax.

Councilman Michael said he would not oppose the tax because it would be paid only by visitors to Asheville, while providing additional revenue for Asheville residents.

Councilman Morris said the Committee on Finance and Taxation of the League are looking for new revenue sources and proposes that in order to enable municipalities to meet the ever increasing need for services and inflation the League will seek authority for the levy upon voter approval of one or more local option taxes, such as an occupational tax, income or payroll tax, and a hotel/motel room tax.

Councilman Morris said he felt the City already had enough impediments in the City attempting to drive out local residents and he would suggest that any tax should be

Thursday - October 21, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Gene E. Rainey, Otis B. Michael, J. W. Hoyle, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling and Councilman Ralph D. Morris, Jr.

PRESENTATION OF CERTIFICATES TO FIRE CADETS

Mayor Ochsenreiter presented certificates to four of five fire cadets who completed six weeks of basic fire training under the Fire Cadet Program funded by Title I funds.

APPROVAL OF MINUTES

1. Approval of the minutes of the October 14, 1976 meeting.

Councilman Rainey noted that Attorney Slawter's name was misspelled in the minutes.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the October 14, 1976 were approved,as amended.

ORDINANCE NO. 917 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (North Liberty Street - Mrs. Louise Tomlinson)

2. Consideration was given to the third and final reading of Ordinance No. 917, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, as amended rezoning property on North Liberty Street from R-4 Residential District to CH Commercial Highway District, property owned by Mrs. Louise Tomlinson.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 917 passed on its third and final reading.

Complete text of Ordinance No. 917 will be found in Ordinance Book No. 7 at page 57 .

ORDINANCE NO. 918 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (New Leicester Highway)

3. Consideration was given to the third and final reading of Ordinance No. 918, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on New Leicester Highway from OI Office Institutional District to CS Commercial Service District, property owned by the County of Buncombe.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Mr. Ralph Bishop again appeared before Coumcil to protest the lottery sales in the City of Asheville.

Adjournment.

MAYOR

CITY CLERK

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 923 passed on its second reading.

BIDS - 100 TRAFFIC MODEL FIRE HYDRANTS FOR THE FIRE DEPARTMENT

8. Consideration was given to bids received October 14, 1976 for 100 Traffic Model Fire Hydrants for the Fire Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bid submitted by Supply Specialties, Inc., in the total net amount of $24,467.85.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the lowest bidder, Supply Specialties, Inc. in the total net amount of $24,467.85. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary Bidder	Net Amount Bid
ITT Grinnell Corp.	$25,298.90
American-Darling Valve & Mfg.	30,076.70
Ferguson Enterprises	27,580.50
Silverman Company	25,234.70
Supply Specialties, Inc.	24,467.85

BIDS - COPPER TUBING FOR USE IN WATER AND SEWER DEPARTMENT

9. Consideration was given to bids received October 14, 1976 for copper tubing for use in the Water and Sewer Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bid submitted by Supply Specialties, Inc., in the total net amount of $9,496.57.

Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bid to the lowest bidder, Supply Specialties, Inc. in the total net amount of $9,496.57. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary Bidder	Net Amount Bid
Southern Meter & Supply Co.	$9,756.00
Supply Specialties, Inc.	9,496.57
Davis Meter & Supply Co.	9,702.00
Silverman Company	9,684.00
Hajoca Corp.	10,001.88
Tidewater Supply Co.	9,720.00
Ferguson Enterprises, Inc.	9,727.28
Crane Supply Co.	9,522.37

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 918 passed on third and final reading.

Complete text of Ordinance No. 918 will be found in Ordinance Book No. 7 at page 58 .

ORDINANCE NO. 920 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Brevard Road Area)

4. Consideration was given to the second reading of Ordinance No. 920, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property in the Brevard Road area to Light Industrial District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 920 passed on second reading.

ORDINANCE NO. 921 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (Library Funds)

5. Consideration was given to the second reading of Ordinance No. 921, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating library funds.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 921 passed on second reading.

ORDINANCE NO. 922 - AN ORDINANCE APPROPRIATING CAPITAL PROJECTS IN EFFECT AS OF JULY 1, 1976

6. Consideration was given to the second reading of Ordinance No. 922, an ordinance appropriating Capital Projects in effect as of July 1, 1976.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 922 passed on second reading.

ORDINANCE NO. 923 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (Parking Garage Funds)

7. Consideration was given to the second reading of Ordinance No. 923, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating funds for the completion of the Parking Garage.

CLAIM - MRS. SYBLE N. HAMILTON

The City Manager presented a claim received from Joseph C. Reynolds, Attorney for Mrs. Syble N. Hamilton.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

COUNCILMAN MICHAEL - LATE COUNCIL MEETINGS

Councilman Michael said it was his hope that next week's agenda would include consideration of his suggestion that at least one council meeting each month be held at a later time to enable working people to attend. He said Council should also consider the possibility of meeting from time to time in the various neighborhoods throughout the City.

Adjournment.

MAYOR

CITY CLERK

BIDS - ONE (1) TRACTOR-TOWED LANDSCAPING MACHINE - SEEDER/TURF SHAPER

10. Consideration was given to bids received October 15, 1976 for one (1) tractor-towed landscaping machine, seeder/turf shaper.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only bid, fully responsive to specifications, received from Porter Brothers, Inc. in the amount of $4,788.00.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to Porter Brothers, Inc. in the amount of $4,788.00. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary

Bidder	Bid
E. J. Smith and Sons	No Bid
R. P. Johnson Sons, Inc.	No Bid
Porter Brothers, Inc.	$4,788.00

PETITION TO CLOSE A PORTION OF CHARLOTTE STREET EXTENSION

RESOLUTION NO. 76-155 - RESOLUTION OF INTENT TO CLOSE A PORTION OF CHARLOTTE STREET EXTENSION AND CALLING A PUBLIC HEARING ON THE QUESTION

11. Mr. William Green, Attorney for Country Club of Asheville, Inc. and Andrew Gennett, read a petition requesting the Council to close a portion of Charlotte Street Extension. He said the street was never accepted as a public street by either Buncombe County or the City of Asheville or any other governmental unit, and has never been under the authority and control of either Buncombe County, the City of Asheville, the North Carolina State Highway Commission or the North Carolina Board of Transportation and never has been either opened, used or maintained as a public street.

The City Manager read a resolution of intent to close the portion of Charlotte Street Extension and calling a public hearing on the question for November 18, 1976.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 76-155 was unanimously adopted.

Complete text of Resolution No. 76-155 will be found in Resolution Book No. 9 at page 151.

REZONING REQUEST - MRS. ESTIE WILSON - 15 ARLINGTON STREET

12. The City Manager read a letter from the Asheville Planning and Zoning Commission relative to the rezoning request of Mrs. Estie Wilson to rezone Ward 2, Sheet 16, Lot 200 (15 Arlington Street), from R-4 Residential District to CG Commercial General District. The Planning and Zoning Commission recommended denial of the request; however, Mrs. Wilson submitted a letter to the City Clerk requesting that Council schedule a public hearing on the matter.

Vice-Mayor Horton moved to schedule a public hearing on the matter for November 11, 1976. This motion was seconded by Councilman Michael and carried unanimously.

MAYOR'S FINANCE AND LEGISLATIVE COMMITTEE

Summarization of Committee Actions

The function of this committee is to attempt to discover sources of revenues which might supplement revenues now being collected through the ad valorem and other taxes presently being collected by the City of Asheville. This committee is not an investigating body, but is formed to do a research job and to make recommendations to the Mayor and City Council as to its findings.

Recognizing that the State of North Carolina prescribes by Statute the collection of taxes (other than ad valorem taxes) on those items which constitute the principal sources of revenue for the State, Counties and Municipalities, these latter two governments are restricted in their activities to supplement their revenues by local option additions to the State assessed taxes except by approval of the State Legislature. While the State does return to the counties and cities certain taxes collected by them in the form of sales taxes, beer and wine tax, intangibles tax and gasoline tax and shares in the State assessed franchise tax, it does not share in its collection of income tax or cigarette tax which are two major sources of revenue in the state.

Residents of the City of Asheville are also residents of the County of Buncombe and as such, they are assessed ad valorem taxes on their properties for both the City and County. These taxes collected by Buncombe County from residents of the City of Asheville constitute a major portion (39% in 1976) of the total ad valorem revenues of Buncombe County.

Thursday - October 28, 1976 - 3:00 o'clock p. m.

Regular Meeting:

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, Otis B. Michael, J. W. Hoyle, Ralph D. Morris, Jr., Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the October 21, 1976 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the October 21, 1976 meeting were approved as submitted.

REPORT OF FINANCE AND LEGISLATIVE COMMITTEE

Mr. William M. Morgan, Chairman of the Finance and Legislative Committee, presented and read the following report of the committee:

Committee Members:

W. M. Morgan, Chairman

J. Lewis Daniels, Member

Osborne M. Hart, Member

Vice Mayor, Bill B. Horton, Council Representative

Councilwoman Jo Ann Swilling, Council Representative

Larry A. Fisher, Administrative Staff Representative

the names and addresses applicable to each automobile license issued. This would greatly assist in the followup and collection of fees and fines for City issued citations. The committee readily endorsed the proposed new system and the purchase of the tapes.

While the statistic (Exhibit A - "EDP Parking Ticket System") indicated lost revenue in the amount of some $80,000, this figure could possibly be increased, by double this amount, assuming a $5.00 fine applicable to each citation.

At the time of this report, the tapes have been ordered and as soon as they are received, the information on the tapes will be matched with the information on the outstanding citations and collection efforts on these outstanding citations begun even though the matching process will be beneficial only for the permanent licenses issued in 1975 and 1976.

In discussing item 1, statistics obtained from the Automobile Licensing Agency indicated that approximately 5,000 to 7,000 automotive vehicles owned and operated by residents of the City of Asheville are operating without the owner having purchased the Auto License Sticker.

The non-purchase of the City Auto License is in violation of City Ordinances No. 584 and 687 amending Ordinance 584. This ordinance prescribes the original cost of the license at one dollar ($1.00) and the penalties attached for the non-purchase and display of the license sticker on the operating vehicle.

Information obtained from the Asheville Police Department indicated that for the fiscal year 1976, no citations were issued for non-purchase of the stickers and only fourteen have been issued in this new year. This indicates the lack of enforcement of this ordinance.

Discussing this item, comments were made that the revenues from these

In the attempt to discover additional revenue to supplement the collection of ad valorem taxes, the committee actions were directed to the following items:

1. Revenue now available to the City in the form of parking and traffic violations, licensing of automobiles and collection of water bills.
2. Costs of operating the Airport, Civic Center, Libraries and Parks and Recreation facilities which are regional projects.
3. Revenue Sharing by the State resulting from collection of income and tobacco taxes.
4. Local option taxes or additional assessed taxes by the State on those items now taxed by the State and returned to the counties and cities.
5. Operating costs of City Departments.
6. Annexation.
7. Combination of city and county operations.
8. Region B funds.
9. Sinking Fund Commission.

I. In discussing item 1 above, statistics were presented indicating that for the year 1975, citations were issued for collectible violations numbering 80,146 and that of this number, 39,961 were paid and 40,185 remain unpaid. Statistics for 1976 are not available.

The committee was advised that a proposal had been presented to computerize the handling of these citations which involved the purchase of magnetic tapes from the State Department of Motor Vehicles which would supply

supply region wide services available to residents of Buncombe, Henderson, Haywood and counties contiguous to Asheville. These activities include the Asheville Airport, Civic Center, Libraries and Parks and Recreation Departments.

The costs of operating these services are included in the ad valorem taxes assessed against the property owners in Asheville only, but are participated in and enjoyed by the residents of Buncombe, Henderson, Haywood and other counties contiguous to Asheville. It is grossly unfair to the residents of the City of Asheville that they should have to pay the full cost of these services and to provide them for so many outside city residents at no cost.

Each of the above four functions will be reviewed independently.

The Asheville Airport operated at a loss, after depreciation, in 1976 (before Federal grants) of $237,805 and is forecast to lose $262,047 for the fiscal year 1977. The Airport is a regional facility and used extensively by business representatives and citizens from outside the city. With the great majority of business located outside Asheville, it is greatly used by officials and employees of Olin, National Distillers, General Electric, Champion, Enka, Taylor and many other national companies. Some of these companies fly their own planes, but much overflow fly from Asheville Airport. Employees, salesmen and company representatives use this facility to a very large degree. In the summertime, the airport is used by those people attending Ridgecrest, Montreat, Blue Ridge and other assemblies and day camps. Most all of these are located outside Asheville.

The committee recommended that the Mayor and City Council propose to the Commissioners of Buncombe County that an Airport Authority or Commission be established to operate the Airport and that they pursue this proposal with representatives of the other surrounding counties.

license fees were to specifically subsidize the operations of the Asheville Transit Authority (see minutes of City Council, September 7, 1967). Ordinances 584 and 687 do not indicate such application of funds to the Asheville Transit Authority. However, there seems to exist a question of constitutionality of these ordinances to collect these fees and fines for the operations of the Asheville Transit Authority.

The committee recommends that these ordinances be strictly enforced.

Review of the collection of water bills indicated that much action was needed in the enforcement of the water regulations, but that great improvement had been made in most recent years. However, lack of personnel to assist in bill collection continued to impede much further progress. It was reported that bills amounting to some $46,000 had been charged off in 1976.

Under present water regulations, tenants are responsible for payment of water bills and owners of rented property do not share this responsibility.

The committee recommends strict enforcement of the City's water regulations including early cut off for non-payment of bills.

The committee also recommends the adoption of a "Lien Law" similar to that used by the City of Greensboro, North Carolina whereby the non-paid water bills attach to the property and water is not supplied to that property until the lien is satisfied or paid. (See Exhibit #6).

The report of outside Public Accountants indicated net earnings of water operations for the year ending June 30, 1975 amounted to $571,864, however, these earnings did not include payments for debt service of $807,001 with a resulting deficit in cash earnings of $235,137. (Exhibit 7).

II. The committee discussed, in much detail, those activities which

They will also be absorbing at least thirty nine percent of the County's payment of $205,000. So, City residents are also paying part of the costs for supplying library service to County residents for the five library branches located without the City plus Bookmobile operations. Statistics obtained from the main library indicates that circulation in the County amounts to 52% of the total circulation from all library operations.

The committee recommends that the Mayor and City Council request that the Commissioners of Buncombe County assume full responsibility for the operations of the total library system. The residents of the City would still pay its thirty nine percent of these costs through payments of the County ad valorem tax.

It should also be noted that in recent years, Durham County has absorbed all the costs of operating the Durham City Libraries as has Mecklenberg County taken over the operations of the Charlotte Library System and Forsythe County, the Winston-Salem Library operations.

Recommendations pertaining to operations of Parks and Recreation Departments are deferred pending recommendations of the Asheville-Buncombe County Local Government Study Commission from their study of these functions.

III. & IV. The review of Revenue Sharing by the State of North Carolina indicated that although the City and County are receiving a share of revenue collected from sales taxes, intangibles taxes, liquor and alcohol beverage taxes, franchise and gasoline taxes, they are not sharing in collection of State assessed income taxes or tobacco and cigarette taxes and these latter two classes of tax probably compose the greatest source of revenue to the state. Why these taxes are not shared with the municipalities where they are assessed should be questioned inasmuch as other taxes noted above are returned for local government use.

If established, the Airport Authority should repay to the City of Asheville for its capital assets at a value to be agreed upon by the two parties.

The Civic Center, like the Airport, is a regional facility and is enjoyed by many non-city residents. The Civic Center operated at a loss of $250,251 in fiscal year 1976 and is forecast to lose $282,858 for the fiscal year 1977. Again, the residents of Asheville are paying this total cost.

The committee recommends that the Buncombe County Commissioners be requested to either underwrite this loss, operate the facility, or to place it under a Civic Center Authority or Commission operated jointly by the City and County. A pro ration of costs and losses by head count (39% in city, 61% in county) could be a possible basis. An alternative to this proposal would be to increase rental charges for each event to a schedule that would provide for all absorptionof all costs. This would probably result in higher ticket prices for attendees at each event. The committee also recommends that, in the event that Buncombe County chooses to operate the Civic Center in its entirety, the County reimburse the City in full for its capital assets at a value to be agreed upon by the two parties.

Operation of the libraries is a joint function of the City and County in that the main library plus four branch libraries are located within the City and five are located in the County, plus the Bookmobile servicing the County. The costs of operating all libraries are budgeted by the City. Even though the County contributed $175,000 for the fiscal year 1976 and has pledged $205,000 for 1977, it left a deficit of costs for City taxpayers to absorb of $228,712 for 1976 and forecast deficit of $295,200 for 1977. It would appear that the taxpayers in Asheville are absorbing again the major part of these costs including contributing to the operations of the County units.

do so. However, we do recommend that a qualified Consulting Industrial Engineering firm be employed to study several departments to effect savings or to increase services to the City residents by improvements in scheduling of jobs and assignment of personnel to jobs.

VI. The annexation of additional areas to the City was discussed. Action and recommendations on this item was deferred as it is understood this subject is now under study.

VII. No action or recommendation is included in this report on the possible combination of City and County operations.

VIII. Investigation as to whether Region B funds could be made available for contribution toward deficit in costs over revenue of operations that are regional in nature should be followed up by an appointee of the Mayor and City Council.

IX. Elimination of the "Sinking Fund Commission" is recommended by this committee to save some $30,000 in costs to the City. It is the opinion of the committee that the City's Finance Department could handle the City's debt administration. Study should be made of the indentures applicable to the outstanding bonds to determine whether the Sinking Fund Commission is further required.

Other Observations. Reviewing the County budget for the fiscal year ending June 30, 1977, it is meritorious to observe the creation of a Capital Reserve fund of $3,875,600. It is good to provide such a surplus reserve for future

So, the committee segregated the State and Local tax problem into two categories as follows:

1. Petition the State Legislature to share with municipalities the collection of income taxes and tobacco and cigarette taxes.
2. Petition the State Legislature to permit municipalities to collect taxes on a local option basis applicable to:
   a. liquor and alcohol
   b. tobacco and cigarettes
   c. hotel/motel rentals
   d. income tax
   e. interest on delinquent taxes (increase interest rate)
   f. increase auto license fees (to $10.00 per vehicle)

The committee has no statistics available that would indicate the dollar volume that would be made available except that an increase in auto license fees to $10.00 per vehicle would amount to approximately $330,000.

It is the consensus of opinion of the committee that to assess taxes on luxury items such as those noted above would be more desirable than increasing ad valorem taxes as the purchases or users of the above items could more readily assume these increased costs. Also, the increase in the auto license fee would reach many persons who are not contributing to the tax revenues of the City by not listing any properties subject to ad valorem taxes.

The need to obtain additional revenue for the City should be stressed to the League of Municipalities for action on all of the above items.

V. The committee is taking no action in studying the operations of City Departments to effect cost savings. We do not believe we are qualified to

All of the recommendations noted would provide additional revenues to the City. However, they are contigent on collection of various items, the take over of various functions by the County and finally the action of Legislature to provide by Statute the collection of additional taxes.

Without positive action in each of the recommended items, it is impossible to foresee any possibility of the ad valorem tax remaining at its present rate for 1977-78 or years beyond these dates. With inflation in costs ever increasing for labor and supplies plus fringe benefits attached to services (including pensions and past service liabilities attachments), the achievement of a balanced budget for next year cannot be realized. Much effort must be expended in the followup of all of the items recommended to afford any minimum of hope to the taxpayers of the City of Asheville to retain the present rate for ad valorem taxes.

Assumption by the County of the Airport, Civic Center and Libraries could result in savings of $700,000 to $800,000 to City taxpayers and this should be actively pursued.

Mayor Ochsenreiter thanked the Committee for their time and effort and stated that the City Staff has already started to work on some of the recommendations.

[redacted]ngencies. However, this budget fails to provide any contribution to those projects or functions that are "region wide" such as the Asheville Airport or Civic Center. These functions provide service and entertainment for the region contiguous to Asheville totally at the expense of the residents of the City of Asheville. But, the citizens of Asheville are also, citizens of Buncombe County, so, why should the 60,000 residents of Asheville pay the total cost to provide services to the 155,200 residents of Buncombe County, plus many other residents from surrounding counties. It seems grossly unfair that the County Commissioners should not recognize their responsibility to absorb costs in its budget to provide for supplying such services.

It is also recognized that Buncombe County is in the position of obtaining additional funds from the State distribution of sales taxes, intangibles taxes, [redacted]c. as these are pro rated to the County and City either on total tax valuation or head count of residents. Inasmuch as the County continues to grow in location of industries, with their accompanying employees and outflow of residents from Asheville into the County, such pro ration of taxes will result in greater income to the County and decreases to the City of Asheville.

In reviewing the County budget, it would appear that the County is in a very good financial condition with the completed payoff of its bonded indebtedness and elimination of interest on the same, plus its noted possible increase in State distributed taxes and should be able to assume all of the costs of those functions which are regional in nature and which would relieve the taxpayers of the City from paying all of the costs of these functions.

[redacted]

ORDINANCE NO. 920 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. Consideration was given to the third and final reading of Ordinance No. 920, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property in the Brevard Road area to Light Industrial District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 920 passed on its third and final reading.

Complete text of Ordinance No. 920 will be found in Ordinance Book No. 7 at page 61.

ORDINANCE NO. 921 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

4. Consideration was given to the third and final reading of Ordinance No. 921, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating library funds.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mrs. Hamlin of the Library Staff, responded to Vice-Mayor Horton's question during the first reading of the ordinance. That question being "Could the funds of this federal grant be used to supplement part of the appropriation of the city for the library operating fund?". She said under the guidelines of the State Library federal funds are to extend and improve public library service and may not be used to replace state or local funds.

On a roll call vote of 6-0, Ordinance No. 921 passed on its third and final reading.

Complete text of Ordinance No. 921 will be found in Ordinance Book No. 7 at page 62.

ORDINANCE NO. 922 - AN ORDINANCE APPROPRIATING CAPITAL PROJECTS IN EFFECT AS OF JULY 1, 1976

5. Consideration was given to the third and final reading of Ordinance No. 922, an ordinance appropriating Capital Projects in effect as of July 1, 1976.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 922 passed on its third and final reading.

PUBLIC HEARING - URBAN MASS TRANSPORTATION ADMINISTRATION GRANT

RESOLUTION NO. 76-156 - RESOLUTION AUTHORIZING AND ENDORSING THE FILING OF AN APPLICATION FOR MASS TRANSIT FUNDS

2. A public hearing was held to receive public comment and opinion on a grant through the North Carolina Department of Transportation and the United States Department of Transportation, Urban Mass Transportation Administration.

Mayor Ochsenreiter opened the public hearing at 3:10 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Ward, of the Planning Division, stated that this grant proposal is the same basic grant that the City has applied for in 1975 and 1976 and received funds from the Urban Mass Transportation Administration through the State to help offset the operating expenses of the Asheville Transit System. The City has participated in the grant program in those two previous years. The project could be a capital project or an operating assistance project, however, due to the need for the monies for operating assistance the determination seems to be that the money should be used for operating assistance. The grant project has been discussed with Mr. Larry Fisher, Director of Finance, and has been anticipated in the city's 1977 budget. All the necessary steps to apply for these funds have been taken except for the public hearing and the approval of a resolution authorizing the filing of the application. It has been reviewed by the Asheville Transportation Advisory Committee, the Asheville Technical Coordinating Committee, the Asheville Transit Authority and the Land-of-the-Sky Regional Council A-95 Review Board. All these groups have given the project a favorable review. It is currently under review by the North Carolina Department of Administration A-95 Clearinghouse.

Mr. Ward stated that the Accounting firm of Patton and Hunter made an audit on last year's Transit operation and projected an audit on this year's transit operation and calculated the UMTA share and the City's share according to the guidelines for the grant program. He said no major increase in services is projected with the funds. He said the program was projected for 6 years, beginning in 1975 and ending in 1982. He said the funds received from the grant are based on the projected deficit of the Transit operation.

There was no public comment on the grant proposal.

Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p. m.

The City Manager read the resolution authorizing and endorsing the filing of an application for Mass Transit Funds.

Upon motion of Councilman Micheal, seconded by Vice-Mayor Horton, Resolution No. 76-156 was unanimously adopted.

Complete text of Resolution No. 76-156 will be found in Resolution Book No. 9 at page 152.

Councilman Michael said he did not believe that most people could understand the legal notices printed in the newspapers and a better method of notification should be given the property owner.

Councilman Rainey agreed stating that prior closings in this area have been minor; however, with the intended major closings, a more thorough review should be made before closing these major streets.

Mr. Holt explained that Southside would be replaced and would be constructed to the north of Southside and will intersect with South French Broad Avenue.

Mrs. Lucille Fields, 166 South French Broad Avenue, protested that McDuffie Street, which runs behind her property was closed earlier this year without her being given a reasonable opportunity to oppose the closing. She said she had purchasing the lot which faced McDuffie Street with the intention of building a house for her children, but the closing of the street has made the lot useless.

Mrs. Fields said someone had phoned to ask if she objected and she had said yes. The caller said he hoped she would change her mind.

Councilman Rainey expressed disapproval of such calls.

Mayor Ochsenreiter requested that Mr. Michalove, the Assistant City Manager and Larry Holt work with Mrs. Fields in an attempt to solve her problem.

Mr. Holt assured Council that everyone involved would be notified by registered mail, return receipt requested, before the public hearing on December 2, 1976.

It was the consensus of Council members, that a thorough review of the master plan should be made before the public hearing on December 2, 1976.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-158 was adopted, with Councilman Michael voting "no".

Complete text of Resolution No. 76-157 will be found in Resolution Book No. 9 at page 153.

RESOLUTION NO. 76-158 - RESOLUTION OF INTENT TO CLOSE ALL OF BEECH STREET, AND CALLING A PUBLIC HEARING ON THE QUESTION

8. Consideration was given to a resolution of intent to close all of Beech Street, and calling a public hearing on the question.

The City Manager read the resolution, scheduling the public hearing for December 2, 1976.

Councilman Rainey was excused from the meeting at 4:15 o'clock p. m.

Vice-Mayor Horton commented that since Council was expecting opposition to the Beech Street closing from the two families who live on the street, Council had requested that the Beech Street closing be separated from the other closings.

Complete text of Ordinance No. 922 will be found in Ordinance Book No. 7 at page 63.

ORDINANCE NO. 923 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

6. Consideration was given to the third and final reading of Ordinance No. 923, an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating funds for the completion of the Parking Garage.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 923 passed on its third and final reading.

Complete text of Ordinance No. 923 will be found in Ordinance Book No. 7 at page 64.

RESOLUTION NO. 76-157 - RESOLUTION OF INTENT TO CLOSE PORTIONS OF BARTLETT STREET, CHOCTAW STREET, AND SOUTHSIDE AVENUE, SMITH STREET, OWENS ALLEY, POWELL ALLEY, AND FOUR (4) UN-NAMED ALLEYS AND CALLING A PUBLIC HEARING ON THE QUESTION

7. Consideration was given to a resolution of intent to close portions of Bartlett Street, Choctaw Street, and Southside Avenue, Smith Street, Owens Alley, Powell Alley and four (4) un-named alleys and calling a public hearing on the question.

The City Manager read the resolution, scheduling the public hearing for December 2, 1976.

The Corporation Counsel read the descriptions of the streets and alleys to be closed.

Upon inquiry of Vice-Mayor Horton, Larry Holt, Deputy Director of the Asheville Housing Authority, said there were no objections to the closing of these streets at the present time but proper notification would be given to all concerned before the public hearing on December 2, 1976.

Councilman Michael commented that he felt matters of closing of streets and alleys should be reviewed by the Planning and Zoning Commission before being presented to Council.

Mr. Holt said the closing of these streets is a part of the East Riverside Urban Renewal Project which was approved by the Planning and Zoning Commission and the Asheville City Council.

Councilman Michael further commented that the closing of streets and alleys sometimes presents hardships on the owners or the tenants of houses located on these streets and alleys.

Mr. Phipps, Purchasing Agent, explained that there were no local manufacturers of the steel culvert pipe and the local retailers would have to purchase the pipe from the manufacturers. He said he did not feel the city would have any control over the manufacturers bidding against the local retailers.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Southern Tank and Culvert Company, Inc. in the amount of $7,601.20. This motion was seconded by Councilman Michael, which motion carried with Vice-Mayor Horton voting "no".

Bid Summary

Bidder	Bid
Armco Steel Corporation	$8,576.00
Wheeling Corrugating Company	10,726.20
Southern Tank & Culvert Company, Inc.	7,601.20

BIDS - BULK ROCK SALT FOR SNOW AND ICE CONTROL

11. Consideration was given to bids received October 25, 1976 for bulk rock salt for snow and ice control.

The City Manager read the recommendation from the Purchasing Agent which recommended the acceptance of the low bid submitted by Morton Salt Company at $18.96 per ton. Total bid, based on estimated quantity for season of 300 tons, is $5,688.00.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Morton Salt Company at $18.96 per ton. This motion was seconded by Councilwoman Swilling and carried unanimously.

Bid Summary

Bidder	Bid	
	Per Ton	Total
Morton Salt Company	$18.96	$5,688.00
International Salt Company	20.80	6,240.00
Diamond Crystal Salt Company	21.96	6,588.00

BIDS - ONE (1) FOUR CHANNEL DUAL RECORDER FOR FIRE DEPARTMENT

12. Consideration was given to bids received October 25, 1976 for one (1) four channel dual recorder for the Fire Department.

The City Manager read the recommendation from the Purchasing Agent which recommended the acceptance of the low bid sumitted by Stancil-Hoffman Corporation in the amount of $7,950.00.

Chief Ball, Fire Chief, explained that the recorder would record all fire calls and monitor all telephone calls. He said this would be a great asset to the department and he felt it would deter deficiency points.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Stancil-Hoffman Corporation, in the amount of $7,950.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

Larry Holt, deputy director of the Asheville Housing Authority, said the two houses left on the street are owned by the Asheville Housing Authority. He said the houses were condemned under the right of eminent domain and the money was deposited with the Clerk of Court. He said all appeals have been exhausted on the matter.

Responding to Councilwoman Swilling, the City Manager advised that the closing of these streets, in the long run, would not affect the Powell Bill funds.

Councilman Michael said he would not vote for this closing because he protested the right of government to take someone's property against their will.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 76-158 was adopted, with Councilman Michael voting "no".

Complete text of Resolution No. 76-158 will be found in Resolution Book No. 9 at page 160.

RESOLUTION NO. 76-159 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM NOLA O. WHITAKER FOR A 24-INCH WATER LINE ON AURORA DRIVE, ASHEVILLE, NORTH CAROLINA

9. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from Nola O. Whitaker for a 24-inch water line on Aurora Drive, Asheville, North Carolina.

The City Manager read the resolution and explained that this is to relocate a line running from White Fawn Drive along Aurora Drive and replaces a line that is now under the Holiday Inn. As the resolution states the appraised value of the property, as determined by W. T. Duckworth Company, is $4,500.00.

Councilman Michael said he felt the price of the right-of-way has been increased because the city wants to use the property for a pipeline.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 76-159 was adopted, with Councilman Micheal voting "no".

Complete text of Resolution No. 76-159 will be found in Resolution Book No. 9 at page 162.

BIDS - GALVANIZED CORRUGATED STEEL CULVERT PIPE FOR STREET DEPARTMENT

10. Consideration was given to bids received October 25, 1976 for galvanized corrugated steel culvert pipe for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Southern Tank and Culvert Company, Inc., in the amount of $7,601.20.

Vice-Mayor Horton expressed concern over the jobbers, who provide the same type of materials to local retailers, being able to bid in competition to the local retailers.

PETITION - ACQUISITION OF SHILOH SCHOOL - SHILOH COMMUNITY

Virgil McConnell presented and read the following petition:

RESIDENT PETITION FOR THE ACQUISITION OF SHILOH SCHOOL

We the residents of the Shiloh Community of Asheville, North Carolina, petition the Asheville City Council, and the Buncombe County School Board as follows:

1. The Buncombe County School Board to transfer the Shiloh School property at minimum cost within the legal limits as prescribed by law to the City of Asheville.

2. The City of Asheville to acquire the Shiloh School property from the Buncombe County School Board to be used as a permanent community center and neighborhood facility.

3. The City of Asheville through the use of Community Development funds, advalorem tax refunds and other resources available and applicable to rehabilitate and develop the facility suitable for the uses described in No. 2.

4. We ask that plans for renovation and/or construction of the permanent community center and neighborhood facility be completed and approved by the City of Asheville, North Carolina by June 30, 1977.

5. We further request that the City of Asheville staff and maintain the facility for the use of residents of the area.

Mr. McConnell said the petition would be presented to the Buncombe County School Board on Friday, October 29, 1976. He said the petition contained 507 signatures from residents of the Shiloh area.

Councilman Michael said Council should go on record requesting that the Buncombe County School Board transfer, by lease or purchase, the Shiloh School property to the City of Asheville for the use of the Shiloh Community.

Mayor Ochsenreited advised that Council would be attending the meeting of the Buncombe County School Board on Friday, October 29, 1976, to present the request.

Bid Summary

Bidder	Bid
Dictaphone Corporation	$8,208.00
Stancil-Hoffman Corporation	7,950.00

MR. E. R. McCARTHY - CLOSING OF STREETS

Mr. E. R. McCarthy suggested that legislation be initiated to give the City of Asheville authority to receive funds for the closing of streets and alleys. He said he felt property owners being given portions of the streets or alleys should have to pay for the land.

CITY MANAGER'S REPORT - MINORITY EMPLOYMENT

The City Manager reported that about a year ago a complaint was filed with the Equal Employment Opportunity Division of the Department of Labor in which allegations were made that the Police and Fire Department did not employ minorities in proportion to the City's minority population. It also alleged that the Police Department did not employ any women as patrol officers. As is the case, when a complaint of this type is filed a report is forwarded to a federal agency which may be involved in advancing or making a project of federal funds for the City. In this particular case, it was the Office of Revenue Sharing. On December 12, 1975 the office wrote to the City Manager requesting information relative to employment in the City and various information relative to payroll. He said this week two representatives of the Revenue Sharing office in Raleigh visited him and at their request they were provided financial data relative to the City's Revenue Sharing expenditures, the Affirmative Action Program, Civil Service Act and the Civil Service Rules and Regulations as well as information relative to the Police and Fire Cadet Program and payroll information. He said there was additional information requested which will be forwarded to them as soon as it is prepared. Following a review of this information the office of Revenue Sahring will make recommendations that will assist the City in the Affirmative Action Program.

COMPLAINTS - MRS. LILLIAN WILSON - MRS. ELROD

Mrs. Lillian Wilson, 296 S. Michigan Avenue, complained to Council about people parking on both sides of S. Michigan Avenue. She said children have removed the no parking signs twice during the past year. She also complained about cars parking at fire hydrants.

Mrs. Wilson said people are using the graded area for the proposed site for the Arrowhead Apartments for drinking and drug uses.

She also complained about the City Dog Catcher, Lee Hyatt's, dog being allowed to run loose. She said he should be made to keep the dog fenced.

Mrs. Elrod also complained about the dogs in the neighborhood.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilman Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Jr., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene E. Rainey

APPROVAL OF MINUTES

1. Approval of the minutes of the October 28, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, the minutes of the October 28, 1976 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON BREVARD ROAD AND DOGWOOD ROAD - R. JACK INGRAM

2. A public hearing was held relative to the rezoning of property on Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District, property owned by R. Jack Ingram.

Mayor Ochsenreiter opened the public hearing at 3:06 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reiterated that the Planning and Zoning Commission, at its regular meeting of September 8, 1976 voted 3-2 to reaffirm denial of the Ingram request. He said the property owners were re-notified on October 21, 1976, by certified mail, that the public hearing on this matter would be held today, November 4, 1976.

Mr. Emrick, also reminded Council that due to the Ingram request being met with opposition from the property owners, comprising more than 20 per cent of the neighboring property owners, under the Zoning Ordinance a change in the rezoning classification would require a three-fourths majority vote by the seven Council members.

Bill Slawter, Attorney for Mr. R. Jack Ingram, said with the existing commercial establishments along Brevard Road the only practical use for the Ingram property would be a commercial use. He again emphasized that Mr. Ingram purchased his property before the enactment of the one mile perimeter zoning. He said he had also spent some $16,000 on improvements prior to the zoning enactment. He said according to appraisals of the property it would be valued much higher with the Commercial Highway zone.

Mr. Slawter said he felt only one of those people who have spoken against the rezoning has a valid reason. He said all the other opposing neighbors own property which already is zoned for commercial use.

JOE PLESS - DREAMLAND DRIVE-IN FLEAMARKET

Mr. Joe Pless of the Dreamland Drive-In Theatre and Fleamarket said he hoped Council would consider the local businessman, who pays taxes and buys privilege license to operate in the City of Asheville, before forcing him to compete with the city government in the flea market business.

PROCLAMATION - JEWISH COMMUNITY CENTER WEEK - OCTOBER 24 - 31

Mayor Ochsenreiter proclaimed the week of October 24-31, 1976 as Jewish Community Center Week.

PROCLAMATION - NOVEMBER AS EPILEPSY MONTH

Mayor Ochsenreiter proclaimed the month of November as Epilepsy Month.

PROCLAMATION - OCTOBER 31, 1976 -"MEET N' TREAT DAY"

Mayor Ochsenreiter proclaimed October 31, 1976 as Meet N' Treat Day.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

Wilma F. Woodall
CITY CLERK

RESOLUTION NO. 76-160 - RESOLUTION AUTHORIZING THE CITY MANAGER TO NEGOTIATE FOR AND ENTER INTO A CONTRACT FOR THE INVENTORY AND APPRAISAL OF CITY OWNED FIXED ASSETS

3. Consideration was given to a resolution authorizng the City Manager to negotiate for and enter into a contract for the inventory and appraisal of city owned fixed assets.

The City Manager read the resolution and explained that this resolution was discussed during a prior meeting but was tabled until a later date.

Mr. Larry Fisher, Director of Finance, said the American Institute of Certified Public Accountaints has stated that local governments must account for fixed assets for financial statement purposes and that this resolution would authorize a contract with, Marshall and Stevens, for a detailed inventory and appraisal of such fixed assets. He said Marshall and Stevens submitted a proposal of $46,500. He said without such an inventory the auditors will have to "qualify" their opinion this year on the city's fixed assets. He said one benefit which will result from such an inventory is that it will improve the city's bond ratings and lower the cost of any future bond issues.

Councilman Michael commented that it was his hope that in the near future the City will have to have this inventory in order to negotiate with the county for the establishment of a mentropolitan government.

Councilman Morris noted that the City might discover property that it no longer needs that could be sold.

Mr. Fisher commented that the money, which will come from revenue sharing funds and water funds, is included in the current budget.

Councilman Hoyle said he felt this was a job for the existing city employees.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 76-160 was adopted, with Councilwoman Swilling and Councilman Hoyle voting "no".

Complete text of Resolution No. 76-160 will be found in Resolution Book No. 9 at page 163.

BIDS - ONE (1) CRAWLER TRACTOR/DOZER WITH HEAVY DUTY RIPPER FOR THE STREET DEPARTMENT

4. Consideration of bids received October 25, 1976 for one (1) crawler tractor/dozer with heavy duty ripper for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Arden Equipment Company, Inc. in the amount of $42,472.00.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Arden Equipment Company, Inc. in the amount of $42,472.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Mr. Slawter cited several similar zoning cases in the state. In one case, he said, it was found that a zoning ordinance which in effect deprives the owner of the beneficial use of his property by precluding all practical uses or the only use to which it is reasonably adapted is invalid. He said Mr. Ingram's property is only adapted to a commercial use. He said no one cares that the property be rezoned commercially but they just don't want Mr. Ingram's garage to be on the lot.

Mr. Andy Reed, J. A. Williams and Al Williamson opposed the rezoning.

Mayor Ochsenreiter closed the public hearing at 3:42 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

Councilwoman Swilling moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

Councilwoman Swilling made the following statement: "I am very sorry that I have to sit in a position where we have to pass judgment regarding people who live outside the city limits with regard to their property and things that affect them greatly. I do not think this is fair. I do not feel like the people that live in this area have a right to vote for me or against me so I feel like they are not being treated fair although the State of North Carolina has given Council the authority to regulate things within the one-mile perimeter or up to three (3) miles. I have my misgivings about that. I would like to state that I feel like that the people that live on Dogwood Lane have a sincere and honest desire to keep their area residential and to keep it in a lovely neighborhood that it is now. I also feel like that it is inevitable that Brevard Road will be growing. You can already see the amount of industry that has begun active in that area. I feel like Mr. Ingram purchased the property as commercial property prior to the extension of the one-mile perimeter zoning and I feel like he should be allowed to construct his garage on it. I feel like the people in the area that is protesting are doing so because it is a race car garage not because of the commercial area. I feel like when we rezone property it should be for what can be placed on the lot rather than considering one particular type of business. The County issued a permit, then the zoning came into effect and Mr. Ingram had spent considerable amount of money. Therefore, I feel like that the zoning should be changed to Commercial Highway."

Councilman Hoyle questioned Mr. Ingram regarding the noise and buffering.

Councilman Michael noted that the neighbors will have due recourse after the race car garage is built if the noise becomes a problem.

Councilman Morris said he was voting for the ordinance in order to keep it alive. He said he has not had an opportunity to look at the property in question and will do so before the ordinance comes up for its second reading next week.

On a roll call vote of 6-0, Ordinance No. 925 passed on its first reading.

He further moved that on the third Thursday of each month, Council set a short agenda in the hope of finishing before 5 p. m. and then continue the meeting until at least 5:30 p. m. to meet with any citizens who care to come. This motion was seconded by Councilwoman Swilling and carried unanimously.

Councilman Michael expressed the hope that citizens will take advantage of this opportunity to participate.

Due to a public hearing scheduled for December 2, 1976 which was advertised as being held in the Council Chambers at City Hall, Council decided to hold the December night meeting on December 9, 1976, with a location to be announced shortly.

COMPLAINTS RELATIVE TO SHORT MICHIGAN AVENUE

The City Manager announced that the Police Department was working on the complaints during last week's Council meeting of Mrs. Wilson and Mrs. Elrod. He said a report would be given at next week's Council meeting of the progress relative to the complaints.

BATTERY PARK HOTEL - DISCUSSION

The City Manager said according to the minutes of the July 29, 1976 Council meeting, a public hearing was scheduled for today, November 4, 1976, relative to the Battery Park Hotel. However, since that time Battery Park Hotel has been considered for Section 8 Housing and due to an administrative oversight the public hearing was not duly advertised. Council may now re-schedule the public hearing for a later date, with proper advertising being given or delay scheduling the public hearing until HUD informs Council or Mr. Blackwell of the decision of the Section 8 funding.

Vice-Mayor Horton moved to delay scheduling a public hearing until a decision from HUD is made relative to Section 8 Housing funding for the Battery Park Hotel. This motion was seconded by Councilwoman Swilling and carried unanimously.

It was the consensus of Council to authorize the Mayor to follow up on a letter sent to Mr. Donald Blackwell, owner of the Battery Park Hotel, several months ago in which he was asked to comply with the following instructions for securing and maintaining the vacant building:

1. Board up all openings on the ground level and first floor and paint them to match the building;

2. Construct an eight-foot fence around the property;

3. Sweep the sidewalks at least once a month, cut the grass and remove the weeds and trim the shrubbery.

Mayor Ochsenreiter advised that he would follow up on these requirements and give him a deadline of approximately 10 days to comply with the instructions. He further advised that he would ask Mr. Blackwell to advise Council as to the status of the Section 8 Housing funding.

BID SUMMARY

Bidder	Bid
Arden Equipment Company, Inc.	$42,472.00
E. F. Craven Company	44,925.00
Bruce Construction Machinery	48,001.44
Western Carolina Tractor Company	52,214.00
Mitchell Distributing Company	53,650.00

BIDS - ONE (1) 1,000 GPM CUSTOM BUILT TRIPLE COMBINATION PUMPER

5. Consideration was given to bids received November 1, 1976 for one (1) 1,000 gpm custom built triple combination pumper for the Fire Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bid submitted by Boyce L. Ford Company in the amount of $59,990.00.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Boyce L. Ford Company in the amount of $59,990.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Boyce L. Ford Company	$59,990.00
Midstate Emergency Services	69,000.00
Continental Fire Truck Company	68,252.00
Action Fire & Safety	No Bid
Mack Truck Inc.	No Reply

BIDS - ONE (1) FOUR DOOR CAR FOR POLICE DEPARTMENT

6. Consideration was given to bids received November 1, 1976 for one (1) four door car for the Police Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bid submitted by Matthews Motors, Inc. in the amount of $4,195.31.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Matthews Motors, Inc. in the amount of $4,195.31. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$4,244.82
Dorato Motors	4,696.18
Matthews Motors, Inc.	4,195.31

ANNOUNCEMENT OF NIGHT COUNCIL MEETINGS

Councilman Michael moved that Council have one night meeting each month, at 7p. m. on the first Thursday of each month, to be held in rotating neighborhoods.

172

Received 8:30
11/4/76
Mayor's Office

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

TO: THE CITY OF ASHEVILLE; HONORABLE GENE C. OCHENREITER, JR., MAYOR OF THE CITY OF ASHEVILLE; MEMBERS OF THE CITY COUNCIL and WILLIAM E. MOORE, ATTORNEY FOR THE CITY OF ASHEVILLE

The undersigned attorney for Mrs. William (Pearl) Byrd O'Donnell gives notice that in a recent publication of the Asheville Citizen Times notice was given by the City of Asheville that the Exhibition Hall of the Civic Center would be used for the operation of a flea market. Such conduct on your part puts the City in competition with every merchant within its confines, as a flea market will sell all and every sort of merchandise in direct competition with all other merchants, and specifically in competition with the above named Mrs. O'Donnell who operates such a market at 20 and 22 North Lexington Avenue in the City of Asheville and in direct and specific competition with her and all other taxpayers.

You will further take notice that such conduct on your part is ultra vires your power and authority to operate such an enterprise and unless you cease and desist forthwith your published intention of operating such a flea market in your Civic Center, the above named individual will pursue such legal action as she may be advised in the premises.

Of the above demand you will take notice.

Awaiting your reply, I am

Most cordially yours,

William A. Parker

CLAIM - LOUISE BURTS MIDDLEBROOK

The City Manager presented a claim received from Gary A. Dodd, attorney for Louise Burts Middlebrook for damages for personal injury.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - RUTH WRIGHT SINCLAIR

The City Manager presented a claim received from J. Lawrence Smith, attorney for Ruth Wright Sinclair for damages for personal injury.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - RE FLEA MARKET AT CIVIC CENTER

The City Manager presented the following documents relative to the Civic Center Flea Market.

October 29, 1976

The Honoable Mayor Gene C. Ochsenreiter
City of Asheville
Asheville, North Carolina

Dear Mayor Ochsenreiter:

We the Merchants of Biltmore Village feel that the upcoming venture of a Flea Market to be established at the Civic Center would be a detriment. We feel that it would have an unfavorable impact on the downtown area, that these people operate without a privledge license, and also feel that it would be unfair competition to other merchants in that often new merchandise is presented for sale.

We urge the City Council to carefully study this venture at the Civic Center and its general impact on the business community before allowing its opening.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilman Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, J. W. Hoyle, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward., Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the November 4, 1976 meeting.

Vice-Mayor Horton noted that the minutes should be amended relative to the last sentence in Bill Slawter's statement. He said the minutes should read: "He said he had also spent some $16,000 for the purchasing of the property and improvements prior to the zoning enactment." This notation was made on page 166 of the minutes.

Vice-Mayor Horton moved to approve the minutes of the November 4, 1976 meeting, as amended. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - REZONING 15 ARLINGTON STREET - MRS. ESTIE WILSON

2. A public hearing was held relative to the rezoning of property at 15 Arlington Street (Ward 2, Sheet 16, Lot 200) from R-4 Residential District to CG Commercial General District, property owned by Mrs. Estie Wilson.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission, at its regular meeting of October 6, 1976, recommended that the request be denied for the following reasons:

1. To rezone the property merely for speculation is in direct conflict with sound planning and zoning practices.

2. The present owner as well as future owners are afforded a variety of nonresidential uses in the R-4 Residential District which would be in harmony with the residential area.

3. This property as well as other property on Arlington Street has been zoned for high density residential purposes since 1948. As no appreciable change of land use along this street has taken place since that time, it is the Planning and Zoning Commission's opinion that the R-4 High Density Residential Zoning should be upheld.

Mayor Ochsenreiter advised that the Corporation Counsel would review the flea market issues and make a recommendation regarding same.

Upon inquiry of Vice-Mayor Horton, Corporation Counsel Robinson said he hasn't research the issue enough to answer any questions but added that he felt the flea market operation constitutes a"lease of space" just like any other event at the Civic Center.

PROPOSED WORDING AMENDMENT TO ZONING ORDINANCE NO. 322 - COMMERCIAL REGIONAL DISTRICT

The City Manager read a letter from the Planning and Zoning Commission which recommended amending the Zoning Ordinance to amend CR Commercial Regional District to include additional uses within that district.

Councilwoman Swilling moved to schedule a public hearing on the matter for December 9, 1976, to be held during the night meeting of Council during the month of December. This motion was seconded by Councilman Michael and carried unanimously.

SHILOH SCHOOL PROPERTY

Councilman Michael announced that he and the Mayor met with the Buncombe County School Board relative to the leasing of the Shiloh School Property to the City of Asheville. He said the School Board gave a favorable intent to lease the School Property to the City of Asheville on a long term lease agreement. He expressed appreciation to the Mayor for his efforts and to the Buncombe County School Board for their cooperation.

PROCLAMATION - YOUTH APPRECIATION WEEK - NOVEMBER 8-15

Mayor Ochsenreiter proclaimed the week of November 8-15 as Youth Appreciation Week.

PROCLAMATION - CONSUMERS CREDIT COUNSELING WEEK - NOVEMBER 7 - 13

Mayor Ochsenreiter proclaimed the week of November 7 - 13 as Consumers Credit Counseling Week.

MRS. ROY ROGERS AND MR. CARL JOHNSON - CLOSING OF BEECH STREET

Mrs. Roy Rogers and Mr. Carl Johnson appeared before Council to protest the closing of Beech Street and the taking of the property on Beech Street by the Asheville Housing Authority.

Mayor Ochsenreiter informed Mrs. Rogers and Mr. Johnson that Council would meet with them after the Council meeting to discuss the matter in detail.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Thomas J. Holcomb, Jr.
CITY CLERK

ORDINANCE NO. _____ AN ORDINANCE AMENDING CHAPTER 28 PERTAINING TO TRAFFIC, SECTION 28-96, PASSENGER ZONES, LOADING ZONES, AND TOW-AWAY ZONES AND SECTION 28-107, IMPOUNDMENT OF VEHICLES OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance amending Chapter 28 pertaining to Traffic, Section 28-96, Passenger Zones, Loading Zones, and Tow-Away zones and Section 28-107, Impoundment of Vehicles of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance.

Drew Walker, Legal Advisor for the Asheville Police Department, said the present ordinance governing tow away zones is rather vaguely worded and no one is sure exactly what it means. He said the Police Department has never interpreted it to permit the towing away of any car.

He said the proposed ordinance would authorize a police officer to have a vehicle towed away if it has been abandoned, junked or wrecked on the public streets of the city or on city property; vehicles involved in hit and run accidents; vehicles subject of a theft; vehicles used in the commission of a felony; driver of vehicle operated vehicle without a driver's license, or was under the influence of intoxicating liquor or narcotics; or if the vehicle is parked in violation of a city ordinance or state statute.

Mr. Walker, upon questioning from members of Council, said private wreckers are now called for accidents, drunk drivers and stolen cars. He said the officer ask an individual if he has a preferred wrecking company or if one is not preferred the closest wrecker company is called.

Councilman Rainey questioned whether, under the present policy, one wrecker company might get more business that another. He requested that the Police Department furnish Council with a list showing the wrecker companies used during the past year and which companies received the most business.

Councilman Rainey further suggested that the towing away of vehicles in the City be let out to bid to the various wrecker companies. He also suggested that the ordinance be amended to specify the fees which a wrecker company could charge.

Councilwoman Swilling commented that unless these tow away zones are specifically marked this endeavor would create ill-will with the many tourists of Asheville.

Assistant Chief Trulove expressed that the City has needed a clarification of this ordinance for many years. He encouraged the adoption of the ordinance stating that this would help the Police Department greatly in removing these types of vehicles.

Vice-Mayor Horton said the language of the ordinance relative to the towing away of vehicles parked in violation of a city ordinance could possibly be in conflict with the present parking ordinance. He said he was concerned that vehicles could be towed away for such minor offenses as overtime parking. He said the proposed ordinance does not stipulate a time limit for parking violations.

Mr. Emrick, by the use of a map, reviewed the location of the property.

Mrs. Estie Wilson, owner of the property, spoke in favor of the rezoning stating that some small business should build on her property, such as a drive-in bank.

Mayor Ochsenreiter closed the public hearing at 3:15 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Michael moved for the adoption of the ordinance. This motion was seconded by Councilman Morris.

After discussion of the ordinance, Councilman Morris commented that if Council rezones the property and Mrs. Wilson continues to live at the location her taxes would increase as commercial property which would be harmful for her on a fixed income.

On a roll call vote of 6-1, Ordinance No. 926 failed on first reading.

ORDINANCE NO. 925 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District, owned by R. Jack Ingram

3. Consideration was given to the second reading of Ordinance No. 925, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on Brevard Road and Dogwood Road from R-3 Residential District to CH Commercial Highway District, owned by R. Jack Ingram.

Mayor Ochsenreiter stated that the ordinance has been read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Vice-Mayor Horton stated that he had looked at the property in question and he felt the lot appeared to be a very good residential lot. He said the only commercial enterprise worthy of the name was the little grocery store next to the property in question.

Councilwoman Swilling questioned why the adjoining property was zoned for commercial property. Mr. Emrick responded that when the Planning Staff was doing the land use study the area indicated that a business zone was obvious.

Councilwoman Swilling also commented that Mr. Ingram's property was not completely within the one-mile perimeter, that about 60-70% was within the one mile zone.

Councilman Michael commented that Council should not prejudge what's going to happen and say that Mr. Ingram is going to have a nuisance. He said Mr. Ingram might build a beautiful garage that would be an asset to the neighborhood.

On a roll call vote of 3-3, Ordinance No. 925 failed on second reading, failing to receive a three-fourths favorable vote of the entire seven member council which was required since at least 20 per cent of the nearby property owners objected to the proposed rezoning.

The City Manager read a memorandum from the Purchasing Agent which stated that the first and second low bids for item 1 failed to meet bid specifications. The lowest bid, submitted by Graybeal Equipment Company did not meet specifications for the hydraulic bodies; and the next low bid, submitted by Arrowhead International Truck Sales, Inc. did not meet cab and chassis specifications. Therefore, it was recommended that the lowest responsive bid for items 1 and 2, submitted by Matthews Motors, Inc. be accepted. Lowest responsive bid is as follows:

Item 1 - Four (4) rear-end loaders, after three (3) trade-in units - net amount $150,681.96.

Item 2 - One (1) front-end loader, after one (1) trade-in unit- net amount $38,677.92

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the lowest responsive bidder for items 1 and 2, submitted by Matthews Motors, Inc., for the total amount of $189,359.88. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary	Bid	
Bidder	Item 1	Item 2
Matthews Motors, Inc.	$150,681.96	$ 38,677.92
Quality Equipment Co.	153,700.00	45,821.00
Carolina Truck & Body Co.	164,250.00	41,740.00
Arrowhead International Trucks	149,440.32	38,747.77 (Did not meet specs)
Graybeal Equipment Co.	141,527.60	No Bid (Did not meet specs)
Surburban Sanitation Service	152,604.60	48,434.50

FINAL PLAT - SUBDIVISION - AVONDALE ESTATES- OFF BEE TREE ROAD

7. Consideration was given to the approval of the final plat of Avondale Estates, off Bee Tree Road.

Verl Emrick, Planning Director, advised that the final plat of Avondale Estates subdivision belonging to L. S. and M. Builders, Inc., prepared by Ray E. Anders, Registered Land Surveryor, has been reviewed by the Planning and Zoning Commission and they are recommending approval of the City Council in accordance with Ordinance No. 424, Subdivision Regulations for the City of Asheville.

He said since the units in the district are located in a R-2 Residential District, which requires a 35' setback on the building lines, the developer must adjust his building line in accordance with the 35' setback. He said the developer has complied with this requirement. He said if Lots 1 and 3 should exceed 20,000 square feet, the developer will have to submit an Erosion Control Plan.

Mr. Emrick said the normal procedure for a subdivision requires that the Planning and Zoning Commission review the preliminary plat and the developer then, upon approval, has one year to install the improvements for water and sewer and streets. However, these particular lots are located on existing roads with water and sewer services available and the only action pending is Council's approval of the final plat in order for the developer to record same.

Mr. Walker said, by the adoption of the proposed ordinance, many parking violations could be better enforced. He emphasized such violations as parking at bus stops, loading zones, fire hydrants, and driveways.

Mayor Ochsenreiter suggested that the ordinance be tabled for further clarification and until Council could work out the guidelines that are not too controversial and are consistent with good policy.

Councilman Rainey moved to table the ordinance for further clarification. This motion was seconded by Councilman Michael and carried unanimously.

Councilwoman Swilling commented that more emphasis should be placed on the enforcement of such ordinances, including the city license sticker requirement.

Councilman Morris questioned whether or nor an individual, trading automobiles in the middle of the year is required to purchase a new city sticker or were they transferable.

Mayor Ochsenreiter informed Councilman Morris that the matter would be reviewed and an answer obtained.

RESOLUTION NO. 76-161 - RESOLUTION AUTHORIZING THE ALLOCATION OF WATER TO SERVE THE PROPOSED WESTINGHOUSE ELECTRIC COMPANY PLANT IN LIMESTONE TOWNSHIP

5. Consideration was given to a resolution authorizing the allocation of water to serve the proposed Westinghouse Electric Company Plant in Limestone Township.

The City Manager read the resolution.

Bill Edens, City Engineer, explained that this resolution would authorize the allocation of 4,750,000 gallons of water per month, which was requested by the new Westinghouse Electric Company. He said the City has the capacity to meet this need. He said Westinghouse Electric Company is building on the same site where Coca-Cola had planned to build and the City had been prepared to supply 30 million gallons per month. He said the City would be furnishing them a stipulated amount of water per month, at the City's regular rates. He said the County has agreed to pay for extending the water lines to the new plant.

Assistant City Manager William F. Wolcott, Jr., noted that anyone using more than three million gallons per month must come to Council for approval.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 76-161 was unanimously adopted.

Complete text of Resolution No. 76-161 will be found in Resolution Book No. 9 at page 164.

BIDS - FIVE (5) REFUSE TRUCKS FOR SANITATION DIVISION

6. Consideration was given to bids received October 25, 1976 for five (5) refuse trucks for the Sanitation Division.

1) That the developer comply with requirements set forth on October 4, 1976 by the Design Review Board of the Asheville Housing Authority.

2) That the developer comply with provisions of the City of Asheville's Erosion Control Ordinance as they apply to this property.

3) That a fifteen (15') foot easement be obtained from adjoining property owner(s) in order to make connection to the existing manhole and sanitary sewer south of Silver Street.

4) That sanitary and storm sewer be completed underground as shown on the amended site plan submitted to the Commission on November 3, 1976.

Councilman Hoyle moved to schedule a public hearing on the matter for December 2, 1976. This motion was seconded by Councilman Michael and carried unanimously.

REPORT ON COMPLAINTS OF MRS. ELROD AND MRS. WILSON - SHORT MICHIGAN AVENUE - DOGS

Assistant Police Chief Joseph W. Trulove reported on complaints made two weeks ago by Mrs. Lillian Wilson and Mrs. Miriam Elrod on Short Michigan Avenue. He said both complained of the Dog Warden, Leroy Hyatt, allowing his dogs to run loose in violation of the city's leash law. He said the dogs have been tied up and are not running at large now. He said they also complained of cars parking on S. Michigan Avenue. He said 10' no parking signs have been erected in an effort to control the parking problem. He said no complaints have since been received from Mrs. Wilson or Mrs. Elrod.

In response to Councilwoman Swilling, Assistant Chief Trulove said the dog leash law has not been enforced recently due to a previous violation being contested and ruled on in the Superior Court. He said he would suggest that since the ordinance is on the books the City should enforce it and get a case in court. If the City loses the case it can proceed to make whatever changes are needed in the ordinance.

Drew Walker, Legal Advisor for the Asheville Police Department, said the ordinance was enacted in 1965 and several years ago a case went to Superior Court when a local dog owner appealed the citation to the owner who allegedly violated the leash law. He said it was his interpretation that the case was dismissed on the grounds that the ordinance did not spell out that it was unlawful to let a dog run at large.

Councilman Rainey said he thought the ruling has been "no contest", with no opinion as to the constitutionality of the ordinance.

Corporation Counsel Robinson said he understood that the Judge had interpreted the ordinance to mean that the only penalty permitted was the fee for impoundment of the dog. He suggested that Judge Martin be contacted for the specifics on the case.

Councilwoman Swilling moved to approve the final plat of the Avondale Estates, off Bee Tree Road. This motion was seconded by Vice-Mayor Horton and carried unanimously.

FINAL PLAT - SUBDIVISION - OFF AVONDALE ROAD

8. Consideration was given to the approval of a final plat of a proposed subdivision off Avondale Road.

Verl Emrick, Planning Director, advised that the final plat of the subdivision belonging to Earl K. and Mable Cowan prepared by C. W. Smith, Registered Land Surveyor, has been reviewed by the Planning and Zoning Commission and they are recommending approval of the Ciy Council in accordance with Ordinance No. 424, Subdivision Regulations for the City of Asheville.

He said these lots were also located in a R-2 Residential District, which requires a 35' setback on the building lines, and the developer must adjust his building line in accordance with the 35' setback. He said the developer has complied with this requirement. He said these lots are also located on existing roads with water and sewer services available.

Councilman Morris moved to approve the final plat of the subdivision off Avondale Road. This motion was seconded by Councilman Hoyle and carried unanimously.

REZONING REQUEST - MRS. LOUISE RAY - WARD 12, SHEET 3, LOTS 97, 98, AND 99 - NORTH LOUISIANA AVENUE

9. Consideration was given to a motion setting a public hearing relative to rezoning property located on North Louisiana Avenue (Ward 12, Sheet 3, Lots 97, 98, and 99) from R-5 Residential District to CH Commercial Highway District, property owned by Mrs. Louise Ray.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission voted to deny the petition. However, Mrs. Ray's attorney, Jerry W. Miller, has submitted a letter requesting that this matter be set for public hearing before the Asheville City Council. He said four letters in opposition from nearby property owners have been received and as a result, the twenty percent (20%) protest rule applies which requires a favorable vote of three-fourths of all members of City Council to approve the zoning change.

Councilwoman Swilling moved to schedule a public hearing on the matter for December 16, 1976. This motion was seconded by Councilman Rainey and carried unanimously.

GROUP DEVELOPMENT - ELECTRIC SUPPLY COMPANY ADDITION - PUBLIC HEARING SET

10. Consideration was given to a motion setting a public hearing relative to the site plan of a proposed addition to Electric Supply Company on Asheland Avenue.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission recommended approval of the site plan subject to the following:

Councilman Michael said he would like to suspend the continuation of the flea market until he is shown that a private entrepreneur will be given an equal chance with the Jaycees.

Jim Evans, Civic Center Manager, said the flea market last week-end cost the City approximately $400.00, after figuring the expenses vs. revenues taken in. Among these costs were the advertising costs, concession supplies, labor, and licenses. He said some of these expenses are one-time expenditures for the promotion of such events and will not be incurred in the future by the City.

Mr. Evans said the Asheville Jaycees will pay the same $250.00 per day rental fee, required by anyone else who rents the exhibition level of the Civic Center. He said they would also pay for any labor used from the employees of the Civic Center. He said in addition they would pay the City 50% of any profits over $500.00. He said they are required to purchase license and insurance.

In response to Councilman Michael, Mr. Evans said he had a conversation with Joe Pless, Dreamland Drive-In flea market operator, regarding the leasing of the space for the flea market. However, Mr. Pless indicated an interest but not under the present circumstances.

Mr. Evans said the contract with the Jaycees is for a two week period and the City is not committed beyond that time. He said in the future a set of specifications should be written as to what the City would require in the operation of a flea market. and those interested in promoting the flea market could make an offer as to what they would be willing to pay the City to operate it and the City should take the best offer from the most responsible party.

In response to questions by members of Council, Mr. Evans said that anyone wanting to rent the exhibition level would be permitted to preempt the flea market with at least 30 days notice.

Bob Long, attorney for Dreamland Drive-In flea market operator, Joe Pless, appeared before Council to protest on behalf of his client but made a suggestion that Council lay down some fair and reasonable guidelines for the flea market operation by a private individual before letting it out to bids. He said he has a copy of the contract offered to the Jaycees, adding that it is not the same deal Pless was offered.

Mr. Long said Mr. Pless would have had to pay $250.00 per day for rent, plus almost $1,500 for the booths at $1.50 per foot, plus an additional fee for rental of dollies, adding up to more than $2,000. He complained that his clinet was not offered the same proposal as the Jaycees.

Mr. Evans commented that no offer was made, either by himself or by Mr. Pless.

Mayor Ochsenreiter revealed the details of a meeting held with Jim Evans and Councilman Rainey, who are ex-officio members of the Civic Center Advisory Committee, in which proposals were discussed to continue the operation of the Civic Center flea market. He said during the meeting the Asheville Jaycees were contacted about operating the flea market on a temporary basis.

After discussion, Mayor Ochsenreiter proposed that a committee be set up to study the problem and to try to draw up an effective ordinance. He named Councilwoman Swilling to head the Committee.

PROCLAMATION - VETERANS DAY - NOVEMBER 11, 1976

Mayor Ochsenreiter proclaimed November 11, 1976 as Veterans Day.

E. R. McCARTHY - ROCKS IN BEAUCATCHER MOUNTAIN

Mr. McCarthy said the Beaucatcher Mountain Project should have a large amount of granite rock and he suggested stablizing the French Broad River with the rock. He further suggested that the Planning Department investigate the economic feasibility of using the rocks in the French Broad River in an effort to control the flood plains.

STATEMENT - CIVIC CENTER FLEA MARKET

Mayor Ochsenreiter read the following statement relative to the Civic Center Flea Market:

"The Asheville City Council is pleased with the success of the flea market last week-end and we wish to thank and commend Jim Evans and the Advisory Committee for their work in this regard. The Council has decided to continue the flea market.

Upon the advice of the City Attorney and because we believe it best, the ultimate operation of the flea market should be in the hands of an entrepreneur.

While negotiating for a contract by a private entrepreneur, we are happy to announce that the Asheville Jaycees will operate the flea market for the next two week-ends. We hope that the people will support the Jaycees in their efforts to raise funds for a worthwhile project by these means.

The reason for the Council's action has been indicated by the formation of the Advisory Committee which had as its objectives the goal of increasing the revenues of the Civic Center. This would, of course, ultimately result in a less costly operation and give strength to the Council's general purpose of running all departments as efficient as possible."

Councilman Michael expressed concern that the Civic Center Flea Market was not discussed with him prior to the Council meeting. He said he would like to suspend judgement on its continuation until he is furnished with a cost breakdown of the cost to the local taxpayers and to determine whether or not projected revenues will be anticipated. He said he felt this matter should have been discussed in open meetings before, but for some reason it was not put on the agenda.

He said the $30,000 appropriated for promotion of the Civic Center was intended for bringing in entertainment and not to promote things, such as flea markets, which would be in conflict with the local businessman.

He further stated that he would like to see the Civic Center Advisory Committee expanded to include downtown businessmen, promoters, advertisers, and entertainers.

Thursday - November 18, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilman Ralph D. Morris, Jr., Otis B. Michael, Gene E. Rainey, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William P. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

APPROVAL OF MINUTES

1. Approval of the minutes of the November 11, 1976 meeting.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton the minutes of the November 11, 1976 meeting were approved as submitted.

RESOLUTION NO. 76-162 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AGREEMENT FOR DEPOSIT OF FUNDS AND THE ISSUANCE OF A CERTIFICATE OF COMPLETION CONCERNING THE LANDMARK HOTEL PROPERTY

2. Consideration was given to a resolution authorizing the Mayor to execute agreement for deposit of funds and the issuance of a certificate of completion concerning the Landmark Hotel Property.

The City Manager read the resolution.

It was noted that the Landmark Hotel Property was sold to the Asheville Development Associates by the Housing Authority of the City of Asheville for private development. The contract provided for the issuance of a Certificate of Completion from the Housing Authority. Over the past few years the property has exchanged owners and the present owner is known as Landmark-Asheville, Inc.

Mr. Larry McDevitt, attorney representing Landmark-Asheville, Inc. explained that the approval of this resolution would tie up the loose ends in order for the property to be sold or operated. He said the resolution authorized the execution of an agreement whereby Chemical Realty Company would deposit into a joint account with the Housing Authority for the City of Asheville a sum of $68,303.84 to be used in the fulfillment of provisions relating to expenditures for landscaping and aesthetics to the property. He said it would also approve of the Housing Authority issuing a certificate of completion for the property as well as approving the transfers of title to said property.

David Jones, Executive Director of the Housing Authority of the City of Asheville, reported that all specifics had been worked out amoung the attorneys. He said inspections were made of the property by the Housing Authority inspectors as well as the City's inspectors. He said all work was found to be satisfactory.

In response to Councilman Michael relative to allegations of shoddy workmanship, Mr. Jones said the allegations were "just a legal maneuver on the part of the owners to cover their interests when the statute of limitations were running out." He said the inspectors did not report any of the allegations relative to shoddy workmanship.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 76-162 was unanimously adopted.

Complete text of Resolution No. 76-162 will be found in Resolution Book No. 9 at page 165.

Mayor Ochsenreiter said, in the future, other civic organizations might want to promote the flea market.

John Eudy, a private citizen, commented that he would like to see any civic organization operate the flea market. He said any civic organization that puts money back into the City are contributing to the City.

Mike Moser, President of the Asheville Jaycees said their main objectives were to make money, bring people into Asheville, and to help reduce the deficit of the Civic Center. He said the Jaycees have attained all the licenses and insurance necessary for the operation of the flea market.

RICHMOND HILLS PROJECT - REQUEST OF VICE-MAYOR HORTON

Vice-Mayor Horton requested the City Manager to give a brief report on the status of the Department of Transportation making improvements to the access road to Richmond Hills.

The City Manager advised that a report would be given at next week's Council meeting.

MRS. REID - TOWN AND COUNTRY MOBILE HOME PARK - COMPLAINTS OF PLUMBING INSPECTORS

Mrs. Reid, owner of Town and Country Mobile Home Park, appeared before Council to complain of the strict requirements of the plumbing inspectors on trailer parks in the one-mile perimeter. She said since the enactment of the one-mile perimeter zoning she has had to spend a considerable amount of money on plumbing requirements before a trailer could be occupied.

Mayor Ochsenreiter informed Mrs. Reid that Mr. J. E. Johnson, Chief Inspector, and Mr. K. M. Michalove, Assistant City Manager for Planning and Development would meet with her after the meeting to discuss her particular problem.

Adjournment.

MAYOR

CITY CLERK

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE BUNCOMBE COUNTY BOARD OF EDUCATION PERMITTING THE CITY OF ASHEVILLE TO LEASE THE SHILOH SCHOOL FOR A COMMUNITY AND RECREATION CENTER

4. Ken Michalove, Assistant City Manager, said he had been advised that the Buncombe County Board of Education's attorney has not completed the details of the lease agreement and this resolution would be presented to Council on December 2, 1976. He said the attorney would be presenting the agreement to the Board of Education and Council should receive the completed lease agreement by the December 2, 1976 meeting.

RESOLUTION NO. 76-164 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE COUNTY OF BUNCOMBE TO PERMIT THE COUNTY TO LEASE A CERTAIN PORTION OF THE LIVINGSTON STREET NEIGHBORHOOD FACILITY FOR THE OPERATION OF A DAY CARE CENTER

5. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the County of Buncombe to permit the County to lease a certain portion of the Livingston Street Neighborhood Facility for the operation of a Day Care Center.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said the City of Asheville purchased the Livingston Street School for a Neighborhood Facility and for the past five years the County of Buncombe has been using the annex portion for the operation of a day care center. He said this resolution would formalize the arrangement and the County will reimburse the City for utilities and maintenance.

He said under the terms of the agreement, the only cost to the County is for utilities and maintenance services as well as minor repairs costing less than $100.00. He said the Day Care Center is operated with federal funds with limited amounts to spend on repairs to the building.

After discussion, Councilwoman Swilling moved for the adoption of Resolution No. 76-164. This motion was seconded by Councilman Rainey and carried unanimously.

Complete text of Resolution No. 76-164 will be found in Resolution Book No. 9 at page 168.

ORDINANCE NO. 927 - ORDINANCE REQUESTING AND AUTHORIZING CHANGE ORDERS FOR COMMUNITY DEVELOPMENT PUBLIC WORKS PROJECTS AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

6. Consideration was given to an ordinance requesting and authorizing change orders for Community Development Public Works Projects and amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

The City Manager read the ordinance.

Bill Edens, City Engineer, explained that this ordinance would increase funds for three current public works projects funded by community development block grants. He said this would provide an additional $120,000 for the Shiloh streets and sidewalk projects, an additional $26,000 for the Oakley Public Works Project and an additional $41,000 for the Shiloh Street drainage project. He said the proposed ordinance would decrease the appropriation for the Caribou Road sewer line project by $96,000 and the Sweeten Creek Road sewer line by $50,000. He said these projects have budgetary surpluses.

PUBLIC HEARING - CLOSING OF PORTION OF CHARLOTTE STREET EXTENSION

RESOLUTION NO. 76-163 - RESOLUTION TO CLOSE THAT PORTION OF CHARLOTTE STREET EXTENSION FROM THE NORTHERN MARGIN OF WOODLINK ROAD TO THE SOUTHERN MARGIN OF CLUBVIEW ROAD

3. A public hearing was held relative to the closing of that portion of Charlotte Street Extension from the northern margin of Woodlink Road to the southern margin of Clubview Road.

Mayor Ochsenreiter opened the public hearing at 3:18 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing, in the form of Resolution No. 76-155, and the affidavit of publication.

He also read an affidavit signed by William E. Greene, stating that a copy of the resolution of intent to close a portion of Charlotte Street Extension was prominently posted by him on Saturday, October 23, 1976 at the following two places on Charlotte Street Extension; where the North margin of Woodlink Road intersects Charlotte Street Extension and where the Southern margin of Clubview Road intersects Charlotte Street Extension. The affidavit also stated that a copy of the resolution was sent by certified mail to all owners of property adjoining that portion of Charlotte Street Extension referred to in the Resolution, such owners being only Country Club of Asheville, Inc. and Andrew Gennett.

The City Manager also stated that he had received a Deed of Easement from the Country Club of Asheville to the City of Asheville wherein the Country Club of Asheville acknowledges the rights-of-way and easements that the City has for the repairs and maintenance of various water and sewer lines as the same crosses said property.

William Greene, attorney for the Country Club of Asheville, Inc., stated that the portion of Charlotte Street Extension proposed to be closed is not under the authority and control of North Carolina Board of Transportation, is located within the City Limits of the City of Asheville, but was never accepted as a public street by either Buncombe County or the City of Asheville or any other governmental unit and has never been either opened, used or maintained as a public street by either the City of Asheville, or Buncombe County or any other governmental unit and has never been under the authority and control of either the City of Asheville or Buncombe County or any other governmental unit.

Mr. Green said the official closing of the unopened road is necessary in order to nullify the proposed dedication of the road which appeared in a plat filed before the turn of the century.

Mayor Ochsenreiter closed the public hearing at 3:28 o'clock p. m.

The City Manager read the resolution closing a portion of Charlotte Street Extension.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 76-163 was unanimously adopted.

Complete text of Resolution No. 76-163 will be found in Resolution Book No. 9 at page 166.

188

Mr. Ward:

I was contacted by a representative of the North Carolina Department of Transportation on or about October 22, 1976 in regards to our request for them to study the possible solutions to the problems along Pearson Bridge Road.

I was informed by the representative that members of the N.C. DOT staff would be in Asheville on October 26, 1976 and if time permitted would look at the situation in the field.

I was also informed by John Caldwell of the Planning and Research Branch of N.C. DOT that DOT staff had looked at the situation and were in the process of preparing the study that we requested.

John Mills of the DOT Division 13 Office stated at the Technical Coordinating Committee meeting held on September 15, 1976 that Pearson Bridge Road was scheduled to be resurfaced in the current fiscal year.

Larry P. Ward

Larry P. Ward

MEMORANDUM

TO: Ernest Ward, City Manager

FROM: Larry P. Ward, Transportation Planner

SUBJECT: Pearson Bridge and Richmond Hill Road Study

DATE: November 18, 1976

I contacted Mr. Grady Dawson of the North Carolina Department of Transportation's Planning and Research Branch today. He reported that the Planning and Research Department has studied the subject area and had prepared a draft report for review by DOT officials. He stated that a copy of the report would be mailed to me within the next few days.

As soon as the report is received, I will see that you get a copy.

Larry P. Ward

Mr. Edens said the increases were necessary because the City had had little experience in drawing up plans and specifications for such projects and they had not asked for enough money to do the job properly. He said he had changed the plans when it became apparent that the original specifications would not produce an acceptable plan. He commented that it is not unusual for engineers to make decisions in the field, with the paper work carried out after the fact.

Mr. Edens said if Council did not wish to approve the proposed ordinance the contractor on the project could be paid for what they have done with the budgeted funds, and the remainder of the work would have to be left unfinished or handled in a different manner.

Several members of Council were concerned over the large increases necessary to complete the projects.

After discussion, Councilwoman Swilling moved to table the ordinance until further information could be obtained, but withdrew her motion when Councilman Morris said since the ordinance takes three weeks to give it the required three readings, further information could be obtained before the third reading.

Councilman Rainey said he would like to know the difference between the original plans and specifications and the judgement Mr. Edens made in changing the plans. He said he would also like to know the name of the individual who drew up the original plan.

Mayor Ochsenreiter requested that Mr. Edens furnish members of Council the desired information before Tuesday, November 23, 1976.

Vice-Mayor Horton moved for the adoption of Ordinance No. 927. This motion was seconded by Councilman Morris.

On a roll call vote of 4-1, Ordinance No. 927 passed on first reading with Councilwoman Swilling voting "no".

REPORT FROM CITY MANAGER - PEARSON BRIDGE ROAD IMPROVEMENTS - PEARSON BRIDGE AND RICHMOND HILL ROAD STUDY

The City Manager read the following memorandums from Larry Ward, Transportation Planner, relative to the Pearson Bridge Road Improvements and the Pearson Bridge and Richmond Hill Road Study. He said the reports were prepared at the request of Vice-Mayor Horton during the November 11, 1976 Council meeting.

MEMORANDUM:

TO: Ernest Ward, City Manager

FROM: Larry P. Ward

SUBJECT: Pearson Bridge Road Improvements

DATE: November 12, 1976

SENIOR CITIZENS BILL OF RIGHTS

Mayor Ochsenreiter read the Senior Citizens Bill of Rights at the request of Mrs. Roy Rogers.

Senior Citizens Bill of Rights

As a Senior Citizen, I believe that I have certain rights regardless of my race, sex or creed.

The right for me to have . . .

1. The understanding and respect of my community.
2. An environment in which I can be understood and accepted.
3. An opportunity to attend and participate in religious activities.
4. A community program which offers the opportunity, through recreation, for development of my potential.
5. The due respect of all citizens of the community, regardless of age.
6. An acknowledgment of my individuality as a Senior Citizen.
7. Health services to prevent and treat disease and to permit my mental, physical, and social development.
8. Recognition for my ability, training and experience.
9. A safe neighborhood in which to live.
10. Life in a community in which the well being and security of Senior Citizens is considered important.

VICE-MAYOR HORTON - STREET CLOSINGS AND REZONINGS AFFECTING PROPERTY TAXES

Vice-Mayor Horton requested that the City Clerk check with the Board of Tax Supervision to determine whether the City is receiving the full benefit of the new property values that are established when the City closes streets and alleyways or when the City rezones property which would increase the property values. He requested that the Board of Tax Supervision give the City a report as to what measures they have been taking.

REPORT - BATTERY PARK HOTEL

Mr. J. E. Johnson, Chief Building Inspector, reported that a meeting has been scheduled for Friday, November 19, 1976 at 10 o'clock a. m. to meet with Don Blackwell, owner of the Battery Park Hotel, to go over the requirements stipulated in a letter from the Mayor to Mr. Blackwell as it pertains to the overall condition of the Battery Park Hotel. He said a permit would be issued for the improvements to be made.

EQUAL EMPLOYMENT OPPORTUNITY CORPORATION MEETING - COUNCILMAN OTIS MICHAEL

Mayor Ochsenreiter thanked Councilman Michael for representing the City of Asheville at the Equal Employment Opportunity Corporation meeting at Hilton Head, South Carolina.

PROCLAMATION - BIBLE WEEK - NOVEMBER 21 - 28

Mayor Ochsenreiter proclaimed the week of November 21 - 28 as Bible Week.

PROCLAMATION - NATIONAL YOUTH PROJECT USING MINI-BIKE DAY - NOVEMBER 20

Mayor Ochsenreiter proclaimed November 20, 1976 as "National Youth Project Using Mini-Bike Day" in the City of Asheville.

STATEMENT - COUNCILMAN MICHAEL - BEECH STREET CLOSING

Councilman Michael announced that the Council members met with the Housing Authority of the City of Asheville on Tuesday, November 16, 1976 to discuss the displacement of two houses on Beech Street after the closing of same. He said an agreement was worked out whereby the two families on Beech Street would not be displaced until suitable acceptable housing is obtained and also Beech Street would not be closed until they have been moved. He said the families will be shown housing until they find an acceptable house. He commended the Housing Authority and Council members for their help in obtaining this moral obligation.

ANNOUNCEMENT OF PUBLIC HEARING ON THE PROPOSED IMPROVEMENTS OF VALLEY STREET

Mayor Ochsenreiter announced that the North Carolina Department of Transportation Division of Highways will hold a public hearing on November 23, 1976 at 7:30 p. m. in the Fifth Floor Courtroom of the Buncombe County Courthouse in Asheville, North Carolina relative to the proposed improvements of Valley Street from Biltmore Avenue to Popular Street in Asheville.

Thursday - December 2, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the November 18, 1976 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the November 18, 1976 meeting were approved as submitted.

JOHN HAROLD GARLAND - COMMENDED ON RECEIVING AWARD FOR OUTSTANDING CONTRIBUTIONS TO ELECTRICAL SAFETY

Mayor Ochsenreiter commended Mr. John Harold Garland, Chief Electrical Inspector, for receiving an award from the Ellis Cannday Chapter of the International Association of Electrical Inspectors for Outstanding Contributions to Electrical Safety.

Mayor Ochsenreiter read the following letter:

November 26, 1976

Mr. Harold Garland
Chief Electrical Inspector
City of Asheville
Post Office Box 7148
Asheville, NC 28801

Dear Harold:

Just a note to congratulate you on receiving the Ellis Cannady Chapter of IAEI outstanding City Electrical Inspector award at the Annual Meeting last Saturday. Your major contributions to electrical safety have been observed by many people in our State and the honor is richly deserved.

We, in this Department, who have had the pleasure of working with you have always been impressed with your sincerity and dedication. It is my opinion that the people of Asheville are very fortunate in having a Chief Electrical Inspector with your qualities to direct their electrical inspection program.

Again our congratulations, and best wishes to both you and your wife.

Sincerely,

Richard [illegible] Boyd, Jr., P. E.
State El[illegible]trical Inspector & Engineer

RESPONSE TO MR. DON FOX - RE: CIVIC CENTER ROOF

Mayor Ochsenreiter announced that a response was made to Mr. Don Fox's questions relative to the roof on the Asheville Civic Center. He said this response was also made available to the news media.

MRS. LILLIAN JOHNSON - COMPLAINT RE: CIVIC CENTER INSURANCE

Mrs. Lillian Johnson, representing the Improved Benevolent Protective Order of Elks, asked that something be done about the requirement that anyone renting the Civic Center be covered by insurance. She said her organization is holding a dance next Saturday night at the Civic Center's Exhibition Hall and the required insurance will cost $150 to $200, in addition to the $250 for rental of the exhibition level, the $47.50 for stage hands, the $40.00 for the two off-duty policemen and the cost of hiring a band. She said she simply felt this was too much. She added that she knew of other organizations which haven't had to provide this insurance.

Councilman Rainey suggested that there might be some way for an organization renting the facility to assume the liability itself and eliminate the need for insurance.

Mayor Ochsenreiter asked the City Manager to meet with the Civic Center Manager to try to work out a solution to the insurance problem.

Mayor Ochsenreiter told Mrs. Johnson that the Staff would meet with her after the meeting to try to solve her problem.

COUNCILWOMAN SWILLING - DOG CONTROL PROBLEM

Councilwoman Swilling advised that she had been working on the dog control problem along with the Corporate Counsel and it was her hope to bring a report back to Council in the very near future.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

William F. Valentine
CITY CLERK

PUBLIC HEARING - CLOSING OF PORTIONS OF BARTLETT STREET, CHOCTAW STREET, AND SOUTHSIDE AVENUE, SMITH STREET, OWENS ALLEY, POWELL ALLEY AND FOUR (4) UN-NAMED ALLEYS

RESOLUTION NO. 76-166 - RESOLUTION TO CLOSE PORTIONS OF BARTLETT STREET, CHOCTAW STREET, AND SOUTHSIDE AVENUE, SMITH STREET, OWENS ALLEY, POWELL ALLEY, AND FOUR (4) UN-NAMED ALLEYS

3. A public hearing was held relative to the closing of portions of Bartlett Street, Choctaw Street, and Southside Avenue, Smith Street, Owens Alley, Powell Alley and four (4) un-named alleys.

Mayor Ochsenreiter opened the public hearing at 4:10 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing, advertised notice taking the form of Resolution No. 76-157. He also read an affidavit from Charles E. Vess, Jr., stating that the streets were prominently posted with copies of the Resolution of intent to close said streets in two (2) places along portions of said streets proposed to be closed.

Larry Holt, Deputy Director of the Housing Authority of the City of Asheville said in accordance with the request of several members of Council certified letters were sent to all adjacent property owners and tenants that would be affected by these closings. He said a letter was sent explaining the package, a copy of the resolution of intent to close these streets, and letters for signatures by the people to join the Housing Authority in the petition to close the streets, if they so chose. He said eight letters from property owners have been received joining in said petition, those being from Dr. Earl Sunderhaus, M. D., Trustees of Friendship Lodge, Mrs. Dora B. Bass, Mrs. Annie B. Leverett, Trustees of St. John Church of God, Mr. and Mrs. Howard Beidler, Mr. and Mrs. Furman Miller, and S. Thomas Walton, Executor of the Estate of Mrs. Genevieve Francis.

Rev. Wesley Grant opposed the closing of Choctaw Street from Biltmore Avenue to Southside Avenue, due to the many businesses that will be affected by the closing.

Larry Holt answered general questions from members of Council and the public relative to the overall layout of the proposed streets.

Mayor Ochsenreiter closed the public hearing at 4:40 o'clock p. m.

The City Manager read the resolution closing the streets requested to be closed.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 76-166 was unanimously adopted.

Complete text of Resolution No. 76-166 will be found in Resolution Book No. 9 at page 170.

GROUP DEVELOPMENT - ADDITION TO ELECTRIC SUPPLY COMPANY - ASHELAND AVENUE

4. A public hearing was held relative to the site plan of a proposed addition to the Electric Supply Company located at 157 Asheland Avenue.

Mayor Ochsenreiter opened the public hearing at 4:42 o'clock p. m.

PUBLIC HEARING - CLOSING OF BEECH STREET

RESOLUTION NO. 76-165 - RESOLUTION TO CLOSE BEECH STREET

2. A public hearing was held relative to the closing of Beech Street.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing, advertised notice taking the form of Resolution No. 76-158. He also read an affidavit from Charles E. Vess, Jr., stating that the streets were prominently posted with copies of the Resolution of Intent to close Beech Street in two (2) places along that portion of said street proposed to be closed.

Rev. Wesley Grant opposed the closing of Beech Street because it would be necessary to relocate two elderly families, the Andersons and Youngs, living on the street. He said the families do not want to move from this location.

Mrs. Roy Rogers also spoke in opposition to the closing of Beech Street for the same reasons.

David Jones, Executive Director of the Housing Authority, said the closing of Beech Street was part of the overall redevelopment plan. He assured Council that no one would be deprived of reasonable means of ingress and egress to their property.

Mr. Jones said all the property on Beech Street technically and legally belongs to the Housing Authority of the City of Asheville. He said they would work with the two families in an effort to relocate them. However, the families would be given access to their homes as long as they are living there.

Responding to questions from members of Council, Mr. Jones said it would be beyond his authority to say the two families could stay there until they die. He said he did not have the authority to say they could live there indefinitely. He said that this was a legal decision which would have to be made by the Department of Housing and Urban Development.

Mayor Ochsenreiter closed the public hearing at 3:55 o'clock p. m.

The City Manager read the resolution closing Beech Street.

Councilman Michael moved to amend the resolution by adding that as long as the Andersons and Youngs, residing on the property known as Lot 46, Parcels 14 and 15, being 36 and 40 Beech Street, they will not be deprived of a means of ingress and egress to the property and they will not be coerced or intimidated in any way to move. Further, that if they do decide to move, they are to come before City Council and state that they are making the move of their own free will.

This motion was seconded by Councilman Rainey and the amendment carried unanimously.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-165, as amended, was unanimously adopted.

Complete text of Resolution No. 76-165 will be found in Resolution Book No. 9 at page 169.

Councilman Michael suggested that bids of this nature be for total project rather than for unit prices.

Councilman Rainey read a portion of the following letter from Gary R. McGill relative to the Shiloh-Oakley Public Works Project plans:

December 2, 1976

Eugene C. Ochsenreiter, Mayor
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mr. Ochsenreiter:

On Wednesday, December 1, 1976, the Asheville Citizen and the Asheville Times published similar articles summarizing a meeting which was held in your office to discuss the various problems arising out of the street and drainage improvements presently under construction in the Shiloh and Oakley areas. According to this account of the meeting, William E. Edens, City Engineer explained the situation to those present via a five-page memorandum addressed to yourself. Upon reviewing the newspaper articles and the above referenced memorandum, I find that several implications are made directly and indirectly regarding my involvement in this project. Quite a few of these implications are misleading and false statements which do not reflect the true sequence of events prior to my resignation with the city in Mid-April, 1976. Any comment on my part regarding events taking place after my resignation would be based solely on heresay and speculation and not fact, therefore I could not do so.

An accurate and brief synopsis of the events relating to this project prior to my resignation is as follows:

The scope and extent of the street and drainage improvements to be constructed in the Shiloh and Oakley areas were formulated primarily by myself, Webb Bostic, Ken Michalove and Logan Delaney. Several public meetings were held to obtain suggestions and ideas from the citizens of the area and this formed the basis of the work to be done with available Community Development Block Grant Funds. The cost estimates, which were prepared and subsequently formed the basis of the budget, were sufficient to complete all of the work intended in each area subject to sufficient drawings and specifications as well as adequate contract management during construction. I am willing to review my cost estimates in detail with you at any time.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission had recommended to the Council that the site plan be approved subject to the following conditions:

1. That the developer comply with requirements set forth on October 4, 1976 by the Design Review Board of the Asheville Housing Authority.

2. That the developer comply with provisions of the City of Asheville's Erosion Control Ordinance as they apply to this property.

3. That a fifteen (15') foot easement be obtained from adjoining property owner(s) in order to make connection to the existing manhole and sanitary sewer south of Silver Street.

4. That sanitary and storm sewer be completed underground as shown on the amended site plan submitted to the Commission on November 3, 1976.

Mr. Emrick said these conditions have either been completed or were in the process of being completed.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:50 o'clock p. m.

Councilman Morris moved to approve the site plan of the proposed addition to the Electric Supply Company located at 157 Asheland Avenue. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 927 - ORDINANCE REQUESTING AND AUTHORIZING CHANGE ORDERS FOR COMMUNITY DEVELOPMENT PUBLIC WORKS PROJECTS AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

5. Consideration was given to the second reading of Ordinance No. 927, an ordinance requesting and authorizing change orders for Community Development Public Works Projects and amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

Mayor Ochsenreiter stated that the ordinance was previously passed on first reading and members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager said an amendment should be made to the ordinance reducing the amount of Contingency required from $41,000 to $31,000, this would make code number 18-618 Shiloh Street and Drainage, Amount Budgeted $41,265, Budget Increase $31,000 and new appropriation $72,265. Code 18-678 Contingency Amount Budgeted $204,326, Budget decrease $31,000 and new appropriation $173,326.

This amendment was noted.

Councilman Rainey then moved to amend the ordinance by adding the following to page two:

"Be it further ordained that the Mayor request the Department of Housing and Urban Development to investigate the cost overrun incurred in the Shiloh Public Works Project and if HUD can not undertake such an investigation that a professional road engineer currently employed by a North Carolina municipality be procured to undertake the investigation. The purpose of this investigation would be to ascertain who is responsible for the alleged errors in the specifications of the project."

This motion was seconded by Councilwoman Swilling.

Councilman Morris said he felt this amendment would be by-passing the City Manager as well as creating dissention in the morale among city employees. He said he felt this was an administrative action that should be carried out by the City Manager.

Councilman Michael agreed with Councilman Morris and suggested that Council turn the investigation over to the City Manager.

Councilman Rainey, in response to the suggestions by Councilmen Morris and Michael, changed the wording of his amendment, replacing the word "Mayor" in his opening sentence with the words "City Manager". Councilwoman Swilling accepted this change.

Councilman Morris and Michael objected to the amendment stating that the City Manager should have the prerogative of either conducting the investigation himself or calling in outside help if he feels it is needed.

Councilman Rainey objected to having the staff investigate the staff, adding that his objection was not because there was any question about the City Manager and his objectivity, but because he is not a professional engineer.

Councilman Rainey withdrew his amendment to the ordinance and made it into the form of a motion reading the same, except dropping the words "Be it further ordained". Councilwoman Swilling seconded this motion.

Councilman Rainey then requested a roll call vote on the motion.

On a roll call vote of 4-2, the motion was defeated with Vice-Mayor Horton, Councilmen Hoyle, Michael and Morris voting "no".

Mayor Ochsenreiter then called for a roll call vote on the second reading of Ordinance No. 927.

On a roll call vote of 4-2, Ordinance No. 927 passed on second reading with Councilman Rainey and Councilwoman Swilling voting "no".

Councilwoman Swilling then requested that the City Manager prepare a detailed monthly report on what funds are paid out in the Oakley-Shiloh Public Works Projects to the contractors, not just by the Street Department, but by any department working in that area. She requested that the reports begin with the month of November.

Due to my position being under the direct supervision of the then Director of Water and Sewer Services, projects of that department were given priority causing a delayed start on the preparation of contract documents for the subject project. The preparation of drawings were begun in January and February, 1976. At the time of my resignation in April, 1976 none of these drawings were complete. The plan-profile sheets were almost complete with the typical sections and details in a less advanced stage. If these drawings had been completed prior to my resignation, they would bear my seal as a Registered Professional Engineer establishing the responsibility for their content. Several preliminary copies of these sheets were marked in red by myself for final completion but apparently this was not accomplished either before or after my resignation. Final review of the contract documents prior to advertising for bids should allow mistakes to be recognized and corrected prior to release. Since the contract documents were not complete at the time of my resignation this function was not performed by myself.

I realize that the content of the newspaper articles is irretractable however I strongly resent the obvious reflection upon my professional abilities as well as my involvement in the project with misleading and false statements.

It is not my intent to prolong this matter or to fault any party(s) but simply to provide you with a clear understanding of events occurring prior to my resignation.

If you desire further discussion of this matter, please do not hesitate to call me.

Sincerely,

Gary R. McGill

Gary R. McGill, P.E.

COUNCIL MEETING - DECEMBER 9, 1976 - WILLIAM RANDOLPH ELEMENTARY SCHOOL

Mayor Ochsenreiter announced that the regular meeting of the Asheville City Council of December 9, 1976 will be held in the auditorium of the William Randolph Elementary School at 7:00 o'clock p. m.

ASHEVILLE CITY HALL - NATIONAL REGISTER OF HISTORIC PLACES

The City Manager read the following news release from Congressman Roy A. Taylor relative to the Asheville City Hall being entered into the National Register of Historic Places.

NEWS from

[illegible] House Office Bldg., Washington D C
Telephone: Area 202 225 6401 Zip 20515

1201 Northwestern Bank Building, Asheville N C
Telephone: Area 704 254 6526 Zip 28801

CONGRESSMAN ROY A. TAYLOR

11th Congressional District, North Carolina

November 16, 1976 For Immediate Release

WASHINGTON -- Congressman Roy A. Taylor announced Tuesday that the Asheville City Hall has been entered in the National Register of Historic Places by the National Park Service. The register is a national list of distinctive properties worthy of preservation because of their historical or other cultural value.

The Asheville City Hall, designed by Douglas D. Ellington and built during the years 1926-1928, is one of the vital reminders of Asheville's rapid development in the early twentieth century -- a pre-Depression boom era which produced buildings of extremely fine quality and considerable historic importance to the city. While relatively little remains of Asheville's nineteenth century history, its importance as an early twentieth century boom town is well represented in this and other major buildings.

Asheville's history and mountain location influenced the design of the building. Ellington wrote that it was specially designed so that "the contours of the building should reflect the (mountainous) background". The Indian history of the western city was acknowledged in the "prevailing ornament, which may be described as a feather motif, . . . devised as lightly reminiscent of the Indian epoch". The massive building, with rich combinations of color, is a major landmark in the city.

Ellington, a native of Clayton, North Carolina, trained in America and the Ecole des Beaux Arts in Paris and excelled as a student and served as a teacher before coming to Asheville in the 1920s. He worked in the 1920s in a style then popular across the country, particularly in New York City and other major metropolitan areas. The Art Deco style, very "modern" and expressive of the pre-Depression era, employs angular and curved abstracted elements based on such motifs as feathers, fountains, leaves, flowers, and birds. These forms are expressed in a rich and colorful variety of materials such as brick, tile, metal, and glass.

RESOLUTION NO. 76-167 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE BUNCOMBE COUNTY BOARD OF EDUCATION PERMITTING THE CITY OF ASHEVILLE TO LEASE THE SHILOH SHCOOL FOR A COMMUNITY AND RECREATION CENTER

6. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the Buncombe County Board of Education permitting the City of Asheville to lease the Shiloh School for a Community and Recreation Center.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, highlighted the details of the lease and explained that the lease had been approved by the Buncombe County Board of Education.

Mr. Michalove said the Opportunity Corporation has leased the Shiloh School from the Buncombe County Board of Education for several years for use as a Neighborhood Community Center and under the terms of the resolution the Opportunity Corporation has agreed to cancel the lease in the interest of permitting the City of Asheville to lease the facility. However, they have requested that the City sub-lease the facilities to them in order for them to carry on their program.

Mr. Michalove said he would prepare a resolution for Council's consideration next week authorizing a sub-lease of the facilities to the Opportunity Corporation.

After discussion, Vice-Mayor Horton moved for the adoption of Resolution No. 76-167. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 76-167 will be found in Resolution Book No. 9 at page 177.

COMMUNITY DEVELOPMENT PUBLIC HEARINGS

7. Mayor Ochsenreiter announced the following schedule for the Community Development Public Hearings relative to the third action year projects:

AREA	DATE	PLACE	TIME
SHILOH	12-7-76	SHILOH COMMUNITY CENTER	7:30 p.m.
OAKLEY	12-8-76	OAKLEY COMMUNITY CENTER	7:30 p.m.
MONTFORD	12-9-76	WILLIAM RANDOLPH SCHOOL	7:30 p.m.
VALLEY STREET	12-14-76	HILLTOP COMMUNITY CENTER	7:30 p.m.
BURTON STREET (West Asheville)	12-15-76	AYCOCK SCHOOL	7:30 p.m.
LIVINGSTON STREET	12-16-76	LIVINGSTON ST. COMMUNITY CENTER	7:30 p.m.
KENILWORTH	1-4-77	KENILWORTH PRESBYTERIAN CHURCH	7:30 p.m.
CLAXTON (Washington Road Madison Avenue)	1-5-77	CLAXTON SCHOOL	7:30 p.m.

VICE-MAYOR HORTON - NEWS ARTICLES - DEMOLITION DOWNTOWN - "I FOUND IT" CAMPAIGN

Vice Mayor Horton made the following statement relative to two news articles:

"From time to time we have things that we are proud of in our community and in our news media and from time to time we have things that we are not. I call attention to those of you present two articles in today's papers. One in the afternoon papers - the Times, a picture of the demolition of the downtown park next to the Northwestern Bank. I think this is a very positive news report- something newsworthy and that our entire city can be interested in and hopefully find that this is setting a pace toward getting us into a posture of revitilizing downtown. I'd give this article A+ for positive promotion within the community. But now this morning since I have thought about it. I read an article in the morning Citizen that to me, both shocked and disturbed and disappointed me, because it is completely negative. I say completely, I think by counting the line in this article there are 132 lines of which 5 are positve and the rest are negative. It's the article that says "I Found It" -Campaign Draws Some Criticism. Now I'm sure all of you here have been seeing these commercials and ads on T.V. and in the newspaper about this project of trying to witness to people to give them the opportunity to find what others have found - new life in Jesus Christ and it could be a crusade that could awaken our entire area. There are three counties involved in this and I am quite disappointed that the report of it- the first news report that I have seen has been in this negative and critical vain. If I were to evaluate this article this morning I would have to say that it was negative, uninformed, critical, and irresponsible and contrary to the motto of the Asheville Citizen and the Asheville Times which says - Dedicated to the Upbuilding of Western North Carolina. I think this article has been detrimental in what ever effect it will have on those who read it to the welfare of Western North Carolina. I want to emphasize the uninformed label that I would put to this article because I know something of what has gone into this program. Many hours of training, many hours of self-sacrifice and dedication on the part of many of the leaders of our community. The criticism that was offered in this article slanted and attention was drawn back to some political implications of a few months ago to the man who inspired this type of approach towards spreading the love of God in the hearts of men. To me, this is something that I just could not feel good about today and I feel that the Citizen has been completely off base to present sucha criticsm of something that is so basic and up lifting in our community and it is proving so throughout our nation. I would like to, for what ever it is worth just publicly state my concern and request that the newspaper take the opportunity to provide a sequel to this article giving as much space to the positive and to interviews with as many people who are involved and who can give the positive side of this program as they have done on the negative in this article today. I challenge the Citizen to come with a sequel giving equal balance- equal exposure to the positive side of this Crusade to lead people to a personal relationship with the Lord Jesus Christ and I feel that the newspaper owes it to this community to give as much positive coverage in a news article as they have done negatively here today. Because in my opinion there is no greater need in our community or in our nation than is exemplified here in this effort to present Christ to individuals - one on one - and to help them to find new life - a new relationship with God through Jesus Christ."

BATTERY PARK HOTEL - COUNCILWOMAN SWILLING

Councilwoman Swilling commended Mr. J. E. Johnson, Chief Building Inspector, for his efforts on improvements to the Battery Park Hotel.

Adjournment.

Leroy [illegible]
MAYOR

William S. Wheeler Jr.
CITY CLERK

CITY MANAGER'S REPORT - PEARSON BRIDGE ROAD

The City Manager advised that he had received correspondence from the North Carolina Department of Transportation relative to the Pearson Bridge Road improvements, which stated that since Pearson Bridge Road is part of the Asheville Thoroughfare Plan and has substandard width, improvement of this road merits consideration for future highway construction. However, due to a relatively low traffic volume, the improvement is considered of about moderate priority among statewide project needs.

Councilman Morris moved to request that the City Clerk prepare for Council's consideration in January, a resolution requesting that the North Carolina Department of Transportation give a higher priority to the work on Pearson Bridge Road. This motion was seconded by Councilman Rainey and carried unanimously.

Council requested that the City Manager notify the residents of Richmond Hill Drive of Council's intentions.

EXTENDING COMMUNITY DEVELOPMENT AREA IN WEST ASHEVILLE

Upon inquiry of Councilwoman Swilling, Mr. Michalove, Assistant City Manager, said the Community Development Staff is working on different areas in West Asheville for inclusion in the Community Development area. He said this would come to Council in the total package for third action year projects for the Community Development Areas. He said if it is determined that a public hearing is necessary for an additional area in West Asheville the staff would hold such a public hearing.

CLAIMS - WESTGATE CORPORATION - GORDON'S JEWELERS - HALLMARK CAFETERIA

The City Manager presented claims for damage received from Westgate Corporation, Gordon's Jewelers, and Hallmark Cafeteria.

Mayor Ochsenreiter referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - SUBSTANCE ABUSE AWARENESS MONTH - DECEMBER

Mayor Ochsenreiter read a proclamation proclaiming the month of December "SUBSTANCE ABUSE AWARENESS MONTH".

COUNCILMAN MICHAEL - MOTOR POOL

Councilman Michael requested the City Manager to look into the possiblity of a Motor Pool for City vehicles. He said he felt the City could save gas by forming such a motor pool. He said some of the cars are being used on week-ends and after work. He said anyone using a city car should use a trip sheet showing the mileage for a day or a week, with the keys to such vehicles being turned in daily.

COUNCILMAN MICHAEL - COMPLAINTS OF CITY EMPLOYEES

Councilman Michael requested that the City Manager require the city employees to bring matters before him before bringing such matters to members of Council.

That Section 30-5-6, Commercial Regional District, B. Development Standards be amended as follows:

Use	Lot Area (Sq. Ft.)	Maximum Density Dwelling Units/Acre	Minimum Lot Width (Ft.)	Minimum Yard (Ft.) Front	Side	Rear
*Non-Residential	2,500	-----	25	NA	NA	NA

*Where a lot or plot abuts upon the side or rear of a lot zoned residential, there shall be a side yard or rear yard of not less that eight (8) feet in width open and unoccupied.

Mr. Emrick pointed out that the addition of these permitted uses in the CR district would allow some existing vacant buildings to once again be utilized as well as encouraging new development in the downtown area and the declining tax base would be increased. He said the amendment would be in keeping with the established purpose of the CR District.

Mayor Ochsenreiter closed the public hearing at 7:29 o'clock p. m.

The City Manager read the prepared ordinance amending the Zoning Ordinance as recommended.

Councilman Hoyle moved for the adoption of Ordinance No. 928. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 928 passed on first reading.

ORDINANCE NO. 927 - AN ORDINANCE REQUESTING AND AUTHORIZING CHANGE ORDERS FOR COMMUNITY DEVELOPMENT PUBLIC WORKS PROJECTS AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

3. Consideration was given to the third reading of Ordinance No. 927, an ordinance requesting and authorizing change orders for Community Development Public Works Projects and amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

Mayor Ochsenreiter noted that the ordinance was previously read on two readings and members of Council has previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Upon inquiry of Councilman Michael relative to the necessity of voting on the third reading of the ordinance at this meeting, the Corporation Counsel advised that he had conferred with the City Manager on the matter and in his opinion the ordinance should be acted upon. He said there is a possibility that this contract, at present, is in excess of the amount which was authorized by Council. Therefore, this ordinance would be necessary to take care of that responsibility.

Thursday - December 9, 1976 - 7:00 o'clock p. m.
William Randolph Elementary School Auditorium

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the December 2, 1976 meeting.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, the minutes of the December 2, 1976 meeting were approved as submitted.

PUBLIC HEARING - WORDING AMENDMENTS TO ZONING ORDINANCE- COMMERCIAL REGIONAL DISTRICT

ORDINANCE NO. 928 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to wording amendments to Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended providing for additional uses within the Commercial Regional District.

Mayor Ochsenreiter opened the public hearing at 7:24 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission considered recommendations submitted by the staffs of the Division of Planning and the Division of Inspections to amend the CR Commercial Regional District to include additional uses within that district. Therefore, the following amendments were unanimously approved and recommended to City Council:

That Section 30-5-6, Commercial Regional District, be amended to include the following additional uses within this district under A. Uses Permitted.

1. Retail and wholesale trade and service establishments
2. Warehousing*
3. Supply and distribution facilities*
4. Printing and binding
5. Vocational or professional schools
6. Public facilities

* Subject to off-street loading requirements (Section 30-3-11, Item H.)

Mayor Ochsenreiter confirmed that the intent of the motion was for the City Manager to use staff in seeking the information from the Shiloh residents.

Councilman Rainey then moved that Council reconsider the adoption of Ordinance No. 927. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-1, Ordinance No. 927 passed on first reading, with Councilwoman Swilling voting "no".

Councilman Morris moved to waive the rules and proceed to the second reading of Ordinance No. 927. This motion was seconded by Councilman Michael, which motion carried unanimously.

On a roll call vote of 5-1, Ordinance No. 927 passed on second reading with Councilwoman Swilling voting "no".

Vice-Mayor Horton moved to waive the rules and proceed to the third and final reading of Ordinance No. 927. This motion was seconded by Councilman Morris, which motion carried, with Councilman Michael voting "no".

On a roll call vote of 4-3, Ordinance No. 927 passed on third and final reading with Councilwoman Swilling, Councilmen Hoyle and Michael voting "no" and Vice-Mayor Horton, Councilmen Rainey and Morris voting "aye" and Mayor Ochsenreiter breaking the tie vote with an "aye" vote.

Complete text of Ordinance No. 927 will be found in Ordinance Book No. _____ at page _____.

ORDINANCE NO. 929 - AN ORDINANCE REQUESTING AND AUTHORIZING ADDITIONAL SUPPORT FOR THE COMMUNITY DEVELOPMENT DEMOLITION PROJECT AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

4. Consideration was given to an ordinance requesting and authorizing additional support for the Community Development Demolition Project and amending the Community Development Project Budget of the City of Asheville for Fiscal Year 1976-77.

The City Manager read the ordinance.

Ken Michalove, Assistant City Manager, said the additional $50,000 from the Community Development Contingency Fund is to be used for the demolition of substandard buildings in the Community Development Area. He reviewed the number of demolitions since the beginning of the Community Development fundings.

Councilman Morris moved for the adoption of Ordinance No. 929. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 929 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 929. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 929 passed on second reading.

Councilman Michael commented that he had talked with the residents of Shiloh and they were concerned that the work of this contractor is not satisfactory to their community. He said he had also checked the streets and he did not think the work was satisfactory. He said the residents expressed a desire to have a reassessment and have the roads fixed properly. He suggested postponing action on the ordinance until next week until an investigation of the work that has been done is made to see whether it is acceptable to our city engineers as being standard and an investigation as to the work that is proposed to be done.

Vice-Mayor Horton said that in order to provide the funding necessary to discharge the City's obligation to this contractor it appeared to him that Council should take favorable action on this ordinance.

Councilman Morris commented that the City is not allowed to make a contract to do anything unless it believes that sufficient funds are in hand. He said it appeared that the City, at present, is in a position that they are reasonably certain of a deficit position which is contrary to the State laws of North Carolina. Therefore, he felt Council should fund the project.

At the request of Councilwoman Swilling, the City Manager again read the ordinance presented for action on third reading.

Mayor Ochsenreiter called for a roll call vote on the third reading of Ordinance No. 927.

On a roll call vote of 4-2, after deliberations, the ordinance failed on third reading.

Councilman Rainey moved to amend the minutes of the December 2, 1976 meeting on page 198 by adding a notation that the Mayor directed the City Manager to move forward with the investigation of the Shiloh Project, authorizing funds for the employment of outside assistance in the carrying out of the investigation. This motion was seconded by Councilman Morris and carried unanimously.

Councilman Rainey then moved that City Council request that the City Manager provide Council with answers to the following three questions in his investigation:

1) Whether the specifications of the original contract were sufficiently accurate and complete to be let for bids.

2) Whether the decisions made in the field by the City Engineer contributed to the cost overrun.

3) Whether the work done by the contractor was of sufficient quality to be in keeping with the contract.

This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Michael then moved that the City Manager seek the input of the Shiloh residents as to whether they are satisfied with the way that the work is being done in their neighborhood. This motion was seconded by Councilwoman Swilling and carried unanimously.

RESOLUTION NO. 76-168 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES, INC. TO PERMIT THE OPPORTUNITY CORPORATION TO SUB-LEASE THE SHILOH SCHOOL

6. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the Opportunity Corporation of Madison-Buncombe Counties, Inc. to permit the Opportunity Corporation to sub-lease the Shiloh School.

The City Manager read the resolution.

Ken Michalove, Assistant City Manager, said the Opportunity Corporation of Madison-Buncombe Counties, Inc. had leased the Shiloh School from the Buncombe County Board of Education for several years up to December 2, 1976 and since the City of Asheville has leased the Shiloh School from the Buncombe County Board of Education the Opportunity Corporation desires to sublease the Shiloh School from the City of Asheville under the same terms and conditions as under their previous agreement with the Buncombe County Board of Education.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 76-168 was unanimously adopted.

Complete text of Resolution No. 76-168 will be found in Resolution Book No. _____ at page _____.

RESOLUTION NO. 76-169 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution and explained that the property belongs to the City of Asheville and is located off Gashes Creek Road in the vicinity of the Recreation Park and the easement is for the purpose of updating an existing electric power line.

Upon motion of Councilman Hoyle, seconded by Councilwoman Swilling, Resolution No. 76-169 was unanimously adopted.

Complete text of Resolution No. 76-169 will be found in Resolution Book No. _____ at page _____.

RESOLUTION NO. 76-170 - RESOLUTION AMENDING RESOLUTION NO. 73-44 ESTABLISHING REGULATIONS FOR THE OPERATION OF THE ASHEVILLE CIVIC CENTER

8. Consideration was given to a resolution amending Resolution No. 73-44 establishing regulations for the operation of the Asheville Civic Center.

The City Manager read the resolution and explained that the resolution would give the Civic Center Manager some latitude in determining how much time should be required between similar events seeking bookings at the Civic Center.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 929. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 929 passed on third and final reading.

Complete text of Ordinance No. 929 will be found in Ordinance Book No. _____ at page _____.

ORDINANCE NO. 930 - ORDINANCE REQUESTING AND AUTHORIZING THE APPROPRIATION OF FUNDS FOR THE CHESTNUT STREET WATER LINE AND THE APPALACHIAN WAY -HUFFMAN ROAD WATER LINE AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77

5. Consideration was given to an ordinance requesting and authorizing the appropriation of funds for the Chestnut Street Water Line and the Appalachian Way-Huffman Road Water Line and amending the Community Development Project Budget of the City of Asheville for fiscal year 1976-77.

The City Manager read the ordinance.

Ken Michalove, Assistant City Manager, explained that the expenditure of the $42,000 from the Community Development Contingency fund is requested in order to qualify for $246,000 in Appalachian Regional Commission funds. He said the money will be used in the construction of a 16-inch water line for the Chestnut Street area and six-inch and eight-inch water lines for Appalachian Way and Huffman Road in West Asheville.

Councilman Rainey returned to his seat at 8:45 p. m.

Vice-Mayor Horton moved for the adoption of Ordinance No. 930. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 930 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 930. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 930 passed on second reading.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 930. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 930 passed on third and final reading.

Complete text of Ordinance No. 930 will be found in Ordinance Book No. _____ at page _____.

AMENDMENT TO MINUTES DURING DECEMBER 16, 1976 MEETING

—0

ACTIVITIES AT THE SOUTH ASHEVILLE COMMUNITY CENTER

The South Asheville Community Center is operated by the Greater Buncombe Outreach Project of The Opportunity Corporation of Madison-Buncombe Counties and is located in the Shiloh School Building.

Activities at the center are varied and include an after-school program which is held daily, Monday through Friday, from 3:00 until 6:00 P. M., for children between the ages of 6 and 16.

Other activities offered at the center include basketball, baseball, softball, volleyball, badminton, horseshoes, shuffleboard, ping pong and pool. Weightlifting and slimnastic equipment is also available. Arts and crafts and nutritional classes are available at the center on a regular basis. The gym is open for recreational activities until 8:00 P. M., Monday through Friday; from 2:00 until 8:00 P. M. on Saturday; and from 2:00 until 6:00 P. M. on Sunday. The center also provides a place for community groups, the Center Advisory Group, community social club, and 4-H Club meetings.

Shortly following the closing of school, a Summer Program is held Mondays through Fridays, for an 8-week period for children between the ages of 6 and 16. Children are transported to this center for the Summer Program from various other areas which The Corporation serves and the average enrollment for the Summer Program is 617 children.

Basketball and football leagues are organized in cooperation with the Asheville Department of Parks and Recreation.

The Nutritional Program for Older Adults is also housed in this community center Mondays through Fridays year-round.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 76-170 was unanimously adopted.

Complete text of Resolution No. 76-170 will be found in Resolution Book No. _____ at page _____.

CLAIM - MAGGIE TOBE

The City Manager presented a claim received from George W. Moore, Attorney representing Maggie Tobe.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

REPORT OF CARROLL STREET ACCESS

In response to Councilman Michael, William F. Wolcott, Jr., Assistant City Manager, said that the properties involved in the Carroll Street Access had been purchased during the past week. However, the Paving Enterprises, Inc. deed restricts possession by the City for 90 days, but he would try to get the process speeded up. He said he hoped to complete the project within the next four months.

STATEMENTS REGARDING NIGHT COUNCIL MEETINGS

Councilwoman Swilling thanked the citizens present for coming to the first night Council meeting.

Councilman Michael commented that he termed the meeting a success, calling the crowd the largest he has seen at any Council meeting since his first.

The City Manager introduced the members of the staff present for the meeting.

Adjournment.

Eugene L. Ochsenreiter
MAYOR

William F. Wolcott
CITY CLERK

Mr. Clark said they desire that a higher priority be given to the installation of a water line in Justice Ridge Road than in Old Farm School Road, a previously approved project in the Water System Improvement Fund. He said the City Engineering Division conducted an engineering study and found that to build a line in Old Farm School Road would serve no existing customers and that reinforcement of the overall system is not justified at this time. Therefore, it is recommended that this line be held in abeyance until some time in the future and that the appropriation be used to pay for the Justice Ridge Road water line. He said the total estimated cost of the Justice Ridge Road project is $34,525 of which $24,430 of this project is eligible as a Water System Improvement Fund expenditure and the County has agreed to contribute an additional sum of $10,095 in order to fully fund the Justice Ridge Road project. He said the balance of the Old Farm School Road appropriation, $15,570, would be transferred to the Water System Improvement Fund Contingency activity.

Councilman Morris moved for the adoption of Ordinance No. 931. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 931 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 931. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 931 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 931. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 931 passed on third and final reading.

Complete text of Ordinance No. 931 will be found in Ordinance Book No. 7 at page 76.

ORDINANCE NO. 928 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Wording Amendments to Commercial Regional District)

4. Consideration was given to the second reading of Ordinance No. 928, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to wording amendments to the Commercial Regional District.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 928 passed on second reading.

Thursday - December 16, 1976 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the December 9, 1976 meeting.

Vice-Mayor Horton noted that the minutes should include the report given by Lonnie Burton relative to the sub-lease of the Shiloh School regarding the activities of the Opportunity Corporation at the Shiloh School.

Vice-Mayor Horton moved that the minutes of the December 9, 1976 meeting be approved, as amended. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON NORTH LOUISIANA AVENUE- MRS. LOUISE RAY

2. A public hearing was held relative to rezoning property located on North Louisiana Avenue, property owned by Mrs. Louise Ray.

Mayor Ochsenreiter opened the public hearing at 3:08 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said he had received a request from Mr. Jerry Miller, Attorney for Mrs. Louise Ray, that the public hearing be continued until the January 6, 1977 meeting in order to determine a point of law regarding the 20% protest rule.

Councilman Morris moved to continue the public hearing until the January 6, 1977 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 931 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (Justice Ridge Road Water Line)

3. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 appropriating funds for the Justice Ridge Road Water Line Project.

The City Manager read the ordinance.

Charles Clark, Director of Public Safety for Buncombe County, said the County Commissioners have expressed a desire to provide improved service to customers of the water system operated by the City of Asheville abutting on Justice Ridge Road.

The City Manager advised that under the North Carolina General Statutes the Finance Director is responsible for dispersing funds that are appropriated from general funds as is the case with the operation of the Civic Center.

Acting Corporation Counsel Robert J. Robinson suggested that the membership be set at an odd number instead of 10 to forestall the possibility of a 5-5 deadlock vote. He also suggested that clarifying language be used dealing with the section of funds received as gifts.

Councilman Michael also suggested that some of the commission members be chosen from nearby counties, since the Civic Center serves an area much wider than Asheville or Buncombe County alone.

Mayor Ochsenreiter and Councilman Rainey agreed to work out some proposed amendments to the ordinance and bring them back to Council in time for the second reading which will be on January 6, 1977.

Councilman Rainey said he hoped the first order of business for the commission would be to set up defenses against the selling of stolen merchandise at the flea markets and also to investigate the requirements of regular vendors as it pertains to privilege licenses.

Councilman Rainey moved for the adoption of Ordinance No. 933. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 933 passed on first reading.

RESOLUTION NO. 76-171 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY

7. Consideration was given to a resolution appointing member to the Asheville Transit Authority, reappointing Arthur E. Eve, Jr. for a term of five years.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Michael, Resolution No. 76-171 was unanimously adopted.

Complete text of Resolution No. 76-171 will be found in Resolution Book No. 9 at page 176.

RESOLUTION NO. 76-172 - RESOLUTION APPOINTING MEMBER TO THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL (Celeste L. Loftin)

8. Consideration was given to a resolution appointing member to the City of Asheville Board of Alcoholic Control, appointing Mrs. Celeste L. Loftin.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 76-172 was unanimously adopted.

Complete text of Resolution No. 76-172 will be found in Resolution Book No. 9 at page 177.

ORDINANCE NO. 932 - AN ORDINANCE AUTHORIZING THE INCREASE OF MATCHING FUNDS FOR THE LAND-OF-SKY NUTRITION PROGRAM

5. Consideration was given to an ordinance authorizing the increase of matching funds for the Land-of-Sky Nutrition Program.

The City Manager read the ordinance.

Ken Michalove, Assistant City Manager, said this ordinance would authorize an additional $885.00 in matching funds for the Land-of-Sky Nutrition Program for the elderly. He said this amount will provide an additional 30 meals per day for the remainder of this fiscal year.

Councilwoman Swilling moved for the adoption of Ordinance No. 932. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 932 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 932. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 932 passed on its second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 932. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 932 passed on its third and final reading.

Complete text of Ordinance No. 932 will be found in Ordinance Book No. 7 at page 78.

ORDINANCE NO. 933 - AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE CIVIC CENTER COMMISSION

6. Consideration was given to an ordinance establishing an administrative body known as the Asheville Civic Center Commission.

The Corporation Counsel read the ordinance.

The City Manager advised that this ordinance contains the legal stipulations regarding the commission's duties and responsibilities and its relationship with other segments of city government. It gives the 10-member commission control of the Civic Center Complex and empowers it to determine rates and fees and to promote and schedule events. It stipulates, however, that the City Council must receive copies of all the rules and regulations proposed by the commission and may disapprove them within 30 days.

Councilman Michael suggested that the name of the Commission be changed to either Asheville Area Civic Center Commission or Asheville Regional Civic Center Commission in order to encourage participation by people from throughout Western North Carolina. He further suggested that the last sentence in Section 1 (d) be changed to read "The Finance Director of the City may serve as Treasurer of the funds of the Commission"rather than "he shall serve".

RESOLUTION NO. 76-175 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (George E. Dawson)

11. Consideration was given to a resolution appointing member to the Metropolitan Sewerage District Board. (George E. Dawson)

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 76-175 was unanimously adopted.

Complete text of Resolution No. 76-175 will be found in Resolution Book No. 9 at page 180.

REZONING REQUEST - MR. GRAHAM SMITH OF LE CHATEAU MANAGEMENT - ELM STREET

12. Consideration was given to a motion setting a public hearing relative to rezoning property located on Elm Street from R-4 Residential District to CH Commercial Highway, property owned by Mr. Graham Smith of Le Chateau Management.

Vice-Mayor Horton moved to schedule a public hearing on the matter for January 13, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

WORDING AMENDMENTS TO ORDINANCE NO. 322, ZONING ORDINANCE - COMMERICAL HIGHWAY DISTRICT

13. Consideration was given to a motion setting a public hearing relative to wording amendments to Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, providing for additional uses in the Commercial Highway District.

Councilman Morris moved to schedule a public hearing on the matter for January 13, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REZONING REQUEST - CORNER OF ST. DUNSTAN'S ROAD AND McDOWELL STREET - MR. JAMES W. MOORE

14. The City Manager said the Planning and Zoning Commission considered a request from Mr. James W. Moore, Moore Office Building, Inc. to rezone property at the corner of St. Dunstan's Road and McDowell Street from R-3 Residential District to HI Heavy Industrial. He said the Planning and Zoning Commission denied the request, however a request for a public hearing on the matter had been received from Richard A. Wood, Jr., Attorney for Mr. James W. Moore, requesting that the property be rezoned to Office Institutional District as suggested by the Planning and Zoning Staff.

Councilman Michael moved to schedule a public hearing on the matter for January 20, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

JANUARY COUNCIL NIGHT MEETING

Mayor Ochsenreiter announced that due to the holidays, the January night Council meeting would be held on January 13, 1977 at 7:30 p. m. in the Council Chambers.

RESOLUTION NO. 76-173 - RESOLUTION APPOINTING CHAIRMAN TO THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL

9. Consideration was given to a resolution appointing Chairman to the City of Asheville Board of Alcoholic Control, appointing Osborne M. Hart as Chairman.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 76-173 was unanimously adopted.

Complete text of Resolution No. 76-173 will be found in Resolution Book No. 9 at page 178.

Mayor Ochsenreiter expressed appreciation to Mr. Fred Pearlman for his faithful and dedicated service as Chairman to the ABC Board for 9 years.

Councilman Michael commented that Mr. Hart will be the only black Chairman of a ABC Board in the State of North Carolina. He said he was sure Mr. Hart would live up to the expectations of the Council.

RESOLUTION NO. 76-174 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A SEWER LINE ACROSS U. S. 74 (SOUTH TUNNEL ROAD) IN ASHEVILLE, NORTH CAROLINA

10. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a sewer line across U. S. 74 (South Tunnel Road) in Asheville, North Carolina.

The City Manager read the resolution.

The City Manager also read a memorandum from Don Walsh, Administrative Assistant for the Water and Sewer Services, which is as follows:

"It has become necessary to replace an inadequate 4-inch main sewer line on U. S. 74 with an 8-inch sewer line. This is to serve the new Sambo's Restaurant being built across from the Asheville Mall on the K-Mart property. This 8-inch main will serve other businesses now being serviced by the existing 4-inch main running under Tunnel Road. This will also eliminate a constant source of trouble for the City maintaining the 4-inch main sewer line and a manhole that is in bad repair.

The estimated cost of building this sewer main is $1,905.00 this includes 85 feet of new sewer main and two new manholes. Sambo's Incorporated has agreed to participate in half of the cost of building this sewer main. This represents $952.50 payment on their part."

Councilman Morris noted that U. S. 74 is on South Tunnel Road instead of Tunnel Road. This wording in the resolution was changed to reflect this change.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 76-174 was unanimously adopted,

Complete text of Resolution No. 76-174 will be found in Resolution Book No. 9 at page 179.

The Kenilworth Residents Association has frequently requested additional playground facilities for the younger children but there has been no land available for development. We now feel that some of our needs can be met by further developing the playground at Newton School.

We have in conjunction with the Newton PTA, adopted a playground inprovement program to which we have devoted our time and money. The playground improvement program will provide an area for imaginative play and development of skills necessary for group sports when the children are older as well as provide a recreational alternative for children that are not interested in group sports.

Approximately $4,200 has been expended on the project to date including materials, labor, equipment and services, both donated and purchased.

We are hereby requesting financial assistance from the City in the amount of $5,000 for completing the project. If approved, the funds will be used for the purchase of materials, the rental of equipment and the hiring of some specialized labor for completion of the plan. It is anticipated that the bulk of the labor required for completion of the project would come from parent volunteers from the Kenilworth Residents Association and the Newton P. T. A. Detailed plans of the improvement program are available upon request.

We hope to develop a playground that will serve as a model for active citizen participation and involvement with City government support.

Your consideration and approval of support to this program is hereby requested.

Very truly yours,

Marvin D. Chambers

Marvin D. Chambers
President
Kenilworth Residents Association

MDC/p

cc: W. P. Griffin, Superintendent City Schools
Ray L. Kisiah, Director Parks and Recreation Department
Bill Pate, Principal Newton Elementary School
Mr. & Mrs. Harry A. Woggon, Chairpersons Newton PTA

Council requested that the City Manager determine if Community Development funds could be used for this project.

Councilman Michael requested that the City Manager instruct Ray Kisiah, Parks and Recreation Director, to work with Mr. Chambers and the Newton PTA to come up with a recommendation for Council on the project and to determine the exact amount of money needed to complete the project.

COUNCIL MEETING - DECEMBER 23, 1976 AND DECEMBER 30, 1976 - CANCELLED

Mayor Ochsenreiter announced that due to the Christmas and New Year's Holidays there would be no meeting of the City Council on December 23, 1976 or December 30, 1976.

COUNCIL RECESS

Mayor Ochsenreiter recessed the Council meeting at 4:05 p. m.

Council reconvened the meeting at 4:23 p. m.

VIRGIL McCONNELL - SHILOH AREA - COST OVERRUN ON PROJECT

Virgil McConnel, of the Shiloh Area, asked what progress had been made into the investigation of the cost overrun in the Shiloh-Oakley Public Works Project and if the people in the Shiloh area would have to wait until the investigation is completed before any more work would be done in the area.

The City Manager advised that A. M. Pullen Company had been employed to do the audit work as it relates to the cost overruns in the Shiloh-Oakley Public Works Projects and they were given authority to employ an engineer, if necessary, to answer the questions that were raised by Council and some of the citizens in the area relative to the engineering matter in the project. He said this investigation is underway and will be completed as soon as possible. He said there would be no hold up on the work during the investigation, except from weather conditions.

MARVIN CHAMBERS - KENILWORTH PLAYGROUND IMPROVEMENT PROGRAM - REQUEST FOR ASSISTANCE

Mr. Marvin Chambers, President of the Kenilworth Residents Association read the following letter:

2 Lakewood Drive
Asheville, N. C. 28803
December 13, 1976

Honarable Mayor and
Members of City Council
P. O. Box 7148
Asheville, N. C. 28807

Subject: Kenilworth Playground Improvement Program
Request for Assistance

Gentlemen and Madam:

The Newton Elementary School has been, is, and will continue to be a focal point for education, recreation and socialization in the Kenilworth Neighborhood. The present facilities provide classrooms, and auditorium and space for activities such as basketball, volleyball, and other organized sports for use by the older neighborhood children and adults, but until now only swings were available for the younger neighborhood children.

Thursday - January 6, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling

APPROVAL OF MINUTES

1. Approval of the minutes of the December 16, 1976 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the December 16, 1976 meeting were approved as submitted.

PRESENTATION RELATIVE TO THOMAS WOLFE MARBLE ANGEL

Samuel E. Sanders presented an idea of the City erecting a marble angel in Pritchard Park in honor of Thomas Wolfe. He said the one proposed to be erected is a six foot high angel of Italian carrera marble mounted on a four foot high base of Georgia marble. He said the total cost of the angel would be $6,000.

Mayor Ochsenreiter told Mr. Sanders that he would be back in touch with him regarding this matter.

BOXING AND WRESTLING COMMISSION TAX PRESENTED TO COUNCIL

Dr. Leon H. Feldman, Chairman of the Boxing and Wrestling Commission for the City of Asheville presented Council with an $8,500 check representing some of the five per cent tax collected from boxing and wrestling promoters in the Asheville Civic Center. He said this would make a total of $16,000 that has been turned over to the City by the Commission during the past year.

CONTINUATION OF PUBLIC HEARING - REZONING - NORTH LOUISIANA AVENUE - MRS. LOUSIE RAY

2. Verl Emrick, Planning Director, said Jerry Miller, Mrs. Louise Ray's attorney, has asked that Council again continue the public hearing until January 27, 1977. He said all interested parties in opposition had been notified of the continuation of the public hearing.

Councilman Morris moved to continue the public hearing until January 27, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 928 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE"as amended. (Additional uses within Commercial Regional District)

3. Consideration was given to the third and final reading of Ordinance No. 928, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended providing additional uses within Commercial Regional District.

COMMUNITY DEVELOPMENT PUBLIC HEARINGS

In response to Councilwoman Swilling, Logan Delany, Community Development Coordinator, said the progress of the Community Development meetings have been excellent. He said the input from the residents had been successful and many requests for funding had been received.

Adjournment.

Eugene S. Abramowski
MAYOR

Norman I. Nelson
CITY CLERK

Councilman Michael returned to the meeting at 3:31 p. m.

Mike Smith, Personnel Director, said that the new pension plan adopted for general employees on January 1, 1976 did not include benefits for the earlier retirees covered under the old 1964 plan. He said this amendment to the ordinance will increase benefits for employees who retired before January 1, 1976. He said the retired city employees covered under the plan will receive an increase of 1/4 per cent for each calendar month since their retirement payments began. He said this formula was the most equitable and also the most affordable one. The employees who will benefit the most are those who have been retired the longest and whose benefits have been eroded the most by inflation.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 934 passed on its first reading.

ORDINANCE NO. 935 - ORDINANCE TRANSFERRING AN UNSPENT BALANCE FROM THE COMMUNITY DEVELOPMENT TAFT AVENUE WATER LINE PROJECT TO CONTINGENCY I; RESCINDING A SECTION OF ORDINANCE NO. 916 APPROVING AN APPROPRIATION FOR A BIKEWAY PROGRAM TRANSFERRING THE UNSPENT BALANCE TO CONTINGENCY II AND AMENDING THE COMMUNITY DEVELOPMENT PROJECT BUDGETS OF THE CITY OF ASHEVILLE FOR FISCAL YEARS 1975-76 AND 1976-77

7. Consideration was given to an ordinance transferring an unspent balance from the Community Development Taft Avenue Water Line Project to Contingency I; rescinding a section of Ordinance No. 916 approving an appropriation for a bikeway program transferring the unspent balance to Contingency II and amending the Community Development Project Budgets of the City of Asheville for fiscal years 1975-76 and 1976-77.

The City Manager read the ordinance and explained that the unspent balance of $17,067.42 in the Taft Avenue Water Line Project would be reappropriated into the Contingency Fund as well as a $22,850 appropriation which was to have provided matching funds for a bikeway project that failed to gain federal government approval would also be reappropriated into the Contingency Fund.

Referring to questions from Councilman Michael relative to the Shiloh Area, Logan Delany, Community Development Coordinator said he would be meeting with the contractors on Monday to arrange for work on any problems that can be solved in the bad weather.

The City Manager said he would report some time next week regarding a tentative completion date for the investigation into the cost overruns on the project.

Councilman Michael moved for the adoption of Ordinance No. 935. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 935 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 935. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mayor Ochsenreiter stated that the ordinance was previously read on two readings and members of Council had been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 928 passed on its third and final reading.

Complete text of Ordinance No. 928 will be found in Ordinance Book No. 7 at page 71.

ORDINANCE NO. 933 - AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE CIVIC CENTER COMMISSION

5. Consideration was given to the second reading of Ordinance No. 933, an ordinance establishing an administrative body known as the Asheville Civic Center Commission.

The City Manager said a committee, made up of several members of Council and the Corporation Counsel, have since the first reading of the ordinance, made several amendments or changes to the ordinance.

The Corporation Counsel then read the ordinance in its entirety incorporating the amendments recommended by the committee.

Councilman Michael was excused from the meeting at 3:25 p. m.

Councilman Rainey pointed out that the basic changes included the name change by adding the word "AREA" to make it the Asheville Area Civic Center Commission and the commission would have nine (9) members rather than ten (10). Several sections were also changed for clarifying language, however, these did not effect the basic intent of the ordinance.

Vice-Mayor Horton commented that Council would have the privilege of selecting members of the Commission from outlying areas and not just residents of the City of Asheville.

Councilman Rainey moved to amend the ordinance to include the amendments as recommended by the Committee and read by the Corporation Counsel. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 933, as amended passed on its second reading.

ORDINANCE NO. 934 - ORDINANCE AMENDING ORDINANCE NO. 861, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST".

6. Consideration was given to an ordinance amending Ordinance No. 861, known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST".

The City Manager read the ordinance.

The City Manager read the resolution and a memorandum from Don Walsh, Administrative Assistant of Water and Sewer Services which stated that the 8-inch water line to be installed on Justice Ridge Road is to upgrade an existing 2-inch water line which has become inadequate and has caused a critical water shortage for the customers along Justice Ridge Road. This water line will be financed from the WSIF fund.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-2 was unanimously adopted.

Complete text of Resolution No. 77-2 will be found in Resolution Book No. 9 at page 182.

RESOLUTION NO. 77-3 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING, AND RATIFYING THE EXECUTION OF GRANT AGREEMENT FOR PROJECT NO. A-37-0005-01 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE

11. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of Grant Agreement for Project No. A-37-0005-01 between the United States of America and the City of Asheville.

The City Manager read the resolution and explained that this resolution would accept a grant of $58,180.00 from the federal government for the preparation of an Airport Master Plan to include airport requirements, environmental study, airport plans, financial plans and other related work.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 77-3 was unanimously adopted.

Complete text of Resolution No. 77-3 will be found in Resolution Book No. 9 at page 183.

RESOLUTION NO. 77-4 - RESOLUTION AMENDING RESOLUTION NO. 75-146 DESIGNATING BANKING DEPOSITORIES FOR CITY FUNDS

12. Consideration was given to a resolution amending Resolution No. 75-146 designating banking depositories for city funds.

The City Manager read the resolution and explained that this resolution adds to an existing resolution the savings and loan associations as depositories for city funds.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-4 was unanimously adopted.

Complete text of Resolution No. 77-4 will be found in Resolution Book No. 9 at page 184.

BIDS - STUMP CUTTER FOR PARKS AND RECREATION DEPARTMENT

13. Consideration was given to bids received December 29, 1976 for one (1) stump cutter for the Parks and Recreation Department.

On a roll call vote of 5-0, Ordinance No. 935 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third reading of Ordinance No. 935. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 935 passed on its third and final reading.

Complete text of Ordinance No. 935 will be found in Ordinance Book No. 7 at page 87.

FINAL SUBDIVISION PLAT FOR THE FOREST, LOCATED IN BEAVERDAM

8. Verl Emrick, Planning Director, said the final plat is for Section 1 of The Forest Subdivision, located off Pinecroft Road in the Beaverdam section. He presented the detailed plat of the subdivision and said the plat meets all requirements of the subdivision ordinance. He said the Planning and Zoning Commission approved the preliminary plat on April 7, 1976 and the developer has complied with all the recommendations and is recommended for final approval, by Council, for recordation. He said Council would be approving the subdivision plat under the jurisdiction of Ordinance 424 adopted in 1960.

Councilman Morris moved for the approval of the final plan of the subdivision for The Forest. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 77-1 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE CITY OF HENDERSONVILLE RELATIVE TO THE FLETCHER WATER SYSTEM

9. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the City of Hendersonville relative to the Fletcher Water System.

The City Manager read the resolution and explained that when the former Asheville-Hendersonville Airport was turned into an industrial park several years ago Asheville took over the Fletcher Water System and Hendersonville agreed to provide water to the area within five years and to resume operation of the Fletcher system after the new lines were in. He said this has been done. He said Hendersonville will pay a total of $95,000 for the system, with $15,000 to be paid upon execution of the agreement, $40,000 on or before April 15, 1977 and the remaining $40,000 on or before July 15, 1977. Hendersonville will also be required to replace all the water meters with meters of its own, returning Asheville's meters within 60 days after the effective date of the agreement.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 77-1 was unanimously adopted.

Complete text of Resolution No. 77-1 will be found in Resolution Book No. 9 at page 181.

RESOLUTION NO. 77-2 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA STATE BOARD OF TRANSPORTATION FOR A WATER LINE ALONG NORTH CAROLINA 1208 (JUSTICE RIDGE ROAD) FOR A DISTANCE OF APPROXIMATELY 4150 FEET

10. Consideration was given to a resolution authorizing the Mayor to execute right-of-way encroachment agreement with the North Carolina State Board of Transportation for a water line along North Carolina 1208 (Justice Ridge Road) for a distance of approximately 4150 feet.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

OFFICE OF
CITY MANAGER

January 6, 1977

Honorable Eugene C. Ochsenreiter, Jr.,
Mayor and Members of the City Council
City of Asheville
Asheville, North Carolina 28807

Dear Councilpersons:

In March of 1969 I came to Asheville in the employment of the City, and my wife, with our two daughters, arrived in June following the end of the school year.

A church with a strong foundation of faith, friendly concerned people, pleasant working relationships, and the joy of four season country have provided the means for many memorable occasions.

I now have the opportunity to return to Eastern North Carolina where my wife and I will be closer to our families. In addition the position is in finance, which is the field that has occupied most of my working years. Prayerful consideration and family discussions have eased the burden of this difficult decision.

I have accepted the position of Director of Finance with the City of Rocky Mount, North Carolina effective February 7, 1977, and I respectfully request that you accept my resignation as City Manager of the City of Asheville effective February 4, 1977.

There will always be fond memories of Asheville and the many wonderful people that make it such a fine place to live.

Sincerely,

Ernest J. Ward
City Manager

EJW/msm

ALL ASHEVILLE LIVING

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Vermeer Carolina Sales and Service in the amount of $8,530.00.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Vermeer Carolina Sales and Service in the amount of $8,530.00. This motion was seconded by Councilman Rainey and carried unanimously.

Bid Summary

Bidder	Bid
Vause Equipment Company	$8,598.00
Vermeer Carolina Sales and Service	8,530.00
Vermeer Southeast Sales and Service	Failed to include Bid Deposit Bid Disqualified

BIDS - DIESEL POWERED CRAWLER TRACTOR/LOADER WITH MULTIPURPOSE BUCKET

15. Consideration was given to bids received December 29, 1976 for one (1) Diesel Powered Crawler Tractor/Loader with Multipurpose bucket.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Arden Equipment Company, Inc. in the amount of $51,957.00.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Arden Equipment Company, Inc. in the amount of $51,957.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Arden Equipment Company	$51,957.00
Carolina Tractor and Equipment	No Bid
Western Carolina Tractor Company	52,253.00
Liebherr-America, Inc.	No Bid
Mitchell Distributing Company	No Bid

CLAIMS - GLEN A. BELL - REVA JOHNSON - LOUISE B. BIRCH

The City Manager presented claims received from Mr. and Mrs. Glen A. Bell, Mrs. Reva Johnson and Louise B. Birch.

Mayor Ochsenreiter referred the claims to the Corporation Counsel for investigation and recommendation.

RESIGNATION OF CITY MANAGER ERNEST J. WARD

City Manager Ernest J. Ward read the following letter of resignation to members of Council:

This is to answer Vice-Mayor's Horton's inquiry as to procedures followed by the Board of Tax Supervision for adjusting assessed valuations of properties enhanced by Council's closing of streets and rezonings.

I contacted Mr. Edward McElreath, Supervisor for the Board, who stated that he felt that most street closings were now being picked up by his office, but he was not positive as to the zoning changes. However, it is now agreed that all resolutions on street closings and all amendments to the zoning ordinance will be forwarded by the City Clerk to Mr. McElreath so that each will be given proper consideration.

NIGHT COUNCIL MEETING - JANUARY 13, 1977

Mayor Ochsenreiter announced that the January 13, 1977 Council meeting would be held at 7:30 p. m. in the City Hall Council Chambers.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William D. McElreath
CITY CLERK

Mayor Ochsenreiter said he knew the City of Asheville would suffer a loss due to the City Manager's decision. He said his efforts have been very meaningful to the City of Asheville and it would certainly be a difficult task to find a replacement with his total capabilities.

Councilman Michael thanked the City Manager for all he had done for the City of Asheville. He said he knew the City Manager had a "thankless" job and Council had been neophytes and hard to deal with. He said he appreciated everything the City Manager had done and he would hate to lose him as City Manager.

Councilman Rainey said he had grown to admire the sincerity and hard-working attitude that the City Manager has had over the past year. He said he had found that on occasions when there had been disagreements the City Manager had been one to keep his cool. He said he had been willing to investigate any area of concern and had done it quickly. He said he personally regretted that the City Manager will be leaving but wished him well in his new job.

Vice-Mayor Horton said serving with the City Manager and getting to know him as a person and to appreciate him very greatly in his position of responsibility had been one of the joys of serving on the City Council. He said it was with sincere regret that the City of Asheville must terminate this relationship. He wished him the very best and included the best to his family as he makes his move.

Councilman Morris said he was not happy with the City Manager's decision.

Councilman Hoyle said the City of Asheville could not lose because they had once had Ernest Ward as a City Manager. He said he was one of the guys many years ago that went to bat for Ernest Ward as the City Manager of the City of Asheville. He said it would hurt to lose him but told the City Manager to go wherever he went with God's people.

E. R. McCarthy said the he felt that Mr. Ward had tried to work with the people and the government of Asheville instead of trying to run them.

STREET CLOSINGS AND REZONING REPORTS TO THE BOARD OF TAX SUPERVISION

Vice-Mayor Horton requested that the following memorandum be included in the minutes:

December 9, 1976

MEMORANDUM TO: Members of the Asheville City Council

FROM: William F. Wolcott, Jr. - City Clerk

SUBJECT: Reporting of Street Closings and Zoning Changes to the Board of Tax Supervision

PUBLIC HEARING - REZONING - ELM STREET - MR. GRAHAM SMITH - LE CHATEAU MANAGEMENT

ORDINANCE NO. 936 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property on Elm Street from R-4 Residential District to CH Commercial Highway District, request submitted by Mr. Graham Smith, Le Chateau Management.

Mayor Ochsenreiter opened the public hearing at 7:45 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, on December 8, 1976, recommended approval of the petition submitted by Mr. Graham Smith of Le Chateau Management for the rezoning of Lots 156-161 found on Sheet 2 of Ward 2 from R-4 Residential to CH, property located on Elm Street. He said during the meeting of the Planning and Zoning a problem of access was discussed, however the Commission felt that the problem of poor access could be overcome by the developer. He reviewed, by the use of a map, the location of the proposed rezoning. He said no objections to the rezoning had been received.

Mr. Graham Smith of Le Chateau Management told Council that a modern, semi-luxury steakhouse with professional landscaping is proposed for the location. He said the building will be an asset to downtown Asheville and will enhance the surrounding property. Being property fronting the expressway, the rezoning should correspond with other development in downtown Asheville.

Mayor Ochsenreiter commented that sign regulations for the proposed restaurant had been reviewed and approved under the regulations of the proposed new sign ordinance.

Mayor Ochsenreiter closed the public hearing at 7:54 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Hoyle moved for the adoption of Ordinance No. 936. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 936 passed on first reading.

PUBLIC HEARING - AMENDMENT TO ORDINANCE NO. 322 - ALLOWING VETERINARY HOSPITALS AND CLINICS AS ALLOWABLE USES IN COMMERCIAL HIGHWAY DISTRICT

3. A public hearing was held relative to an amendment to Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, including veterinary hospitals and clinics as allowable uses in the Commercial Highway District.

Mayor Ochsenreiter opened the public hearing at 7:55 o'clock p.m.

Thursday - January 13, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Councilwoman JoAnn M. Swilling, Corporation Counsel Robert J. Robinson, substituting for William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 6, 1977 meeting.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the January 6, 1977 meeting were approved as submitted.

SPIVEY MOUNTAIN ROAD - WATER PROBLEMS - REPORT

Since there were several residents attending the meeting relative to water problems in the Spivey Mountain Road area, Mayor Ochsenreiter asked for a progress report on the problems.

Mr. Bob Brown, Water and Sewer Maintenance Superintendent, told Council that at this time the problem in the Spivey Mountain-Happy Valley Road-Johnson School Road had not been determined. He said these customers have been on low water pressure and some have been out of water since the first part of the week. He said they are still working on isolating the problem. He said plans are to put in line valves, take pressures, and determine whether there is a frozen water problem or a broken water line that has not surfaced because of the snow and ice. He said Jerry VeHaun, Civil Defense Coordinator, is, at this time, overseeing a water hauling operation to the residents of the area in an attempt to give temporary relief. He said the lines in the area are very small and old and there is a definite need for larger lines in the area.

Mrs. Morrell said she had lived on Spivey Mountain for three years and has had low water pressure ever since she moved there. She said she had been out of water since Monday. She appealed to Council for positive improvements such as better lines.

Mayor Ochsenreiter instructed the City Manager to make a thorough study of the problems and determine what capital would be necessary to make improvements to the lines.

Mayor Ochsenreiter told Mrs. Morrell that she would be informed of any progress made on improvements to the Spivey Mountain area.

Mr. Brown said crews were also working on Cherokee Road, where five houses are out of water. He said the water main coming off the top of Sunset is possibly frozen where it crosses over a culvert. He said the thawing crew is now working at the site.

ORDINANCE NO. 938 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 (DEAVERVIEW ROAD CONNECTOR)

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1976-77 relative to the Deaverview Road Connector.

The City Manager read the ordinance and explained that a Water System Improvement Fund Activity, known as the Deaverview Road Connector had been proposed in previous fiscal year budgets for a appropriation of $5,000, however engineering designs have been undertaken and cost estimates based upon actual design drawings indicate the total cost of the said Deaverview Road Connector will be approximately $17,000. The Sardis Road Water Line has been completed and there remains in this Activity a balance of $13,451.44. This ordinance, if adopted, would amend the budget to close out the Sardis Road Water Line by transferring $12,000 to the Deaverview Road Connector Activity and tansfer the balance, $1,451.44 to the Water System Improvement Fund Contingency Activity.

Councilwoman Swilling moved for the adoption of Ordinance No. 938. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 938 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 938. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 938 passed on its second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 938. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 938 passed on its third and final reading.

Complete text of Ordinance No. 938 will be found in Ordinance Book No. 7 at page 91.

RESOLUTION NO. 77-5 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH 30 CRESCENT STREET, 114 MILLBROOK ROAD, 37 RAVENSCROFT DRIVE AND 7 TOXAWAY STREET

7. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 30 Crescent Street, 114 Millbrook Road, 37 Ravenscroft Drive and 7 Toxaway Street.

The City Manager read the resolution.

Councilman Hoyle moved for the adoption of the resolution setting the public hearing date for February 10, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said upon a request received from Dr. David F. Thompson, D.V.M., of Annapolis, Maryland, the Planning and Zoning Commission recommended approval of the wording change which would allow veterinary hospitals and clinics as a conditional use in the Commercial Highway District. This would permit this type of use, but guarantee control through the Board of Adjustments. He reviewed the various locations which would be affected by this change.

After discussion, Mayor Ochsenreiter closed the public hearing at 8:07 o'clock p. m.

The City Manager read the ordinance providing for the wording change as recommended by the Planning and Zoning Commission.

Vice-Mayor Horton moved for the adoption of Ordinance No.937. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 937 passed on first reading.

ORDINANCE NO. 933 - AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE AREA CIVIC CENTER COMMISSION, AS AMENDED

4. Consideration was given to the third and final reading of Ordinance No. 933, an ordinance establishing an administrative body known as the Asheville Area Civic Center Commission, as amended.

Mayor Ochsenreiter stated that this ordinance has been read previously on two readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 933 passed on its third and final reading.

Complete text of Ordinance No. 933 will be found in Ordinance Book No. 7 at page 80.

Mayor Ochsenreiter commented that in the near future the nine (9) members to the Commission would be appointed.

ORDINANCE NO. 934 - AN ORDINANCE AMENDING ORDINANCE NO. 861, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST"

5. Consideration was given to the second reading of Ordinance No. 934, an ordinance amending Ordinance No. 861, known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST".

Mayor Ochsenreiter stated that this ordinance has been read previously on first reading and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 934 passed on its second reading.

PRESENTATION - ARROWHEAD APARTMENTS

Verl Emrick, Planning Director, said the Arrowhead Apartment project is proposed by Alco Properties, Inc. The proposed project is to be located next to the Oak Knoll Jaycees Project on Wood Avenue in Southeast Asheville. He said this Section 8 Housing Project, proposed to contain 150 units, 100 of which will be for elderly, 24-2 bedroom units, 10- 3 bedroom units, and 16-1 bedroom units for occupants other than elderly, was moved from the State Street-Michigan Avenue area after its disapproval. He said the Planning Division reviewed the preliminary site plan and in checking the surrounding site has found that water is available given the assurance by the developer that he will install a 6" main on Glendale Avenue to the property. The sanitary sewer service can be provided from a 10" line near the Southern Railroad. The Asheville Transit Authority, which now serves the Oak Knoll Project, has given assurance that this area could also be served. The area is in close proximity to shopping centers. He said the zoning permits this type project with the maximum density of 16 units per acre. This project does meet these density requirements.

Mr. Emrick said the allocation of these units will not come from any subsequent years allocation of Section 8 units by HUD. They are already committed from prior fiscal years commitment that was obtained for the West Asheville site.

Larry Holt, of the Asheville Housing Authority said the only concern of the Authority is the impaction of low income families in the area. He said there are 180 existing units in the area and 50 units in the East View Homes. This additional 150 units would bring the total to 380 for the area, which would not be impacting the community.

Ridgley Robinson, architect for the project, said the project would be harmonious with the community and the site is ideal for luxury housing. He said it would only be 2 minutes from shopping and entertainment.

Cecilia Rhodes, representative of the Oakley PTA, spoke in opposition to another housing project in the community citing the overcrowding of the school as a problem. She said she did not feel it was right to concentrate low income families in one community. She said it would put strains on the total concept of the community.

Ray Barr, representative of the Oakley's Mens Club spoke in opposition to another housing project in the Oakley community due to the overcrowded conditions in sponsoring recreational activities for the youth in the area. He said an additional housing project would make the situation worse. He also commented that this project would overtax the community's physical facilities and capabilities.

Lorraine Conner, an Oakley resident, also spoke in opposition to another housing project in the area due to the problems now encountered from the existing Oak Knoll Project.

Bob Anderson, an Oakley resident, spoke in opposition to the housing project due to traffic congestion.

Mrs. Hilton, from Sayles-Biltmore Bleacheries, spoke in opposition to the housing project being built in the community.

Complete text of Resolution No. 77-5 will be found in Resolution Book No. 9 at page 185.

ORDINANCE NO. 939 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, CHAPTER 28 - TRAFFIC, SPECIFICALLY SECTION 28-96 (PASSENGER ZONES AND LOADING ZONES) AND SECTION 28-107 (IMPOUNDMENT OF PARKED VEHICLES).

8. Consideration was given to an ordinance amending the Code of Ordinances of the City of Asheville, Chapter 28 - Traffic, specifically Section 28-96 (passenger zones and loading zones) and Section 28-107 (impoundment of parked vehicles).

The City Manager read the ordinance.

Councilman Michael asked that it be made clear in the ordinance that the owner be notified of the location of where his vehicle will be stored.

Councilman Rainey moved that the ordinance be amended to amend sub-section (f) to read as follows: (F) Vehicle parked in violation of a city ordinance or state statute except for those vehicles that are parked in an overtime parking space.

Drew Walker, Asheville Police Legal Advisor, said this section was put in to allow for unforeseen incidents, such as someone with many unpaid parking violations.

Mayor Ochsenreiter suggested that before the second reading of the ordinance Mr. Walker and the Corporation Counsel work on an ordinance which would be satisfactory to members of Council.

Councilwoman Swilling moved for the adoption of Ordinance No. 939. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-1, Ordinance No. 939 passed on first reading, with Councilman Michael voting "no".

RESOLUTION NO. 77-6 - RESOLUTION AUTHORIZING THE ADVERTISEMENT OF A LEASE-PURCHASE AGREEMENT AUTHORIZING THE CITY OF ASHEVILLE TO SELL DISPOSAL PARCEL 1 IN THE CIVIC REDEVELOPMENT AREA (N. C. R-13) TO ALLEN CENTER

9. Consideration was given to a resolution authorizing the advertisement of a lease-purchase agreement authorizing the City of Asheville to sell disposal parcel 1 in the Civic Redevelopment Area (N. C. R-13) to Allen Center.

The City Manager read the resolution and explained that Disposal Parcel 1 was originally intended for purchase by the Allen Center but they were unable to exercise their option at the time the Housing Authority was in the process of closing out the Civic Redevelopment Project and this resolution would authorize a lease purchase agreement with the Allen Center.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-6 was unanimously adopted.

Complete text of Resolution No. 77-6 will be found in Resolution Book No. 9 at page 187.

Councilman Michael said he felt Council should refuse all housing projects for the time being regardless of the money and take another look as to why it is necessary for the City to have 100 or 150 units rather than having 1 or 2 units in different neighborhoods. He said the communities are turning into Housing Projects.

Councilman Rainey moved that a copy of the minutes of the meeting relative to the Arrowhead Apartment Project be forwarded to the HUD officials. This motion was seconded by Councilman Michael and carried unanimously.

PETITION - TRAFFIC PROBLEMS - BEAUCATCHER MOUNTAIN VIA COLLEGE STREET

The City Manager read the following petition:

TO WHOM IT MAY CONCERN:

We are concerned about the increase in thru traffic traveling back and forth over Beaucatcher Mountain via College Street. The increase in traffic seems to be caused by the engineering and construction work associated with the cut through Beaucatcher Mountain and the traffic congestion at the tunnel, also excessive speeding primarily between the hours of 7:15 A.M. to 8:30 A.M., 11:30 A.M. to 1:00 P.M., and 4:30 P.M. to 6:00 P.M.

Since these traffic problems will be with us for some time, at least until the open cut is complete, we would appreciate appropriate City and State Departments working out some practical solutions. In particular, we would like the following items given consideration, especially since we have experienced some hazardous experiences during the last two snows:

1) Sanding Mountain and College Streets by 6:30 A.M. in times of snow and ice conditions. Before College Street was closed leading to Town Mountain Road there was not as steep an incline leading to the the Expressway or to the main traffic arteries. However, since College Street is closed the only access to main traffic arteries is on Mountain Street. This Street is very narrow, it is used for school pickups, and is the main access to Lucy Herring School facilities. Another reason that we are making special emphasis about early sanding is that in previous years sanding has been done too late in the day or not at all.

2) Mountain Street should be widened and the curbs broadened at the intersection of College Street.

3) Speed limit signs posted or erected.

Any other traffic changes that could be implemented to help alleviate this congestion would certainly be appreciated.

Very truly yours,

Mr & Mrs Jerry M. Thomas
457 College St.

Mr. & Mrs. Ralph B. Brown, Jr.
478 College Street

Kirby A. McGee
444 East College St

Mr. & Mrs. H. E. Cooper
485 College Street

Mr. & Mrs. R. B. Brown Jr.
55 Northwood Rd.

[illegible]
474 College St.

Verl Emrick said the purpose of the presentation is to respond as the Council has with every other Section 8 Housing to HUD officials. They have notified the City that this project has been accepted for review and this is Council's chance to comment on it. Even with this comment, should this project be approved by HUD it will still have to go through a group development review. He said the Planning Staff, needs direction from Council as to how to respond to the HUD officials relative to the project.

Ridgley Robinson commented that the 100 units designed for the elderly in the proposed project would definitely be filled with elderly people. He said in his opinion 40 to 45 children would be added to the community by this project.

Councilman Michael said that HUD officials, as with the Oteen VA Hospital site and the Battery Park Hotel site, approved what they wanted to without considering Council's comments. He said he did not feel he should tell HUD what to do when they are going to approve what they want to.

Councilman Rainey agreed with Councilman Michael's comments. He said Council should be concerned with the immediate problems in the Oakley community without additional public housing.

Councilman Hoyle asked Ridgley Robinson if the developer would amend his proposal to make a complete elderly housing project.

Upon inquiry of Councilwoman Swilling, Mr. Robinson said HUD's approval of the project is contingent upon local approval.

Mr. Robinson said the developer investigated all aspects of the site which met all the requirements. He said he did not feel an existing housing project should be a detriment to another project. He said all locations proposed for multi-family dwellings receive some opposition.

Councilwoman Swilling said she felt the developers should have chosen a site that was not in close proximity to an existing housing project.

Councilman Michael commented that further input from more people in the neighborhood should be obtained such as from the schools, churches, etc.

Mr. Robinson said the proposal to add these units is in complete keeping with the City of Asheville adopted Housing Assistance Plan.

Vice-Mayor Horton said this proposal seems to have the same character of problems as previously proposed in the West Asheville area.

Mrs. Rhodes also spoke of the crime that has increased in the Oakley community since Oak Knoll Project was put in. She said if the federal government could afford to put in these units they could afford to pay for the control of the overcrowding situation such as schools, recreation, etc.

Mr. Robinson said he would relay the message of the desire for a complete elderly housing project to the proposed developers.

Mr. John Fuller, also spoke in opposition to the proposed project. He said these projects turn the community into ghetto's. He suggested redeveloping existing vacant houses in the City of Asheville.

Thursday - January 20, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Otis B. Michael, Gene E. Rainey, Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, Assistant City Manager William F. Wolcott, Jr., Acting City Clerk Carol Hensley

Absent: Councilman Ralph D. Morris, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 13, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the January 13, 1977 meeting were approved as submitted.

PUBLIC HEARING - REZONING CORNER OF ST. DUNSTAN'S ROAD AND McDOWELL STREET - R-3 RESIDENTIAL TO OFFICE INSTITUTIONAL - MOORE OFFICE BUILDING, INC.

ORDINANCE NO. 940 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to rezoning property at the corner of St. Dunstan's Road and McDowell Street from R-3 Residential District to Office Institutional District, property owned by James W. Moore, Moore Office Building, Inc.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The Assistant City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, on December 8, 1976 voted to recommend denial of the petition for rezoning due to traffic problems at McDowell Street and St. Dunstan's Road relative to the volume of traffic passing this intersection and also the speed of vehicles coming off the viaduct, traveling north. Also, at present the streets provide a natural boundary between the residential zone and that of either the Office Institutional or Heavy Industrial and rezoning could be detrimental to the residential area.

Mr. Emrick said due to written objections from adjoining property owners, constituting 20 per cent of the area, a 3/4 favorable vote of all members of Council would be necessary to rezone the property as petitioned.

He said since the Planning and Zoning hearing the Tax Office had obliterated Lots 220, 96, 97, 98, 99 and 100 and the rezoning would be for a portion of Lot 5, excluding those tax lots formerly identified as 94 and 95. He said Mr. Moore was not requesting the rezoning of Lots 94 and 95 to assure the adjoining property owners of a buffer between the proposed business and the residential area.

Richard Wood, attorney representing Mr. James W. Moore, said Mr. Moore had purchased the property in July, 1973 and at that time it was his understanding that the property was zoned Commercial. He said Mr. Moore now has the Arco Blue Printing Company on Biltmore Avenue and is forced to move to another location.

COUNCILMAN MICHAEL - REPORT OF FAA MEETING

Councilman Michael said he had attended a meeting with FAA and the Airport Director and within the next two weeks general aviation aircraft will be allowed to depart and take on passengers at the air terminal. This will help in several ways, it will help in the restaurant and the car rental services as well as the gift shop and hopefully the airport revenues.

Adjournment.

Eugene S. Clarke Jr.
MAYOR

William O. Nesbitt
CITY CLERK

ORDINANCE NO. 936 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. Consideration was given to the second reading of Ordinance No. 936, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Elm Street from R-4 Residential District to CH Commercial Highway District.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 936 passed on second reading.

ORDINANCE NO. 937 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

4. Consideration was given to the second reading of Ordinance No. 937, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, allowing for veterinary hospitals and clinics as conditional uses in the Commercial Highway District.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 937 passed on second reading.

ORDINANCE NO. 934, AN ORDINANCE AMENDING ORDINANCE NO. 861, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST"

5. Consideration was given to the third and final reading of Ordinance No. 934, an ordinance amending Ordinance No. 861, known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST".

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 934 passed on third and final reading.

Complete text of Ordinance No. 934 will be found in Ordinance Book No. 7 at page 85.

He said he purchased the property on McDowell Street dus to the close proximity of the present location. He said Arco Blue Printers have an average of 30 customers per day and he did not feel that this was a substantial increase in traffic in the area. He said in his opinion the property does not lend itself to a residential area. He said it was felt that the premature grading of the area concerned the adjoining property owners, however since that time Mr. Moore had met with the property owners in an effort to avoid further annoyance.

Roger Lyda, architect, reviewed the details of the proposed business by the use of a scale model of the property. He said a heavy buffer zone would be placed between the residential area and the business. He answered general architectural questions from members of Council.

Council's principal reservation concerning the proposed rezoning was the problem of traffic flow on McDowell Street in particular, the lack of a traffic light along that stretch of McDowell between Doctor's Drive and the viaduct.

Councilman Michael said the Department of Transportation said there wasn't enough traffic on McDowell to warrant a traffic light.

Concern was expressed that construction of the proposed office building would worsen the problem.

It was the consensus of Council for staff, along with the developer, to work with the Department of Transportation to work out a definite solution to the traffic problem.

Mr. Albert Awald, of 172 St. Dunstan's Road, who had objected to the rezoning, said he would withdraw his opposition if Mr. Moore would build the building like he proposed with a heavy buffer zone for the residential area.

Mr. Jack L. Ingle, of 25 St. Dunstan's Circle, also had opposed the rezoning but said he would withdraw his opposition if Mr. Moore would make the heavy buffer zone a first priority on the project.

Mr. Moore assured Mr. Ingle that the buffering would be a first priority.

Mayor Ochsenreiter closed the public hearing at 3:50 o'clock p. m.

The Assistant City Manager read a prepared ordinance rezoning the property as petitioned.

Councilman Rainey moved for the adoption of Ordinance No. 940. This motion was seconded by Councilman Hoyle.

Vice-Mayor Horton suggested that the Planning Staff have a traffic engineering study made to determine a definite solution to the traffic problem.

Mr. Emrick said such a report should be available within two weeks prior to the third reading of the ordinance.

On a roll call vote of 6-0, Ordinance No. 940 passed on first reading.

Upon motion of Councilman Hoyle, seconded by Councilwoman Swilling, Resolution No. 77-7 was unanimously adopted.

Complete text of Resolution No. 77-7 will be found in Resolution Book No. 9 at page 88.

RESOLUTION NO. 77-8 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE THREE SEPARATE RIGHT-OF-WAY AGREEMENTS WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF A 12-INCH WATER LINE ON HAYWOOD ROAD AT COVINGTON STREET AND THE CROSSING OF SAND HILL ROAD AT SHELBURNE ROAD. ALSO FOR AN 8-INCH WATER LINE TO BE INSTALLED ON U. S. 19-23 (PATTON AVENUE) IN THE VICINITY OF DEAVERVIEW ROAD

8. Consideration was given to a resolution authorizing the Mayor to execute three separate right-of-way agreements with the North Carolina Department of Transportation for the installation of a 12-inch water line on Haywood Road at Covington Street and the crossing of Sand Hill Road at Shelburne Road. Also for an 8-inch water line to be installed on U. S. 19-23 (Patton Avenue) in the vicinity of Deaverview Road.

The Assistant City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-8 was unanimously adopted.

Complete text of Resolution No. 77-8 will be found in Resolution Book No. 9 at page 89.

RESOLUTION NO. 77-9 - RESOLUTION OF INTENT TO CLOSE LAUREL STREET AND PORTIONS OF McLEAN STREET AND OAK STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

9. Consideration was given to a resolution of intent to close Laurel Street and portions of McLean Street and Oak Street and calling a public hearing on the question.

Verl Emrick, Planning Director, said the petitioner, Thomwins, Inc., is requesting this action in order to develop a twelve (12) lot subdivision near these streets. He said the staff reviewed the plans for this subdivision, and determined that the plat will not be subject to the normal review and approval process. Although the subdivision approval process is not required in this case the owners have submitted the plans for our recommendations and the review indicates that the plat complies with Ordinance No. 424, Subdivision Regulations. The streets have not been developed or accepted by the City of Asheville therefore, it is the staff's recommendation that a public hearing be set and action be taken to close these streets . He said it would not affect the Powell Bill funds and the property owners will not be deprived of access and the closing would be in the best interest of both the City and the Developer.

The Assistant City Manager read the petition and resolution scheduling the public hearing for February 24, 1977.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton , Resolution No. 77-9 was unanimously adopted.

Complete text of Resolution No. 77-9 will be found in Resolution Book No. 9 at page 90.

ORDINANCE NO. 939 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, CHAPTER 28 - TRAFFIC, SPECIFICALLY SECTION 28-96 (PASSENGER ZONES AND LOADING ZONES) AND SECTION 28-107 (IMPOUNDMENT OF PARKED VEHICLES).

6. Consideration was given to the second reading of Ordinance No. 939, an ordinance amending the Code of Ordinances of the City of Asheville, Chapter 28-Traffic, specifically Section 28-96 (passenger zones and loading zones) and Section 28-107 (impoundment of parked vehicles).

The Assistant City Manager said since the first reading several amendments have been made to the ordinance in order to comply with several members of Council's requests. He read the ordinance, with the amendments which included sub-section (F) of Section 28-107 "List of Categories" to read: "Vehicle parked in violation of a state statute or a city ordinance, except the city ordinance against overtime parking"; the second sentence of the second paragraph in Section 28-107 was inserted to read: "It shall be the duty of the Police Department to notify the owner of the vehicle or, if the owner is incapable of understanding notifications, to notify a responsible respresentative of impoundment"; Section 28-96 was amended to give the City Manager the authority to determine, designate and locate passenger zones, loading zones and tow-away zones on the highways, streets, and roadways within the City rather than the Chief of Police.

Vice-Mayor Horton moved to amend the ordinance as read by the Assistant City Manager except to change the second sentence in the second paragraph to read: "It shall be the duty of the Police Department to notify the owner of the vehicle or, if the owner is incapable of understanding said notice, to notify a responsible representative of the owner."

Mr. E. R. McCarthy said trailers and other vehicles should be included in the proposed ordinance. He questioned whether there would be abuse or favoritism shown if Council did not regulate a wrecker fee and storage fee. He also questioned whether the wrecker companies would have insurance to cover the vehicles being towed.

Mr. Drew Walker, Asheville Police Legal Advisor, said he was contacting other cities to see how they were regulating wrecker and storage fees and other aspects of the subject and a proposal should be forthcoming on the matter.

On a roll call vote of 5-0, Ordinance No. 939, as amended, passed on second reading.

RESOLUTION NO. 77-7 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT BETWEEN THE NORTH CAROLINA BOARD OF TRANSPORTATION AND THE CITY OF ASHEVILLE RELATIVE TO REIMBURSABLE WORK AT THE INTERSECTION OF US 19-23 AND HAZEL MILL ROAD

7. Consideration was given to a resolution authorizing the Mayor to execute an agreement between the North Carolina Board of Transportation and the City of Asheville relative to reimbursable work at the intersection of U. S. 19-23 and Hazel Mill Road.

The Asst. City Manager read the resolution and explained that Council had previously authorized this work and the North Carolina Board of Transportation would relocate and reconstruct the intersection of U. S. 19-23 and Hazel Mill Road. He said the estimated cost for the performance of the work is $3,000.00.

inadequate fire hydrants such as the north end of town, West Asheville, Haw Creek, and Oakley and some in the Town Mountain area on the east side of town. He said these inadequacies have been discussed with the Water and Sewer Director and should be corrected as money permits. He said the Fire Department is well aware of which areas are inadequately supplied with hydrants. When called to fight a fire in one of these areas, the tanker and the pumpers are dispatched to ensure an adequate supply of water. The three pumpers have a capacity of 500 gallons each, while the tankers hold 1,250 gallons.

Chief Ball said the AIA recommends spacing of fire hydrants at 800 to 1,000 feet from each house. He estimated that 15 per cent of the houses within the City Limits are located too far from the nearest fire hydrant.

In 1976, because of construction being done in various water lines, only a spot check was done. Of the approximately 500 hydrants checked, 100 were replaced and 200 or more were repaired.

Chief Ball explained that some of the old hydrants can not be repaired because replacement parts are not available. These are being replaced as money permits.

Councilman Michael complained that the same fire hydrants have been inspected year after year and have been found defective and there's just a report made and nothing is done about it. He said more and more money for water improvements outside the City Limits is being spent, while inside the city limits 15 per cent of the houses still have no fire hydrants. He said Council has the duty to provide adequate fire protection, not to 85 per cent of the people of Asheville, but to 100 per cent. He requested the City Manager to furnish Council with a report showing how the City will reduce the 15 per cent inadequacy to zero. He said perhaps the Council's committee, of which he is a member, needs to look at increasing water rates to furnish adequate fire protection.

REPORT ON WORK CONDITIONS IN COLD WEATHER

W. Michael Smith, Director of Central Services, said the recent cold weather and recent snows has significantly affected the City's operation in almost every area. He said one of the major areas affected is of the number of injuries of those working in the cold weather with snow and ice conditions. He said in the period from December 15 to January 19 there has been a total of nine compensable lost-time injuries, of these three were major injuries consisting of a broken wrist, a broken hand and a double fracture with dislocation.

Mr. Smith commended all the department and division heads and the Safety Officer for their emphasis on safety adding that the City was lucky to get by with only nine injuries.

He said another point was the number of calls for service that had been received. During the period December 1, 1975 to January 30, 1976 a total of 2,325 calls for service was received and in the period of only four weeks between December 19, 1976 and January 19, 1977 more than 4,000 calls were received by the Service and Information Division. This does not include calls directly to the Water Department, Mayor's Office or the City Manager's Office.

EFFECTIVE DATE OF ORDINANCE NO. 934-AN ORDINANCE AMENDING ORDINANCE NO. 861, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST"

Vice-Mayor Horton noted, for clarification, that Ordinace No. 934 became effective as of January 1, 1977.

RESOLUTION NO. 77-10 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL (Libby Henry and Joe Trulove)

Consideration was given to a resolution appointing Libby Henry and Joseph Trulove as members of the Board of Directors of the Asheville-Buncombe Community Relations Council.

The Assistant City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 77-10 was unanimously adopted.

Complete text of Resolution No. 77-10 will be found in Resolution Book No. 9 at page 92.

ADVERTISING OF AIRPORT LEASES - HERTZ, AVIS, NATIONAL RENTAL CARS, GIFT SHOP AND LIMOUSINE SERVICE

Corporation Counsel William C. Moore advised Council that the leases for the Hertz Corporation, Avis Rent A Car System, Inc. and National Car Rental of Asheville, Inc., gift shop, and limousine service have been negotiated and agreed upon and it would be necessary for Council to authorize the advertisement of such leases.

Vice-Mayor Horton moved to authorize the City Clerk to advertise the leases of Hertz Corporation, Avis Rent A Car System, Inc. and National Car Rental of Asheville, Inc., gift shop and limousine service for the Asheville Airport. This motion was seconded by Councilman Hoyle and carried unanimously.

ELECTRIC POWER SHORTAGE

Mayor Ochsenreiter announced that he had been in contact with Mr. Dyson of the Carolina Power and Light Company regarding the electric power shortage. He said service would not be cut back if customers would conserve during the cold weather.

REPORT BY FIRE CHIEF - FIRE HYDRANTS

Chief Ball reported that the American Insurance Association requires that the Fire Department inspect each fire hydrant in the City Limits annually. He said in 1975, 1,527 fire hydrants were inspected, and seven per cent (7%) were found to be in need of repair. He said the Fire Department reports each inadequate hydrant to the Water Department. He said in 1975 the Water Department did repair the 7 per cent except for the ones that indicated low pressure. He said all of the fire hydrants in the City are color-coded on top to indicate how many gallons they can supply per minutes. A red capped hydrant indicates a capacity of approximately 500 gallons per minute while orange means 750 gallons and green means 1,000 gallons. He said there are certain areas in the City that have

POLICE DEPARTMENT

ASHEVILLE

NORTH CAROLINA

JOSEPH C. HALL
CHIEF OF POLICE

January 18, 1977

Ernest J. Hard, Jr.
City Manager
Asheville, North Carolina 28807

Dear Mr. Hard:

As you know, I recently sustained a heart attack at the Police Department and was hospitalized for several days. I have not, at this point, returned to duty.

My doctors have advised me that I am not physically able to resume my duties, therefore this is to request that I be placed on disability retirment, effective February 1, 1977.

The doctors decision has not been easy to accept, but I feel that I must abide by their instructions.

It has been an honor and a privilege to serve the citizens of this community and I assure you of my continued support.

Sincerely,

Joseph C. Hall

ALL-ASHEVILLE LIVING

Mr. Smith said another major problem is the tremendous amount of overtime for weather-related work. He said during the five week period of December 4, 1976 and January 7, 1977 seven per cent of the payroll was for overtime. During the last week overtime accounted for 19.2 per cent of the City payroll. In some departments such as the Street Department and the Water Department overtime is running as high as 40 to 50 per cent of the payroll. He said, normally, overtime is held below 3 per cent.

Assistant City Manager William F. Wolcott, Jr., said street crews and water department personnel have been working almost around the clock but if the cold weather continues something will have to worked out about cutting down the overtime.

Councilman Rainey commented that Providence Road and Garden Road still had not been sanded five or six days after the snow. He said some kind of contingency plan should be made for this type of weather.

DAVID JOHNSON - 9 WEAVER STREET - WATER BILL

Mr. David Johnson, of 9 Weaver Street, complained of an extremely high water bill which he could not pay due to a limited income. He said the Water Department had notified him that they were going to disconnect his water.

Mayor Ochsenreiter requested that Mr. Johnson meet with the Assistant City Manager after the meeting to solve his problem.

CURVE AT N. C. 694 - TOWN MOUNTAIN ROAD - REQUEST OF COUNCILMAN MICHAEL

Councilman Michael requested that the City Manager request the Department of Transportation to eliminate the curve at the bottom of N. C. 694 that was altered to make the open cut.

REQUEST OF COUNCILMAN RAINEY - AUTOMOBILE SPARE PARTS

Councilman Rainey requested a report of the amount of money spent on automobile spare parts and where they are purchased.

APPOINTMENTS TO BOARD OF TAX SUPERVISION - MR. JOHN B. FISHER AND MR. TRAYNHAM HOUSTON

Mayor Ochsenreiter announced that he and Curtis Ratcliff, Chairman of the Buncombe County Board of Commissioners were jointly appointing Mr. John B. Fisher, 24 Woodgate Drive and Mr. Traynham Houston, 133 Red Oak Road, to serve on the Buncombe County Board of Tax Supervision.

Mayor Ochsenreiter instructed the City Clerk to include the appointment in the minutes and to advise the Tax Supervisor of this appointment.

RESIGNATION OF CHIEF J. C. HALL AS CHIEF OF POLICE

The Assistant City Manager read the following letters relative to the resignation of Chief J. C. Hall as Chief of Police:

Vice-Mayor Horton expressed his personal appreciation to Chief Hall and suggested that a proper resolution of appreciation be prepared.

Adjournment.

Eugene D. Siegenthaler Jr.
MAYOR

Norman D. Delcatto
CITY CLERK

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

January 20, 1977

OFFICE OF
CITY MANAGER

Honorable Eugene C. Ochsenreiter and
Members of the Asheville City Council
City Hall
Asheville, North Carolina

Dear Councilpersons:

The Charter of the City of Asheville provides that the City Manager shall inform the Council of any change in the status of an appointment made by the Manager in the Administrative Service. Chief of Police Joseph C. Hall has informed me, by letter dated January 18, 1977, a copy of which is attached, that his doctors have advised him that he is not physically able to resume his duties and is requesting that he be placed on disability retirement effective February 1, 1977.

Chief Hall will be placed on disability retirement February 1, 1977 in accordance with the Policemen and Firemen Pension Fund.

Assistant Chief of Police Joseph Trulove has been named Acting Chief of Police until such time as Chief Hall's successor is appointed.

I am instructing Personnel Director, Michael Smith, to begin accepting applications for Chief of Police so that they will be available for review for the next City Manager.

Joseph C. Hall has been employed by the City of Asheville since 1946. He was named Assistant Chief in 1954 and was appointed Chief in 1967. The City of Asheville can be proud of this service and performance rendered by Chief Hall. His knowledge and ability as a law enforcement official has been recognized by state and federal agencies. Chief Hall is a loyal and dedicated servant to the citizens of Asheville and it has been a privilege for me to work with him.

Very truly yours,

Ernest J. Ward
City Manager

EJW/cah

ALL ASHEVILLE LIVING

He said during the Planning and Zoning meeting four letters in opposition from nearby property owners were presented and as a result the twenty percent (20%) protest rule applied which required a favorable vote of three-fourths of all members of City Council to approve the zoning change. However, since that time one of the adjoining property owners, Mr. Wallace Hensley, who had opposed the rezoning withdrew his opposition on January 26, 1977. Therefore, the twenty percent protest rule no longer applies to this particular rezoning. Consequently, only a simple majority is required to approve this request.

Mr. Jerry Miller, attorney representing Mrs. Louise Ray, said Mrs. Ray was requesting the rezoning in order to allow for a dress outlet shop or a repair shop in the basement of her house. Responding to the objections of the Planning and Zoning Commission, he said the Commission acted upon the matter under the impression that the twenty percent protest rule applied. He said the increased curb cuts was regulated by the State Highway Commission and there would be no difference in residential or commercial curb cuts. He said the area has already developed into a commercial area therefore, the intrusion into an existing residential neighborhood would not be a realistic objection. He requested Council's favorable recommendation.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:18 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Hoyle moved for the adoption of Ordinance No. 941. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 4-0, Ordinance No. 941 passed on first reading.

Councilman Morris said he would like to see pictures of house and what lies on both sides of the house before the second reading of the ordinance.

ORDINANCE NO. 940 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Property Corner of St. Dunstan's Road and McDowell Street)

4. Consideration was given to the second reading of Ordinance No. 940, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property at the Corner of St. Dunstan's Road and McDowell Street.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Bob McDonald, of the Planning Division, said as a result of two opposing property owners withdrawing their protests and a decision by the N. C. Supreme Court relating to this particular point of law, the protest rule no longer applies to this rezoning. Only a simple majority vote will be required to approve the request.

On a roll call vote of 4-0, Ordinance No. 940 passed on second reading.

Vice-Mayor Horton said he would still like a report on the status of the traffic problems on McDowell Street before the third reading of the ordinance.

Thursday - January 27, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Ralph D. Morris, Jr. Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, City Manager Ernest J. Ward, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Gene E. Rainey and Otis B. Michael

APPROVAL OF MINUTES

1. Approval of the minutes of the January 20, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the January 20, 1977 meeting were approved as submitted.

RESOLUTION NO. 77-11 - RESOLUTION OF APPRECIATION TO CHIEF OF POLICE JOSEPH C. HALL

2. Consideration was given to a resolution of appreciation to Chief of Police Joseph C. Hall.

Mayor Ochsenreiter read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-11 was unanimously adopted.

Complete text of Resolution No. 77-11 will be found in Resolution Book No. 9 at page 93.

CONTINUATION OF PUBLIC HEARING - REZONING - NORTH LOUISIANA AVENUE - MRS. LOUISE RAY

3. Continuation of a public hearing relative to rezoning property on North Louisiana Avenue from R-5 Residential District to CH Commercial Highway District, property owned by Mrs. Louise Ray.

Bob McDonald, of the Planning Division, stated that this public hearing was being continued from the January 6, 1977 meeting at the request of Mr. Jerry Miller, attorney for Mrs. Louise Ray.

Mr. McDonald said, on November 3, 1976, the Planning and Zoning Commission recommended denial of the rezoning petition for the following reasons:

1. Change in zoning could potentially increase traffic and provide for additional curb cuts in an area with existing dangerous traffic conditions.

2. The change would provide for further commercial intrusion into a residential area.

3. The Commercial Highway District provides for a variety of commercial and business activities; some of which if established, could adversely affect the nearby residential neighborhood.

ORDINANCE NO. 939 - AN ORDINANCE AMENIDNG THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, CHAPTER 28- TRAFFIC, SPECIFICALLY SECTION 28-96 (PASSENGER ZONES AND LOADING ZONES) AND SECTION 28-107 (IMPOUNDMENT OF PARKED VEHICLES)

7. Consideration was given to the third and final reading of Ordinance No. 939, an ordinance amending the Code of Ordinances of the City of Asheville, Chapter 28 - Traffic, specifically Section 28-96 (passenger zones and loading zones) and Section 28-107 (impoundment of parked vehicles).

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 939 passed on its third and final reading.

Complete text of Ordinance No. 939 will be found in Ordinance Book No. 7 at page 92.

REPORT FROM COUNCIL COMMITTEE - PROPOSED PROJECTS FOR THE COMMUNITY DEVELOPMENT THIRD YEAR

8. Logan Delany, Community Development Coordinator, said the committee appointed by the Mayor, consisting of Vice-Mayor Horton, Councilman Michael, and Councilwoman Swilling, reviewed the suggestions made by the Community Development residents and Community Development staff for the Third Year Funding. He said they reviewed some 75 recommendations from citizens and 40 from the Community Development staff. These recommendations amounted to in excess of $5,000,000 and the funding, this year, for the Community Development Program is $2,822,000. He presented members of Council with the list of recommendations from the committee. He said it would be his recommendation that Council review these suggestions and act upon them at the regular meeting on February 3, 1977.

Councilwoman Swilling expressed appreciation to Logan Delany and the Community Development staff that worked on these recommendations. She said the recommendations were taken from citizens request. She said it would have been more helpful if more citizen input had been offered.

Councilman Hoyle commented that he was glad the recommendations favored the Central Business District.

RESOLUTION NO. 77-12 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH LAND-OF-SKY REGIONAL COUNCIL FOR SERVICES TO BE PROVIDED UNDER THE NUTRITION PROGRAM FOR OLDER ADULTS

9. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Land-of-Sky Regional Council for services to be provided under the Nutrition Program for Older Adults.

The Assistant City Manager read the resolution and explained that this is a continuation of a program that the City has sponsored for sometime and provides for 251 meals in the City of Asheville, predominently at the Senior Opportunity Center.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 77-12 was unanimously adopted.

ORDINANCE NO. 936 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on Elm Street)

5. Consideration was given to the third reading of Ordinance No. 936, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on Elm Street.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished with copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Mr. Carl McIntosh said his aunt, Mrs. Ida Martin, owns property at 164 S. Liberty Street which adjoins the property proposed to be rezoned. He said he was speaking on behalf of his aunt in opposition to the rezoning. He said if the ordinance is adopted the property value will be reduced and this property is her life's earnings. He said once approved the restaurant could change hands and all control would be lost as to the type of occupancy for the property in the future. He said Mrs. Martin's bedroom window faces the proposed restaurant and she felt the noise would disturb her.

Bob McDonald, of the Planning Division, said the developer would bring a site plan in when he applied for a building permit and an adequate buffer zone between the residential property and the restaurant could be required.

The developer commented that his firm employs professional landscapers and assured Council this would be done professionally.

Councilman Morris moved to table the ordinance for one week until Council members had an opportunity to make an on-site inspection of the property. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 937 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Allowing for veterinary hospitals and clinics as conditional uses in the Commercial Highway District).

6. Consideration was given to the third and final reading of Ordinance No. 937, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended allowing for veterinary hospitals and clinics as conditional uses in the Commercial Highway District.

Mayor Ochsenreiter stated that the ordinance was previously read on two readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 937 passed on its third and final reading.

Complete text of Ordinance No. 937 will be found in Ordinance Book No. 7 at page 89.

AMERICAN FLAG - USS ASHEVILLE

Mayor Ochsenreiter announced that the City of Asheville has received an American Flag which was flown over the USS Asheville. He said the USS Asheville is to be decommissioned on January 31, 1977. He said the City of Asheville should be proud of this historical preservation.

COUNCIL MEETING - FEBRUARY 3, 1977 - NIGHT MEETING

Mayor Ochsenreiter announced that the February 3, 1977 Council meeting will be held at 7:30 o'clock p. m. in the Council Chambers.

Adjournment.

William E. Ochsenreiter by Eugene S. Ochsenreiter Jr.

MAYOR CITY CLERK

Complete text of Resolution No. 77-12 will be found in Resolution Book No. 9 at page 94.

BIDS - COIN-OPERATED METAL LOCKERS FOR THE LIVINGSTON STREET CENTER

10. Consideration was given to bids received January 17, 1977 for coin-operated metal lockers for the Livingston Street Center.

The Assistant City Manager read a memorandum from the Purchasing Agent which recommended the fully responsive low bid submitted by American Locker Security Systems, Inc. in the amount of $5,869.98.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to American Locker Security Systems, Inc. in the amount of $5,869.98. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
American Locker Company	$5,869.98
Tiffin Metal Products	6,475.55

RESOLUTION NO. 77-13 - RESOLUTION OF INTENT TO CLOSE A PORTION OF CLUB VIEW ROAD AND CALLING A PUBLIC HEARING ON THE QUESTION

11. Consideration was given to a resolution of intent to close a portion of Club View Road and calling a public hearing on the question.

The Assistant City Manager read the petition and the resolution scheduling the public hearing for March 10, 1977.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-13 was unanimously adopted.

Complete text of Resolution No. 77-13 will be found in Resolution Book No. 9 at page 95.

CLAIMS - SAMUEL M. CAMP - MR. AND MRS. LLOYD LYNCH

The Assistant City Manager presented claims received from Samuel M. Camp and Mr. and Mrs. Lloyd Lynch.

Mayor Ochsenreiter referred the claims to the Corporation Counsel for investigation and recommendation.

QUALITY FORWARD - INTEREST IN DOWNTOWN

Mr. Bob Buckholtz with "Quality Forward" told Council that they would be willing to work with Council on the Downtown improvements. He said Quality Forward has a Downtown Development Division and perhaps a meeting together would help.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

The City Manager read a letter from Mr. R. E. Edmonds, Area Traffic Engineer with the Department of Transportation, advising that a traffic light at the intersection of U. S. 25 (McDowell Street) and Doctor's Drive would be installed. He said this should solve the problem with traffic in this area.

On a roll call vote of 6-0, Ordinance No. 940 passed on third and final reading.

Complete text of Ordinance No. 940 will be found in Ordinance Book No. 7 at page 94.

ORDINANCE NO. 936 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on Elm Street)

4. Consideration was given to the third reading of Ordinance No. 936, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Elm Street.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and postponed on third reading during the meeting of January 27, 1977 in order for Council members to make an on-site inspection of the property. He said members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 936 passed on third and final reading.

Complete text of Ordinance No. 936 will be found in Ordinance Book No. 7 at page 89.

RESOLUTION NO. 77-14 - RESOLUTION OF APPRECIATION TO ERNEST J. WARD, JR.

5. Mayor Ochsenreiter read a resolution of appreciation to Ernest J. Ward, Jr.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-14 was unanimously adopted.

Complete text of Resolution No. 77-14 will be found in Resolution Book No. 9 at page 197.

The resolution reads as follows:

Thursday - February 3, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr. Councilwoman JoAnn M. Swilling, Corporation Counsel Willian C. Moore, City Manager Ernest J. Ward, Acting City Manager Kenneth M. Michalove, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the January 27, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the January 27, 1977 meeting were approved as submitted.

ORDINANCE NO. 941 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Property on North Louisiana Avenue owned by Mrs. Louise Ray)

2. Consideration was given to the second reading of Ordinance No. 941, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, property on North Louisiana Avenue owned by Mrs. Louise Ray.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council were previously furnished with copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

For the benefit of Councilman Rainey, who was absent during the January 27, 1977 meeting, Mr. Emrick, Planning Director, and Jerry Miller, Attorney for Mrs. Louise Ray, reviewed the comments made during the January 27, 1977 meeting.

After discussion, Mayor Ochsenreiter requested the City Clerk to call the roll on the second reading of the ordinance.

On a roll call vote of 6-0, Ordinance No. 941 passed on second reading.

ORDINANCE NO. 940 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Corner of St. Dunstan's Road and McDowell Street)

3. Consideration was given to the third reading of Ordinance No. 940, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property at the corner of St. Dunstan's Road and McDowell Street.

OATH OF OFFICE FOR ACTING CITY MANAGER - KENNETH M. MICHALOVE

6. Mayor Ochsenreiter then administered the oath of office for Acting City Manager to Kenneth M. Michalove.

COUNCIL RECESS - FIVE MINUTES

Mayor Ochsenreiter called for a five-minute recess of Council.

RESOLUTION NO. 77-15 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION FOR COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS FROM THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT - 1977-78

7. Consideration was given to a resolution authorizing the submission of an application for Community Development Block Grant Funds from the Department of Housing and Urban Development - 1977-78.

The City Manager read the resolution and explained that this is the Third year for the City to participate in the Community Development Block Grant funds. He said many public hearings were held to obtain citizen recommendations on the appropriations. Also a committeee appointed by the Mayor, consisting of Vice-Mayor Horton, Councilman Michael, and Councilwoman Swilling reviewed the many recommendations and presented the following recommended appropriations, known as Attachment A in Resolution No. 77-15:

COMMUNITY DEVELOPMENT III
CITY COUNCIL COMMITTEE RECOMMENDATIONS

1977/78 Grant	2,822,000
20% for Urban Renewal Deficit	564,400
Balance to be Appropriated	2,257,600

RESOLUTION NO. 77-14

RESOLUTION OF APPRECIATION TO ERNEST J. WARD, JR.

WHEREAS, Ernest J. Ward, Jr. has served as City Manager since September 7, 1972; and

WHEREAS, Ernest Ward will be leaving the City of Asheville on February 4, 1977 to accept the position of Director of Finance with the City of Rocky Mount; and

WHEREAS, Ernest Ward has made a significant contribution to the financial and administrative stability of the City of Asheville during his tenure as City Manager; and

WHEREAS, Ernest Ward in his quiet humble manner has gained the respect and admiration of city employees and city residents;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE that Ernest J. Ward, Jr. receive this resolution of appreciation and our best wishes to him and his family in his new job; and

BE IT FURTHER RESOLVED that this resolution shall be transcribed on the minutes of the Asheville City Council and that the City Clerk is directed to forward a copy of this resolution to Ernest J. Ward, Jr.

I move the adoption of the foregoing resolution.

Ralph D. Morris, Jr.
COUNCILMAN

SECONDED BY: Bill B. Horton
COUNCILMAN

Read, approved and adopted this 3rd day of February, 1977.

Eugene C. Ochsenreiter, Jr.
MAYOR

William F. Wolcott, Jr.
CITY CLERK

APPROVED AS TO FORM:

William C. Moore
CORPORATION COUNSEL

ORDINANCE NO. 942 - AN ORDINANCE AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET CHANGES UNDER THE CITY OF ASHEVILLE'S GENERAL FUND BUDGET - 1976-77 - TO INCLUDE SURPLUS FUNDS FROM CIVIC REDEVELOPMENT -R-13, AND TWO NEW PROJECTS - CARROLL AVENUE ACCESS PROJECT AND SCHOOL PLAYGROUNDS PROJECT

9. Consideration was given to an ordinance amending and approving the Community Development Budget changes under the City of Asheville's general fund budget - 1976-77 - to include surplus funds from Civic Redevelopment R-13 and two new projects - Carroll Avenue access project and School Playgrounds Project.

The City Manager read the ordinance and explained that this ordinance would appropriate funds in the amount of $18,000 for playground equipment for Rankin, Aycock, and Newton schools and $18,500 for a connector between Carroll Avenue and Valley Street to take the place of the old Carroll Avenue Bridge.

After discussion, Councilman Hoyle moved for the adoption of Ordinance No. 942. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 942 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 942. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 942 passed on second reading.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 942. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 942 passed on third and final reading.

Complete text of Ordinance No. 942 will be found in Ordinance Book No. 7 at page 96.

REPORT BY ROBERT E. BROWN - WATER PROBLEMS

Mr. Robert E. Brown, Water and Sewer Superintendent, reported that they were still fighting the problem of frozen water lines, which have been frozen since January 17, 1977. He said since January 17, 1977, 6,000 telephone calls have been logged complaining of frozen water. He said this week's calls have been coming in at about 250-300 per day and the crews are progressing with responding to about 125 per day. He said the frost line in the ground is in excess of 24" deep and the City has 33,000 meter boxes that are 24" deep. He said the frost would probably be in the ground until spring, causing more frozen water lines daily even though the weather has warmed up. He said 12,000 man hours have been spent thawing frozen lines and in addition rental welders have been used about 800 hours. He said the cold weather would show a major effect on the budget this year. He said water main breaks had caused a strain on the reservoir storage however, the storage was rising since there have been no major breaks in the last two days.

Council expressed appreciation to the Civil Defense and neighbors helping people without water. They also expressed appreciation to the Water Department employees for their efforts.

*S=Staff Recommendation
**Cit.=Citizen Recommendation

Logan Delany, Community Development Coordinator, said the program is very flexible and could be amended or changed at a later date, if necessary.

The City Manager said the Senior Opportunity Center had requested that a van be purchased for the Center with Community Development funds. However, after checking with the HUD officials it was determined that the purchase of a van was an ineligible expenditure of Community Development funds.

After discussion, Councilman Michael moved for the adoption of Resolution No. 77-15. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 77-15 will be found in Resolution Book No. 9 at page 198.

RESOLUTION NO. 77-16 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE-PURCHASE AGREEMENT AUTHORIZING THE CITY OF ASHEVILLE TO SELL DISPOSAL PARCEL 1 IN THE CIVIC REDEVELOPMENT AREA (N. C. R-13) TO FRIENDS ENTERPRISES d/b/a ALLEN CENTER

8. Consideration was given to a resolution authorizing the Mayor to sign a lease-purchase agreement authorizing the City of Asheville to sell Disposal Parcel 1 in the Civic Redevelopment Area (N.C. R-13) to Friends Enterprises d/b/a Allen Center.

The City Manager read the resolution and explained that this lease purchase agreement will pay the City of Asheville $1,000 per year and the lessee has an option to exercise the option to purchase in the fifth year. The lessee plans to make major improvements in a parking and playground area to develop the area.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-16 was unanimously adopted and will be found in Resolution Book No. 9 at page 200.

SYNOPSIS OF DOWNTOWN IMPROVEMENT RECOMMENDATIONS

Submitted By

THE MAYOR'S DOWNTOWN ADVISORY COMMITTEE

Many of the problems evident in the Nation's deteriorating downtowns are also visibly noticeable in Asheville. Examples of these problems are the large number of vacant stores in the CBD, irregular and confused street patterns, and inadequate parking facilities. These are physical problems which can be overcome. The underlying question which Asheville's policy makers and merchants must answer now is: How can we attract people back to the heart of the City?

Some of the options that are open to you are the following:

You can create employment in the CBD:

--by encouraging the location of retail, wholesale, and office development in the CBD,

--by renovating and converting the usage of second and third stories of existing buildings.

--by sponsoring or facilitating the development of new retail and office space in the CBD through a downtown development corporation, development authority, or private ventures.

You can beautify the downtown environment:

--by encouraging good contemporary design for new development which is compatible with the character of original

RESOLUTION NO. 77-17 - RESOLUTION RECOMMENDING PRIORITY PROJECTS FOR THE APPALACHIAN REGIONAL COMMISSION PLANNING PROGRAM FOR FISCAL YEARS 1978-82

11. Consideration was given to a resolution recommending priority projects for the Appalachian Regional Commission Planning Program for fiscal years 1978-82.

The City Manager read the resolution and explained that the Appalachian Regional Commission requested the City of Asheville to submit proposals for various capital projects which are designed to enhance the quality of life for its jurisdictional area. He said the recommended priority projects were listed in the resolution. He said Council had asked if the funding for a new water source supply study could be included in the projects and after checking with ARC this would be allowed with ARC funds. He said he would recommend adding under the Water and Sewer Improvements category the funding of a new water source supply study.

After discussion, Councilman Rainey moved for the adoption of Resolution No. 77-17. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 77-17 will be found in Resolution Book No. 9 at page 201.

RESOLUTION NO. 77-18 - RESOLUTION REQUESTING THE NORTH CAROLINA BOARD OF TRANSPORTATION TO ASSIGN HIGHER PRIORITIES TO IMPROVEMENTS SCHEDULED IN THE CURRENT NORTH CAROLINA HIGHWAY IMPROVEMENT PROGRAM FOR THE ASHEVILLE NORTH CAROLINA TRANSPORTATION PLANNING AREA

12. Consideration was given to a resolution requesting the North Carolina Board of Transportation to assign higher priorities to improvements scheduled in the current North Carolina Highway Improvement Program for the Asheville North Carolina Transportation Planning Area.

The City Manager read the resolution and explained that the City of Asheville and the North Carolina Department of Transportation jointly prepared and adopted the Asheville Area Thoroughfare Plan and this resolution would recommend that certain projects be assigned higher priority in order that the scheduled improvements might be [illegible] immediately. He said those items include improvements scheduled for Valley Street with four lanes from the Charlotte Street Extension to Biltmore Avenue; the traffic flow and signalization improvements to Biltmore Avenue and McDowell Street; Complete the eastern segment of the Northern Loop with improvements to Charlotte and Murdock Streets; improvements to Pearson Bridge Road; and improvements scheduled for the Hendersonville Highway (U. S. 25) from the Blue Ridge Parkway to Interstate 40.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-18 was unanimously adopted.

Complete text of Resolution No. 77-18 will be found in Resolution Book No. 9 at page 203.

REPORT ON PROGRESS OF DOWNTOWN IMPROVEMENT COMMITTEE AND LEGISLATIVE NEEDS RELATING TO SAME

Mr. Charles Kern read the following synopsis of the committee's recommendations on the Downtown improvement and the legislative needs relating to same:

And you can promote the CBD:

--by sponsoring special indoor and outdoor activities and events to bring people downtown.

--by adopting a downtown theme, name, and symbol.

--by "selling" the CBD as a place to shop and have fun.

Of course, there are no simple answers to all downtown problems, and the potential solutions for no two communities can be the same. Therefore, this report will offer several alternatives available to the local government and the mid-city businesses to formulate a specific mechanism for delineating and financing the solutions to Asheville's downtown problems.

Alternate Organizational Mechanisms

During the course of the committee's investigation it became readily apparent that efforts to direct the revitalization for the CBD would have to come from a new source. That is to say, that the existing methods and mechanisms must be redesigned in order that the downward economic and physical trends evident in downtown might be halted and improved.

With this serving as a basic guide post the following options are available to this Council and the downtown merchants for selecting a new mechanism to spearhead the revitalization efforts:

1. Do nothing and permit a piecemeal approach to solving the CBD's problems to continue.

2. Expand Quality Forward's charter responsibilities and funding to a level where this existing mechanism could provide the necessary leadership.

downtown architecture through design suggestions and municipal regulations.

--by enlivening the "floor" of downtown with textured paving surfaces, landscaping, attractive lighting, and street furniture.

--by restoring and preserving traditional downtown buildings to recapture the beauty they once had.

You can improve access to, and circulation within the CBD:

--by implementing traffic operations improvements.

--by improving the capacity and location of parking facilities and by eliminating traffic-parking conflicts.

--by improving services and facilities in the CBD for transit patrons, bicyclists, pedestrians, and delivery vehicles.

You can enhance retailing downtown:

--by bringing in compatible non-retail uses, selected for their ability to generate additional shopper traffic.

--by actively seeking new retail businesses, entertainment facilities and restaurants to fill gaps in the retail area and to strengthen the marketing ability of existing stores.

--by adopting modern retailing practices in such areas as selection of merchandise, advertising, displays, signs, and store hours.

Appendix A is a draft of a special act creating the Asheville Downtown Improvement Commission, which was developed to illustrate the flexibility and desirability of this alternative. It was felt that only by drafting such a bill could this alternative be supportedly analyzed in comparison to the above discussed options. The proposed legislation in Appendix A is based upon Article 38 of the North Carolina General Statutes which establishes the authority for cities to create parking authorities. This modified draft would enable the City of Asheville to, by resolution, establish an Asheville Downtown Improvement Commission whose membership would be appointed by the Mayor, with the approval of City Council. The Commission would be composed of seven members appointed for staggered terms and the resolution creating the Commission would also establish the boundaries of the Asheville Downtown District.

The Commission would have the flexibility to maintain a staff, if its budget permits, but initially it is envisioned that its activities would be supported through volunteer assistance from the Commission members, the City, downtown merchants, individuals having an interest in downtown, consultants, and other agencies and organizations. Then 180 days after its creation, the Commission would be required to submit a plan for the downtown improvement district to the City for approval. This plan would establish a strategy for the redevelopment and revitalization of downtown and a framework for the decision-making by the Commission.

3. Create a new authority or commission under existing law or by passage of a special act. This authority could have broad-based powers, funding and representation. It would be embodied for the special purpose of conducting necessary studies and implementing improvements within a specifically defined area.

4. Declare that a specifically defined geographic area in the downtown meets the requirements for being designated a non-residential redevelopment area as set forth in N. C. G.S. 160A, Article 22, the Urban Redevelopment Law. The physical improvements could then be done by the Asheville Housing Authority's redevelopment staff and directed by its existing policy board.

Recommendations

I. Downtown Improvement Commission

The alternative which perhaps offers the most flexibility for maximizing efforts toward downtown redevelopment and revitalization seems to be special legislation designed specifically for meeting the needs of the Asheville downtown district. Such special legislation would permit the formulation of a commission or body whose sole purpose is the improvement, redevelopment and revitalization of the Asheville downtown district. This approach would permit the city to design a comprehensive approach to dealing with the problems of downtown in lieu of attempting to utilize existing statutes to piece together a less than optimum approach.

This concept is not unusual in that many units of local government submit special legislation designed to meet the needs of their communities each year to the North Carolina General Assembly.

8) To fix and collect rentals, fees and other charges for the use of Commission property;

9) To jointly administer a revolving rehabilitation loan program with the City;

10) To issue revenue bonds under the Local Government Revenue Bond Act;

11) To do all that is necessary and convenient to carry out the purposes of the Commission.

As is the case for all similar Commissions or authorities created under the North Carolina legislation, the proposed Commission would be tax exempt as would its revenue bonds, so as to produce a strong incentive for potential buyers to purchase its debentures. However, the proposed legislation contains specific language stating the intent for the Commission to be a catalyst for redevelopment and revitalization in downtown and not a property owner. Therefore, the Commission would be prohibited from owning business establishments and required by the legislation to dispose of real property at the earliest practical opportunity and to do so in a manner which would result in a net overall improvement to the downtown district and would contribute to the purpose of revitalizing the downtown district.

In addition, the subject legislation would authorize the Commission to accept funds collected from a special district assessment within the downtown improvement district. It would authorize the City to designate the defined downtown improvement district as a municipal district under the North Carolina Municipal Service District

The stated purposes of the Commission would be:

1) To facilitate downtown redevelopment, improvement and revitalization;
2) Downtown promotion;
3) Communication and coordination among those parties having an interest in downtown;
4) To recruit new commercial and service establishments into the downtown district;
5) To conduct planning and feasibility assessments;
6) To provide marketing assistance and support services to downtown activities on a reimbursement basis;
7) To promote and maintain a sound parking system.

In order to accomplish the above stated purposes, the Commission would be granted the powers to:

1) To sue and be sued;
2) To acquire, hold and dispose of personal property;
3) To acquire and use real property;
4) To make bylaws for the management and regulation of its affairs;
5) To make contracts, leases and other necessary instruments;
6) To construct, rehabilitate or improve needed buildings, structures, and facilities;
7) To accept grants, loans, contributions or bequests from all sources;

II. Appropriation of Funds

As indicated it is recommended that the Commission be required to submit for approval a Downtown Redevelopment Plan to the City Council within 180 days after its creation. In order to facilitate this requirement, it is recommended that the Commission have an initial appropriation of a sum not to exceed $100,000 to aid in the development of its program. Finally, it is recommended that the appropriation of these funds be included in the Fiscal 1977-1978 Community Development work program, or fifty percent (50%) from Fiscal Year 1976-1977 and fifty percent (50%) from Fiscal Year 1977-1978. It should be noted that these funds are not general tax revenues, but derived from specific grant-in-aid funds already allocated for projects such as this.

III. Staffing

It is recommended that in order to facilitate the desirable coordination between the Commission and the Asheville city government that until the Commission and City Council authorize hiring of Commission staff members, that the Planning Division's staff serve in this capacity.

Act of 1973. Under this act, the City would be given the authority to levee a special assessment on properties within designated districts for the purpose of downtown revitalization. The revenues from this assessment could either be expended by the City or transferred, in whole or in part, to the Commission for the purpose of making improvements within the downtown improvement district which are eligible under the 1973 Act.

The proposed legislation would create the Commission for an initial period of five years. At the end of the five-year period, the Commission's activities could only be continued upon the passage of a new City Council Resolution continuing the existence of the Asheville Downtown Improvements Commission. If the City Council chose not to continue the Commission, when all of the bonds issued by the Commission are redeemed or cancelled the Commission would cease to exist and all rights, titles, interests and all obligations and liabilities of the Commission would revert to the City.

Obviously, the special legislation establishing the Downtown Improvements Commission and Downtown Improvement District could be written so as to encompass any degree of authority which the Asheville City Council might choose for it to possess. This flexibility constitutes the principle advantage of this alternative and the draft which has been discussed merely illustrates the extent of this flexibility.

APPENDIX "A"

A SPECIAL ACT PROVIDING FOR THE CREATION OF
THE ASHEVILLE DOWNTOWN IMPROVEMENT COMMISSION

Summary

Finally, in summary, we must be cognizant of the fact that in developing any real solutions to downtown problems there is a need for a rational, step-by-step process in which the identified problems are realistically assessed, achievable solutions are proposed, and extensive community support and participation is obtained. This process must be instituted now in Asheville if any real solutions to the problems are to be achieved.

The entire report which is now being submitted has identified and recommended a first step for solving our perceived downtown problems, and several sources and mechanisms for financing the implementation of subsequent plans for the study area. It is now up to local government, property owners, businesses, and the consuming public to start the wheel which can lead to the ultimate revitalization of Asheville's heart.

incorporation signed by them, which shall set forth;

(1) A statement that the city council has, pursuant to this Article, and after a public hearing held as herein required, determined that it is necessary for the city to organize the commission under the provisions of this Article, and has appointed the signers of such application as commissioners of the commission;
(2) A statement that the commissioners desire the commission to become a public body and a body corporate and politic under this Article;
(3) The name, address and term of office of each of the commissioners;
(4) The name which is proposed for the corporation; and
(5) The location and the principal office of the proposed corporation.

The application shall be accompanied by a copy, certified by the city clerk, of the resolution or resolutions of the city council making such determination and appointments. The application shall be subscribed and sworn to by each of said commissioners before an officer authorized by law to take and certify oaths, who shall certify upon the application that he personally knows said commissioners and knows them to be the persons appointed as stated in the application, and that each subscribed and swore thereto in the officer's presence. The Secretary of State shall examine the application and if he finds that the name proposed for the corporation is not identical with that of a person or any other corporation of this State or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded, as herein provided, the commission shall constitute a public body and body corporate and politic under the name proposed in the application; and the Secretary of State shall make and issue a certificate of incorporation pursuant to this Article, under the seal of the State, and shall record the same with application .

The boundaries of such commission shall be established in the city council resolution creating the commission and included in the commission's application for incorporation.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the commission, the commission shall be conclusively deemed to have been established in accordance with the provisions of this Article upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof. (1951, c.779,s.3).

ASHEVILLE DOWNTOWN IMPROVEMENT COMMISSION

Section I. Short title. - This Article may be cited as the "Asheville Downtown Improvement Commission".

Section II. Definitions. - As used or referred to in this Article, unless a different meaning clearly appears from the context:

(1) The term "Commission" shall mean a public body and a body corporate and politic organized in accordance with this Article for the purposes, with the powers and subject to the restrictions hereinafter set forth;

(2) The term "bonds" shall mean bonds authorized by this Article;

(3) The term "city" shall mean the City of Asheville, North Carolina;

(4) The term "city council" shall mean the legislative council charged with governing the City of Asheville;

(5) The term "commissioner" shall mean one of the members of an commission, appointed in accordance with the provisions of this Article;

(6) The term "real property" shall mean lands, structures, franchises, and interest in lands, and any and all things usually included within the said term, and includes not only fees simple absolute but also any and all lesser interests, such as easements, rights-of-way, uses, leases, licenses, and all other incorporeal hereditaments and every estate, interest or right, legal or equitable, including terms of years, and liens thereon by way of judgments, mortgages or otherwise and also claims for damage to real estate. (1951, c. 779, s. 2; 1965, c. 998 s.1.)

Section III. Creation of commission - The city council of the City of Asheville may, upon its own initiative, hold a public hearing on the question whether or not it is necessary for the city to organize a Commission under the provisions of this article. Notice of the time, place and purpose of such hearing shall be given by publication in a newspaper of general circulation in the city, at least 10 days before such hearing. At such hearing, an opportunity to be heard shall be granted to all residents and taxpayers of the city and all other interested persons. If, after such hearing, the city council shall by resolution determine that it is necessary for the city to organize a commission under the provisions of this Article, the mayor shall appoint, as hereinafter provided, seven commissioners to act as the Downtown Improvement Commission. Said commission shall be a public body and a body corporate and politic upon the completion of the taking of the following proceedings:

The commissioners shall present or cause to be presented to the Secretary of State of North Carolina a written application of

or employee of the commission shall acquire any interest direct or indirect in any commission project or in any property included or planned to be included in any commission project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any commission project. If any commissioner or employee of a commission owns or controls an interest direct or indirect in any property included or planned to be included in any commission project, he shall immediately disclose the same in writing to the commission and such disclosure shall be entered upon the minutes of the commission. Said commissioner must relinquish such interest or resign his office. Failure to so disclose such interest shall constitute misconduct in office. (1951, c.779,s.6.)

Section VII. Purpose and powers of the commission. - The commission incorporated under this Article shall constitute a public body and a body corporate and politic, exercising public powers as an agency or instrumentality of the City of Asheville. The purpose of the commission shall be:

(1) to facilitate downtown redevelopment, improvement and revitalization;
(2) to promote the downtown district and the commercial, service and public activities within the downtown district;
(3) to foster communication and coordination among the downtown establishments, property owners, the city and all interested agencies and organizations;
(4) to recruit new commercial, or services establishments or activities into the downtown district;
(5) to conduct planning and feasibility assessment required to support downtown redevelopment;
(6) to provide merchandising assistance and support services to downtown commercial and service activities on a reimbursement basis; and;
(7) to promote and maintain a sound and efficient parking system in the downtown district.

To carry out said purposes, the commissioners shall have power to:

(1) to sue and be sued;
(2) to acquire, hold and dispose of personal property for its corporate purposes;
(3) to acquire, by purchase, and use real property necessary or convenient to the accomplishment of the commission's stated purposes;
(4) to make bylaws for the management and regulation of its affairs, and subject to agreements with bondholders for the regulation of commission projects;
(5) to make contracts or leases and to execute all instruments necessary or convenient;
(6) to construct, rehabilitate or improve such buildings, structures and facilities as may be necessary or convenient to the accomplishment of the commission's purposes;
(7) to accept grants, loans or contributions from the United States, the State of North Carolina, the city, any private or public corporation, any individual or any agency, instrumentality or agent of the above and to expend the proceeds toward the accomplishment of the commission's purposes.

Section IV. Appointment, removal, etc., of commissioners; quorum; chairman; vice-chairman, agents and employees; duration of authority. - The commission shall consist of seven commissioners appointed by the mayor, with the approval of the city council and the mayor shall designate the first chairman. Said commissioners shall represent downtown merchants and property owners, The Greater Asheville Chamber of Commerce and downtown financial institutions. One commissioner shall be appointed from the city council and one commissioner shall be from the Asheville Planning and Zoning Board.

The commissioners who are first appointed shall be designated by the mayor to serve for terms of one, two, three and four years respectively from the date of their appointment. One commissioner shall serve a four year term and two commissioners shall be appointed to the one, two and three year terms. Thereafter, the term of office shall be four years. A commissioner shall hold office until his successor has been appointed by the mayor and has qualified. Vacancies shall be filled by the mayor for the unexpired term. Three commissioners shall constitute a quorum. A commissioner shall receive no compensation for his services, but he shall be entitled to reimbursement for his actual and necessary expenses incurred in the performance of his official duties.

When the office of the first chairman of the commission becomes vacant, the commission shall select a chairman from among its members. The commission shall select from among its members a vice-chairman, and it may employ a secretary (who shall be its executive director), technical experts and such other consultants, agents and employees, permanent or temporary, as it may require, and shall determine their qualifications, duties and compensation. The commission may, with the consent of the city council call upon the city for such support services as it may require. The commission may delegate to one or more of its agents or employees such powers or duties as it may deem proper. The mayor may remove any member of the commission for inefficiency, neglect of duty or misconduct in office, giving him a copy of the charges against him and an opportunity of being heard in person, or by council, in his defense upon not less than 10 days' notice.

Such commission and its corporate existence shall continue only for a period of five years and its existence may be continued by resolution by the city council or in the absence of a resolution to continue the commission's existence, until all its liabilities have been met and its bonds have been paid in full or such liabilities or bonds have otherwise been discharged. Upon its ceasing to exist, all its rights and properties shall pass to the city. (1951,c.779.s.4.)

Section V. Duty of commission and commissioners. - The commission and its commissioners shall be under a statutory duty to comply or cause compliance strictly with all provisions of this Article and, in addition thereto, with each and every term, provision and covenant in any contract of the commission on its part to be kept or performed. (1951,c.779,s.5.)

Section VI. Interested commissioners or employees - No commissioner

provided, that the total amount of such revenues which may be paid pursuant to such a pledge shall not exceed the total of the principal of and interest on such bonds which become due and payable during such period. Any such contracts between the city and the commission may be pledged by the commission to secure its bonds and may not be modified thereafter except as provided by the terms of the contracts or by the terms of the pledge. The city council may authorize such contracts on behalf of the city and no other authorization on the part of the city for such contracts shall be necessary.

(d) The commission may itself acquire real property at the cost and expense of the commission by purchase. The commission is also empowered to develop, improve or rehabilitate such real property to accomplish the purposes of the commission. However; it is the intent of this Article that the commission be a catalyst for development and revitalization in the downtown district. Therefore, the commission shall not operate or own commercial or service establishments and shall make every effort to return any acquired real property back to the taxrolls by marketing said property at the earliest practical opportunity and in a manner which will result in a net overall improvement to the downtown district and will contribute to the purpose of revitalizing the downtown district.

(e) In case the commission shall acquire any real property which it shall determine is no longer required, then, if such real property was acquired at the cost and expense of the city, the commission shall have power to convey it without consideration to the city, or, if such real property was acquired at the cost and expense of the commission, then the commission shall have power to sell, lease or otherwise dispose of said real property and shall retain and have the power to use the proceeds of sale, rentals or other moneys derived from the disposition thereof for its purposes. (1951, c.779,s.8; 1965,c.998,s.3.)

Section X. Contracts. - The authority shall let contracts in the manner provided by law for contracts of the city. (1951,c.779,s.9.)

Section XI. Moneys of the commission. - All moneys of the commission shall be paid to the treasurer of the city as agent of the commission, who shall designate depositories and who shall not commingle such moneys with any other moneys. Such moneys shall be deposited in a separate bank account or accounts. The moneys in such accounts shall be paid out on checks of the treasurer on written requisition of the chairman of the commission or of such other person or persons as the commission may authorize to make such requisitions. All deposits of such moneys shall be secured in the manner provided by law for securing deposits of moneys of the city. The city accountant of the city and his legally authorized representatives are authorized and empowered from time to time to examine the accounts and books of the commission, including its receipts, disbursements, contracts, leases, sinking funds, investments and any other records and papers relating to its financial standing. The commission shall cause an annual audit of its accounts to be made by a certified public accountant or firm of certified public accountants, and shall cause a copy of the report of such audit to be filed with the city clerk, who shall present the same to the city council. The commission shall have power, notwithstanding the provisions of this section to

(8) to fix and collect rentals, fees and other charges for the use of any commission property;
(9) to administer a revolving rehabilitation loan program for the downtown district jointly with the city;
(10) to do all things necessary and convenient to carry out the purposes of the commission and the powers expressly given to it by this Article;

(11) to issue revenue bonds under the Local Government Revenue Bond Act (1951, c.779, s.7; 1965, c.998, s. 2; 1971, c.780, s.18.)

Section VIII. Downtown Improvement District Boundary - a geographical boundary shall be established for the Downtown Improvement District, by definition and by map, as a part of the city council resolution creating the Commission. The district boundary may be altered or otherwise changed by resolution of city council and only after a public hearing held in accordance with the provision of Section III of this Article.

Section IX. Conveyance of property by the city to the commission; acquisition of property by the city or by the commission -
(a) The city may convey, with or without consideration, to the commission real and personal property owned by the city for use by the commission as a project or projects or a part thereof. In case of real property so conveyed, the instrument of conveyance shall contain a provision for reversion of the property to the city upon the termination of the corporate existence of the commission upon the sale or transfer of the property or upon the termination of the use of the property for the corporate purpose of the commission. Such conveyance of property by the city to the commission may be made without regard to the provisions of other laws regulating sales of property by the city or requiring previous advertisement of sales of property by the city.

(b) The city may acquire by purchase real property in the name of the city for the commission for the widening of existing roads, streets, parkways, avenues or highways or for new roads, streets, parkways, avenues or highways, parking projects, or partly for such purposes and partly for other city purposes, by purchase or condemnation in the manner provided by law for the acquisition of real property by the city. The city may close such streets, roads, parkways, avenues, or highways as may be necessary or convenient.

(c) Contracts may be entered into between the city and the commission providing for the property to be conveyed by the city to the commission, the additional property to be acquired by the city and so conveyed, the streets, roads, parkways, avenues and highways to be closed by the city, and the amounts, terms and conditions of payment to be made by the commission. Such contracts may contain convenants by the city as to the road, street parkway, avenue and highway improvements to be made by the city, including provisions for the installation of parking meters in designated streets of the city and for the removal of such parking meters in the event that such parking meters are not found to be necessary or convenient. Any such contract may pledge all or any part of the revenues of on-street parking meters to the commission for a period of not to exceed the period during which bonds of the authority shall be outstanding;

shall be required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession or supervision or upon its activities in the operation and maintenance of the project or any tolls, revenues or other income received by the commission and that the bonds of the commission and the income therefrom shall at all times be exempt from taxation, except for transfer and estate taxes. (1951,c.779,s.16.)

Section XV. Tax contract by the State - The State of North Carolina covenants with the purchases and with all subsequent holders and transferees of bonds issued by the commission pursuant to this article, in consideration of the acceptance of and payment for the bonds, that the bonds of the commission issued pursuant to this article and the income therefrom, and all moneys, funds and revenues pledged to pay or secure the payment of such bonds, shall at all times be free from taxation except for transfer and estate taxes. (1951,c.779,s.17.)

Section XVI. Downtown Improvement District Plan - Within 180 days from its creation, the commission must develop and adopt a development plan for the area within the Downtown Improvement District. Said plan shall include, as a minimum, a statement of goals and an economic strategy for the Downtown Improvement District and a physical design to accompany said goals and strategy. Said plan shall serve as a guide for downtown development and a framework for decision-making. Within 30 days after adoption of the plan by the commission, it shall be submitted to the city council, the Asheville Planning and Zoning Board, other interested organizaitons and agencies and the general public for consideration and comment. Said plan must be certified by the Asheville Planning and Zoning Board as being consistent with the overall development plan for the city and must be approved by the city within 90 days after its submission. If the Asheville Planning and Zoning Board cannot make such certification, it shall be the responsibility of the commission to make such necessary modification in its plan to secure the Planning and Zoning Boards, certification and the city council's approval within the allotted 90 days. Amendments to the commission's plan must be certified and approved by the same procedure.

Section XVII. Actions against the commission - In every action against the commission for damages, for injuries to real or personal property, or for the destruction thereof, or for personal injuries or death, the complaint shall contain an allegation that at least 30 days have elapsed since the demand, claim or claims upon which such action is founded were presented to a member of the commission, or to its secretary, or to its chief executive officer and that the commission has neglected or refused to make an adjustment or payment thereof for 30 days after such presentment. (1951,c.779,s.19.)

Section XVIII. Termination of commission. - Whenever, the city council resolution creating or continuing the commission expires or whereever all of the bonds issued by the commission shall have been redeemed or canceled, the commission shall cease to exist and all rights, titles and interests and all obligations and liabilities thereof vested in or possessed by the commission shall thereupon vest in and be possessed by the city. (1951,c.779,s.20.)

contract with the holders of any of its bonds as to the custody, collection, securing, investment and payment of any moneys of the commission or any moneys held in trust or otherwise for the payment of bonds or in any way to secure bonds, and to carry out any such contract notwithstanding that such contract may be inconsistent with the previous provisions of this section. Moneys held in trust or otherwise for the payment of bonds or in any way to secure bonds and deposits of such moneys may be secured in the same manner as moneys of the commission, and all banks and trust companies are authorized to give such security for such deposits. (1951,c.779.s.10.)

Section XII. -The city is hereby authorized to convey revenues obtained from a special tax assessment on the property within the Downtown Improvement District, in accordance with the North Carolina Municipal Services District Act of 1973 (G.S. 160A-535-543). The city council may designate the established Downtown Improvement District as a municipal service district. Revenues from any such assessment must be utilized in accordance with the Municipal Service District Act. However, any portion or all of said revenues may be conveyed to the commission by resolution by the city council to support any eligible improvements. Such funds may also be utilized in whole or in part by the city to finance needed public improvements in the Downtown Improvement District.

Section XIII. Bonds legal investments for public officers and fiduciaries. - The bonds are hereby made securities in which all public officers and bodies of this State and all municipalities and municipal subdivisions, all insurance companies and associations and other persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations including savings and loan associations, investment companies and other persons carrying on a banking business and all other persons whatsoever, except as hereinafter provided, who are now or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest funds including capital in their control or belonging to them; provided that, notwithstanding the provisions of any other general or special law to the contrary, such bonds shall not be eligible for the investment of funds, including capital, trusts, estates or guardianships under the control of individual administrators, guardians, executors, trustees and other individual fiduciaries. The bonds are also hereby made securities which may be deposited with and may be received by all public officers and bodies of this State and all municipalities and municipal subdivisions for any purpose for which the deposit of bonds or other obligations of this State is now or may hereafter be authorized. (1951,c.779,s.15).

Section IV. Exemptions from taxation. - It is hereby found, determined and declared that the creation of the commission and the carrying out of its corporate purposes is in all respects for the benefit of the people of the State of North Carolina, for the improvement of their health, welfare and prosperity, and is a public purpose, and that the commission will be performing an essential governmental function in the exercising of the powers conferred upon it by this Article, and the State of North Carolina covenants with the holders of the bonds that the commission

Verl Emrick, Planning Director, suggested that a public hearing be held on the Downtown Improvement recommendations on February 17, 1977. He said everything contained in the committee's report is merely a recommendation at this point and in order to be implemented it must be put in the form of a special act of the General Assembly.

Councilman Rainey was concerned about the commission having "implied powers of taxing and bonding" and setting boundaries. He said he would like for that part of the proposed legislation to be written separately from the rest. He also suggested that the commission be a joint one on the part of the city and county since improving the downtown area will help the county as well as it will help the City.

Councilman Michael suggested that the expansion of the downtown district boundary include the predominantly minority areas and that minority representation be included on the commission. He also suggested that a member of the law enforcement agency be included on the commission.

Vice-Mayor Horton moved to schedule a public hearing on the recommendations for February 17, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

It was the consensus of Council not to reach a decision on the day of the public hearing since they felt that additional time would be needed for consideration of the comments presented at that time.

RESOLUTION NO. 77-19 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION

13. Consideration was given to appointing members to the Asheville Area Civic Center Commission; Wade Thomas, John Jersoe and Janet Hare for one year terms beginning February 3, 1977; Anne Chesson, Bill Norwood, and Richard Trammell for two year terms beginning February 3, 1977; and Jesse Ray, Jr., Barbara Keleher, and B. Paul Goodman for three year terms beginning February 3, 1977.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-19 was unanimously adopted.

Complete text of Resolution No. 77-19 will be found in Resolution Book No. 9 at page 204.

RESOLUTION NO. 77-20 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL

14. Consideration was given to a resolution appointing James M. Pressley a member to the Board of Directors of the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Section XIX. Inconsistent provisions in other acts superseded. - Insofar as the provisions of this Article are inconsistent with the provisions of any other act, general or special, the provisions of this Article shall be controlling. (1951,c.779,s.22.)

EXTRATERRITORIAL ZONING JURISDICTION

Councilwoman Swilling made the following statement on behalf of the Asheville City Council as the result of the outcome of a meeting held with the County Commissioners and the Asheville City Council relative to the extraterritorial zoning jurisdiction.

"We the Council believe that we should continue exercising the zoning in the one mile perimeter for possibly sixty (60) days. This will allow the County Commissioners time to determine whether or not they would prefer to exercise jurisdiction in this area themselves."

REPORT - CONSERVING ENERGY

The City Manager announced that in order to conserve energy all city owned buildings have reduced their heat to 62°. He said the Parks and Recreation Department has curtailed activities by changing the hours of activities in the Recreation Centers. He said the normal hours in the centers are from 9 a. m. to 10 p. m. and by changing activities and using fewer centers these hours have been reduced by sixty-one per cent (61%).

Councilman Rainey suggested that perhaps the Art Museum at the Civic Center would have to an exception since when you reduce the heat to 62° the air conditioner comes on thereby defeating the purpose.

Vice-Mayor Horton expressed appreciation to the businesses in town for doing their part to conserve energy.

REPORT ON PETITION RECEIVED FROM RESIDENTS OF COLLEGE STREET

The City Manager reported that a petition had been received several weeks ago from residents of College Street requesting snow removal, broadening of the intersection of Mountain and College Street and speed limit signs. He said a survey of the area has been made and it was determined that some of the speed limit signs had been removed and they would be replaced. He said the Street Superintendent reported that the Beaucatcher, College and Mountain Street area is now routinely worked during periods of snow and ice and are considered to be priority streets, not only due to the traffic volume but also the extreme grades. He said these streets would be worked after the more heavily traveled streets and those of emergency natures. He said Mountain Street is scheduled for improvements under the Community Development Program and this information has been turned over to the City Engineer.

CLAIM - DR. W. P. CAVE, HOLLY McKEE, DR. JOE B. ROBERSON, JR. AND DENTAL ASSOCIATES, INCORPORATED

The City Manager presented a claim received from Morris, Golding, Blue and Phillips on behalf of Dr. W. P. Cave, Holly McKee, Dr. Joe B. Roberson, Jr. and Dental Associates, Inc.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 77-20 was unanimously adopted.

Complete text of Resolution No. 77-20 will be found in Resolution Book No. 9 at page 205.

RESOLUTION NO. 77-21 - RESOLUTION IN MEMORIUM OF FRANCIS J. HEAZEL

15. Vice-Mayor Horton read a resolution in memorium of Francis J. Heazel.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-21 was unanimously adopted.

Complete text of Resolution No. 77-21 will be found in Resolution Book No. 9 at page 206.

The text of Resolution No. 77-21 is as follows:

RESOLUTION NO. 77-21

RESOLUTION IN MEMORIUM OF FRANCIS J. HEAZEL

WHEREAS, the City Council of the City of Asheville wishes to record its deep sorrow over the recent passing of Francis J. Heazel; and

WHEREAS, Francis Heazel was an active leader in civic, industrial, and church affairs both locally and nationally; and

WHEREAS, Francis Heazel unselfishly provided counsel and leadership to numerous community improvement efforts;

NOW, THEREFORE, BE IT RESOLVED that as evidence of the esteem which Francis Heazel earned and in recognition of his immeasurable contributions we hereby express our appreciation for his many services to this community and extend to his family our sincere sympathy upon his passing;

BE IT FURTHER RESOLVED that this resolution be transcribed on the minutes of the Asheville City Council and that the City Clerk is directed to forward a copy of this resolution to the family of Francis J. Heazel.

I move the adoption of the foregoing resolution.

Bill B. Horton
COUNCILMAN

SECONDED BY: O B Michael
COUNCILMAN

Read, approved and adopted this 3rd day of February, 1977.

Eugene S. Peterson Jr.
MAYOR

Marian D. Maxwell
CITY CLERK

APPROVED AS TO FORM:

William C. Ray
CITY ATTORNEY

Thursday - February 10, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, Acting City Manager Kenneth Michalove, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the February 3, 1977 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the February 3, 1977 meeting were approved as submitted.

PUBLIC HEARING - DEMOLITION OF 30 CRESCENT STREET, 114 MILLBROOK ROAD, 37 RAVENSCROFT DRIVE, AND 7 TOXAWAY STREET

ORDINANCE NO. 943 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 30 CRESCENT STREET, 114 MILLBROOK ROAD, 37 RAVENSCROFT DRIVE, AND 7 TOXAWAY STREET

2. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 30 Crescent Street, 114 Millbrook Road, 37 Ravenscroft Drive and 7 Toxaway Street.

Mayor Ochsenreiter opened the public hearing at 3:07 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections and Demolitions, stated that an inspection was made of each of the premises this date and no repair work had been started on any of the dwellings. He said due process of law had been completed on each location.

Councilman Michael commented that the owners of 30 Crescent Street, Mr. and Mrs. Mason James, were forced to move out of their house as a result of a burst city water line under the house which caused the back of the house to fall in. He said they had filed suit against the City for this problem but the City denied the claim and as a result there are now tax liens placed on the house.

Mayor Ochsenreiter closed the public hearing at 3:18 o'clock p. m.

The City Manager read the ordinance authorizing demolition of said dwellings.

Councilman Michael moved for the adoption of Ordinance No. 943, with a provision that the Director of Inspections contact the owners of 30 Crescent Street to obtain a statement as to whether or not they have been treated fairly by the City in this matter. This motion was seconded by Councilwoman Swilling.

Councilman Rainey was excused at 3:20 o'clock p. m.

On a roll call vote of 5-0, Ordinance No. 942 passed on its first reading.

ENFORCEMENT OF TRAFFIC LIGHTS AT BILTMORE AVENUE AT THE PLAZA THEATRE

A citizen complained of the traffic lights on Biltmore Avenue at the Plaza Theatre not being enforced.

Mayor Ochsenreiter instructed the City Manager to investigate the complaint.

HOUSE BILL - ANNEXATION - REPRESENTATIVE NESBITT

Mayor Ochsenreiter announced that Council has indicated to Representative Nesbitt that they were not in favor of the bill on annexation that was presented.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Herman J. Jaecker
CITY CLERK

Mr. Harold Bennett, attorney for Kenneth C. Edwards made the following presentation:

Mr. Bennett: "Mayor, Members of Council, my name is Harold Bennett and I am appearing here on behalf of Kenneth Curtis Edwards. Although the Council, I am sure, has read the transcript and probably has reviewed the various files and papers that were offered I would like to make just a brief statement of the fact, of the pertinent facts. It is a most unusual situation because it involves a plea of nolo contendere - nolo contendere has long been a great problem area for the courts - for the criminal courts of the whole United States. Thats why this is a most novel and unusual matter from a legal standpoint. In 1966 Mr. Edwards was 18 years old - he went to Atlanta to attend a broadcasting school and met three young men who were also enrolled in the same school. Although he did not know it at the time he later learned that these young men were involved in considerable criminal activity. After school one day the four went to an A & P Supermarket in Atlanta to get employment to get moonlight employment so they might go to school and work. While in the A & P and after interviewing the Manager, one of the young men happen to see lying on an aisle - in the aisle- a sealed envelope which apparently was a government check in the sum of $20.00. Mr. Edwards was unaware that one of his friends had picked up this envelope until they got outside the building at which time the envelope was shown and opened and they decided to endorse the $20.00 check. One of them took the - not Mr. Edwards- one of the others took the check to a bank and they - it was endorsed - and they each got $5.00. They were, of course, apprehended. They were charged in the United States District Court of Atlanta with obstruction of mail matter. Now, my opinion is, they probably were not guilty of obstruction of mail matter but in all likelihood were guilty of something involved in the forgery of an endorsement on the back of the check. That problem may have brought about what then occured in the Court. All these men were young men - anyone under 26 years of age in 1966 was necessarily prosecuted under what was called the National Youth Offenders Act. Involved in this charge was the National Youth Offenders Act which tempers prosecution of minors and men under 26 years of age. A conference was had in the Judge's Chambers between the Federal District Court Judge, the United States Attorney, the young men, their parents, their attorneys. At that time the United States District Judge suggested that these young men tender a plea of nolo contendere to the charge of obstruction of mail matter. My experience in the criminal courts is extensive but not recent. I have not appeared in the criminal courts for some time but I was at one time a Judge and at one time I was very familiar with the criminal courts. The plea of nolo contendere has troubled the North Carolina Supreme Court on many many occasions. For example, to give you some idea of what a difficult hybrid bastard type of plea it is - in North Carolina if you tender a plea of nolo contendere to a traffic violation that would normally accumulate points on your drivers record you do not get any points because of a nolo contendere plea. The courts say for that purpose it is not the same as a plea of guilty or a guilty verdict. At this time and today the rules of criminal procedure in the United States District Court provided and today provide this - and this creates difficulty. Except as otherwise

Councilman Rainey returned to the meeting at 3:24 o'clock p. m.

ORDINANCE NO. 941 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Property on North Louisiana Avenue owned by Mrs. Louise Ray)

3. Consideration was given to the third and final reading of Ordinance No. 941, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on North Louisiana Avenue from R-5 Residential District to Commercial Highway District, property owned by Mrs. Louise Ray.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 941 passed on third and final reading.

Complete text of Ordinance No. 941 will be found in Ordinance Book No. _____ at page _____.

RESOLUTION NO. _____ RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENTS FOR SPACE IN THE ASHEVILLE AIRPORT TERMINAL BUILDING

4. Consideration was given to a resolution authorizing the Mayor to execute lease agreement for space in the Asheville Airport Terminal Building.

The City Manager read the advertised notice to the public, pursuant to Section 7 of the Charter Appendix-Related Laws, stating the intention of the City of Asheville to execute such leases.

The City Manager read the resolution authorizing the Mayor to execute lease agreements with Alice S. Duckett for gift shop location; Avis Rent A Car System, Inc. The Hertz Corporation, and National Car Rental of Asheville, Inc. for car rental locations, and American Cab Company, Inc. for space in the baggage room and the right to conduct limousene service for the Asheville Airport.

Councilman Michael suggested postponing the resolution for one week until more information can be obtained relative to how the leases are negotiated, what the percentages are and whether or not other companies were given the opportunity to bid on the leases.

After discussion, Councilman Morris moved to table the resolution until February 17, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

APPEAL OF DISCHARGE OF KENNETH C. EDWARDS

5. Hearing on appeal of discharge of Kenneth C. Edwards.

Mayor Ochsenreiter stated that members of Council have received and read the brief from the Civil Service Board and the Corporation Counsel has advised Council of the manner for holding the hearing. He said there would be presentation by Mr. Edwards' Attorney as well as the City Attorney.

in any civil proceeding and this is clearly a civil proceeding. A civil hearing into Mr. Edwards capability to hold the job or whether or not he should be retained. Secondly, it was a very minor charge. I call on each of you gentlemen to think back into your youth and think back into your teenage days. And I call on you to think back into the teenage days of your sons and daughters and say what one of us - who should cast the first stone. Not one of us is blameless. A very, very minor charge- restitution was made - each of the boys paid $5.00 back. It's a sort of thing that certainly shouldn't have been a federal case but as anybody who has practiced law knows anything in the federal court is a federal case and I mean it is a big deal. But its a sort of thing that we would have heard in our police court and hear in our District Court everyday and nothing to it. Secondly, this question before you and which before the Board - the Civil Service Board- involves a state of a man's mind. Did he willfully make a misrepresentation regarding his criminal arrest record or his conviction. With the recollection of what the Judge had told him -with the recollection of what the law as explained to him by the Court in Georgia meant and the results flowing therefrom he was clothed with - he was burdened with a real question. If I report this then its going to be held against me. They have told me there isn't any way it can be held against me in any future proceedings at all or in any manner so should I report it or should I not and he asked Mr. Womack and Mr. Womack said I don't know you will have to decide that for yourself. Now, Mr. Womack did not deny that that conversation took place. He just said in effect I have so many thousands of cases that I supervise it could have happened I don't recall whether it did or didn't. Now we are talking about Mr. Edwards' state of mind was this a knowing willful intentionally type of thing. Did he willfully and intentionally mean to misrepresent the status of his criminal record. I have some definitions from various case of law dealing with what willful means. A willful act may be described as one done intentionally, knowingly and purposefully without justifiable excuse as extinquished from an act done carelessly thoughtlessly, heedlessly or inadvertently. Now if he was not advertent to the fact that he should have answered yes - 1966 Atlanta, Georgia. If he was not advertent to that fact it was not a willful act. If by reason of what the Court had told him in Geogia he was under the impression and honest, justifiably impression that this could not be held against him in the future then he could not be guilty of willful,knowing intentional misrepresentation or mistatment of a fact. Other definitions intractable, having a head strong disposition to act by the rule of contradiction. Perverse - intending the result which actually comes to past designed intentional not accidental or involuntary. Under all of the definitions, members of City Council, this man's state of mind was one at the very worst of uncertainty as to whether it should be counted on his record or not when he had already been told that it should not be and could not be under the law of Georgia or under the law of the Federal Courts - held against his record in any way. Now, this man has had a perfect record. He had a perfect record prior to this difficulty in Atlanta. For 18 years he had not transgressed on the law. One misslip of a very very young man away from home - away from family - and trying to establish a career in a broadcasting school down in Atlanta, Georgia. Commendation seven and a half years of perfect service for the Police Department for the City of Asheville for you and me, for all of us. A member of the Naval Reserve for several years. Now, the Naval Reserve, I have had a lot to do with that,

provided in this paragraph, evidence of a plea of guilty later withdrawn or a plea of nolo contendere or of an offer to plea guilty or of nolo contendere to the crime charged or any other crime or of statements made in connection therewith and relevant to any of the foregoing pleas or offers is not admissable in any civil or criminal proceeding against the person who made the plea or offer. Georgia law goes - I think the same - but it is phrased a little bit differently. The Georgia Statute and this did occur in Georgia although the federal rules of procedure were involved. The Georgia Statute said it shall in no way result in a forfeiture of position. The Judge who presided over this case told Mr. Edwards, in the presence of his mother, and his lawyer, that if you plea nolo contendere it can not be held against you in any way in the future. Based on that understanding, all of these young men tendered a plea of nolo contendere. Probation was imposed for two years. Mr. Edwards satisfactorily completed his probationary period without any misconduct or any violation of the terms of the probation. Came 1969 he was about to be discharged from his probation. He was under the supervision, here in Asheville, of Mr. Charles J. Womack who is still a probation officer in the Federal Court here. The application form which was given to Mr. Edwards when he made application for employment or appointment as a patrolman had a question no. 14 which ask if the person had ever been arrested or convicted of any offense. Mr. Edwards was in quandry he went to Mr. Womack - and this is in the record - and asked Mr. Womack- he said I am applying for a job as a police officer - how should I answer under this nolo contendere situation which is not really a plea of guilty and not really a conviction -how should I answer this question no. 14. And Mr. Womack, even though he had years of experience, said Mr. Edwards I can't tell you, you'll have to answer that yourself. He was filling out the blank at his mother's home where he was residing and he said mother, who is Mrs. Ruth_____, who testified in the matter before the Board - he said- how should I answer this question 14? She said well you know what the Judge told you that it could not be held against you in any way in the future- answer it no. So he answered the question no. He is appointed - starts his employment May 3, 1969. He has a prefectly clear record as a police officer. He has received three commendation letters each of which appear in his personnel file. In addition to that he completes a school in Durham by the Northwestern Traffic School -that's a branch of the Northwestern University and in addition to the three commendations that I have mentioned he has a commendation from the Governor's Secretary complimenting him on completing this school. Not a black mark against him. Seven and a half years have elapsed since the date of his employment. Police Chief receives an anonymous telephone call advising him that Mr. Edwards has - had been convicted of an offense down in Georgia. The Chief investigates all the due processes that followed in so far as the letter to Mr. Edwards - no question about that - he has a conference with the Chief - he tells the Chief about this nolo contendere plea that he understood that he - that it could not ever be considered a conviction or could not be held against him in any way and that was why he answered the question in that manner. Notwithstanding this the Chief discharges him which matter was affirmed by the Board - the Civil Service Board. It is now here on appeal. These thoughts occur to me. Certainly the conviction itself could not be used as a grounds of discharging Mr. Edwards because under Rule 12 of the Federal Rules of Criminal Procedure it could not be used

represented by Mr. Bennett. He had the opportunity to be sworn to present all the evidence that he wished to present. He had the opportunity to have all of his witnesses present, in the hearing room, to be sworn and to testify. The City of Asheville presented witnesses who were sworn and who testified and Mr. Bennett had the complete opportunity to cross-examine all of those witnesses. After the hearing was completed - after the Civil Service Board had observed the witnesses - had observed the demeanor of each of the witnesses and had considered all the matters that Mr. Bennett related to earlier the Civil Service Board entered a report in which it affirmed the action of Chief Hall. Now, Mr. Bennett has requested that the report of the Civil Service Board be disapproved and one basis for his request for disapproval is this plea of nolo contendere. I would like to call the City Council's attention, though, to the report of the Civil Service Board. In that report the plea of nolo contendere is not even considered. That was not even the matter upon which the Civil Service Board based its decision. Question 14 of a questionnaire, which Mr. Edwards signed, asked this question. Were you ever arrested or convicted of any offense against the laws of this state or of the United States? - Were you ever arrested? - Were you ever convicted? The evidence is without question. Mr. Edwards testified, under oath, that he was in fact arrested for a federal violation and it is not a matter of a violation - it's a felony. The man could have been sentenced to five years in prison and a $2,000 fine. That to me, is not a matter that is simple, easy and unimportant. The plea of nolo contendere - what it's legal meaning is - what it's consequences are - has absolutely nothing to do with the matter that is before this Council. Chief Hall testified under oath that he was concerned with the fact that Mr. Edwards answered the question - were you arrested? - "no" - he answered that "no" in his own handwriting and then he underlined it. He signed the document twice - one time before a Notary Public. This discharge is based upon the fact that he falsified an application. His falsification was willful and willful means did he do it intentionally. The evidence is clear and the Board found that - yes, he did it intentionally. It wasn't an accident. He knew what he was doing. He contemplated. He thought about it. He talked with his mother about it. He talked with Mr. Womack about it - a federal probation officer. Mr. Womack said this - I'm not going to tell you how to answer it. I'm not going to tell you to put the wrong answer down. You make that decision yourself. You're an adult. You make that decision. He thought about it and he knew if he answered it yes his possiblity of getting a job with the City of Asheville as a law enforecement officer would be jeopardized. Therefore, he intentionally wrote "no" and he underlined it. Never had he attempted to go to the Personnel Department, the Chief of Police, when he was applying for work and say - I had a problem in Georgia. I was a young man. I was arrested - yes, I was arrested and I want to tell you about it, ask that you give me another opportunity and let me become a law enforcemnt officer. Mr. Womack told him - this is a decision you have to make yourself whether or not to answer it yes or no. Mr. Womack, according to the transcript, advised him only that since you are on probation you can't carry a pistol so I don't know how you're going to be a law enforcment officer. He never told him that there was confusion about what a plea of nolo contendere meant. That was not even the issue, it

it doesn't take tramps - it doesn't take people that are not worthwhile. Sometimes it might develop into people that are not worthwhile but to get into the Naval Reserve you have got to have good character - good recommendations and be clean. His work with the youth - with the youth of West Asheville - his membership into the Fraternal Order of Police his activities - all of these things lead me to believe that Council should say by a vote of five out of the seven that is required by the Act to disapprove the action of the Civil Service Board. There is discretion, nobody has seen fit here to exercise any discretion whatever. There could have been a reprimand, certainly in my opinion that is all that Mr. Edwards conduct, under the most peculiar circumstances of this case, deserves. As I say nolo contendere, no lawyer today and I will challenge any one of them here in this room or any one of them out here in the City to sit down with you and give you a good substantial explanation of what a plea of nolo contendere really means and what it really results in and what it amounts to - they can not do it. Every court of which I am acquainted has had tremendous problems including the Supreme Court of North Carolina. They have had such problems that there happens to be a law review article on the subject - Nolo Contendere in North Carolina by Edward Lane Redicker - It starts on page 280 and it runs for about 20 pages discussing what is the effect of a nolo plea in North Carolina. Well, Lord knows, that the law schools and the law review editors and the Supreme Court don't know how do you expect Mr. Kenneth Curtis Edwards to know. Finally, in my opinion, this did not merit discharge. I think this was an extremely harsh punishment.I have known in my life in the City of Asheville which is 62 and one-half years many many offenses committed by police officers, far greater magnitudge than this which went totally unnoticed. I say that it is within the power of this Council to disapprove this report and remand this matter to the Civil Service Board with a recommendation that a reprimand be entered or some slight suspension. Mr. Edwards testified in this case that he had absolutely no intention to knowingly or willfully deceive and didn't intend to deceive anyone. He was following the line of reasoning given him by the courts in Georgia. I say this is a situation where Council should exercise its discretion. This man has done an excellent job as a police officer. This is a very very old situation. Dates back to 1969 and here we are in 1977- seven and one-half years when it occured last summer and now eight years. I ask that Council consider this matter, exercise its discretion. No one is trying to say Chief Hall is guilty of anything, after all he is the Chief, he had a right to impose such penalties as he thought best. However, I think there must have been something further, something more in it by reason of the harshness of this punishment. Thank you very much."

Mr.Vic Buchanan, attorney representing the City of Asheville in the case of Mr. Kenneth C. Edwards, made the following statement:

Mr. Buchanan: "May it please the City Council on January 19 of this year I appeared before the Civil Service Board and ask them to approve the action taken by Police Chief Hall in his dismissal and discharge of Mr. Edwards. Today, I am appearing before you and asking that you approve the action taken by the Civil Service Board and approve its report as filed with the City Clerk. The reason for that is this - After Mr. Edwards was discharged by Chief Hall he requested a formal hearing before the Civil Service Board. That hearing was conducted. It was a public, open, complete hearing. Mr. Edwards was present. He was

Mr. Buchanan: "I'd like to point out to - that a number of years have gone by since Mr. Edwards completed the application and became a police officer but during none of that period of time as he grew in maturity, grew in knowledge, grew in his law enforcement career did he ever come forward and attempt to talk or explain this situation to anybody in authority with the City of Asheville and to now say that it is unimportatnt - to now say that because he was a good police officer or because he never came forward and talk to anyone about it - that he was able to cover it up would be simply to say that we are rewarding you for an intentional wrongful deceit and for that reason again I believe that the report should be approved.

Councilman Michael: "Mayor, I don't know whether Mr. Buchanan could answer this or not - Am I allowed to ask the Acting Chief of Police a question."

Mayor: "I think if it pertains to the case and I think what you are trying to ask - something that Council would like to know. I don't see any reason why you couldn't."

Councilman Michael: "Well, I'm interested in Mr. Edwards and everybody else's case too. If he's the only one that, under the Civil Service law that has ever falsified by answering question 14 "no" then I think he ought to be dismissed. I also think that the modern way of computerized record keeping that we have - that it would be an easy matter to investigate whether a person had a police record at the time of employment and I think this should be done."

Mr. Bennett: "I'll answer that, Dr. Michael, by stating that the Chief testified before the Civil Service Board that this ----------

(Tape had to be changed)

Councilman Michael: "------- everybody else under Civil Service has been investigated and I'm sure that everybody else doesn't have a record. That they said they had a record at the time they were hired."

Mayor: "Chief, could you - I'm not too sure exactly - on 14 let's look my way for a second. Have we ever had a case where the indication was "yes" they had a police record and we did hire them."

Chief Trulove: "No, sir. Not a felony. On minor traffic offenses, yes. On driver's licenses that have been revoked for driving drunk or something."

Councilman Michael: "But, when the case came up it seems like it would have been fair if you would have investigated everybody you could and found out if anybody else had a record and check their application."

Chief Trulove: "I didn't have anything to do with it. That was before my tenure."

Mayor: "Otis, are you saying that -------."

Councilman Michael: "I'm trying to say everyone else ought to be checked and fired if they are going to fire Mr. Edwards."

was whether or not he was going to give a correct and truthful answer to the questionnaire when he was seeking employment with the City of Asheville. I would ask that the City Council approve this report and I would ask that because this matter has been gone into at a full hearing. The report of the Civil Service Board is based only upon competent evidence and if it is proper before the law and before the court then therefore it, should be approved. Thank You."

Vice-Mayor Horton: "I have a question I'd like to direct to Mr. Buchanan. Mr. Buchanan, you referred to the possibility that if in answering this question no. 14 on the application, the applicant had said "yes" it would jeopardize his chances of being hired as a police officer. What would be a normal reaction. What in your opinion would be a normal reaction if an application were submitted with a "yes" in that one particular spot. Would there be an investigation or something like that."

Mr. Buchanan: "I have no way of knowing, I would think that the responsible party in this case, Police Chief Hall, would have made an inquiry and talked about it. Had he inquired, he would have found this - that "yes" the man had been arrested for a violation of a federal statute. In addition, the transcript shows that there is a four count bill of indictment from the Grand Jury of Fulton County, Georgia which is a state court and which resulted in an additional arrest of Mr. Edwards. Now these were all matters that revolved around this one case. But this could have been something that Mr. Edwards could have sit down and talked with the Chief of Police about or the Assistant Chief or someone in the Personnel Department-but-instead of falsifying his application, particularly before a Notary Public under Seal. He should have explained it. He could have put "yes" then he could have explained it. Now what would have been the result of that explanation - whether or not he would have then been fired I don't know. I'm not qualified or capable of answering that."

Vice-Mayor Horton: "Well, my point was that perhaps would have been a person to person investigation as well as finding out of the facts and then all that has been brought to light in the transcript here and what both Mr. Bennett and you have covered here today perhaps would have been in the mind of our Personnel or Police Chief and anyone concerned with this employment application. So you have relieved my mind a little bit, by the fact, that it would have been given further consideration. This is one thing I wanted to know whether it would have been just automatically cut and said you are not qualified - we can not even consider your application. This is very important I think in our judgement sitting here as elected officials of the City of Asheville that we have a clear concept of what could happen or what could have happened had the person who asked for the hearing answered "yes" rather than "no". Many times in a case like this I have been tempted myself to say "yes" but - or "no" but - Yet seemingly our society seems to say "yes" or "no" and sometimes an explanation is far more important and far more beneficial to both parties than just a plain "yes" or "no" answer."

Mr. Buchanan: "West Point, you had a large number of people who had done ----- -----."

Councilman Michael: "Maybe we got a lot too ------ we don't know."

Mr. Buchanan: "The difference between West Point and here is that the investigating committee found that the West Point cadets were not provided with their appropriate constitutional protection. There could be no question - that Mr. Edwards has been offered and given every protection conceivable to protect the due process right. Mr. Bennett has seen to that. Mr. Hall prior to that time. Now, if complaints are made against someone they have to go through the procedure and give everyone an opportunity to sit down before the Board - put their hand on the Bible and swear to tell the truth and they tell the truth then they can afford to make a decision upon competent evidence. So far there's only been one complaint. "

Vice-Mayor Horton: "Mr. Mayor, I'd like to ask Chief - you answered a while ago that as far as you know there has been no successful applicant who has been hired - shall we say who had answered "yes" to this question. Does that mean now "yes" to a conviction or "yes" to an arrest."

Chief Trulove: "It says Have you ever been arrested or convicted?"

Vice-Mayor Horton: "What I'm thinking - there is a possiblity that you would have someone just as Mr. Edwards- that he was not convicted. But I don't want to confuse that in your mind it just occurred to me that there is a difference."

Chief Trulove: "Well, if the man wasn't convicted - I think he would be."

Councilman Morris: " He'd still have to answer "yes" wouldn't he?"

Chief Trulove: "That's right ---------- but he ought to go into detail and explain it."

Mayor: "I think that brings us up to date."

Mr. Bennett: "Can I make one statement in rebuttal now? First of all everything is a felony in the federal courts. If you read the U. S. Code from Volume 1 through Volume 49 you will find that everything is a felony in the federal -----. Even the most incontestable type of thing. Secondly, in reply to Mr. Buchanan's arguments. Why didn't he come forward in the seven and one-half years? If he was under the impression that it could not be used as a record against him in any way by what the Judge and the United States Attorney and his lawyer and everybody else told him why would he come forward seven and one-half years later if he's still under the same impression."

Vice-Mayor Horton: "Mr. Bennett, I have one further question - under Section 42 of the Civil Service Code does that refer directly to an application?"

Mr. Bennett: "No, sir, it does not. I didn't want to get legalistic with this Council but I think that is a legal point thats well taken. It

Mayor: [redacted] "Vic, you might want to address yourself to what Otis is -----."

Vice-Mayor Horton: "I'd like to ask the Chief another question."

Councilman Michael: "It may sound funny - it might sound facetious - it might be out of order, but it is a fact. This guy was reported by an anonymous phone call and apparently somebody didn't like him. How many more people that works for the City of Asheville under the Civil Service rules and regulations, have records that said they did not are working for the City of Asheville would be what I would have to know before I could recommend approval of the report."

Mr. Buchanan: "I'd like to point out, Dr., that the Police Department has established a procedure whereby complaints, whether they be by citizens, people employed by the City, anonymous, or whoever if a complaint is made against a law enforcment officer then there is an internal investigating procedure which has been set up to accomplish several things - one of which is _____ the police officer and give him an opportunity to be heard and give him the opportunity not to have unsupported statements made against him and also to give members of the community a way whereby they can make a complaint against a police officer that has mistreated them. Now, as part of this internal complaint procedure which is set out in the Police Manual, of which Mr. Edwards had a copy prior to this time. As is true of all the police officers. Chief Hall received an anonymous telephone call during June of 1976 Now he is required as a result of that call to put this complaint procedure into effect as to this officer in order to deal with a specific concrete complaint that somebody came forth anonymous and made. Now as that complaint procedure went forward there was a conference held of which Mr. Edwards and his then attorney, Mr. Wade Hall, was present. After that occurred, Chief Hall terminated or dismissed Mr. Edwards. Then he became part of the protected procedured of the Civil Service Act which resulted in this hearing. Now, if there are other complaints that someone has against other police officers for falsification of an application or anything else then their proper procedure is to come forward and make a complaint so that it can be investigated so the officer will be given the opportunity to rebut these accusations and protect him as provided in the Civil Service Act."

Councilman Michael: "I agree with everything you are saying - I agree Mr. Edwards ought to be fired if everybody else has been investigated. But I think it is unfair to single one person out because he got the complaint. Take West Point for example when they got a complaint - violation of a code of ethics - examination - etc. They investigated everybody and they dismissed everybody."

Mr. Buchanan: "At West Point they investigated those who had complaints made against them."

Councilman Michael: "I think that is fair. In this case we didn't do that. We investigated one person who got a complaint."

Now, that type of statistical figures gave credence to the rumors that I received. I have not had an opportunity to look at the reports for 72, 73, or 74 or even going back further than that.

I shared my concern with the Mayor in December, 1975. Now, I must say one thing about the Mayor. The Mayor would make a very good poker player because he sat there and listened to everything I was telling him showing absolutely no emotion, no feeling whatsoever. I did this in the presence of Mrs. Swilling and she will attest to the fact that our Mayor is a man with steel nerves and thought there was absolutely no impression made on him at that time.

At this time in January, I was approached by two Citizen-Times editors - Mr. Bill Moore and Mr. Bob Satterwhite. On January 14 and 27 they told me that the Asheville Citizen Times had been looking into the same rumors. I expressed to them the concern that, if they released their story without this Council doing something about it, we would end up with egg on our face, embarrassed by the fact that this Council was the one in which these rumors, if true, were released to the public. When I learned of the Citizen-Times interest and the stories to follow, again I informed the Mayor. The reporters asked for contacts and there was a meeting arranged through my intervention between some young officers and Bob Satterwhite, in which Mr. Edwards was present.

In February, it was obvious to me that an investigation of some outside source was needed. Through the intervention of a mutual friend, I talked with Mr. Charlie Smith of SBI. He told me that he needed a local district attorney's request before he could send in an agent to investigate. I went to Mr. Fisher and Mr. Fisher said he could not issue the request unless he had signed affidavits. No officer, no young officer presently on the force or any retired officer in the Asheville City Police Department that had witnessed what they considered wrong doings, was willing to sign that affidavit and I couldn't blame them one bit and that was a stone wall. As far as I was concerned there was noting more that could be done. Not with the Mayor.

The Mayor had discussed this situation with the City Attorny. For the first time, in making this public, I want to state that I am very proud of the way that our Mayor and our City Attorney has handled this thing. They tried anouther route - another route which again required policemen to deliver their stories. Mr. Edwards was not part of this police group and they met using this other route and thus far nothing has come out of that either.

The articles that Mr. Satterwhite had said would be reported came out in June 22, 23, 24, and 25 in a major misjudgement of time. They came out in the midst of the Tunnel/Cut controversary which was about the worst time that nay news story, I suppose, could get any attention in Asheville. And they came out when I was 1,100 miles away in Texas. One of the articles written by Charlotte Hutchison on June 22 stated that a number of policement that had talked to the Citizen during the past several weeks expressed fear that "they would lose their jobs or experience some other reprisals if their names were used in the airing of their complaints." The last article then appeared on June 25 - one of the articles was entitled Chief Hall quote "Tried in the Press?" Another's entitled "Police Say Gambler Gave Force Christmas Liquor" the largest one "Low Morale Hurts Police Department, Patrolmen Say".

does not refer to an application - it refers to an appointment. It does not specifically cover a misrepresentation on an application for employment."

Vice-Mayor Horton: "And it was Section 42 under -------."

Mr. Bennett: "It was Section 42 under which the Chief operated. Yes, sir."

Mr. Buchanan: "I would like to refer to Section 42 ----- no person shall wilfully or corruptly make any false statement in regard to any appointment. The argument that we presented and as our position before the Civic Service Board that when you talk about making statements this clearly - without question - covers applications for employment. It is part of your appointment procedure."

Councilman Rainey: "I'd like to take a few minutes to explain how I will vote on this issue and with a jumping off point on the closing sentence of Mr. Bennett's council presentation. In which he said and I quote "there must of been something more in it because of the harshness of the judgement against Mr. Edwards." I think we must place, at lease I must place, this case in a larger context. And the starting point as far as I'm concerned is the date of the anonymous phone call - June 28 - a date that I think that is important.

When I decided - or had my arm twisted to run for City Council 1975 - the rumors that I received as a candidate was that a majority of our uniformed policemen are honest professionals, but that there were hints of corruption within the Police Department. It came from several sources: it came from law enforcement personnel in the City and in this County; it came from retired officers from the Asheville Police Department; and it came from young officers within the department. But now - hints of corruption primarily centered around the lack of police action against prostitution and gambling. The picture that was painted for me was that there was protection for some lotteries but not of others; that a young officer, if he wanted to stay on the police force, would have to look the other way if he was promoted. Now, I am of the opinion, and I stand square on this opinion, (and I see some young officers in this room - one of which was one of my students)- that the majority of our uniformed policemen are honest professionals.

The concern about these hints - these rumors - from approximately 12 people - my suspicions were further aroused by looking at the annual reports of the Police Department. In 1974 there were 333 narcotics arrest by the vice-squad. There were 7 for lottery and 5 for gambling. The ratio in essence is one for lottery and gambling to 28 for narcotics. Investigations there were 596 for narcotics and 135 for lottery - in other words 19 investigations resulted in 1 arrest for lottery 1.8 or almost 2 investigations resulted in one arrest for narcotics. Again, the rumor that come to me in a statement from these sources were the Vice-Squad, under the very capable leadership of K. D. Ingle, were told or was concentrating on narcotics and leaving lottery and prostitution in this City alone. The statistics for 1975 are even more impressive - 1975 there were 224 arrest for narcotics, 1 arrest for lottery, 3 for gambling, and both years none, as far as I can tell from the reports, for prostitution. In other words, a little over 3 investigations resulted in one arrest for narcotics but 199 investigations resulted in one arrest for gambling.

Vice-Mayor Horton in voting to "disapprove" the report made the following statement"

"I'd like to make one brief statement explaining why I vote as I do because this has been a most unusual situation. I do believe that Chief Hall did what he conscientiously thought was the thing to do at the time. However, in view of the transcript, of the statements and the testimony and particularly the character references they indicated that Officer Edwards had done a good job on the police force and that he was an outstanding member of our community. I have come to the conclusion that he has proven himself worthy to be on our police force and I think that the technicalities of the charge are vague and ambiguous. I do not personally feel that he willfully or corruptfully answered as he did because it was fully explained by Mr. Bennett the circumstances under which he labored to try to come up with what to put on that piece of paper and I firmly believe that had this come out at the very beginning and an investigation been made at the receipt of his application that the circumstances would have been accepted as not serious enough to jeopardize or to interfere with his being considered completely and openly in an unbias manner for a position on our police force and I think that his service of seven and one-half years of dedication and of fulfilling his duties in an exemplary manner have again proved his worth and I will disapprove the report of the Civil Service Board."

Councilman Morris in voting to "approve" the report made the following statement:

" The five necessary votes have been cast. I think we have gone pretty far afield, frankly, I think we have talked about a lot of issues that are not pertinent to this case or claims. I think we skirted the one issue and that is Did he knowingly make false statement on the application? Hadn't got anything to do with vice - hadn't got anything to do with whether or not he was convicted- hadn't got anything to do with the size of the crime. The only question I think before this Council is Did he knowingly make false statement on the application form? and its clear that he did and I hope he will hold no resentment against me. It would seem at this point in time he's kept his job but I'll have to vote to affirm what the Civil Service Board has done."

Drew Walker, Asheville Police Legal Advisor, made the following statement:

"Mr. Mayor, I'd like to know if I could be heard before the next item of business. What I have to say doesn't bear on the issue of Mr. Edwards and unfortunately I don't enjoy the advantage of any advance notice or preparation for my remarks. And perhaps taking issue with even one Councilmember at budget time may be a risky thing for someone whose salary is controlled by the Council. But I can't let all of the innuendo pass without making a remark on it. And I would appreciate your listening for a few minutes. It occurred to me while Dr. Rainey was speaking that in saying that he has confidence in the honesty of most of the Police force but believes that there may be some who were dishonest- thats a lot like my saying I think that probab most of you are honest. But I think some of you are crooks. But I don't say who's who That bothers me- it would bother you to all be tarred with the same brush. Even though the one doing the tarring is saying I'm not really doing this - you know he is. He's not taken the necessary steps to be specific about who is being charged who is not being charged. This of course is something that goes back a long time. All the stories in the newspaper. All the allegations during the slow down that occurred during the fall of 1975. There have been charges filling the air for a good while. All sorts of allegations against Chief Hall - against Chief Trulove - again Chief Jarvis - against all the so-called top brass at the Police Department, but none of the allegations have been backed up either by specific individuals making

The call to the Chief came on the 28th. I cannot support the firing of Mr. Edwards with this background. This was a harsh judgement I think because Mr. Edwards was a part of this, that is, the discussion with the Citizen-Times that I described below.

The issue of Mr. Edward's answer, I think, would have been handled differently had he not been part of the young officers interested in a professional police department, concerned about the department, wanting to serve Asheville as best they can - had he not participated in that discussion with the reporters. Where do we stand now --.

I conclude by saying the majority of the Asheville policemen are honest professionals. Secondly, this Council has done all that it can to look into this problem without making it public or without hurting innocent people and the fact that for over a year now that this is been going on. The Mayor has been moving on this - the City Attorney - without making it public - shown that we have been concerned - a lot has been going on under the surface and I must take my hat off to the Mayor and the City Attorney.

We certainly must look into this matter either under the new Police Chief or perhaps under one of the sources - one the channels - the channel which the Mayor and the City Attorney were looking into this past year. I believe we cannot stamp out sin in Asheville or we can not stamp out vice and I don't think that we would be able to run out all the gamblers or do away with the women of the street. But I do believe that we need to look into a situation with I think there is enough smoke to suggest a fire that vice is discriminately prosecuted with Asheville.

Mr. Mayor, I must vote to override the Civil Service Board."

The Corporation Counsel reviewed the Charter for the procedure for voting on the Civil Service Report stating the "the City Council shall at a regular session vote on the approval or disapproval of the report. It required five (5) affirmative votes to disapprove the report, lacking such five (5) votes the report shall be approved. When each Council member is asked whether or not he approves or disapproves the findings of the Civil Service Board he shall answer "approve" or "disapprove"."

Mayor Ochsenreiter then ask the City Clerk to obtain the vote. The vote is as follows:

Councilman Rainey - "Disapprove"
Councilman Hoyle - "Disapprove"
Councilwoman Swilling - "Disapprove"
Vice-Mayor Horton - "Disapprove" (See comment on back of page)
Councilman Michael - "Disapprove"
Councilman Morris - "Approve" (See comment on back of page)

top of my head so I don't know whether it will be phrased very well or not. I think the Council needs either to say we are going to investigate the Police Department and if there is anything wrong in it or any people wrong in it then we are going to correct that situation or remove those people, or the Council needs to say we will no longer entertain and certainly not advance ourselves anonymous, unsubstantiated rumors of misconduct and I would urge you to consider those options and to go on record one way or another. I think that in the situation we are in with an interim City Manager and interim Chief of Police that people are uncertain as to whats going on and where they stand. If you heard the questions I am getting every day from Police Officers in regard to whats going to happen down the road and how they are going to be affected, you would know what I mean. They feel like they may be between a rock and a hard place. I think the Council owes it to them and in turn the public of the City of Asheville who we are all suppose to be working for to go on record one way or another. I think it is something you need to think about and then decide upon and I think that all this wavering back and forth having things come up, die down, arise, blow over needs to end. I think that one of those two options is what you ought to take. I apologize for stepping outside the agenda but sometimes when something arises spontaneously you have to respond to it in the same fashion. And I would urge you to think about those two courses and decide on one. Thank You."

Councilman Rainey - "Mr. Mayor, I think that I ought to respond a bit here."

Mayor: "Let me make a suggestion. I feel like that based on the seriousness of the implications up to today that we can't resolve anything and that Council to establish a policy would have to be at the direction,with reference to the Police Department,of the City Manager unless we make a specific request of him. I would ask that this Council bear with that decision as well as the members of Council of the audience here today. I would like, as a matter philosophy, Drew, to explain one thing. As the Mayor of the City of Asheville this is not just one of the many problems but there are a lot of them that come to my attention. To the best of my ability whether it deals with the State Highway problem or the Police Department, in-house problems, we take it to where we think we can get the facts before we move forward in any direction. And that was the effort that City Attorney Bill Moore and Gene Ochsenreiter as your Mayor made before we felt like something could be established to proceed with any type of investigation and that was our position and will continue to be until the facts are laid on the line so that we can establish what the problems are, what the causes are and what needs to be done for a solution."

Councilman Rainey -"May I answer some of these things - He's questioned my motives. I won't take but a minute."

Mayor: "O. K. but Drew we are going to cut it off at that time because this is not the place."

Councilman Rainey - "I'll overlook Mr. Walker's statement of my motives - that is playing to the press. That's cheap shot. This would not have come out today had it not been important in the career of one of our officers. If this case had not come up today what I've just said - what I think a good record of the Mayor and the Attorney made in this regard-would not have been made public. At this point in time it had to be. Told now there are no allegations today in what I have said - there are no accusations against Chief Hall

the charges or by being able to or being willing to which ever, nailed down details of what the charges are. It strikes me as totally unfair. To make a statement in open Council meeting, playing to the audience of the press, playing to the audience in this room, playing to the audience that hears us on radio, saying that I think that we got corruption in our Police Department without saying any more than that. People have been before the Council, Mr. Bishop, and others making similar charges. Council has to this point said go to the District Attorney - go to a Grand Jury - go to some place where if there are substantial - if there is substantial weight to these charges something can be done. The appropriate agencies in our Justice system to this date either have not been contacted or if contacted have not had enough to go on even to launch an investigation I'm not even talking about a preparation for any sort of trail or indictment but I mean even enough to start an investigation. All these charges are many steps removed from being legally sufficient to have a warrant or indictment issued against anyone. The only thing I believe that has happened as a result of all the rumors to which Dr. Rainey has added fuel - the only thing that these stories and rumors have done is to put Chief Hall, when he was still Chief, on the defensive. To put all the policemen under the spector, under the cloud of this allegation about dishonesty not knowing you know who thinks I'm dishonest. Do they think that I'm one of the good guys or one of the bad guys. You try working like that its not very easy. The City pays me to be the lawyer for the Police Department. It distresses me somewhat to learn if I recollect what you said clearly that the Mayor and the City Attorney have been trying to see if there was something to these allegations without informing anyone in the Police Department. I can understand that if you have a specific individual under investigation you don't go to him necessarily and say we're checking you out. It does occur to me that as a public employee, someone paid by the City to represent the best interest of the City in the Police Department, that if there is any kind of investigation of someone in the Police Department unless its me, that I should be informed of it. I think that that is requesting only something that makes sense from a public policy point of view as well as a very sensible point of view. I'm not paid to represent someone to try to get them off the hook over at the Police Department. I wasn't paid when Chief Hall was there to be just Chief Hall's lawyer. I am not paid to keep anyone out of trouble. I am paid to represent the best interest of the Police Department stress department. Not particularly individuals and the best interest of the City. And I think it unbecoming if this is the case that I have not been and that other people in the Police Department who were not subject to an investigation have not been notified of any of this. If this is a misunderstanding on my part I'd like to be enlightened if I understand correctly I'd like to be apologized to and informed in the future. A week or so ago a resolution was read here in appreciation of Chief Hall's work as an officer and as Chief of Police. During last summer when all the newspaper stories, radio stories were filling the paper and filling the airways nobody lifted a hand in defense of the man at that time. Nobody lifted a hand in defense of the Police Department at that time. As I recall it the only statement issued was one that was issued by Mr. Ward which said in essence we do not have substantial allegations upon which to make an investigation. I read that as damning with faint praise. I was appalled by it. I do not think it would be inappropriate or even particularly daring of the City Council to go on record as saying that we believe that a person is honest until there is some specific proof that he is a crook. I don't think that to much to ask of the Council. And I believe that Dr. Rainey has just taken us somewhat in the wrong direction. I think it is more of the same - more of the charges without any proof - more allegations without any proof. Painting the Police Department and all the officers, remember, who, none of whom have been identified. Painting them into a corner. They are suppose to go out and impartially enforce the law while at the same time they have all been tarred with this same brush of allegations and corruption. I believe the Council needs to do one of two things. This is off the

NORTH CAROLINA LEAGUE OF MUNICIPALITIES
1010 RALEIGH BUILDING / P.O. BOX 3069 / RALEIGH, NORTH CAROLINA 27602 / PHONE (919) 834-1311

January 26, 1977

Mr. William C. Moore
City Attorney
P. O. Box 7625
Asheville, North Carolina 28807

Dear Bill:

I am writing in response to the recent telephone conversation between you, Mike Smith and me, concerning an interpretation of the Asheville Charter. We discussed whether the Chief of Police would be an employee subject to the rules and regulations of the Civil Service Board, or if he would be an employee appointed by the City Manager.

The relevant provisions are Sections 26 and 27 of the City Charter, and Section 27 of the related laws. The Civil Service Board has authority over the classified service of the City, which is defined by Section 27 of the related laws to include "all officers and employees of the City of Asheville, except... directors of departments, as defined in the city charter..." Section 25 of the City Charter establishes six departments of the City, including a Department of Public Safety, and authorizes the City Council to create such other departments by ordinance as it deems necessary. The intent of this section appears to be that (except for the department of motor transport) the City Council is prohibited from abolishing any of the departments enumerated. Section 27 of the Charter provides that the head of each department shall be appointed by, and shall be under the supervision and control of, the City Manager.

As I understand it, in February of 1974 the Director of Public Safety position was abolished by the City Council, and the positions of Police Chief and Fire Chief were elevated to the level of department head. The question has now arisen whether the Police Chief is an employee appointed by the City Manager, or whether he is an employee subject to the rules and regulations of the Civil Service Board.

As we discussed on the telephone, G. S. 160A-146 clearly gives to the city council of each municipality the authority to create, change, abolish, or consolidate positions and departments as it sees fit. G. S. 160A-3 (c) provides that when a power is conferred upon a municipality

The point is that all of the attempts to gain some substance, to find the smoking gun, as far as these rumors and allegations are concerned, were carried on behind the scenes, quitely, and through established channels.

Now, I will hereby break a promise to the City Attorney. Because I think it is a dead end because we had an election and we're going to have a new Federal District Attorney and that was the alternative approach that the Mayor and the City Attorney were going to.

As far as leaving Mr. Walker out of it, I frankly do not trust him. It is not meant as a criticism it is just meant that fewer people who knew about these things the better off we are and thats the way we wanted to keep it.

If we found the smoking gun, this Council would have acted. It turned out we had an election and we have a Democratic President instead of a Republican so now then we have a change in the District Attorney. Mr. Moore became ill and that slowed us down, too. These are events that just took place. As far as the officers over there are concerned, I think you will have to judge by how popular the decision of the Board today is among them and returning Mr. Edwards to their ranks as to whether or not Mr. Walker is correct in saying that I have tarred thw hole department or whether or not this Council is correct in making what I think is the best decision. I believe that Mr. Edwards return to the ranks will be very popular among the men and I think that's justification enough to bring up these events. Thank you, Mr. Mayor."

Mr. Ralph Bishop made a statement criticizing Mr. Walker's statement. He also complained of the lottery peddlers in the City of Asheville and Chief Hall.

RESOLUTION NO. 77-22 - RESOLUTION REGARDING AUDIT CONTRACT

Consideration was given to a resolution regarding audit contract for fiscal year ending June 30, 1977.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-22 was adopted, with Vice-Mayor Horton voting "no".

Complete text of Resolution No. 77-22 will be found in Resolution Book No. 9 at page 207 .

SELECTION OF NEW POLICE CHIEF

The City Manager read the following letters from the North Carolina League of Municipalities, Attorney Frank Gray and William C. Moore, Corporation Counsel relative to the legal opinion of the selection of a new Police Chief due to the retirement of Chief J. C. Hall.

Mr. W. Michael Smith
Personnel Director
City of Asheville
Post Office Box 7148
Asheville, N. C. 28807

Dear Mike:

Please be advised that I am in full concurrence with the opinion of Mr. Frank Gray, Attorney for the North Carolina League of Municipalities, as set forth in his letter to me of January 26, 1977.

Please be further advised that I am also in concurrence with the opinion given to you by Mr. Robinson of our office indicating that the receipt of details of the reorganization from the City Manager in open public session met the requirements of North Carolina General Statute 160A-146.

If you have further questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

Bill

William C. Moore

WCM/bc

The City Manager said he had presented these opinions to the Civil Service Board and they had concurred in the legal opinions of selection of the Chief of Police.

by general law, and a charter provision enacted earlier than the general law expressly denies or limits this power, then the general law shall supersede the charter provision. Applying G. S. 160A-3 to this case, I think that the authority to reorganize city government conferred upon the Asheville City Council by G. S. 160A-146 would override the apparent limitation contained in Section 27 of the Charter. Therefore, as the Council's action in abolishing the Director of Public Safety position was a legal action, and the positions of Police Chief and Fire Chief are new department level positions, I think it is clear that Section 27 of the City Charter requires that both be appointed by the City Manager.

I trust that my thoughts will be helpful. If I can provide any further information or assistance in this manner, please let me know.

Sincerely yours,

Frank Gray

Frank Gray, Attorney
Director of Information Services

cc: W. Michael Smith, Personnel Director ✓

Councilwoman Swilling stated that she felt all members of Council concurred with the legal opinions from the North Carolina League of Municipalities and the Corporation Counsel for the City of Asheville.

It was the consensus of Council to move forward by the legal guidelines in selecting the Chief of Police, with the appointment to be made by the City Manager.

Mr. B. L. Bumgarner, Patrolman A. P. D. and Secretary to the Harold C. Enloe Lodge No. 1 Fraternal Order of Police, said the resolution presented represents a majority vote however there is also a minority that feels that perhaps the only way a meaningful change can be gained for the Police Department will be through the "importation of new blood" into the City through this position.

Councilman Rainey emphasized that the City should not bring in anyone from outside unless it is someone clearly superior to those within the department.

TRAFFIC SIGNALS AT BILTMORE AVENUE AT THE PLAZA THEATRE

The City Manager said he had investigated a complaint received at last weeks Council meeting regarding the traffic signals at Biltmore Avenue at the Plaza Theatre. He said no malfunction was found in the pedestrian signal but some malfunction was found in the traffic signal which is due to the master mechanism and parts have been ordered for the system and will be installed in the next ten days.

APPOINTMENT - WILLIAM DEBRUHL UTILITIES COORDINATOR FOR THE WATER AND SEWER DEPARTMENT

The City Manager announced the appointment of William DeBruhl as Utilities Coordinator for the Water and Sewer Department

CLAIM - VIRGIL A MAXWELL

The City Manager presented a claim received from Virgil A. Maxwell.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

SENIOR OPPORTUNITY CENTER - REQUEST FOR NEW VAN

Mrs. B. A. Culberson, representative of the Senior Opportunity Center, requested that funds be appropriated for the purchase of a new van for the Center.

MR. E. R. McCARTHY - SURVEY FROM OTHER CITIES ON TOW-AWAY ORDINANCE

Mr. McCarthy asked if any information had been obtained from other cities relative to the City's tow-away ordinance.

The City Manager advised that he had received the information and it would be presented to Council at a later date.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Hermann T. Weigel
CITY CLERK

The City Manager also presented the following resolution received from the Harold C. Enloe Lodge No. 1 Fraternal Order of the Police:

HAROLD C. ENLOE LODGE NO. 1
P. O. Box 7148
ASHEVILLE, NORTH CAROLINA 28807
Telephone (704) 258-2774

February 10,1977

Acting City Manager
Members of City Council
Members of the City Civil Service Board

At the February 9,1977 meeting of the Fraternal Order of Police the following Resolution was passed for presentation to the members of City Government.

The Fraternal Order of Police is of the opinion:

That several highly trained and capable men are now employed by the Police Department in supervisory positions,

That these men have devoted their careers to the City of Asheville and should be entitled to further serve the City,

That any one of these men could honestly and effectively fill the position of Chief,

That appointing a Chief from outside the department would hurt the development of a career path for supervisors, and may cause qualified and valuable men to seek better career opportunities elsewhere,

That appointing a Chief from outside the department would, at this time, cause serious problems of morale,
and
That advantages would be gained from using a man already aware of the problems and needs unique to our City.

Therefore, the Fraternal Order of Police request the Chief of Police be appointed from among those qualified men already serving the City as career Police Officers.

Respectfully,

B.L. Burgamer, Patrolman A.P.D.
Secretary, Harold C. Enloe Lodge No.1
Fraternal Order of Police

PUBLIC HEARING - DOWNTOWN REVITALIZATION EFFORTS - MAYOR'S DOWNTOWN ADVISORY COMMITTEE

2. A public hearing was held relative to proposals presented by the Mayor's Downtown Advisory Committee on February 3, 1977 relative to future downtown revitalization efforts to be undertaken.

Mayor Ochsenreiter opened the public hearing at 3:26 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Ochsenreiter advised that the purpose of the public hearing was to receive comments on the recommendations submitted by the Downtown Committee and that neither Council, the Committee, or staff would attempt to answer specific questions at this hearing. All recommendations and comments would be recorded and discussed at a work session on Tuesday, February 22, 1977.

Mr. Harold Bennett, representing his law firm, Bennett, Kelly and Cagle, said in his opinion there is grave doubts about the constitutionality of what is proposed to be done and also doubts about the constitutionality about the general statute which was passed in 1973 (G.S. 160A-535). He said the gist of the proposal is to help one segment of the business community only, that of the retail segment, and there is absolutely nothing for the professional segment of the community and yet his building stands generally in the middle of the district on which there is proposed a tax levy of up to 49¢/$100 that would in effect increase his firm's taxes by approximately 1/3. With the present tax rate $1.01 Council is authorized to go up to $1.50 without a vote of the people. He said the constitution of this state says that no tax may be levied except for a public purpose other than by a majority vote of those affected. He said what Council is proposing to do is tax many for the benefit of a few according to the map in the Planning Division. The larger area embraced by the boundaries is designated solely for providing tax base to provide parking for those unities who could not foresee the affect of the two car families. With the existing conditions in the downtown area no major enterprise will sign leases for space no matter how much money is spent. He said that studies that he has seen indicate that for the most part municipal efforts to solve downtown problems have failed except when utilizing the urban renewal or urban redevelopment concepts of mass condemnation- raised and resold to a single developer.

Mr. Bennett again cited that his concerns relative to the constitutionality of the proposal as well as the 1973 Act, if the projects undertaken were not determined to be for public purposes. In making this point he quoted two court cases which referenced the use of tax funds for public purposes only.

Mr. Bennett's final point was that if Council adopts the proposal, what will be occuring will be that Council is aiding one segment of the business community, combating another - namely, the downtown retail segment vs. the shopping centers.

Mr. George Tisdale, District Manager of Southern Bell Telephone and Telegraph Company, indicated that he had appeared when the Committee first suggested the use of a special tax district in June of 1976 and he had opposed it then and he and his company still took that position. He indicated that his company was the largest tax payer in Buncombe County and the City of Asheville and if this proposal was passed utilizing a tax district for financing, then the increased binder would be passed on to the consumers.

Thursday - February 17, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the February 10, 1977 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the February 10, 1977 meeting were approved as submitted.

ORDINANCE NO. 944 - AN ORDINANCE AMENDING AND APPROVING A COMMUNITY DEVELOPMENT BUDGET CHANGE IN THE CITY OF ASHEVILLE'S GENERAL FUND BUDGET - 1976-77 - TO INCLUDE A NEW PROJECT, COMMUNITY DEVELOPMENT INCENTIVE HOUSING PROGRAM

2. Consideration was given to an ordinance amending and approving a Community Development Budget change in the City of Asheville's General Fund Budget - 1976-77 to include a new project, Community Development Incentive Housing Program.

The City Manager read the ordinance.

Logan Delany, Community Development Coordinator, said this program is in response to complaints that have been issued over the past years in the Urban Renewal Project area in that no funds were available to build single family residences back into the area. He said this would also provide an additional needed tax base for the City as well as providing mixed income levels in the area. He said the Asheville Housing Authority has 135 lots available at this time for private residential development. He said the Asheville Housing Authority will administer the program and would also be guarding against speculation. He answered general questions of members of Council relative to the details of the program.

Vice-Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 944 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 944. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 944 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 944. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 944 passed on its third and final reading.

Complete text of Ordinance No. 944 will be found in Ordinance Book No. 7 at page 102.
